

おいおい

チンピラ相手に
劣勢だぞ？

有名剣闘士
だったやつが
だらしねえなあ！

用心棒なんだから
しつかり俺を
守ってくれよ？

あゝ、負けたら拘束
ひとつ追加だからな？

奴隷に堕ちた元剣闘士のシルヴァリアは、ある男に用心棒として買われることになった。しかし十分に腕の立つ男にとって用心棒など不要であり、実際は身体を奪った状態で彼女を闘わせ、一方的になぶられる様を楽しむことが目的であった。魔術による刻印で彼女は主人を守る行動を強制され、常に闘い続ける毎日を過ごしていた。

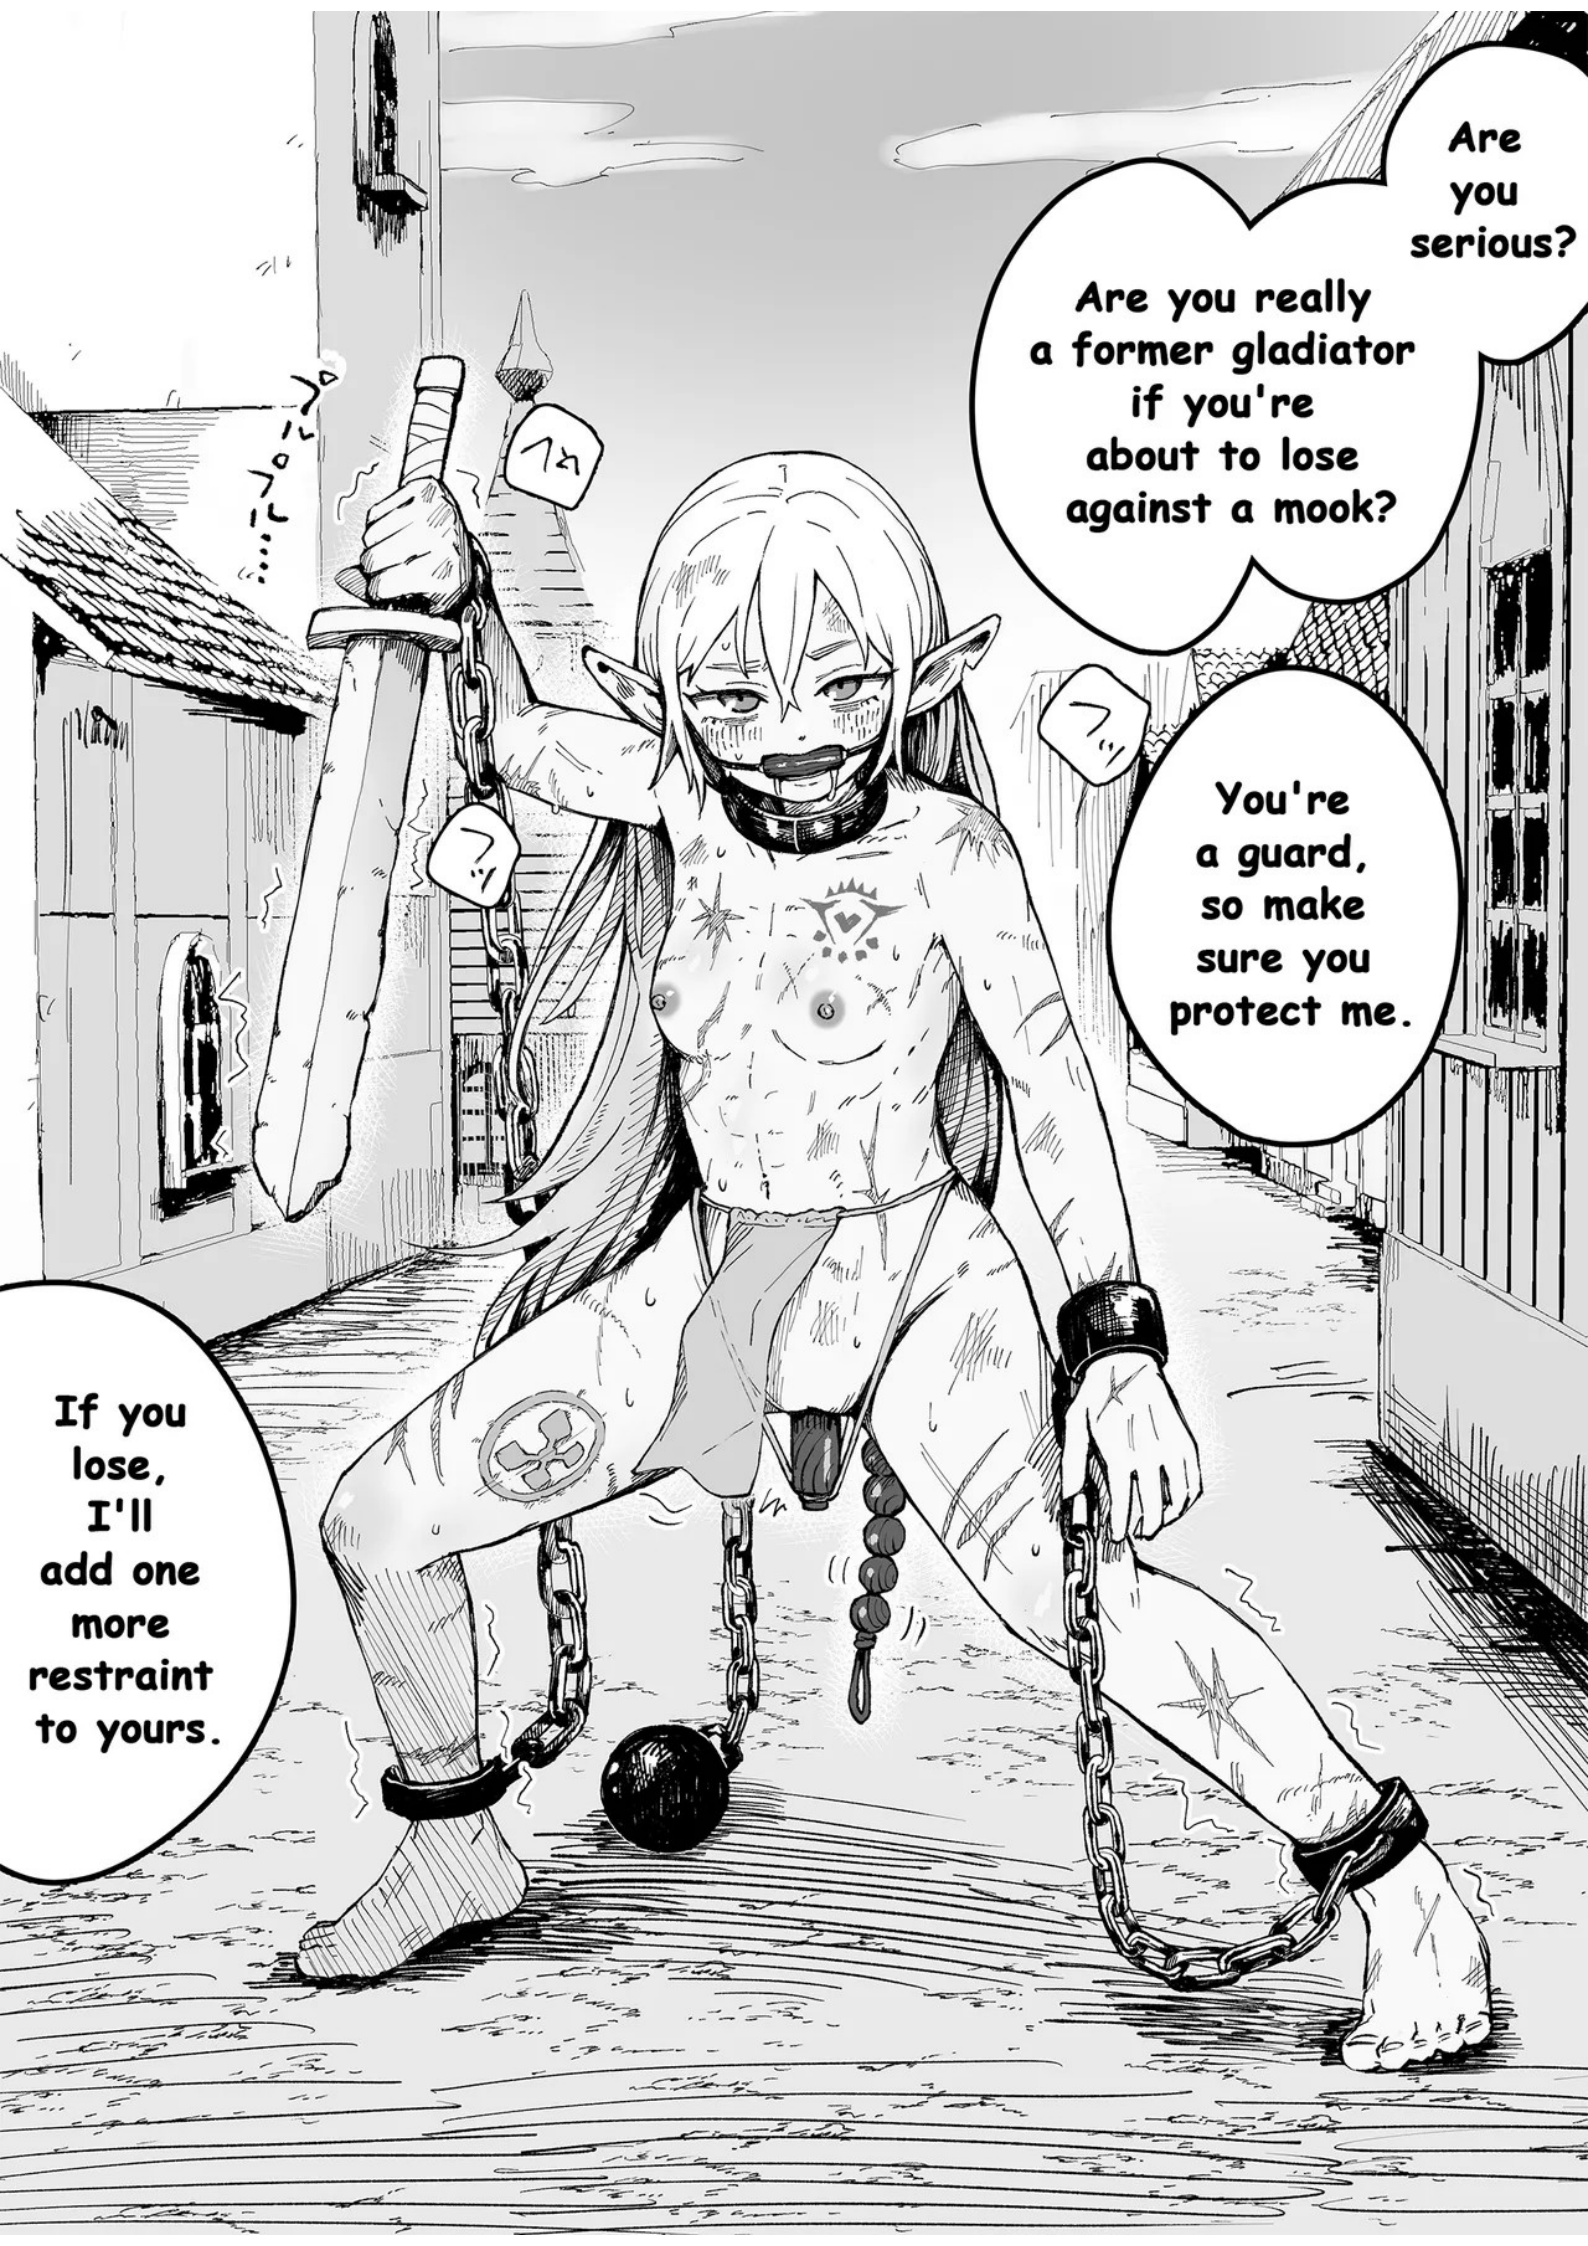

弱えやつだなあ
最後に勝ったの
いつだよ？

俺が弱かったら
どうするつもり
だったんだ？

次の街は
クソ治安が
悪いらしいから
気合い入れてけよ

この旅でシルヴァリアに何よりも堪えたのは、格下相手に敗北を重ねることでも、男の馬鹿げた趣味に付き合わされることでもない。国中を裸で連れ回されることでもない。

この状況を打開することができない
自分の弱さをこれでもかと思いついて
しまったことであつた。

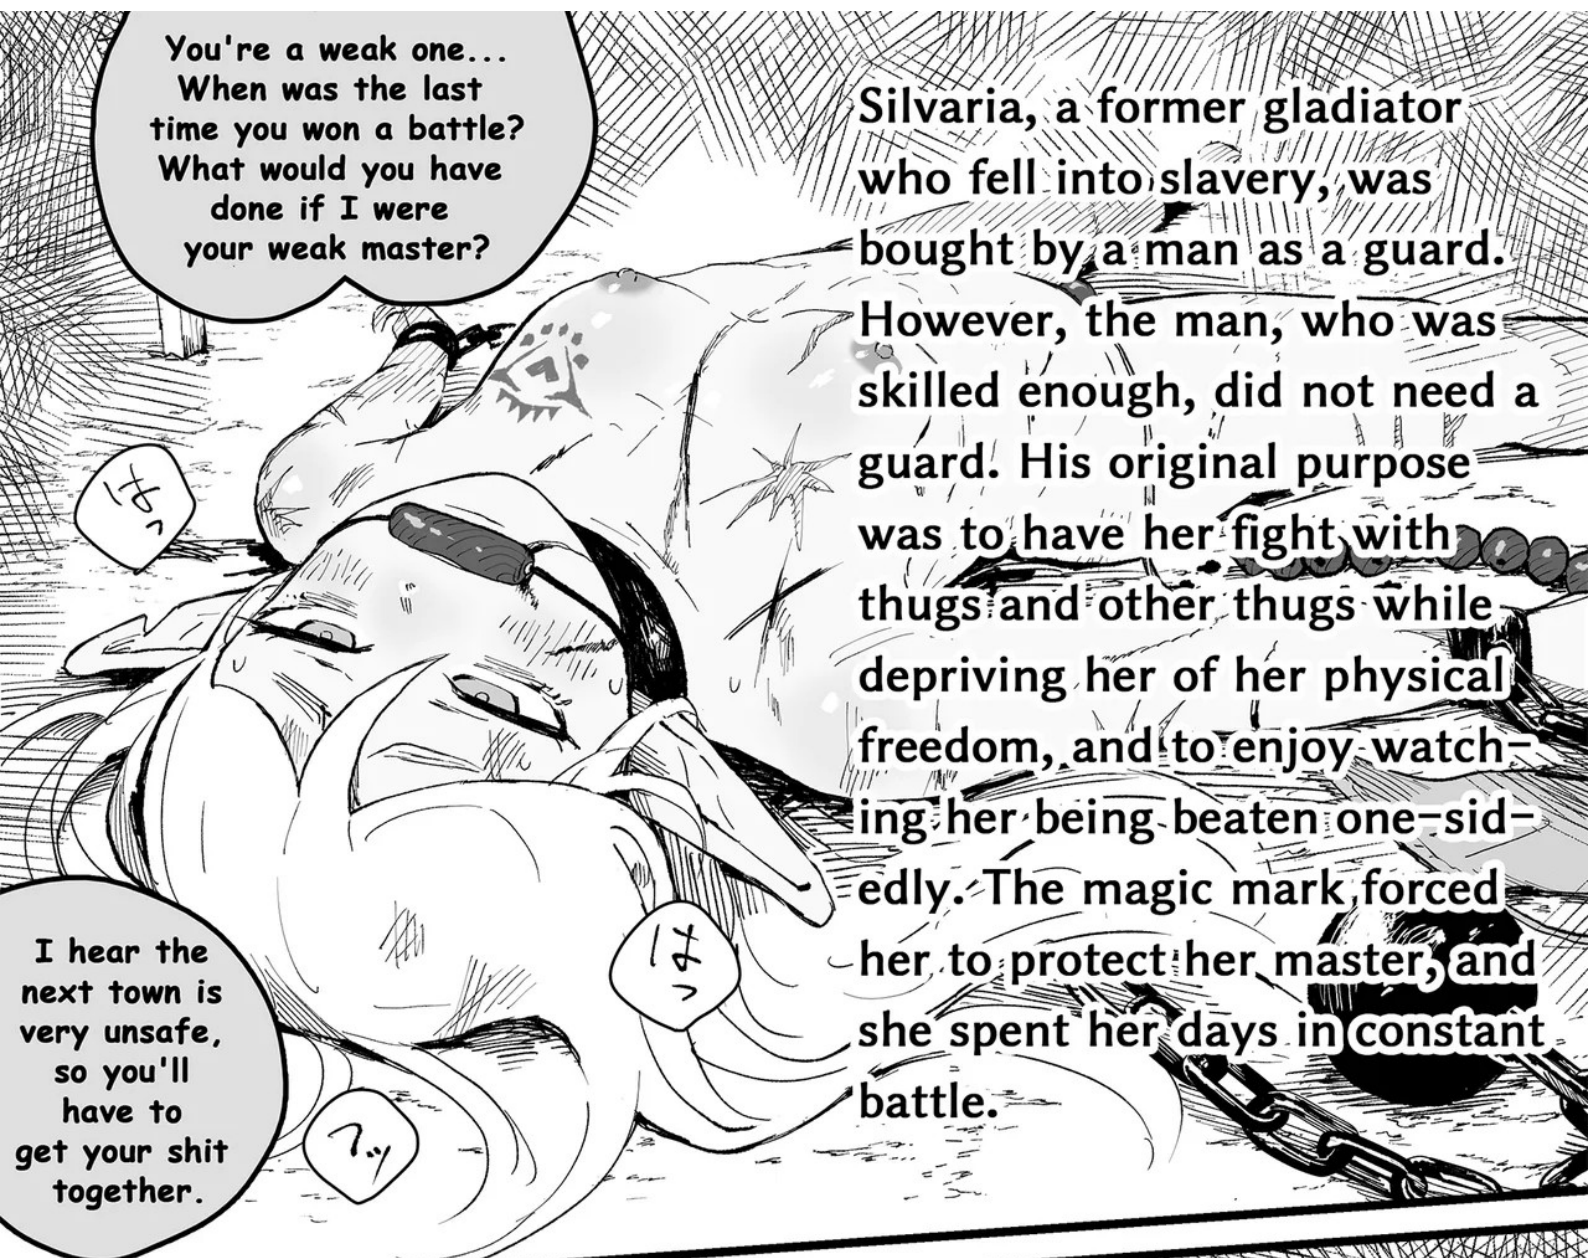

Are you serious?

Are you really a former gladiator if you're about to lose against a mook?

You're a guard, so make sure you protect me.

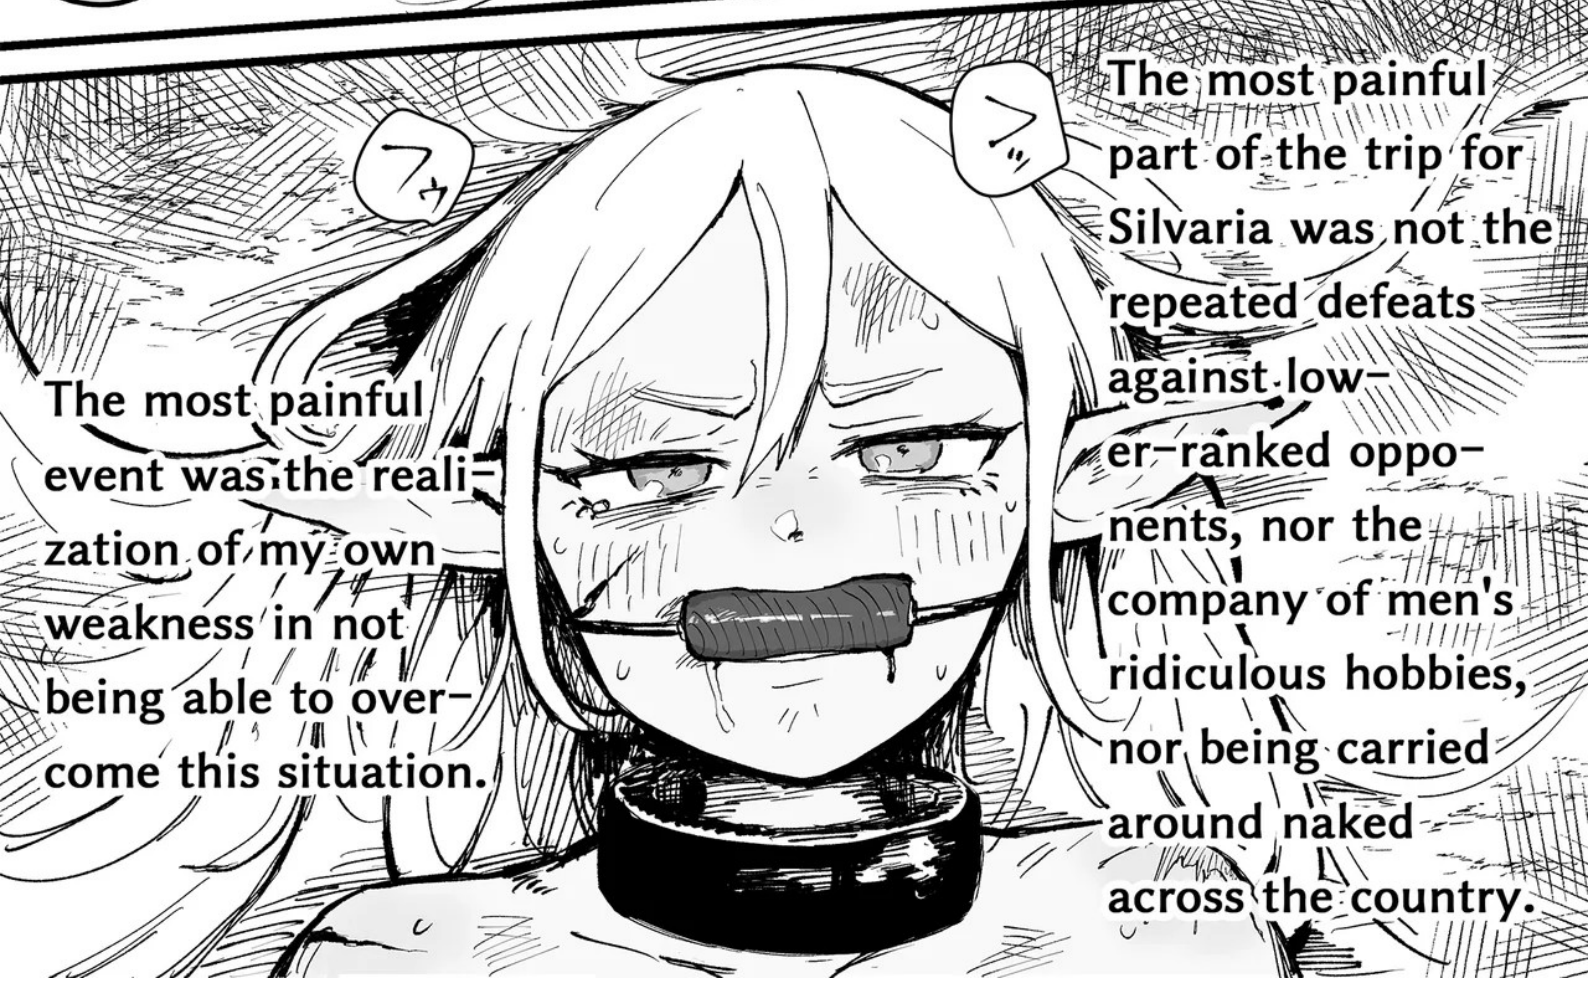

If you lose, I'll add one more restraint to yours.

You're a weak one...
When was the last
time you won a battle?
What would you have
done if I were
your weak master?

Silvaria, a former gladiator who fell into slavery, was bought by a man as a guard. However, the man, who was skilled enough, did not need a guard. His original purpose was to have her fight with thugs and other thugs while depriving her of her physical freedom, and to enjoy watching her being beaten one-sidedly. The magic mark forced her to protect her master, and she spent her days in constant battle.

I hear the
next town is
very unsafe,
so you'll
have to
get your shit
together.

The most painful
event was the reali-
zation of my own
weakness in not
being able to over-
come this situation.

The most painful
part of the trip for
Silvaria was not the
repeated defeats
against low-
er-ranked oppo-
nents, nor the
company of men's
ridiculous hobbies,
nor being carried
around naked
across the country.
