Include passion in your tone colour...

I lack boldness.

Passion...

What should I do...

I wonder how I should take care of it...

BWH: 82-55-81

Birthday: 1/5

Likes: Moh-chan (her pet cat)

Dislikes: Waking up early

An easygoing person, even if she gets scolded she'll still be late.

Mornings are her weakness in particular.

Every morning I'm too carefree, and then I run late.

Last time, I was playing with my cat Moh-chan, and then I ran late.

I'm always going to be scolded...

I'm going to be punished ...

スワ...

This is scary...

Once again...
... I'm being exposed...
