

One day, while surfing on the internet, I came across a site with photos of crossdressers.

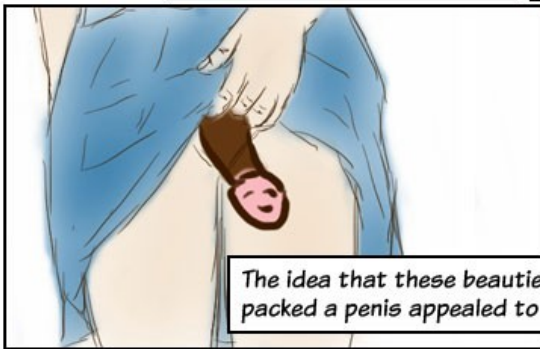

These people had silky skin and delicate features. No facial or armpit hair. In short, they looked nothing like men in drag.

What they truly looked like were...

WOMEN! More beautiful than any "real" woman I'd ever seen!

The idea that these beauties packed a penis appealed to me!

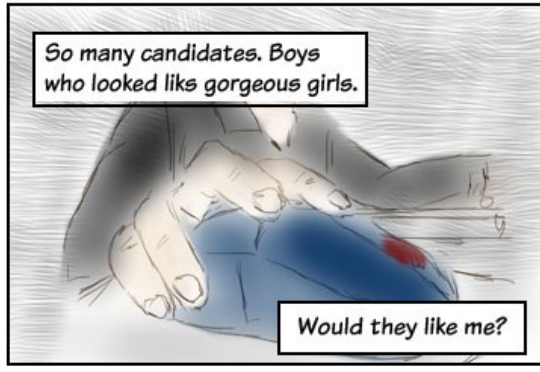

Call me a misogynist, but most "real" women I've known have been soul-sucking harpies!

Do you think I'm pretty?

So vain! Needy. And ultimately only interested in money.

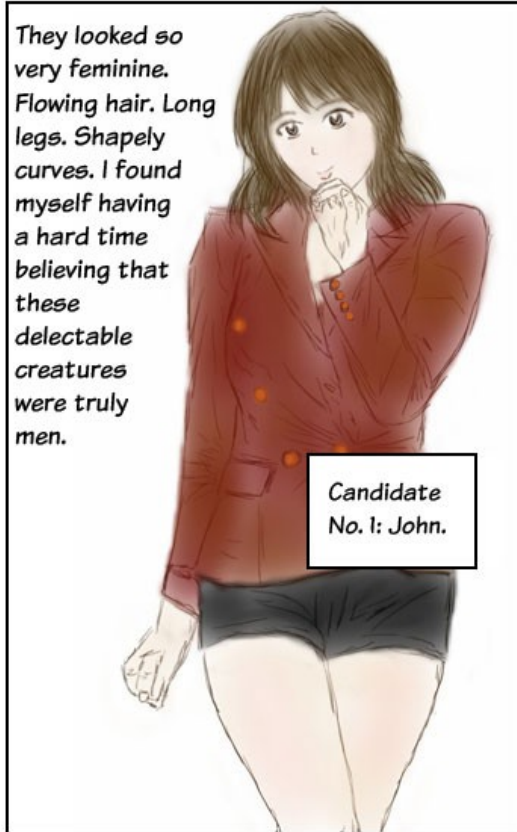

I decided to try to find the "most beautiful crossdresser" in the vicinity.

So many candidates. Boys who looked like gorgeous girls.

Would they like me?

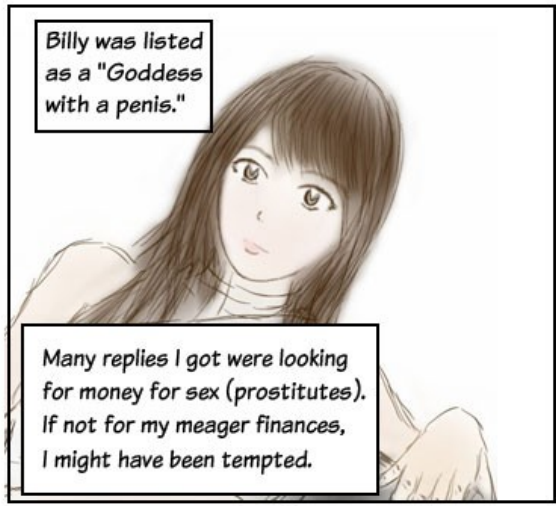

They looked so very feminine. Flowing hair. Long legs. Shapely curves. I found myself having a hard time believing that these delectable creatures were truly men.

Candidate No. 1: John.

I wrote to my favorites and waited anxiously for a reply.

Billy was listed as a "Goddess with a penis."

Many replies I got were looking for money for sex (prostitutes). If not for my meager finances, I might have been tempted.

(Livechat)
SAKKAT : Hi John
John : Hi
SAKKAT : You're a man?
John : Of course.
SAKKAT : But you look like a girl! You must show me your penis!!
John : Like hell I will!

Often I was too excited and made inappropriate comments, blowing any chance I had of meeting up.

One day, I finally got a bite.

One of these goddesses agreed to have coffee with me.

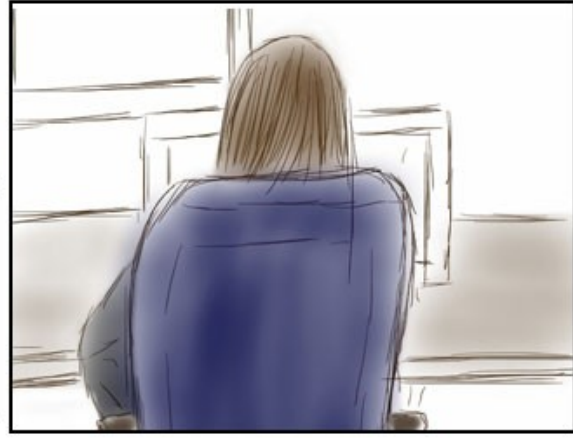

'Soha' was known for her short hairstyle and full lips.

She... no, HE was so pretty!

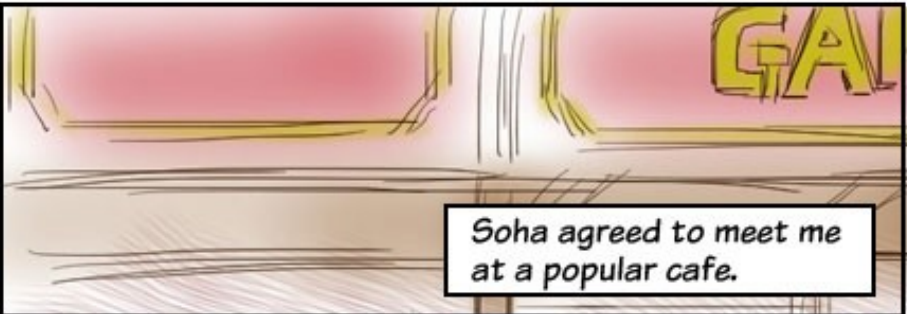

Soha: Just a coffee? I guess that might be okay. I don't usually meet strangers en femme. And this would be just to talk. No sex.
SAKKAT : Yes... Of course. Don't worry. I just want to chat with you for a little while in person.

Of course, I desperately hoped that when we met, Soha would fall for my rugged good looks and my irresistible charms... hahaha...

TS, I LOVE YOU

Soha agreed to meet me at a popular cafe.

I waited anxiously for her.... no "him"

Soha had made it clear that she was already seeing someone, so I knew this wasn't a "real" date. But I couldn't help but fantasize that she might like me.

"Are you Sakkat?"

Oh my! she... he was here!! And so cute!

"Yes, I'm Sakkat. Please, have a seat."

I checked out her legs as she sat down. I'd asked Soha to wear the tight mini-skirt that I'd seen in a few of her photos.

Her legs were all girl, but her voice broke the spell.

"Ah.. sorry. I know I need to work on my voice. It's too husky."

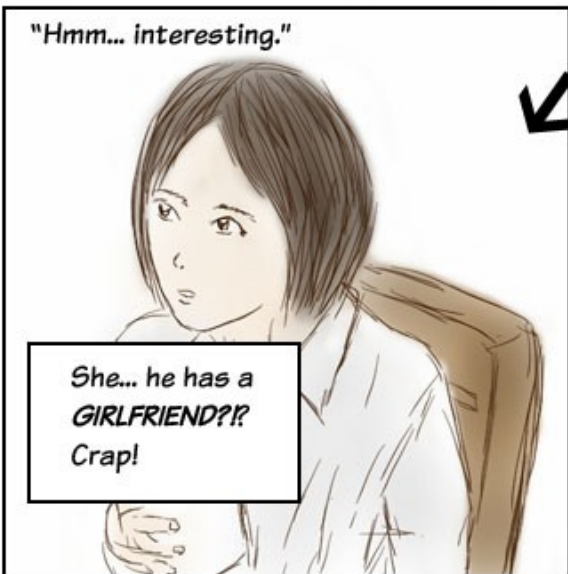

"It's okay. The rest of you is so perfect!"

"It's hard for me to believe you're really a guy. I have so many questions. First off, are you gay? Do you like men?"

"Nope! I actually have a girlfriend! Crossdressing is just a hobby. Kimmy's the one who got me into it. She likes all the attention my pics get on the web."

"Hmm... interesting."

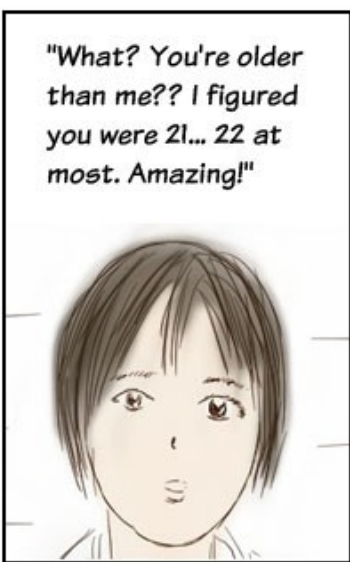

She... he has a **GIRLFRIEND???**
Crap!

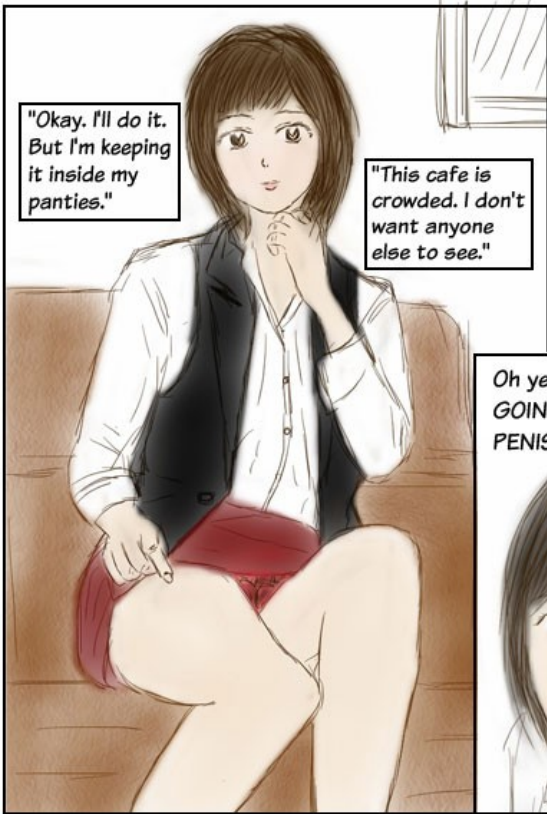

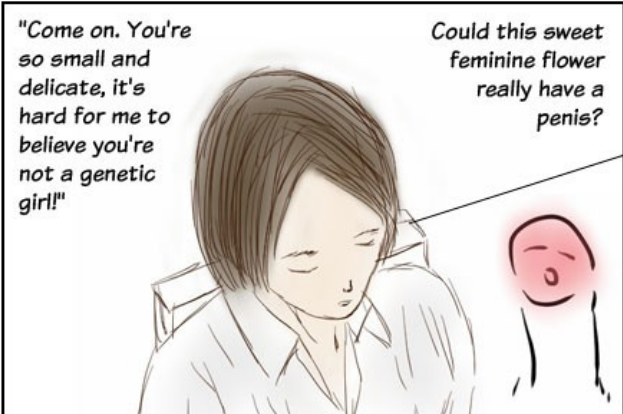

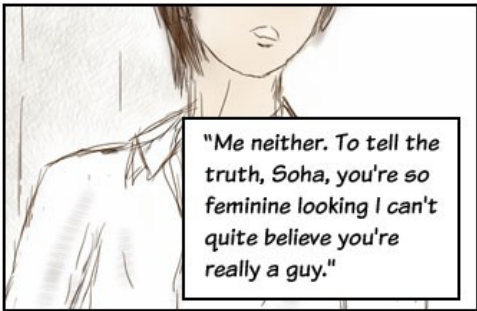

"How old are you?"

"I'm 27, Too old?"

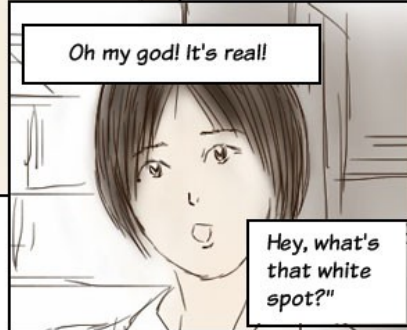

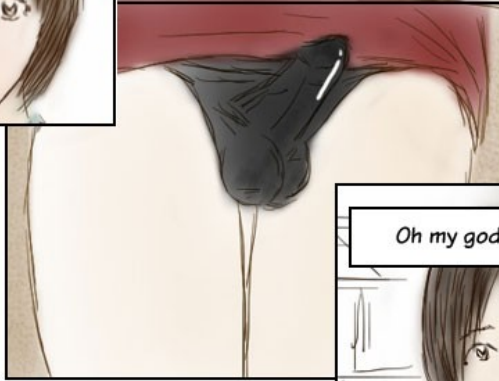

"What? You're older than me?? I figured you were 21... 22 at most. Amazing!"

Soha looks like a girl! Sexy and gorgeous! But her real gender is..

MALE!
She's not a girl... haha! It's the perfect paradox!
A girl with a penis!

"I've never touched one before. Yours is big and hot!"

"No! Stop it!"

"St... stop fondling me... in the middle of the cafe."

"Sorry..."

"I had to touch it... make sure your penis was real."

What a bullshit excuse. I knew it wasn't a fake penis.

"Excuse me, I need to use the restroom."

"Sure."

During Soha's trip to the restroom...

...I sampled...

...the fluid that had moistened her panties. Was it what I hoped it would be?

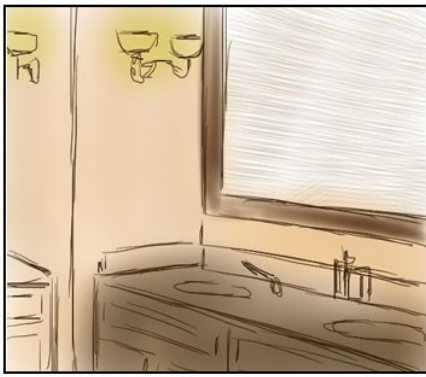

YES! I tasted...

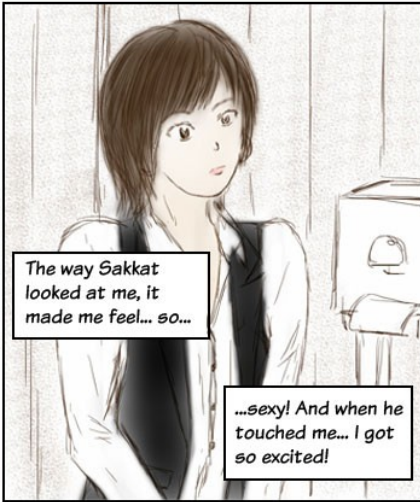

...CUM!!!

[Ladies' Restroom]

What's this feeling?

The way Sakkat looked at me, it made me feel... so...

...sexy! And when he touched me... I got so excited!

He makes me feel like a real woman...

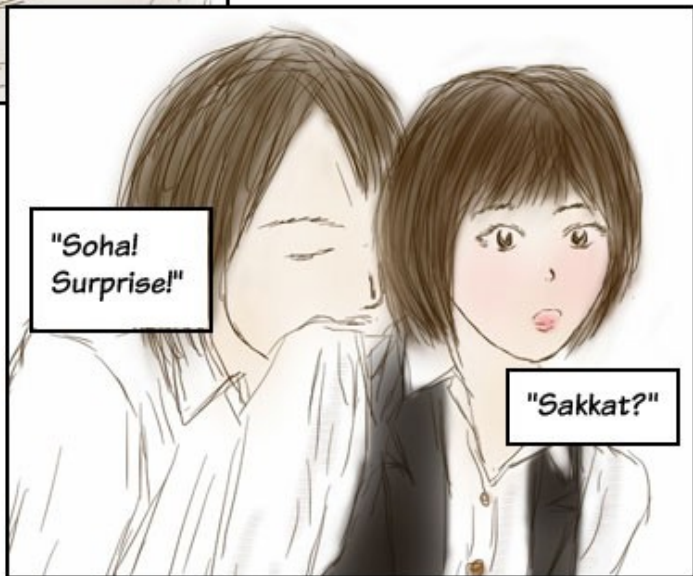

But I don't want to feel this way. Dressing up is just for fun!

I haven't cum so hard in years! Is this is what I really want?

The touch of a man?

"Soha! Surprise!"

"Sakkat?"

"What's that I see on the toilet seat?"

"None of your business!"

"You sure?"

"YES!!!"

"I honestly did come in here to pee, I swear, but then..."

"I thought about the way you made me feel... so special. I liked it -- being desired -- as if I were a true princess!"

"How can it be? Dressing up is just a game!"

"Let me go!"

"It's not a game. Not anymore!"

"I can't want this!"

"I... I never even thought about dressing as a girl until I met Kimmy. I told her it would lead to trouble. I told her!"

"You may be stronger than me, but it doesn't mean I'm a girl! It doesn't mean I want you!"

"Please, Soha. Don't torture yourself. It's okay to be curious, to want to try new things."

"That's why you agreed to meet me today, isn't it? To find out what it would feel like, to be desired as a woman."

"Y...Yes..."

"Before I tried it, I never thought I would like dressing as a woman. I never dreamed it would feel so right. That I would love feeling pretty. That it would make me feel sexy. Kimmy thinks it's funny, that we're just joking around. And it was that way in the beginning. But now... it's become something else. Something more."

"It's okay. You don't have to be ashamed."

"You... you're the first guy I've ever kissed."

"Wh... What are you doing?"

"You're hard again. Such an unfeminine bulge. But it's..."

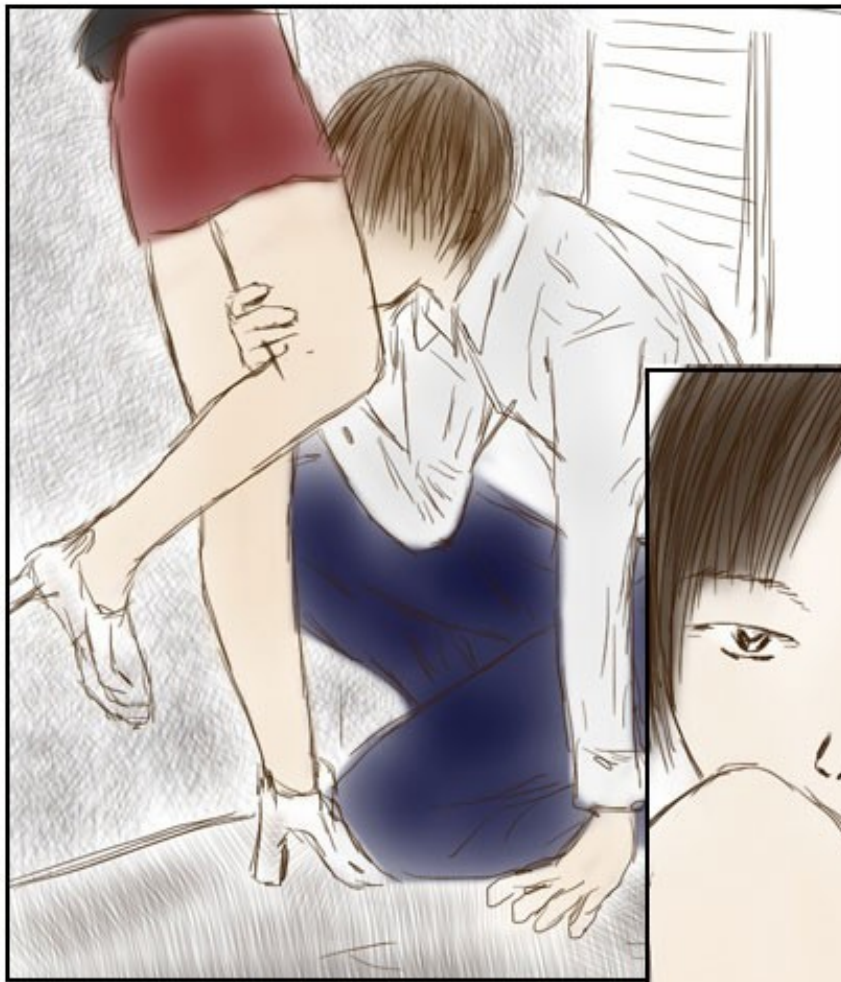

"so darn cute!"

"I... I'm so confused. Why do I like this so much?"

"Even when you're fondling me, you do it so gently... it makes me feel soft and feminine."

"After being with you, can I ever go back to the person that I was?"

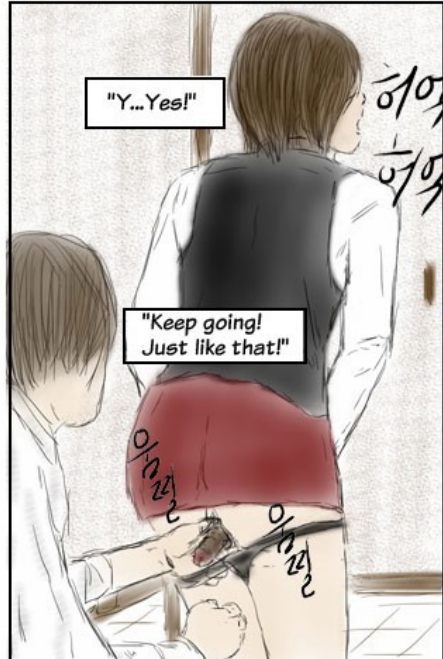

"Sorry, but I have to kiss your sweet rosebud."

"Oh god... that feels so good!"

"Y... Yes!"

"Keep going! Just like that!"

"I... I feel so ashamed!"

"Don't be. You're so soft and feminine. You need to be with someone who appreciates that!"

"But what about Kimmy? She's my girlfriend!"

"She brought out your girly side, but she can't give you what you truly need."

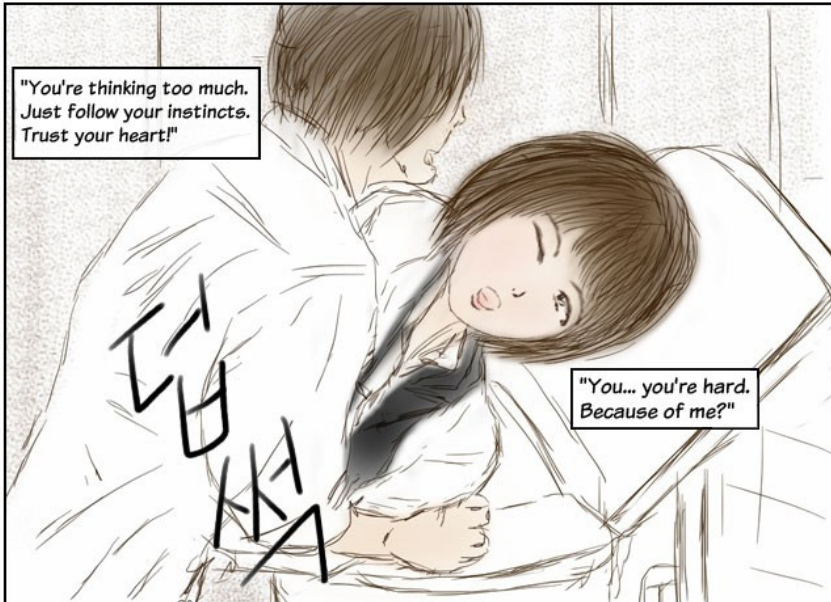

"I love every inch of you... and you love the way I make you feel. Admit it! You want to be a girl, don't you? My girl!"

"I like the attention. It's so exciting. But I... I..."

"You're thinking too much. Just follow your instincts. Trust your heart!"

"You... you're hard. Because of me?"

"Of course! You're the most exquisite creature I've ever seen!"

"That's it. Take me in your mouth."

"Taste my spunk. You know you want to!"

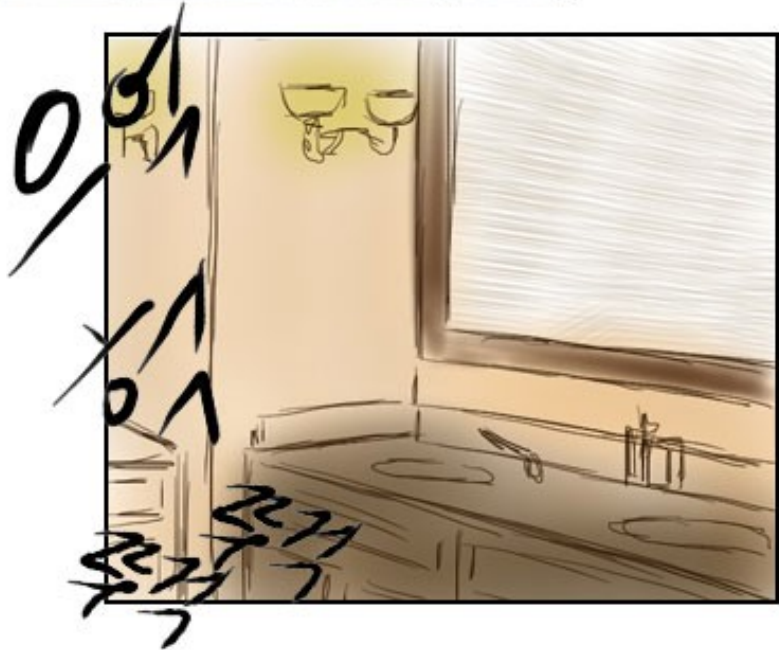

I... I can't hold back... I'm going to... **CUM!**

"I... I'm so turned on that I'm already hard again! I want to be inside you... I need to POSSESS you!"

"It's okay. I want it too. But go slow! Be gentle!"

"Soha, are you okay? I'm not hurting you, am I?"

"No... just the opposite. I... I'm close to EXPLODING!"

"Oh, Soha. I love being inside you. Fucking you. It feels so good!"

"I love it too. Your cock feels so good. Better and better with every stroke!"

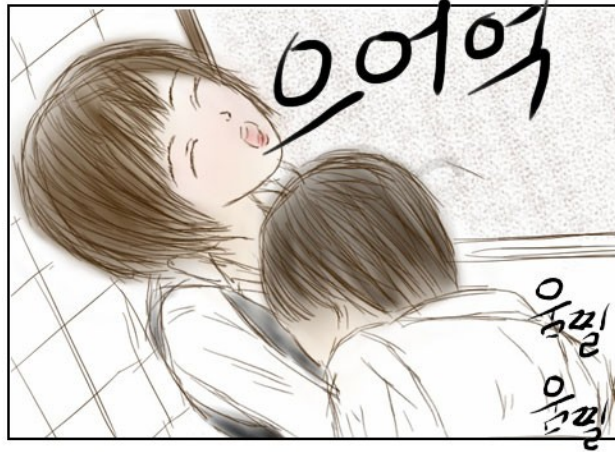

"Hypnotizing me!"

"I need to cum... please, cum inside me... PLEASE!"

"Soha! I can't hold back. I'm gonna shoot inside you! Oooohhh!!!!!!"

"Sorry. I know I said we'd just talk, but I couldn't help myself!"

"Sakka..."

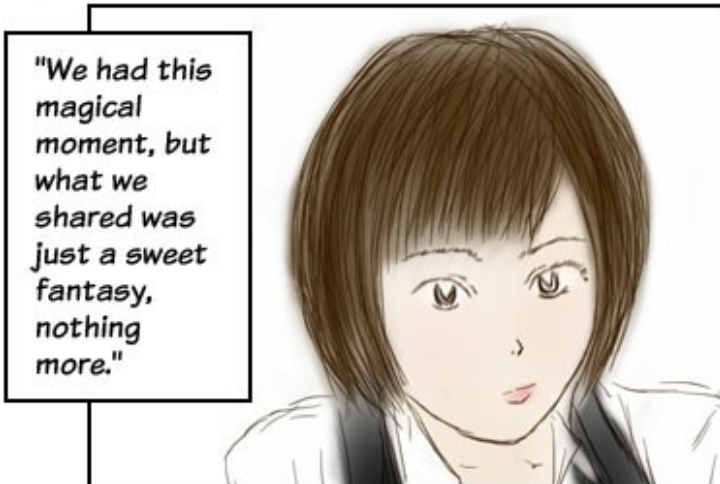

"I... I can't do this... play the part you want me to. It would never work, don't you see?"

"I'm a man, not a woman. I can't be someone's girlfriend!"

"Even yours..."

"We had this magical moment, but what we shared was just a sweet fantasy, nothing more."

"....."

"I won't go back to my old life, so I'm not sure what I'll do."

"But I have this feeling Kimmy will understand."

"She must have seen this aspect of me before I was able to see it for myself."

"That's why she coaxed my girl-ish side out!"

"Wait. Please. Can't you understand? None of that matters!"

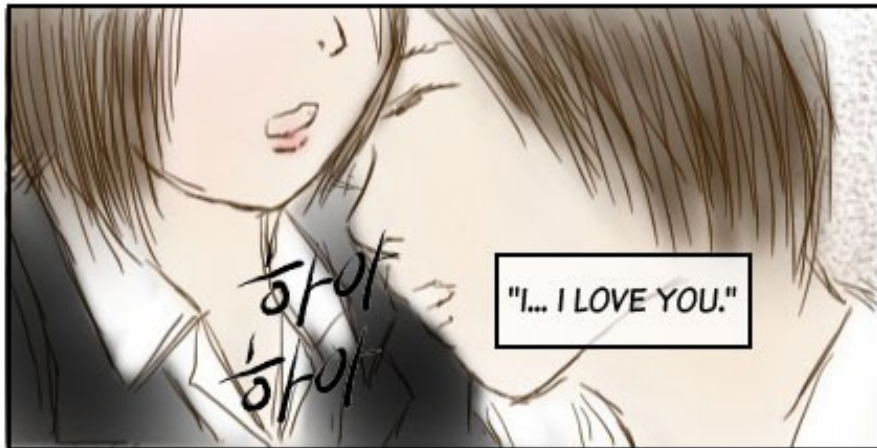

"You must not go!"

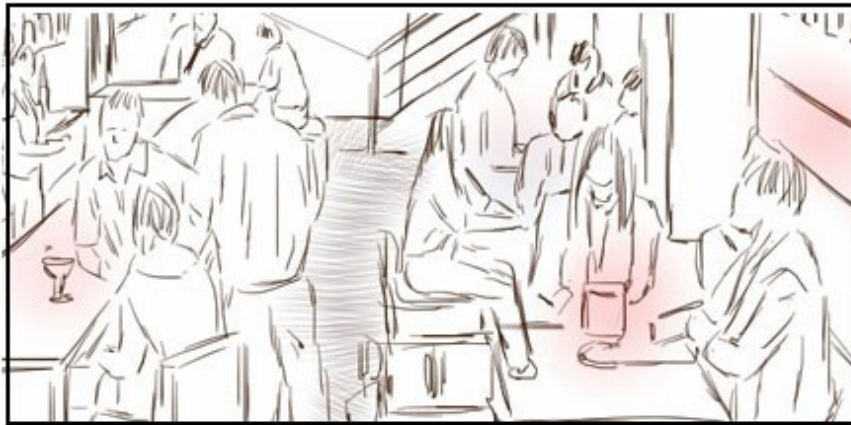

"If you don't give us a chance, you'll regret it."

"You're impossible."

END.
