

He's number 4, and our ace.

This person is Touta-rou-senpai. I look up to him.

I'm the manager of the boys' baseball team, Himeno Yuki.

HIMENO... I LOVE YOU!

I PROMISED THAT I'D TELL YOU IF WE WON TODAY.

After agreeing to go out with each other,

we were at the peak of happiness.

BUT... I'M A BOY... ARE YOU REALLY OKAY WITH THAT...?

OF COURSE I AM!

However, almost immediately after that, senpai broke his shoulder...

He quit the baseball team, and became a shut-in, staying inside his room all day, every day.

SAME AS EVER. HE WON'T LEAVE HIS ROOM...

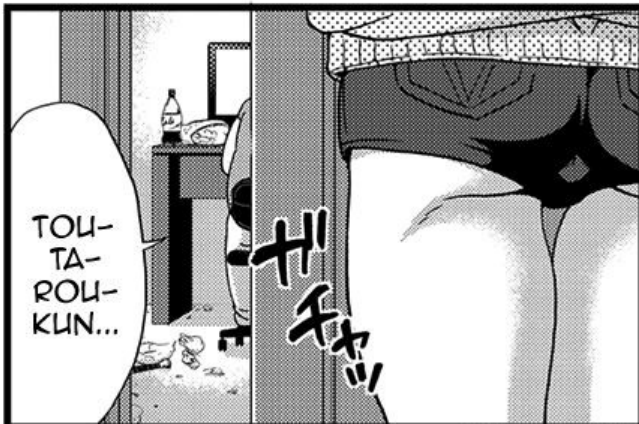

HOW IS HE?

UHM... I CAME BY TO VISIT TOL-TAROU-KUN.

OH MY. HELLO THERE, HIMENO-KUN.

ハイヤッ

TOL-TAROU-KUN...

TOU-TA-ROU-KUN...

TOU-TA-ROU-KUN...

So he doesn't love me anymore...?

Could it be that he actually only likes those kinds of girls?

Is that why he won't come out of his room?

...That's awful!
