Akira

Though stubborn and serious, he also takes things to the extreme.

Mistakenly thinking that his little sister was getting a boyfriend, he took her first time while she was sleeping.

Yui

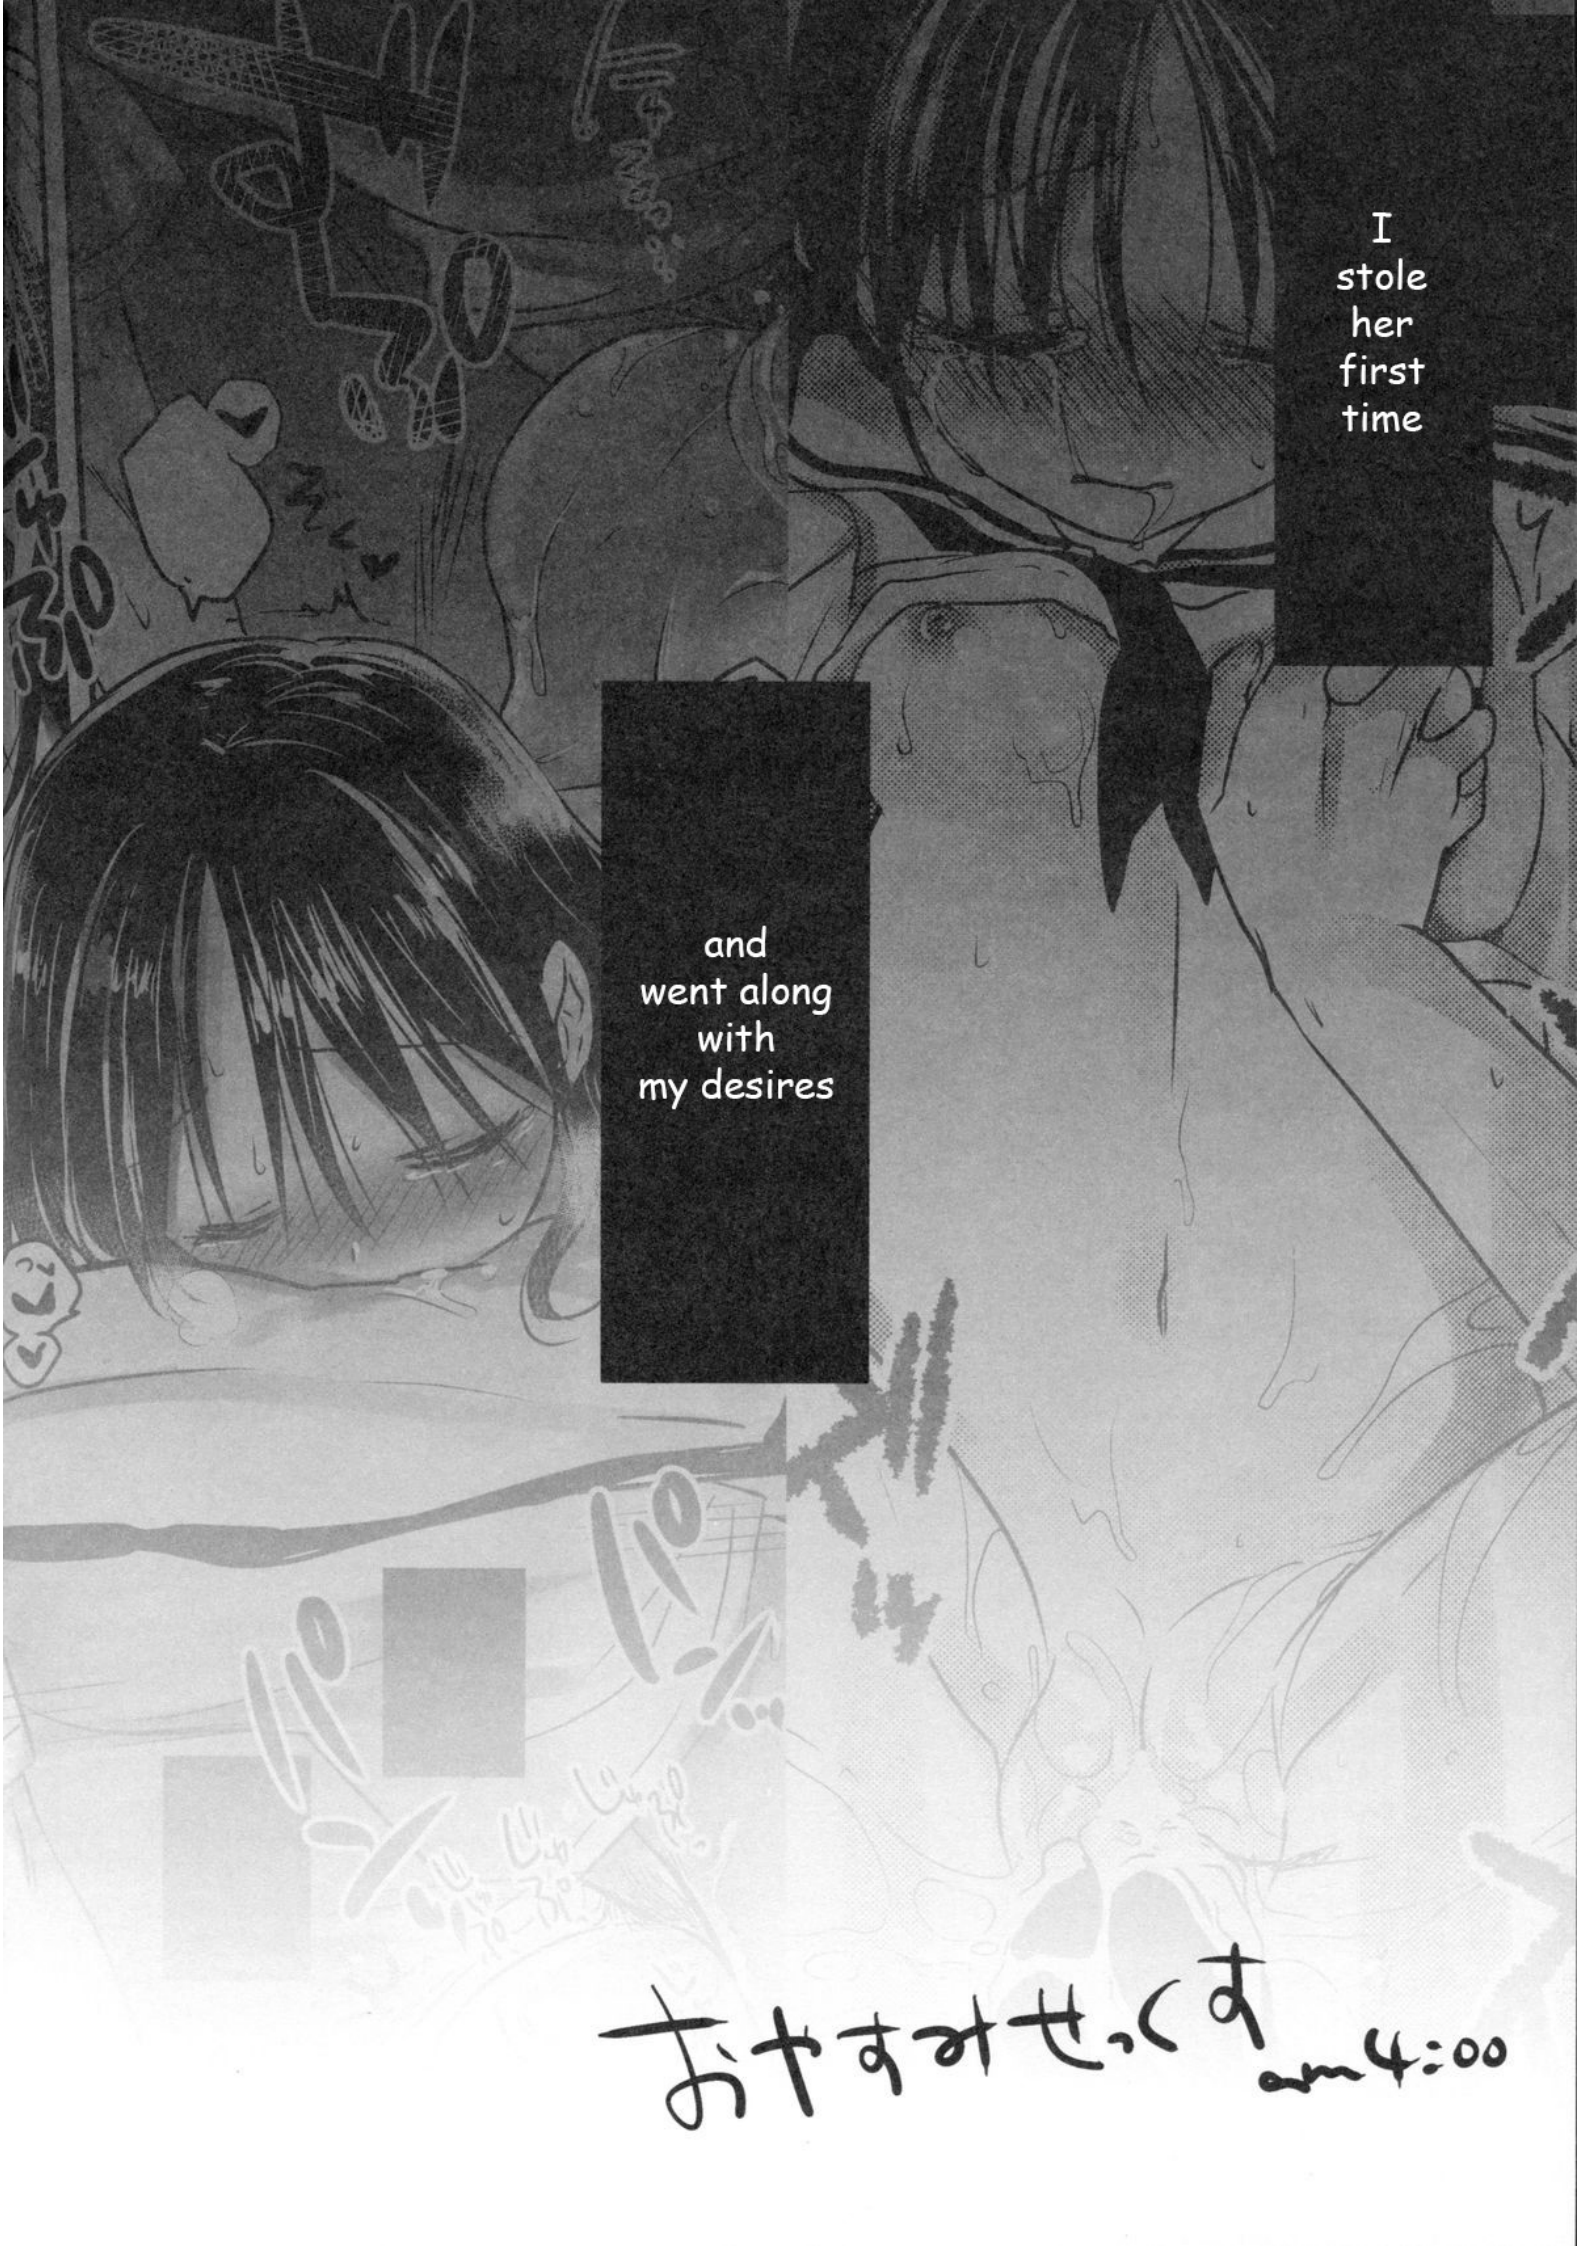
A bright but meek little sister.

Although she knew her brother paid her a night visit, she was too embarassed and continued prentending to be asleep.

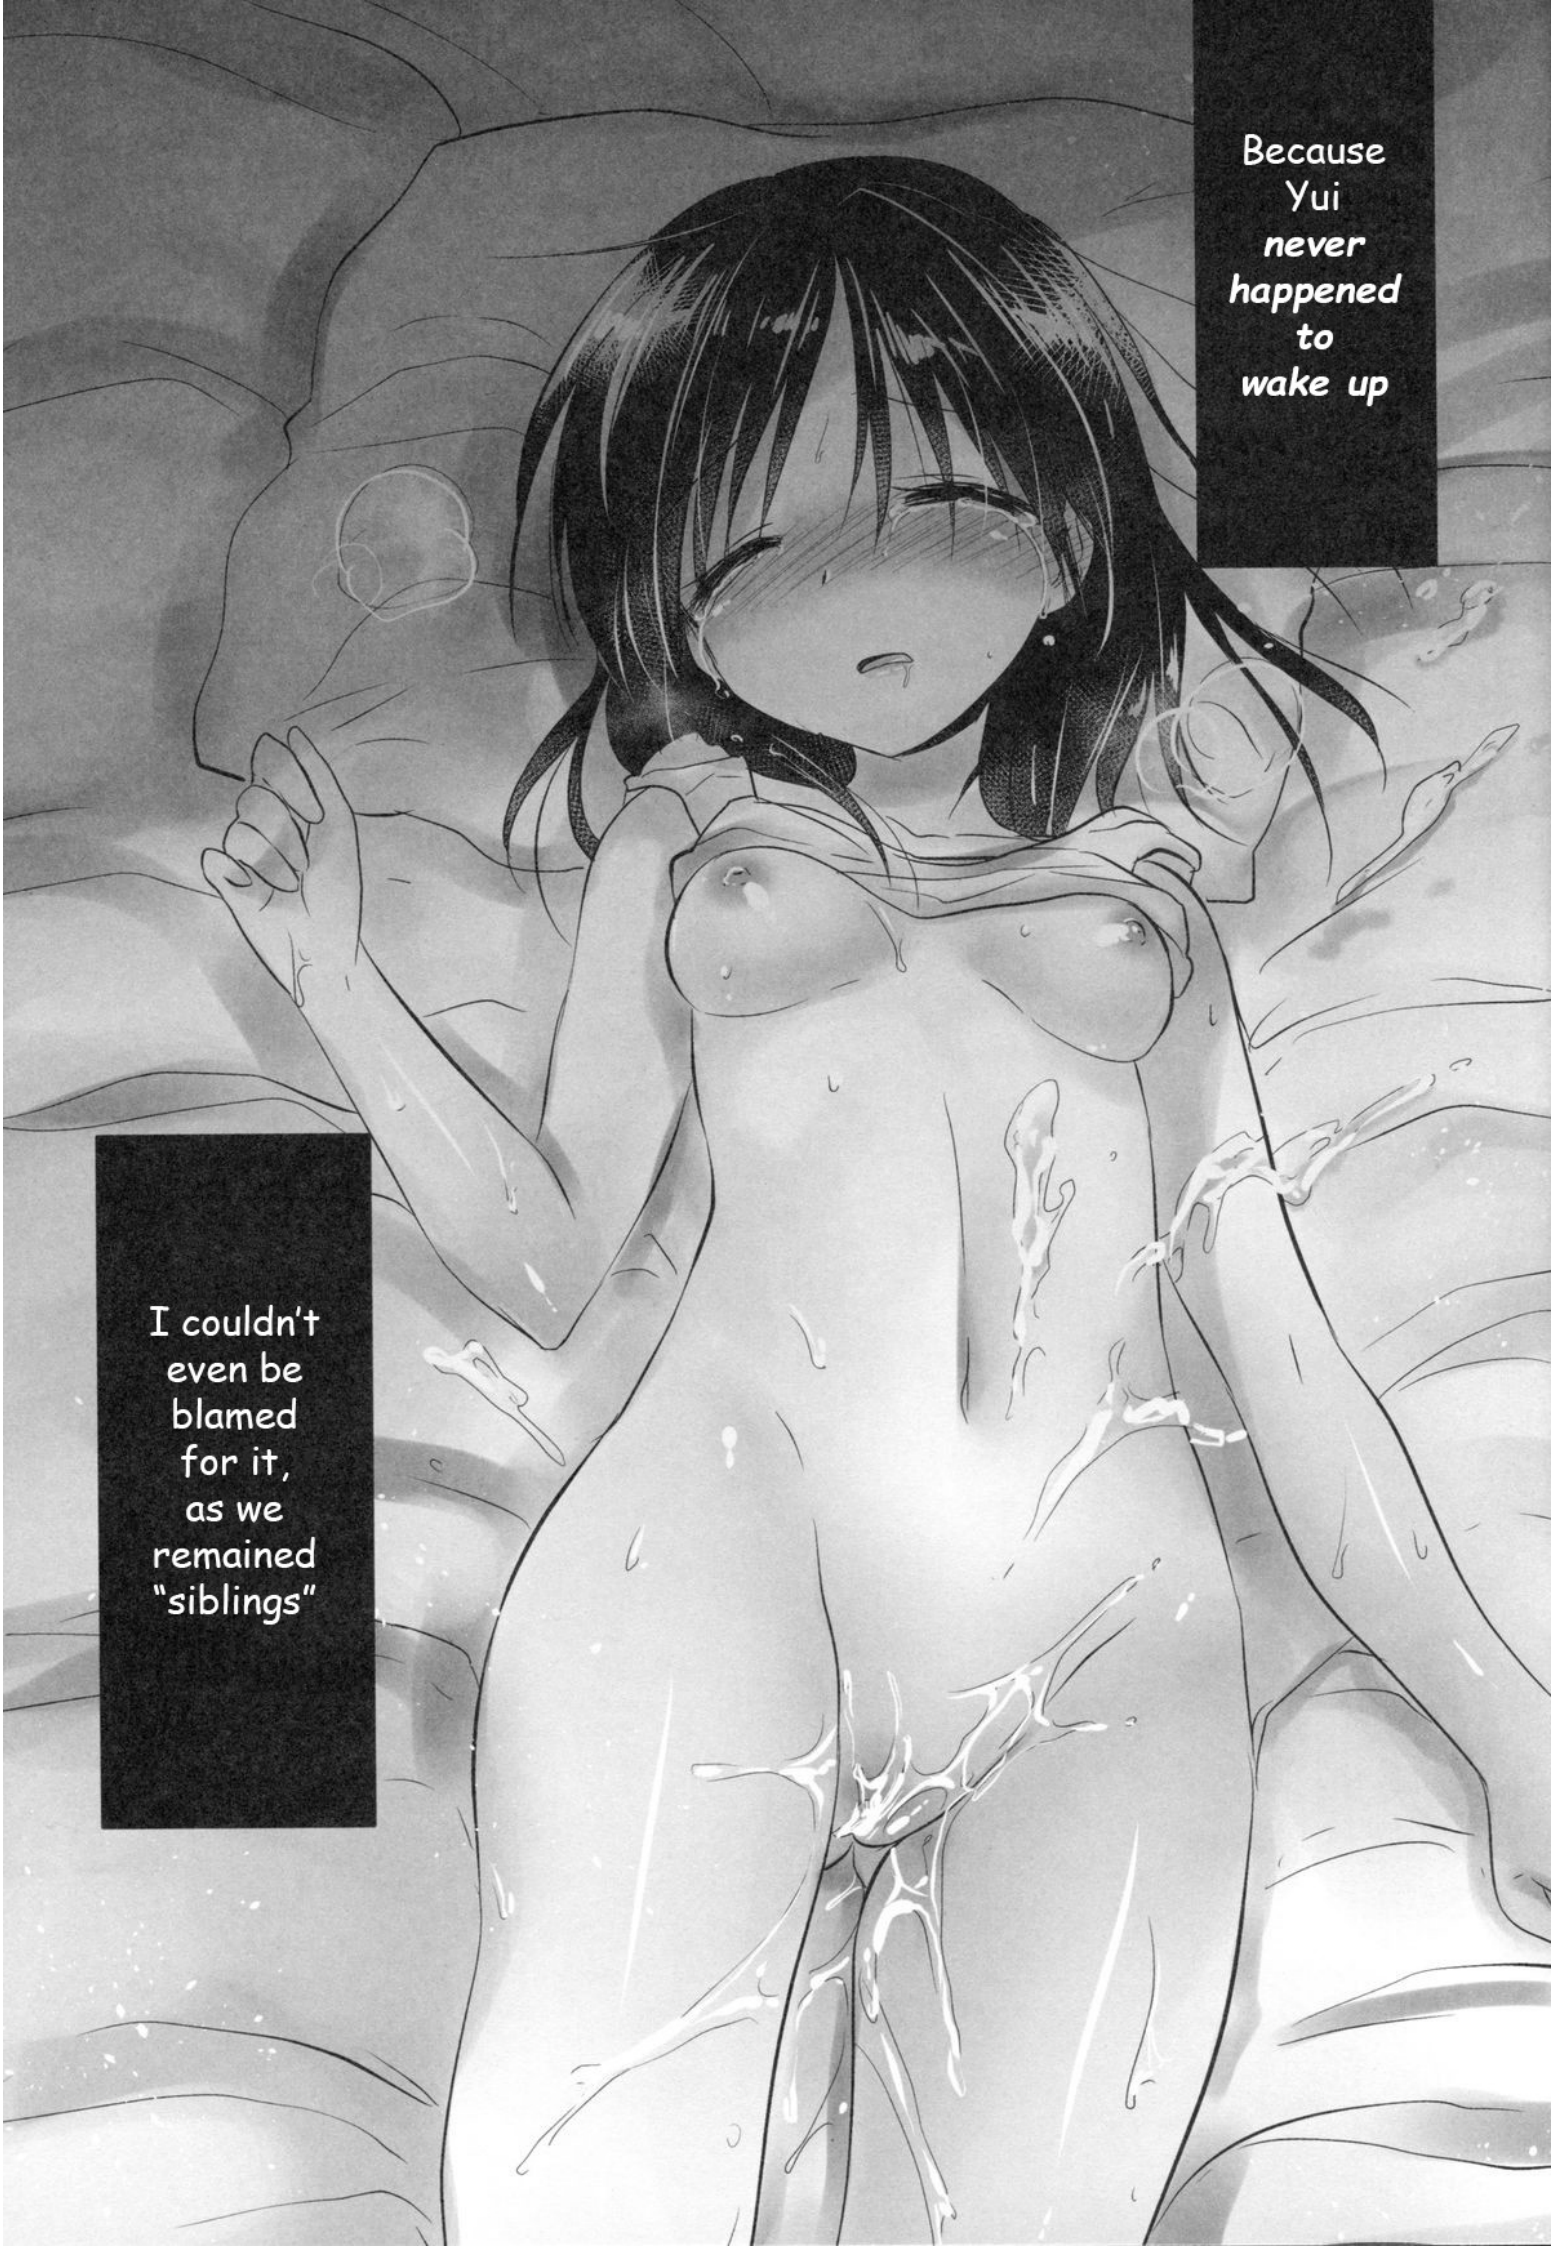
Synopsis of am3:00

"I won't be able to do it with Onii-chan, again..."

Believing her small lie, Akira took her virginity while she was asleep.
While Yui continued to pretend taking sleeping pills so she could be with her brother, when she was afraid of her lie being exposed, and their relationship ending, Yui truthfully swallowed the medicine.
Lustful, conditioned by her sleeping figure, he did it with his unguarded little sister...



I stole her first time
and went along with my desires
おやすみせっくす am4:00



Because Yui *never happened to wake up*
I couldn't even be blamed for it, as we remained "siblings"

What was Yui thinking about when she said that lie?
I simply wanted to know
What did she think of me? ...
Did she hate it?
Was she simply enduring it?
How did she feel when I held her? ...
Yet
to do that to her, even when she actually took the medicine this time...
Fu...
I'm the worst

Even so
I'm sure Yui had her reason for lying
drip
I should have ... said something sooner
...
Throb...
I want to properly face Yui
I don't care about keeping up appearances anymore
like so...
... Yui

Even if we can't return to being "siblings" ...
Let's sleep together today
...
Yeah
...
Hug

Onii-chan...
Sorry... for every-thing up until now...
Why is Yui the one to apologize?
I'm the one who's at fault here, even making you take that kind of medicine ...
No... I was being unfair
and lied to Onii-chan all this time...
If I were to notice what Onii-chan was doing
then this relationship would be over, was what I though
Since, as siblings ...
this is something we actually shouldn't be doing...

That's why I thought
Onii-chan would only come when I was asleep
It's so we can act like usual...
So...
unless I'm asleep ...
you won't do it ...
Erm ...
Does that mean ...

カあぁぁぁ
Yui also
wanted to do it...?
Ah Um Sorry...
No ... I mean
I've always been
forcing my selfish desires
onto her ...
I'm glad ...

doing……
……
gulp

Ha——
I wanna take a day off from school …
Eh !!?
and spend the whole day with Yui doing…

Yui will… visit Onii-chan's room
tonight…

T-that's right!

I said something unbefitting again

Honestly,
Onii-chan
...

During the day, we continued like usual as ordinary siblings.
Only at night did we lay our bodies together.
She didn't properly learn about it...
I-Is that so?
Then you won't get pregnant
...Yui, have you started menstruating?
Not yet...
After that, we...
Do you also want to see where we're connected?
