

Aoi! Aoi! Aoi!

The shared secret begins. One summer event.

No one else saw her, but... That girl...

Aoi! Aoi! Aoi!

She's masturbating...

Summer Training
夏期講習で

I was so excited that I spent the whole day jerking off and thinking about her instead of studying ...

Who is she ?

When I forgot something during cram school and came back to the classroom I saw a girl masturbating there.

Huh?

That's ... the girl I saw yesterday ... She's attending the same class.

Huh ... I feel like I know her ...

Huuuh
!?
Chairman
!?

I'm
Naga-
tani,
we're
in the
same
class.

Kusunoki,
I didn't
expect to
see you
here.

Huh
!?

Huh
!?

H-Hey
...
Who
...
are you
...?

We're
done
for
today.

You look
like a
different
person!!
I didn't
recognize
you!!

Is it
really
that
surprising
?

What's
the
university
you
chose
?

W-
What
?

...but is
your record
good enough
for that
one?

I see
...

Really?
Me
too.

The
Tokisada
one
...

Hey!

So she
was
mastur-
bating
in the
class-
room.

The chairman is so cute... And she was masturbating in that classroom.

Is that why you're attending a cram school so far away from your house?

I'm rank D now ... so I have to try harder.

I didn't think that I'd meet a classmate here.

Kusunoki ... You saw me yesterday, right ?

There's still some time before they close up the classroom. Until that happens, we'll be alone here ...

You watched me masturbate ...

W-why ?

Kusunoki, are you free now ?

The classes are over and everyone went home already.

You're denying it, but I should be the one who feels embarrassed.

Her face is getting red, making it obvious.

I-I haven't seen anything.

I was masturbating because I felt lonely.

So ...

Did you jerk off yesterday? Were you thinking about my naked body?

You can tell me.

This summer break is so boring. I can't keep studying like this.

What do you think? How about spending this summer break with a girl?

Really? Kusunoki, you're so naive.

... I did.

So, instead of masturbating, how about having sex with me?

So you don't want to do it?

I'd love to, but ...

And that's ... sex?

I just want to do something special ...

Your Japanese is pretty bad but I don't care.

Do... you... want to... have... sex... with me ...?

I want you to take off your pants and jerk off in front of me.

C-chair-man, wait!

It's okay if you hate me. I'm going home now. Forget everything.

It's a bit more gross than I expected. It's turning me on.

I've never seen a cock before ...

I-I've never seen a pussy before either ...

Don't lie to me. You watch porn on the internet, right?

But ... This one is real ...

But I want to put it in ...

Fine ... But first ...

Don't cum yet.

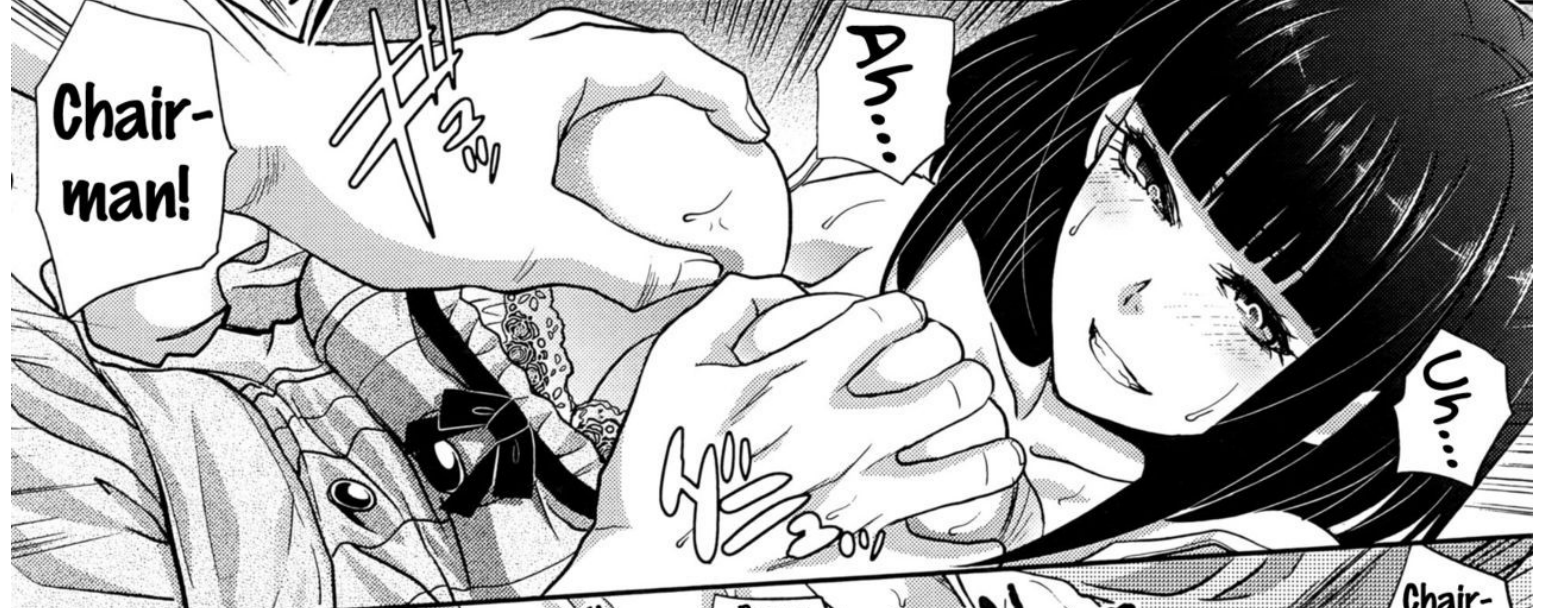

Kusunoki, it's okay. Don't worry about me and move as fast as you want.

Me neither.

C-Can I? I've never done it before.

And we're using a condom, so there's no problem.

Chairman!

A...

U...

Do you enjoy... having sex with me?

Yes!!

Chairman... It... It feels so good!

It feels amazing!

Kusunoki,
you look
really despe-
rate.

This is
completely
different
from mas-
tur-
bating!!

But it
feels so
good!

Chair-
man!

Chair-
man, I'm
cum-
ming!

Go
ahead.

Ooon!

Ah... Ah!

After that,
we stayed
together
after cram
school every
day.

Kusunoki,
you really
love my
breasts.

And we
continued
to have
sex.

My nipples
will have
a weird
shape if you
keep sucking
them.

But it
feels good,
so I don't
mind.

But ...

And you still haven't learned anything.

Today is the last day of our summer break.

We've been having sex all the time ...

O-okay!

Hurry up!

Huh !?

Today I'll do it for you. Take out your cock.

It smells like your semen ♡

Me neither ♪

A-Are you sure...? I've never tried it before ...

Aah!

H-
Hurry
up ...

It's
in!

Ah...

Wow ...
I can feel
your heat
directly!

Aaah!

Ah!

Ha!

You can
...
cum
inside my
pussy.

Huh?
Are you
sure!?

Kusu-
noki
...

Kusunoki
...
I want
you to
cum inside
me.

Cum
for me!

O-
Okay
!!

Cum as
much
as you
can!

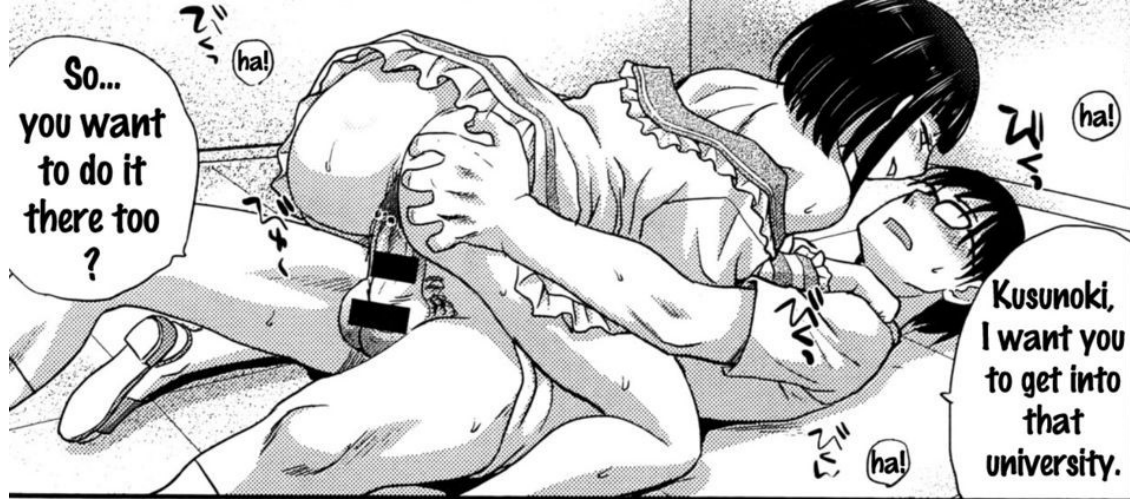

I want
your
weird
tasting
semen.

Aah!

Ah!

So...
you want
to do it
there too
?

Kusunoki,
I want you
to get into
that
university.

I came
so much ...
Is it
really
okay
?

It
should
be fine
...

Huh
!?

I thought
that I'd be
happy if we
went to
the same
university.

Chairman
...
Didn't you
say that
you wouldn't
kiss me?

Hehe!

I said I'd
only kiss
the one
I love,
so... you
understand?
♥

Y-
Yeah.
