

女兒の機嫌は
春の天氣に似て...

So you say, but your hands are still being frisky.

Sorry, sorry. I won't touch you anymore, okay?

荒れると
ツライ!!

Not to mention him clinging to Aika like a clam. Gross.

What's Aniki doing in my room, anyway?!

Wanna switch now, Hana?

Nah, I already cleared that level.

It's so easy to pin you down.

You're such a pushover, Hana.

What are you doing?! Hey...! Aniki, let me go...!

That's because... you're constantly fondling them...!

Your breasts have grown so much.

Start wearing a bra already!

Liar! He's lying!

Sometimes she's the one who tempts me, though.

She doesn't have the guts to just ask, so she'll nonchalantly start feeling me up.

And then, she'll flash me her panties on purpose.

Eeh? I never would have imagined.

Hmm~ Hana, you and your brother are like that, huh...?

It's not what you-! He forces me to...!

It's fine
if Aika-chan
says she wants
to try having
sex too,
right?

Let's
give your
friend a
lesson on
how it's
done!!

Really?!
I'd love to
see how you
guys do it!

Wha-!!
No...!
Never!

Now I
find out it's
'cause you've
been having
your brother
massage them
for you.
Hmm~

I thought
your breasts
had gotten
bigger.

Aika-chan,
help me get
her clothes
off.

'Kay!

Whoa,
her nipples
are stiff as
a board!

You've
got it all
wron...g!

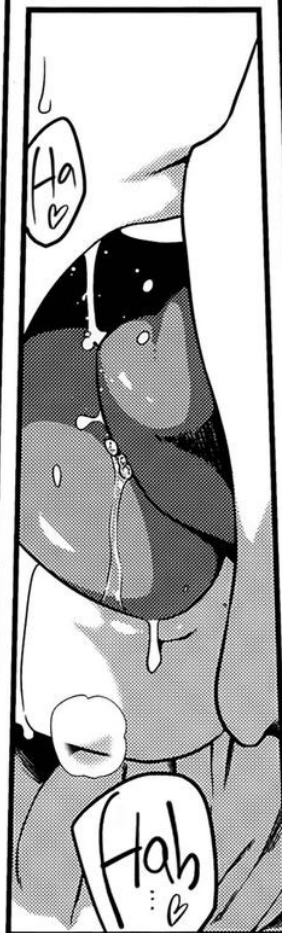

Yeah!

Are you sure? It stinks like squid.

Alright. I'm gonna suck your cock for you again, then.

Sure. As long as you don't show them to anyone else.

While you're at it, take a few pictures of Hana too.

What a weird taste...

Always at your service!

Aika-chan, you really love blow-jobs, don't you?

I hope you don't mind if I ask you to do it again some other time.

It's hard again!

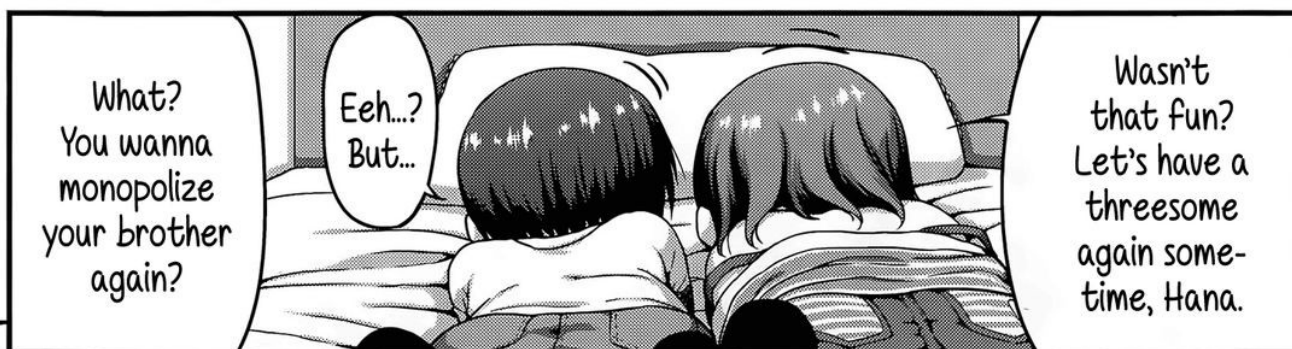

Man, you always make the same face, Hana.

Kay

Okay, I'm gonna take another one.

ちゅ

What? You wanna monopolize your brother again?

Eeh...? But...

Wasn't that fun? Let's have a threesome again sometime, Hana.

Huh?! Tomorrow?!

Yeah, like tomorrow!

Fine... We can do it again sometime.

I never said that...!

I won't steal him away from you, I promise. Okay?
