Fufufu, is that what you see?  
Of course I'm giving it my best!  
But really everything starts  
on the week-ends.

Understood,  
thank you.

keep on  
the good  
pace!

Hey,  
you gave it  
your best  
this week,

My head enters a state I can't  
properly express with words:

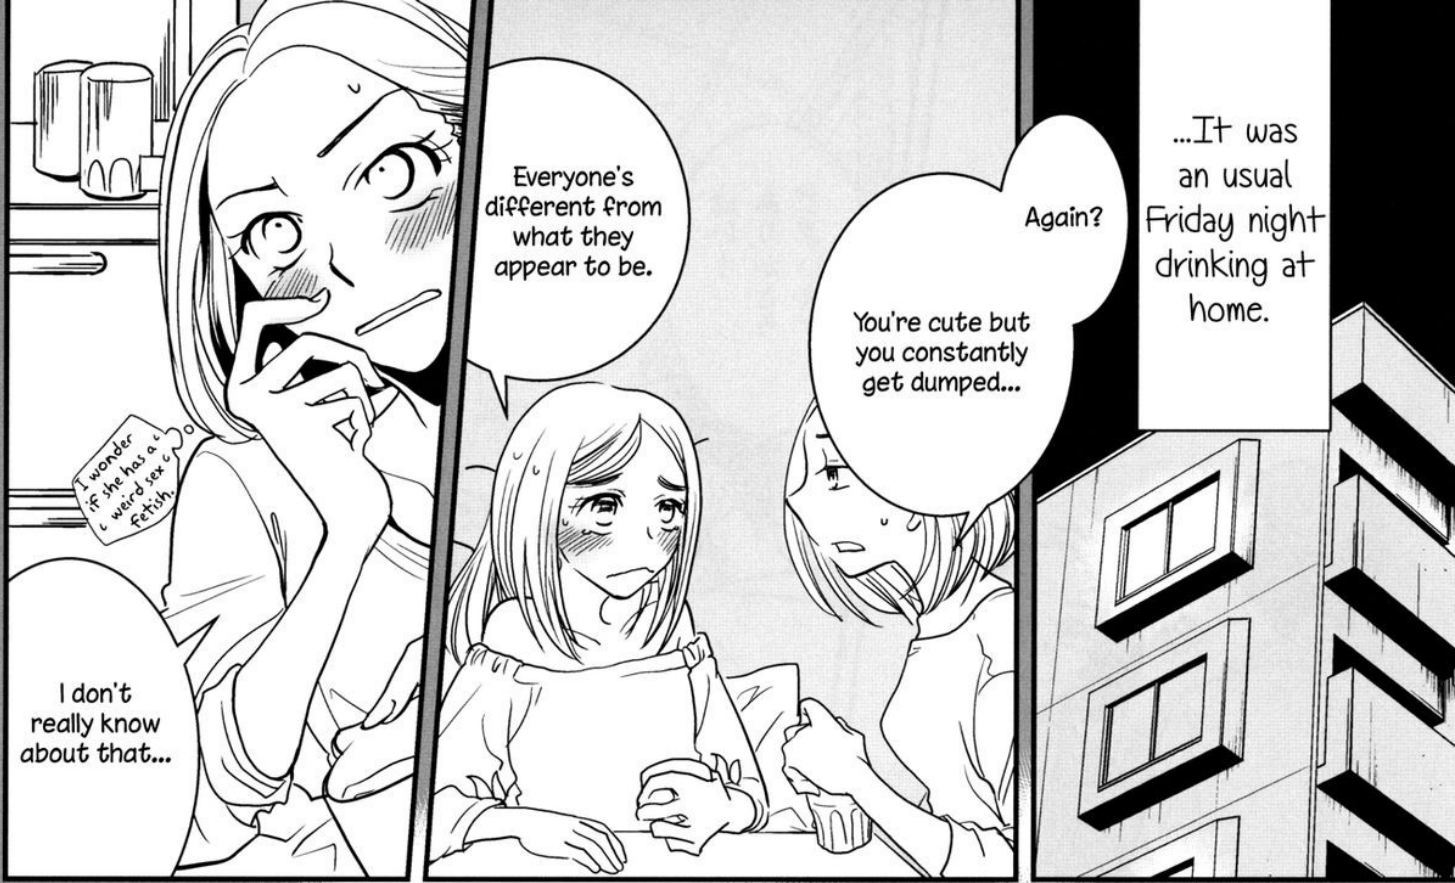

The ☆ pink  
state

...I can assure you it is.

Yay!

※ Meaningless

Everyone's different from what they appear to be.

I wonder if she has a weird sex fetish.

I don't really know about that...

You're cute but you constantly get dumped...

Again?

...It was an usual Friday night drinking at home.

Well, you will surely find another partner soon since you're cute (Higami).

She's good at asking for hugs.

...Uh hh

A plan...

I just want to become happy!!

Alright alright, it's okay.

Waaah

Sleep!!

That's why we are sleeping together!

Even though it's super cramped in this bed.

Senpai... I'm lonely sleeping alone~

...That's not what I meant...

Hm?

The boyfriend I said that I had is actually a girlfriend.

Huh!?

rustle

Senpai, your boobs are big...♡

Anna...?

Just once... ..I'll make you enjoy just once...

Are all girls like Anna...

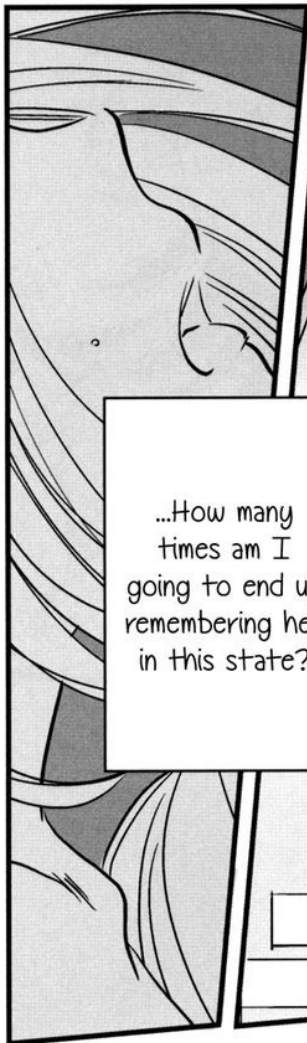

...so soft,

and smell so nice?

haa

horny

...How many times am I going to end up remembering her in this state?

...Huuuh...

And her way of touching me...

Are.. are you angry?

...It's embarrassing in many ways.

Damn... that girl.

So hot...

Senpai!

...No, I'm not angry...

I'm not gonna hit you.

clench

Alright, come over.

Yaaaay

If I were a man, I wouldn't believe that.

Ahaha, this is the first time I'm hearing that from a woman!!

... I won't do anything this time.

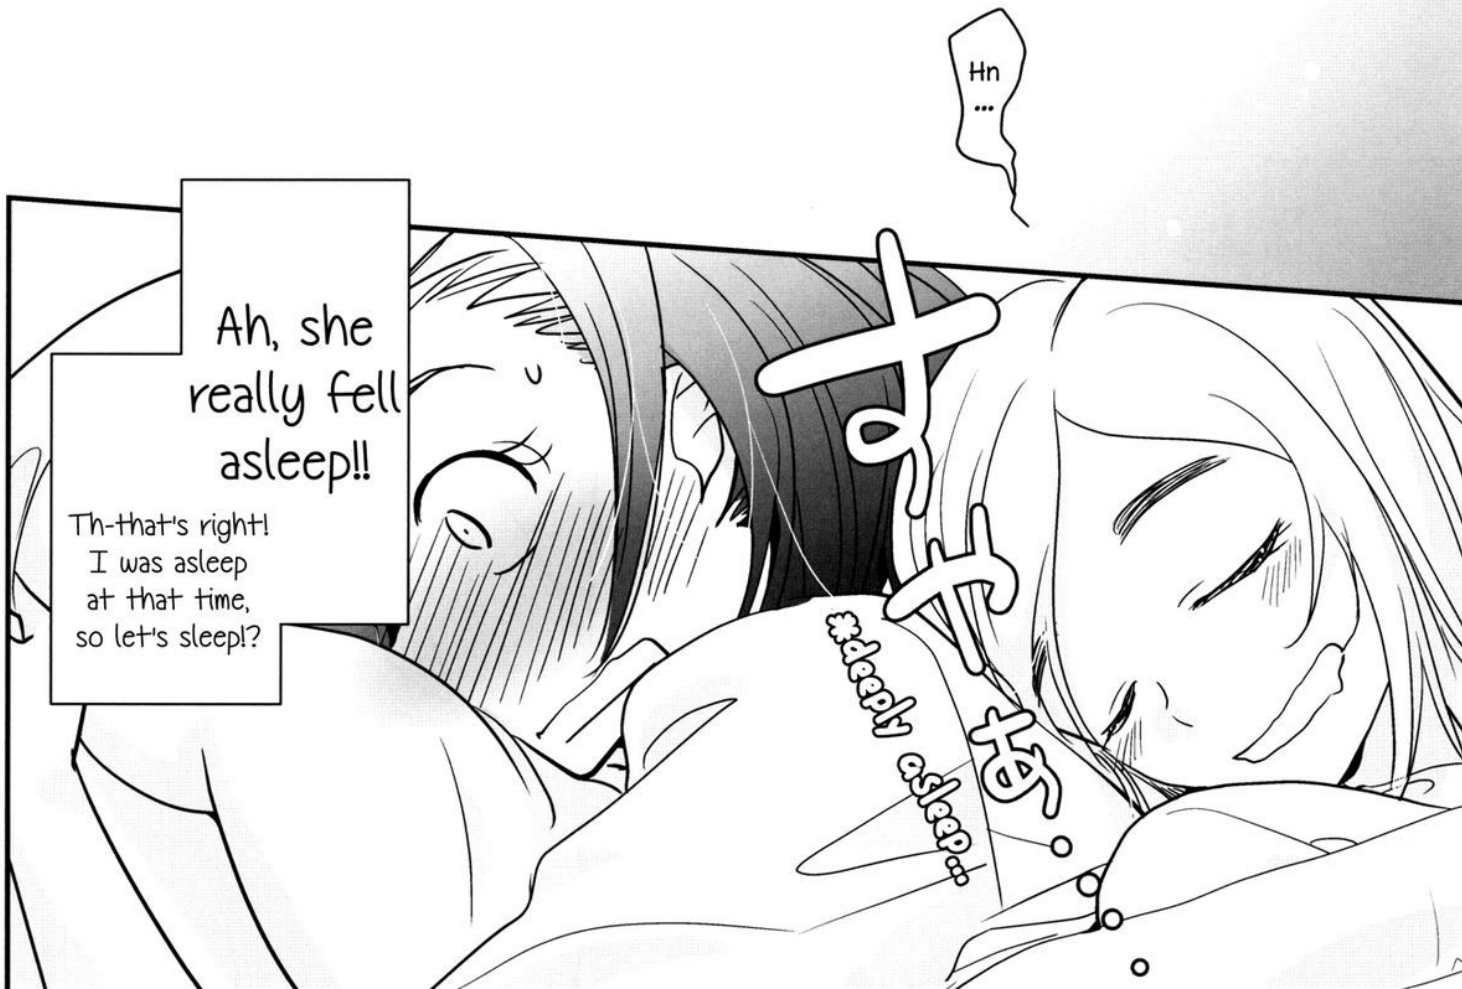

I'm glad, let's go drink together today too?

Oh?

That's funny.

What do I think about girls?

Ah, she really fell asleep!!

Th-that's right! I was asleep at that time, so let's sleep?

Hn ...

...You're always greeting me like that, but are you still single?

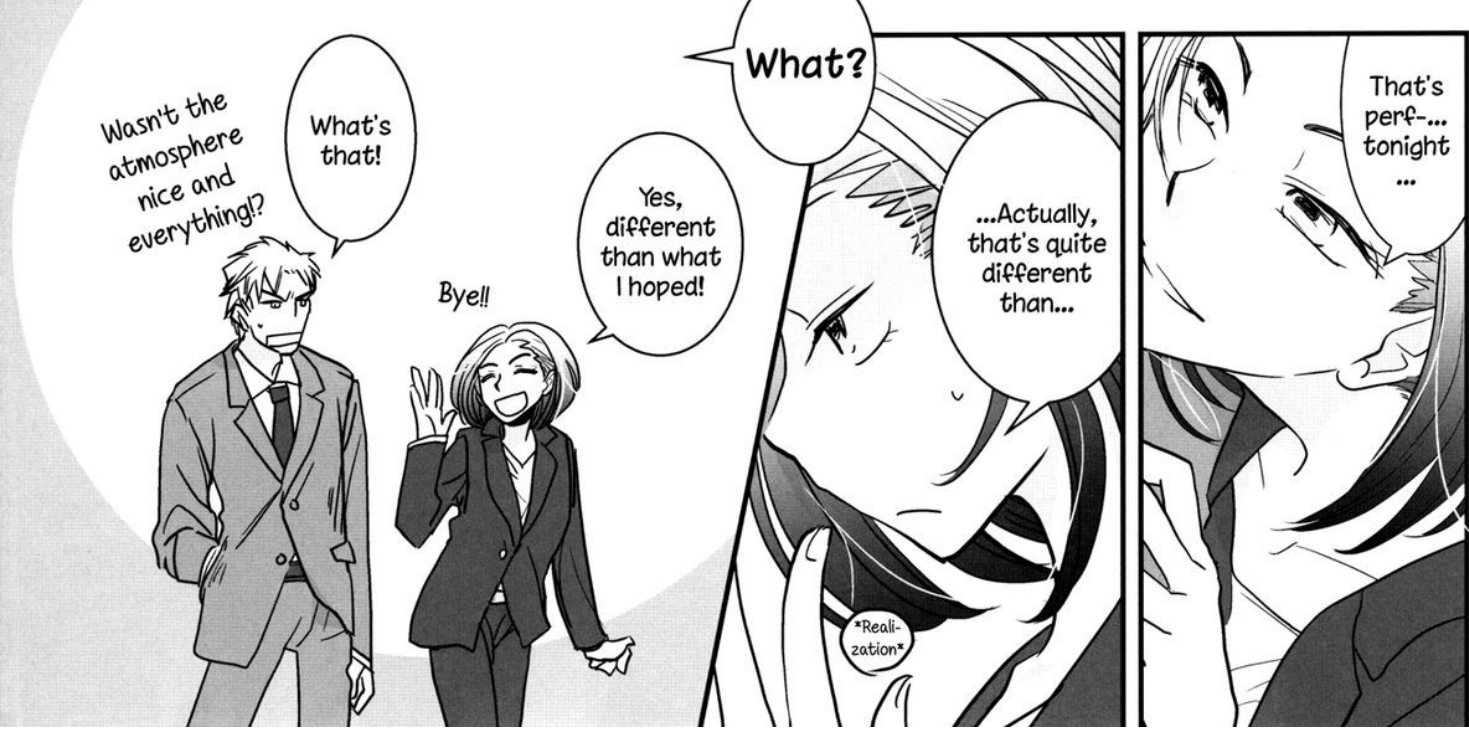

...Yes.

Ah.

Hey, it's been a while, let's do it again soon?

...Am I unsatisfied?

Wasn't the atmosphere nice and everything?

What's that!

Bye!!

Yes, different than what I hoped!

What?!

...Actually, that's quite different than...

That's perf-... tonight ...

\*Realization\*

Anna,  
let's go  
drink!

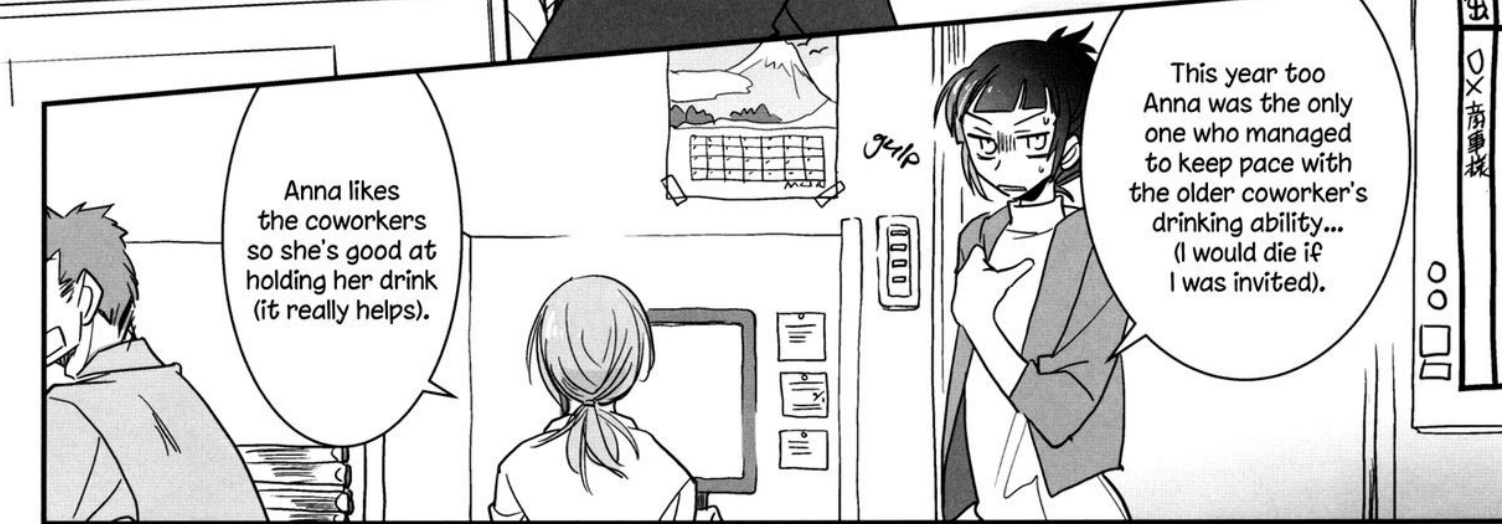

I can't  
believe it!  
...It's that  
late!

You're  
done  
right!?

Yes!

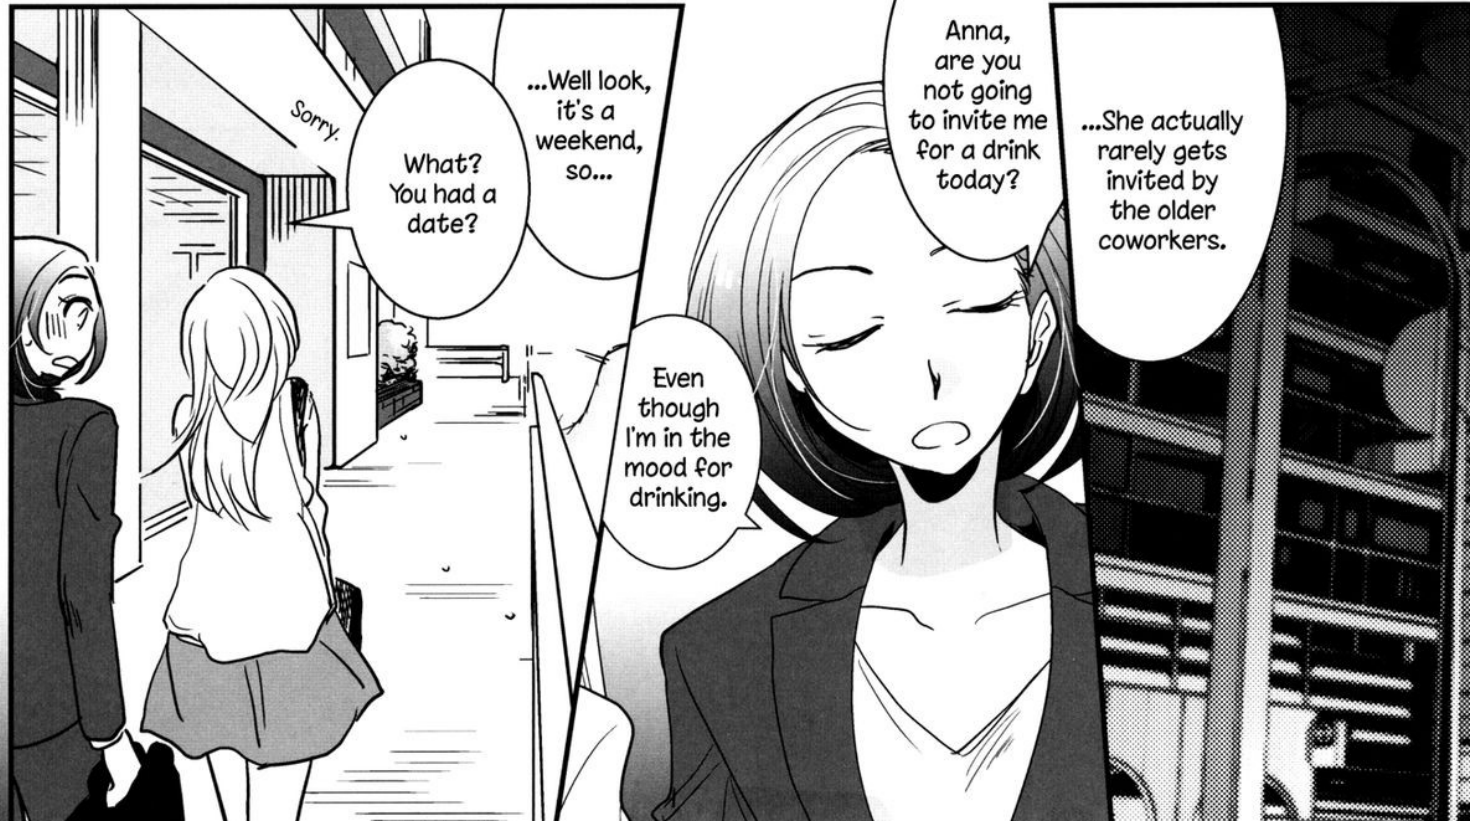

I'm  
coming.

!は  
#Sudden  
realization

Anna likes  
the coworkers  
so she's good at  
holding her drink  
(it really helps).

This year too  
Anna was the only  
one who managed  
to keep pace with  
the older coworker's  
drinking ability...  
(I would die if  
I was invited).

Sorry.

What?  
You had a  
date?

...Well look,  
it's a  
weekend,  
so...

Even  
though  
I'm in the  
mood for  
drinking.

Anna,  
are you  
not going  
to invite me  
for a drink  
today?

...She actually  
rarely gets  
invited by  
the older  
coworkers.

Senpai,  
do you want  
another cup?

I'll  
drink it.

...By  
the way,

?

...I don't...

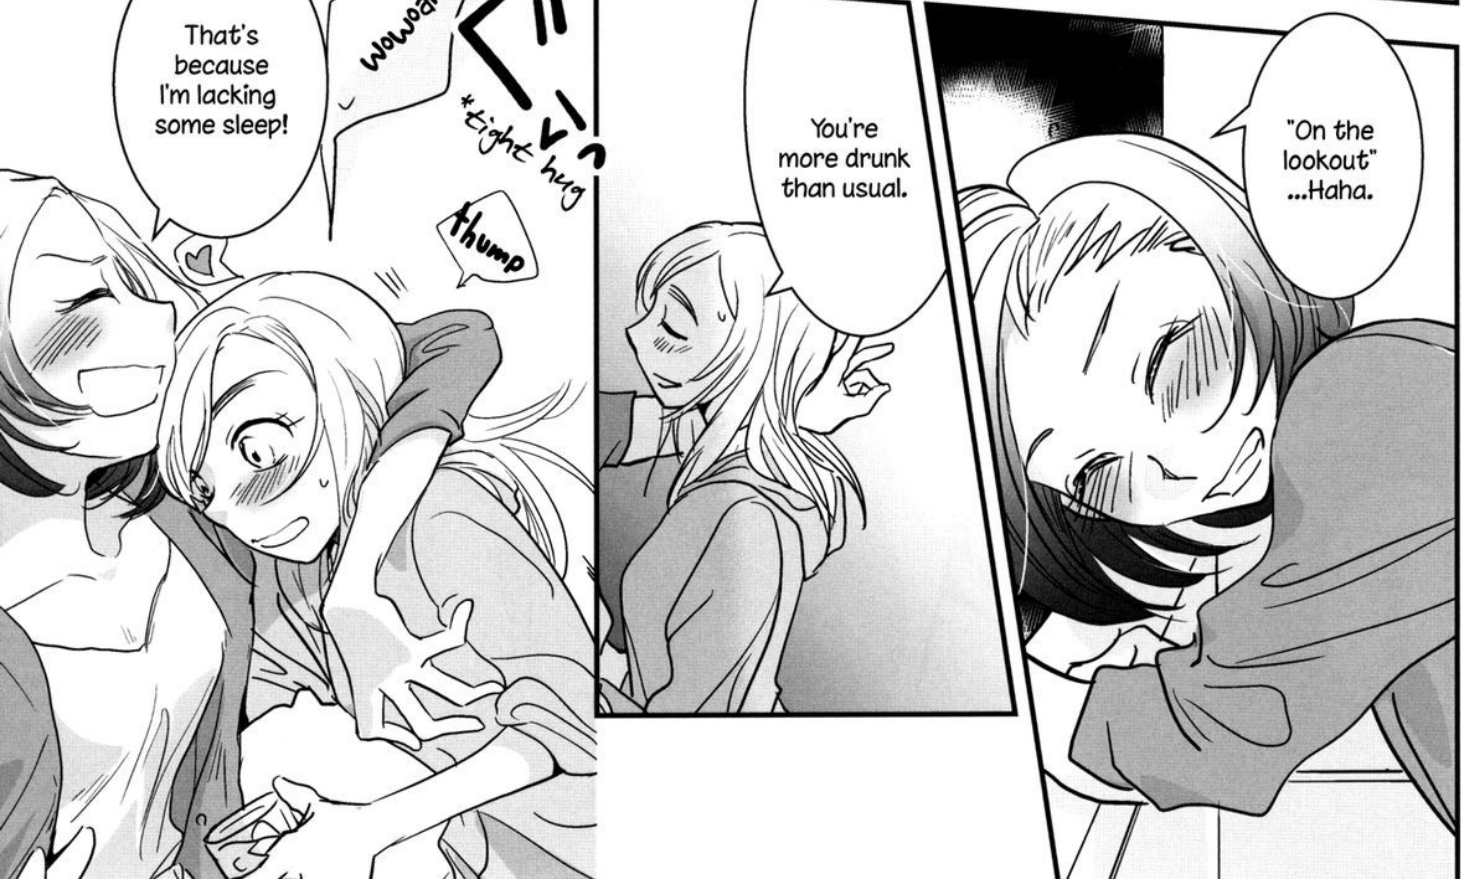

You're still on the  
lookout for me...?

stare

I felt like you  
were looking  
at me a lot  
today...

Really?

Balcony drinking

That's  
because  
I'm lacking  
some sleep!

Wowoah

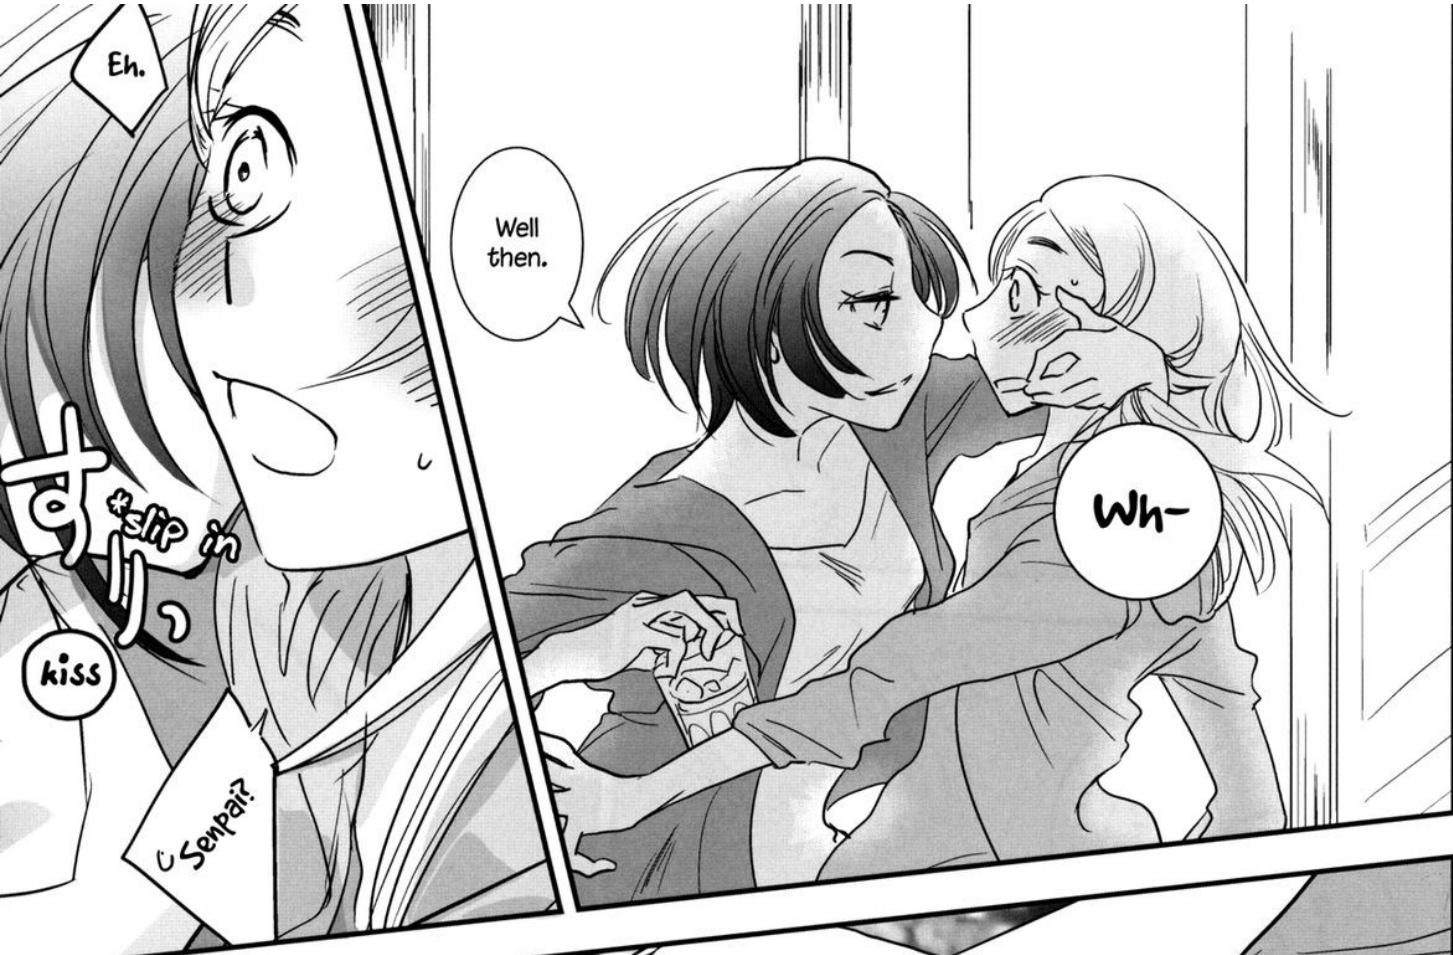

\*tight hug

thump

You're  
more drunk  
than usual.

"On the  
lookout"  
...Haha.

Eh.

Well then.

Wh-

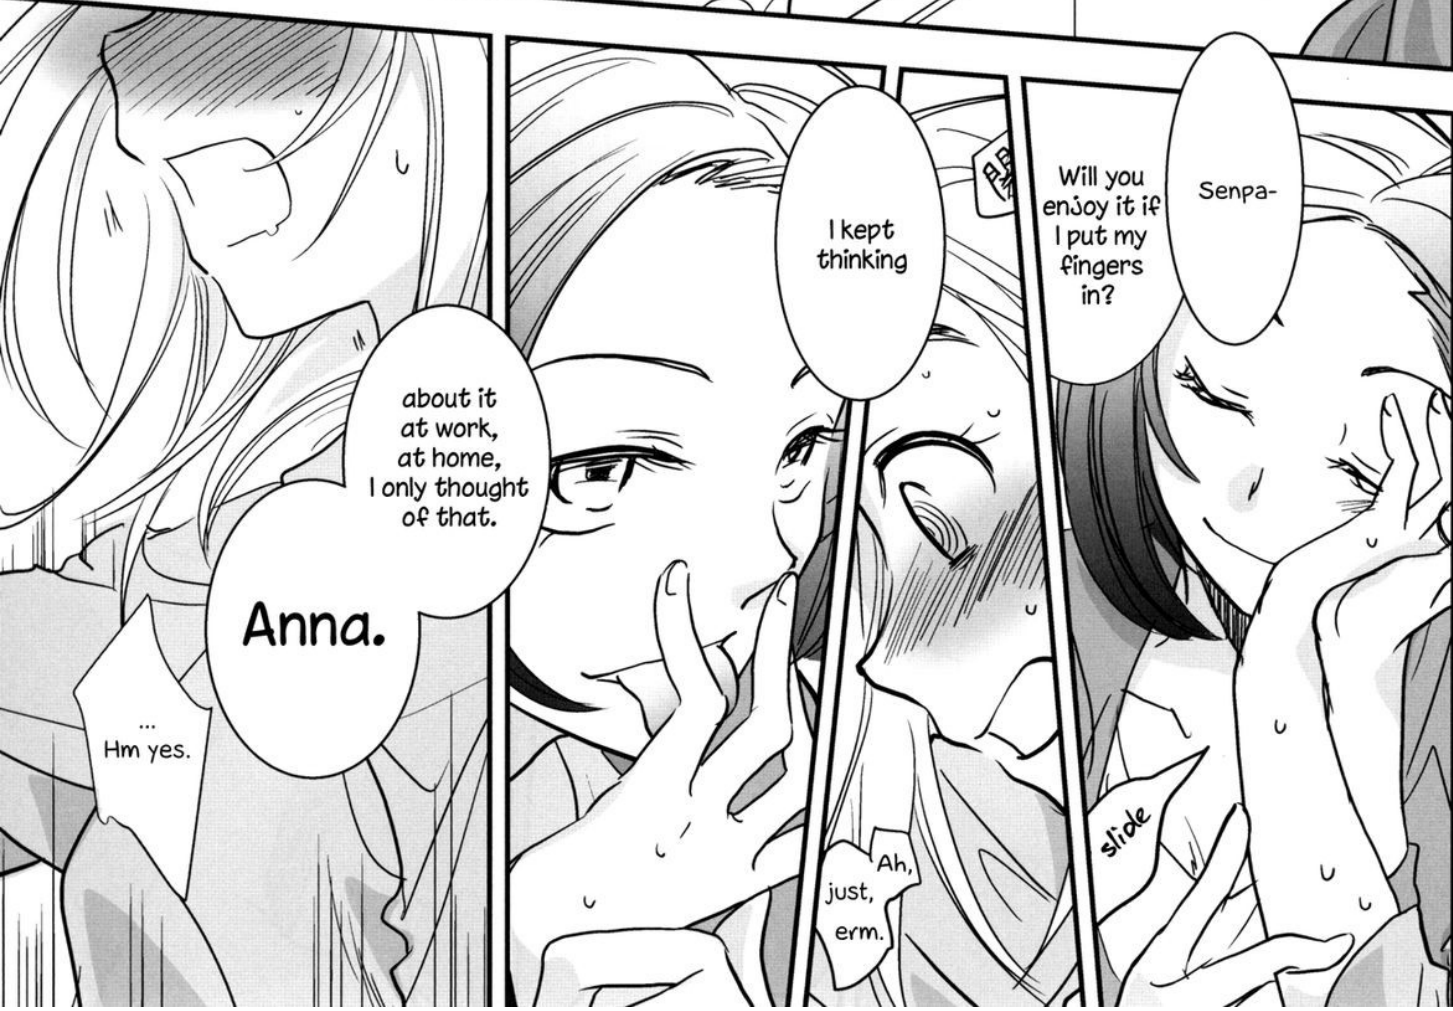

kiss

Senpai?

す  
\*slip in  
?

F  
\*thunk

about it  
at work,  
at home,  
I only thought  
of that.

Anna.

...  
Hm yes.

I kept  
thinking

Ah,  
just,  
erm.

Will you  
enjoy it if  
I put my  
fingers  
in?

Senpa-

slide

Were you  
that much into  
...when we did it?

...I am  
very  
much...

...If it's  
a joke I'm  
gonna cry..

Anna,  
give me  
your hand.

?

...Yeah...

Haha  
so cute!

You  
would  
cry?

Senpai...  
You're  
lewd...♡

If it  
was a joke...  
I wouldn't  
do this,  
right...?

...Look!

smooth

Waa-  
ow♡

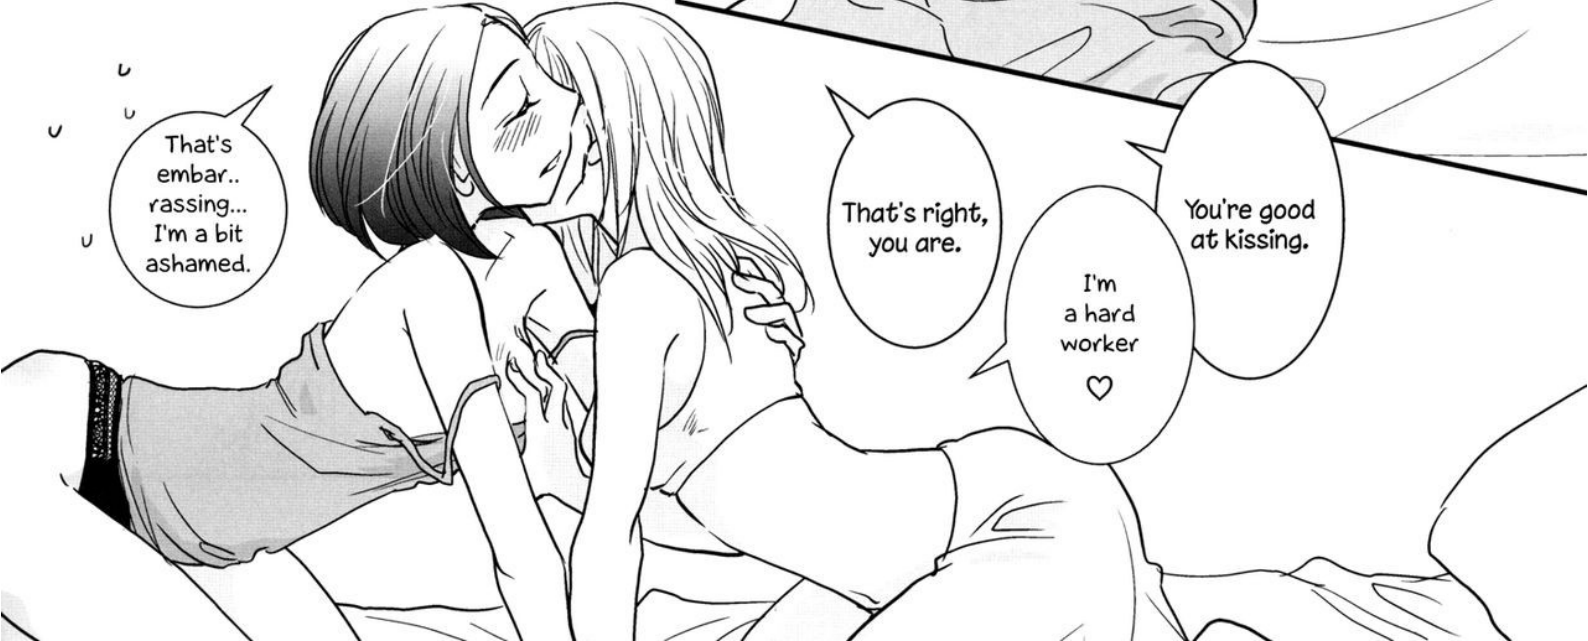

amazing

Fufu.

At #giggle

That's  
right,

...it got out.

That's embar..  
rassing...  
I'm a bit  
ashamed.

That's right,  
you are.

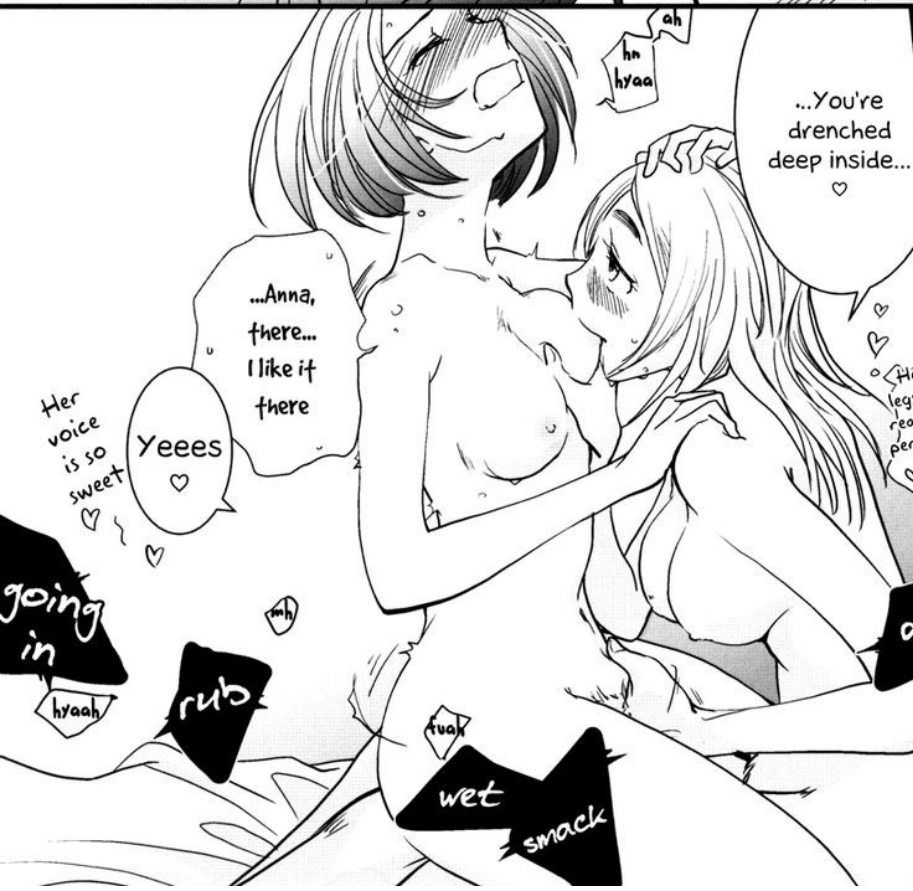

You're good  
at kissing.

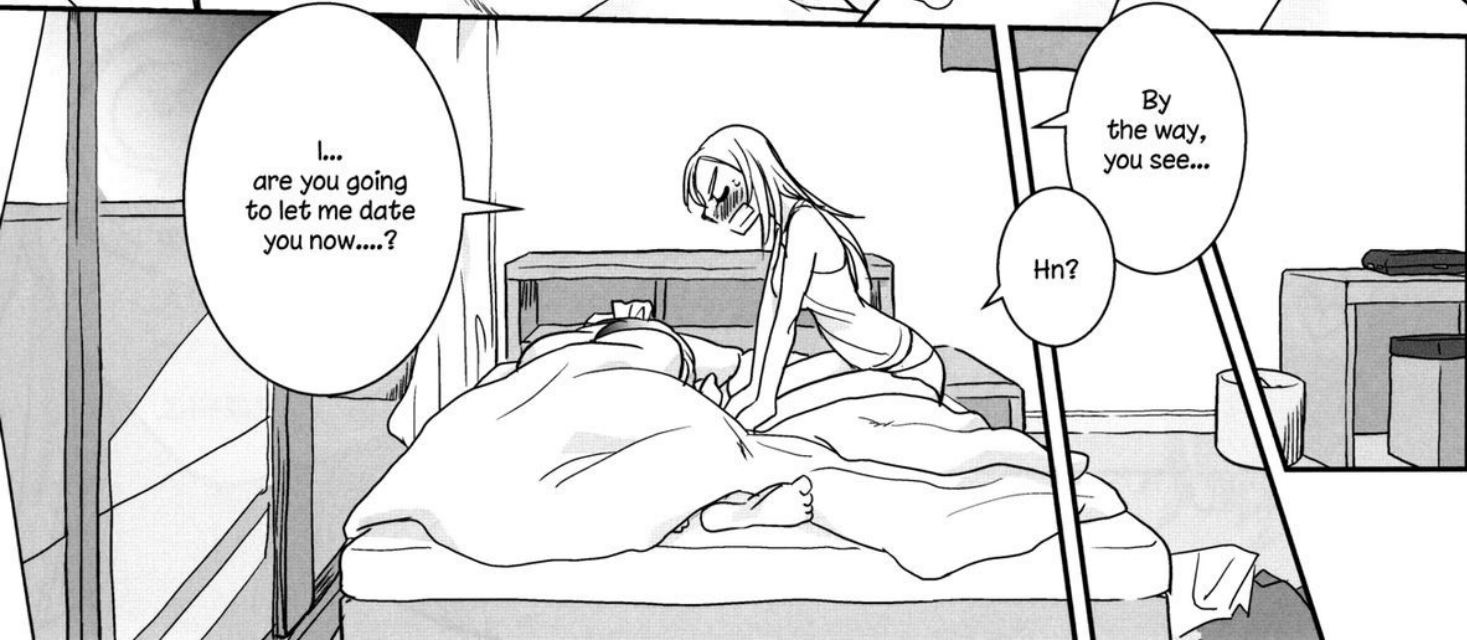

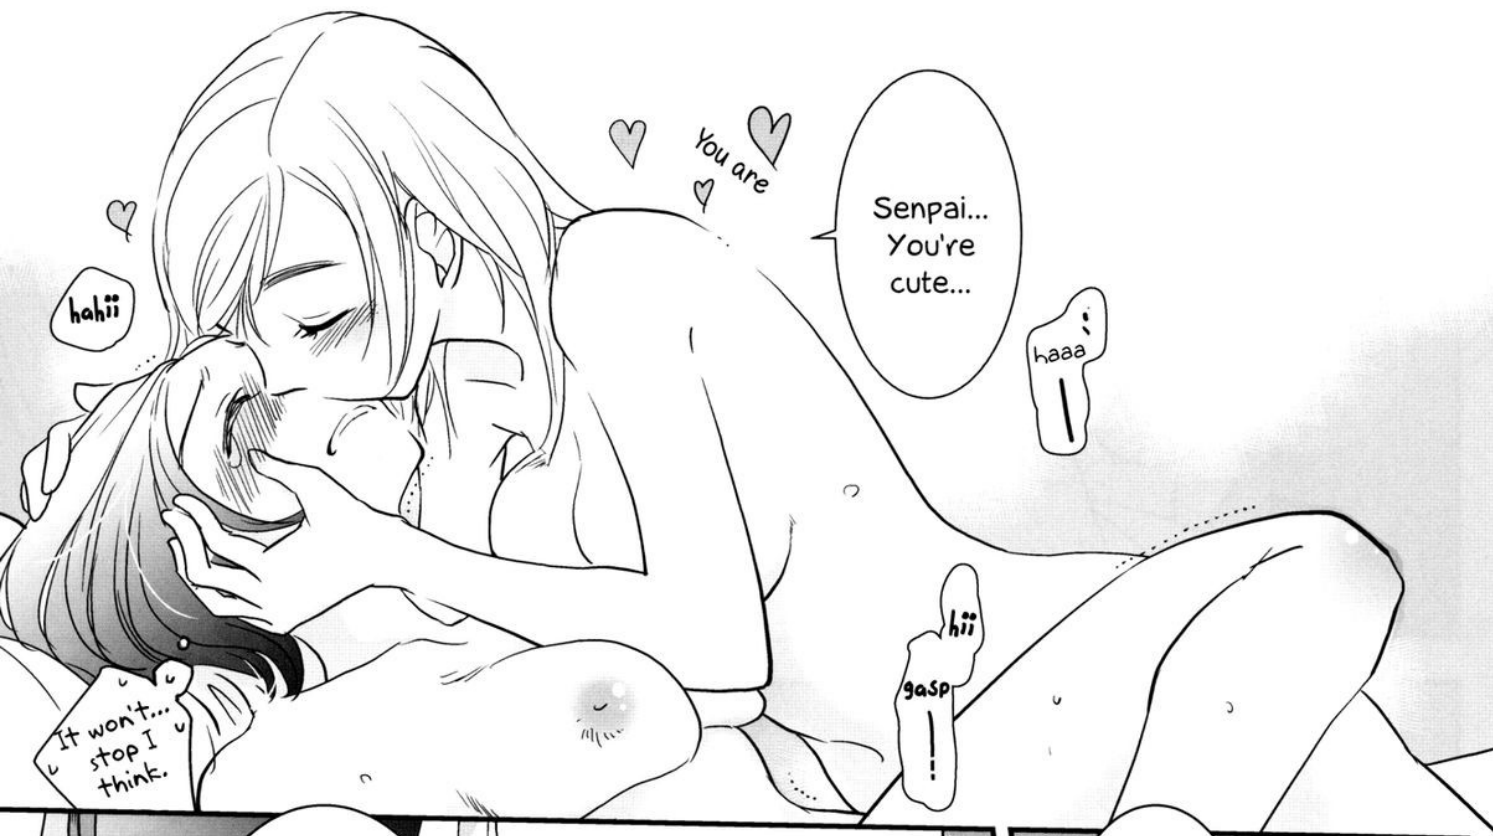

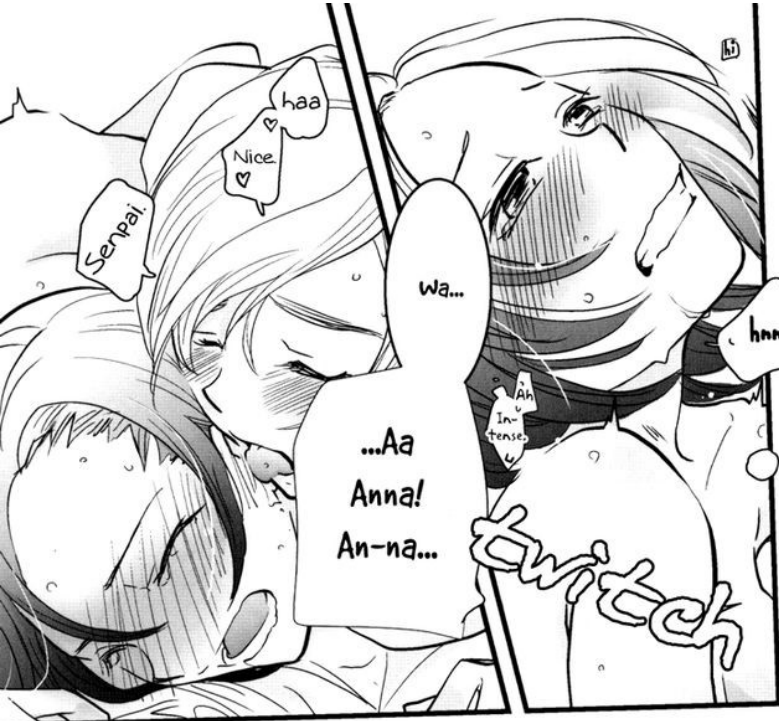

I'm  
a hard  
worker

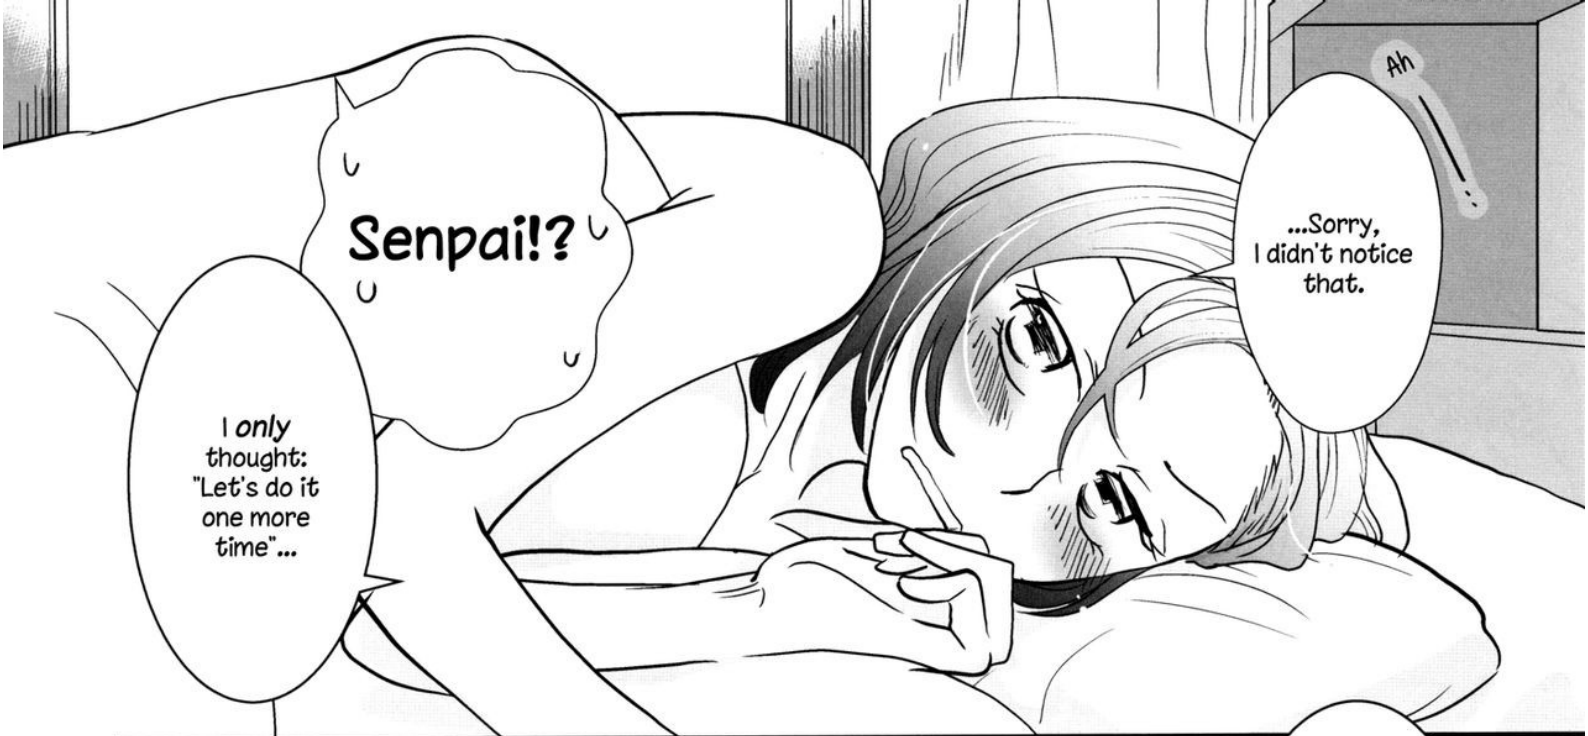

♡

Actually, I thought about it over and over again... it's not just her skin..

Senpai!?

I only thought:  
"Let's do it  
one more  
time"...

...Sorry,  
I didn't notice  
that.

Ah

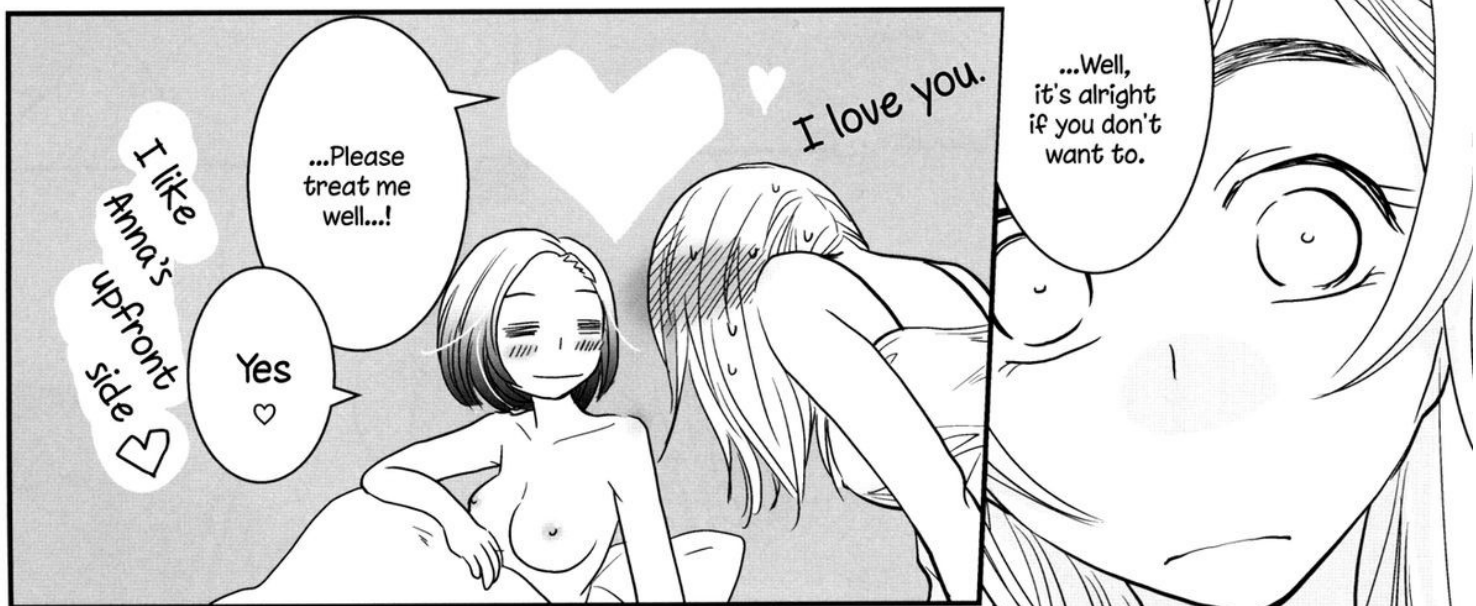

...Whaat?  
Do you think  
it's better  
when lesbian  
relationships  
are dramatic?

You assaulted  
me but I'm the  
one serious  
about this!?

Isn't it like  
this with  
boys too  
at first?

So  
lightly!!

But  
you're cute,  
so it's  
fine.

I like  
Anna's  
upfront  
side ♡

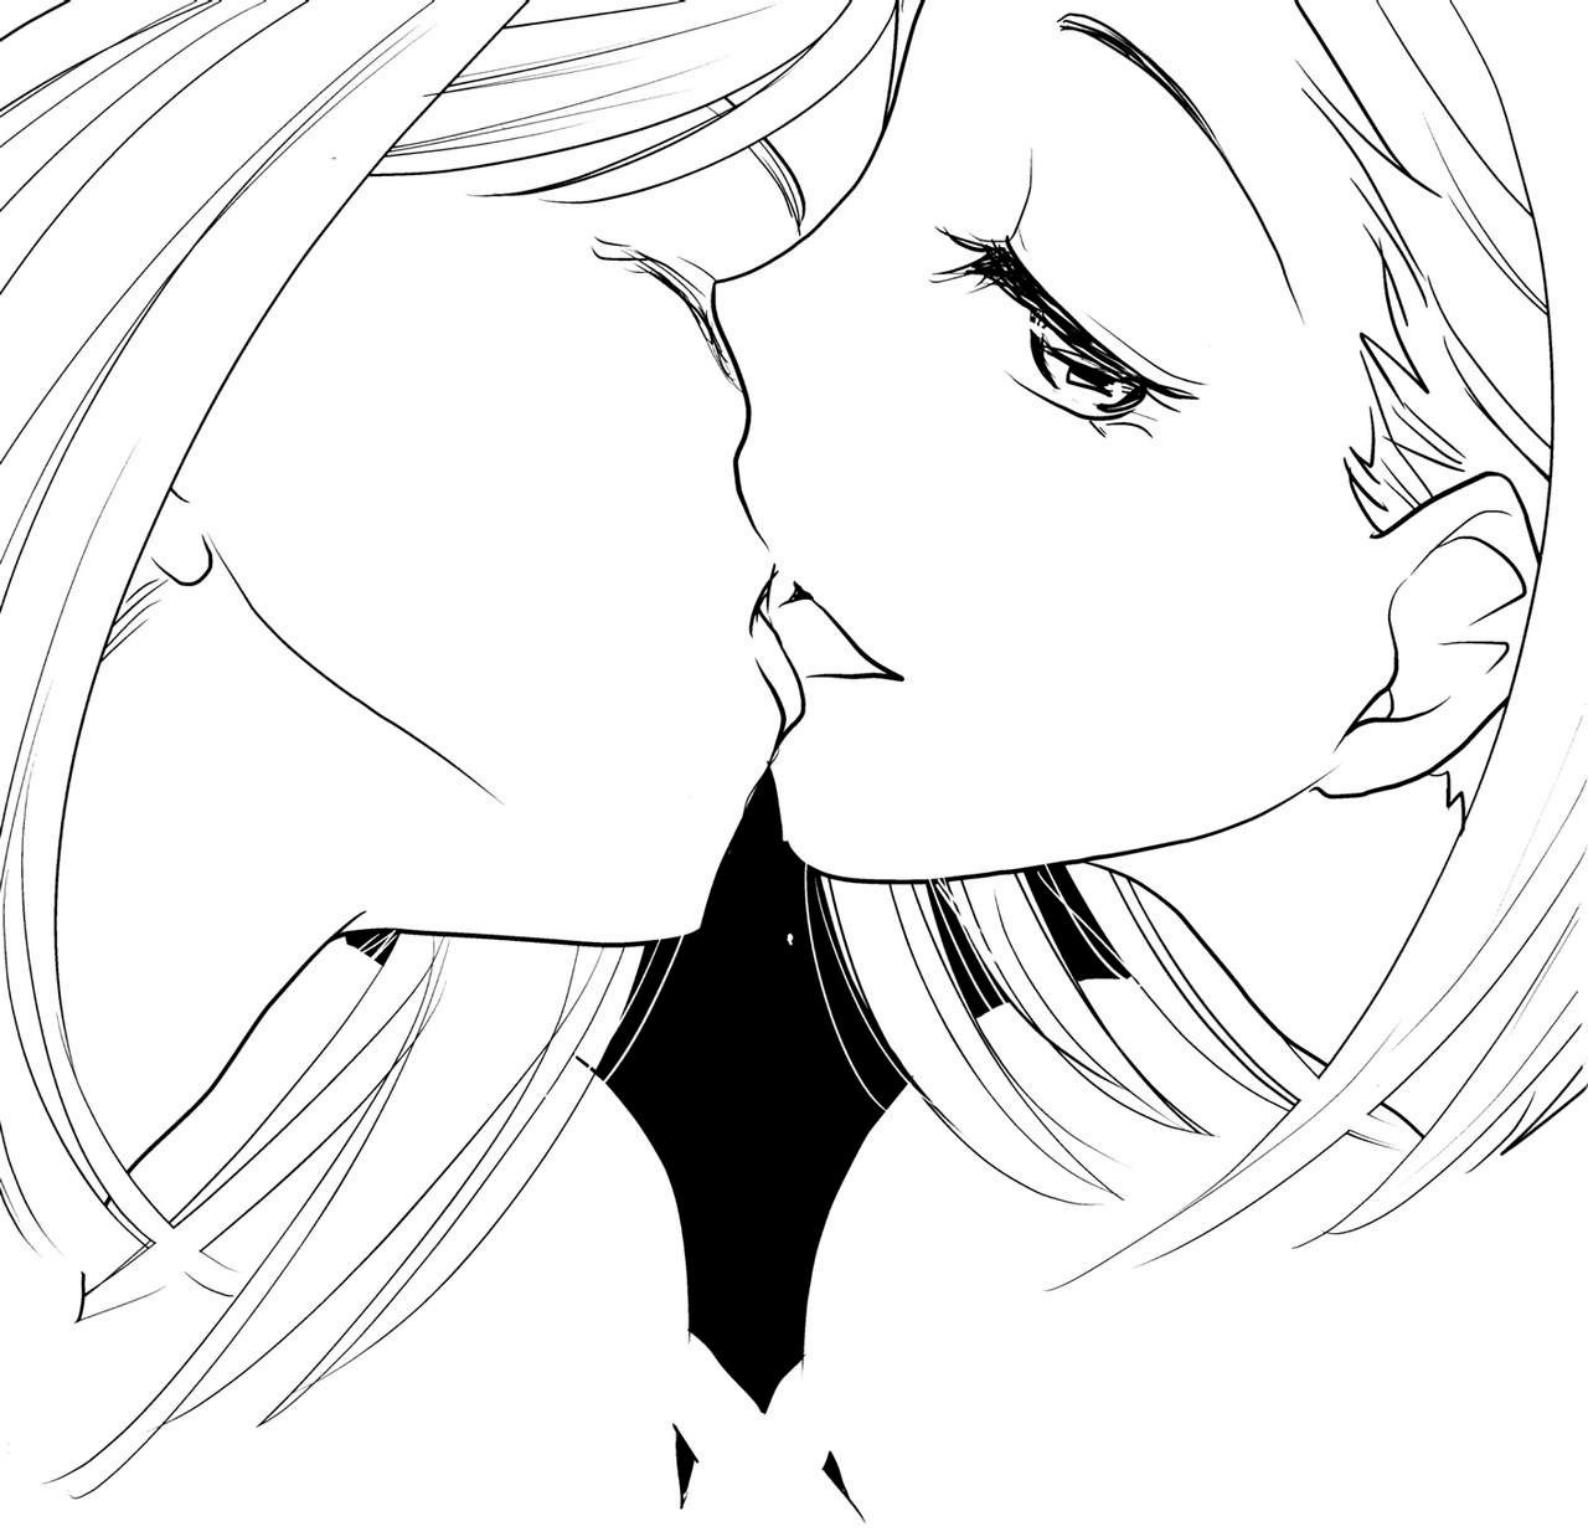

...Please  
treat me  
well...!

Yes  
♡

I love you.

...Well,  
it's alright  
if you don't  
want to.

And they all lived happily ever after.

## Afterwords

I usually don't draw passive heterosexual turning active, but I gave my best at drawing them... I thought it was "very lewd" while I was drawing them, I'm sorry if you don't agree with this... Graphically, there's not a lot, but...I love the art of giving glimpses of things, I think it's very erotic... If you think it's erotic too, I'm very glad!! We're on the same side!! (Laugh)  
The periods of me wanting to draw lewd content and the periods of me not wanting to draw lewd content are intense!
