AFTERWORD

BOOK 4

Thank you for reading "Naked Chorus Contest: Erotic Voice Melody"! How did you like it?

I thought that the readers would get bored if I kept doing the same story over and over, so this time I tried something a little different.

We're looking forward to hearing your comments, and while we love to hear good things, don't hesitate to give constructive criticism!

We're sorry we were behind schedule on this, blame the computer which broke down and kept us from finishing! We'll try not to let it happen again!

The next story will be a lot more like the ones you're used to from me!

Thanks very much for buying this! See you in summer!
