Bastards !!!

Do I look easy ??

Looks like there's nothing to do here.

As you wish

I actually came to take you there

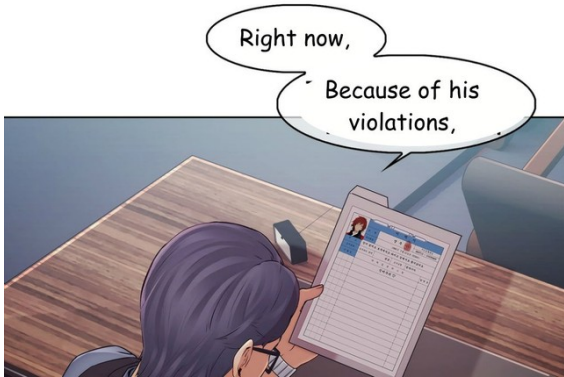

Must be kidding me.

Jangju walked all the way to here,

to the HQ, to see me.

Right now,
Because of his violations,

I'm thinking of signing for the contract cancellation.

Who does he think he is..

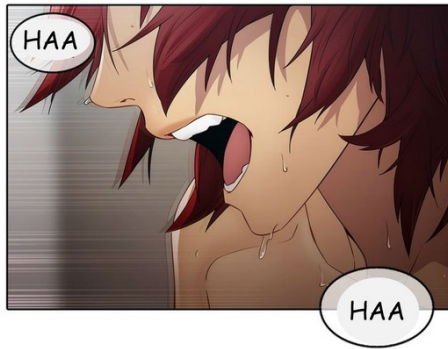

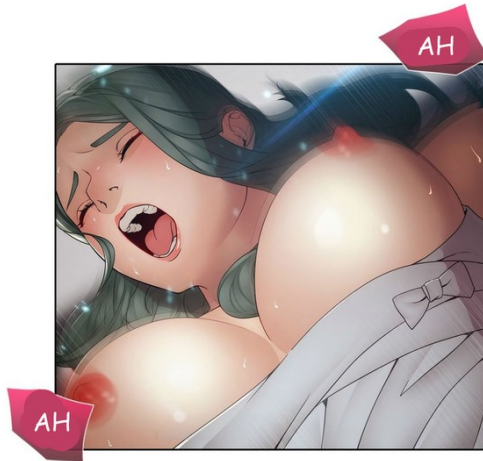

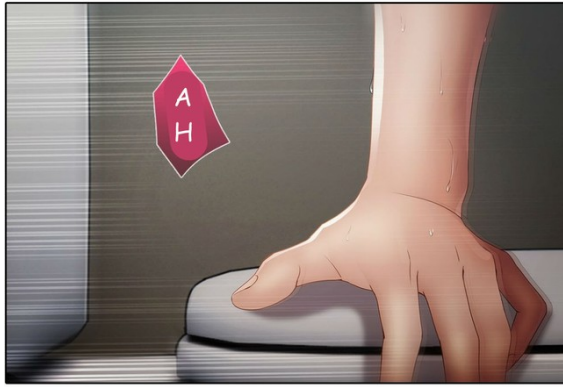

How can an exorcist rape a virgin spirit ? Do you think that's normal?

Of course, not.

But he's here anyway..

Maybe jerking off?

No way...
Seriously..

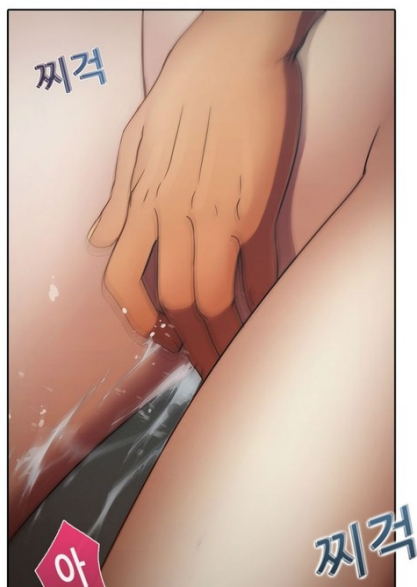

I know I'm invisible to them,
but don't you think this is
a bit too rough??

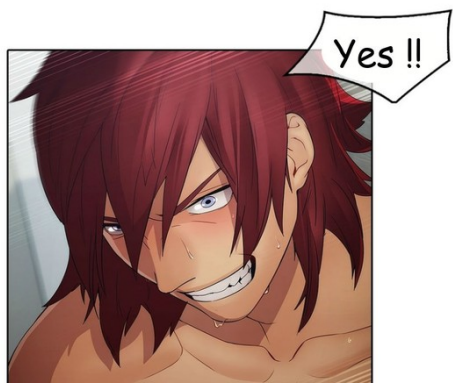

Being a ghost doesn't mean
she likes public places

there
