Yokohama

I'm surprised you know about such an unremarkable shop.

Master, that was a great tasting ramen shop, wasn't it?

Heh...

Yeah...

Gafu:
Young member of Onigashira.

A close-up portrait of a young man with short dark hair, wearing a dark jacket over a collared shirt. He has a slight, knowing smile on his face.

Onigashira Jin:
Son of Yokoshima-Gumi leader.

A close-up portrait of a young man with blonde hair tied back in a ponytail, wearing a white shirt, a dark tie, and a dark vest. He has a serious expression.

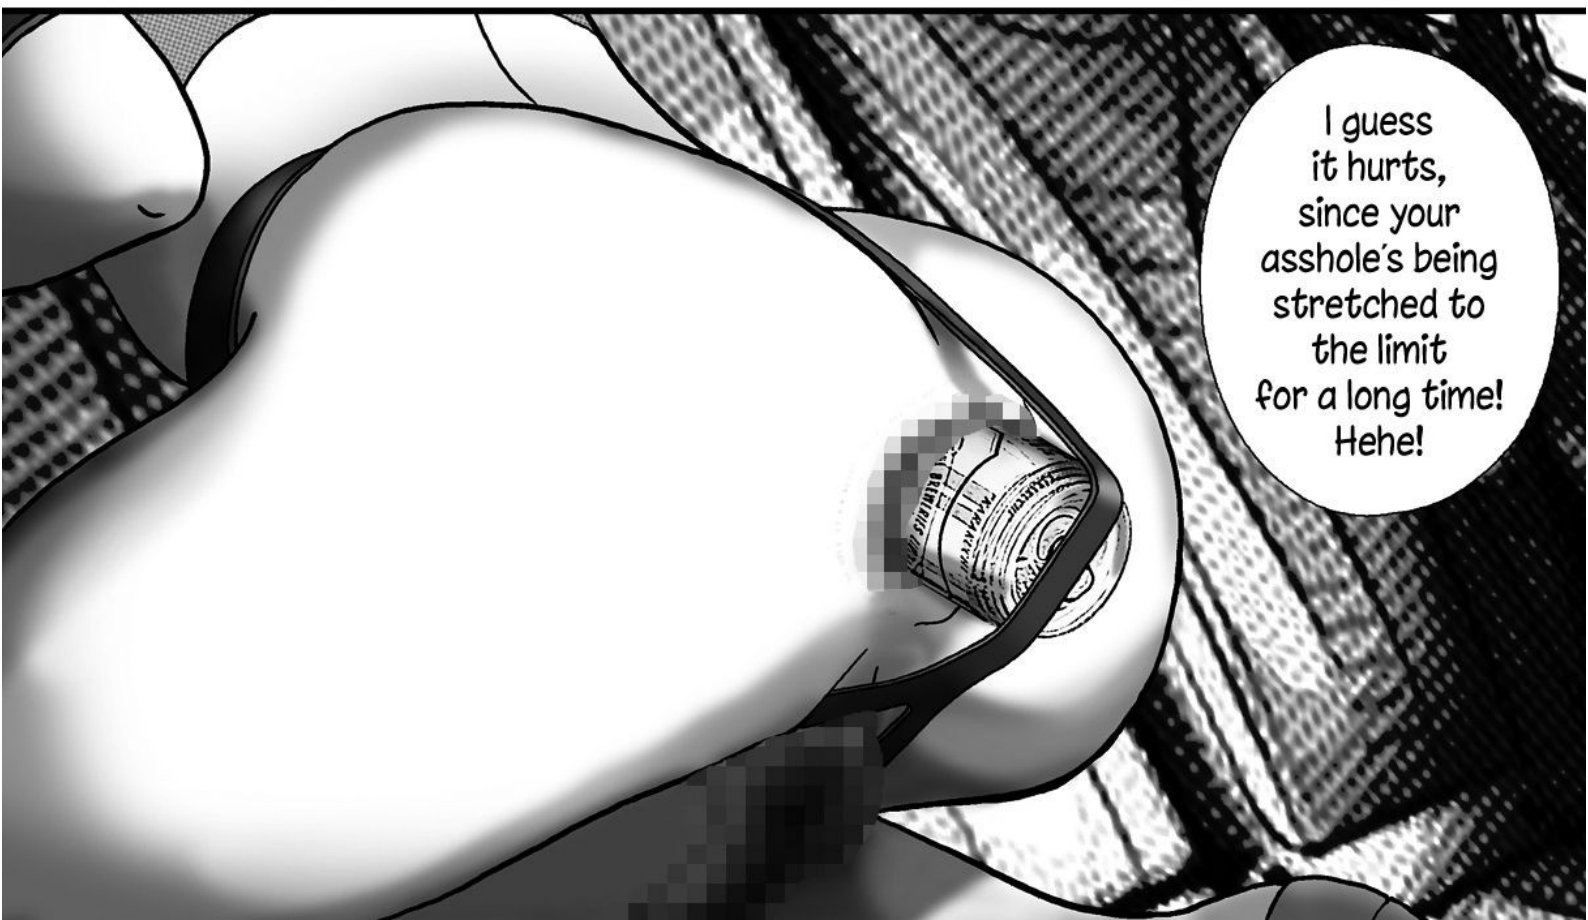

Hey, sorry for the wait.

A close-up of Onigashira Jin looking out of a car window. He is holding a sign with Japanese characters. The sign has the characters 'カ' (Ka), 'フ' (Fu), and 'ヤ' (Ya) arranged vertically.

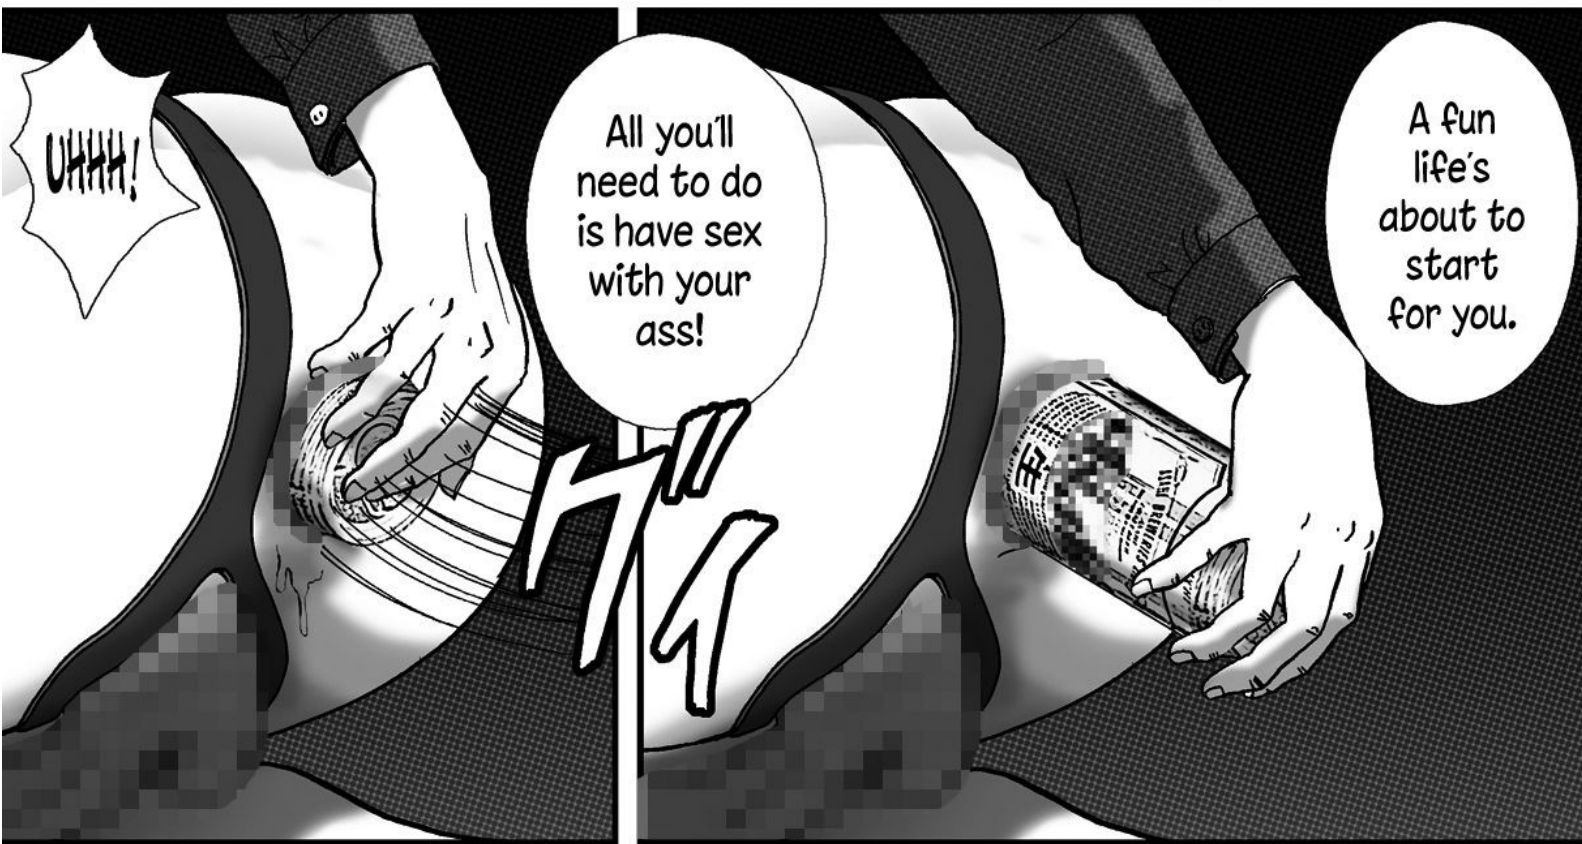

Does that hurt?
Heh.

UHHH...

I guess it hurts,
since your asshole's being stretched to the limit
for a long time!
Hehe!

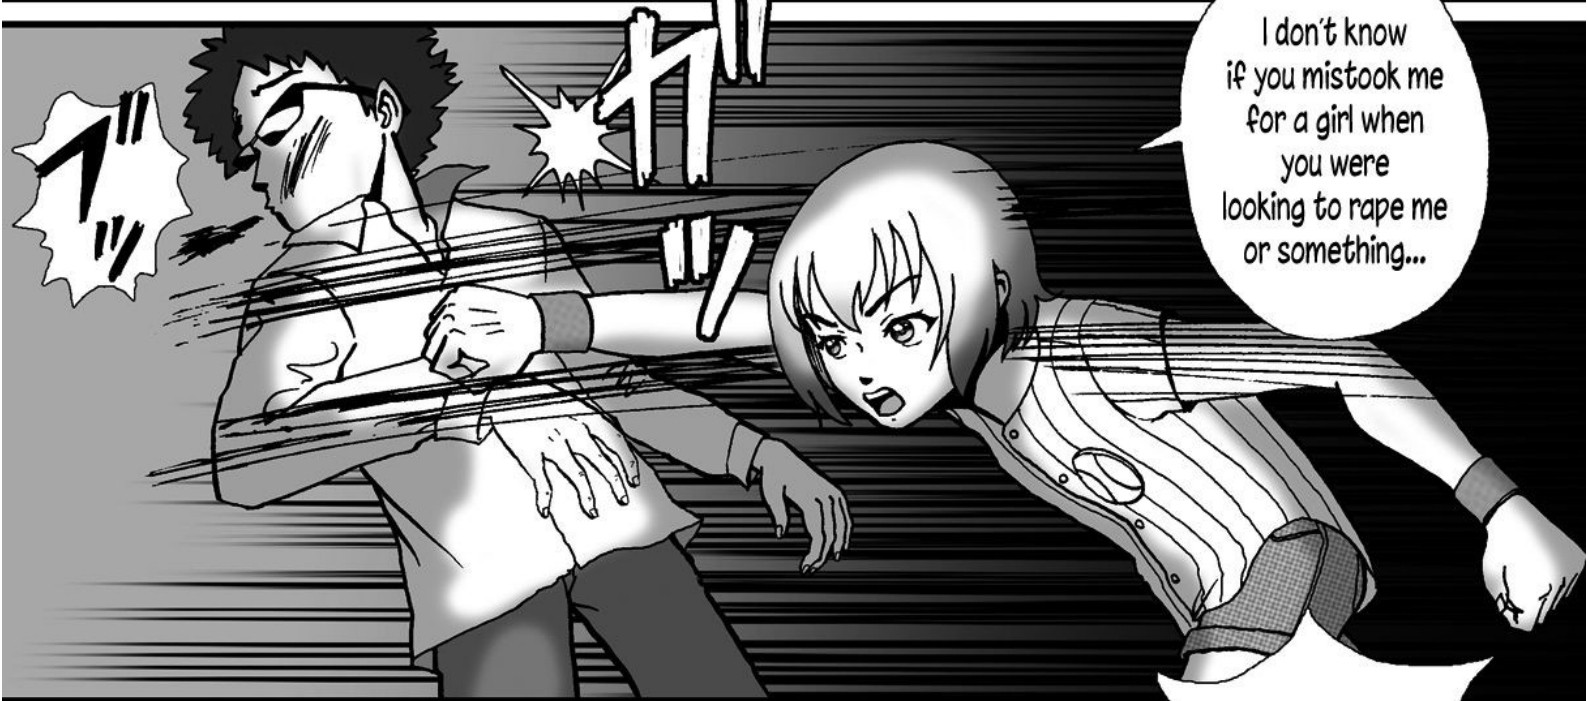

Fuck you...!

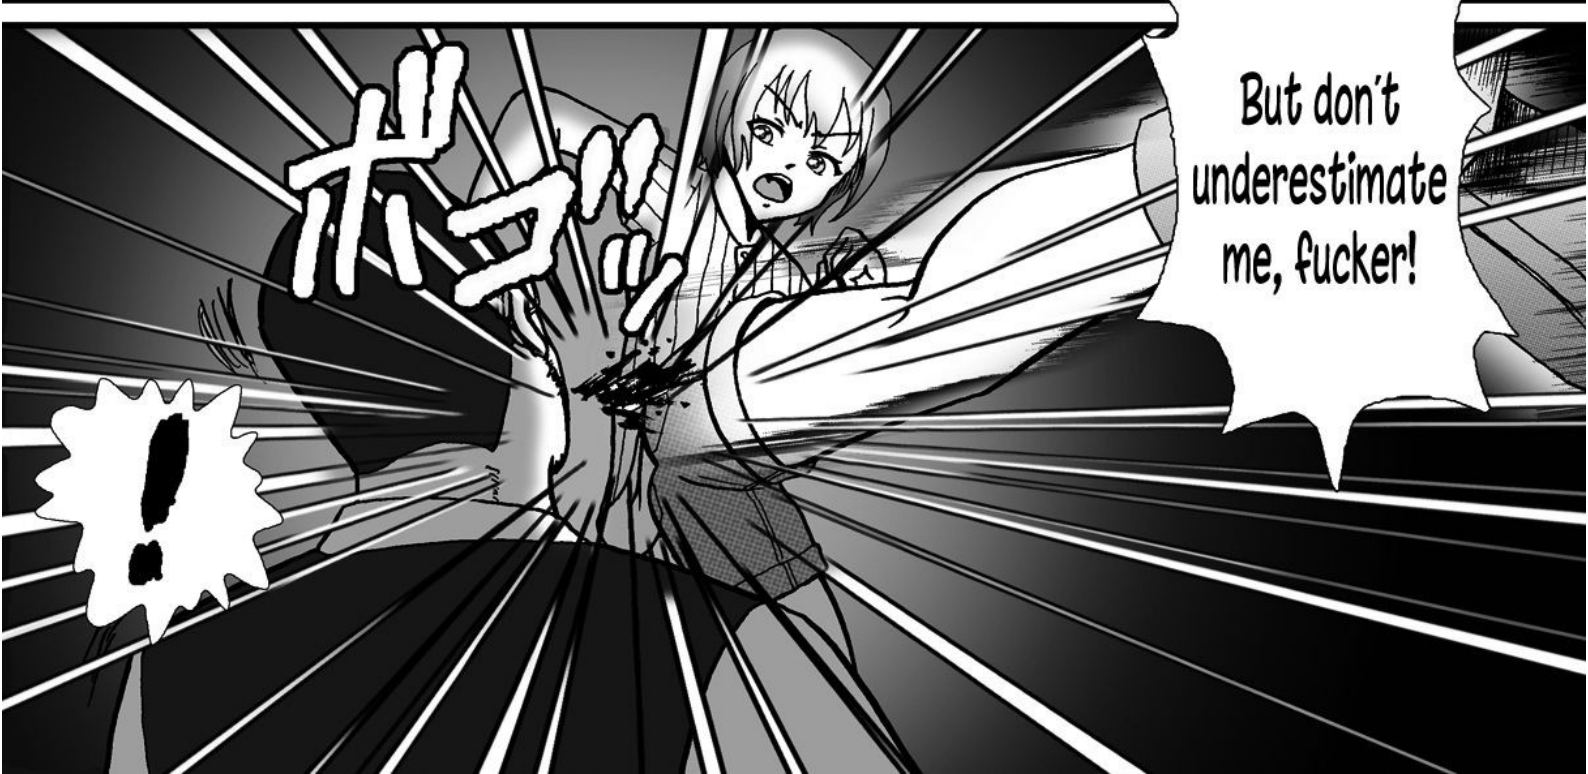

You bastard!

Mugging?

A fight?

I don't know if you mistook me for a girl when you were looking to rape me or something...

But don't underestimate me, fucker!

A girl?

He also
looks like
a girl.

He's
pretty
strong
considering
he's so
skinny.

No,
it looks
like a
boy.

A
girly boy,
eh?

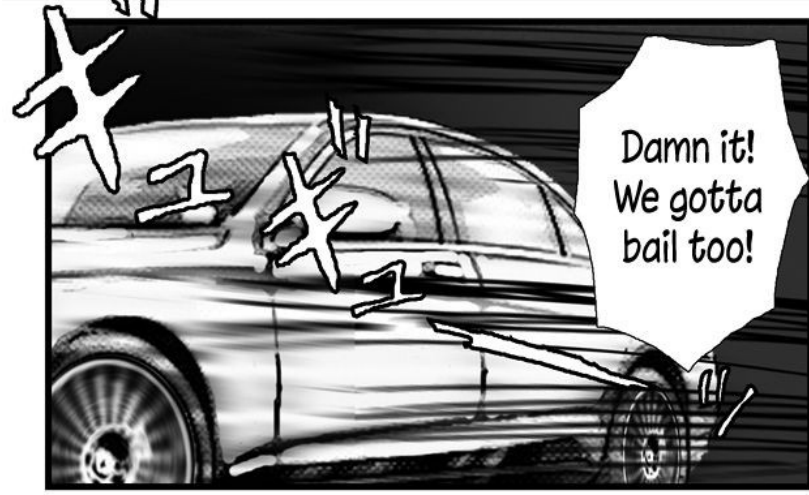

This is the police!
What are you doing over there?

Of cour...

It's your favorite, isn't it?
...Should we get him?

Damn it!
We gotta bail too!

Shit, run!

One week later...

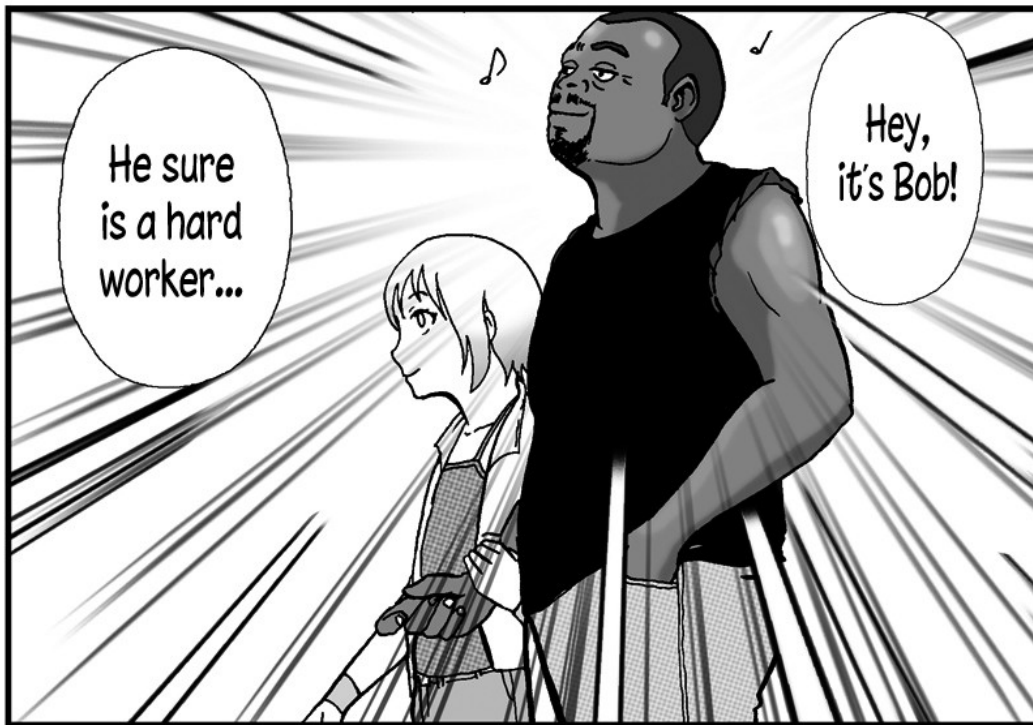

Hmm?

Maybe it's time we gave the one we caught last time a boob job...

This Bob was a black male prostitute who'd whore himself out to both men and women. His selling point was his huge cock.

He sure is a hard worker...

Hey, it's Bob!

So does that mean the brat is Bob's client?

I don't know...

Ah, that's the skinny brat we saw a while ago who's a strong fighter!

Hey, that kid Bob's with...

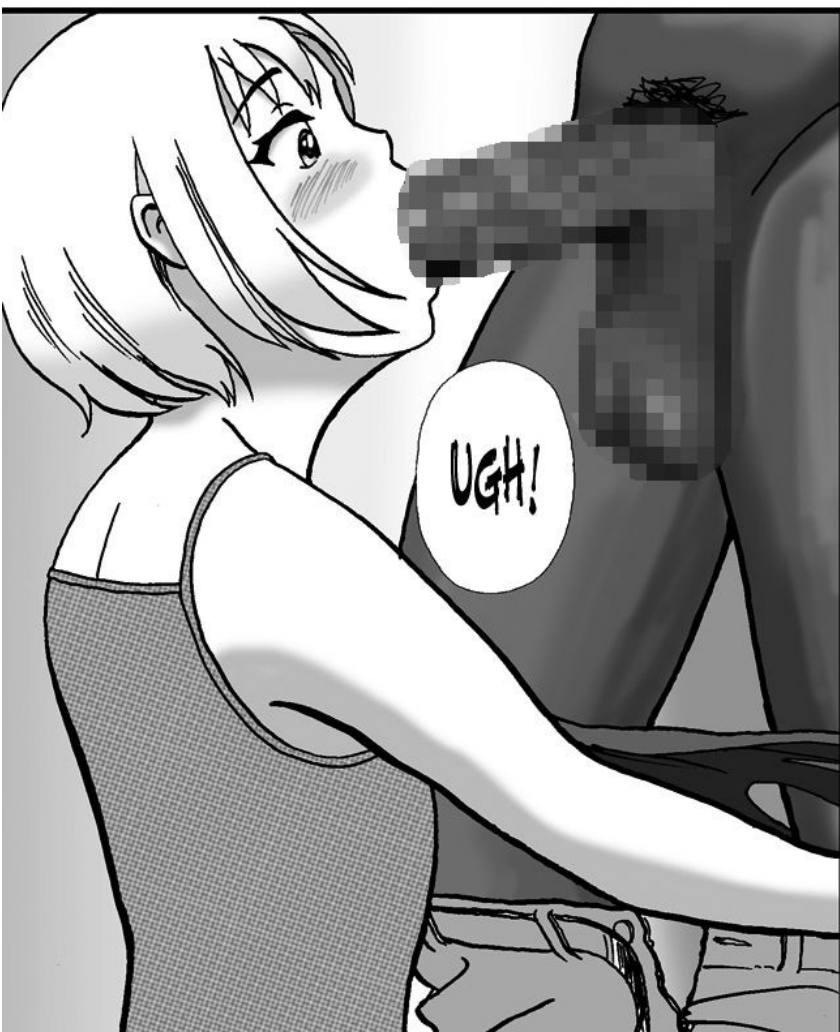

Bob's house.

This is...

I can't wait any longer.

UGH!

HAA! HAA,

You get into fights in the city and talk like a boy...

ズ
ズ
ズ

You're a strange boy, Shou.

ズ

AHHH,
BOOOB!

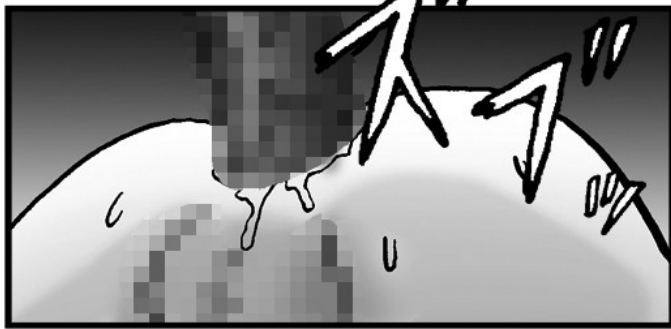

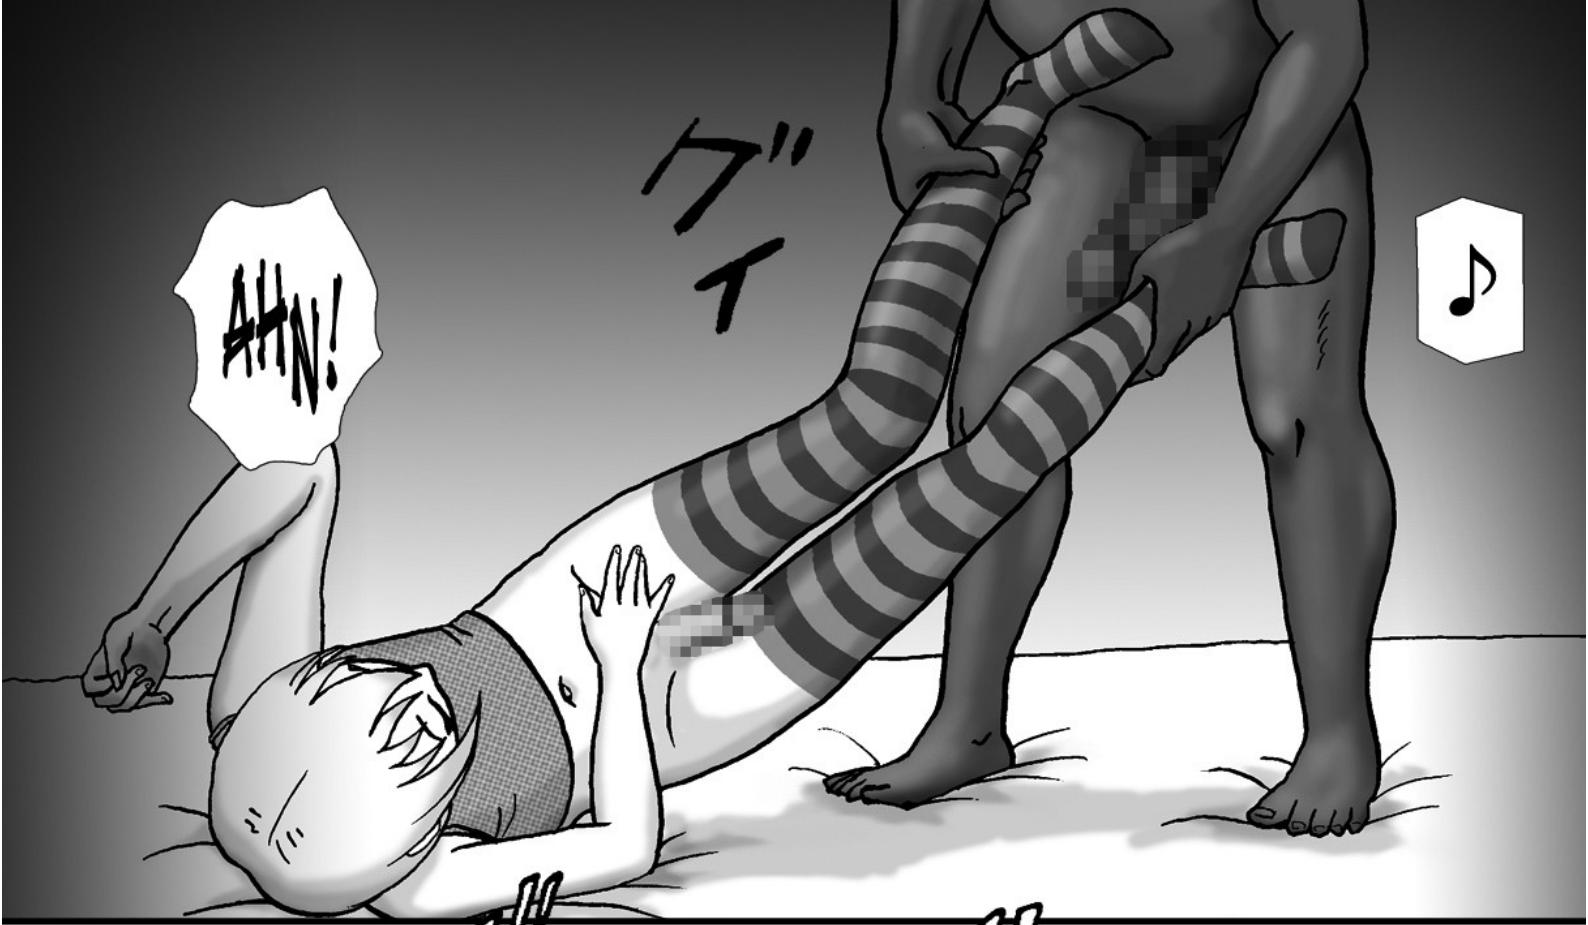

ズ
ズ

But when you're with me, you're a girl!

ズ

ズ
ズ

ズ
ズ

Shou,
tell me
why you like
black guys'
cocks
again.

ち
ろ
ろ

Black
cocks
are the
best!

HAA!
HAA!

Then
penetrate
me
again!

ち
ろ
ろ

I wanna
hear it
again!

Aww...
Haven't I
told you
that lots
of times
already?

か
は

ち
ろ
ろ

It all
started...

か
は
あ

Are you
getting
turned on
from
recalling
about it?

Ikebukuro

I was mugging weak-looking people...

Before I came to Yokohama...

Bring it on...

Hmph, only three guys. As long as I deal with the one with the bat, I should be fine...

Are you ready?

When this guy came back with his older brother and his friends.

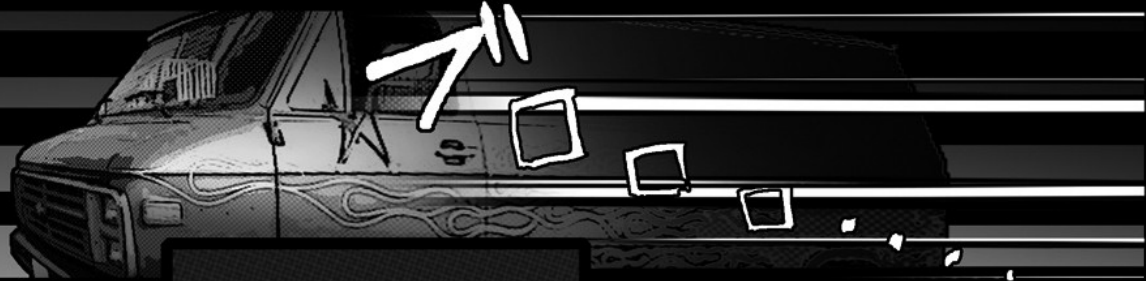

Damn...

Guhhhh...

HHH?

Huh?

I thought I was going to be beaten up, but I found myself naked...

Hehehehe...

Hehehehe...

Except...
He has a
big cock!

Your face
also looks
like girl's
too.
You're just
begging to
be raped,
aren't you?

Sto...

STOP...

No...

Here
we go!

Ohhh!

Later on
I realized
that there
were people
in this world
who would
rape guys,
and then
use that
story to
blackmail
them...

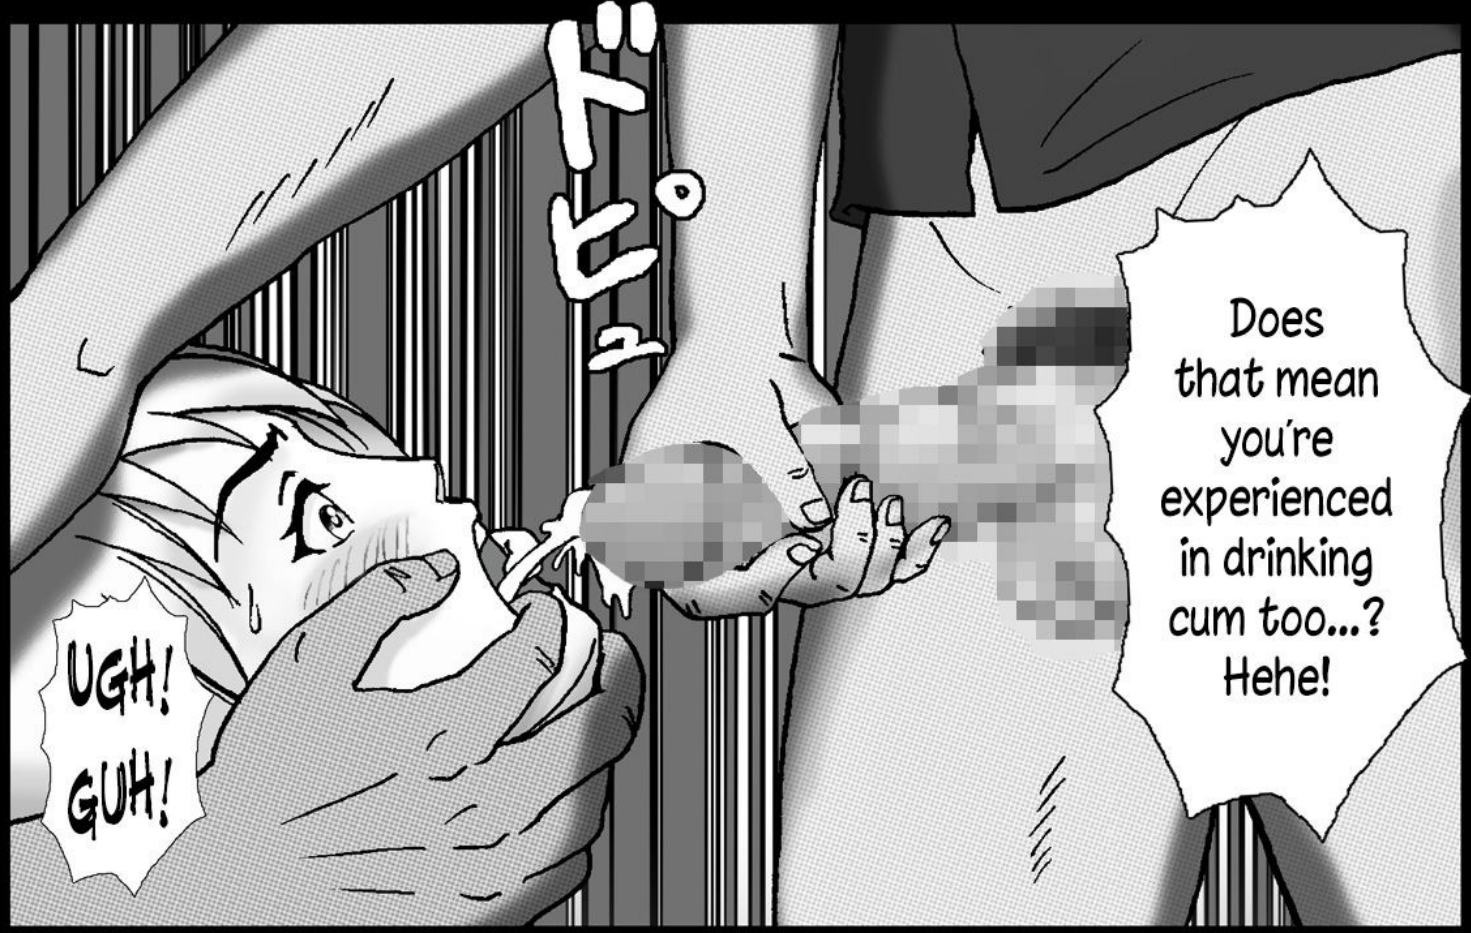

Look...
It's gone
all the way
in to the
base!

This can't be his first time!

AH!
AH!

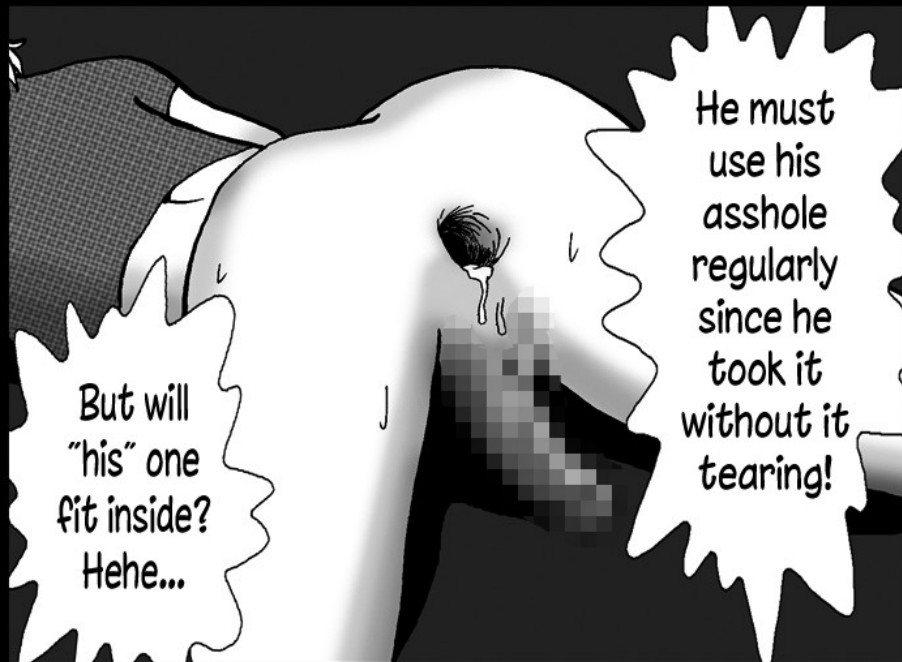

You're getting used to it pretty quick, aren't you?

UGH!
GUH!

PLT

Does that mean you're experienced in drinking cum too...? Hehe!

But will "his" one fit inside? Hehe...

He must use his asshole regularly since he took it without it tearing!

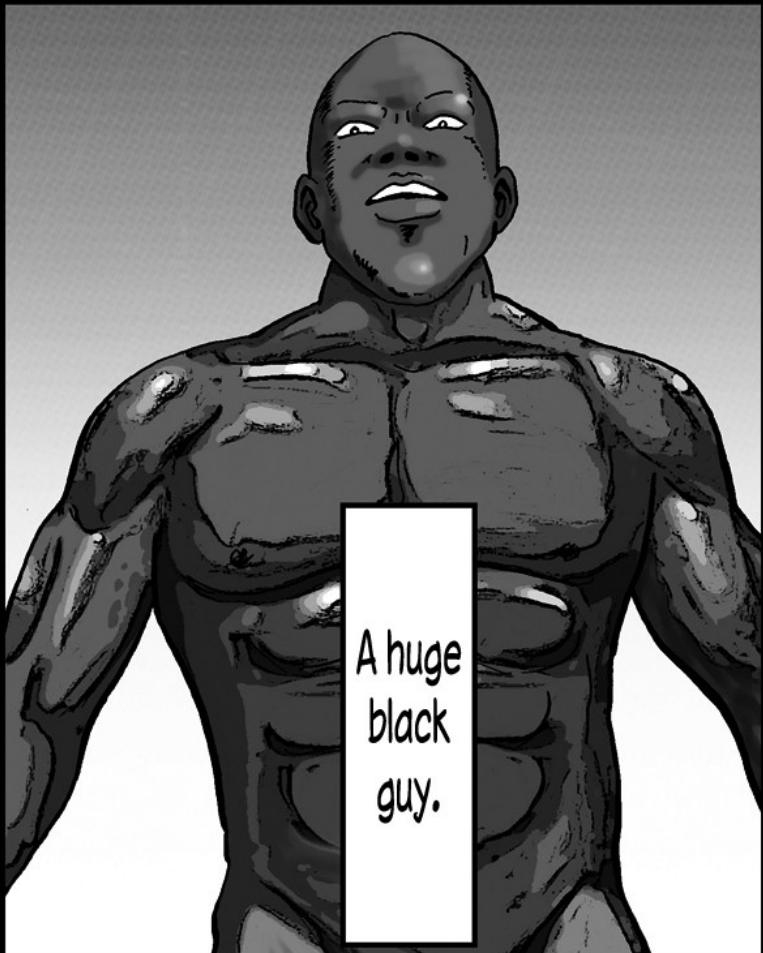

I got raped!
I got raped by men!
I even swallowed cum...

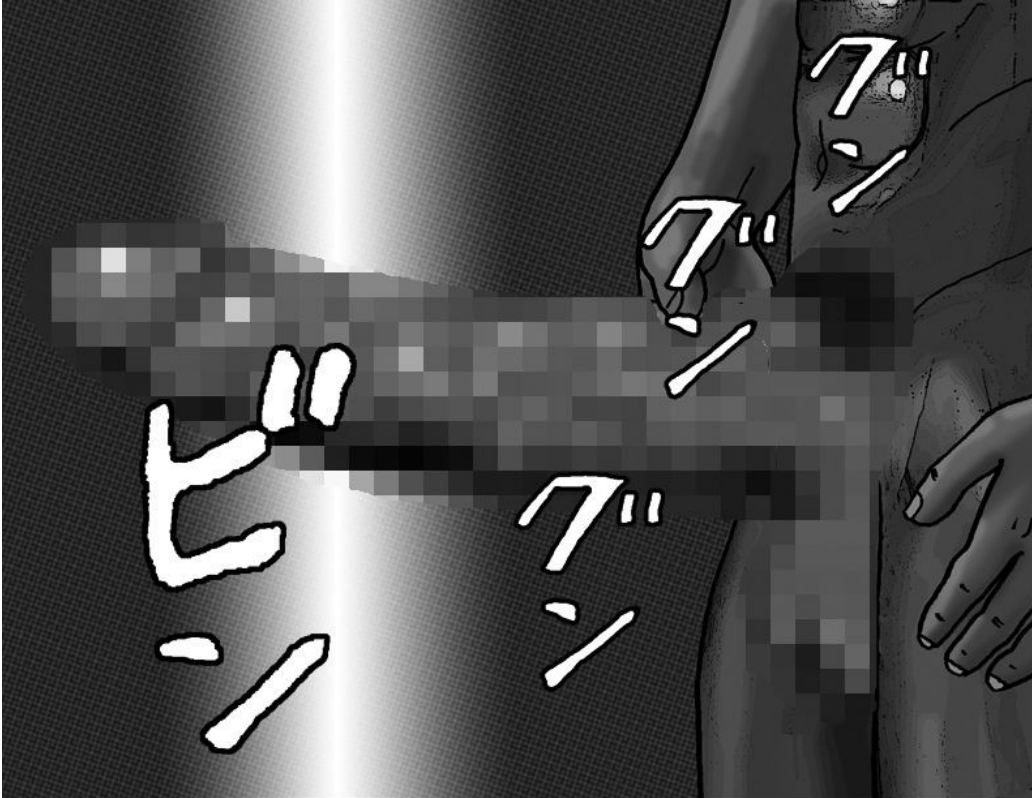

Then they took me somewhere...
And there I saw...

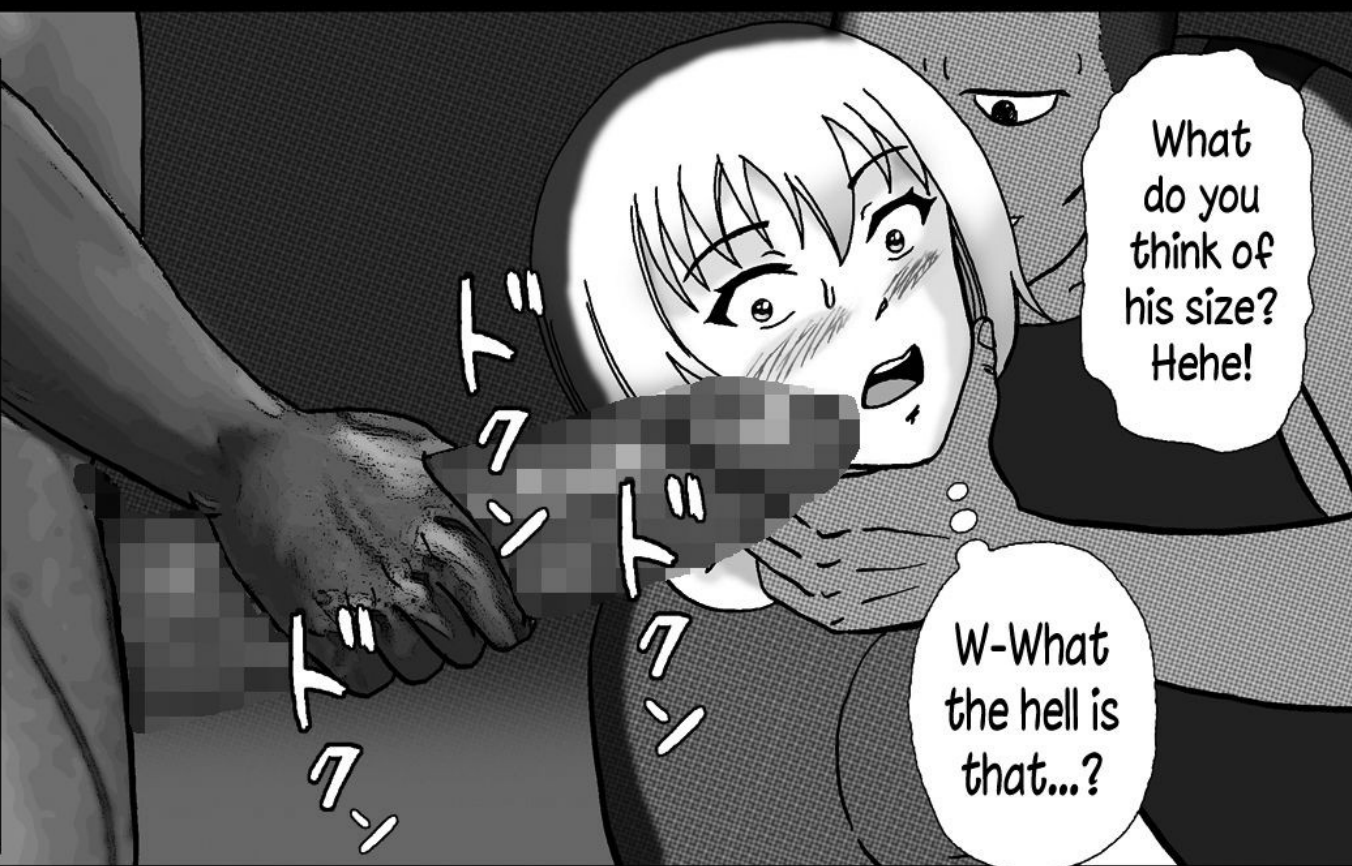

There was an object hanging from this black guy's crotch that was so huge that I couldn't believe it was a human dick.

A huge black guy.

Perhaps because his size was so unrealistically huge, I couldn't imagine it actually going inside my asshole.

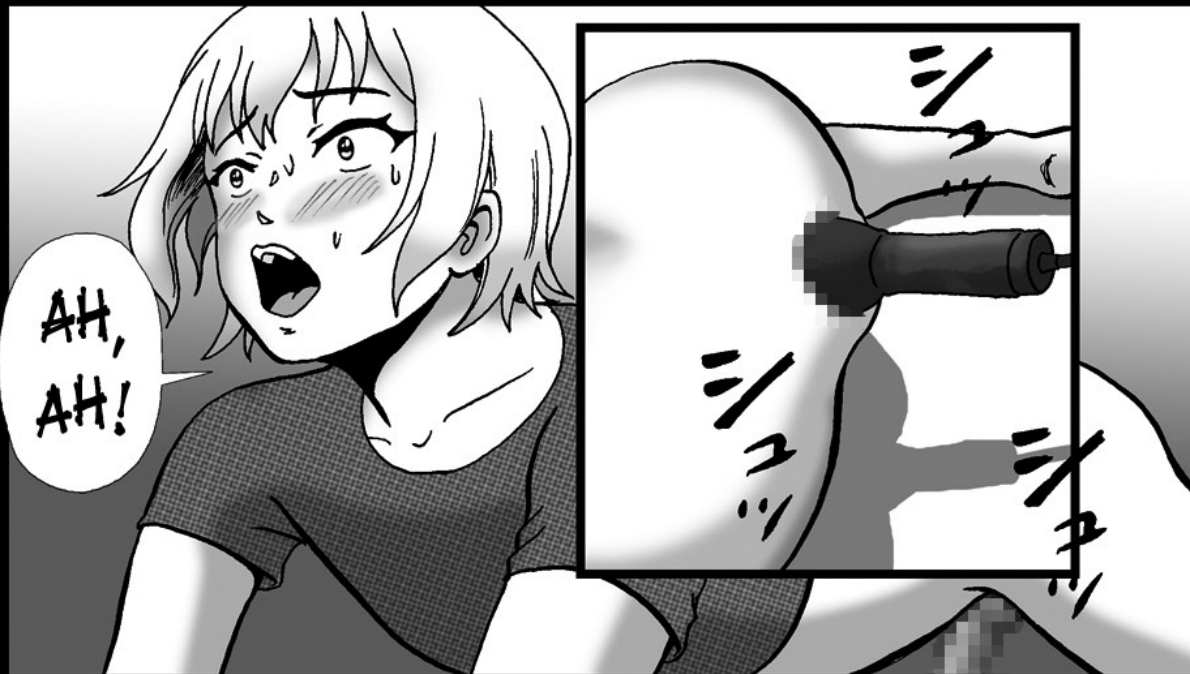

What do you think of his size? Hehe!

W-What the hell is that...?

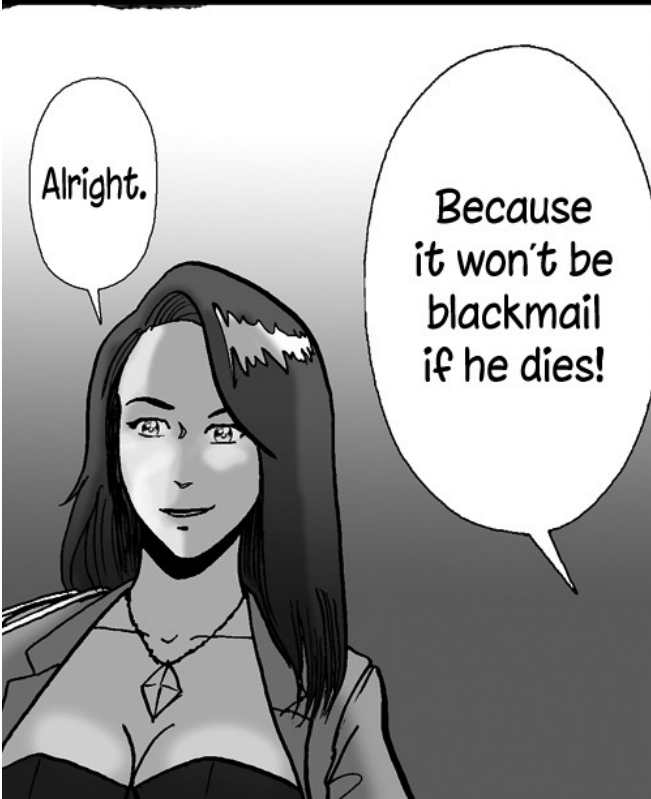

We'll need to take the time to stretch it out properly!

It won't fit just yet.

Since you love fondling urethras, you'll find him irresistible... He has a big cock.

I hear you caught a high quality one?

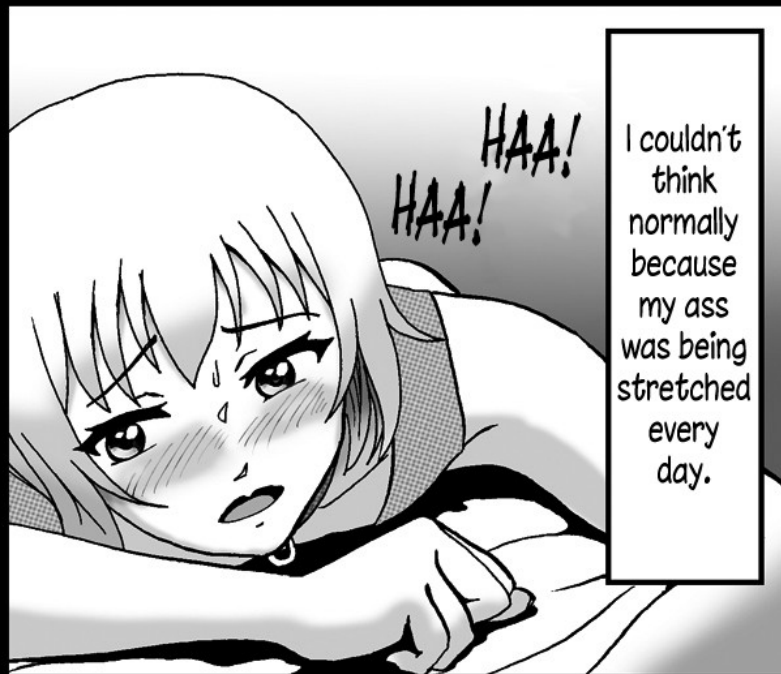

Alright.

Because it won't be blackmail if he dies!

I don't mind you two toying with him, but don't kill him like that last one!

We've finished filming videos for storytelling, so we're leaving now.

HAA!
HAA!

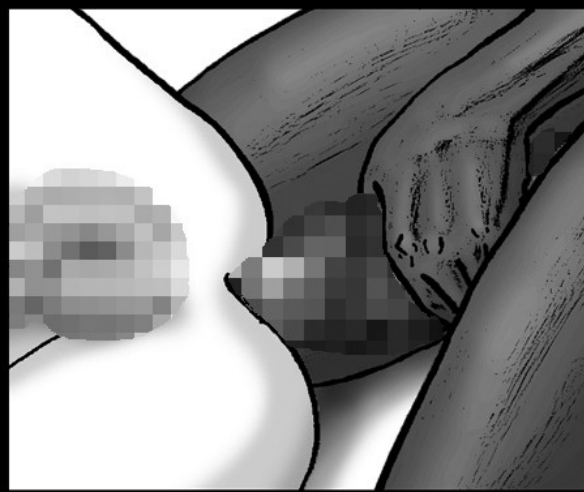

I couldn't think normally because my ass was being stretched every day.

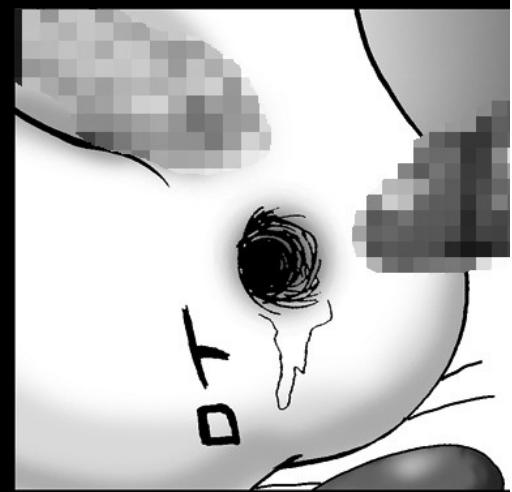

If he's stretched out this much, it should fit now, right?

I think so.

A few days later.

ほわわ

DT

NO! NO!
NO WAY!
NO! NO!
NO...!

AH!
AHH...
AH!

K
K!

X
!!
...

!!
!!
!!

What?
Is he gonna
go even
deeper...!?

WAAAA!

I felt
a pain like
my asshole
was being
torn apart,
and before
I knew it,
a black
weapon
invaded
and filled
up my
rectum.

GOHHH!

Don't worry.
It's gone past
the S-curve ,
so it should
go in
deeper...

GYAHHHHHHH!

ズ
グ
グ

HAA,
GUHN!

I felt him
pushing
even deeper
into me,
and then he
thrust
into me
one last
time.

ズ
ク

He reached
a point
where I
thought it
would be
impossible
to push
further,
but he kept
going...
And that
wasn't
the end.

I knew
he'd
faint!

AHH...

Now,
wake
up.

AHH...!

When I
woke up,
I found
myself
lying on
top of a
black guy
facing
up.

WHAT?

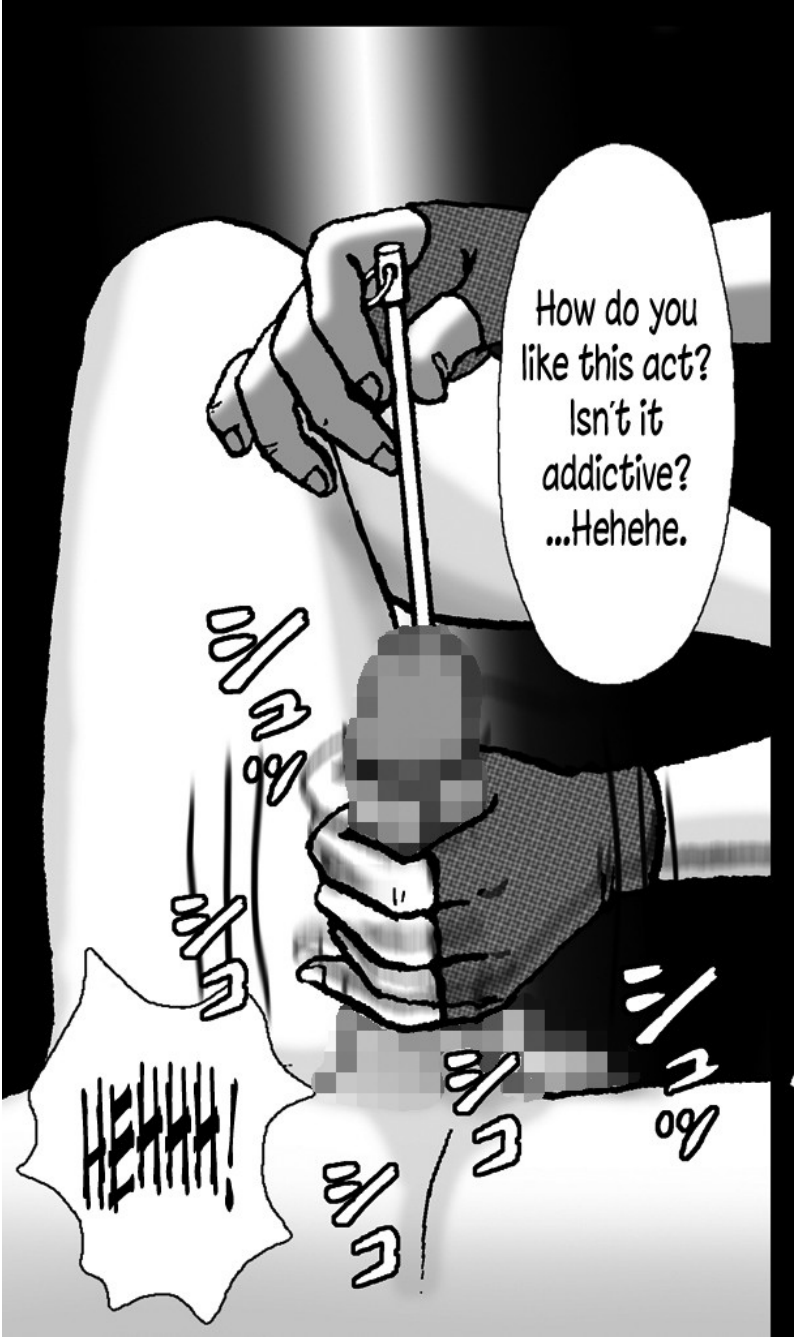

Oh?
Is this your
first time by
any chance?
...Hehehe!

WHA...?

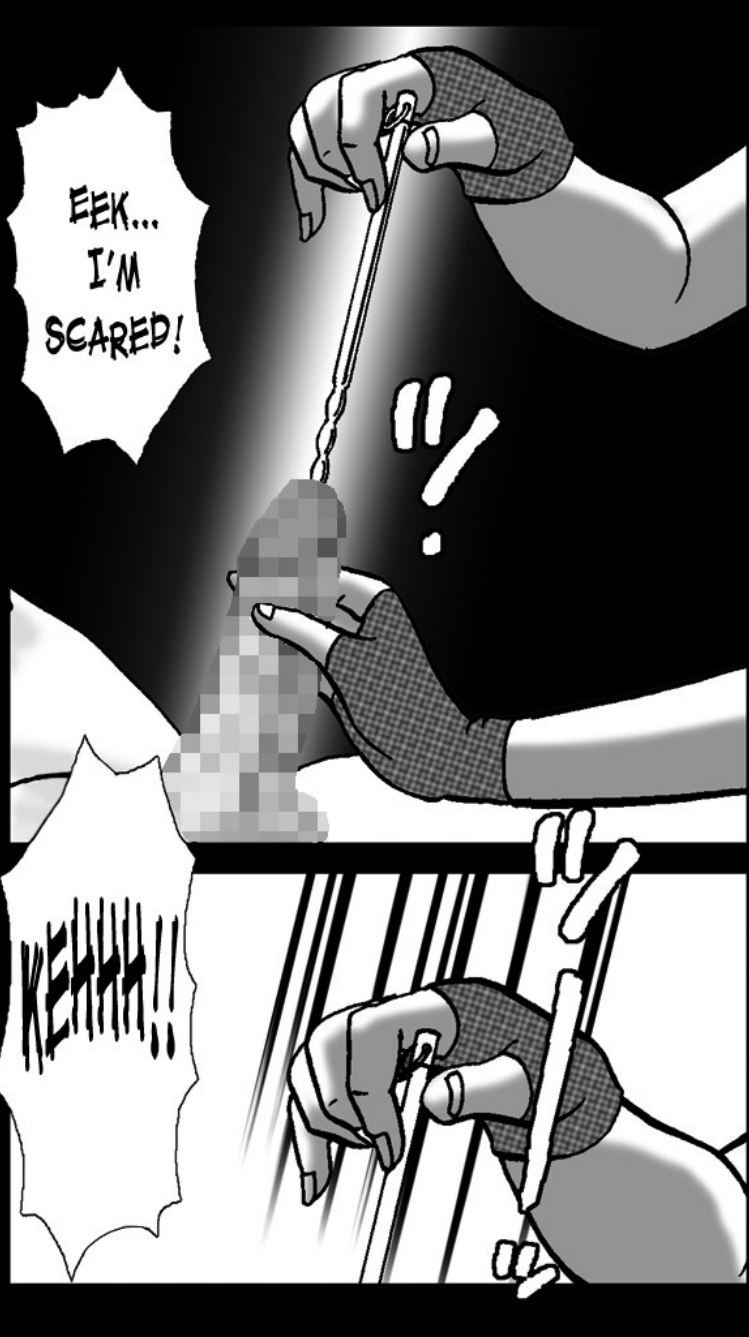

Now,
I'm going to
fondle you
this time...
Hehehe!

How do you
like this act?
Isn't it
addictive?
...Hehehe.

HEHHH!

EEK...
I'M
SCARED!

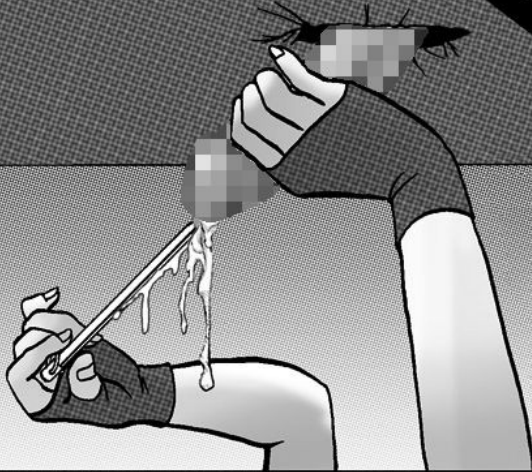

KEHHH!!!

GEEHH!

They made me lie on a bed with a hole facing down, and I was tied up in a posture where the black guy could rape me whenever he wanted. Under the bed, the woman kept fondling my urethra.

Come to this shop tonight. A middle-aged perverted sadist will pay good money for you.

Oh yeah, I'm sure you're already aware, but...

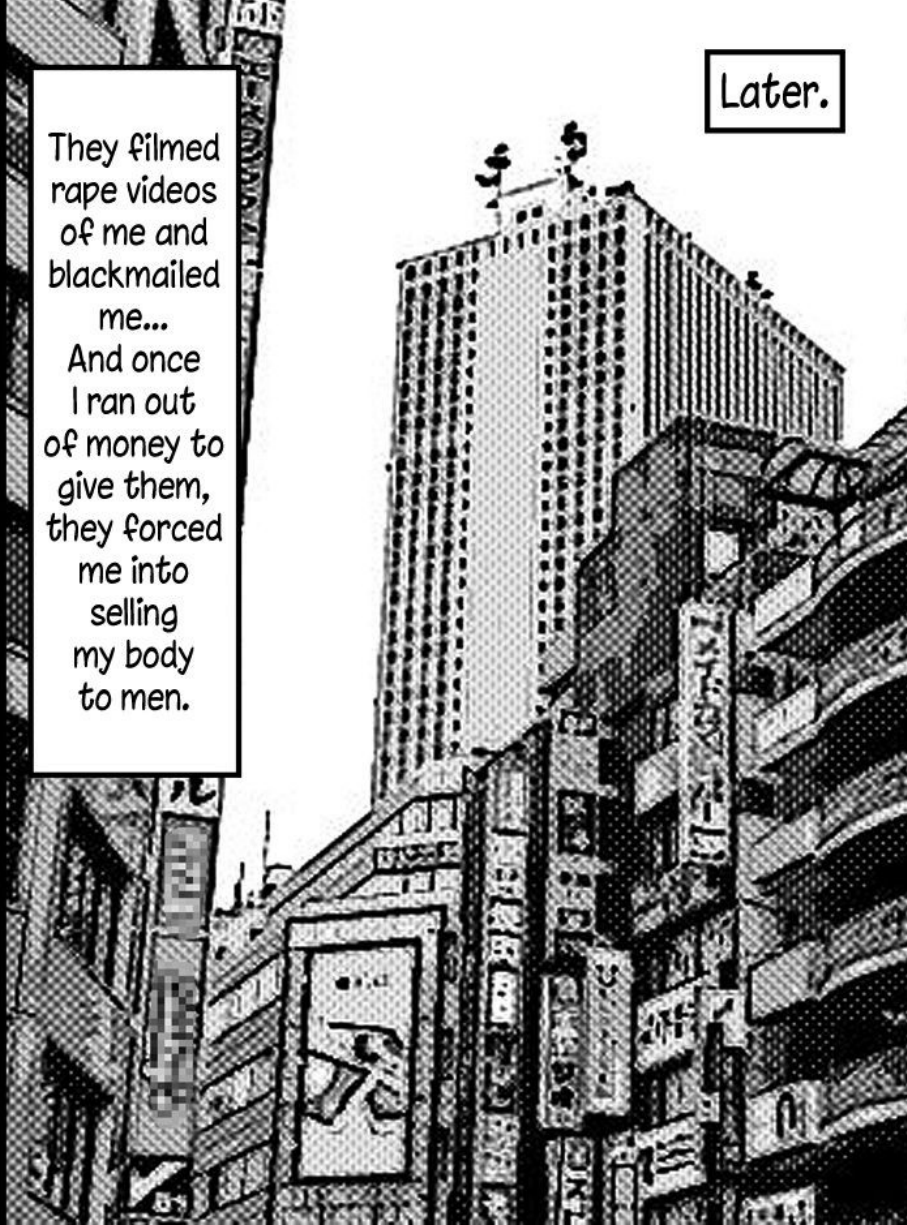

Kizoku Club
TEL03-5985-00XX
<http://kizoku-ikebukuro.com/>

You should clean your ass so he can thoroughly fuck you... Hehe.

They filmed rape videos of me and blackmailed me... And once I ran out of money to give them, they forced me into selling my body to men.

Later.

But I decided that if I'm going to die, then I should take the black guy and the woman with me...

I thought my life was over. I seriously thought about committing suicide.

Y-You bastard...

I found the black guy fondling a ladyboy with a balloon.

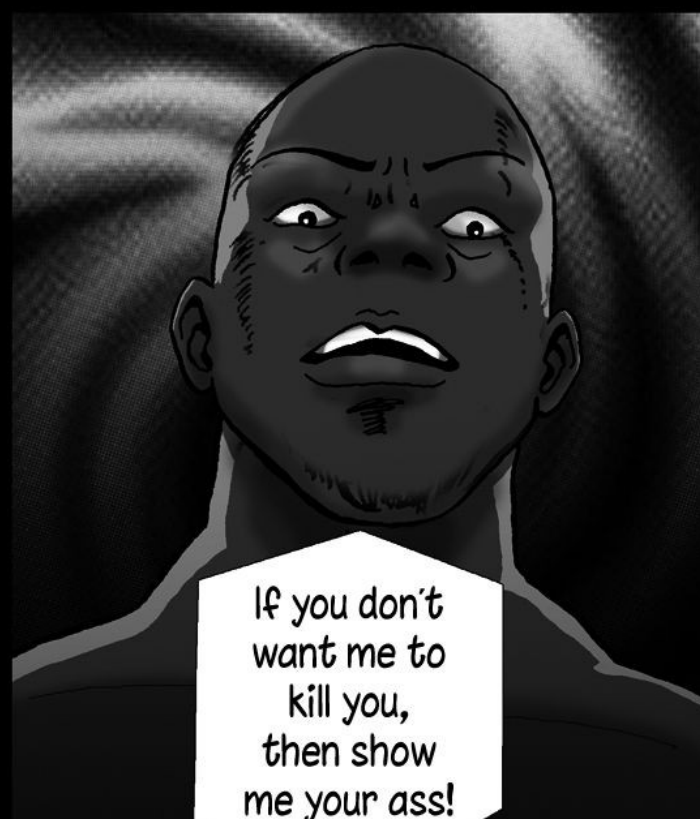

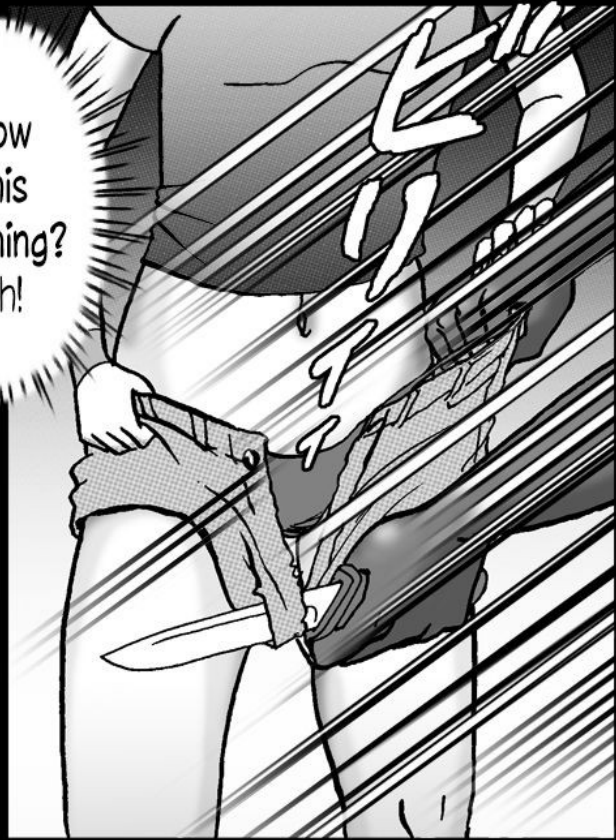

You're that kid from a while ago...

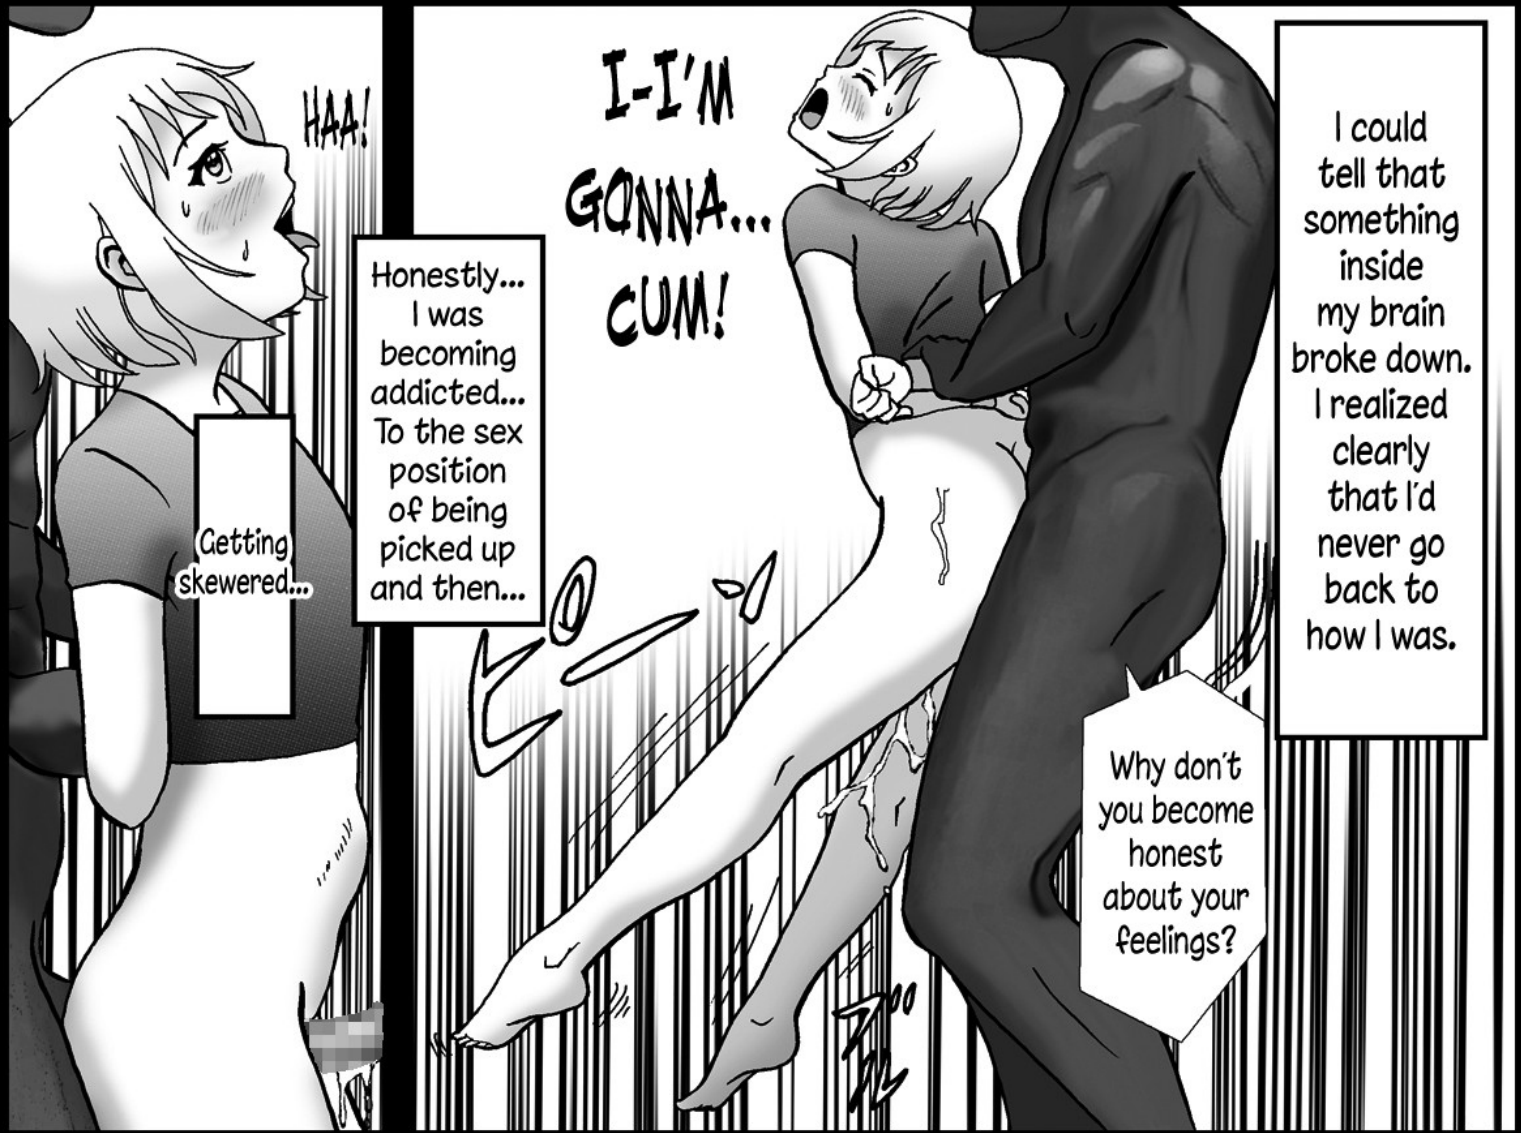

When I entered the room where I was being confined...

バツ！

HAA!

I-I'M
GONNA...
CUM!

Honestly...
I was
becoming
addicted...
To the sex
position
of being
picked up
and then...

Getting
skewered...

I could
tell that
something
inside
my brain
broke down.
I realized
clearly
that I'd
never go
back to
how I was.

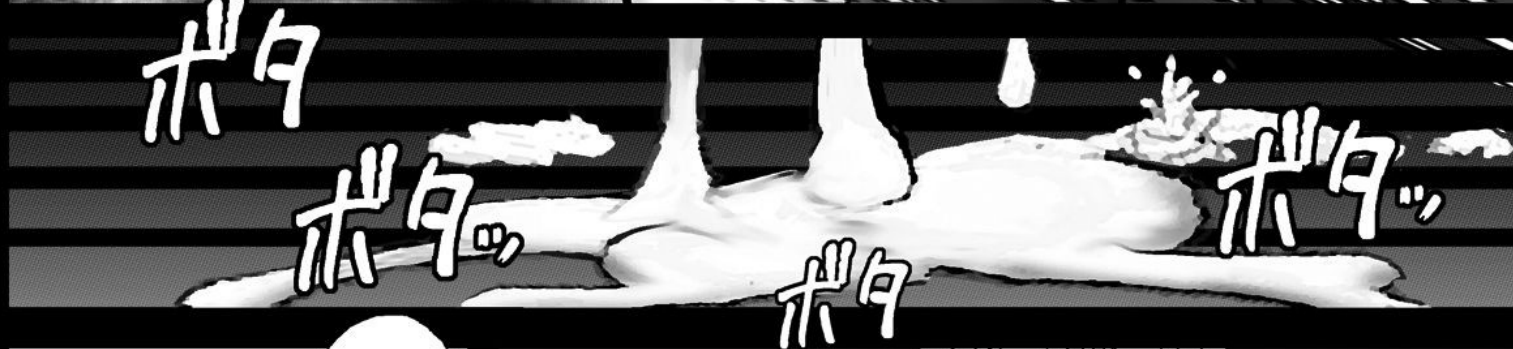

Why don't
you become
honest
about your
feelings?

Ahh...
I wonder
what he's
gonna do
next!

I love this position too!

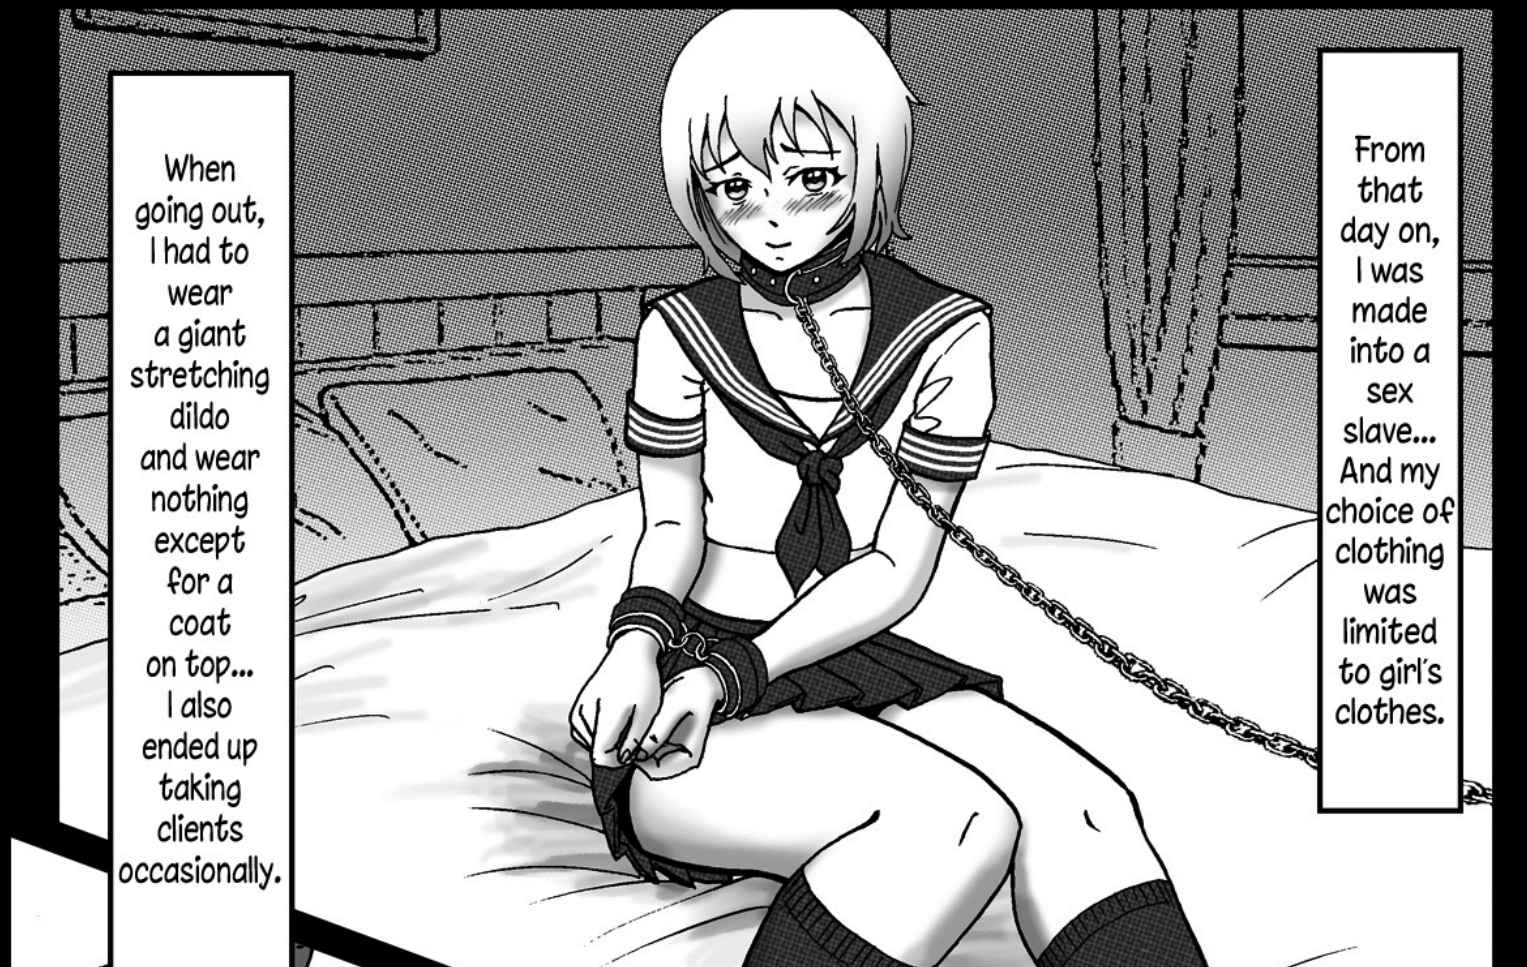

A big cock's slave... Sounds pretty good!

From now on, you're my personal sex slave, alright?

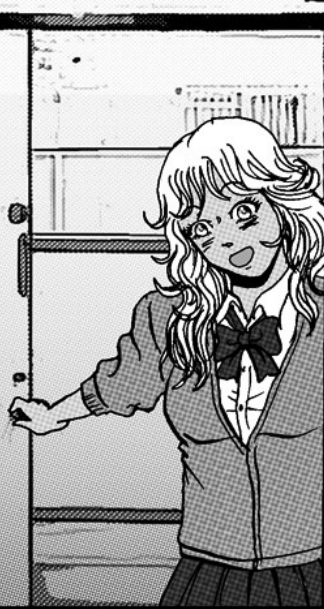

When going out, I had to wear a giant stretching dildo and wear nothing except for a coat on top... I also ended up taking clients occasionally.

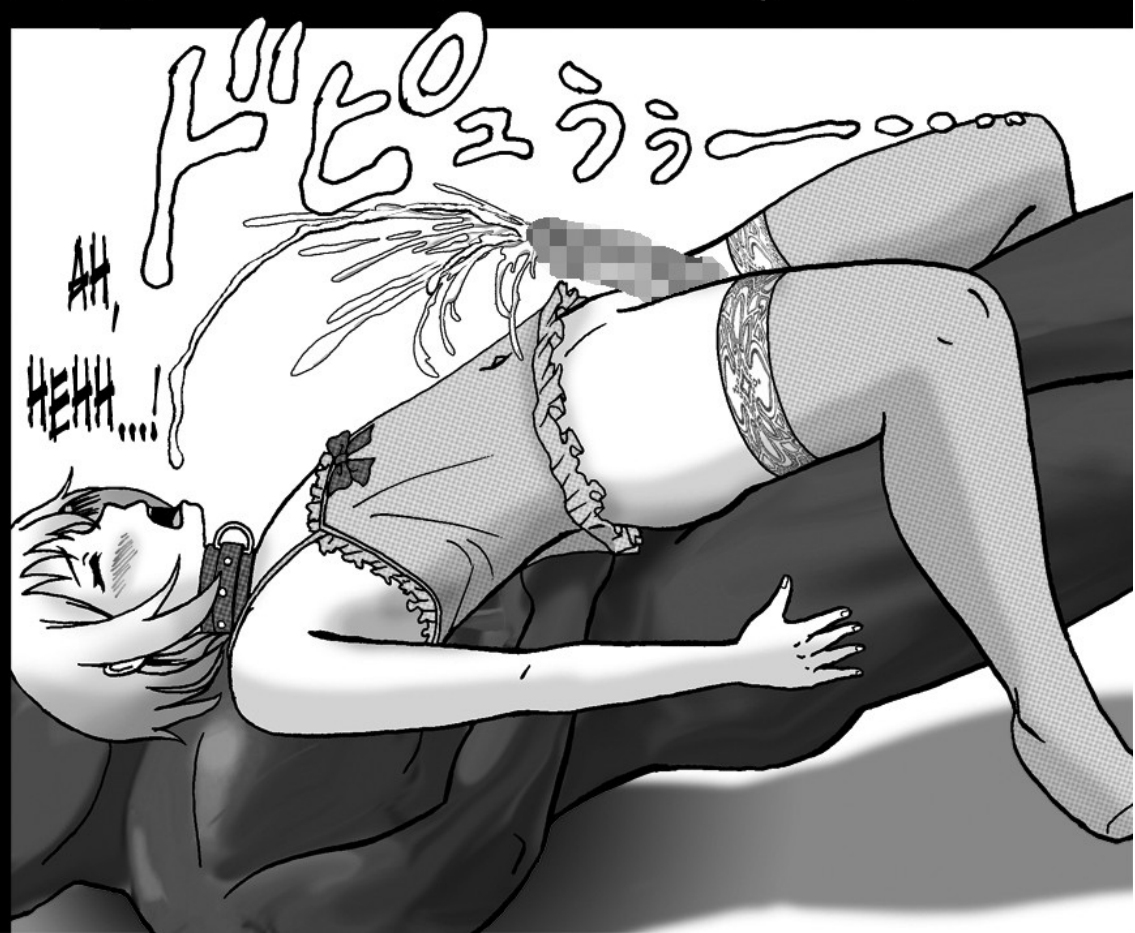

From that day on, I was made into a sex slave... And my choice of clothing was limited to girl's clothes.

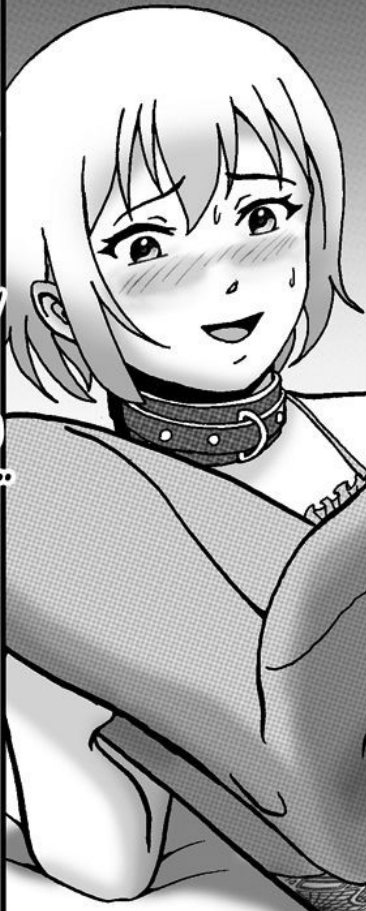

Keep your ass stretched at all times!

This life continued for about a year, until the man apparently became involved in something dangerous... And he was later found dead with his buddies.

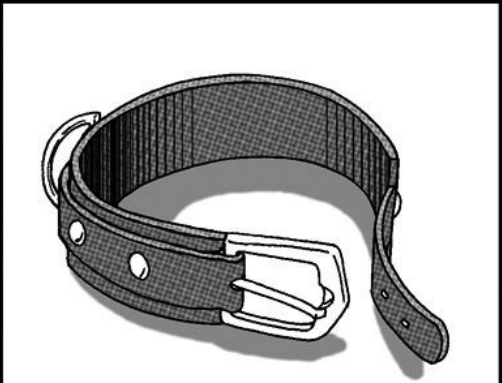

AHN,
PLEASE USE
YOUR HUGE
COCK TO
FUCK ME
DEEP LIKE
CRAZY!

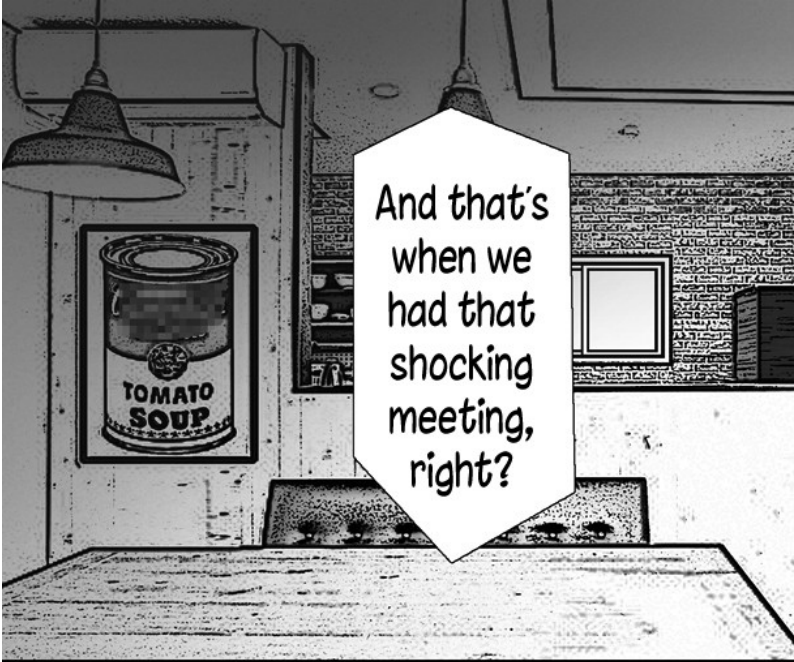

Are you
gonna
beg me?

I'd suck the cock of the man I hated so much I wanted to kill, and he'd shove his huge dick deep inside my body and fuck me hard... I'd then swallow every last drop of the huge amount of cum with my mouth and asshole. This was what I'd do every day.

What the hell... was all that?

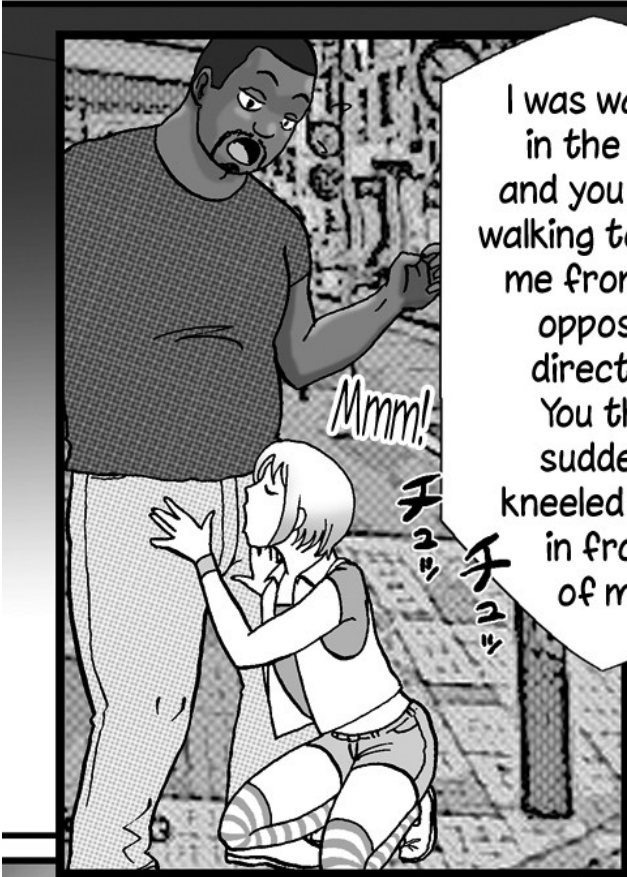

The black man suddenly disappeared... And I think suddenly regained my sanity.

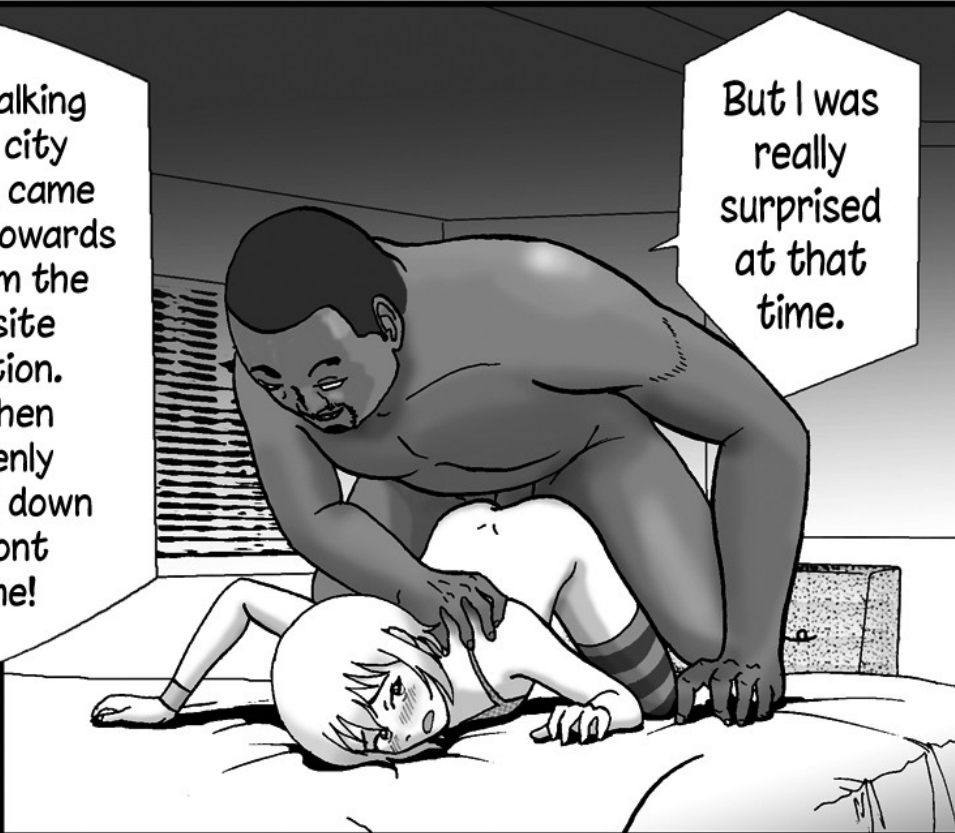

And that's when we had that shocking meeting, right?

I also felt threatened, so I escaped from that city (Ikebukuro) and came here (Yokohama) to live.

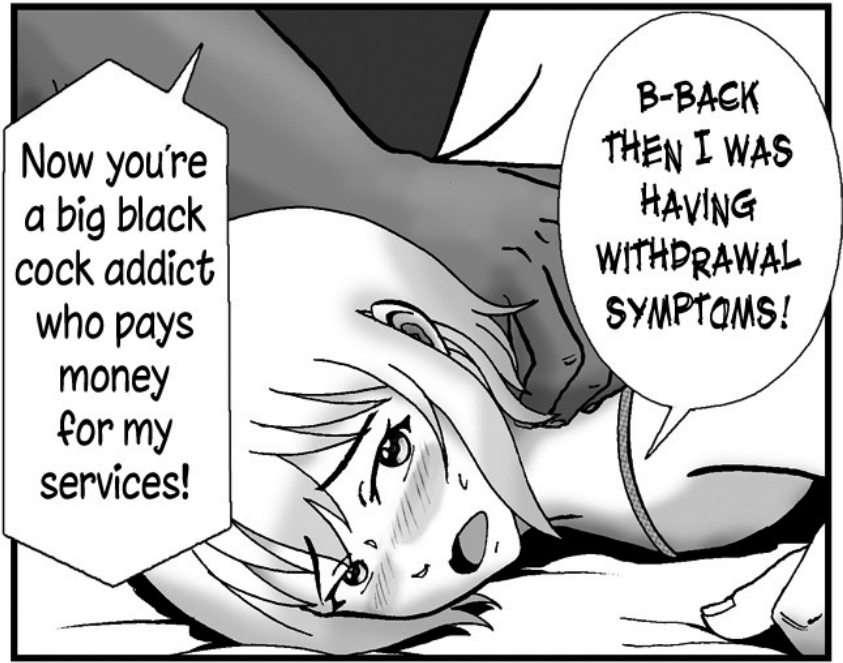

I was walking in the city and you came walking towards me from the opposite direction. You then suddenly kneeled down in front of me!

But I was really surprised at that time.

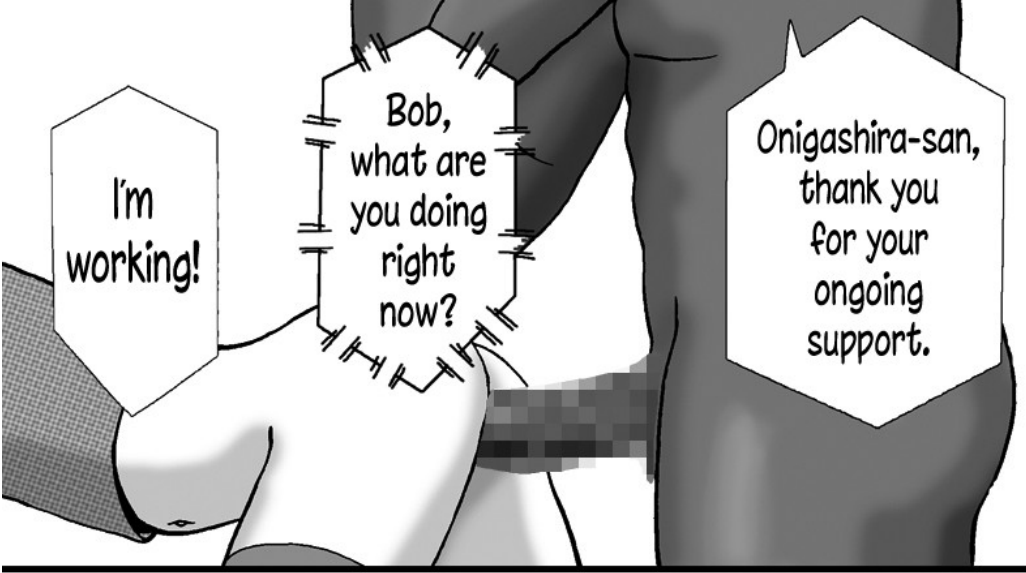

SHUT UP... AH, AHN!

Now you're a big black cock addict who pays money for my services!

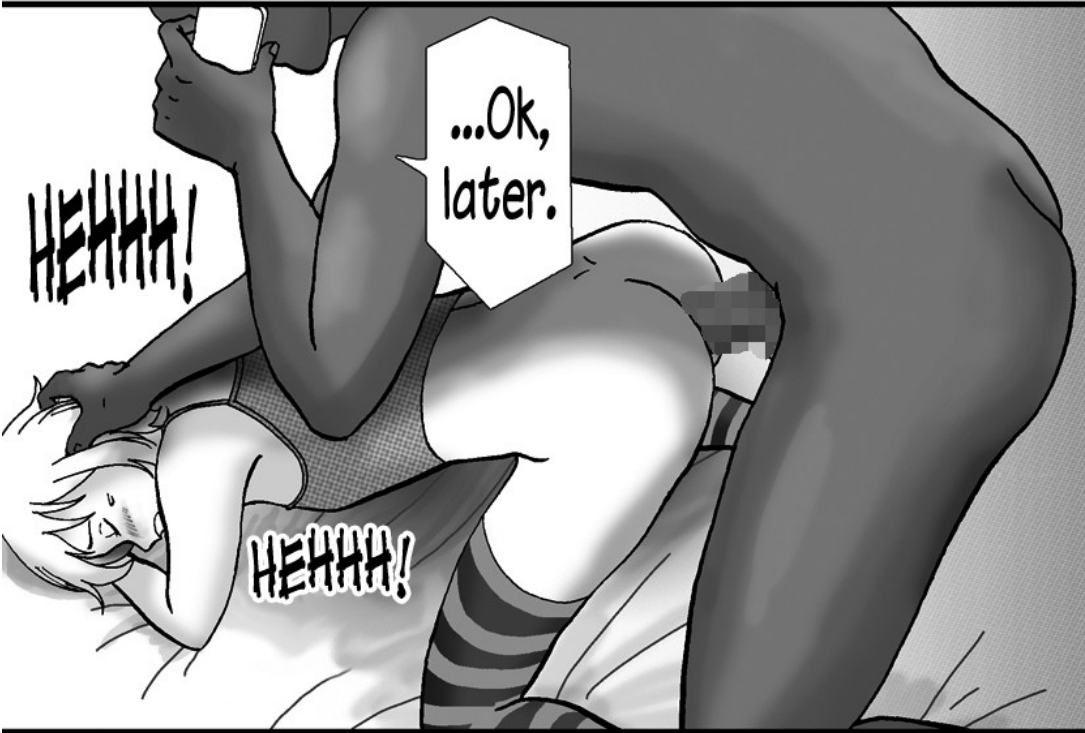

B-BACK THEN I WAS HAVING WITHDRAWAL SYMPTOMS!

I'm working!

Bob, what are you doing right now?

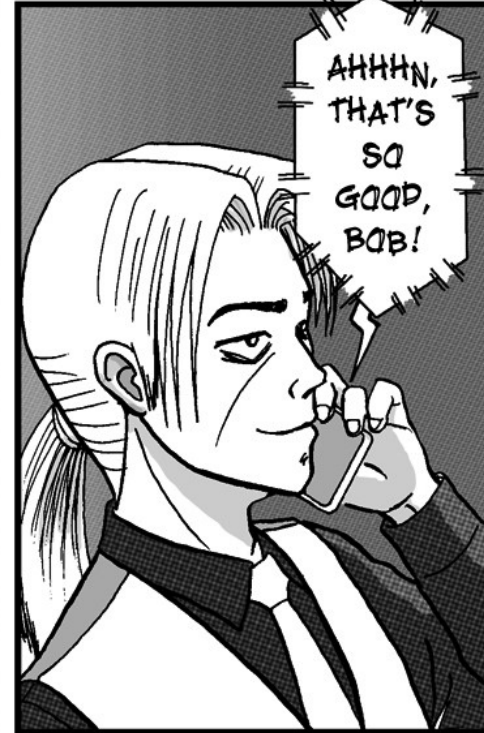

Onigashira-san, thank you for your ongoing support.

HEHHH!

HEHHH!

...Ok, later.

AHHH, THAT'S SO GOOD, BOB!

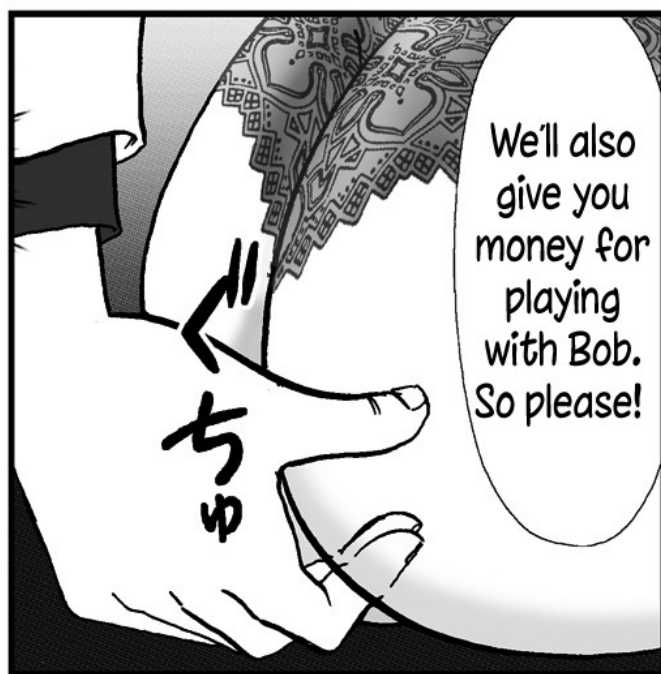

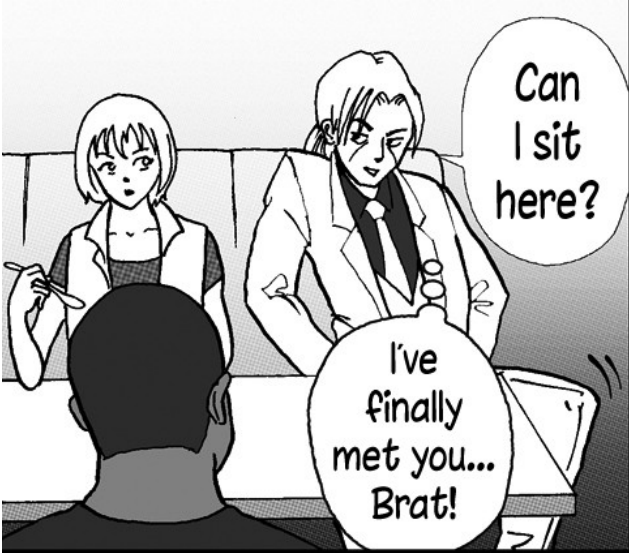

Then it's decided!

If he's doing it with Bob, then maybe he'll be able to take clients without training.

I'll make him one of our prostitutes.

Heh... He was being fucked by Bob and moaning in pleasure!

Later, I was continuously violated by both Onigashira and Bob until I agreed to become a prostitute.

Isn't it irresistible when you get anally raped after having an enema? ...Hehehe!

Shou ended up with a life where he'd spend the money he earned with his ass on being fucked by Bob. The End

SO PLEASE... LET ME GO TO THE BATHROOM...

I-I WILL, PLEASE MAKE ME... INTO A PROSTITUTE...
