

I GOT A MESSAGE FROM MY GIRL-FRIEND.

Sub: About you.

Text:

I have something important to talk about, so please come over...

TWO DAYS BEFORE OUR TRIP TO THE BEACH,

# ビキニトラップ!!

BIKINI TRAP!!

My diet!

PRESENTED BY  
アステロ

アステロ

Failed  
really  
bad!

That  
you look  
ridiculously  
sexy!

That's  
right...  
So I'm sure  
some guys  
would  
definitely  
start staring  
at you...

And  
I don't  
want  
that.

Eh-?

Me..?

I'm  
sexy?

How  
could  
any-  
one...

Whaat?!  
I mean,  
look,  
I'm round  
all over...

I can even  
grab my  
tummy,  
like this!

Who like girls like that!

I'm saying that there are guys...

Made you like this, huh...

So I...

Can you feel it..? My heart's going wild.

Yeah.

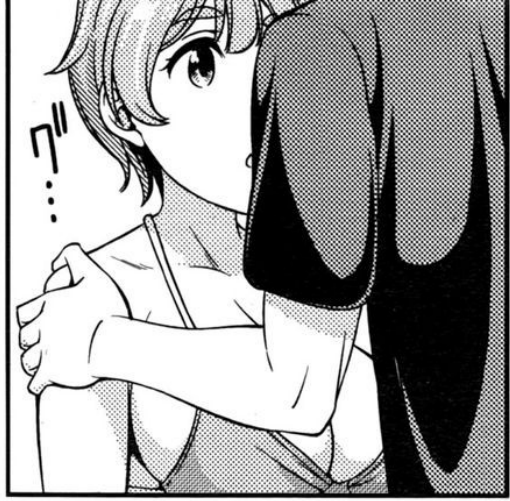

It's beating really fast... and hard.

I'd never get like this for anyone else...

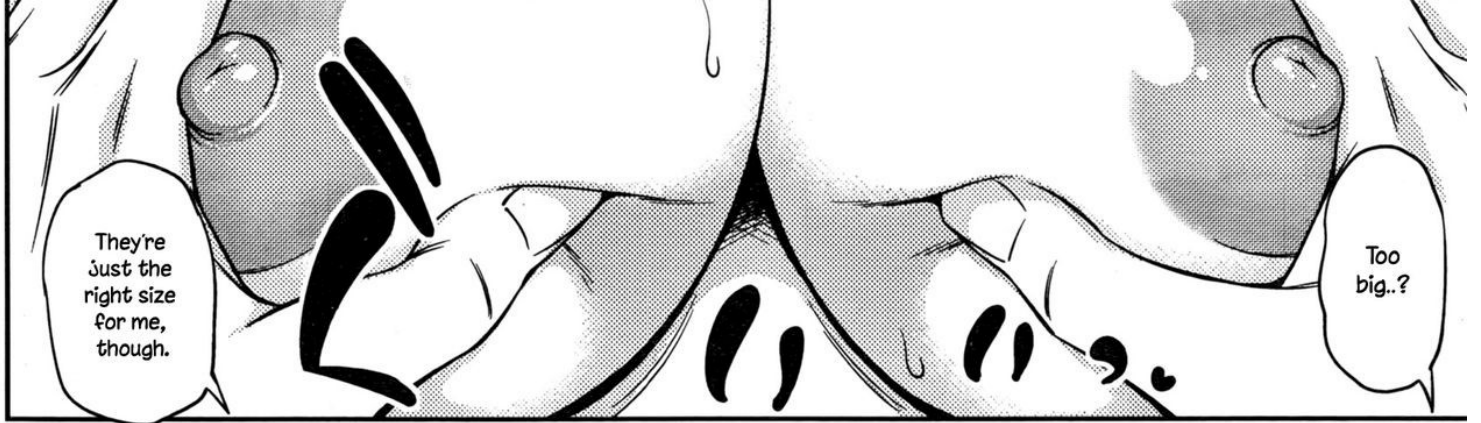

But you.

That's what seeing you in your bikini did to me, Tamami...

Yeah...

They're just the right size for me, though.

Too big..?

What does that...

Even mean...

AH

It's like they're a pair of huge mochi...

HA

They're really... grope-worthy.

Hah...

Ah

Ah...

Wah Wah Wah Wah Wah Wah Wah Wah

And you're so meaty...

Tamami...

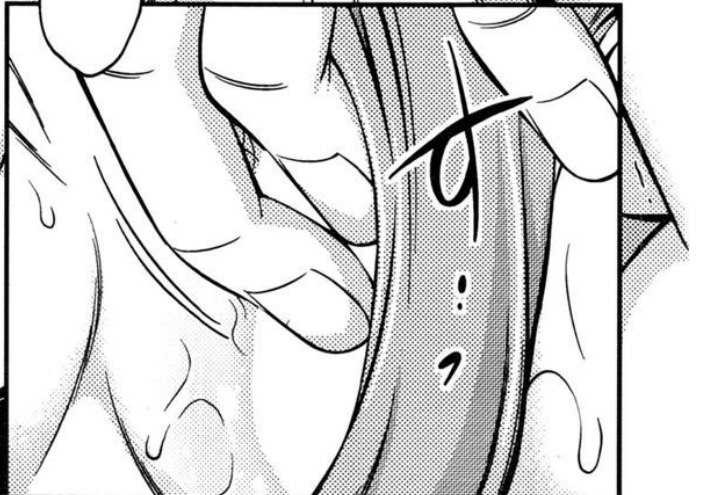

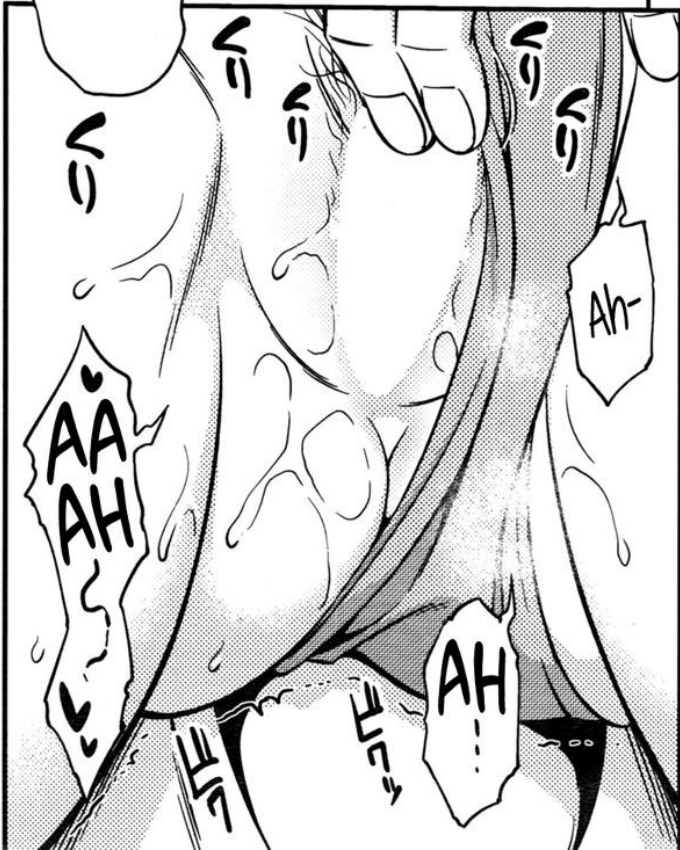

It's super soft.

You're getting pretty wet down here.

That's because... this feels goo... ♡

I hear it's not so bad...  
If you try to relax your muscles.

...Okay...  
Come..!

HA  
AH

Nh!  
Fuh...

AA  
AH

Wow...

It's...

All in...

I'll...

Go slow, okay?

Okay...

It feels...

Really... good...

Can you feel... the shape?

Tama... miii-!

It's kind of... rugged...  
♡

Ye...ah...

Ah... nni!

AAA  
AAA  
AH!

AH

I love you!

I-

Geez!  
Would you  
stop it  
with that  
already!

I like  
it!

It's  
really  
cute and  
not too  
sexy!

What...  
do you  
think?

T-That's  
impossible...

I think  
more of a  
herbivore  
than any-  
thing.

ぽぽぽ...

Did you  
know that  
people who  
always call  
everything  
"sexy" are  
the biggest  
pervs of  
them all-?

Any-  
way...

If you  
want to,  
I'll show  
it to you  
later,  
okay?

I brought  
that bikini  
with me  
today...

Eehh?!

Eh-?!

END
