妹おっぱい。すももちゃん

Saturday, 2am. Mom and dad are already asleep.
At this time, onii-chan always comes to Sumomo's room.

It doesn't matter if sumomo's awake or sleeping, he just gets on top of me.
Then, he starts undoing the buttons on my PJs.

Um... I'm trying to sleep...

Haa... Haa... Haa...

Ahn...!

Ahn...!

Without being supported by the pjs, my breasts
just spill out and go boing~ boing~ on my chest.

They're completely exposed.
Onii-chan's staring so much.

While this goes on, sumomo always ends up coming from her nipples.

No matter how many times I try to endure it, I come again and again.

Eek...

Coming...

Hnnn...!

Onii-chan then spends 30 minutes groping Sumomo's breasts.

Ah... wait...!

It's the start of his nipple-work.

aku~

Hn... Hnnn...!

He rolls them between his fingers...

Oh... Hn...

kakuk

He squeezes them between the gaps of his fingers while groping my breasts...

ku~ ku~

He pulls on them while also rolling them, as if jerking them off...

Aaahn...

Haa... Haa... Haa...

Onii-chan keeps teasing my nipples while looking at me. I can't stop shaking from orgasm. Sumomo can't stop coming again and again.

While he keeps groping sumomo's breasts, onii-chan keeps talking to them. He thinks talking to boobs makes them grow bigger and pervier.

Sumomo started getting bigger in second grade, and was an E cup by 5th grade, H cup in 6th. It's a very perverted size~ They're the special boobies onii-chan lovingly raised~

Jeez...

Stop saying embarrassing things...

It's so embarrassing, though, sumomo's cheeks start turning red...

Hnaaah...
I'm peeiing... Hnnn!

I've wet my bed again...

Urinating sound effects: *Urinating sound effects*

My pussy twitches, and pee starts flowing out from inside.

I pee like a little doggy on a walk. Marking the bedsheets with sumomo's pee.

Small pink scribbles at the bottom right corner.

He... He...

I've wet my bed again... Sob... He...

Onii-chan's mouth starts taking in Sumomo's nipples

He lifts up my boobs by pushing his cock into them. He rubs it all over the place.

They're super boobies that keep his cock between them without any need to use hands. He covers both them and my face with his cum.

This time, he ends up coming while sandwiched between sumomo's boobies.

After he's done taking pictures, it's time for cock. He starts by rubbing his cock over my nipples.

Yaayay, ripples peace!

He licks, bites and sucks on them. Then he takes photos of my hard inverted nipples. The photos will be added to his Sumomo ripples collection. He's started making it 10 years ago.

Milk starts spilling from my breasts. It gets all over his cock.

Anngghhn...!

His cock, already lubed up with lotion, soon enters my pussy

He starts fucking my pussy while roughly groping my breasts. His cock thrusts at sumomo's deepest spot every time.

Heahn...!

Heeah...

Aaah...

Sumomo starts coming again and again, and it shows on her face

Eeeek...

It pushes against the creases of my inner walls, pulling away sticky threads every time.

Hn!

Hnn!

Hnaaahn!

Ahn!

Ahn!

He can keep going for as many times as he likes as long as he's sucking on my breasts

Sumomo comes again and again, and can't stop shaking, but he doesn't stop.

His super fast pistoning keeps pushing against my womb, while he buries his faces in my breasts as he comes.

Aaaaahn!

Onii-chan!

Aaah...
Onii-chan...!

He pours out his cum as deep as he can inside of me, while sucking on my lactating nipples

So hoot...

Onii-chan...

Sumomo's womb twitches in sync with onii-chan's cock, her pussy squeezing to drink up his cum.

Onii-chan is like a baby, suckling on his little sister's breasts

Haa... Haa... Haa...

Sumomo comes again and again, and can't stop shaking, but he doesn't stop.

Sumomo becomes onii-chan's dog, taking a walk around the house.

It's 8 in the morning.
Mom will be waking up soon.
In the end he came inside 16 times before going back to sleep.

Sumomo came so many times she can't even move...
All the cum that was poured in is starting to overflow.

There's milk everywhere too, I can't stop it.
Sumomo is just going to end up sleeping like this.

Sumomo is going to have onii-chan's baby at this rate. I mean,
he's the one who takes care of sumomo's boobs more than anyone!
