● The girl who does H things in this book. ●
(Heroine)

Name: Aika-chan

Age: About 10 months in cat years

Breasts: Big

Waist: Small

Butt: Very grope-able (author's wishes)

Likes: Onii-sama

Dislikes: Anything that troubles
onii-sama

Lucky panties: Red

One day, after Aika unexpectedly
finds out that her beloved onii-sama
was suffering from erectile dysfunction,
she follows her sense of duty as his little sister
and strips for him. This is how the story begins.

I'm happy to hear that you think that way, but this really doesn't have anything to do with being a little sister.

Even though being able to help onii-sama with his troubles should have been my duty as a little sister...

I'm sorry for not being of any use, onii-sama...

Er... Aika?

?

Why are you giving me such a confused look...?

It's the power of LOVE.
♪

That's easy, it's because there's not a single thing about onii-sama that I don't know.
♪

To begin with, I don't think I've ever told anyone about my impotency... How did you even find out about this?

♪

● Afterword ●

This is the first time I've drawn a book with a big-breasted girl. Even I'm surprised. Hello there.
Because I've always been drawing flat-chested girls, call it not wanting to be pigeonholed or something, but basically,
I tried leaning towards the other side this time.
There might even be some long-time readers becoming worried or thinking 'What happened?'
(In fact, it's happened before on some of the pictures I posted online, in the comment section.)

Let's just say that this book is about challenging myself and trying to go outside the box, so there's no need to worry.

Even in real life, it's true that compared to my teenage years I've gotten a bit less energetic 'down there'.
There are even some days when I worry that I've become completely unable to get it up, but,
during those times, to lift my spirits, I fantasize about a cute girl cheering me on.
Not a girlfriend, but the more familiar little sister figure.
This is the book that was created from my imagination back then; about the kind of girl I wished for.

When I actually tried drawing it, I realized it might have a bit of a yandere-ish vibe to it...

I don't know what will become of the breast size in the next book, but because there wasn't a lot of focus on the panties this time,
next time I will definitely make up for it.

Then, until next time.
