怪奇!旧校舎の用務員さん①
-肝試し編-

Listen!

I mean, isn't it scary - entering an old school building without permission?!

Maybe we should quit with this test of courage.

What?

We're all the same age, yet you're afraid of ghosts and such?

Are you that scared, Ayaka?

Idiot.

Even if it's for a little while.

I can say goodbye to my lonely days.

I don't know if I should say this, but... It's weird seeing Momoko at the class reunion. We three haven't been together in a long time.

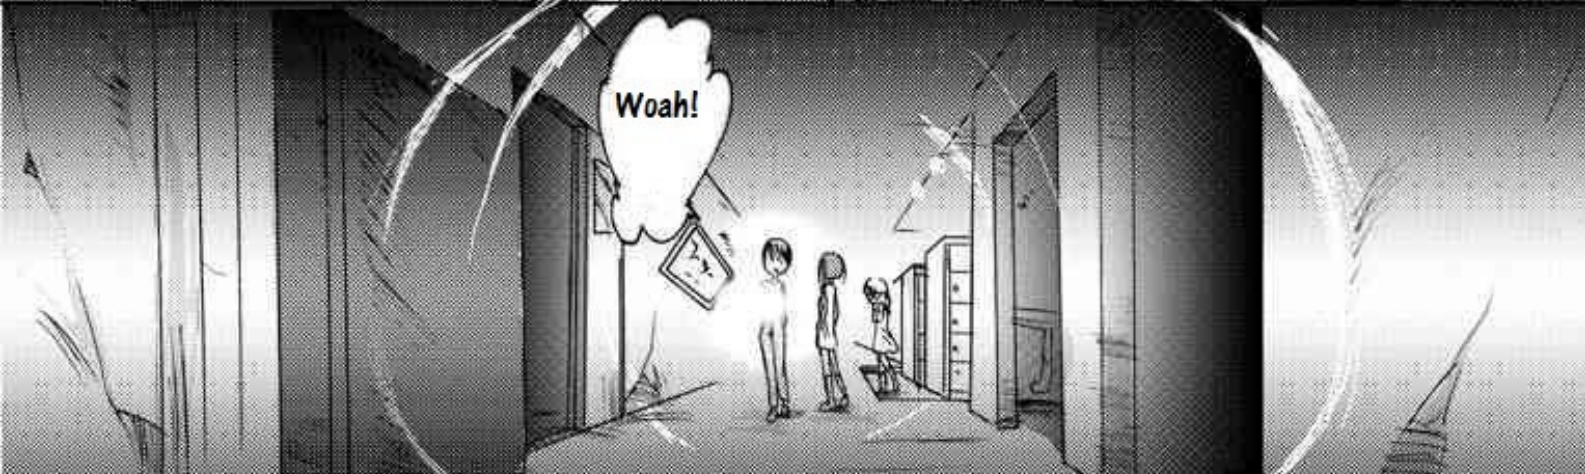

Wait!
Don't
leave me!

Won't you be
scared to go
there alone?

Why didn't
we just
gather at a
restaurant
or
something?!

Woah!

Looks like the
portraits haven't
moved yet.

Stop
with
that!!

Music
room!

Ah,
memories!

Hey

Natsuki,
it's scary.
Let's go
back.

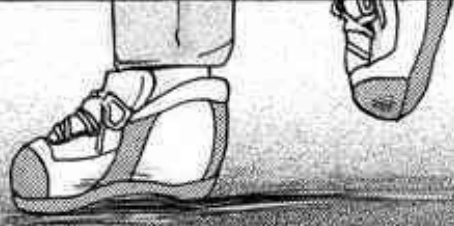

Do you
feel the
thrill?

Hm?

Hey, Natsuki-chan!

Told her to go before.

Where's Momoko-chan?

Let's split and search for her.

She must have passed us.

Momoko-chan still isn't back!

Hey!

Wai-

Natsuki-chan!!

What's he going to do with me?!

What's up with him?
