

hehehe...

your cute cries and all of your dirty cum is all mine

do you get it now? I'm going to rape you today, Takeru

you know, Takeru... Onyx doesn't have a clue about what's going on here

that means you're my toy to play with all day today...

hehe... so, the drug prevents you from talking too?

I'm going to kiss you, play with your cock, roll around with you, lick your asshole, and even suck on your nipples...

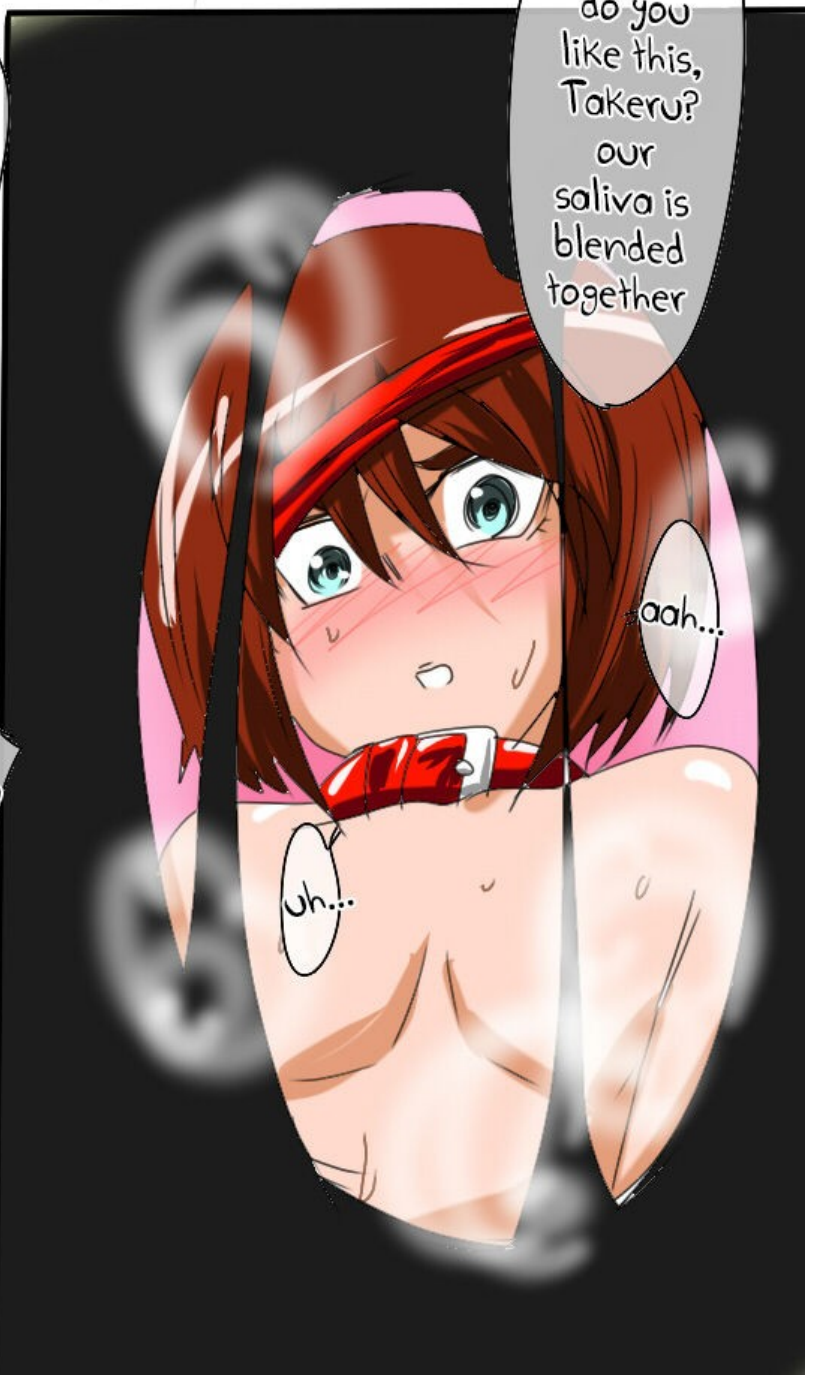

no matter how much you hate it or want me to stop, I'm not going to

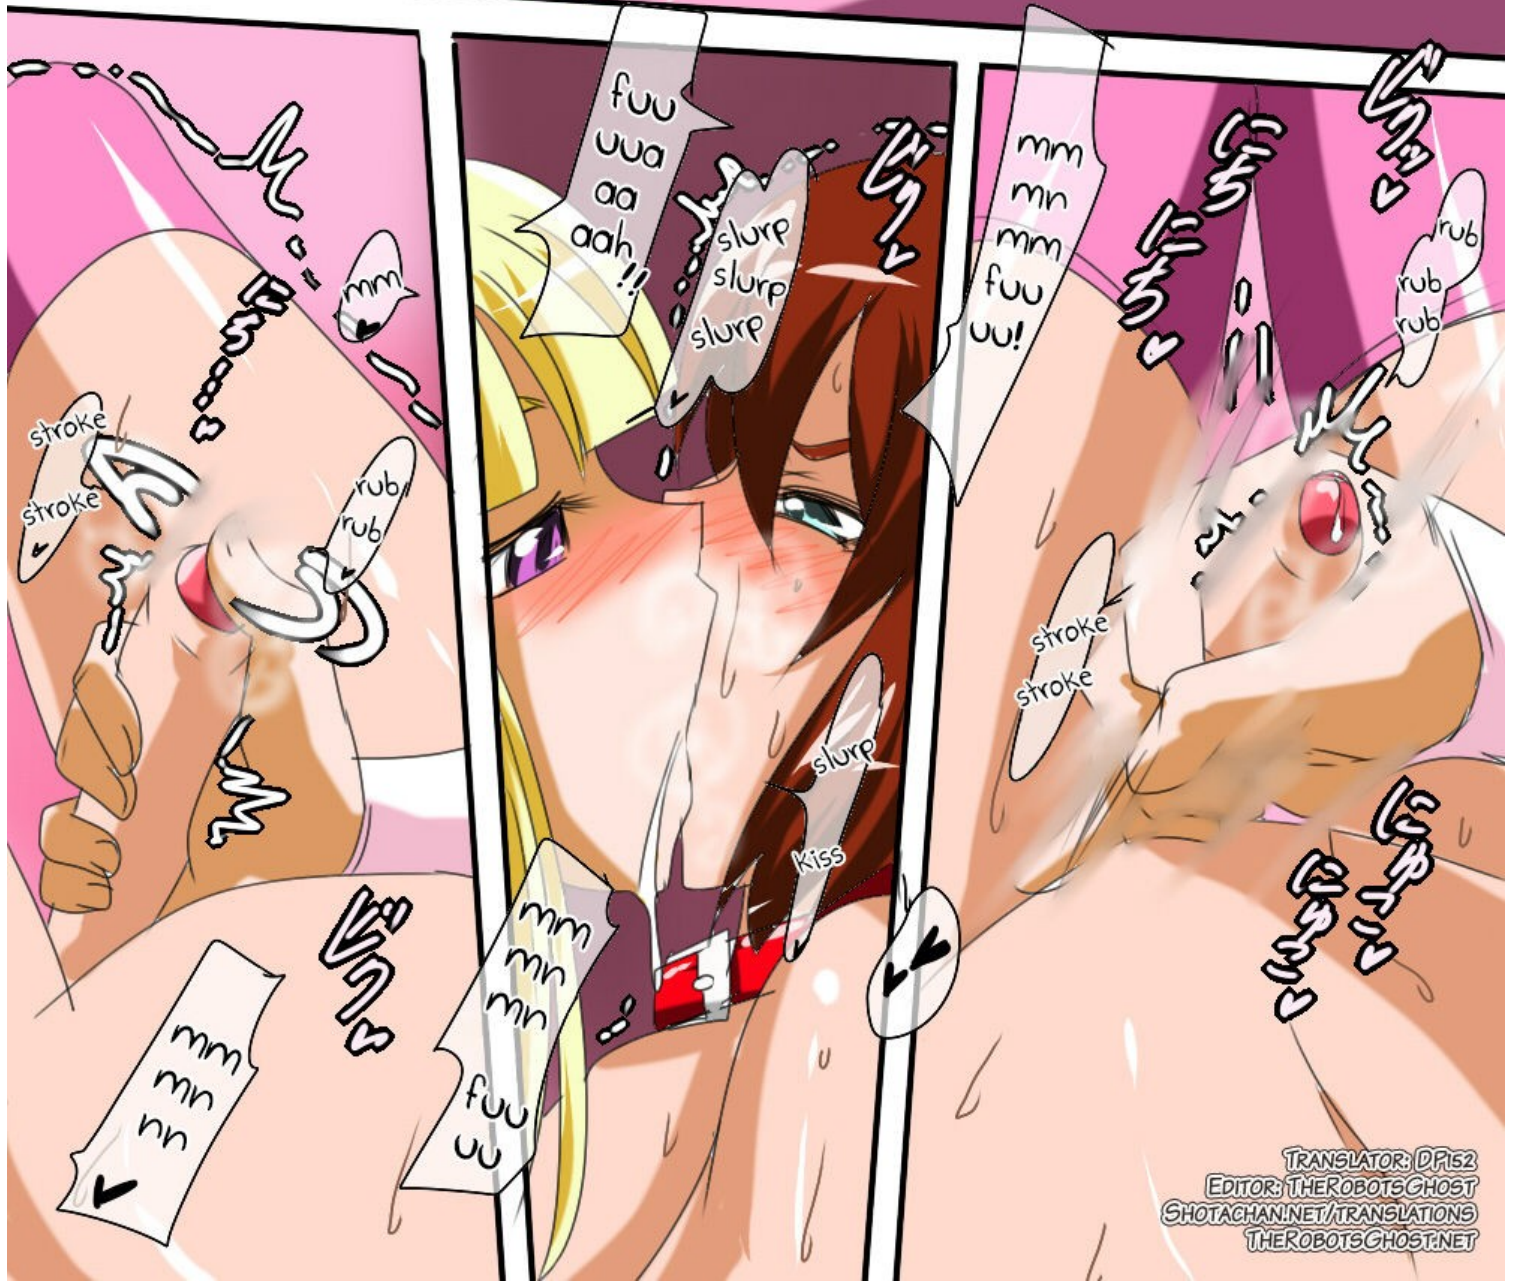

make you cum

I'm going to...

there we go

let me get more comfortable

your semen is so tasty

hehe... you couldn't hold back, huh?

I bet you can smell me from here, can't you~?

look Takeru, these are the panties of the girl you love~ do they smell good?

go ahead and shove your nose into my pussy

and cum into my hand, okay?

sniff it up

stick your nose into my panties and get a good whiff

why hey, don't you get a good sniff?

they're drenched with my scent

every time I move, they rub up against me

soaking up my scent more each time

so, go ahead and sniff them as much as you want~
