Horny eyes?

What's that?

With it you can effect your opponent with demonic energy emitted from your eyes.

One of your demonic abilities

However in some circumstances it is less effective.

For most people it is.

Isn't the demonic scent enough?

It fills others with sexual feelings.

Have you been considering the minds and personalities of your human partners

It's getting bigger again

N... No.

Its also important to consider your compatibility with your opponent.

Sometimes you may not be able to choose an opponent

You wont just be limited to five opponents in real scenarios.

You guys, hurry up.

The rice is ready.

So its better to have as many skills in your arsenal as possible.

Oh... I see...

Ah-huh

Ah, move your hips.

What do you mean?

Horny Eyes Huh...

It would be best if you learned it as soon as possible.

If you encounter a person who's desires you can't master

there's a possibility you could be deprived of demonic power.

It's hard to remember all of this

I'll try to remember

She looks nice...

When I tried with the girls at school.

She's definitely been exposing more skin lately.

Is she trying to be provocative

I didn't have any problems

Even

so

To acquire the power you need to pursue more experienced woman

Fu Fu

Shes one to talk

If you just do it with schoolgirls.

Well of course.

married women

So for example

More experienced

by the way

She's quite beautiful isn't she?

Your classmate's Ueda's mother.

Huh?

As people age their desires tend to shift, making your scent less effective.

Repetition and life responsibilities tend to smother desire.

horny eyes is perfect for awakening it.

Hey

kaname

Are you sure?

Hmm.

安藤 隼人
Anto Hayato

We're hanging out at my place after school.

Are you doing anything later.

加賀 英汰
Kaga Eitai

You want to learn how to be a Demon, Don't you.

上田 辰樹
Ueda Tatsuki

Ueda Tatsuki

N-No...

Well, don't you think that would look strange.

Your not Comming?

Ahh! Help me

Well then, do your best.

え

All right

I wont come with you, but I'll still be observing.

Uwa

I wont fail you.

I'll be supporting you for now.

What are you talking about now?

Isn't doing this wrong...

I mean it's my friends mom.

I don't think I can do this.

If you've forgotten you're up for a painful fate

I really don't know how I fell about this.

Will this power really erase memories.

If don't go through with this you know what happens.

You need to do it with areal mother.

Ahh

But I've just finished

Thank you, you are kind

Oh

I see

You know. Do you need any help.

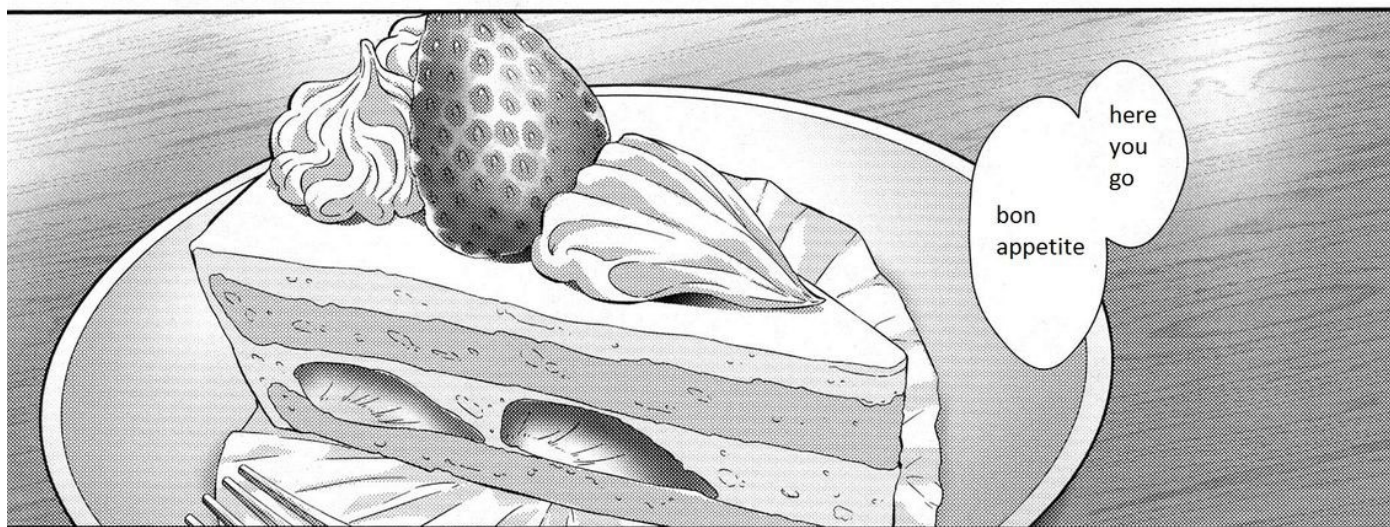

Ah

Oh

Kanchan

So it seems

here you go

bon appetite

Please,

don't worry about it.

But

this is Tatsukiya's

Still Tatsuki is the top of the grade. He's pretty amazing.

Yes that's good.

I wish he'd put half as much effort into his studies.

He's always playing those games with half naked girls.

I wonder who those girls remind him of.

Is the Demonic scent effecting Her?

Its time to try Horny eyes.

Maybe, but it's not enough.

You're really kind

Kanchan

Ok lock onto her eyes.

What should you do?

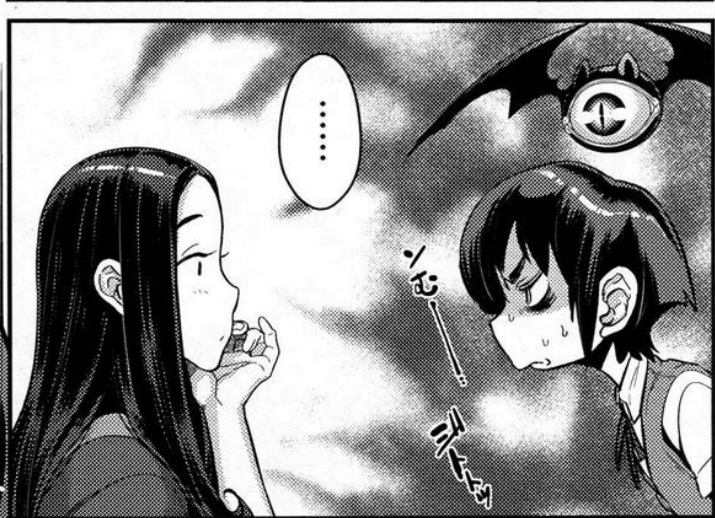

Its not working!!

Quick say something

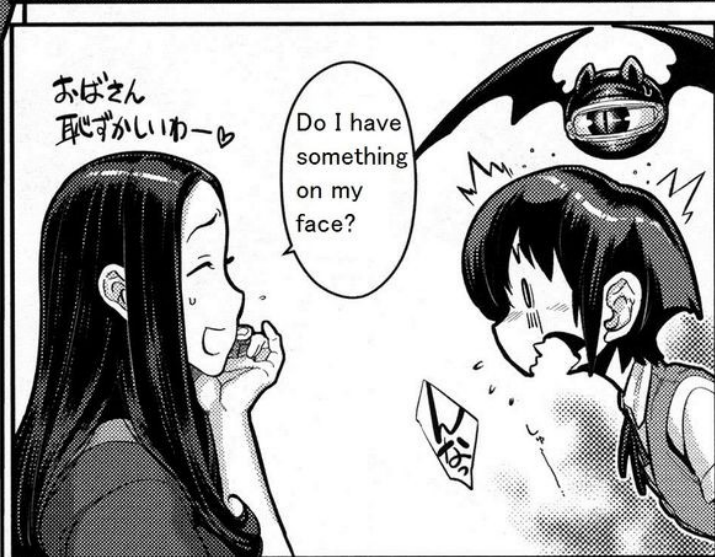

And stare into the back of them.

That's it.

.....

おばさん 恥ずかしいわー

Do I have something on my face?

It's been getting hotter somehow ...

It's working.

But the effect is still shallow.

Ah no. Auntie. When I look at you. Your very beautiful ...

wait!

Ha ha

Yes

Use the Horny eyes.

Come on! Work!

Pull out the desire hidden deep in your heart!

Please. This time. Work!

I saw something.

success.

!

Oh,

Aunty.

Its big.
♥

Kanchan

Its like
A cucu-
mber

Its so big it
can't fit
between my
boobs.

I want to
show it to
my husband

Kanchan.
It is such an
impressive
thing ...

It's to
soon

Wait.

That's a good sign.

Imagine she's just a normal lady ... overwhelmed with excitement ...

Keep going like that.

I...i'm

Y... yes

Almost there...

Wait... Outside...

The fact she resisted an internal cumshot means she still retains her reason

Keep going.

If you don't cum inside you won't adsorb any demonic power.

Keep stirring it up as much as possible.

This woman is eager for pleasure!

What's the problem!?

You're already up to your third shot.

If you let up she could regain her sanity.

Its important you get regular practice in order to build experience!

Wasn't yesterday enough?

Wh- at?

Yes, today is a double header.

Well, today is here.

Ah, this is where Sonoda-kun and Ando-kun live.

Aunty, lets hang out together.

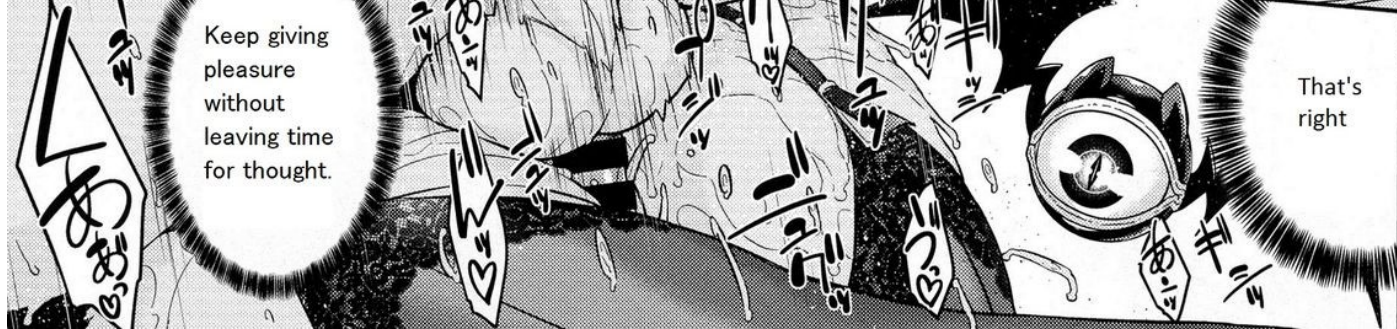

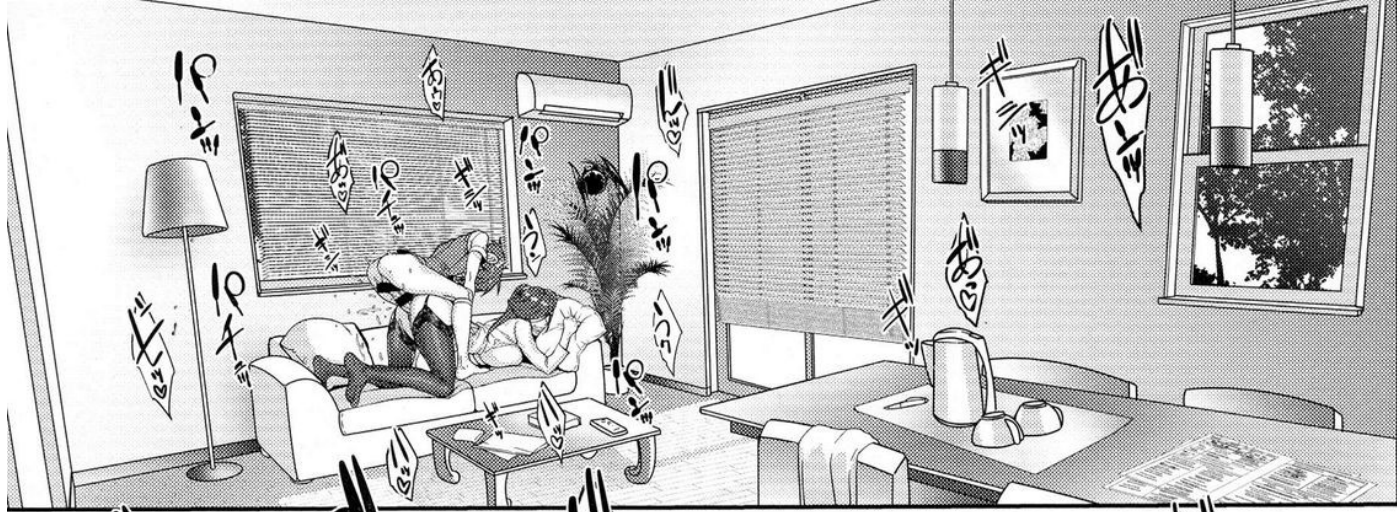

Oh Kan-kun welcome

But I have to get back to work

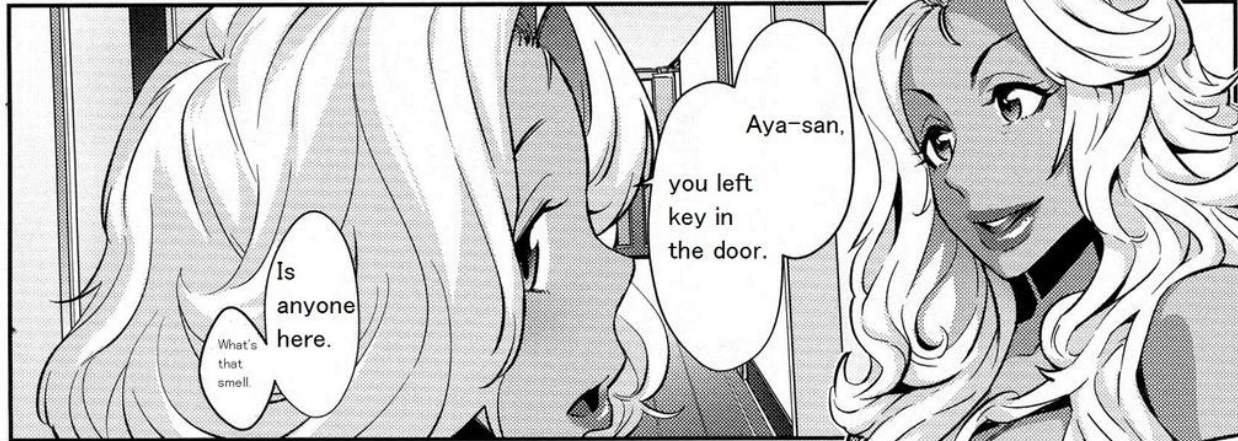

Sorry Masaki is at cram school and I'm heading out now. Do you need anything?

そのだ 園田 愛弥 Sonoda Aya

Hellooo!

Is anyone here.
What's that smell.

Aya-san,
you left key in the door.

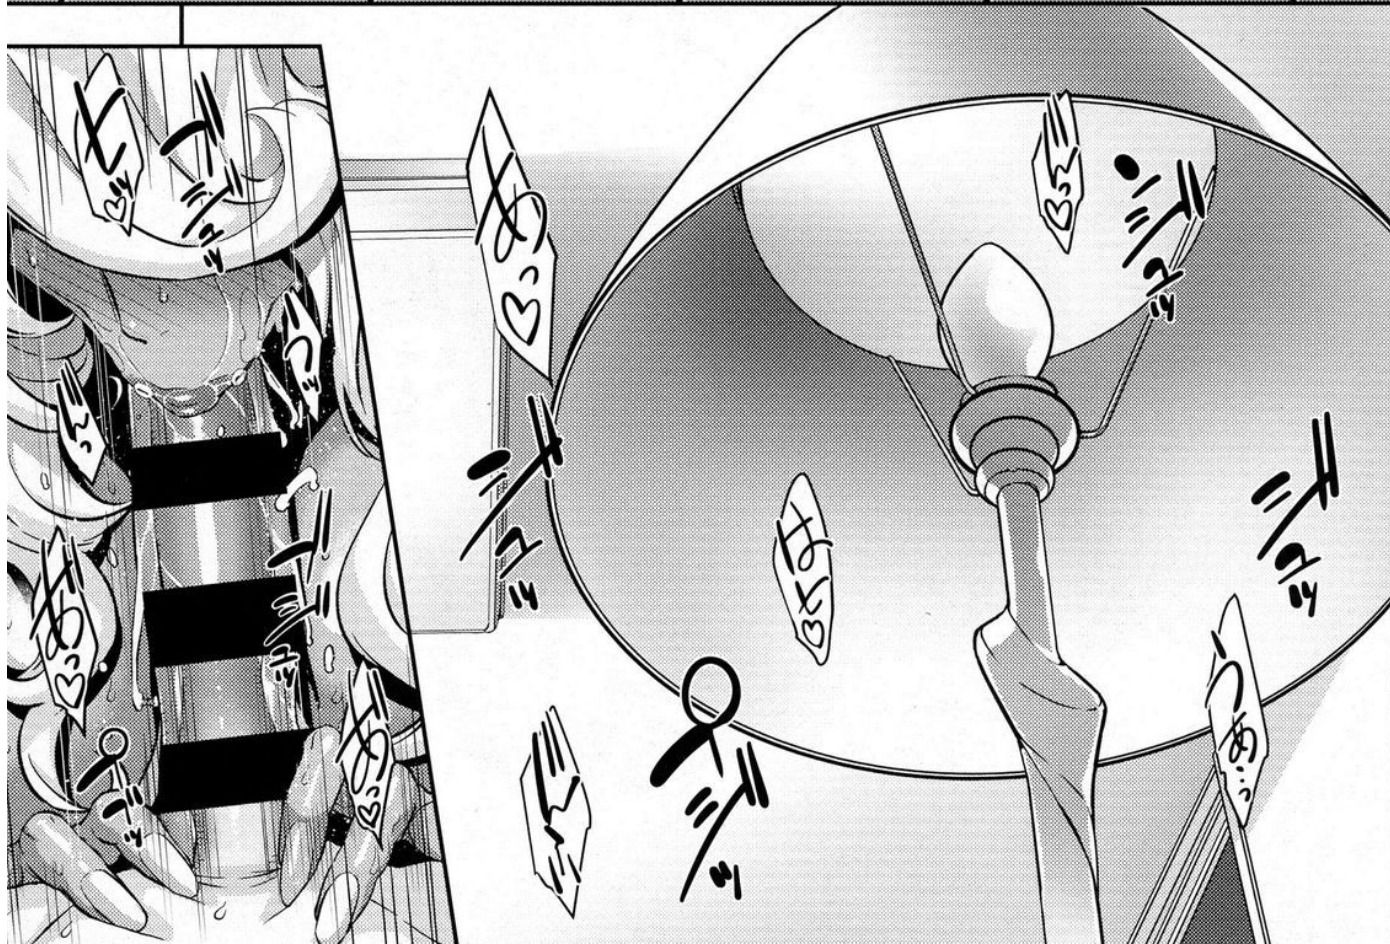

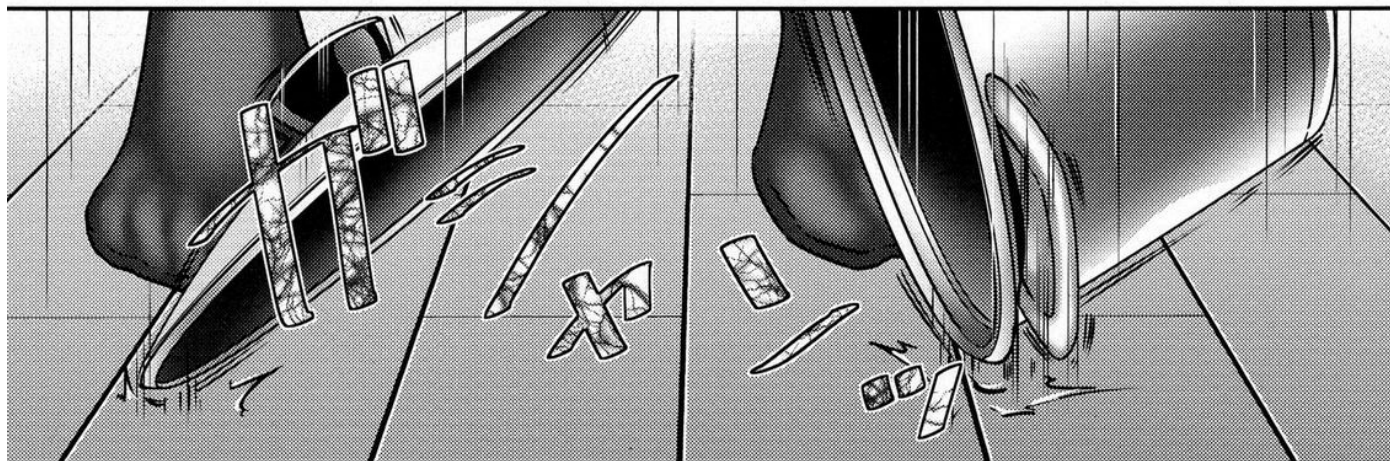

I brought your stew pot back.

O?

Am I not good enough, is it over.

安藤 琴乃
Kotono Ando

You should not keep it secret

I never imagined holding such a nice thing.

Kan-ame

Ahh
Kot-ono

Ahh, I feel bad for ando's husband.

Its such wonderful stuff

You need to lock the door.

You say that,

But I had not intended you to do both of them at the same time.

Stop shooting off so early.

No

U aa!

Don't worry about it.

Doing both of them at once save a lot of time.

No matter though.

Its a lot of work though...

Don't get overwhelmed by both of them, keep up the effort

That's a single mother for you.

Well, go on.

Ah, That's it

Kotono-san seems to have a lot of buried frustration.

Masaki-kun's mother has a shocking figure.

And don't cum over 10 times

Yes, remember keep using your demonic scent as well.

It would be a problem.

I'm next

A variety of images come floating one after another in my mind...

From back then...

It's strange ...

I saw it yesterday as well.

Its those women's hidden desires.

But it is much more concrete and clear than yesterday

Hmm.

Is this the power of the DEMON PRINCE.

I thought it would take some more time to clarify the vision

Do I have to do it with Ei awa's mother?

WA

I can't do this every day, its to much.

Its just one person this time.

What's wrong

She can be very judgemental and stuck up.

I guess Sensei also has a problem...

あーん...

Besides I'm not to fond of this person.

Ah, I understand

I brought this book I borrowed from Ei awa?

Um...

加賀 幸枝
Kaga Yukie

He's out right now, and I have to head off to work, so...

I was worried.

Oh

Don't worry

Oh

Saku-ragi-san

What do you want?

I will be done shortly.

?

Don't misunderstand Kan-kun.

Here, let me...

My body... Its moving on its own.

She's confused, and desperately trying to justify what's happening.

What are you mumbling?

Not like that ...

It's wrong...

I...

I'm not such a woman ...

Can not...

I ...

How-
ever use-
lessly.

It seems her
Reason and
Instinct are
fighting.

such a wom-
an ...

He should be doing better than this by now.

Odd

It's crazy... but ...

what...

No wait...

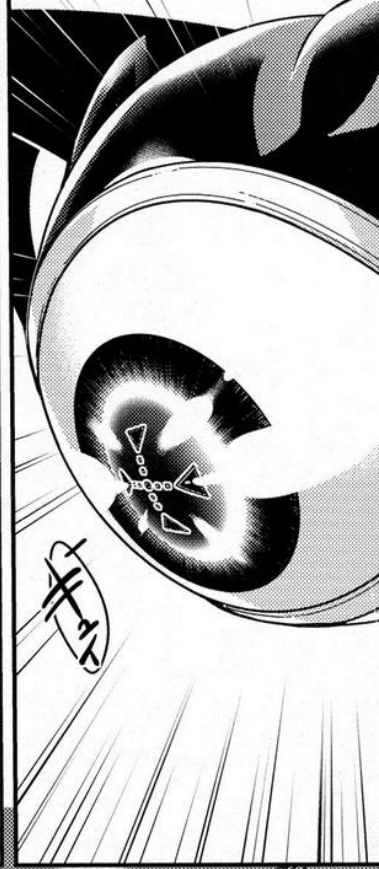

Letting him inside...

She's not...

As expected.

A lower class demon drawn by the scent of her desire.

That shadow, she's possessed.

Shadow?

It seem you're to low level to be capable of even basic consciousness.

Shouldn't you be our friend.

This is a mystery...

Attracted to desire by pure instinct.

The demon was sealed away by her reason, only awakened by horny eyes.

Most likely...

The energy from your desires is making it stronger.

Take care Kanchan

Kaga-san is manifesting demonic traits.

This Vision...

But.

What should I Do?

No. I won't interfere,

he is the heir to the demon king after all!

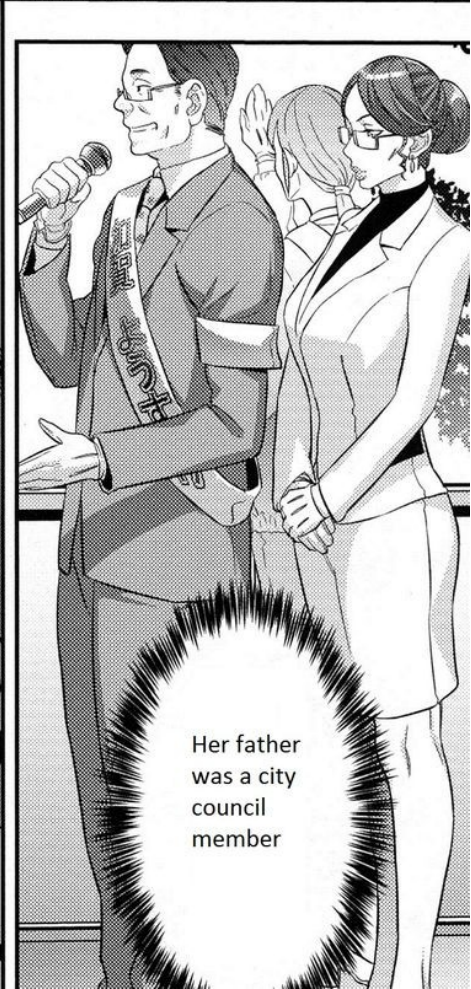

It's unreasonable!

No wonder so much stress has accumulated

A congressman's wife ...
The president of the PTA ...

Her father was a city council member

Huh

Yukie-san

Yukie-san

You're my favourite person.

Yu...

Remember what you've learned.

This reaction

The demon, its coming loose.

Please watch out!

You have't he sexual power of the demon king.

Don't get distracted.

Come on. Be dominate!

The demon has been driven out.

Kan-chan

Her family will be home soon.

Will your mother be there?

Huh

Stop talking about her like that.

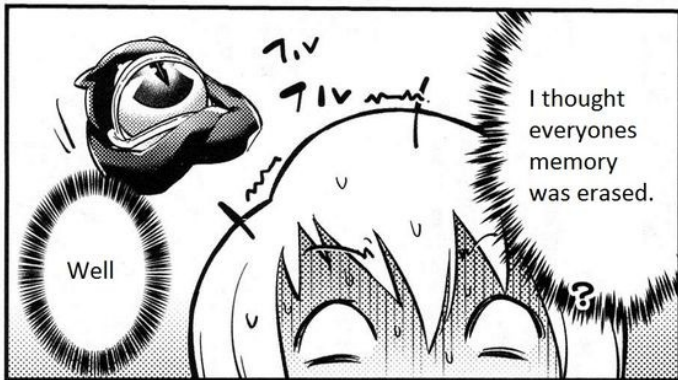

If no one else wants to, do you want to go to my place?

Ah

Well

Where do you want to go after school?

Lets play some games

Well

I thought everyone's memory was erased.

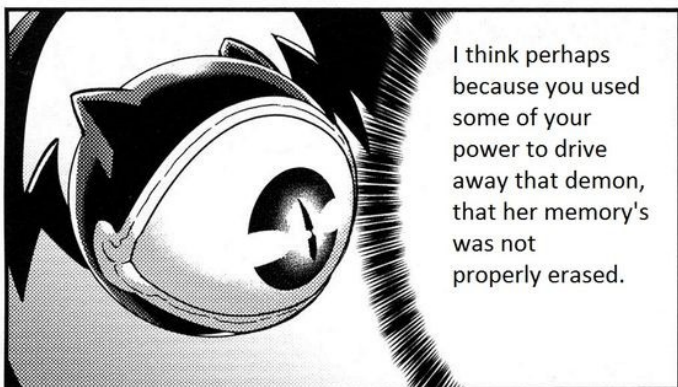

Speaking of, Kaname did something happen between you and my mother.

You don't mind spending time with my mother do you.

Kaname

Eh

No

I think perhaps because you used some of your power to drive away that demon, that her memory's was not properly erased.

Come here.

Don't worry, we can fix it if we go again.
