肉母(ふぼ)
―第1話―

I'm home mom
Welcome back Negumu, you're a bit late today
Yeah... something came up
Um, mom... I invited some friends over
Hello ma'am!

We've got some home work to do
I see. That's great!
Thank you ma'am
Oh... oh my, come in!
We need to focus so please don't come in my room okay?
Very well
I'm so glad
He finally made some friends
I was afraid he wouldn't make any friends since he's too shy but now i'm relieved
I know!
I absolutely must bring them some tea
He told me to stay out of his room but, I'm sure they're working hard...

I've got this feeling that those two will have a bad influence on Negumu...
But those kids...
They look like trouble...
Maybe he'll get rid of his insecurities and that'll be great!
カチャ
カチャ
But if he hangs out with those type of boys...
ふう
After all Negumu did invite them over...
They surely must be good friends!
ガチャ
Excuse me honey, I brought some snacks and tea for you and your friends!

Damn it we're busted!

……

What do you think you're doing to my son?!
W-whats the meaning of this?!
Hey!!
That said, if we decide to rape and were found out, it'd be a pain in the ass for us!
At school we're considered ugly, disgusting losers, we'd liked to get some pussy but no girl would go out with us
It's not like we have a choice
T-that's terrible !
Yeah
Well, we might as well tell her..!
Getting rid of our powerful sexual urges
Well you see, he's helping us...

Are you?
You leave me no choice then
I'm reporting this to the school and the police!
Boys or girls, it doesn't matter! What you two are doing is a crime!!
They forced me... They said if I refused they'd beat me up!
Aah!!
Asking our cute and girly Negumu to wear girl's clothing was a simple yet elegant solution
Then we thought a boy would be ok
We've got a shitload of these pictures
We could release them online... Fine by you, right ma'am?
!
With this, your son...
Ih!!
Would no longer be able to show his face in public anymore. You ok with that ma'am?!

Tell me!!
...for you to settle this whole thing
But, ma'am, there's a way...
You're cruel!
We just want our powerful sex drives taken care of
It's just like we said before...
I'll make sure to delete all the pictures
However everything depends on you!
All you have to do is take Negumu's place
Aah!!
Well no shit! We aren't fags or anything! A real woman is much better
The pictures are not enough! You have to promise you won't lay a finger on my son! Ever!

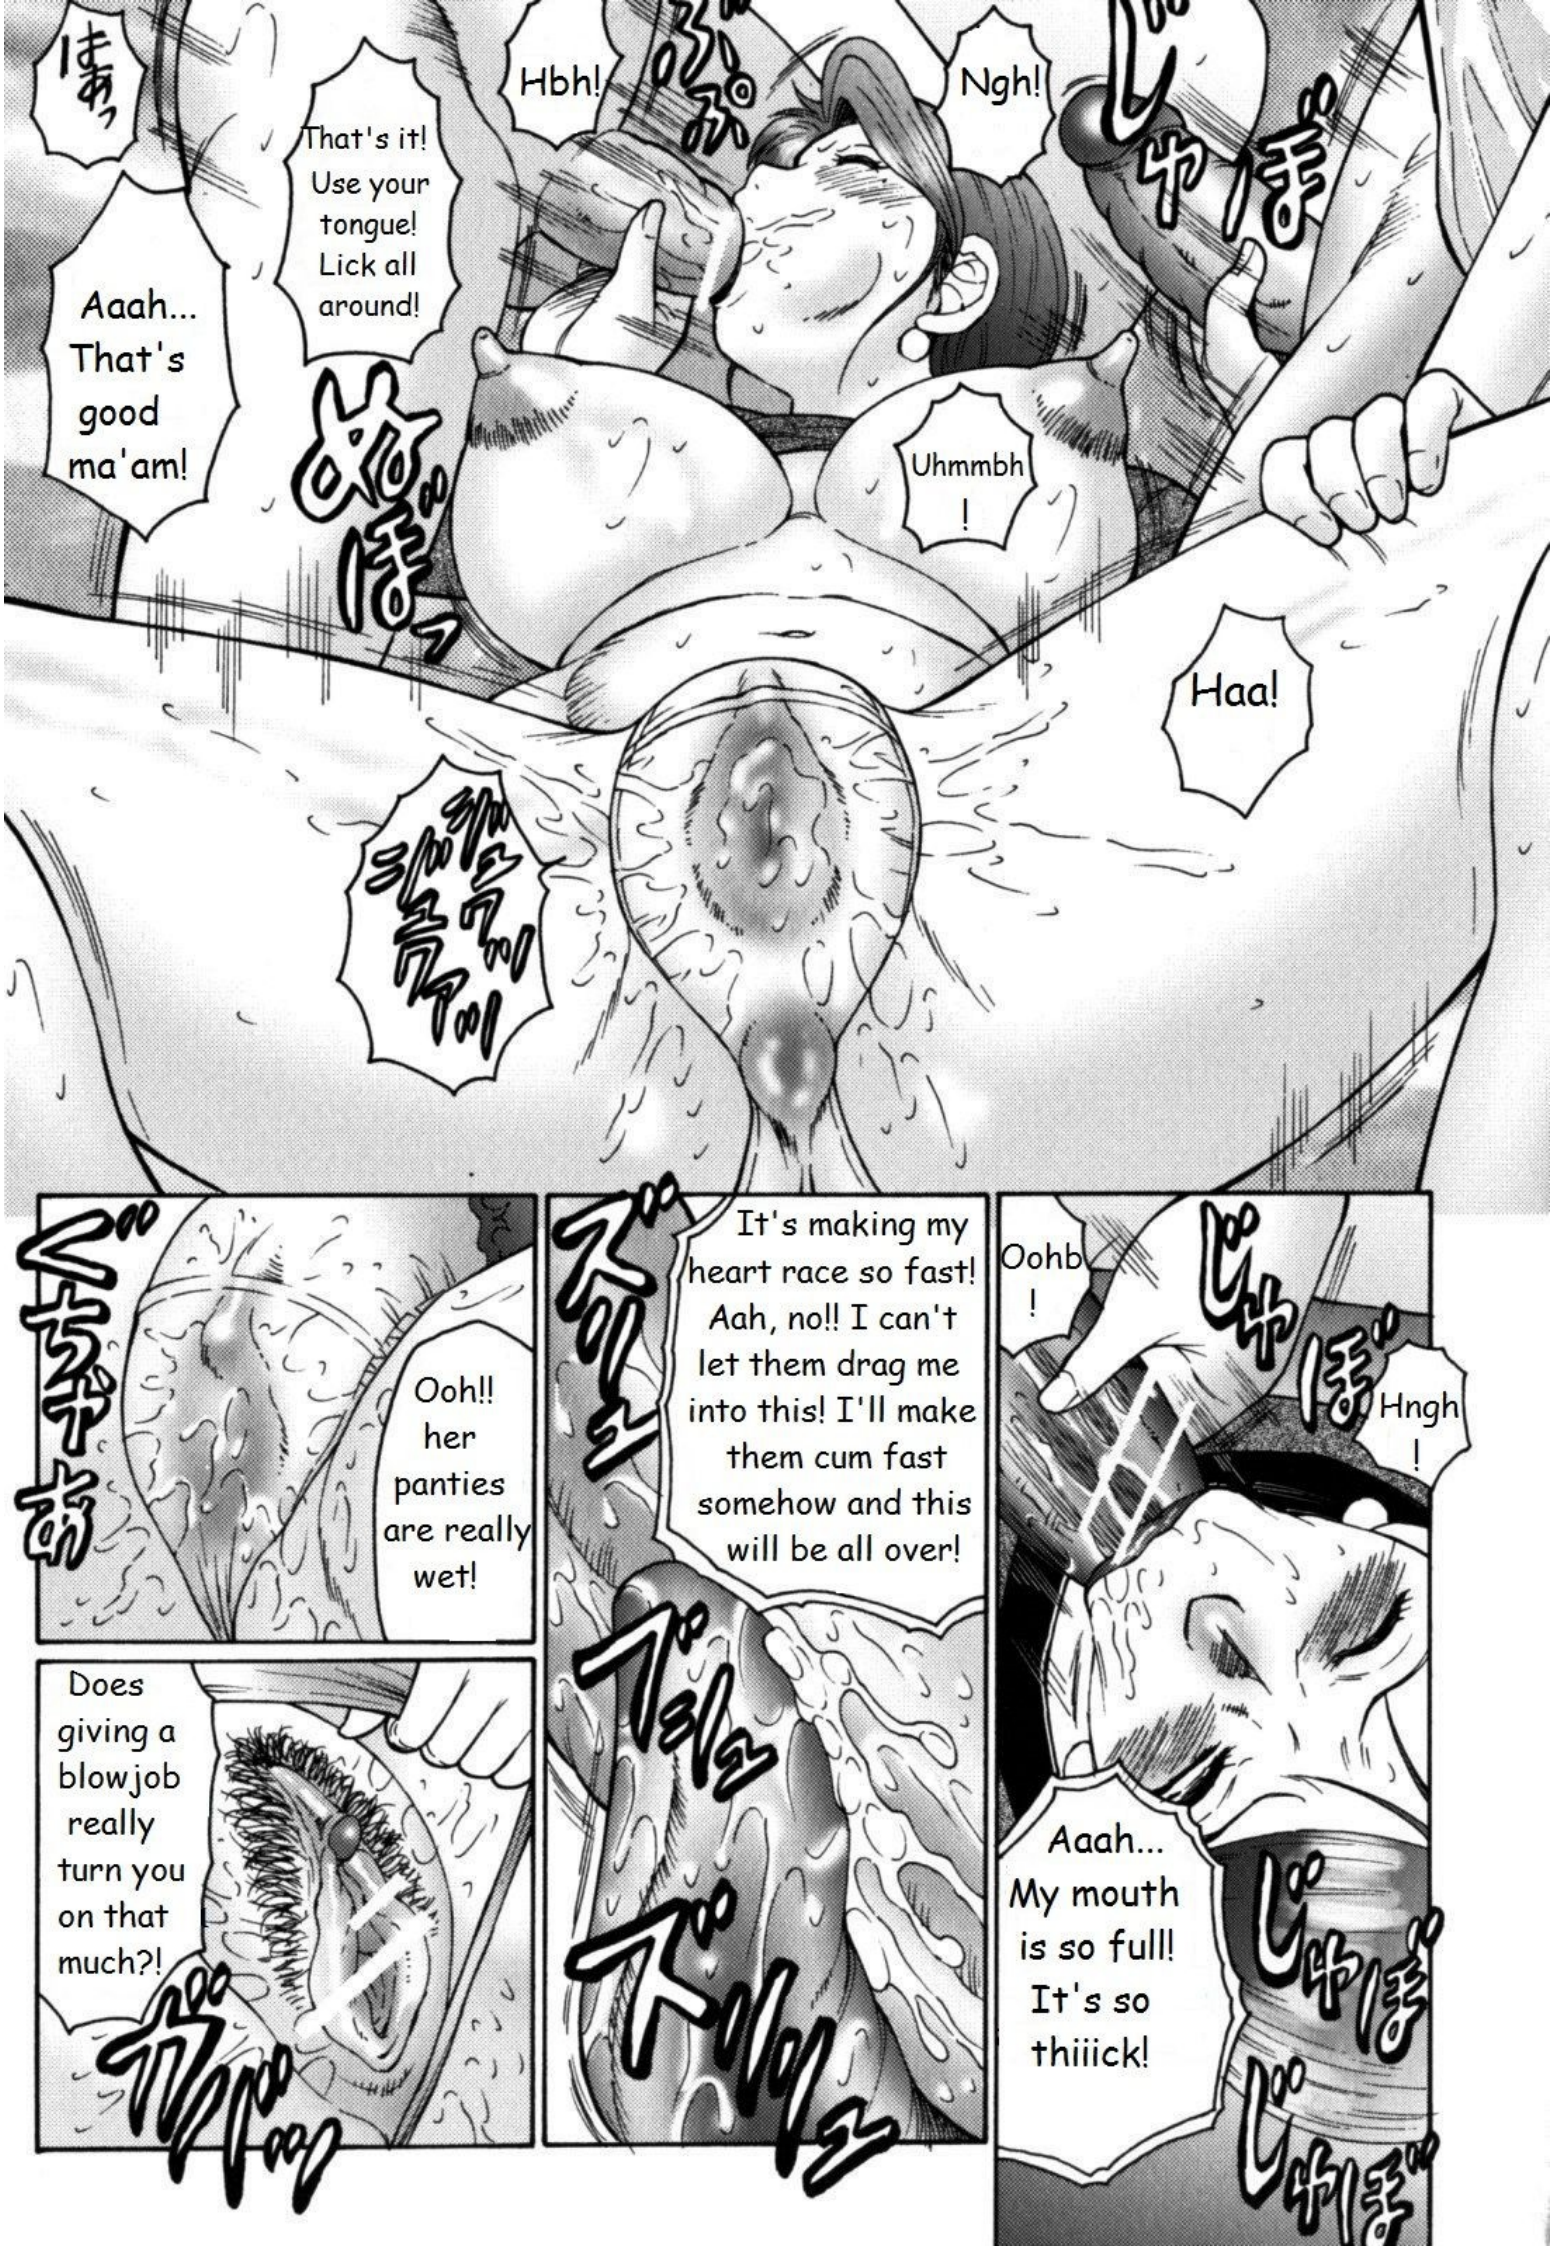

Mom! No!
Please don't do it mom!
Ve... Very well
Mom!!
But..! But!!
Go on, get the fuck out of here, you're in the way!
Don't peek in here, ok?
Please you can't do it mom!
Go, you have to leave us alone now
It's all right, mom will take care of this so don't you worry
Let's begin!
This is for Negumu's sake!
Ah!
Well... here we are, ma'am
I'll get through this! I will!
Gh!
Haa !!

There you are
Uhaaa! Nice melons!
The pussy's plump too!
That's right... They're inexperienced kids...
They're not use to this, they'll cum right away and this will be all over!
Hnaah!
Ooh, her nipples are huge too! So perky!
I must resist!!
And that ass, too! It's huge and yet it's so soft and firm!
Huh? Ma'am, are you getting wet?
Eeeh ?!

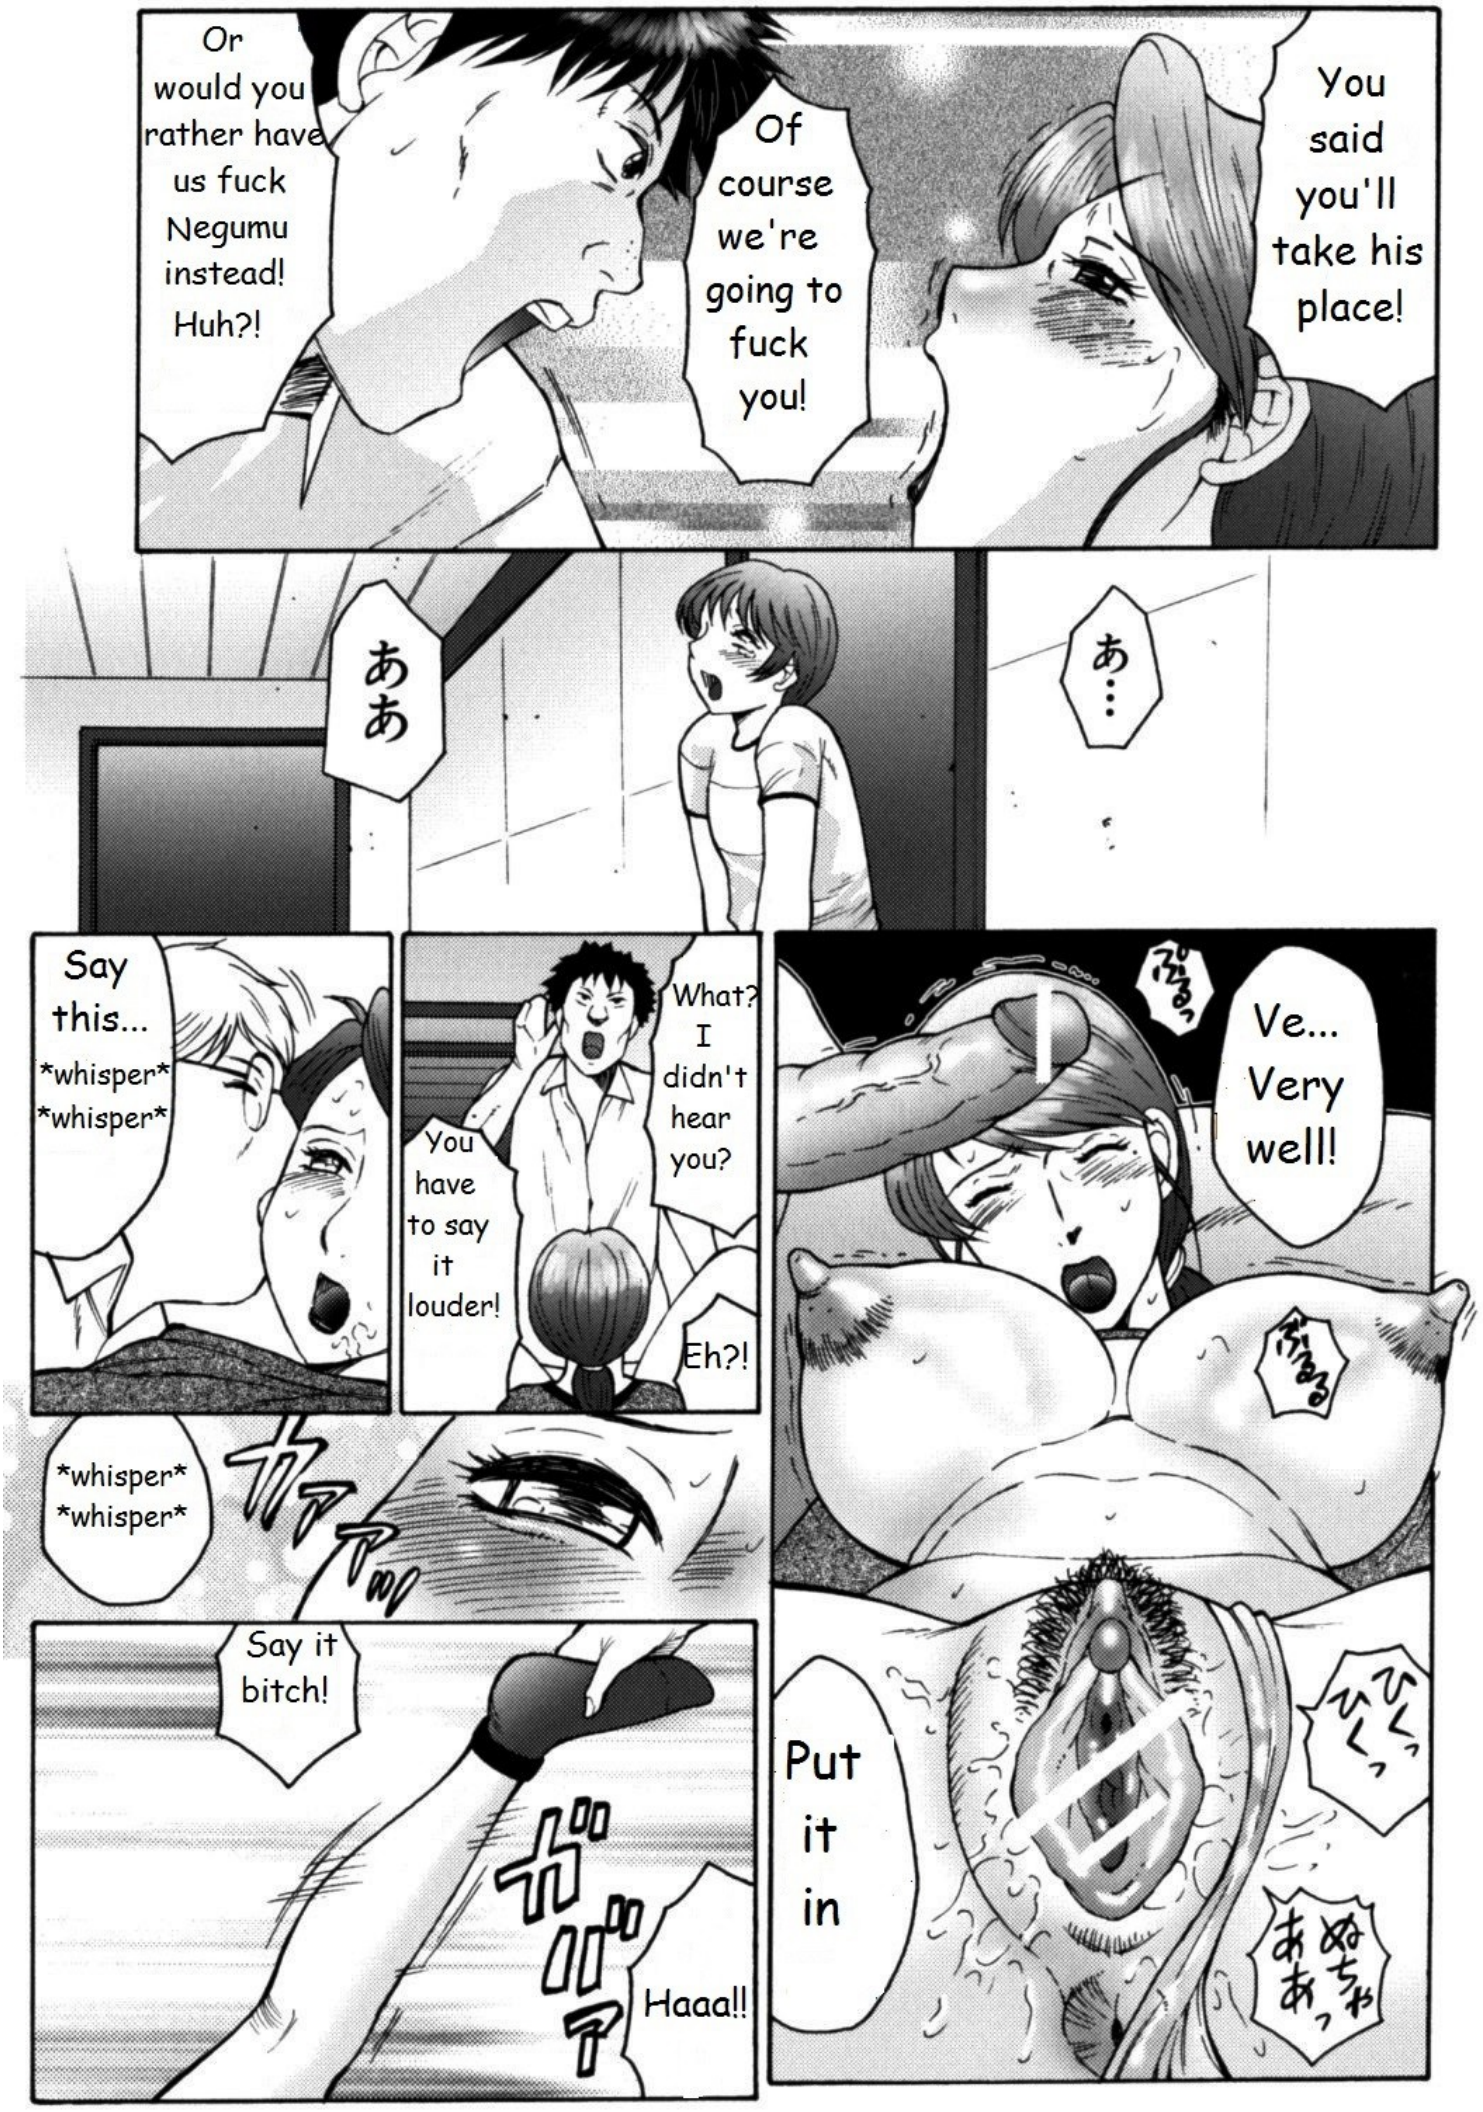

Earlier ... I-I mastur bated
That's not it! It's because...
Don't tell me you got wet 'cuz you're looking forward to our cocks !!
Uahaha! You finger your pussy while your son is at school, no way!
Because what?!
Hey, Negumu, did you catch that? You're mom is a fucking slut!
Stop thaaat !!
But i guess we can't blame you.... your husband works abroad so your pussy must get real lonely
You're wrong! It's not like that!
You're lucky ma'am, now you can touch the real deal you were missing, without holding back!
Aaah !

I bet we're bigger than your husband's!
So? pretty big for our age, huh?
Aaah! They really are big!
They're b-bigger than him... indeed...
I already thought they were big while watching... but they're amazing to touch too...
Hey, hey, what the fuck is this?
Li... like this?
Don't just fucking hold it, gimme a handjob!
If you don't do it harder I won't be able to feel shit!
Ve... very well

Aaah... don't!! Wait..!

Negumu is way better than this! I guess we gotta call him back in here..!
Then i take it you'll suck mine, right?

I'll give it my best for the handjobs...

Alright... almost for the main dish I'd say
You really thought a blowjob and a hand-job would wrap things up?
Huh?! What the fuck are you saying bitch
Ihii! Wait a moment... We can't h-ha... have sex!!
The whole point of coming here today was taking Negumu's virginity...
... And since you were nice enough to take his place... We're gonna fuck you instead!!
Auuh!

You said you'll take his place!
Of course we're going to fuck you!
Or would you rather have us fuck Negumu instead!
