

the president's personal secretary?

You want me to become

Shirakawa Kaede

You're the only option we have left!

Yes, please, Shirakawa-san!

As you might expect from someone whose family owns a temple...

Yes. She's exactly the type of person we've been looking for.

Well? Look at that rational reaction!

WHISPER

Plus, I'm not qualified to be a secretary.

Please raise your heads.

But I'm only an accountant. I've only been here for three months, and I'm still learning.

We're aware that this is quite the unreasonable request. However...

That's personal information...

COMAKU

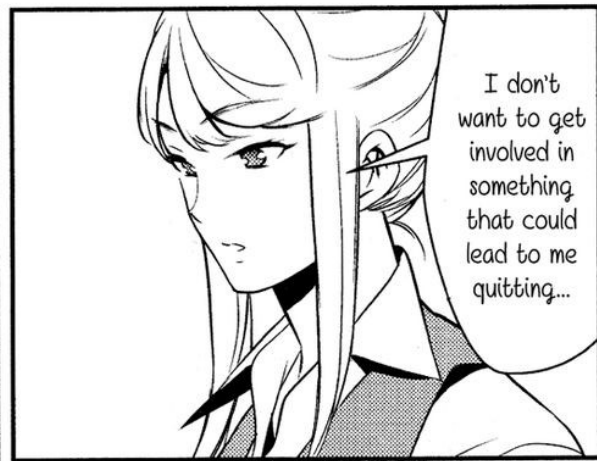

Everyone we've hired to serve as her secretary has resigned. They just couldn't deal with her.

While the president of our company is quite skilled and able, she has quite a few... unique personality quirks.

You'll also receive extra pay and bonuses!

No need to worry! If it doesn't work out, you can have your old position back here!

I don't want to get involved in something that could lead to me quitting...

Please, we're begging you!

All right, I'll try.

I'm not very confident though.

President's office

She seemed like the type that was devoted to her job when I saw her at orientation.

I wonder what kind of person she is

if her secretaries kept quitting.

KNOCK
KNOCK

I do have the key.

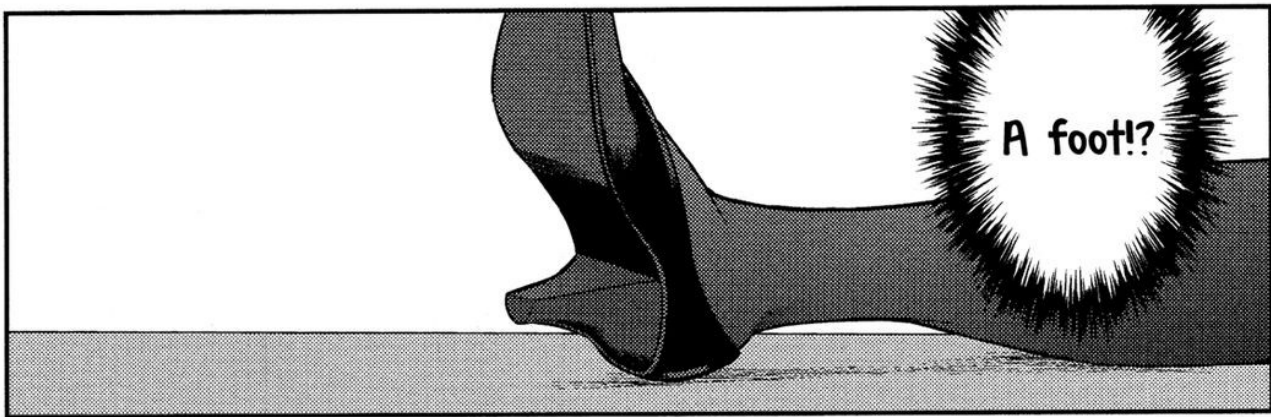

I guess I'll just go in and wait for her.

...She's not here?

SILENCE

Excuse me...

OPEN

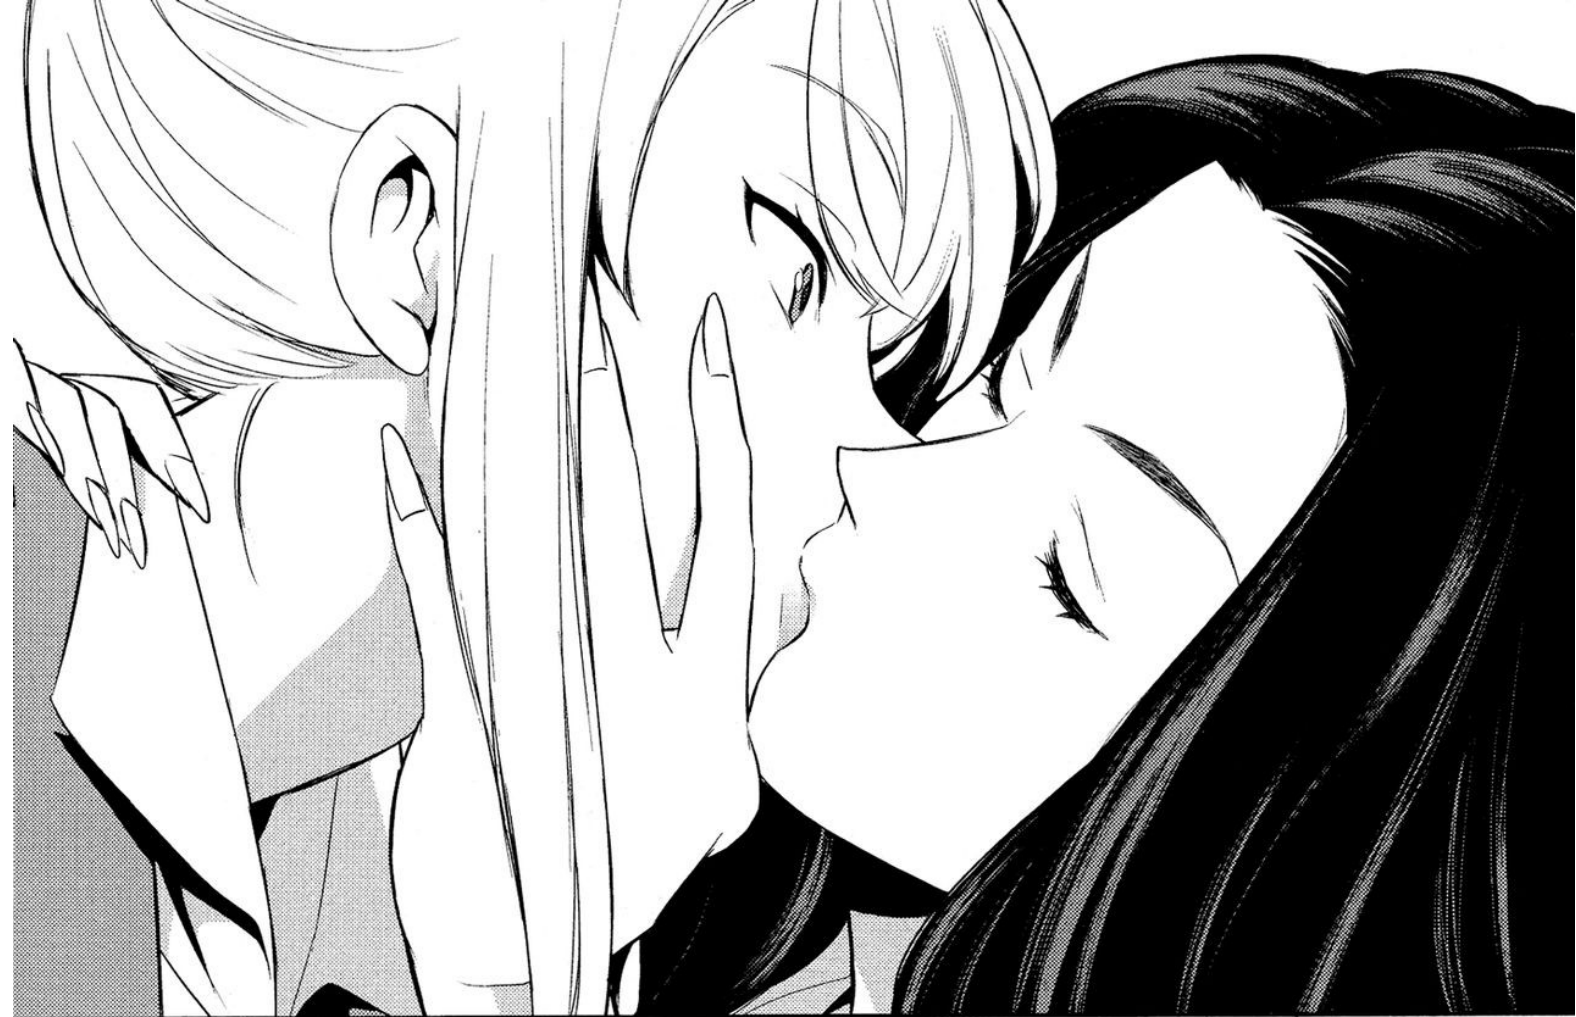

Are you okay?

Ms President!

Did she collapse from illness!?

rationally.

My name is

I look

to working
for you.

Her breasts are touching me.

I feel her breath on my ear.

acting this way on purpose?

Is this woman...

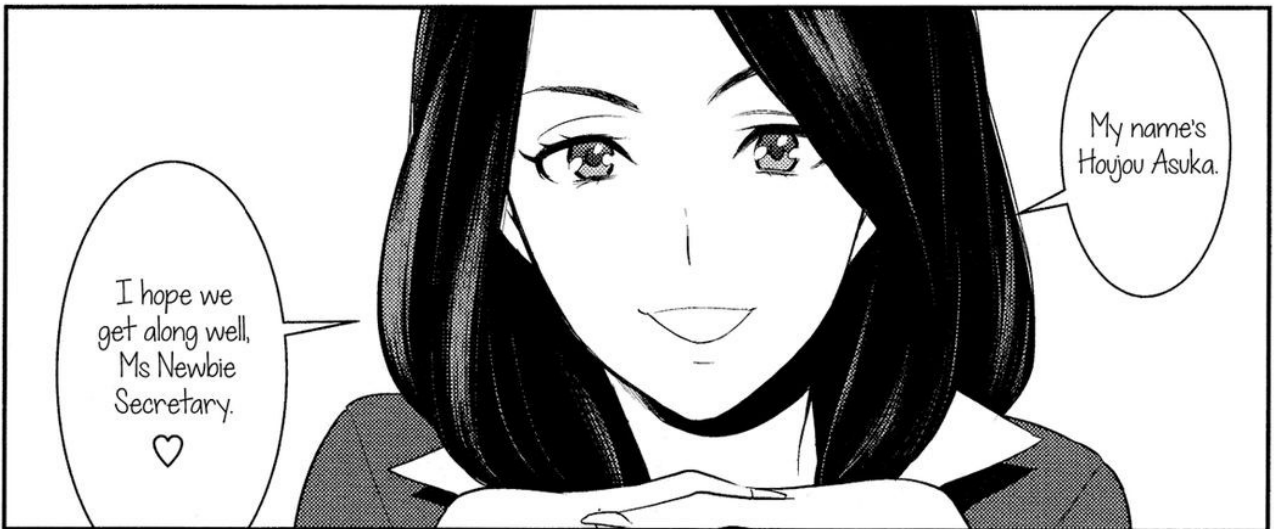

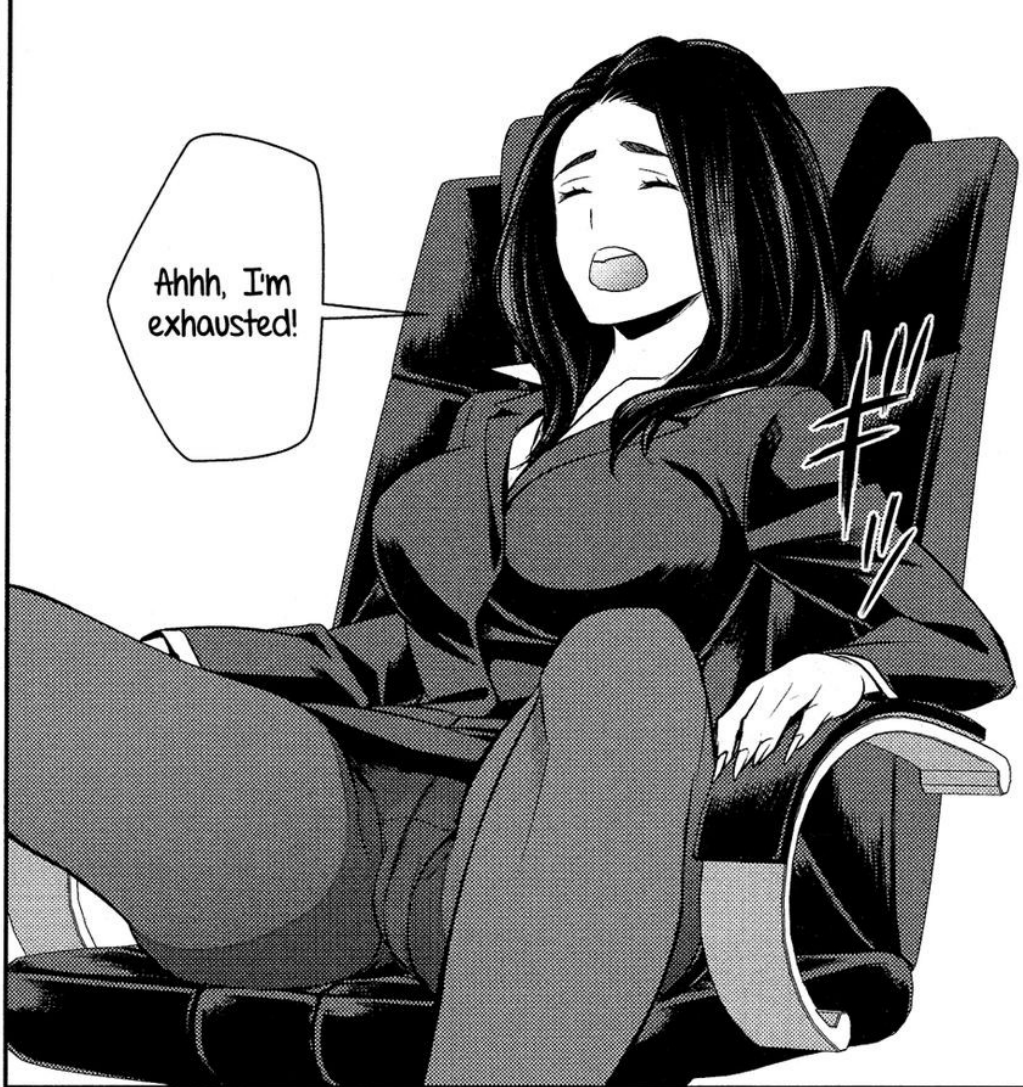

Keep calm, keep calm.

Maybe it's just a coincidence.

Not giving her a reaction is the way to go here.

So...

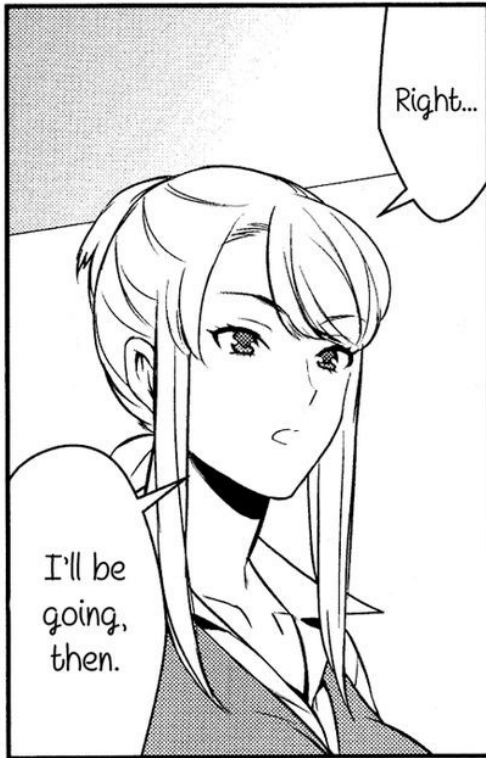

Sure...

It's because they feel like a clash of wills, I think.

Meetings really turn me on, you know?

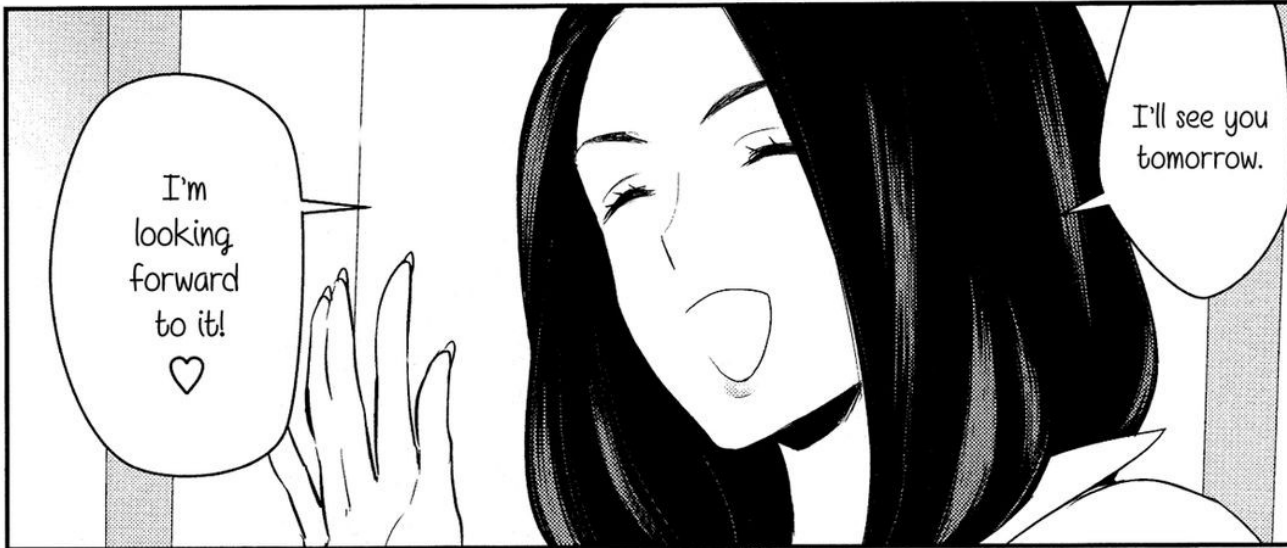

Right...

I'll be going, then.

You must be worn out from all this different work.

You've put in your time for today, so you can go home.

I'm looking forward to it!
♡

I'll see you tomorrow.

Have a good day.

Yes.

トキトキ...

She did give me a reaction with her tongue back there.

I thought I'd be able to get somewhere with her.

That's so strange.

Hmm...

was such a passionate gaze.

Not to mention...
Behind that cool composure of hers,

.....

I'm so aroused just from thinking about her.

If I ever got that girl in the mood...

PINCH

I wonder how she would come after me?

Would you like dinner?
Or do you want a bath?

Or maybe...

you want m-

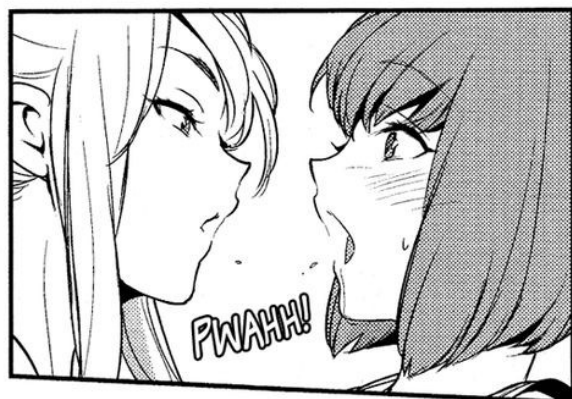

Hehehe!
♡

Welcome!

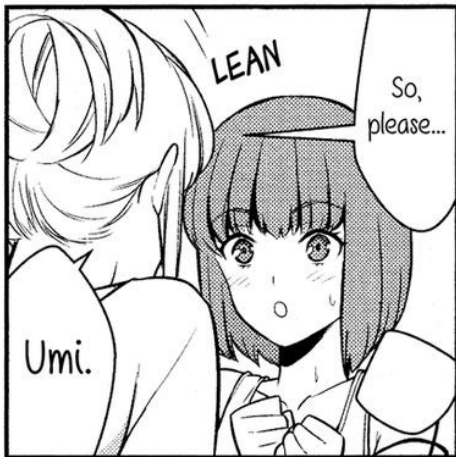

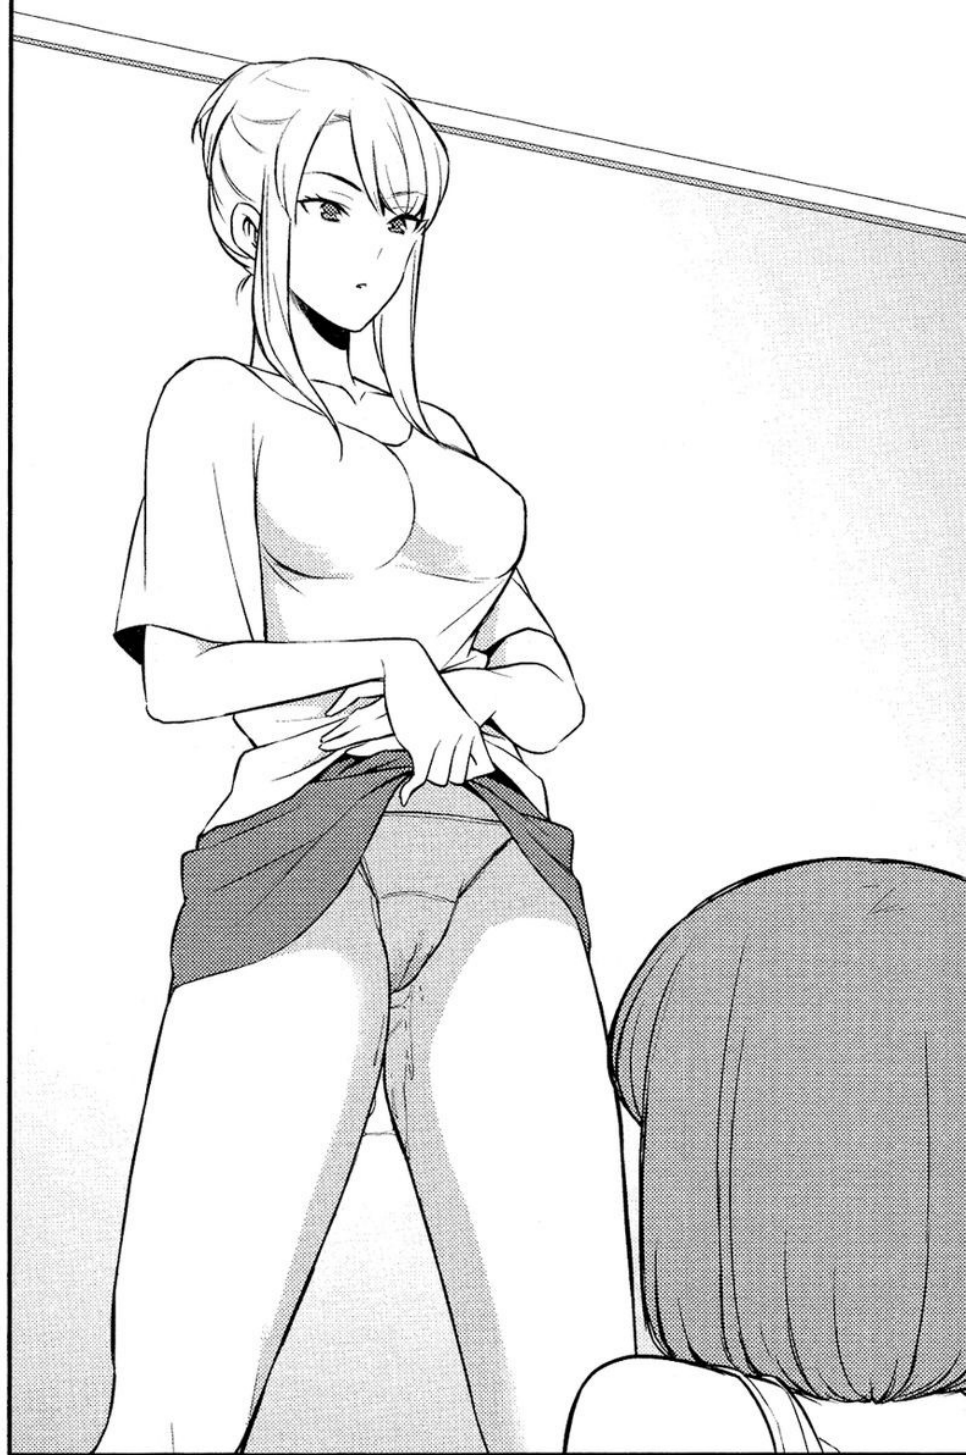

!!

I was horny all day at work.

I could barely restrain myself.

LEAN

So, please...

Umi.

Let's fuck. Now.

Kaede-chan...!

is going to keep on doing that stuff from now on.

I wonder if that woman

This is amaa-zzzinnng!
