for adult only

This is a brothel that specializes in cute males. A boy that wanted to get rid of his virginity hired two big breasted onee-sans, Saki and Yuuri. However, they're both very experienced and have undergone much "training." Will they really be suitable for his first time...?

I... I'm sure.  
I figured traps like you ladies would know a guy's body best...

Do you really wanna give up your first time to us?  
We're not real girls, ya know?  
Yeah, and Yuuri's an old hag by now!  
That's so mean~

You look really young~  
You're so cute~

Oooh~ That's really something. You're a virgin still? At this age?  
Saki-onee-san will teach you everything you need to know.

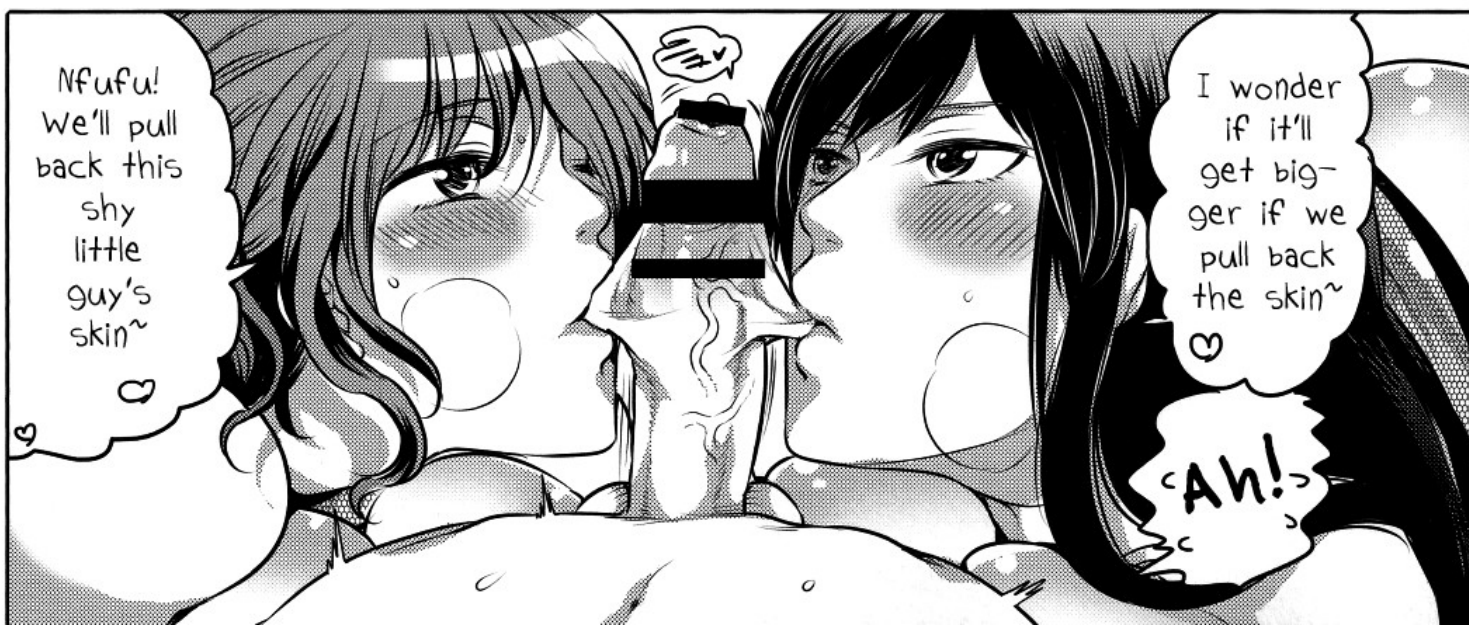

You're so cute.  
Y-you two are pretty big, I see...

Makes sense.  
Wow! His penis is so small! It's even got phimosis~
