Fucking up your favorite doujinshi since CURRENT YEAR

Artist: Okyuuri
Scans: Swirt

Looks like Christmas cake's back on the menu, boys!

TL Notes:

Anegaoka (姉ヶ丘), the fictional train station/city featured in this comic, is based on another pen-name the author uses (姉ヶ丘三丁目). The name is a play on the author's fondness for onee-san (older-sister) characters.
