It has been half a year since I became a servant after my family's downfall.

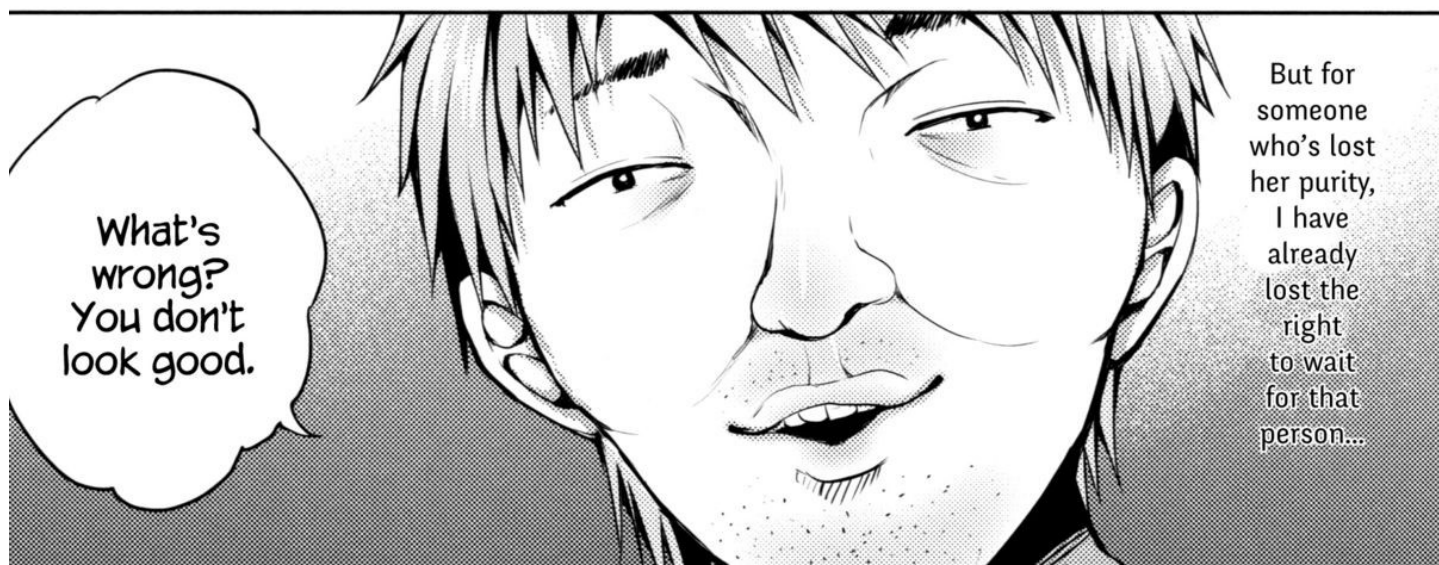

After the year passed, it seems like the marriage with the usurer who lent my father money is unavoidable.

Was that an empty promise, after all?

But my fiance hasn't come to pick me up yet.

What's wrong? You don't look good.

But for someone who's lost her purity, I have already lost the right to wait for that person...

This is the only way

ちゅっ

you can help your father.

ス...

You should know by now.

I'm just
lending my
body to this
man every
night. It's a
simple job.

I must
endure until
that man
comes to
pick me up.

At the very
least, he
might go
easy on me
if I get
pregnant
with his
child...

Fufuh,
I want to
see what
my child
will look
like as
soon as
possible.

Today's work
is finally
finished...
It has been
a hard day
for me.

UHH
UHH
UHH...

It feels
so
great...

In order to
focus on
baby-making,
he brought
me to this
hot spring.

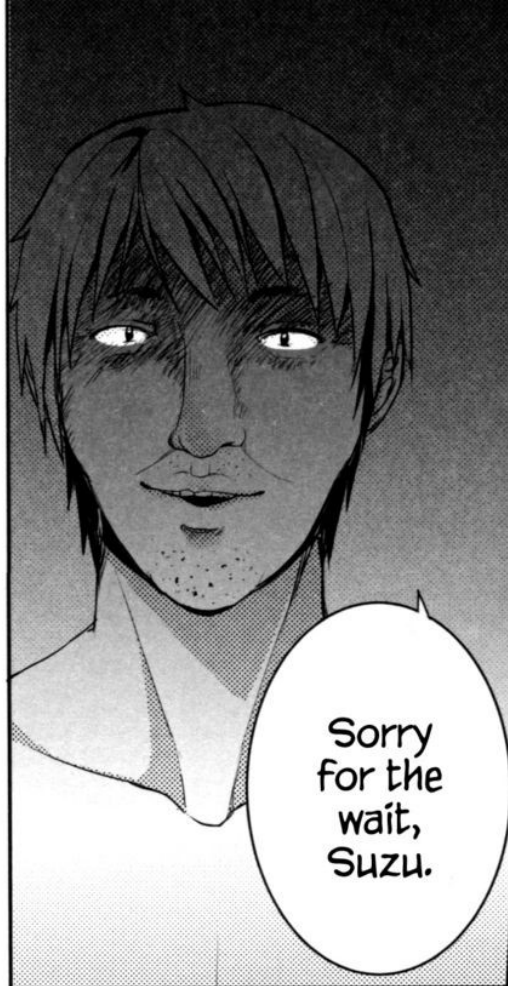

Master is
getting
frustrated
since I wasn't
getting
pregnant no
matter how
many times
we did it.

Aahhh...

I feel like
my whole
body
has been
cleansed...

Sorry
for the
wait,
Suzu.

However,
it's going
to be
defiled
again
very soon...

There's
no need
to rush...
Come
closer.

No...
Don't you
worry,
I'm done
anyway...

Yes...
Understood,
Master.

And I was
so close
to my
break
time.

Bringing
me to
such a
luxurious
hot spring

makes
me
really
happy.

This is
for my
father's
sake.
Endure it.
Endure it.

Your face is so childish, and yet, you have such a mature body. I've been thinking...

Master?

I might have to reconsider a few things.

Since you still can't get pregnant with my child,

all of my previous efforts will have been...

If he discards me here

I'm sure I'll get pregnant soon, Master.

Maybe I should stop lending money to your father, after all.

That's...!!

Room

I don't know
when it started,
but I'm starting
to lose sight
of what I want
for myself as
time passes.

Master~

Father's
debt...
My fiance...
I'm...
Why am I
doing this...?

Even if
my body
is being
toyed
with...

Even if
I endure
this painful
experience...

You're
sucking
me in
better
than you
used to.

Looks like
the results
of your
training are
starting to
show up.

thing is...

No matter how many times I suck on these, you still taste as fragrant as you did during your first time. It's simply irresistible.

This is still regrettable...

AAHHH...
I can't...

*Please
leave
Master's
superb
legacy
inside
my
body!!!*

Why does
my body
feel so
satisfied...!?

I lost to
pleasure
today
as well...

My fiance...
Please,
hurry up
and take
me away

before
my heart is
completely
overwhelmed
by pleasure.
