Ahh, borrowing your pussy really is the best...

Hmm...

...Normal brothers and sisters aren't like this, are they?

Huh? What are you talking about?

Aah- That did the trick...

Yeah, yeah.

NN...

Why can't you two get along, for goodness' sake! You're siblings!

I'm just saying I feel like it!

Don't you get it, you moron?!

What even is normal in this case? How vague can you be?

That's not true at all!

Aah, geez! Don't just deny it without thinking!

This is why you're so hopeless, Oni!

How're we supposed to start getting intimate now, after all these years?

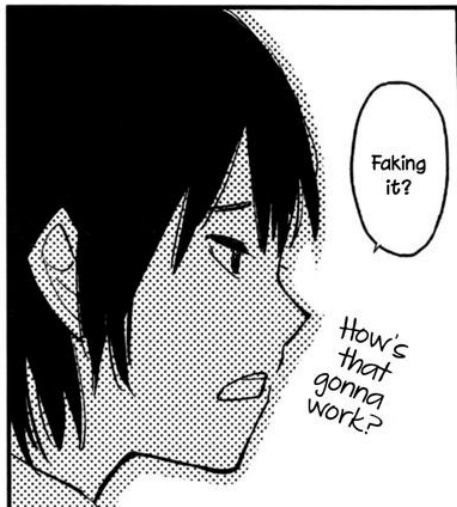

Hmm...

'Cause I'm always bored when we're having sex!

You think so too, don't you?

Sure, but...

Faking it?

How's that gonna work?

Well, let's just start by faking it!

That should be interesting!

Pretending to be intimate siblings, huh...

Let's see...

Ahem
