

使徒の雌

Yes

It seems like that.

The children are having so much fun.

They seem to like the dog a lot.

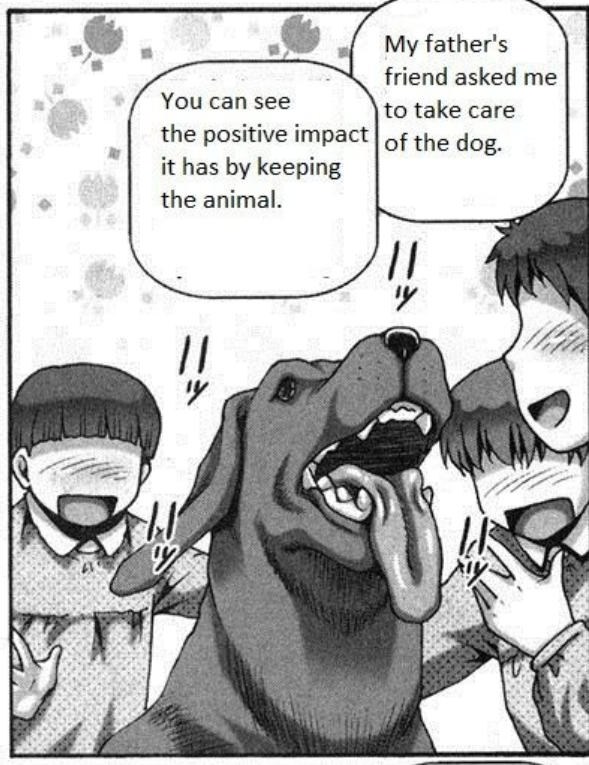

Sister..

Over here!

Over here!

He took it

You can see the positive impact it has by keeping the animal.

My father's friend asked me to take care of the dog.

Well, there seems to be no problem.

I was a bit worried about what could happen.

It's alright! ♡

I'll take that up with the next board meeting...

You may as well keep animals in the garden for emotional education.

Stop it dog!
Stop!

He broke our
sand castle
we made!

What is the
matter..

It's the
dog!

Sister!

Let's
clean you
up.

Come
dog.

Let's
go. Time
to go.

Ah...
but he's
so dirty..

Yes I shall
scold the
dog properly
later.

Hey stop it

Dog!

Sister, you
should scold
the dog
for that...

Y-
yes.

Huh?

Please
take care
of the
children.

Teacher

I shall take
the dog
with me.

Moderate the things you do. Less is more.

Even though you are not human, your consolation is being muddy.

Keeping clean would be thoughtful you know.

You had me worried Ah

That you might not be nice to the children...

You become so dirty everytime.

Then I shall accept this without regrets.

If this too is a trial given to me from the lord.

If this be the case..

I wonder how long I'll have to do this.

I wonder

Ah...

Do not do this.

Ah, Lord!

I'll have to borrow another sisters clothes

I do not have any other extra clothes at the moment

My clothes are wet :
I do not like this :
:

If I keep them on I'll catch a cold...

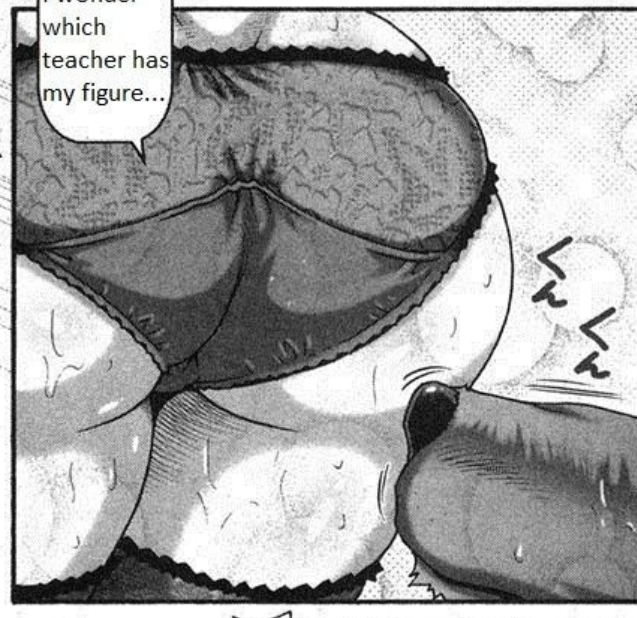

It can not be helped.

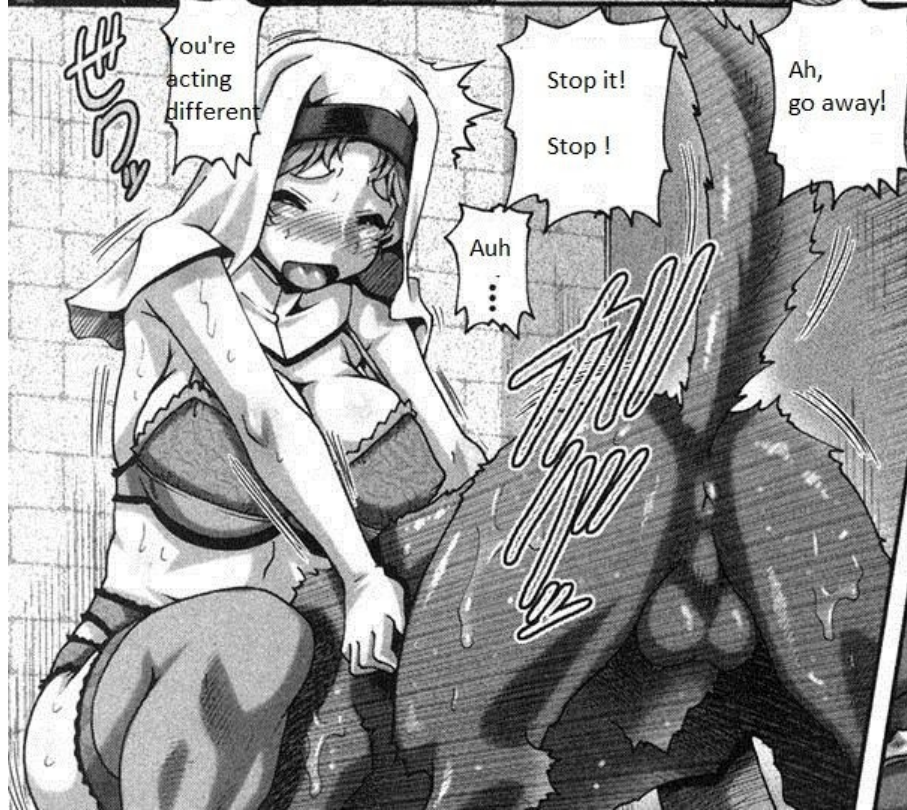

I can not show it to the children.

This figure has to be clothed.

Hmm... I wonder which teacher has my figure...

You're acting different

Stop it!
Stop!

Auh ...

Ah, go away!

What are you doing dog?!

I shall not forgive you for doing that at a time like this!

What?

アッ?

I shall get worn out...

This is a bad idea!

Be a nice boy

This is unclean...

I shall not be able to play with the children...

If you keep hurting me

If so...

Good... Right there

As the Lord forgive me, so shall the Lord forgive you.

If you like it, lick as much as you want.

I shall let you as a treat.

My faith shall never falter

Here is one of the teachings of the lord

Ah, your tongue is very pleasant

Always...

I do not want you to lick more...

Because it is so...

If you are told from the Lord, then you should definitely lick right there.

Right there on my clit...

Even though... Especially right there...

ああ...

Some-how...!

Feel like I am being called unto the Lord...

あ

Very much...

あ あ あ

That's good... Ahh. AH.. Amazing

What is wrong?

Why.. did you stop?

Right in the middle

ああ

あ

That is..

that is no good. ...

That's...

Did you stop because you want to put that inside of me?

This is for you... it's a treat for you...

You do not have to stop if you don't want to...

You can go on as long as you want...

!?

This is no good, even though the Lord shall always forgive...

That's not good...

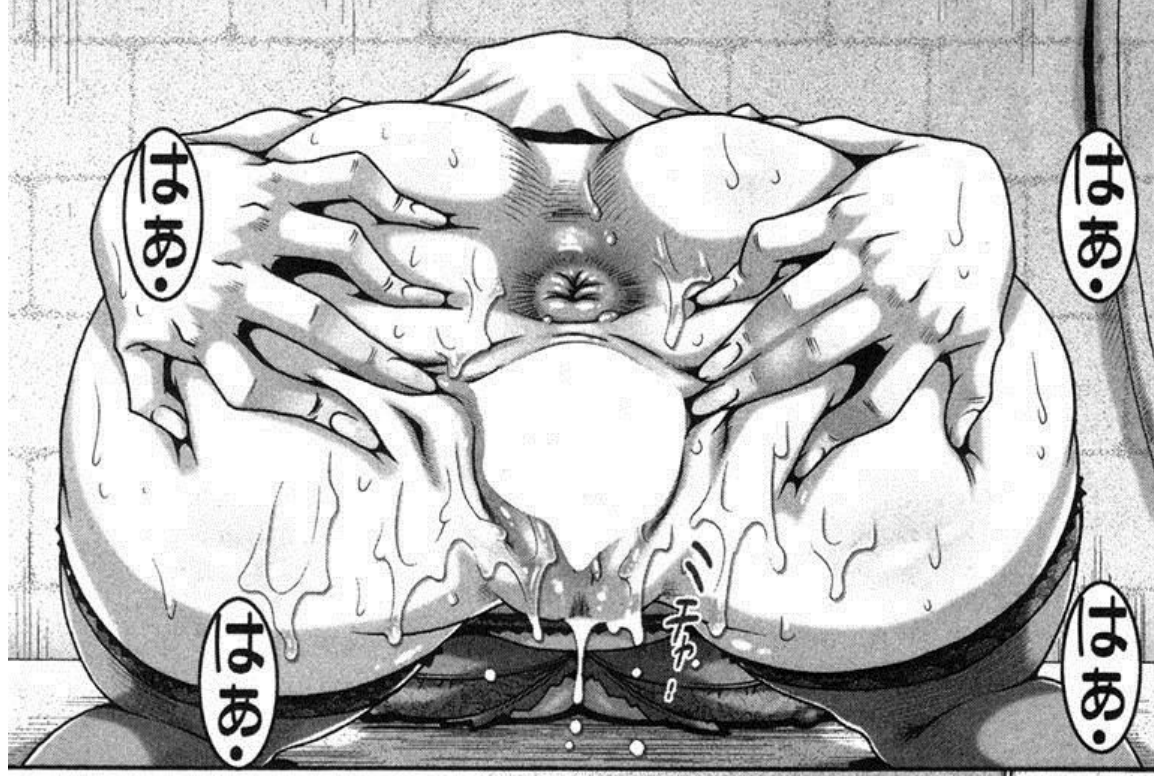

The lord shall never forgive me...

It shall not be...

きやあし

Surely it is...
It should be impossible for a dog and a human to be partners..

If you think about it...

This... This is such a stupid idea...

I have not done anything up until now

Oh no... Are you serious? This must be a lie...!

Wait a minute!

あ あ あ
