I didn't imagine that, did I?

by the way, why did you kiss me?

HUH !?

I'll get changed and make dinner!

It...
It was nothing! I'm sorry!

HEY ...

huh!?
well... I guess if you warn me first.

you mean it's okay if I do it when you're awake?

so

I don't really mind, just don't do it when I'm asleep.

it's awkward

But as a man

I realized that my sister, Yui didn't see me as a brother anymore

At first I thought it was some kind of joke.

But then a few days later my little sister came to me with a timid look on her face and asked for another kiss.

That was the first spark for things to come

okay!

It's kind of awkward when she looks at me like that

Kissing her just felt too good.

Because of that, in time I started feeling sexually attracted to her as well

If I had said no to her then, maybe we never would have made this mistake.

her lips are so soft...

And I love her smell.

It feels amazing.

mhm

thump

Huh?

Hey, Onii-chan.

No, mom is here!

We started kissing more often

She was going through puberty so I thought it was a temporary thing

When you do something once it becomes easier to do it a second time

okay

Let's go to my room

She's pretty bold...

Thump

A few days later

Onii-chan

Hm... I'll look up some recipes on the internet.

Mom said her business trip will be prolonged. She'll be home tomorrow.

Hey, Onii-chan...

Do you want to sleep together tonight?

Huh!?

Sleep? You mean like in my room?

yes... Do you not want to?

uh... well...

Oh? what will we do about dinner?

If you want to go out and buy something, I can come with.

It's fine, but it's going to get cramped.

Okay, what do you want to eat?

No, I don't mind!

But I mind...

Hey, Onii-chan

hm?

Kiss me ...

Thump

Thump

I should've known...

Thump

oh...

gulp

Hey, you're going to move out next month, right?

Shouldn't you start preparing all your things?

Nah, I'll leave most of the stuff behind so there's no point.

I'll turn off the lights now

okay

It wouldn't have been strange to say no.

But the fact that I said yes probably means...

That somehow, I too had a desire to do sexual things with her.

Nh

Thump

Onii-chan...

I have been unable to get her out of my mind

Aah...

mph

Ever since we made out the other day

nh... Ahn ...

Then we can stop this relationship

hm ...

It's the right thing to do right now.

okay... That sounds like a plan!

Sex would be too far but touching her boobs isn't that bad, is it?

Onii-chan ...

This is pretty bad...

I'm not sure if I'll be able to stop myself.

So what am I so mad about? Everything went the way I wanted!

Oh no... I actually did it! But I was hoping this would happen, didn't I?

Thanks

I'll go take a shower

I'll change them

Oh, I got the sheets dirty

I'll help out

I'll be moving away next month, so I won't have to see her again anyway

Alright

Don't worry, I'll do it

I should just enjoy myself while I'm still here

And Yui didn't have any qualms about it either

Ha

what if she sees us?

Mom might come home soon

F-f-f...

Onii-chan, we can't!

After that I caved into my desires and had sex with Yui over and over again

Of course, I made sure mom didn't notice

Don't worry, there's still time

Do do...

Do do...

F-f-f...

Mh... Like this?

Yeah.

Ah! Don't do that, it's embarrassing

Here you go...

Hey!
You don't have to do that!

....
Wait really?

fete...

Ah!

Ah

huh...

I wonder how she feels about me moving out.

But then again, I'll move out soon anyway. Then I'll be studying at the university the whole spring.

In the end I always feel guilty about it.

And...

How does she feel about me?

Then this relationship will end with it

That's probably for the best

Oh, it's already late

What should we do about dinner?

Hm...

Mh... you're right

It is pretty late, after all I like it quiet anyway

This place is almost empty

What should I pick?

I'll get changed then!

Ah! Really?

Wanna go to a restaurant?

Yeah, I made some money from my part-time job

It feels like there's only going to be me in house from now

It's going to get a little lonely

You're going to move out this month, aren't you?

Yeah

A university student... I'm kind of jealous

...

I'll visit every now and again

I'm not going to move that far away

thump

thump

um...

I know that we can't go out, since you're my brother...

Hm?

Onii-chan, um...

Since you'll be leaving soon,

hearing this will probably ...

...Just complicate things but...

Although I wish I could've said it sooner

But

There is something I think I should tell you

かあああ...

I love you

So only until you find someone else...

Let me be yours

I later moved out, leaving Yui with that vague answer

And I didn't see her again until summer...

To be continued...?
