There's something strange about Oneechan these past few days.

She goes into Koichi's room every night

K-Koi-chi-san... Are we gonna do it today?

I'm home.

I've been having this blasphemous relationship with sister.

You might be surprised, Koi-chi-chan.

They're unusual guests.

Who are they?

What?

They're sisters who live in the nearby church. They're Yuki-chan and Yuina-chan.

Yes, there are. Geez. They're not just our neighbors, I usually go there to pray.

That church that burned down three days ago? There are people there?

I thought of taking them in until they raise enough money.

Just endure it for a little bit longer, okay?

I'm hungry, Oneechan...

You see, They don't have money and they don't have a place to stay.

You're too good of a person... Okaasan.

W-well, if okaasan says so...

I could clean the house and do laundry.

Please just tell me if there's something you'd like me to do.

Umm

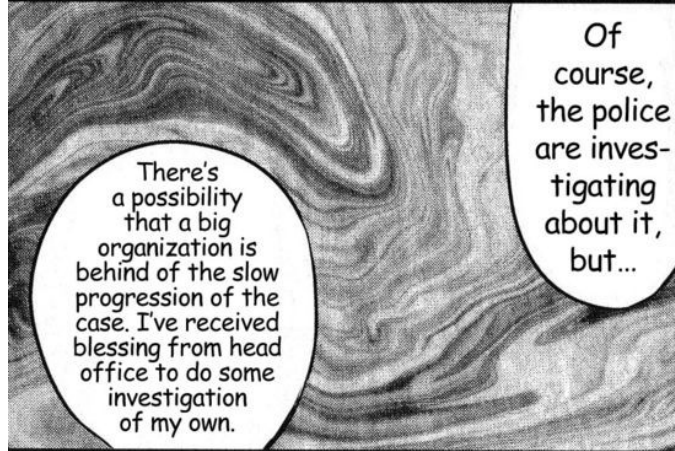

I have the best view of the church from here but should I move to another room?

Ehh!

What!

My room?

There's a possibility that a big organization is behind of the slow progression of the case. I've received blessing from head office to do some investigation of my own.

Of course, the police are investigating about it, but...

I believe that it's a case of arson.

I'll only discuss it here.

I'm so excited.

At any rate, life inside the church sure is long... There are lots of new things here.

Just don't mind us.

And spend your daily life like the usual.

E-even if you say that...

Oneechan...  
This room  
is dangerous.

There are  
heaps of  
"forbidden  
books"  
that you  
told me  
about when  
we were  
at the  
church.

This is how my odd life with sister started.

Praise be to the Ero gods~

This is normal in a room of a teenage boy. But please don't just leave these things in conspicuous places.

Her younger sister (?) goes to school and she pays close attention to her.

Okaasan is extremely pleased.

She helps in doing household chores as a way to past time in between.

I know a little so let me see.

What are you studying?

English.

Hngh!

Eeh~ I wonder if I can translate these... These are rather difficult sentences.

You see, I translated the meaning of the scriptures.

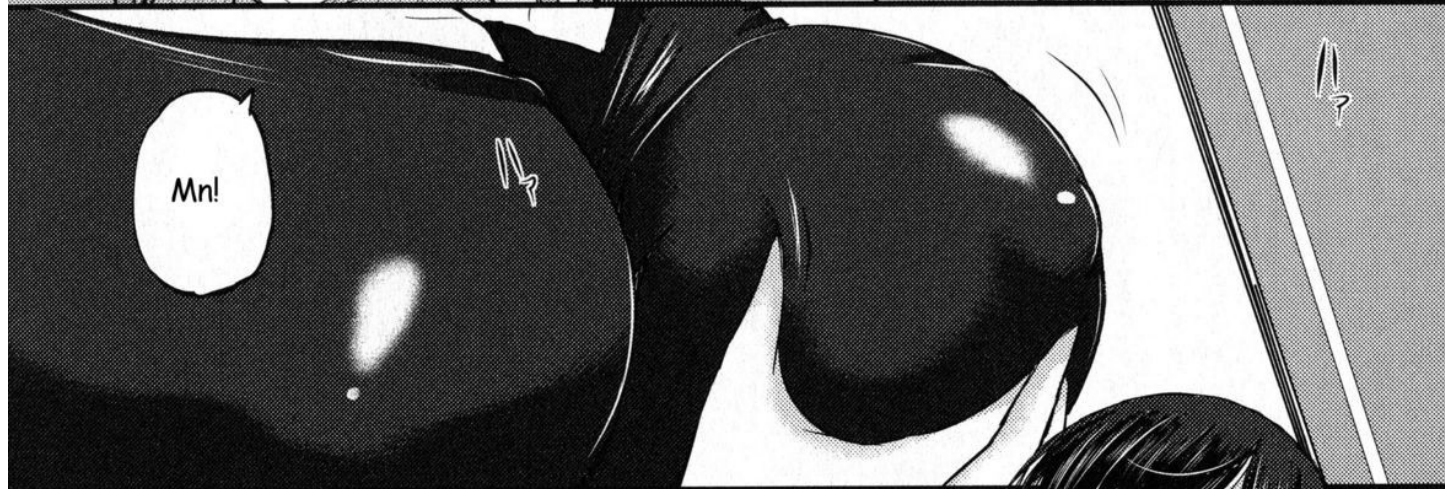

One order of steamed bun... Make it two.

I'll eat this with sister.

Thank you very much.

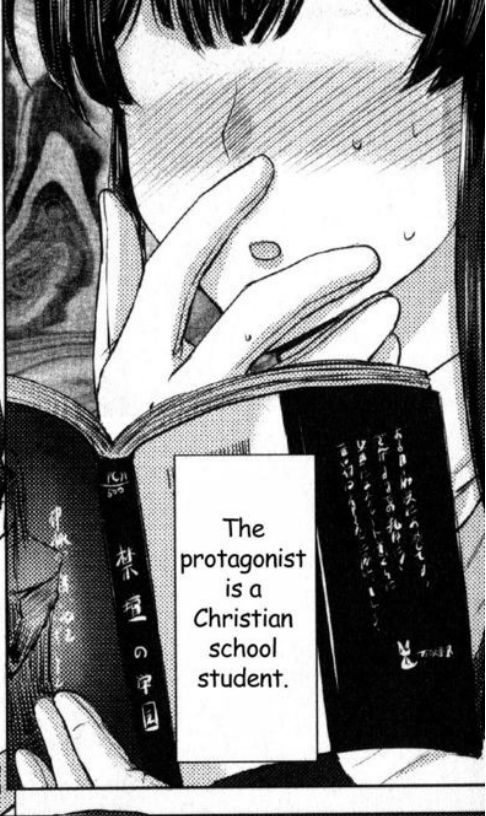

She was being molested every day.

Approaching the next station.

The protagonist is a Christian school student.

She confessed to her teacher that she felt it when the persistent molester touched her.

Okay, try not to feel it.

Her teacher's "guidance" gradually escalated.

Drink it. Imagine that it's holy water.

That's right, the molester was her teacher.

And then, the thing that she value the most...

I- Isn't that my underwear ...?

Forgive me.

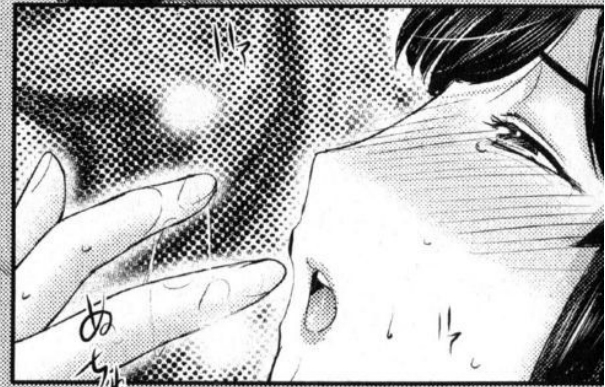

The scent of a boy's room... The scent of the unwashed boy's underwear...

Mn!

Reminds me... of a man...

Yah!

... I want it...

Nha!

Ah!

S-sure, go ahead.

The rain is really pouring, huh? I'll take a shower.

Oh, Kou-chan?

Haa

Welcome home. You're back early today.

Y-yeah. Our classes were cancelled.

Haa

Don't make a noise. Or my mother will hear you.

Hii!

K-koichi-san...!

You've been holding it in, huh? Judging from this smell...

W-what are you doing? Please stop...!

Afuh!

Masturbating just means you're a woman too, sister.

This is because of me, right?

P-Please... don't say that!

But you're a woman aren't you? Doing perverted things while sniffing my underwear...

Ah! You want me to say more, right?

Aah!

Sister?  
You're really  
feeling it with  
your clit,  
aren't you?

Don't...!  
That's...!

White liquid is  
dripping out.

W-we can't.  
That's...

That's a  
sacred  
ceremony  
which is  
can only be  
shared by  
two people  
who love  
each

Sister...  
Let's have  
sex.

I've also been  
enduring it,  
you know?  
I've been  
masturbating  
every day  
ever since  
you two came  
in our house.

I'm at  
my  
limit.

W-we still  
can't do it. I'm  
already  
married to  
God...

Then it's  
alright since  
I've come to  
love you,  
sister.

Then divorce  
him and be  
with me.

N-no!

Ahn...!  
Forgive  
me...!

Here goes,  
sister~

Uh!

How could you...

... ah

It's in, sister.

Don't move...!

Don't touch me...!

To think that you're such a horrible person, Koi-chi-san...

Please don't get mad.

Even since I saw you, Sisiter... I've been dying to...

Yah!  
Make you mine!!!

Aah!

You can always ask for forgiveness.

Hurry up and finish up...

Can I start moving, sister?

Even though I'm not moving... Your pussy is squeezing me really tight, sister.

Uwah... It feels too good. Sorry, sister. I was a virgin and this is just way too much for me.

おっぱい...!

Kuu!

Aah... Sister!

Ah...!  
Don't!

Y-you're

Ahn!

The time  
when you  
last had  
sex?

Did I  
make you

sister?

You're too  
erotic,  
sister.

Nhaaaa!

Just like  
that girl in  
the novel...  
with her  
teacher...

You've  
done it  
right?

Aah...!  
Please  
stop  
saying  
malicious  
things!

It's  
making  
me  
remember  
...!

The  
pleasant  
feeling  
it taking  
over...!

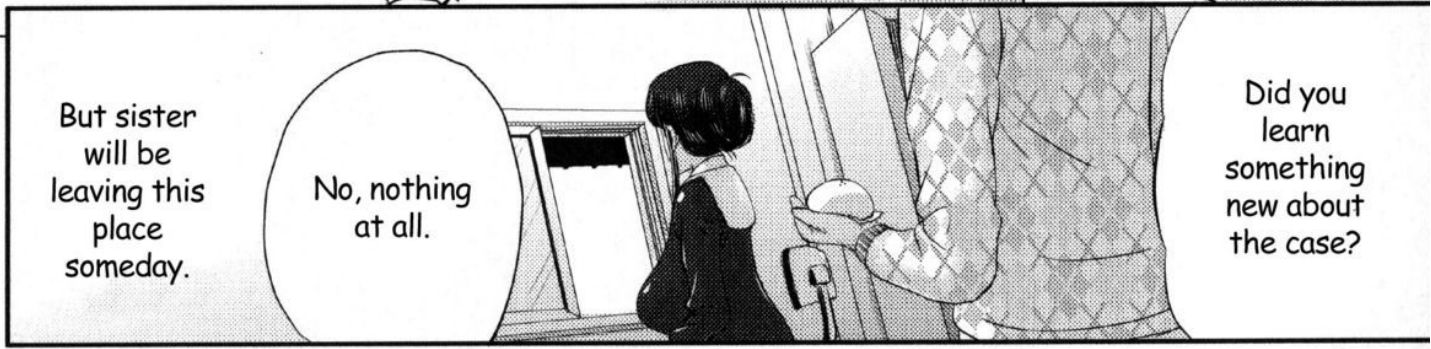

Kuu!  
I'm gonna cum, sister!

Aah!

Since then, I've been having sex with sister behind kaasan's back.

So hot...!

But sister will be leaving this place someday.

No, nothing at all.

Did you learn something new about the case?

Please ask God.

I have to do something before that day comes.

Umm, can we... Go on a date or something?

You can't do it inside, Koichi-san.

Kuuuh! It's feels like your pussy is sucking my dick in, sister. I'm... gonna cum soon.

It's gonna be okay. I'm using a condom after all.

Haa...

Mn!

Aah...! Don't...!

Thanks for the meal!!!

I'm sorry, I'm on duty for today at school.

Eeh~ You're going already, Yuki-chan? What about your fired eggs?

You're up early today too, Yuki-chan.

Morning, kaasan.

I saw something outrageous.

Good morning, Yuki.

Koichi is together with Oneechan

He was licking her body.

Isn't what they were doing the contents of the book that she told me not to look at?

My chest throbbing...

... Why?

Was he brain-washing my sister to join their organization?

Is Koichi a member of that hostile organization?

No... I shouldn't let what I saw last night make too much of an impact on me. It'll just get stuck on my head all day long.

Even though we're still together, it feels like she's gone to a faraway place...

I used to do that often too.

Oh my ~

Can we use the bath together? We're both girls after all.

Eh ...

Oh...! The hot water might overflow if I get inside too, huh?

M-Miwa-Obasan.

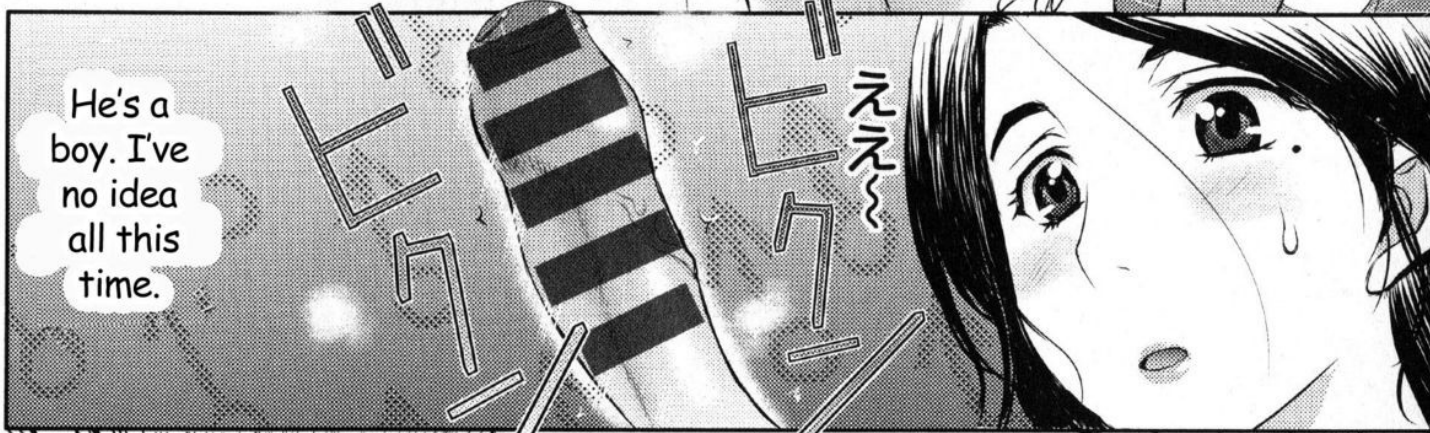

Oh?  
Eeh~

...

Ouch!

What's  
wrong,  
Yuki-chan?

He's a  
boy. I've  
no idea  
all this  
time.

えええ

You see,  
I used to  
be a nurse  
when I was  
young.

Your  
foreskin  
is dying  
to get  
peeled  
off...

So it's  
stretch-  
ing too  
much.

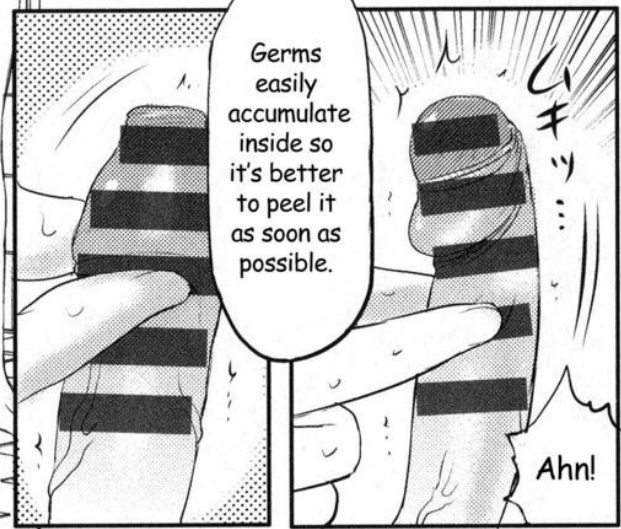

Don't  
worry,  
Yuki-chan.

Does it hurt? Just hang in there for a little bit longer and it'll get peeled in no time.

I have to clean your dick.

Germs easily accumulate inside so it's better to peel it as soon as possible.

Ahn!

It's like I'm about to pee.

Mn...! But it kinda feels itchy...

Eh...? Right.

Just a little bit more.

He's that sensitive, huh... I only grasped it a little.

Ahn!

Ah...!

... Oh my, Yuki-chan. Don't say such things.

Y-yeah... Your pussy is twitching, Miwa-obasan.

In order to make a baby, this is where you put your dick. That is called having sex.

T-this is called a pussy.

Can you see... this spot?

Ah... yes! It has an amazing shape.

お尻の毛

お尻の毛

Aah... This is so embarrassing... But... it's a little thrilling. Showing my pussy to an innocent boy... I'm so indecent...

Ah...!

Ahn! No, Don't lick it.

T-that's right... Please don't insert your finger too far, Yuki-chan...

Are babies born from this narrow space?

Mn!  
This spot is amazing, Miwa-obasan... It's soft and it's sucking my fingers in.

S-sure.

I'm losing strength.

You shouldn't touch it too much...

G-geez... Yuki-chan.

I shouldn't?

That's called a clitoris. It's a really sensitive spot.

What... is this?

Ah! Your pussy is twitching. Does it feel good?

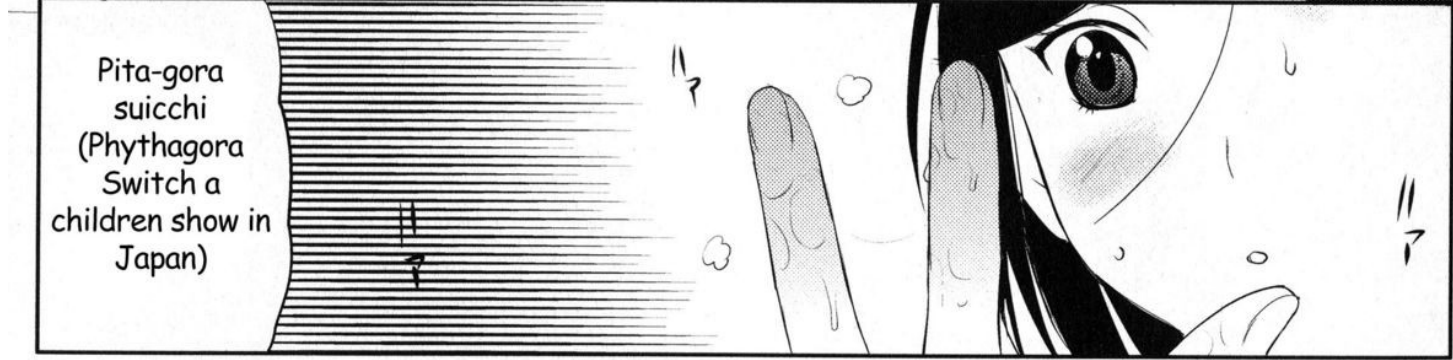

I see

I see.  
I'm  
getting it  
somehow.

That is the department of engineering building.

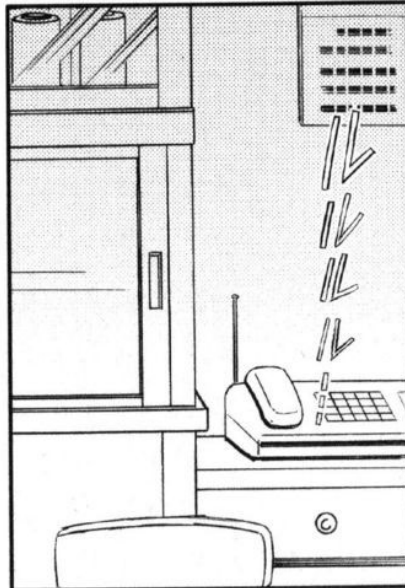

I was planning on taking her to a date but I don't know a good place where I could bring her.

A university is much bigger than I imagine

So we finally end up at my university...

What's the matter, kou-chan?

Ah, Kaasan?

H-Hello?

I-I see... Isn't that nice?

I'm gonna dine out with sister tonight.

Eh...! That's not true.

... Kaasan? You sound irritated.

Don't be too late.

I've gotten fatter recently, that's why.

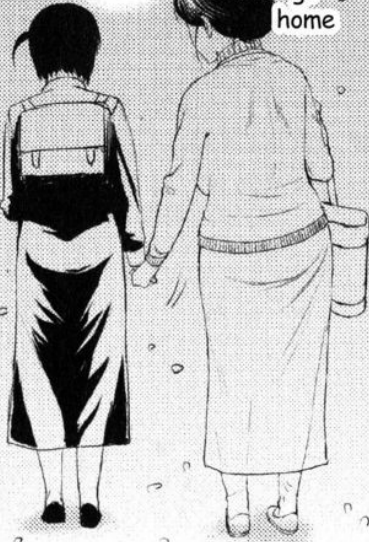

Well... To tell you the truth, I'm doing some exercise.

I-I wonder about that...

Your voice is usually cheerful.

Besides,  
Yuki-chan  
seemed  
lonely these  
past few  
days...

No.  
Maybe  
I was the  
lonely  
one.

Let's keep this a secret between us, okay?

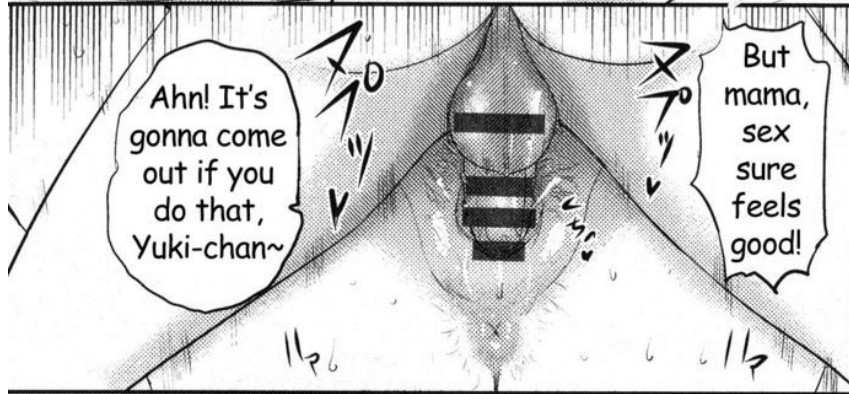

Sure! I promise!

W-we shouldn't be doing this.

Ahn! Mama!

Your pussy got tighter when you were on the phone, mama~

Ahn! It's gonna come out if you do that, Yuki-chan~

But mama, sex sure feels good!

Aahn...!

Aah!

Mama, I love you!

Your dick is going wild inside me. It's gonna come out again~

Ahn That's right... youth sure is amazing~

Mama~ It got big again.

Go ahead, Yuki-chan ~ Don't hold back. Fuck me more!

Sex... being a girl is amazing.

To think that this pleasant feeling was concealed from me...

y- Yes~!

Sure, nobody's home.

Can I come to your house to play, Asami-chan?

Ahn mama! Like this?

Mama! Mama!

Aah! Yes! More! Fuck me harder!
