Hey,  
I'm going to  
knock you out!

How many  
years ago...

What do you  
think of my uniform?

Here it is!

How about it?  
Shiki

Eh?  
Um...

Teacher,  
where is your  
usual red hair?

If that's the case,  
I might as well try to be  
more like a student.

I wonder what teacher looked like in his school uniform when he was a student...

What? Are you mesmerised by the cute girl?

Um... Why are you dressed like that again?

What? I went to all the trouble of pulling out my uniform for Shiki!

Hmm?

That's what he said...

What? No, that's not what I meant.

That is, the other day when I passed by a female student in town...

By the way, what are your impressions? ~~~

I tried wearing it but...

Yes, it's very wonderful...

**Bong!**

well, okay.

It's still a little difficult.

Let's say yes.

**Big!**

That's a reward for you, Shiki♡

What?

Is that okay?  
Even if it overflows  
from your pussy,

Today,  
in this form,

Pour it into  
the back corner♡

Pack it in  
even more♡

Until Shiki's  
semen is completely  
drained♡

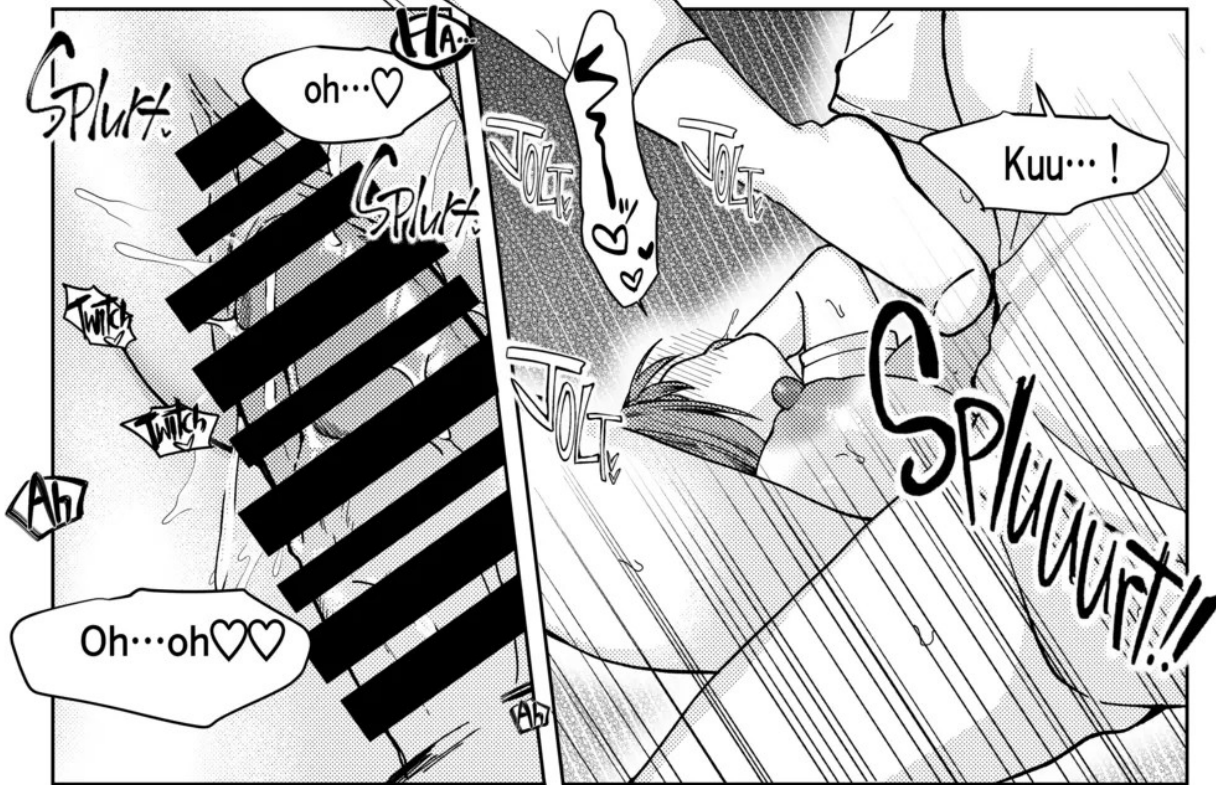

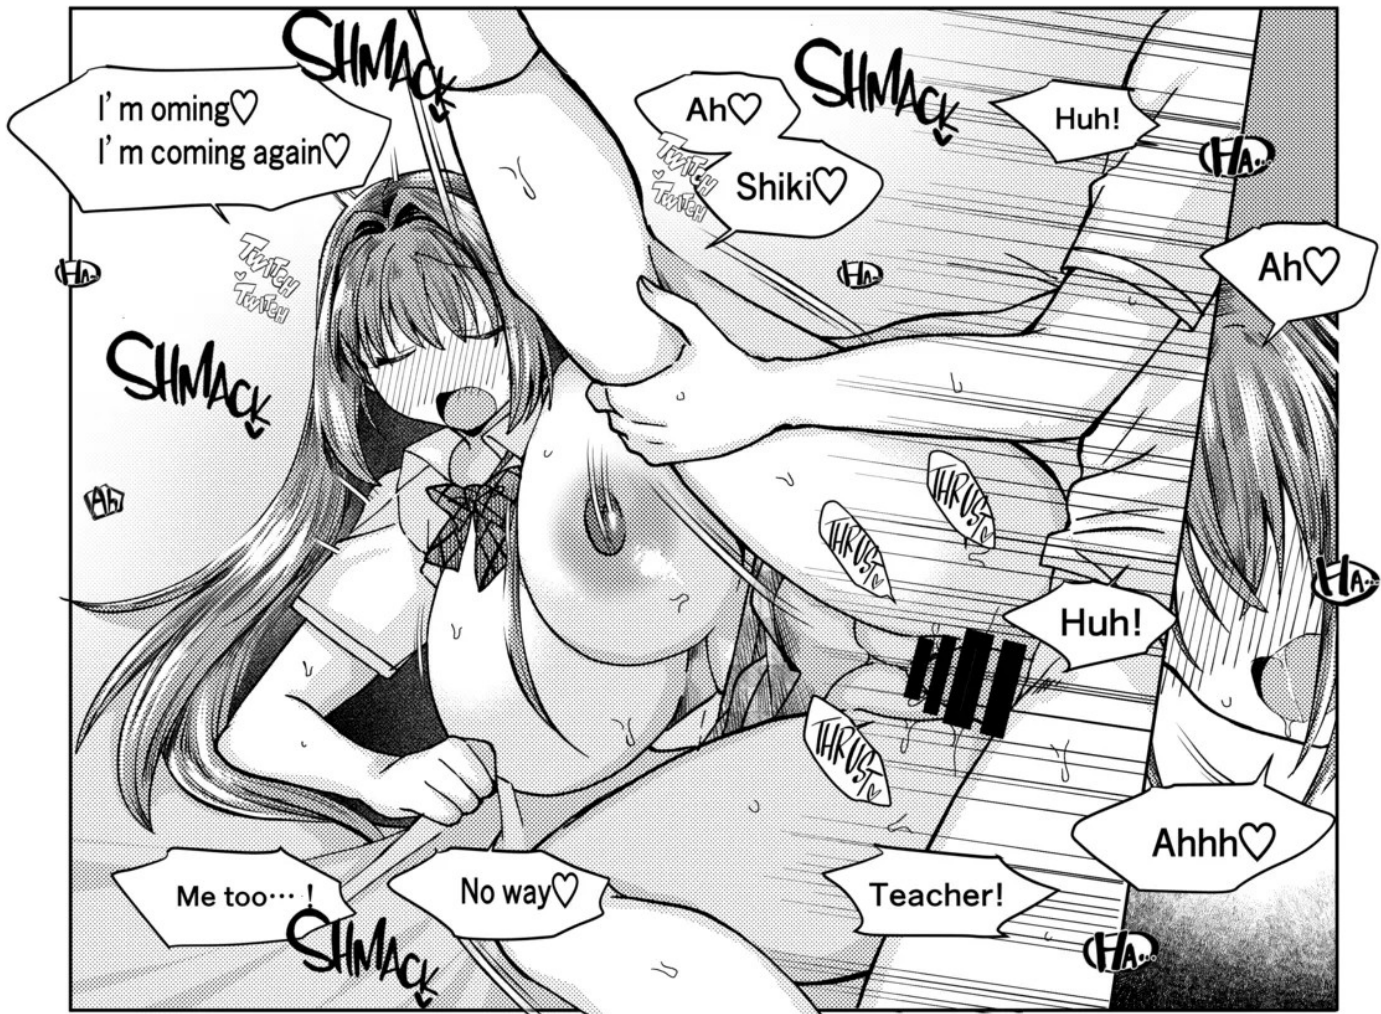

Right♡

Shall we have  
sex♡

What do you mean? It's true, isn't it?

Well, Dad and Mum are getting excited about uniform play...

Hey, Mum?

And then.
