niratama/Sekihara & Hiroto

for adult only.

What story
are you going
to read to me
today?

Can you point to it on this map?

Yup!

But there's another world out there, the human world. Did you know that?

We live in a world of magic.

And what lies between them is know as the "dream world."

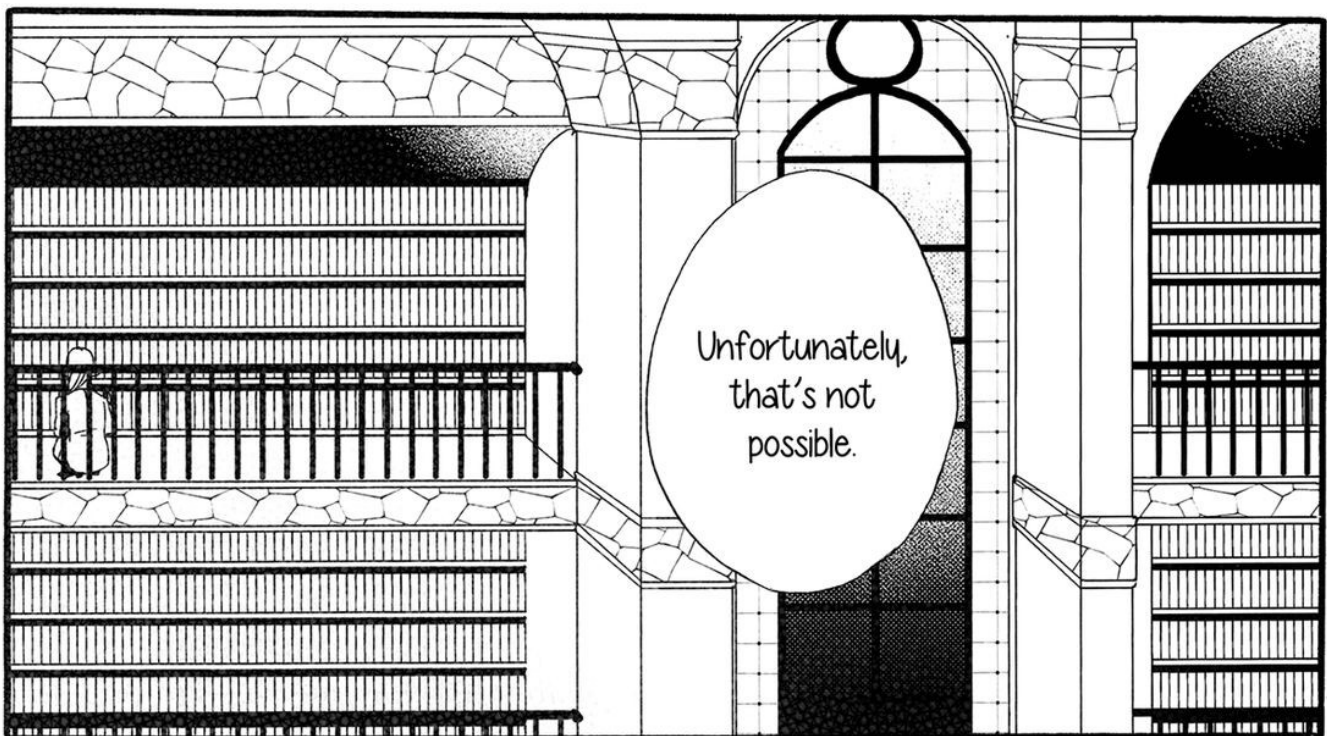

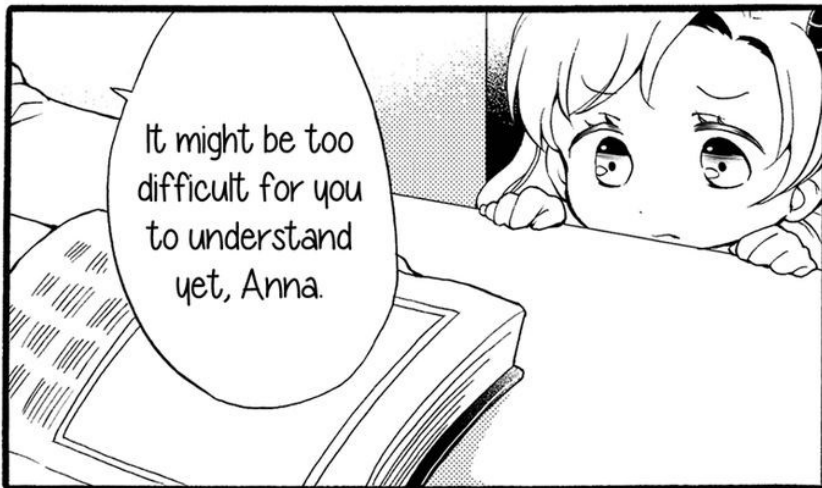

It's here, right?

Yes, that's correct.

Yes.

The dream world...?

Once you're able to read on your own, Anna...

Ehh? The story's over already? I want to hear more!

Anyway, it's time to get back to your studies.

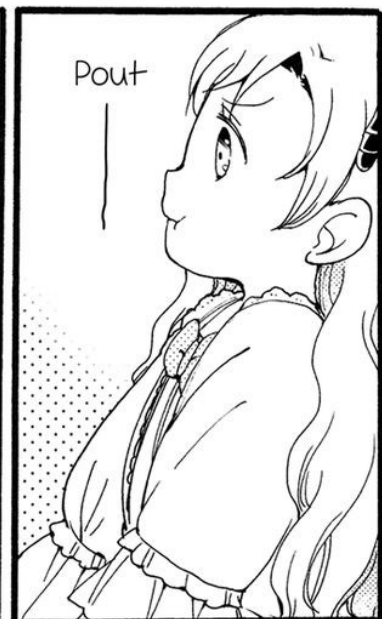

You'll be able to read as many stories as you wish.

It just happens to be time for language studies.

Please give it your best effort.

Fine, I'll do it.

Pout

従者の休日

-Last program of a series-

This book is a fantasy yuri book
starring a queen and her servant.
You can enjoy this book on its own,
but for those who have read
my earlier work, "Nightmare's Paradise,"
this story takes place after it.

If you own both books,
I recommend starting there first.

This book has scenes depicting love between
two women, so please refrain from
viewing if you are not of proper age.
That aside, please continue on to the main story.

THIS IS THE
STORY OF

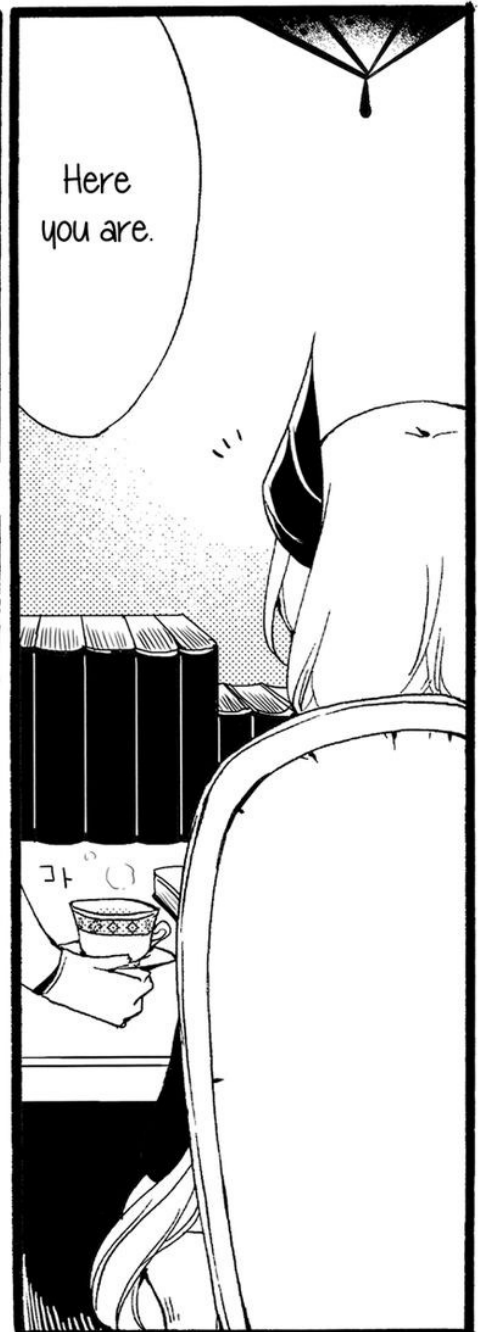

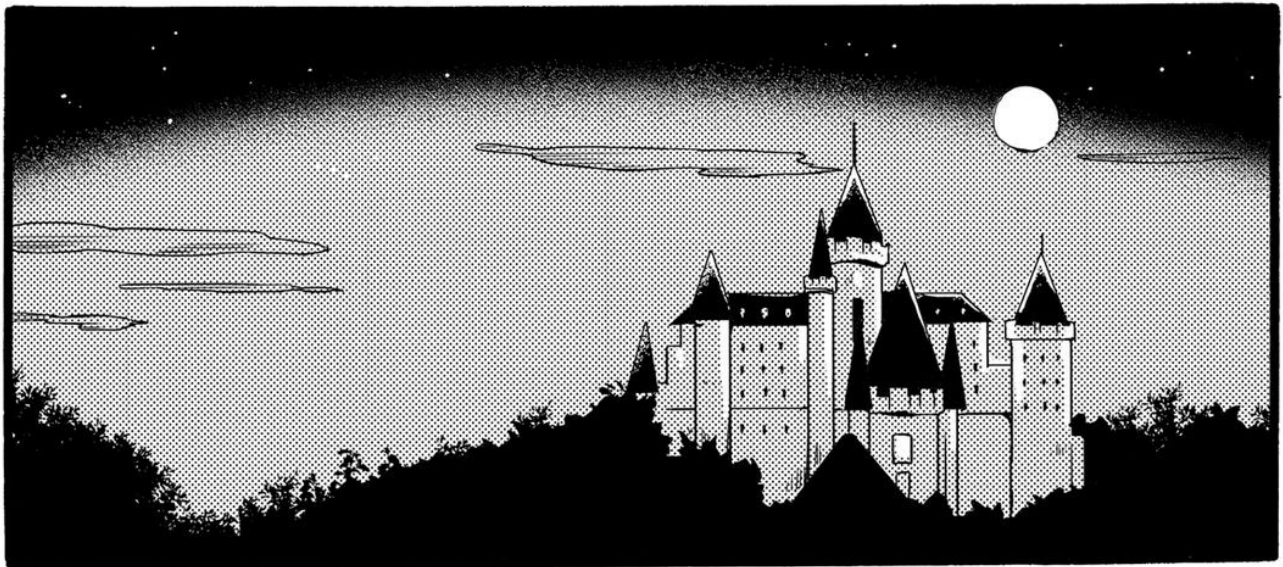

A SERVANT

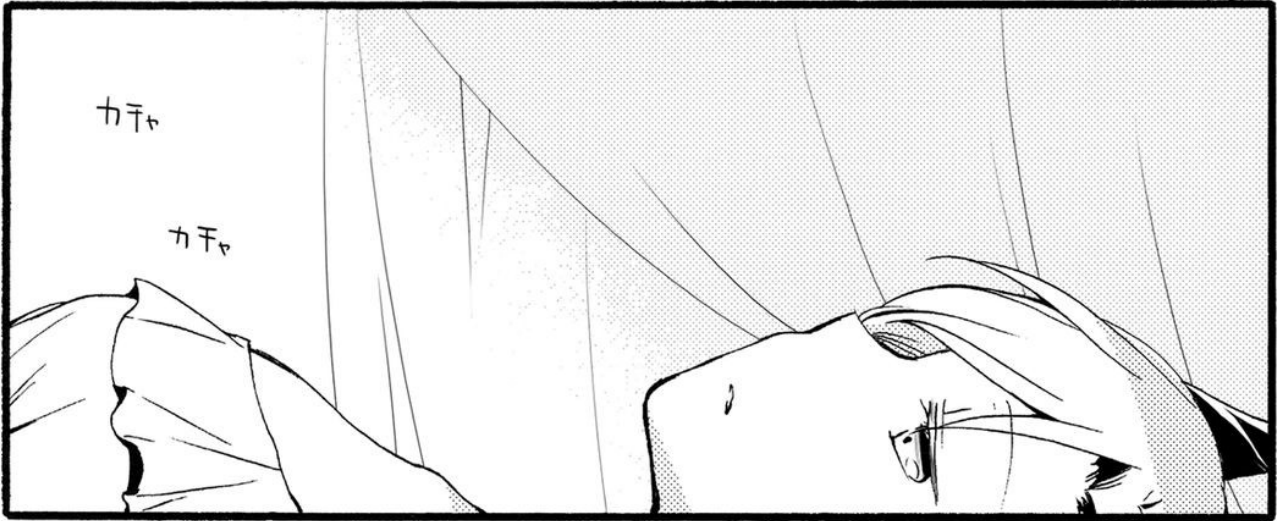

AND

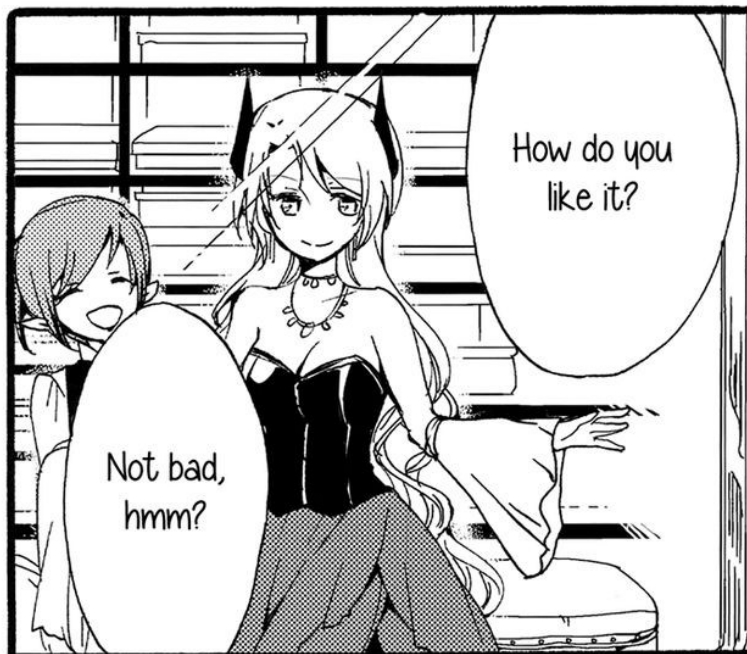

THE QUEEN

OF A CERTAIN
WORLD.

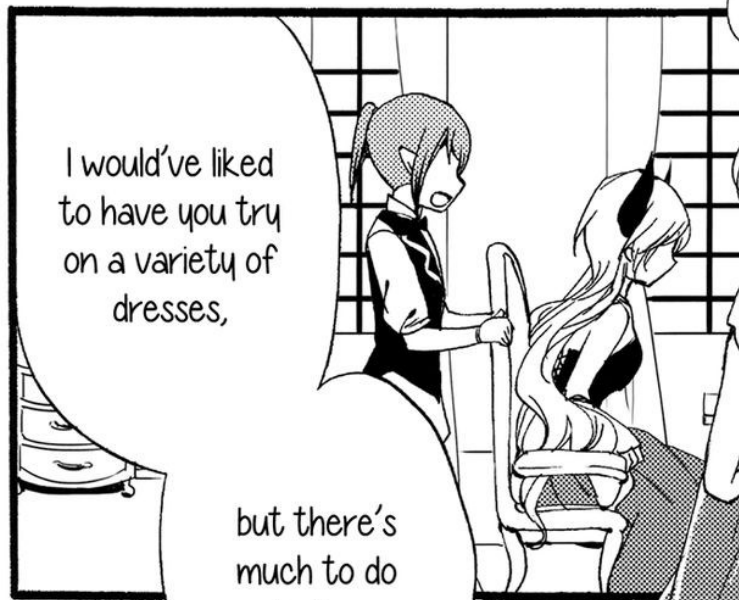

Not bad,
hmm?

How do you
like it?

Thanks.

It suits you well.

I would've liked
to have you try
on a variety of
dresses,

but there's
much to do
today.

Ah, please
turn sideways
in the chair.

Side-
ways?

Like this!

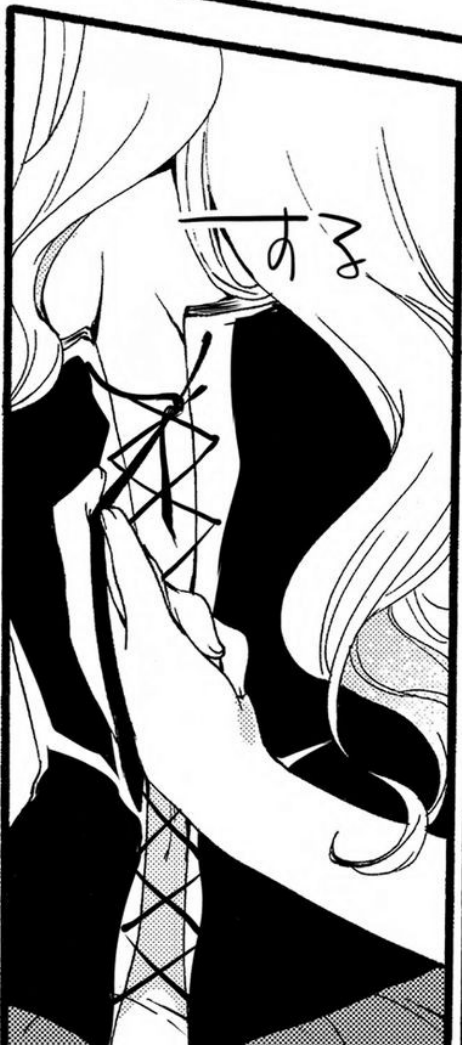

It may be a little uncomfortable, but please bear with it for the time being.

You look quite beautiful!

Are you insulting me?

Quite impressive.

Not at all!

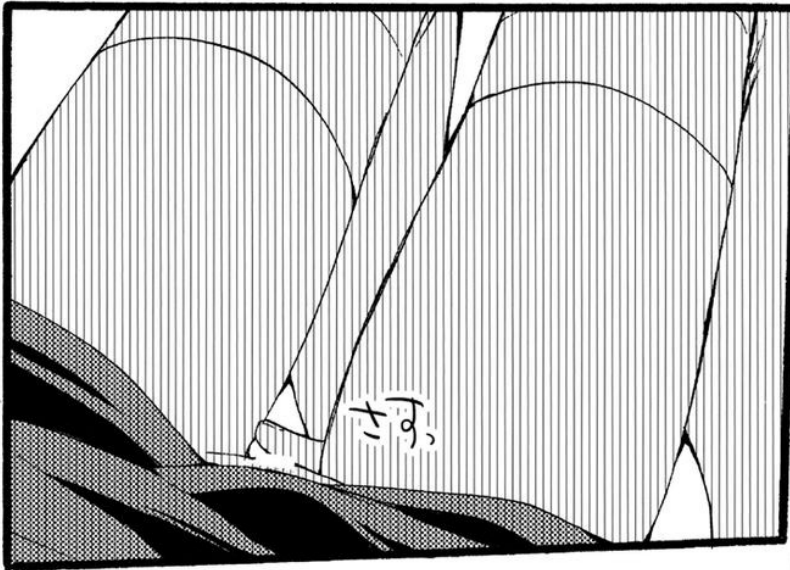

Is that what you wanted to do?

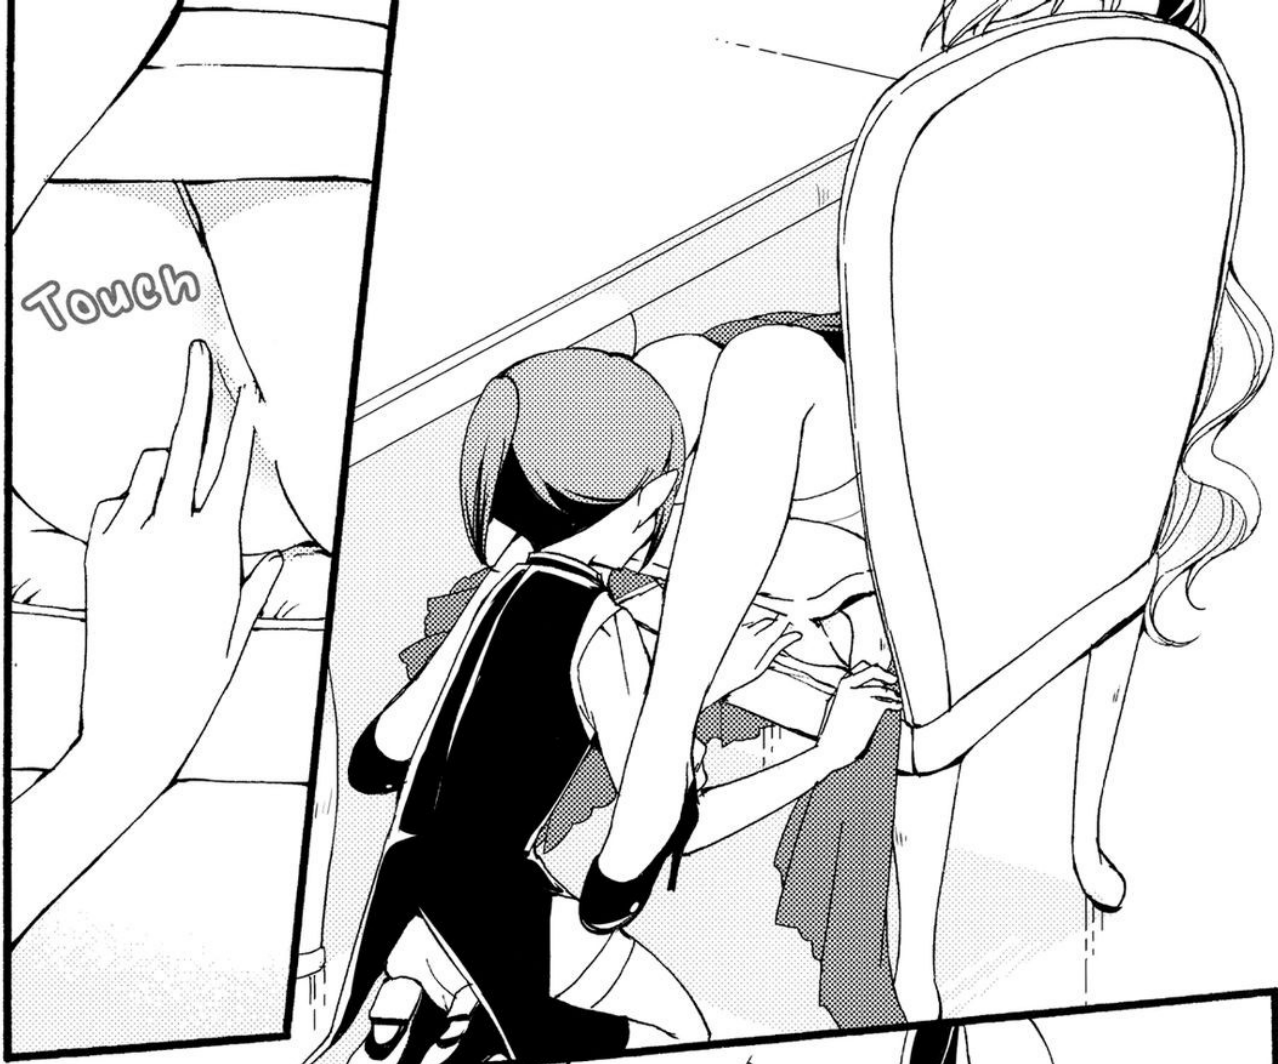

I was interested in doing this

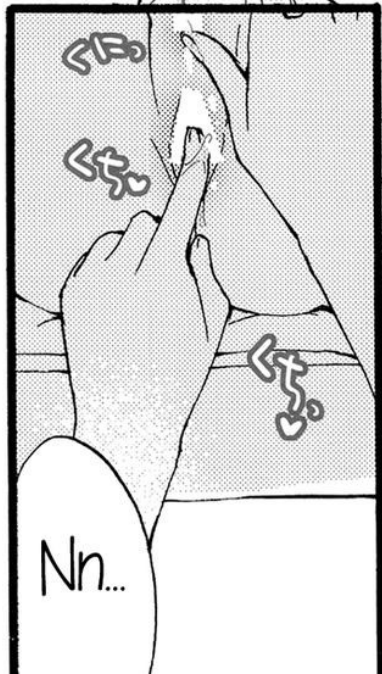

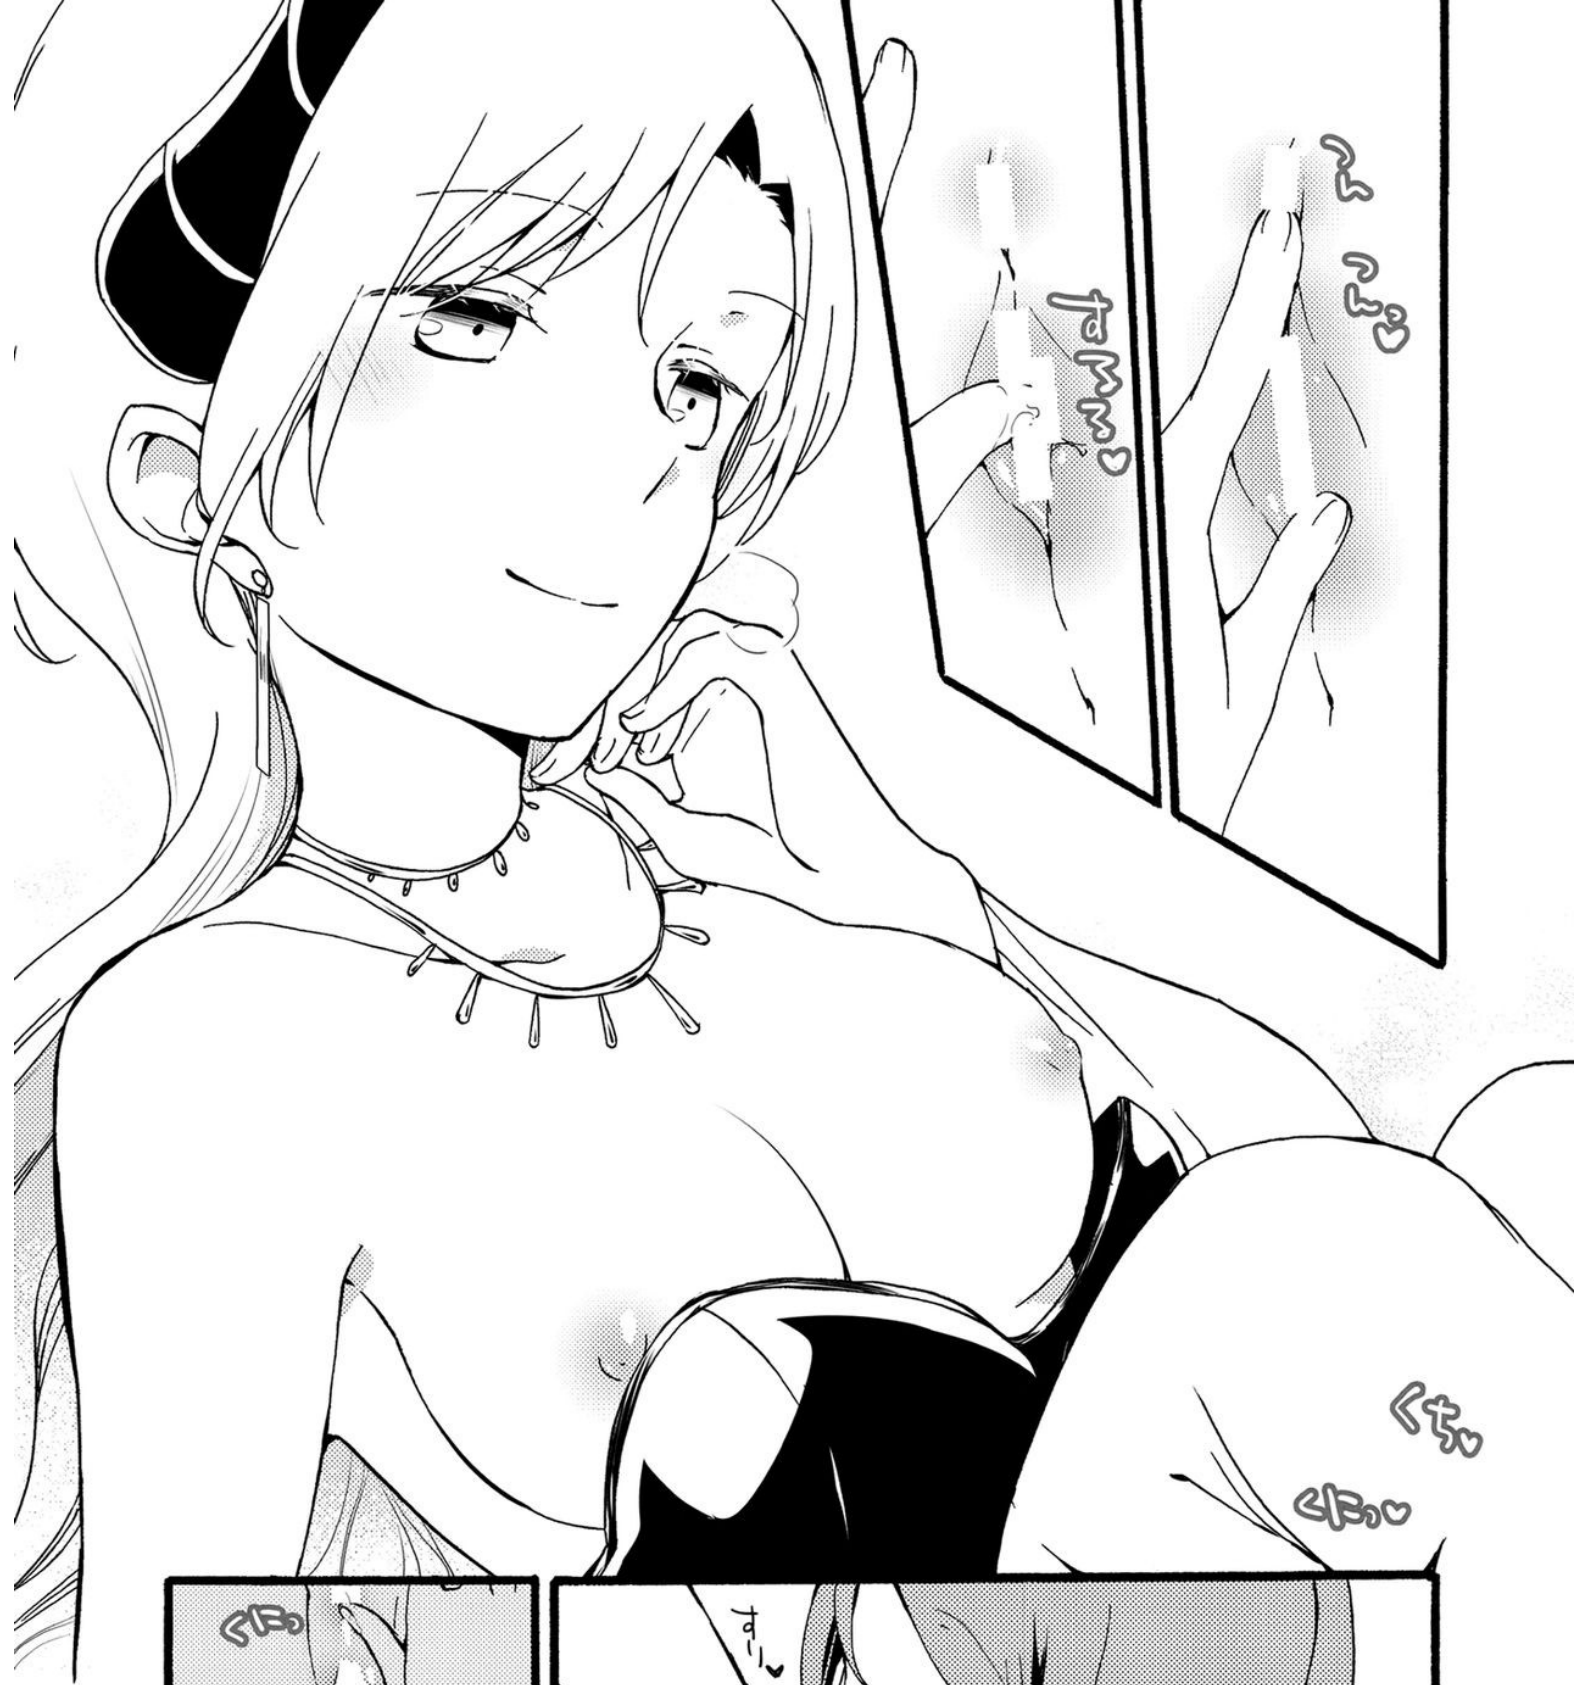

somewhere other than in bed.

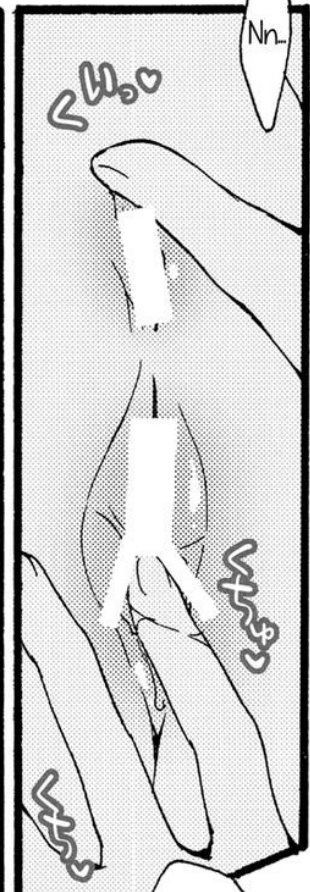

Though this isn't that much different.

Hmm ...?

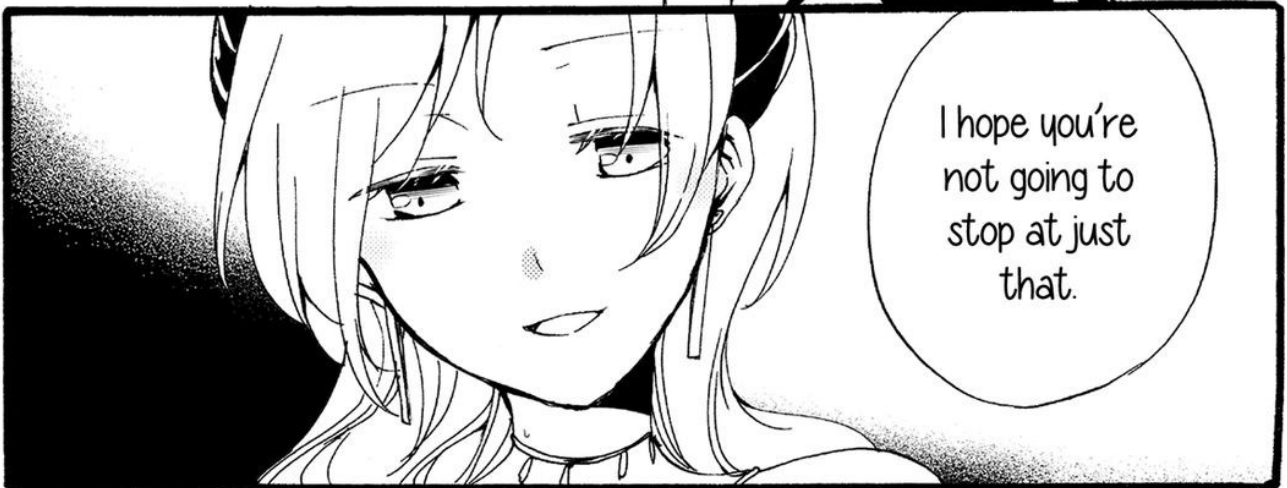

Slurp

You're supposed to be setting me free today, right?

I have an entire day planned out for us!

I see.

Ah, but I'd like to enjoy myself a little longer...

Why not do what you want?

Hmm...

I suppose so.

I look forward to seeing

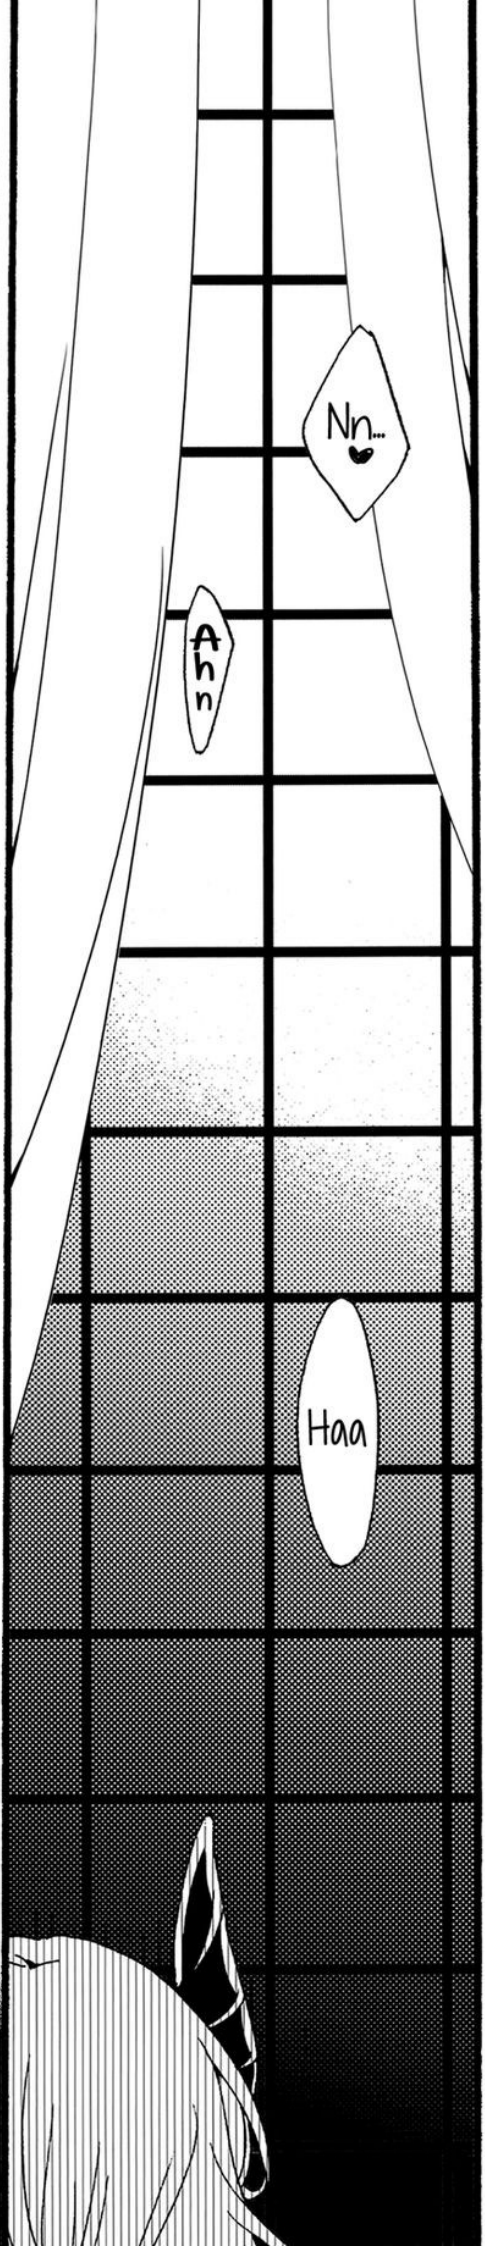

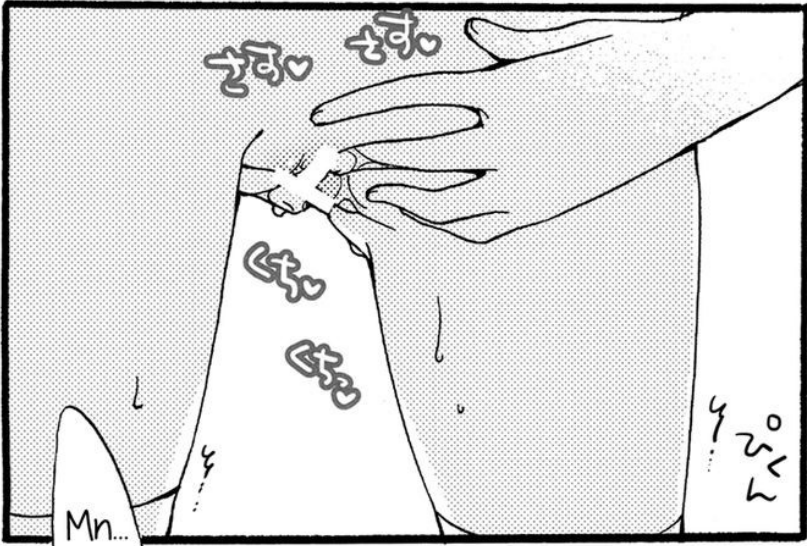

how you'll entertain me next.

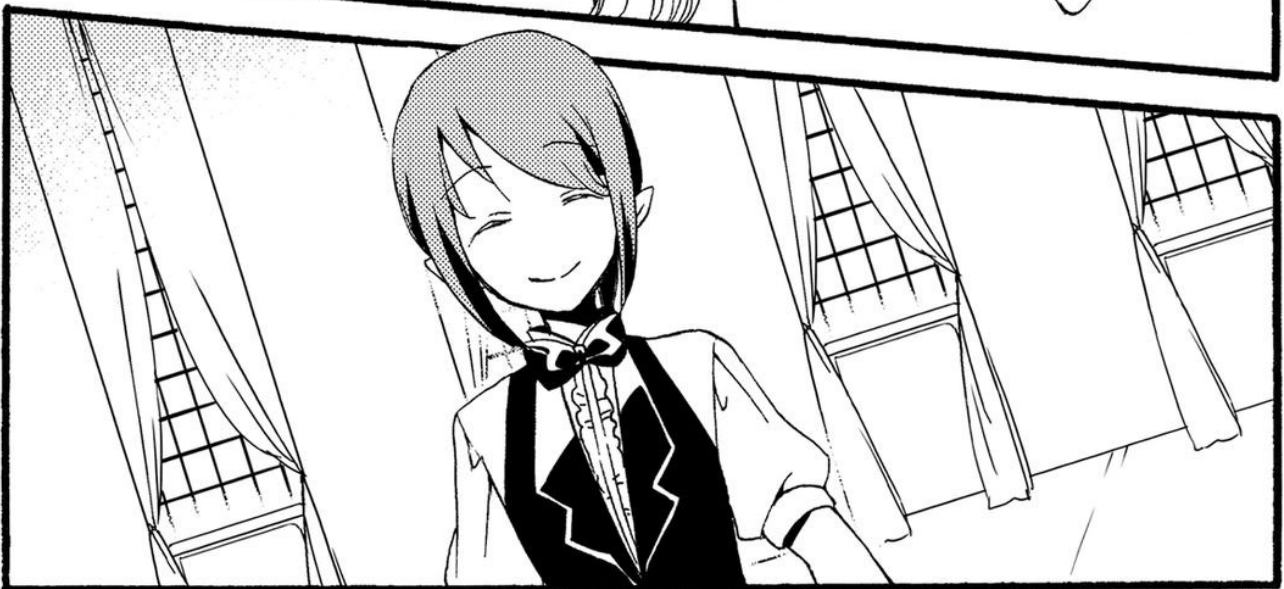

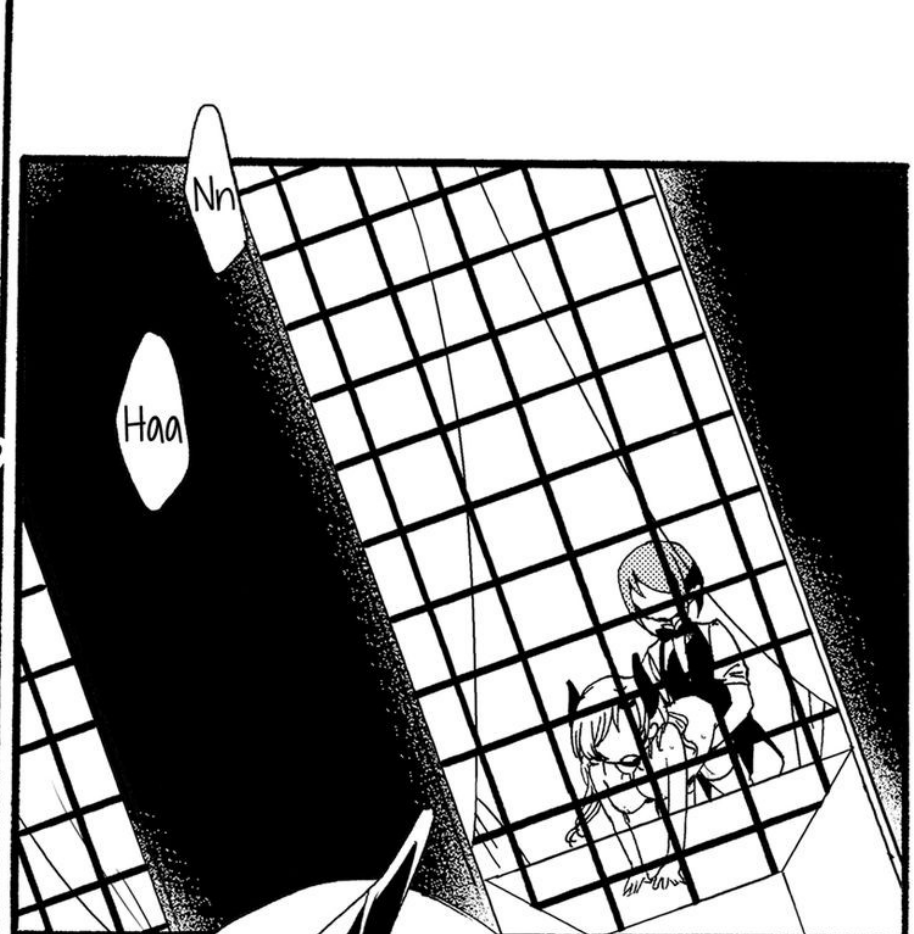

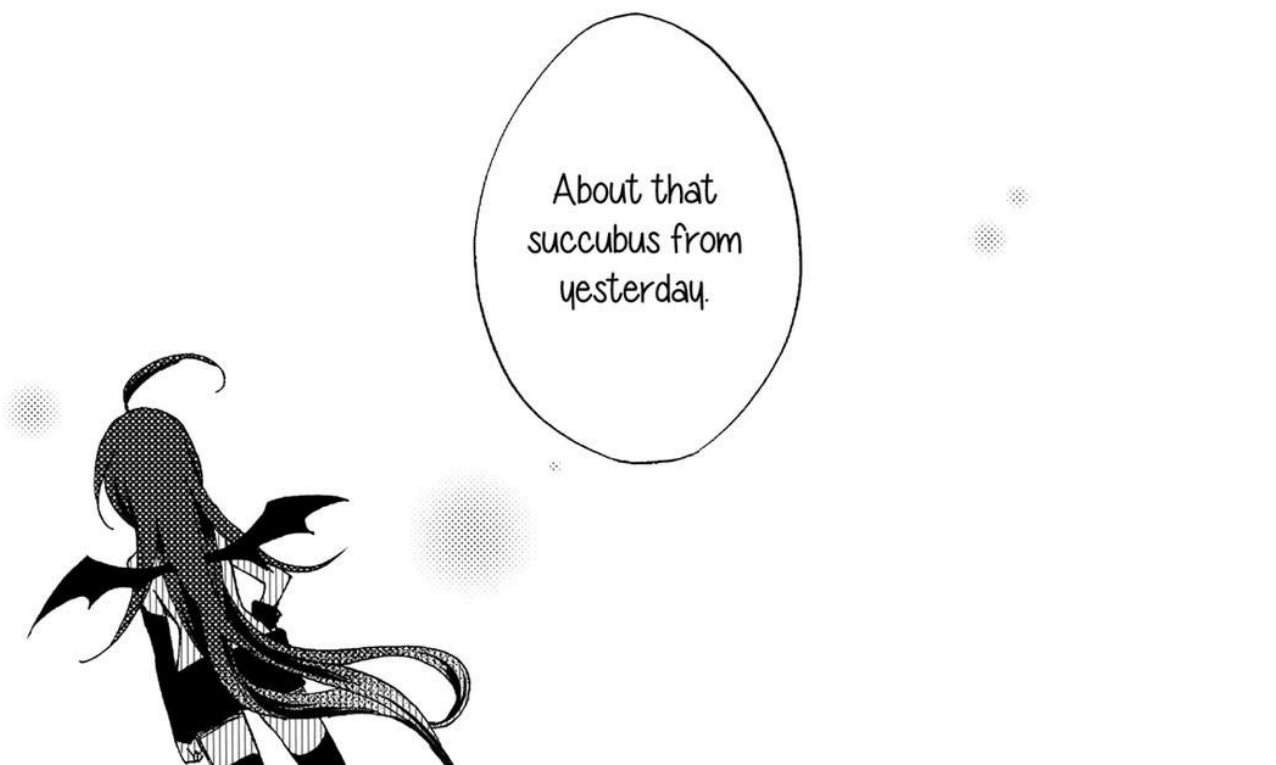

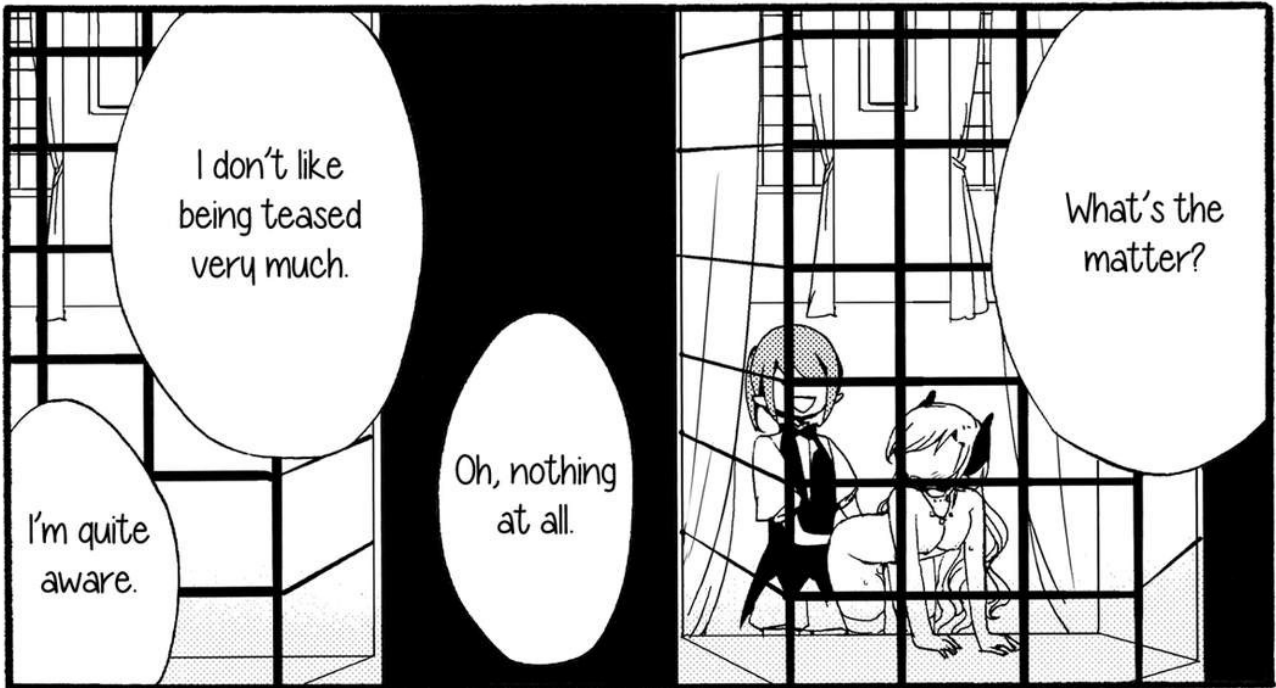

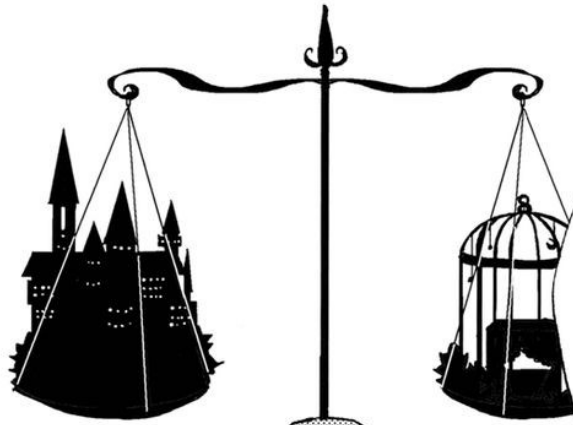

従者の休日

-Last program of a series-

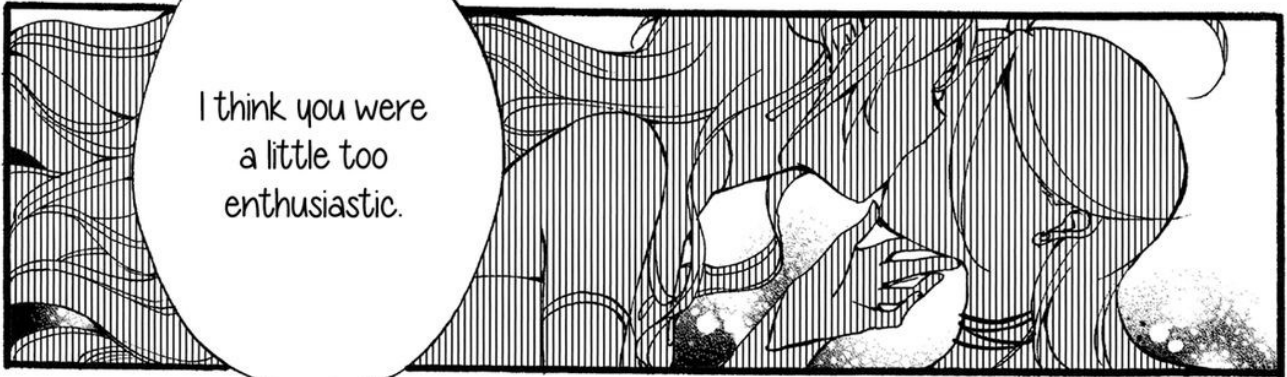

While you may have been searching for protection

in the other world, the "dream world..."

I think you were a little too enthusiastic.

Can't I do as I please?

It's not
very
amusing.

I'd be unfit to rule a kingdom if I couldn't make a single servant obey me.

So, you doing it would be preferable to someone else.

Oh jeez...

You show no interest in people you don't think much of.

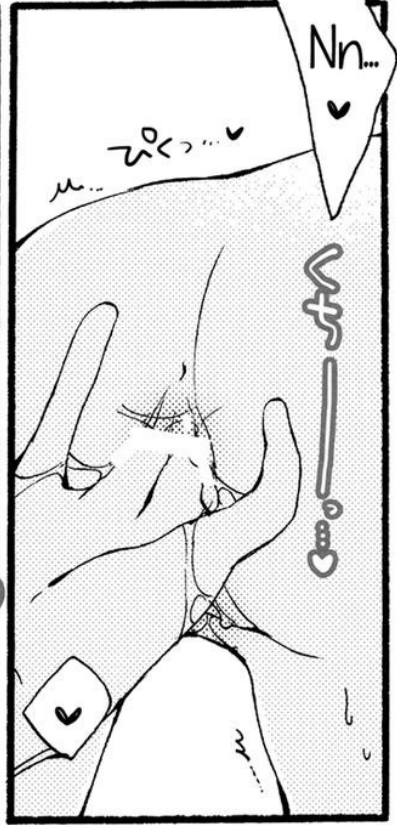

Which is why you're angry?

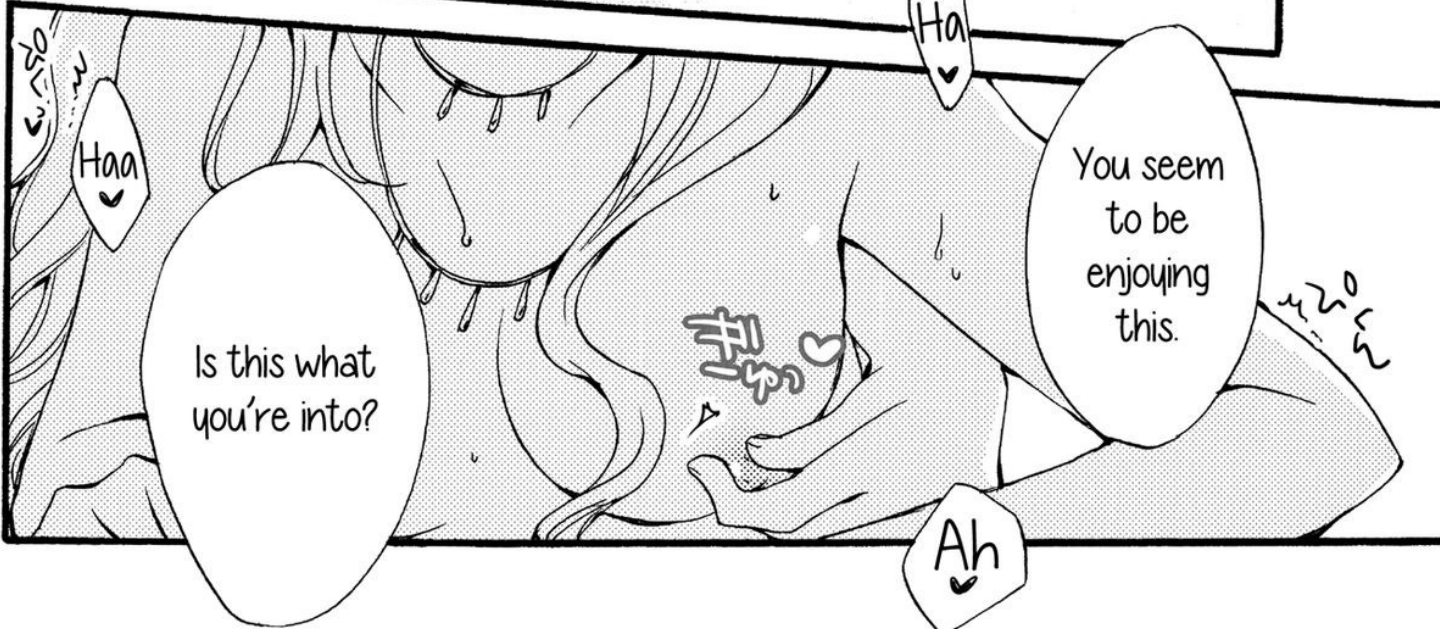

Hearing that is going to make this difficult to do.

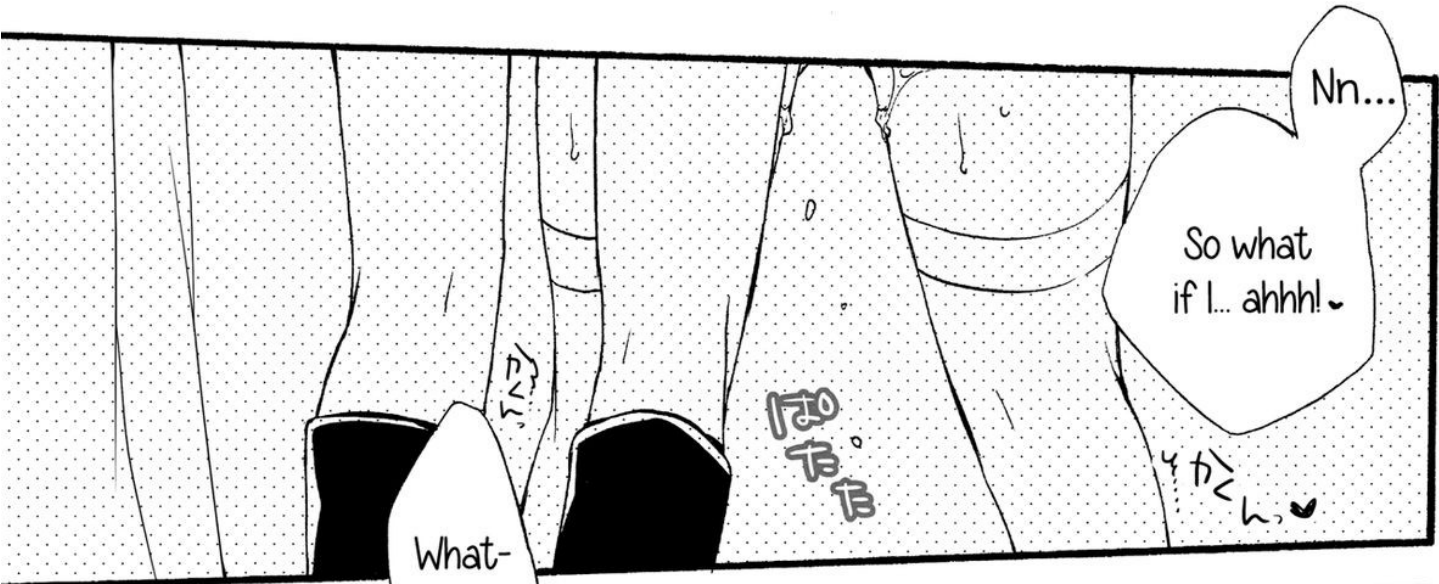

I'm actually quite fond of you, my queen.

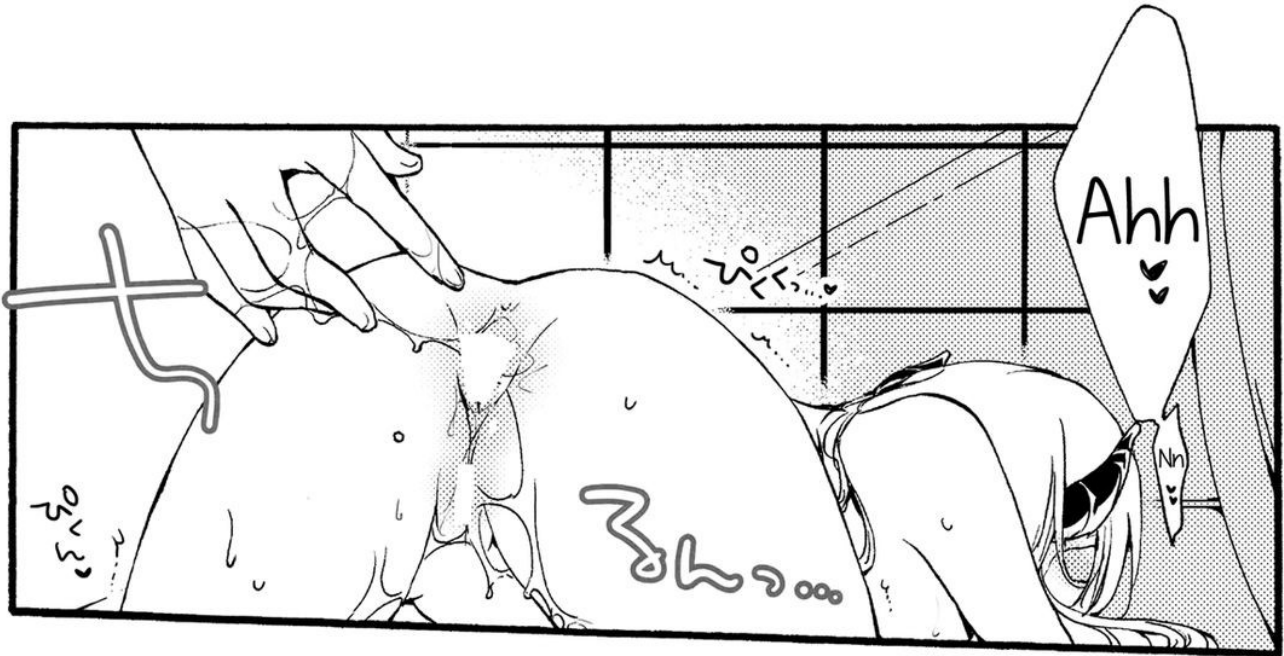

Ahahaha

Did you figure me out?

Then I'll count it as a win if I can get you to cum first, all right?

従者の休日

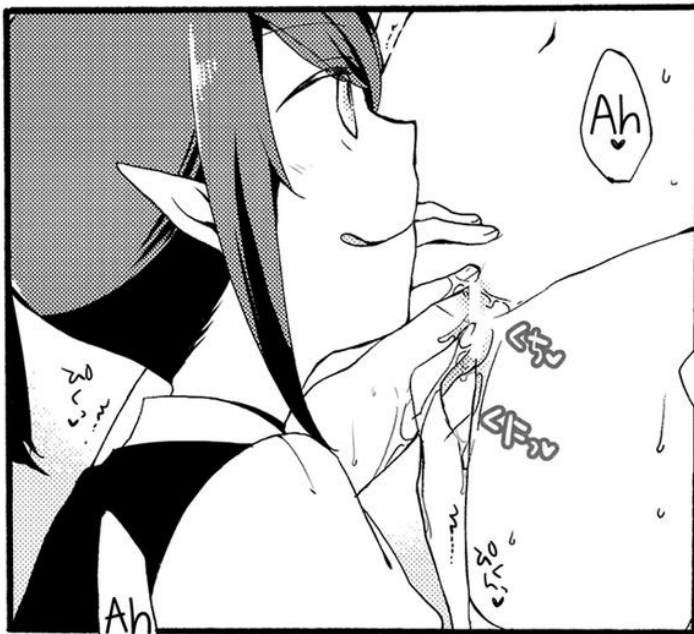

-Last program of a series-

Giving up already?

Ha

Let me play around with you some more.

Ah

Ah

Ahn

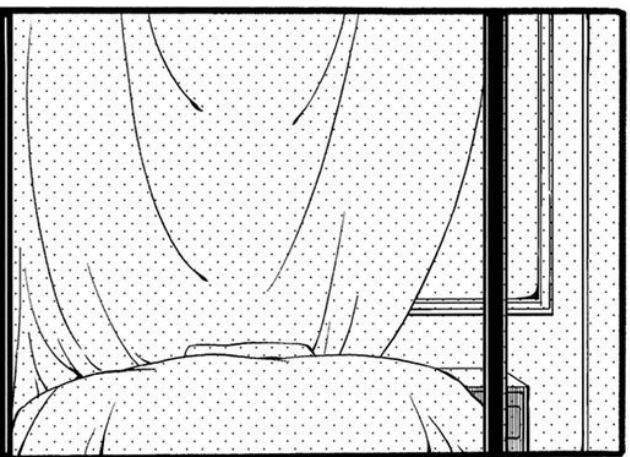

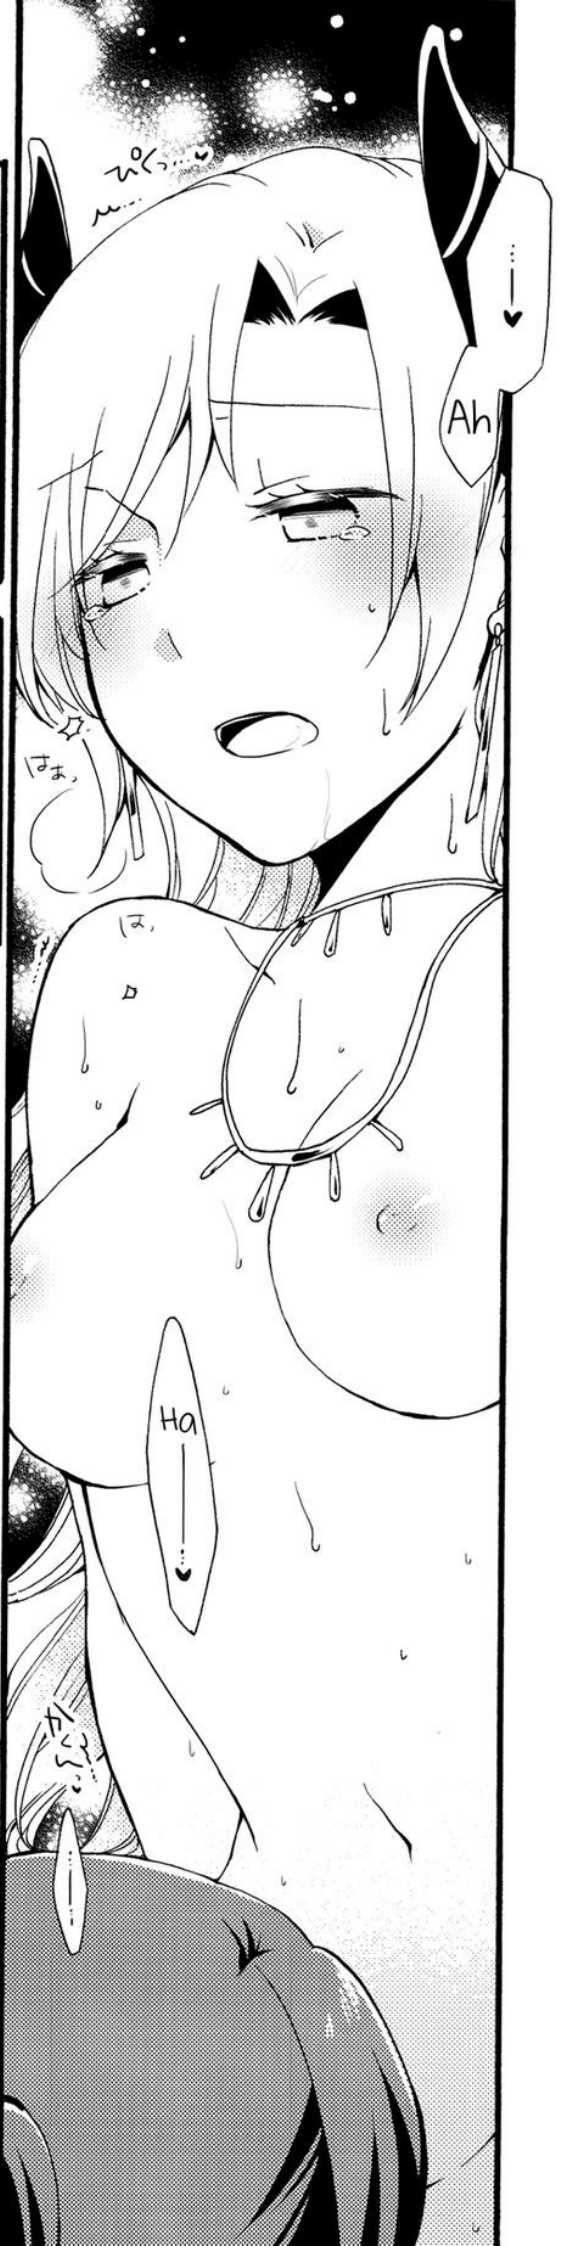

Ahh

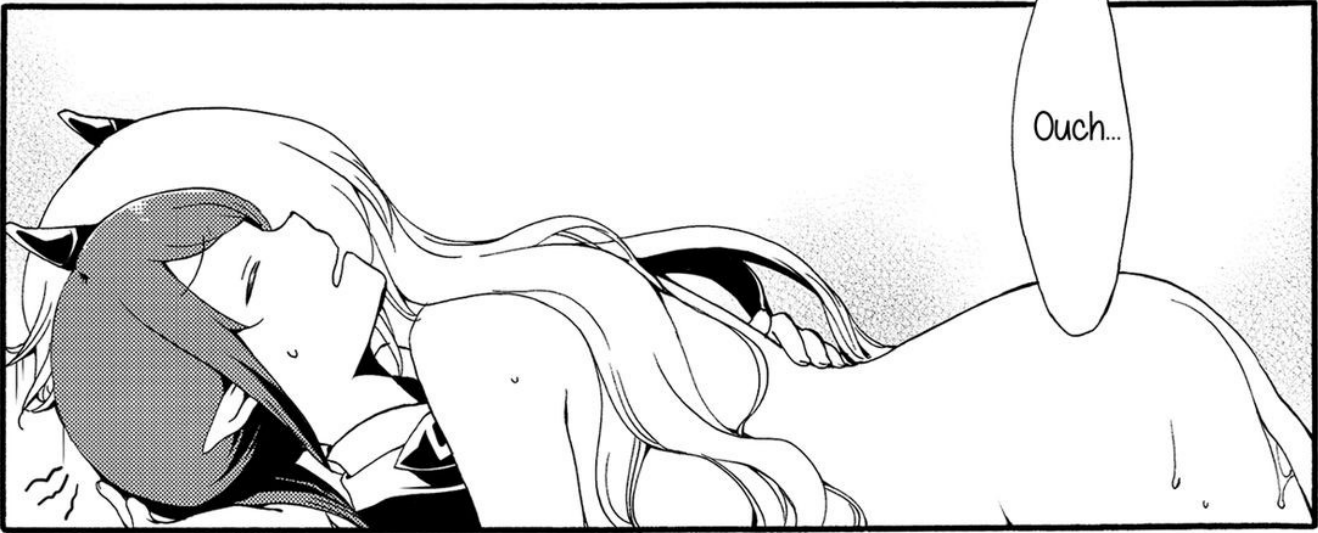

...

.....

Ouch...

My queen?

It's hard to support you suddenly.

You're bigger than me, my queen.

Ah, I did get really into it, but...

I suppose I went too far.

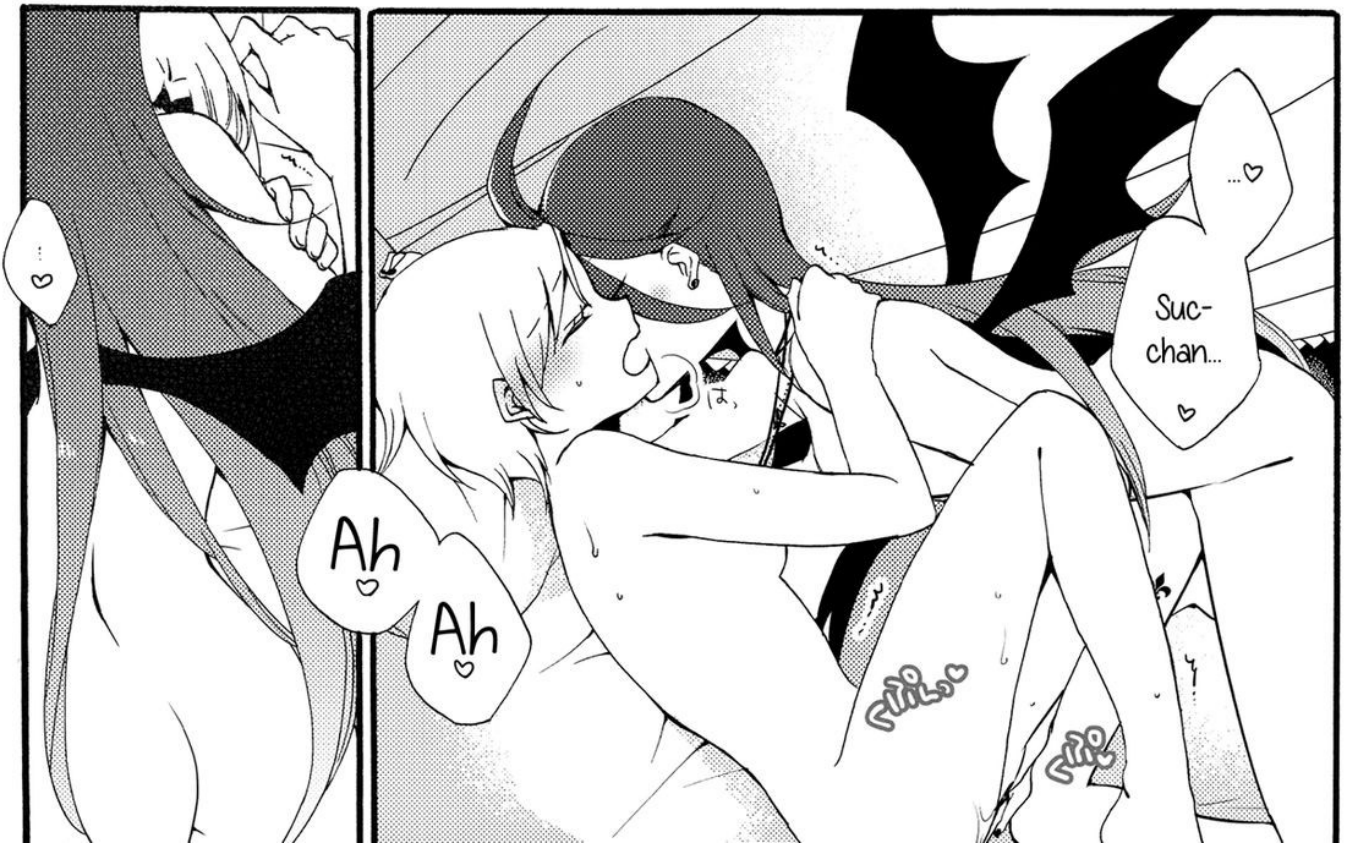

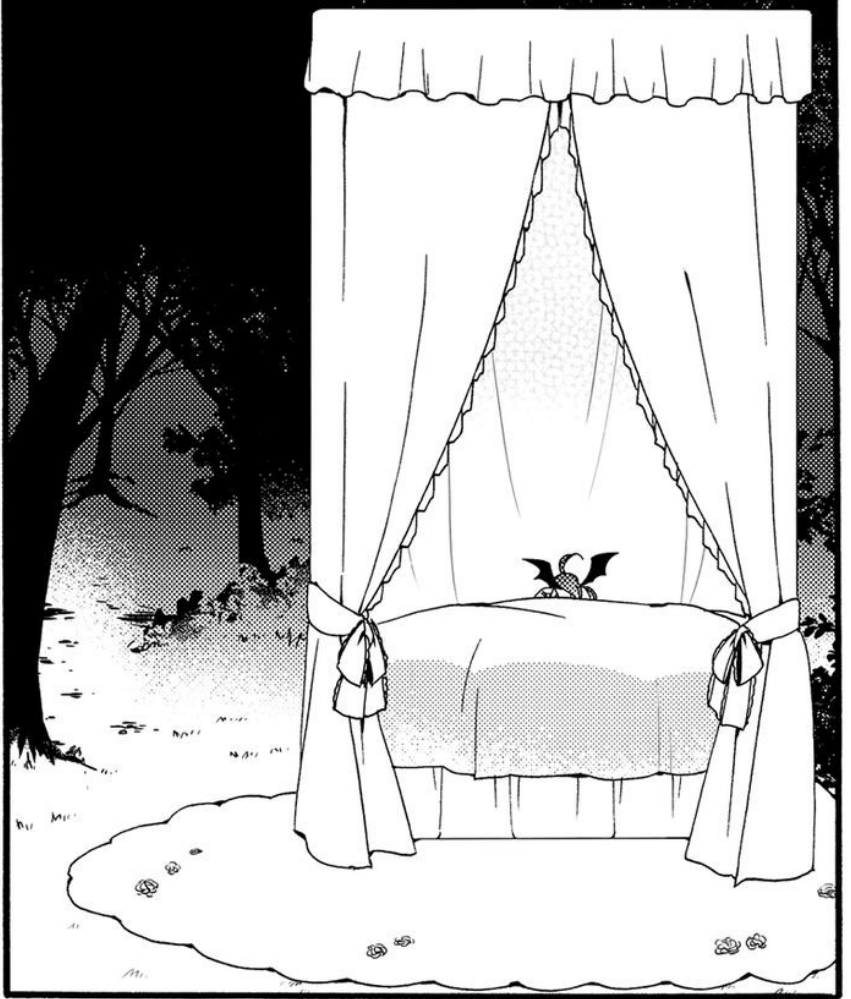

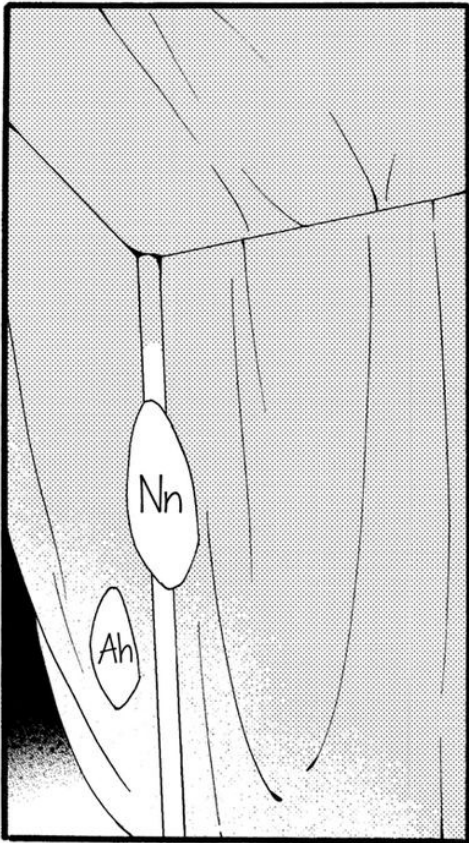

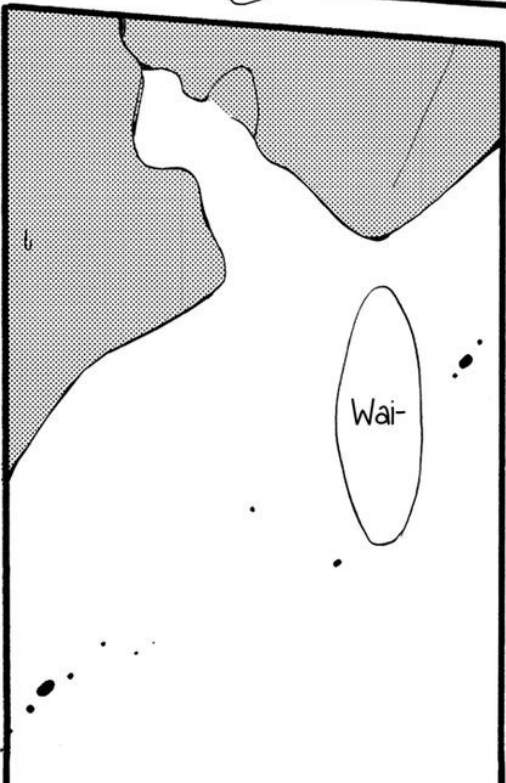

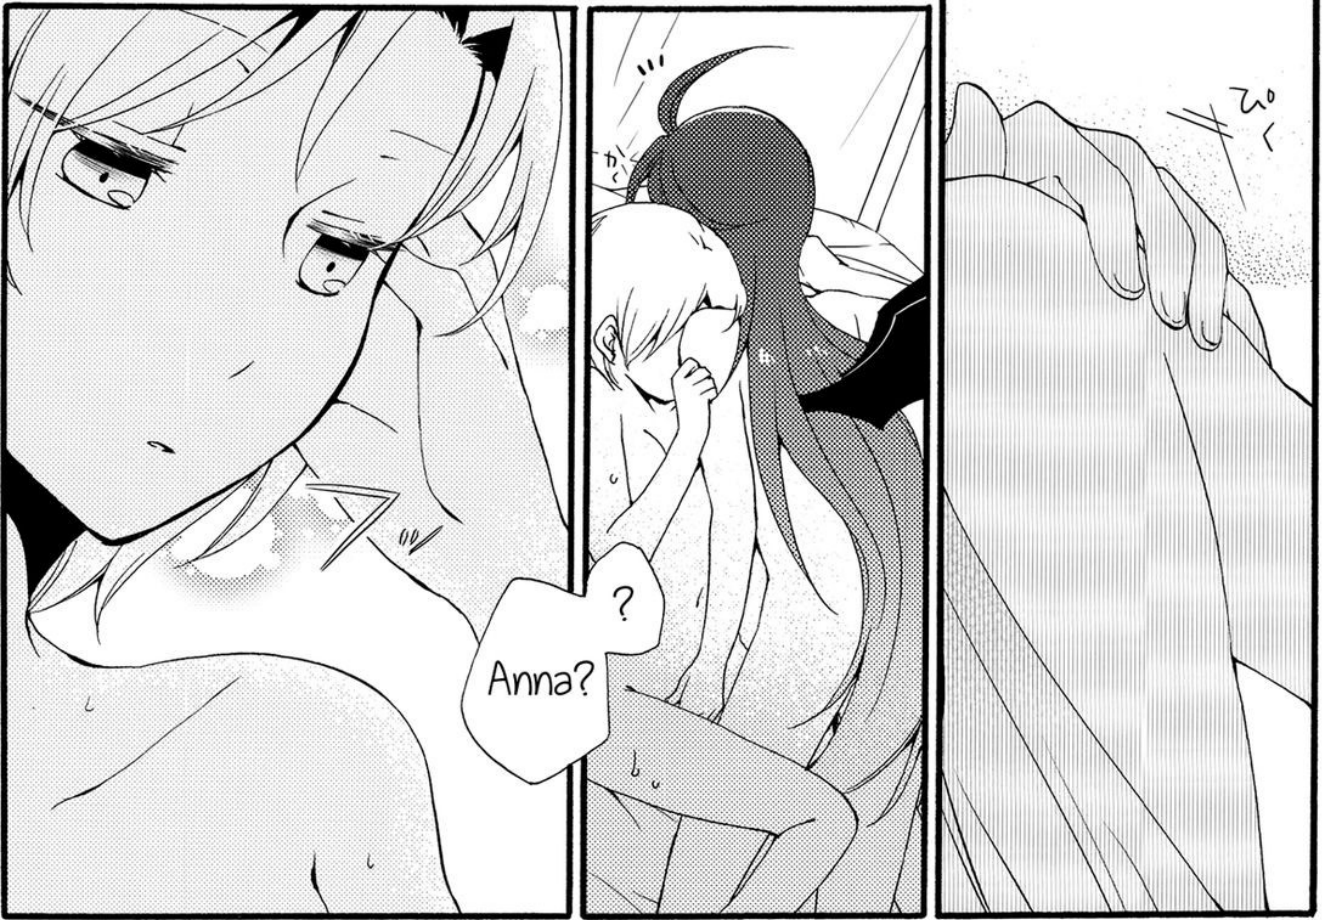

....

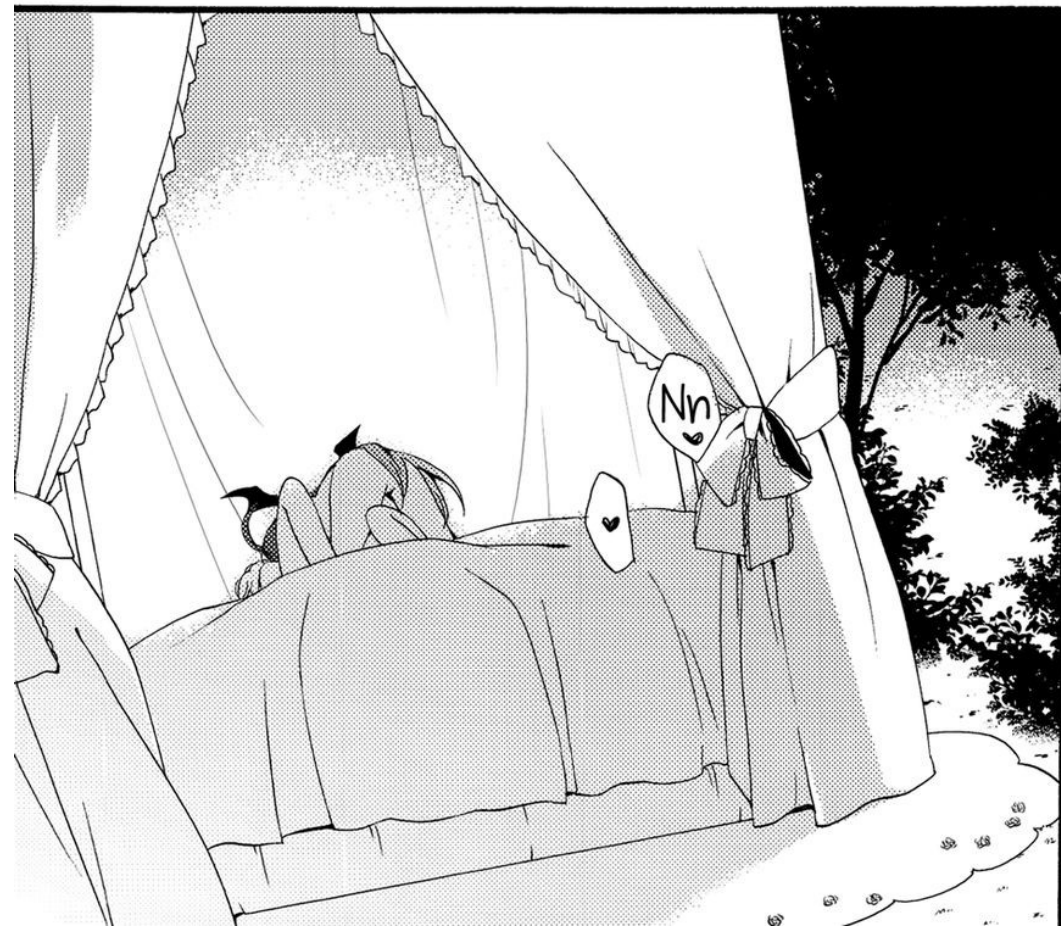

I didn't intend on making you pass out, okay?

Oh, I came in before you managed to make me cum.

It's been a while.

Since when...?

You're awful. Why did you keep quiet?

Sigh

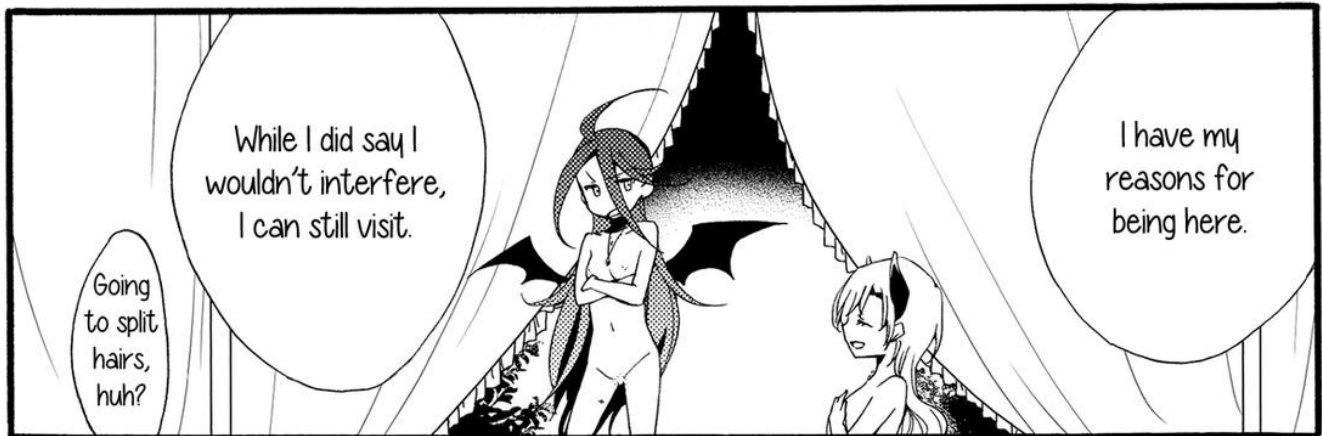

Never mind.

I did try to say something. But you sealed my mouth shut. What could I do?

I thought we reached an agreement. You weren't supposed to interfere with the dream world anymore.

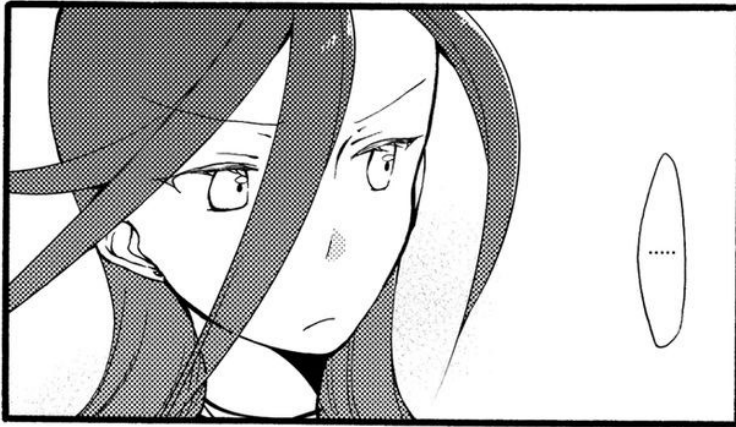

Going to split hairs, huh?

While I did say I wouldn't interfere, I can still visit.

I have my reasons for being here.

By the way...

.....

I chase off enemies that show up every once in a while.

I'm always with Anna.

How goes your duties as a guardian over here?

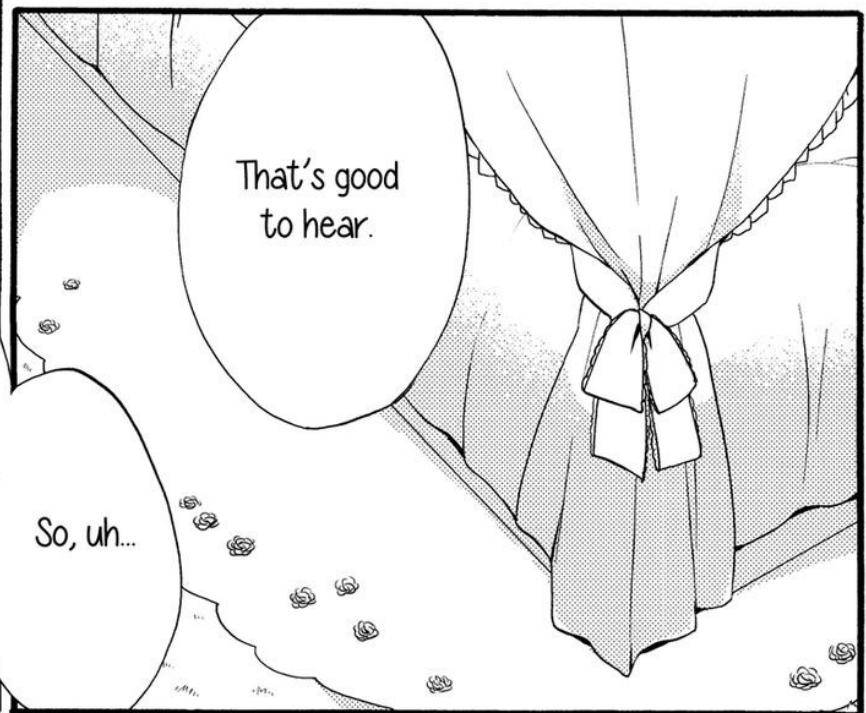

Nothing out of the ordinary has happened.

Nor have I done anything to violate our agreement.

are you going to show up back here again sometime?

So, uh...

who knows?

Hmm,

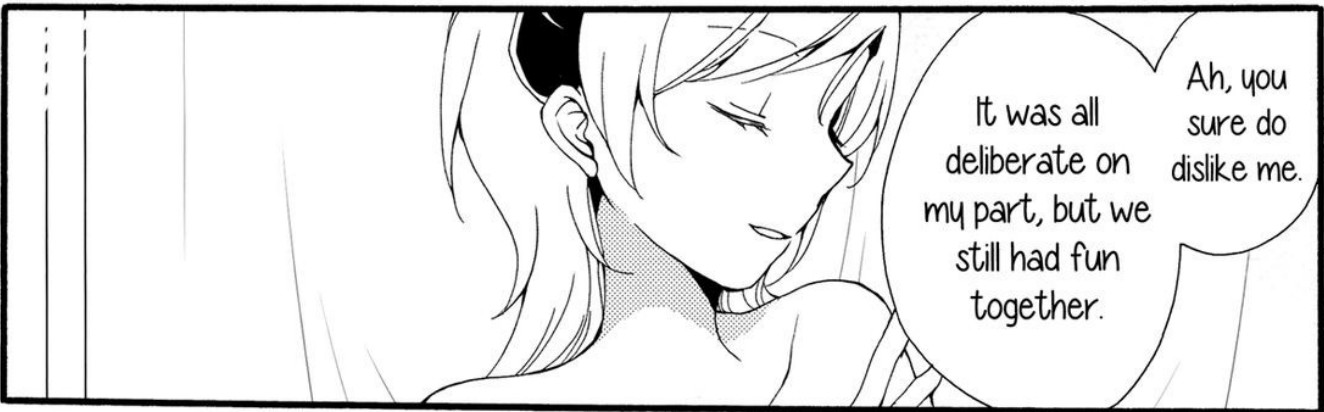

I'll take this chance to make things perfectly clear.

I hate you. I couldn't give a damn if you died.

Anna's the
only one I
want to
protect.

It was all
deliberate on
my part, but we
still had fun
together.

Ah, you
sure do
dislike me.

Everything you did
while acting as
Anna was out of
your own selfish
desire.

None
of that
counts.

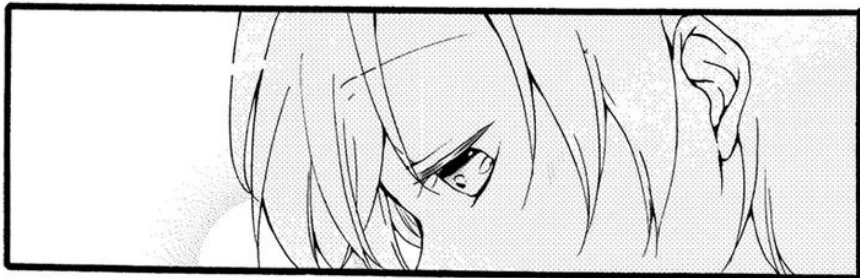

That's
too bad.

Don't misunderstand.
It's not like I came here just to meet you.

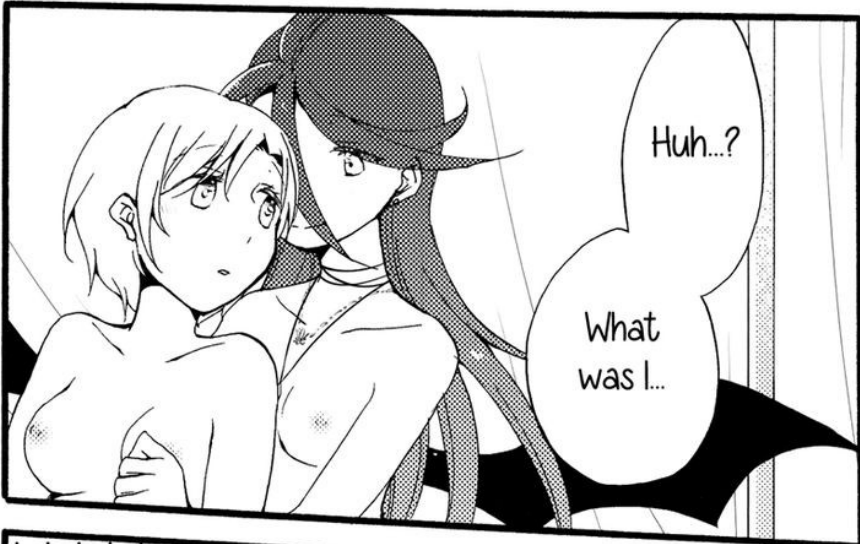

Huh?
What's with that?

Ah,
hold on!

Have a good day.
Farewell.

I gotcha.

Huh...?
What was I...

Was it so good that you passed out while we were going at it?

Ehh!?

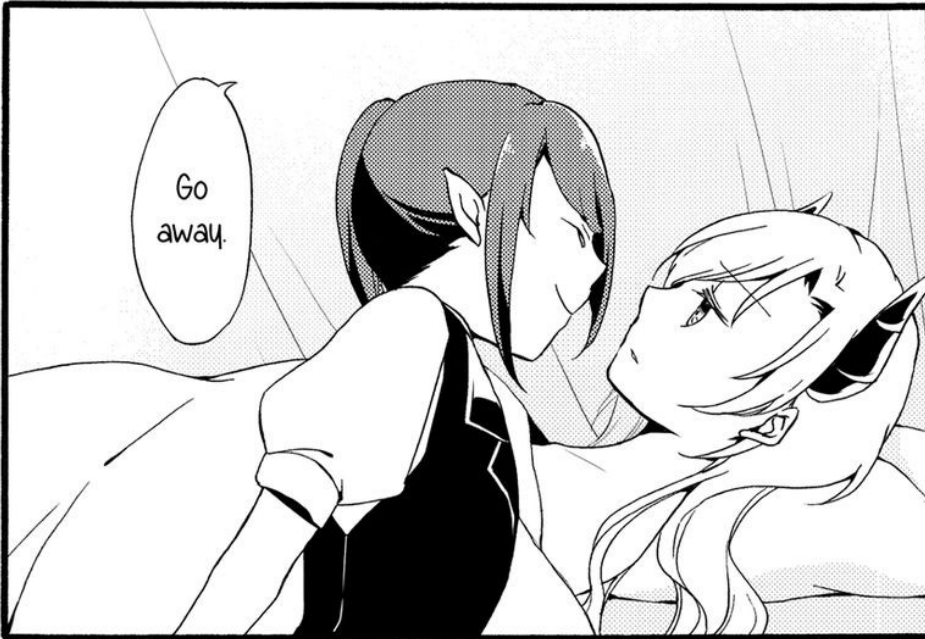

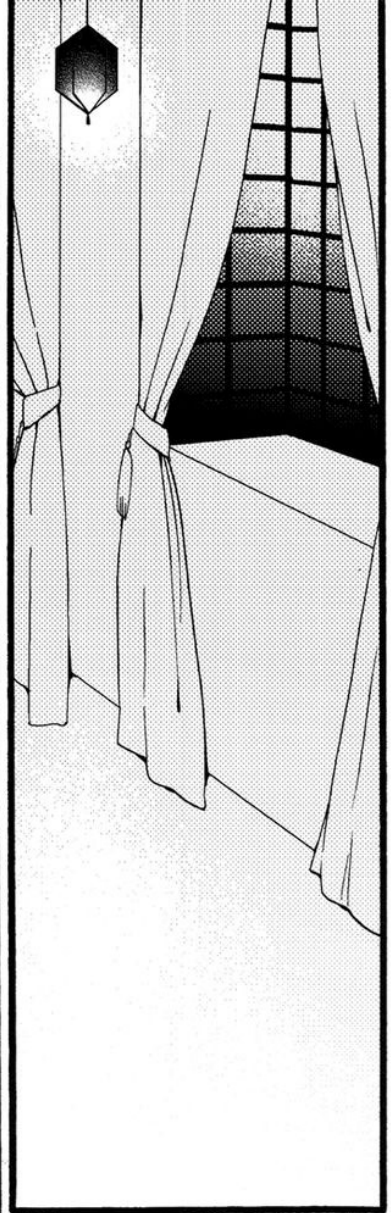

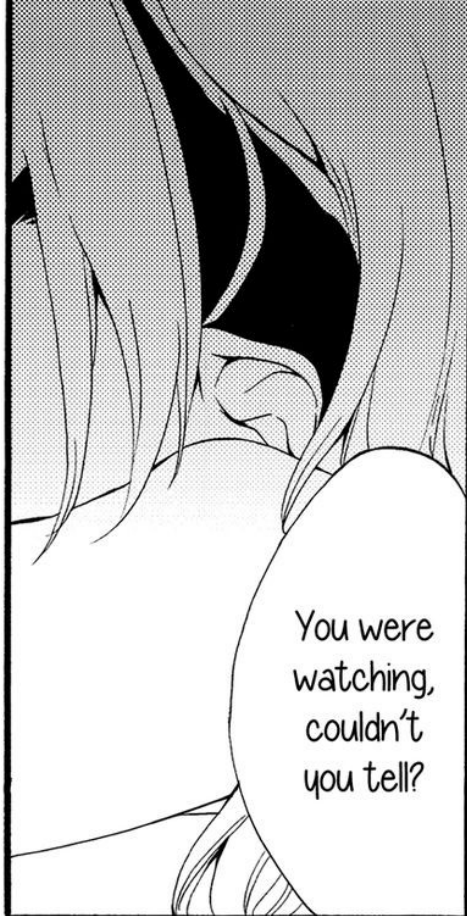

Grin

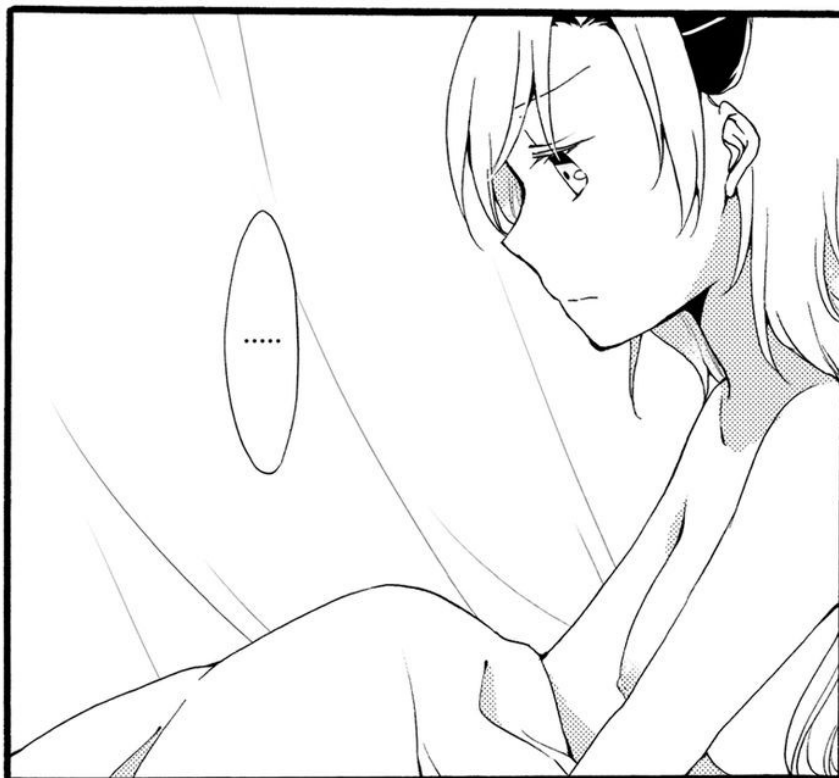

Suc-chan?

You were watching, couldn't you tell?

.....

I'm only allowed to observe the events that unfold.

Even though I am able to peer into the dream world,

I can't interpret your feelings.

So even if we spend time together there,

You'll have to convey them in words for me, Anna-sama.

Besides...

It's not fair for you to make that face at a time like this.

I always look like this. ^^

Oh, it's nothing.

I didn't expect anything to happen, either.

I know she doesn't think well of me.

It's not like I had a strong desire to go over there.

I saw a pretty rare sight. And after a certain somebody left me wanting more,

I decided to play around a bit.

Hehe
I was surprised, to see you look like that.

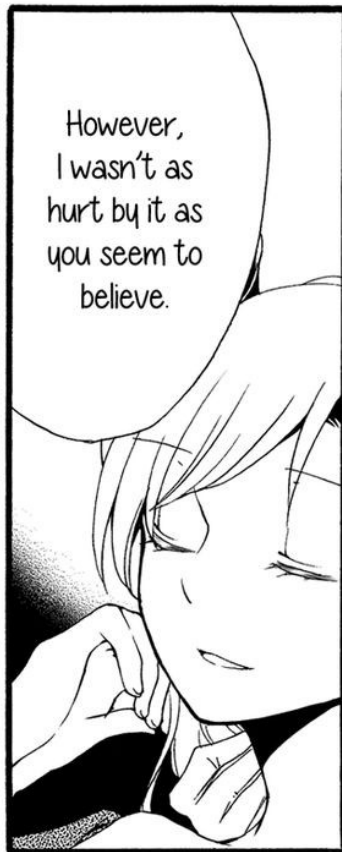

But I was there before I realized it.

Oh, you don't need to act so strong. Would you like to cry on my chest?

I was just joking.

Of course I wouldn't.

However, I wasn't as hurt by it as you seem to believe.

But then she ended up despising you for it, and here you are.

That's the gist of it, unfortunately.

I was simply...

I was simply...

She wasn't
what I had
imagined
her to be.

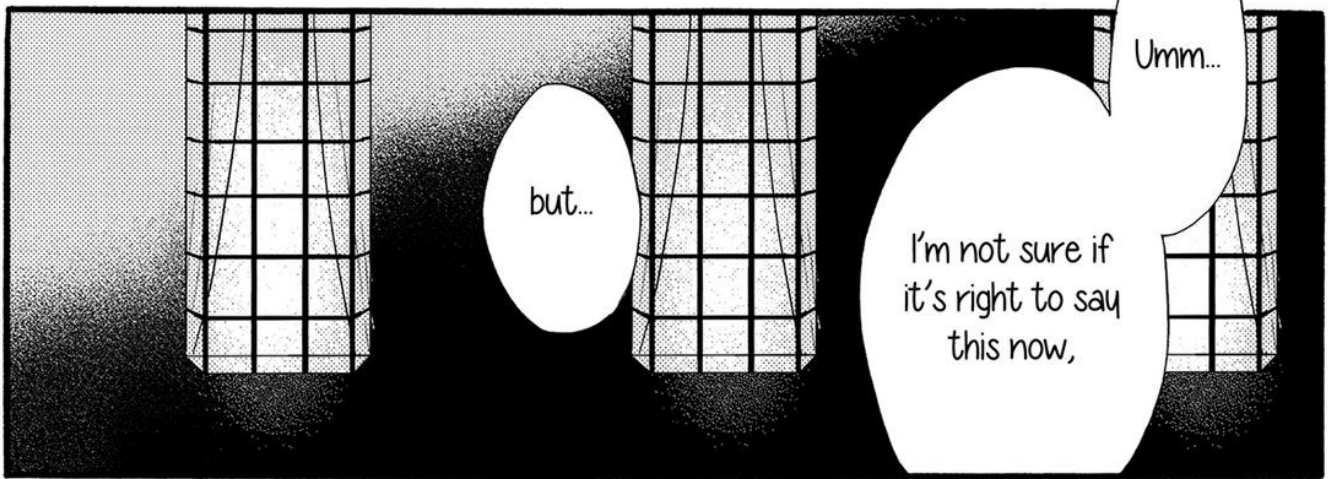

But she
was trapped
in a cage.

drawn to
the idea of her
flying around
freely, without
restriction.

And I was
the one
who put
her there.

It's quite
ironic.

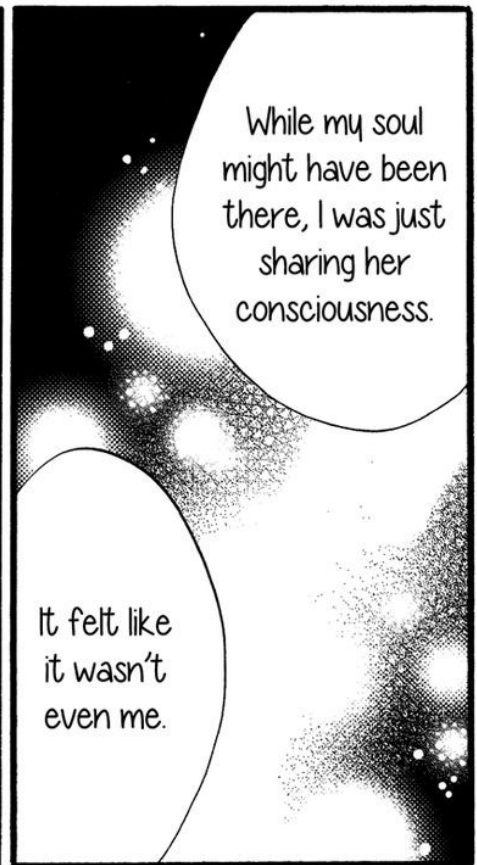

Ah, I feel a lot better now. No wonder I was enjoying myself as we went at it.

Eh?

You didn't enjoy it.

Probably because I went in while they were in the middle of it.

While my soul might have been there, I was just sharing her consciousness.

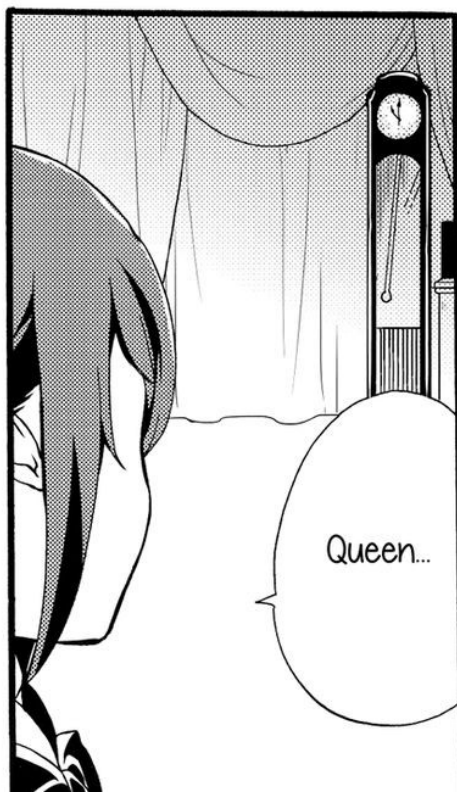

It felt like it wasn't even me.

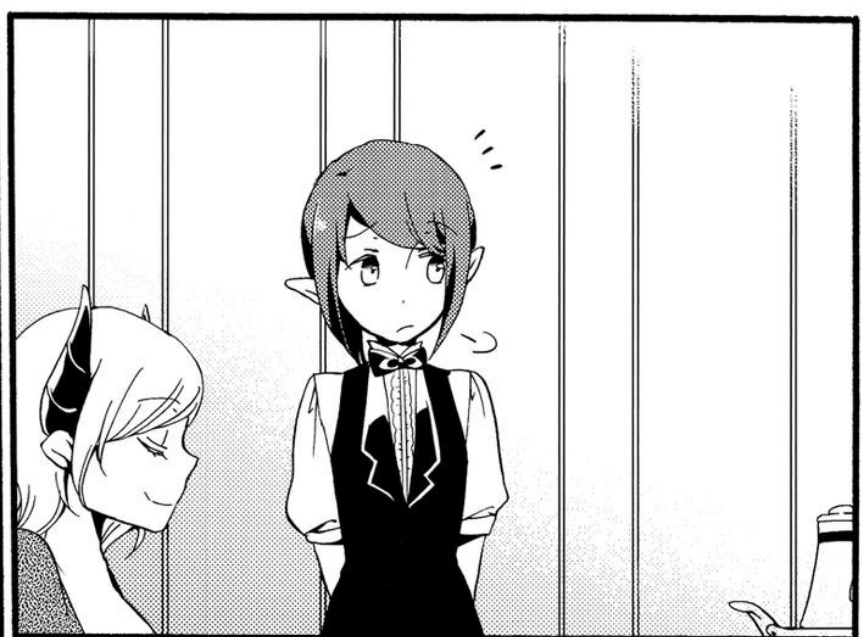

You certainly don't look like you're sorry.

Oh, well, sorry.

So I got angry over nothing, then.

Queen...

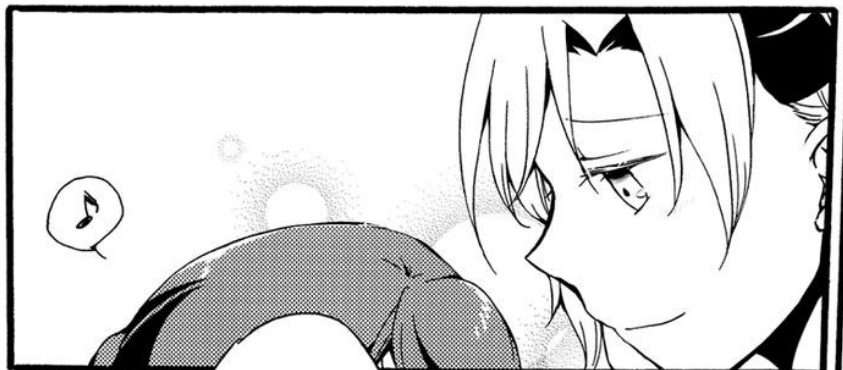

I'm still free to do as I will, yes?

It seems that we still have some time left together before the day's over.

Do what pleases you.

Go ahead, then?

Very well.

I'm no match for you.

What are you talking about?

Oh, nothing.

-Last program of a series-

Hello there, nice to meet you. Sekihara of Niratama here.
To a demon, sex is one of several pleasures they may enjoy,
but social position and shame never have a place!
And I loooooove my Queen for it!
A lot of what Niratama likes is reflected in their
relationship and other areas.
I hope you enjoyed it, and that we can meet again soon.
-Sekihara

Hello everyone, Hiroto of Niratama here.
I was in charge of the story!
The queen, who made a brief appearance in
“Nightmare’s Paradise,” makes her debut on the main stage here.
Perhaps because they are demons,
there is no sense of shame in any of the characters.
They talk to each other and walk around completely naked.
It’s surreal!

I wouldn’t really say that the queen and her servant are in a
romantic relationship. It’s ultimately just a queen and her
attendant. At times they act like parent and child,
or superior and subordinate, or indeed, lovers.
But they don’t fall into any of those categories.
I hope you enjoyed their sweet, yet not-so-sweet relationship.
Hiroto
