ONE MONTH EARLIER ...

A REALLY CUTE GIRL INVITED ME TO START GOING OUT WITH HER.

I SAID OK, UNDER THE CONDITIONS THAT MY CLUB ACTIVITIES WEREN'T TOO HECTIC, AND THAT WE WOULD START AS FRIENDS.

WE DID THINGS LIKE GOING TO THE ARCADES AND TO CAFES...

AT FIRST THERE WEREN'T REALLY ANY PROBLEMS AT ALL, AND EVERY-THING WAS GOING SWIMM-INGLY.

HOWEVER, HER DANGEROUS INNER SELF STARTED TO SHOW NOT LONG AFTER.

Senpai.

Who exactly is that girl?

Ahh, she's our Manager--

Why are you getting along with a woman OTHER than me?

EVER SINCE THEN, SHE'S ALWAYS BEEN TAILING ME AROUND.

BECAUSE HER STALKER TENDENCIES AND DESIRE TO COMPLETELY MONOPOLIZE ME BECAME AN ISSUE, I WANTED TO PUT SOME DISTANCE BETWEEN US.

I don't give a damn if she's your manager our whatever. Please don't go talking with any other girls.

ゾワ...

Wa... Wait a second ...

In fact, you should talk with your male friends as little as possible too. You should only chat with ME from now on.

Yes, that'll be quite enough.

AND THEN ON THE WAY HOME TODAY.... THIS SITUATION HAPPENED.

IT SEEMS LIKE THAT CLOTH WAS DOUSED WITH SOME TYPE OF CHEMICAL THAT SUDDENLY MADE ME LOSE COSCIOUS-NESS.
!?
....! You... are...!!

AND THEN ...
This is YOUR fault, Senpai.

THAT WAS PROBABLY THE MAIN CAUSE...

The heck's this...?
In my muddled memories, the last thing I remember seeing...
...is her towering form, grown who knows how many times larger.

...she was grinding me into her womanhood like this.
And when I came to...

Mfu~ ♡
Who would have ever thought I had THIS kind of kink.
...having you like this somehow gets my heart beating even faster then with the usual you, Senpai.
I never thought it would literally do that by shrinking you, but...

I bought this on the deep web for us.
It's a "spray for putting the person you're thinking about right in the palm of your hand".

Geez~...
Why are you trying to run away?
A...At this rate, I'm screwed.
I've gotta break free somehow and find help...

You shrank even tinier, didn't you.

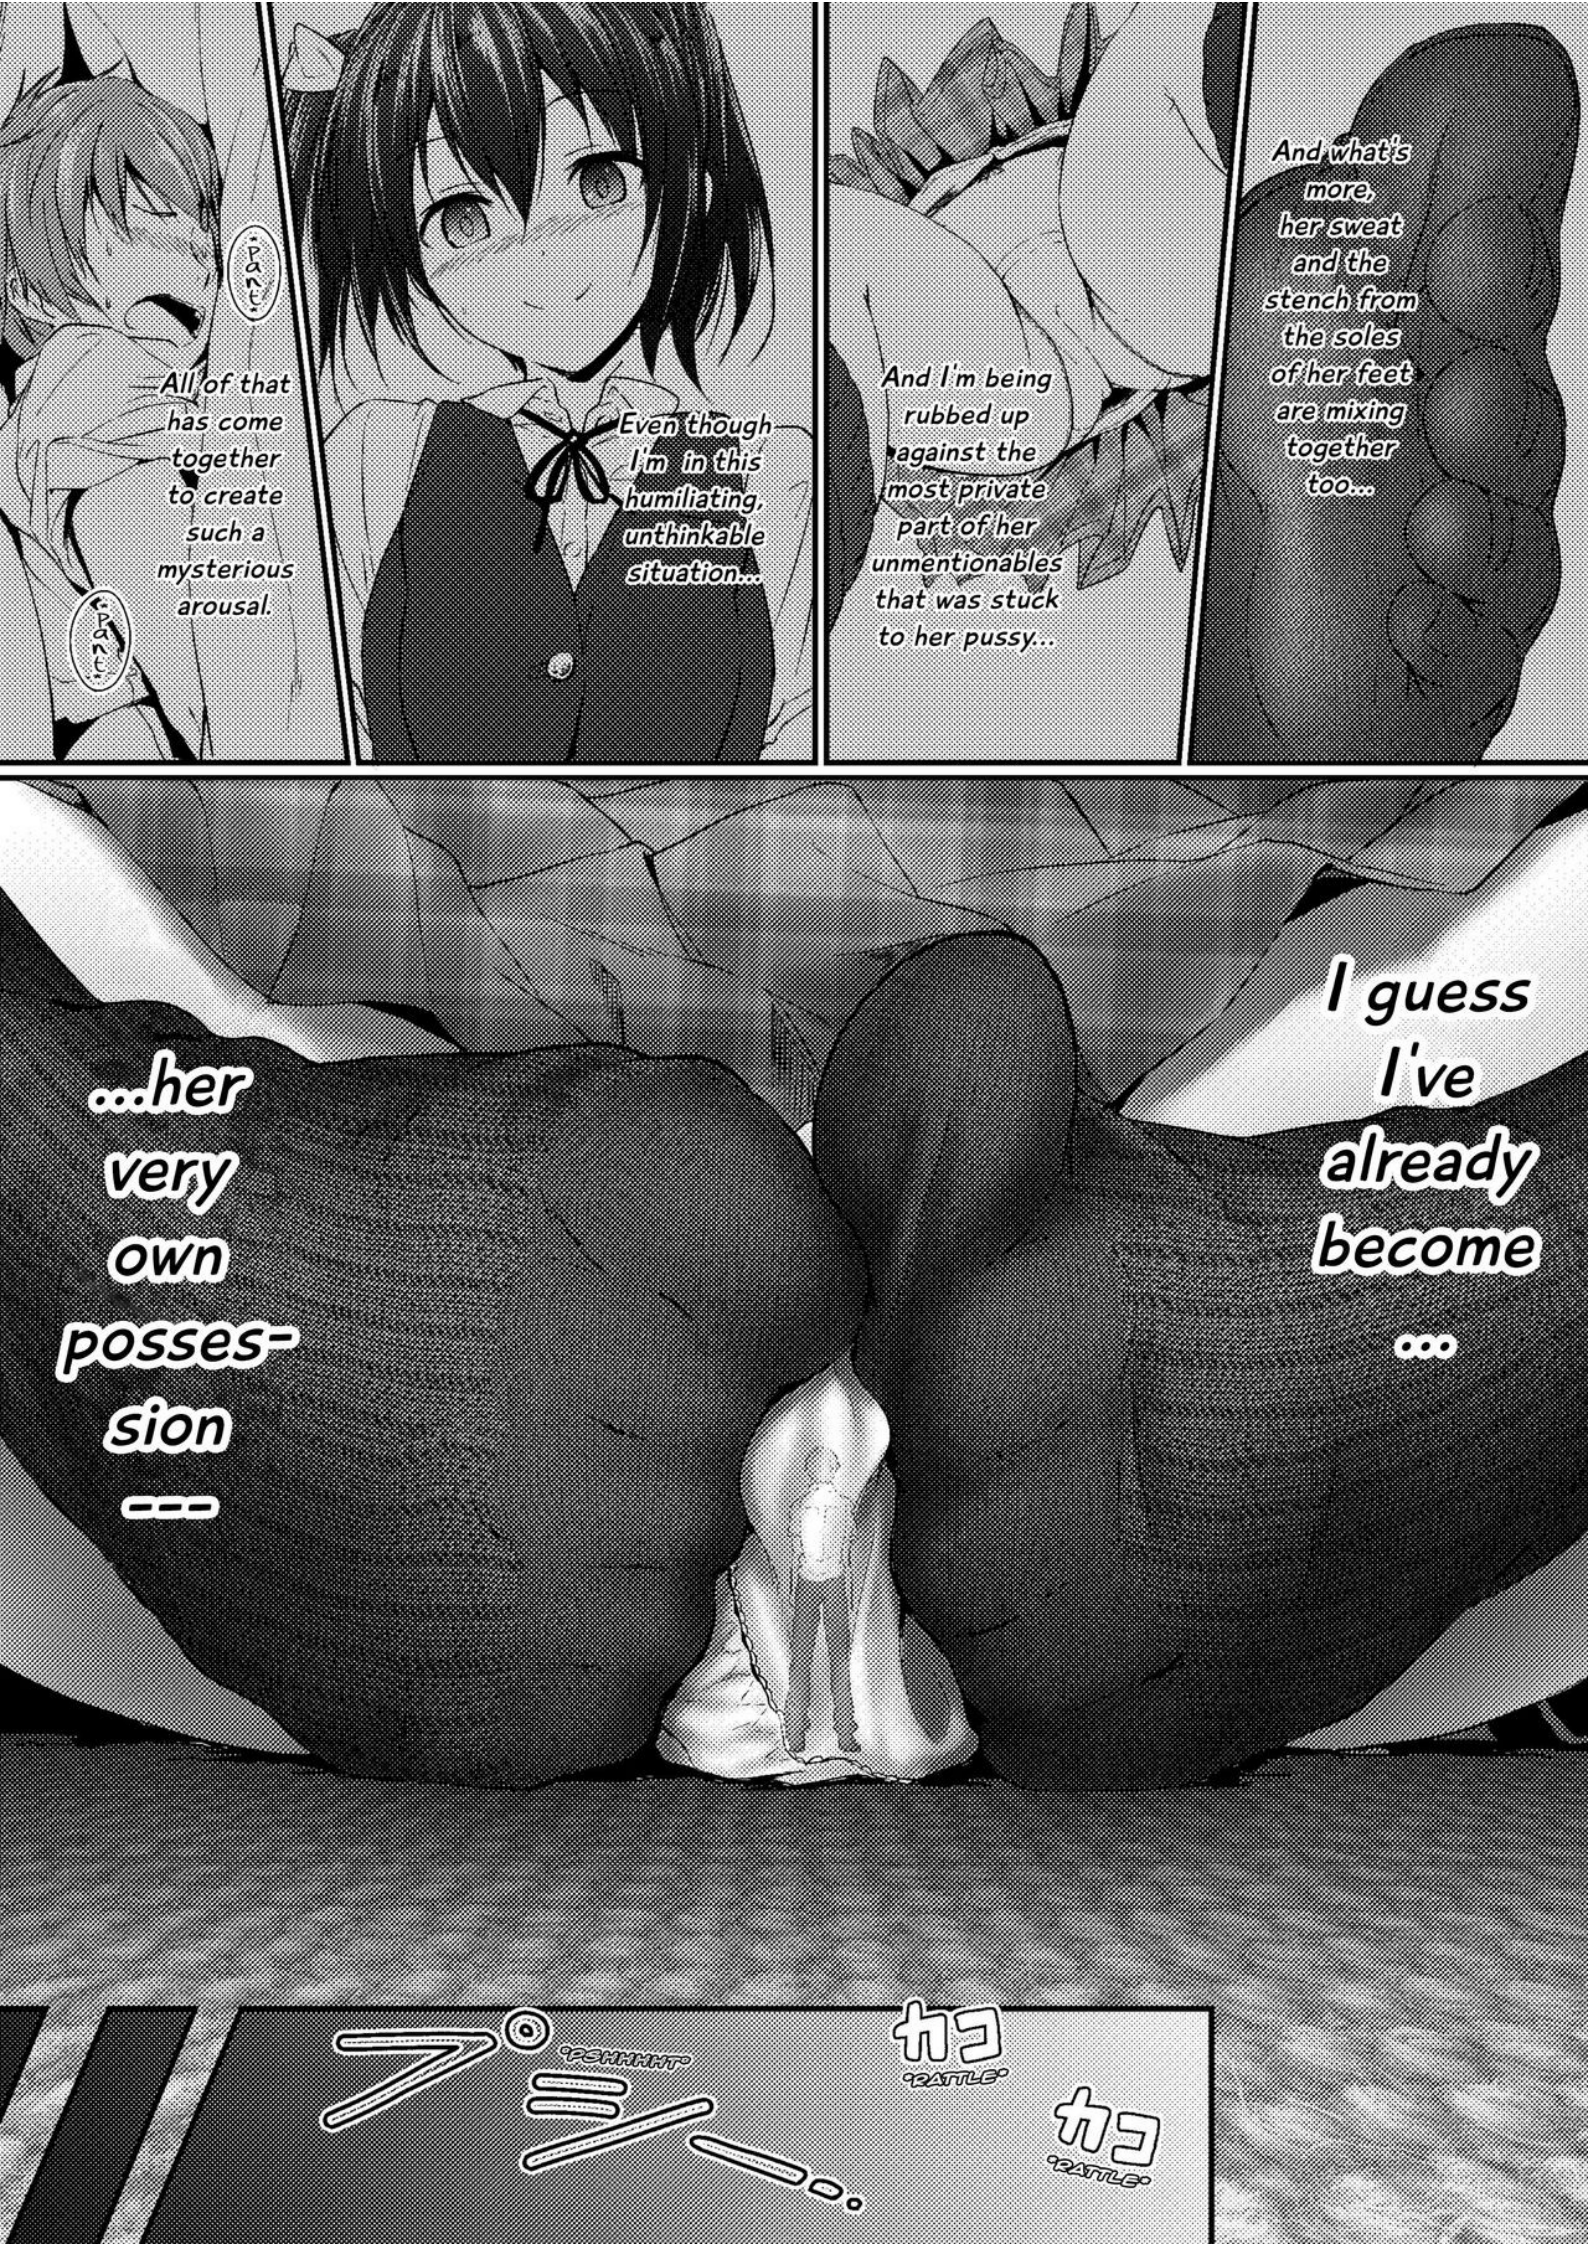

I've got to properly train my naughty Senpai or he'll stay no good.

Senpai~, do you have a good view of my asshole~?
Hii-!

Here I go~!

Senpai's drowning in my scent...
I don't want to let him breath in anything but my musk-laced atmosphere.

...who was always so petite compared to me.
In that girl's panties...
Being completely engulfed in a pair of panties like this...
And the part that was right up against her crotch to boot.
You're kidding me, right?

A "full-body panty-job" ...
I wonder what that must FEEL like?!
Please let me...
...hear your thoughts on the experience later, alright?
The scent from her musty panties and the lingering stench from her fart are---

And what's more, her sweat and the stench from the soles of her feet are mixing together too...
And I'm being rubbed up against the most private part of her unmentionables that was stuck to her pussy..
Even though I'm in this humiliating, unthinkable situation...
All of that has come together to create such a mysterious arousal.
I guess I've already become ...
...her very own posses-sion ---

That guy's been missing without a trace since yesterday, y'know.
They say that he never went home, and he didn't go to any of his friends' places either.
It's kinda scary.

After all, from now on...
...that's where Senpai will live out his life---

After that, I shrank Senpai down even smaller.
I insert him in the lining of the crotches of all the panties I wear.
Like this, I can...
...put Senpai into my most precious place whenever I want.

WHEN I CAME TO, I WAS IN A DARK, EMPTY SPACE. IT WAS JUST I AND THE GIRL WHO I'D LONGED FOR AT SCHOOL. I HAD NO RECOLLECTION OF WHAT HAD HAPPENED BEFORE WAKING UP.

Good morning, Hamamura -kun

.....?

You look as if you can't believe your eyes!

HER LITTLE REVENGE GAME DRE

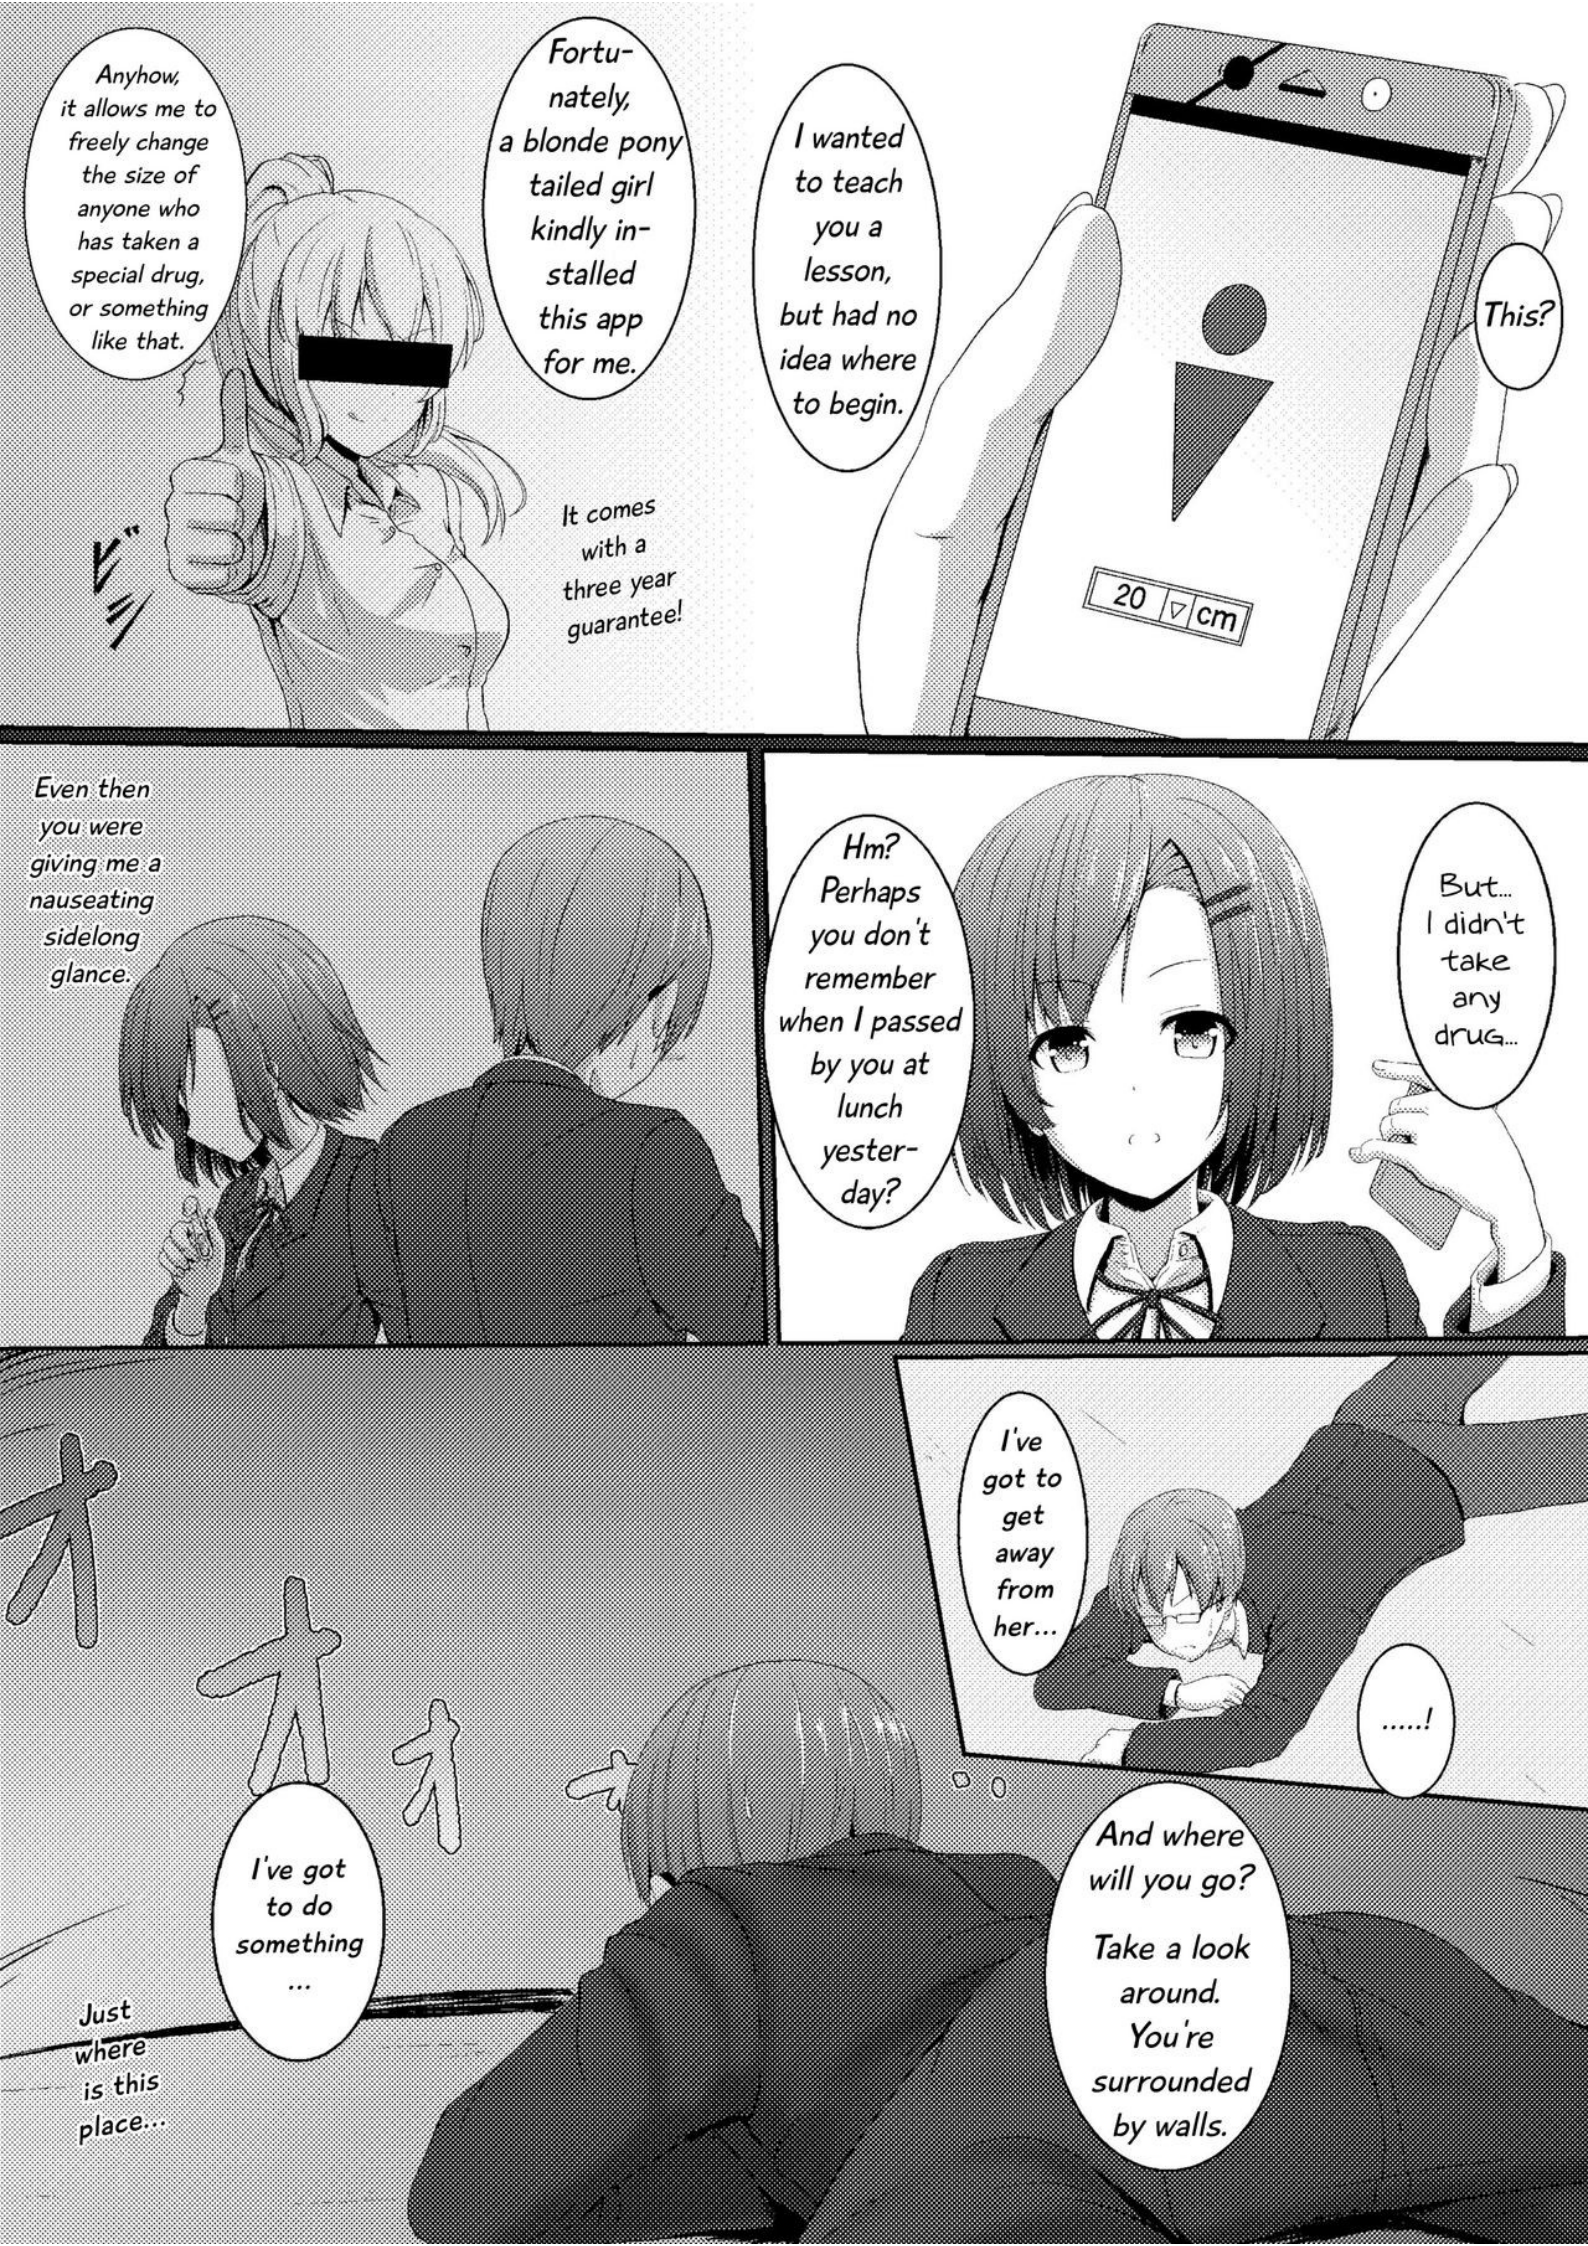

ス・・・

ビクッ

Is this real?

Hamamura-kun, you've had your eye on me for quite some time now, haven't you? Even in the classroom, you're always watching me.
Well... uh...
But you see, the thing is...
Hiragi -san...?
Um... what are you...
You disgust me.
Huh..?
Just being in a classroom every day with you was un-bearable...
So now ...
I'm going to get my re-venge.
!?

Oof-!
Did you become bigger...
I think you're mistak-en.
Hiragi ...sa-
Gah...
It's just that you've become smaller and weaker, Hamamura -kun.
Just what is that...
How about I shrink you down to 20cm next?

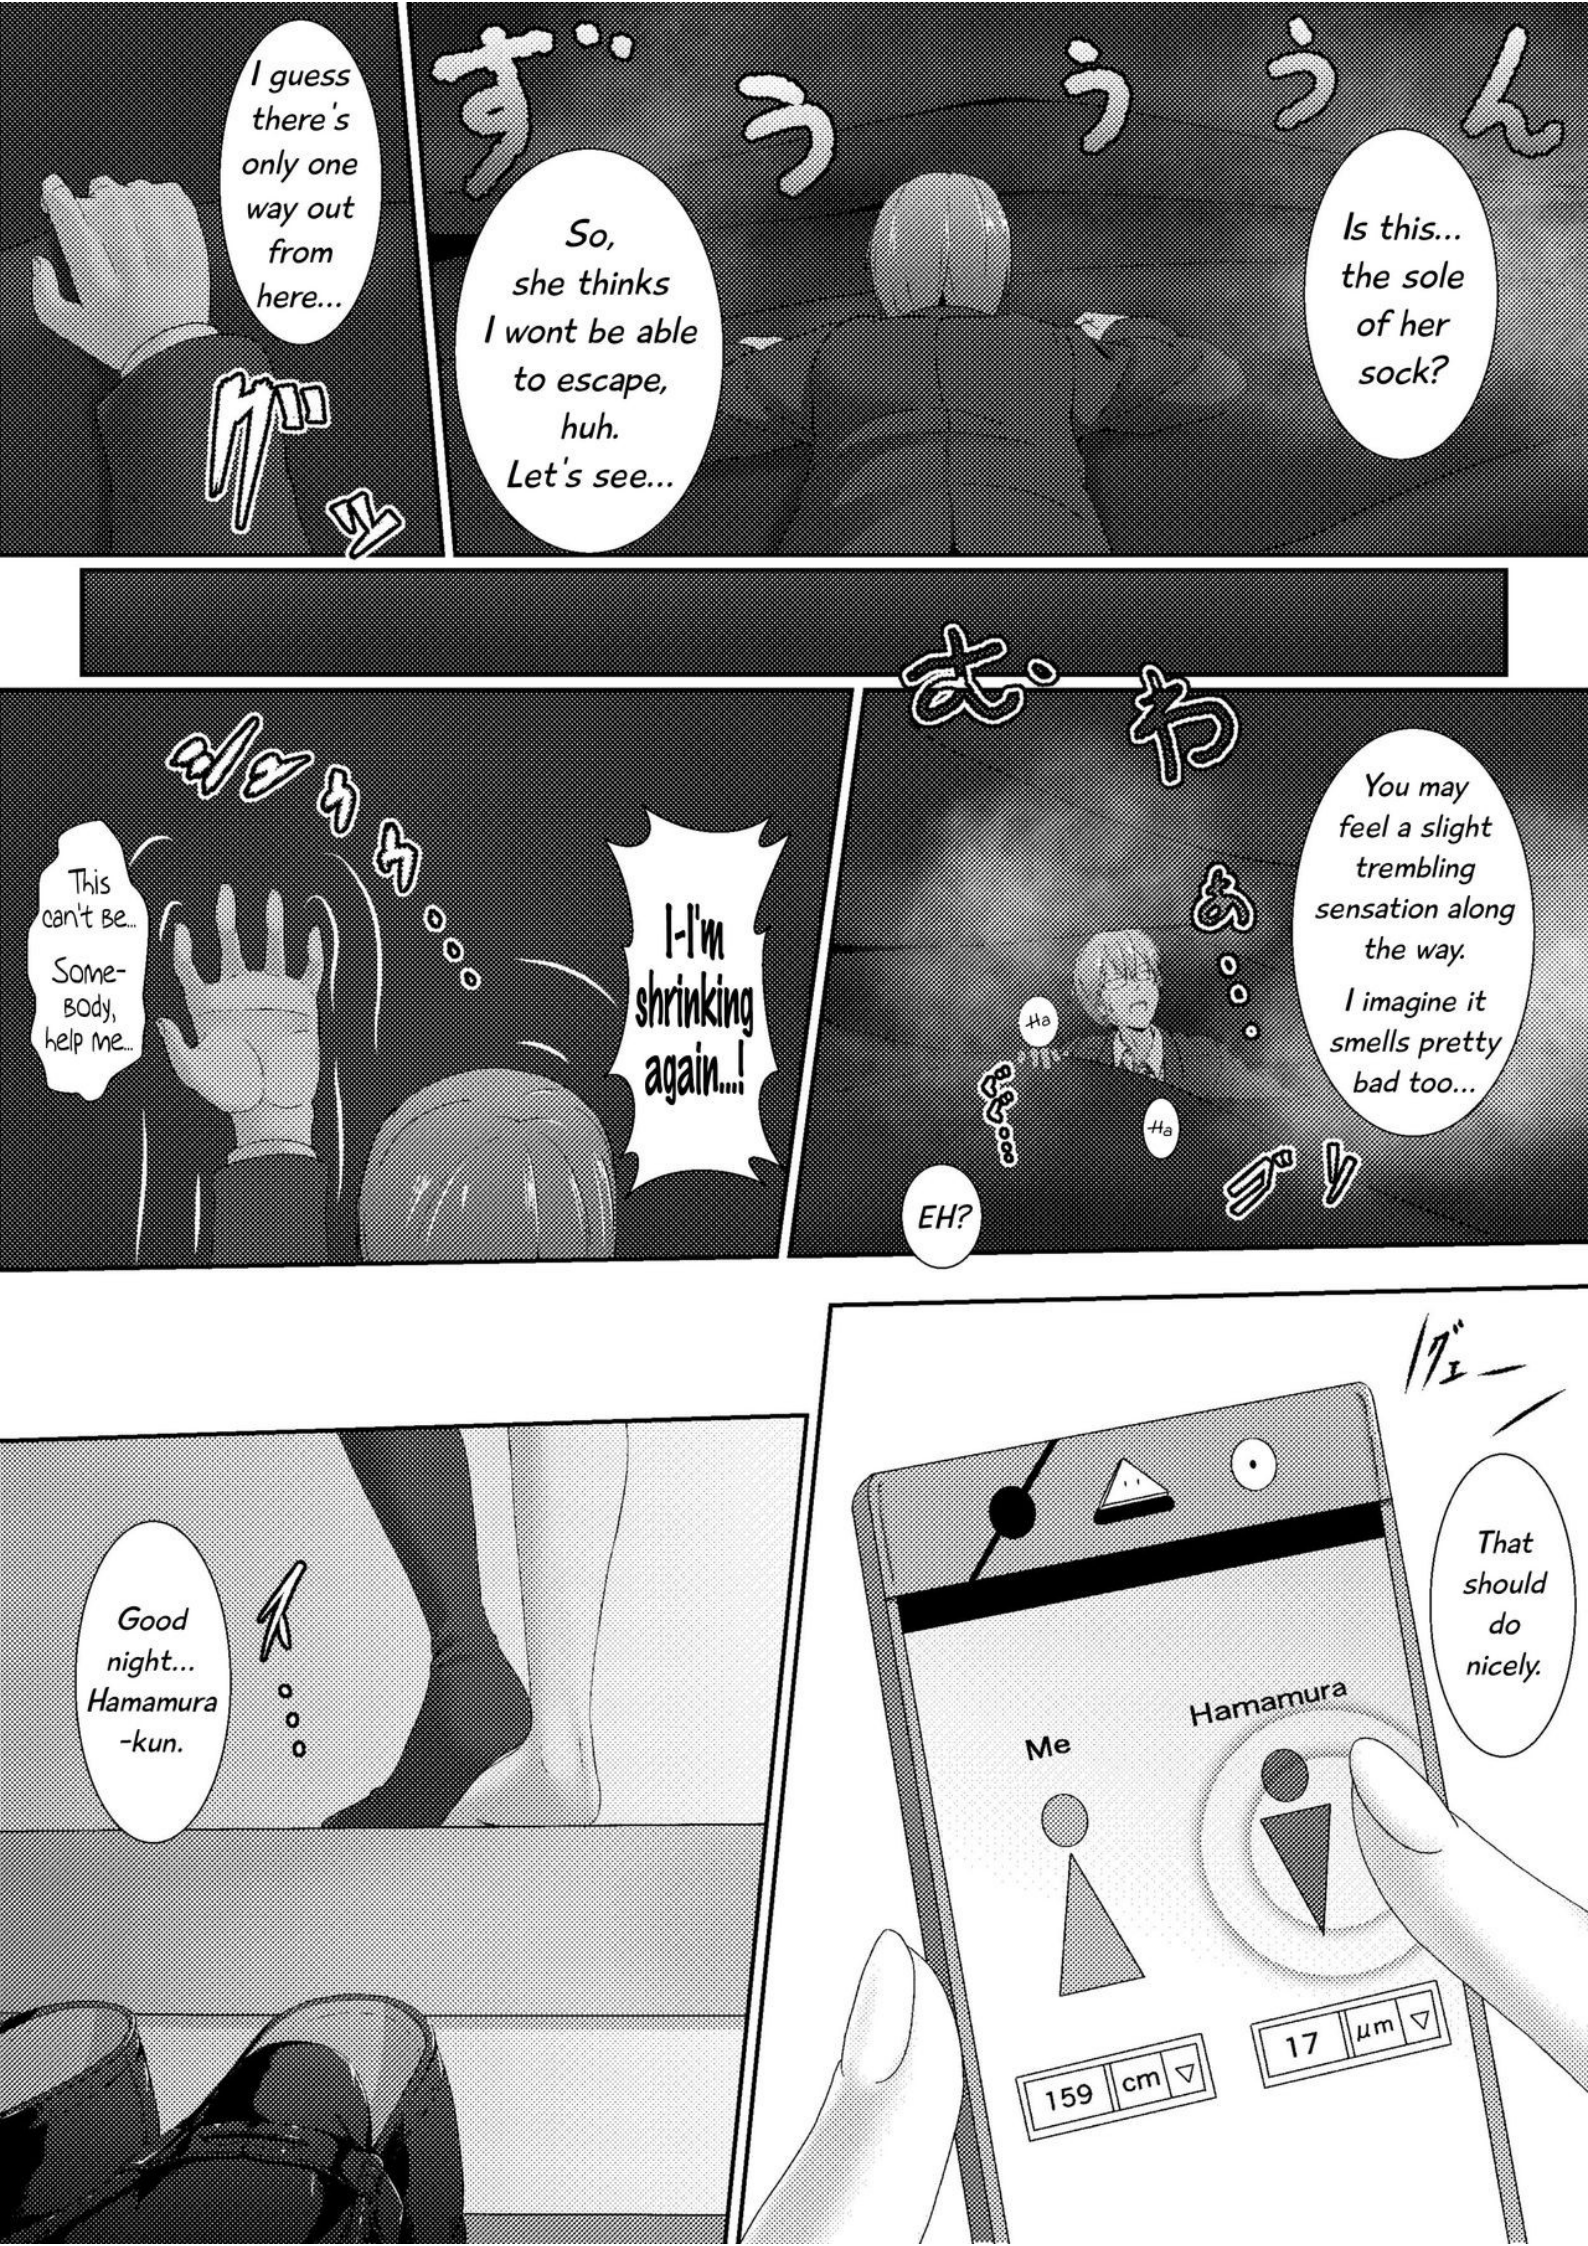

Anyhow, it allows me to freely change the size of anyone who has taken a special drug, or something like that.
Fortunately, a blonde pony tailed girl kindly installed this app for me.
It comes with a three year guarantee!
I wanted to teach you a lesson, but had no idea where to begin.
This?
20 cm
Even then you were giving me a nauseating sidelong glance.
Hm? Perhaps you don't remember when I passed by you at lunch yesterday?
But... I didn't take any drug...
I've got to get away from her...
.....!
I've got to do something ...
Just where is this place...
And where will you go?
Take a look around. You're surrounded by walls.

This is fun ♡
I wonder how small I'll shrink you...
Ee-
It seems you've shrunk again, Hamamura-kun!
!
Oh, that's right, I'd almost forgotten...
You're staring at my feet again, aren't you?
You know, I don't really like wearing shoes.
Even in the classroom I'd often kick them off and sit barefoot, but...
I could just feel your eyes boring into me.
!

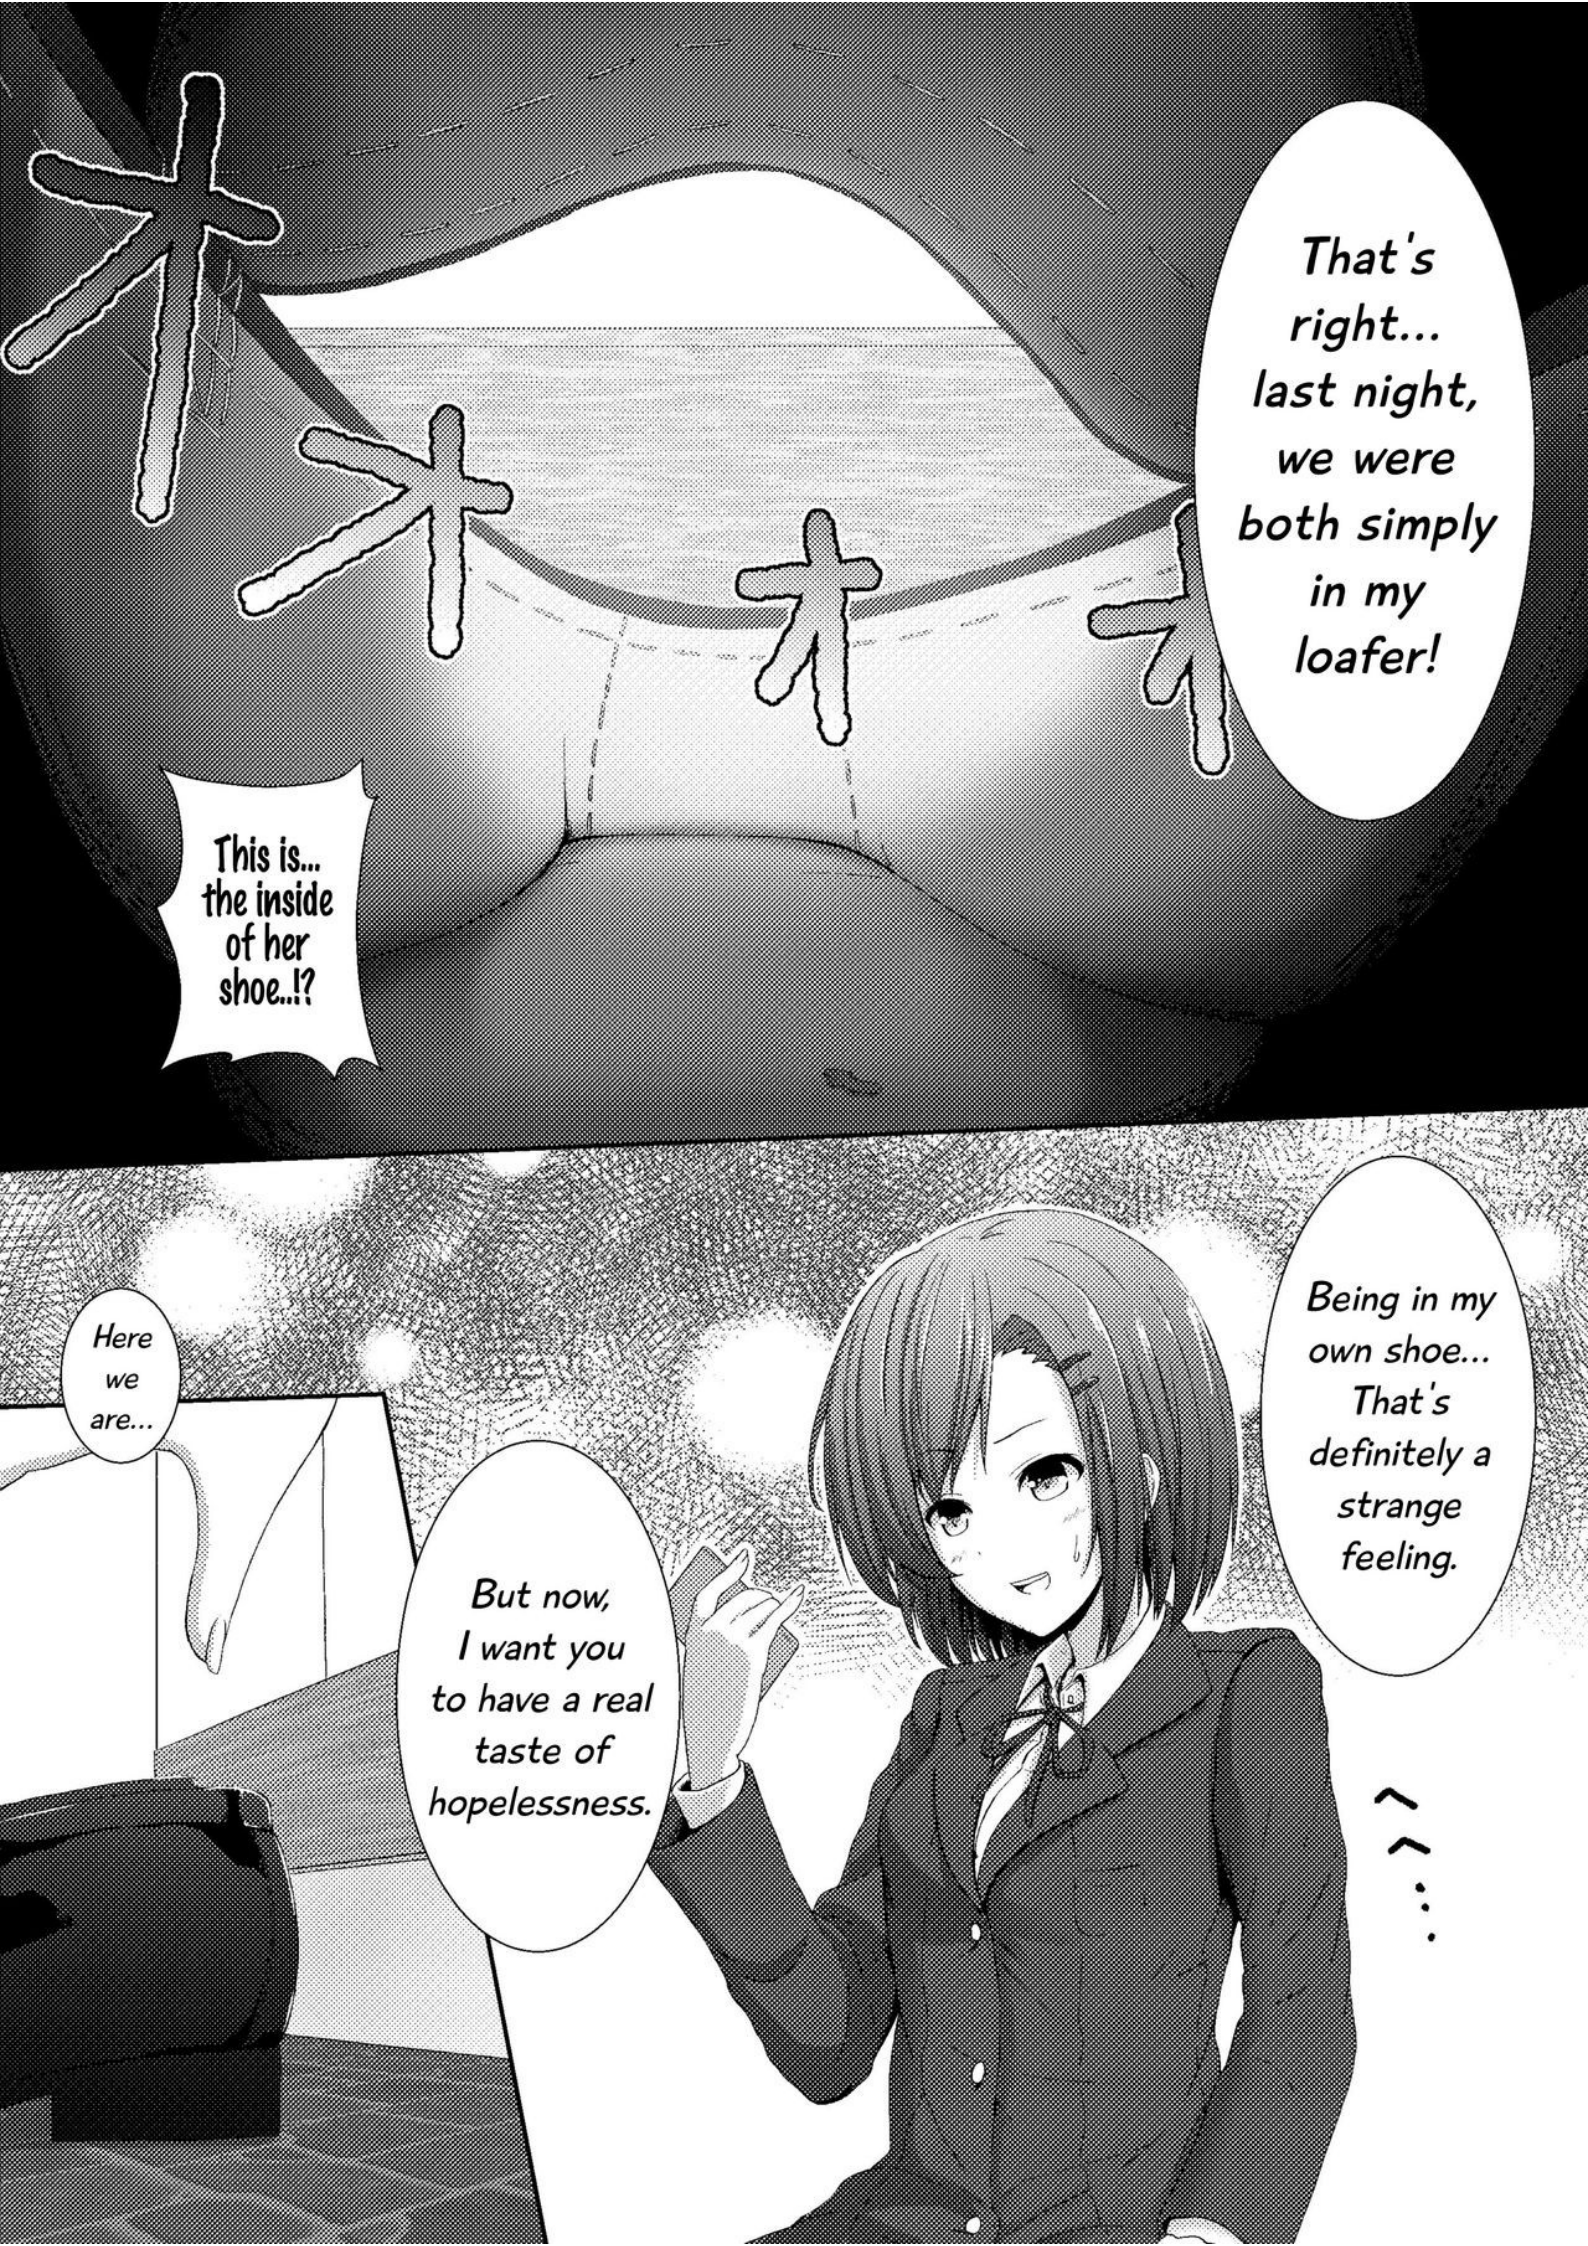

Gwaa-
ぐしゃ
Well? How is is to see the feet you've been watching for so long up close?
They must seem so heavy for that tiny body of yours...
Heavy... and smelly...
This is the weight of the discomfort that I've had to live with... Up until now.
No... This is still not enough...
There's more ...?!
I suppose you're now no more than 1cm, from my point of view?
Guh...

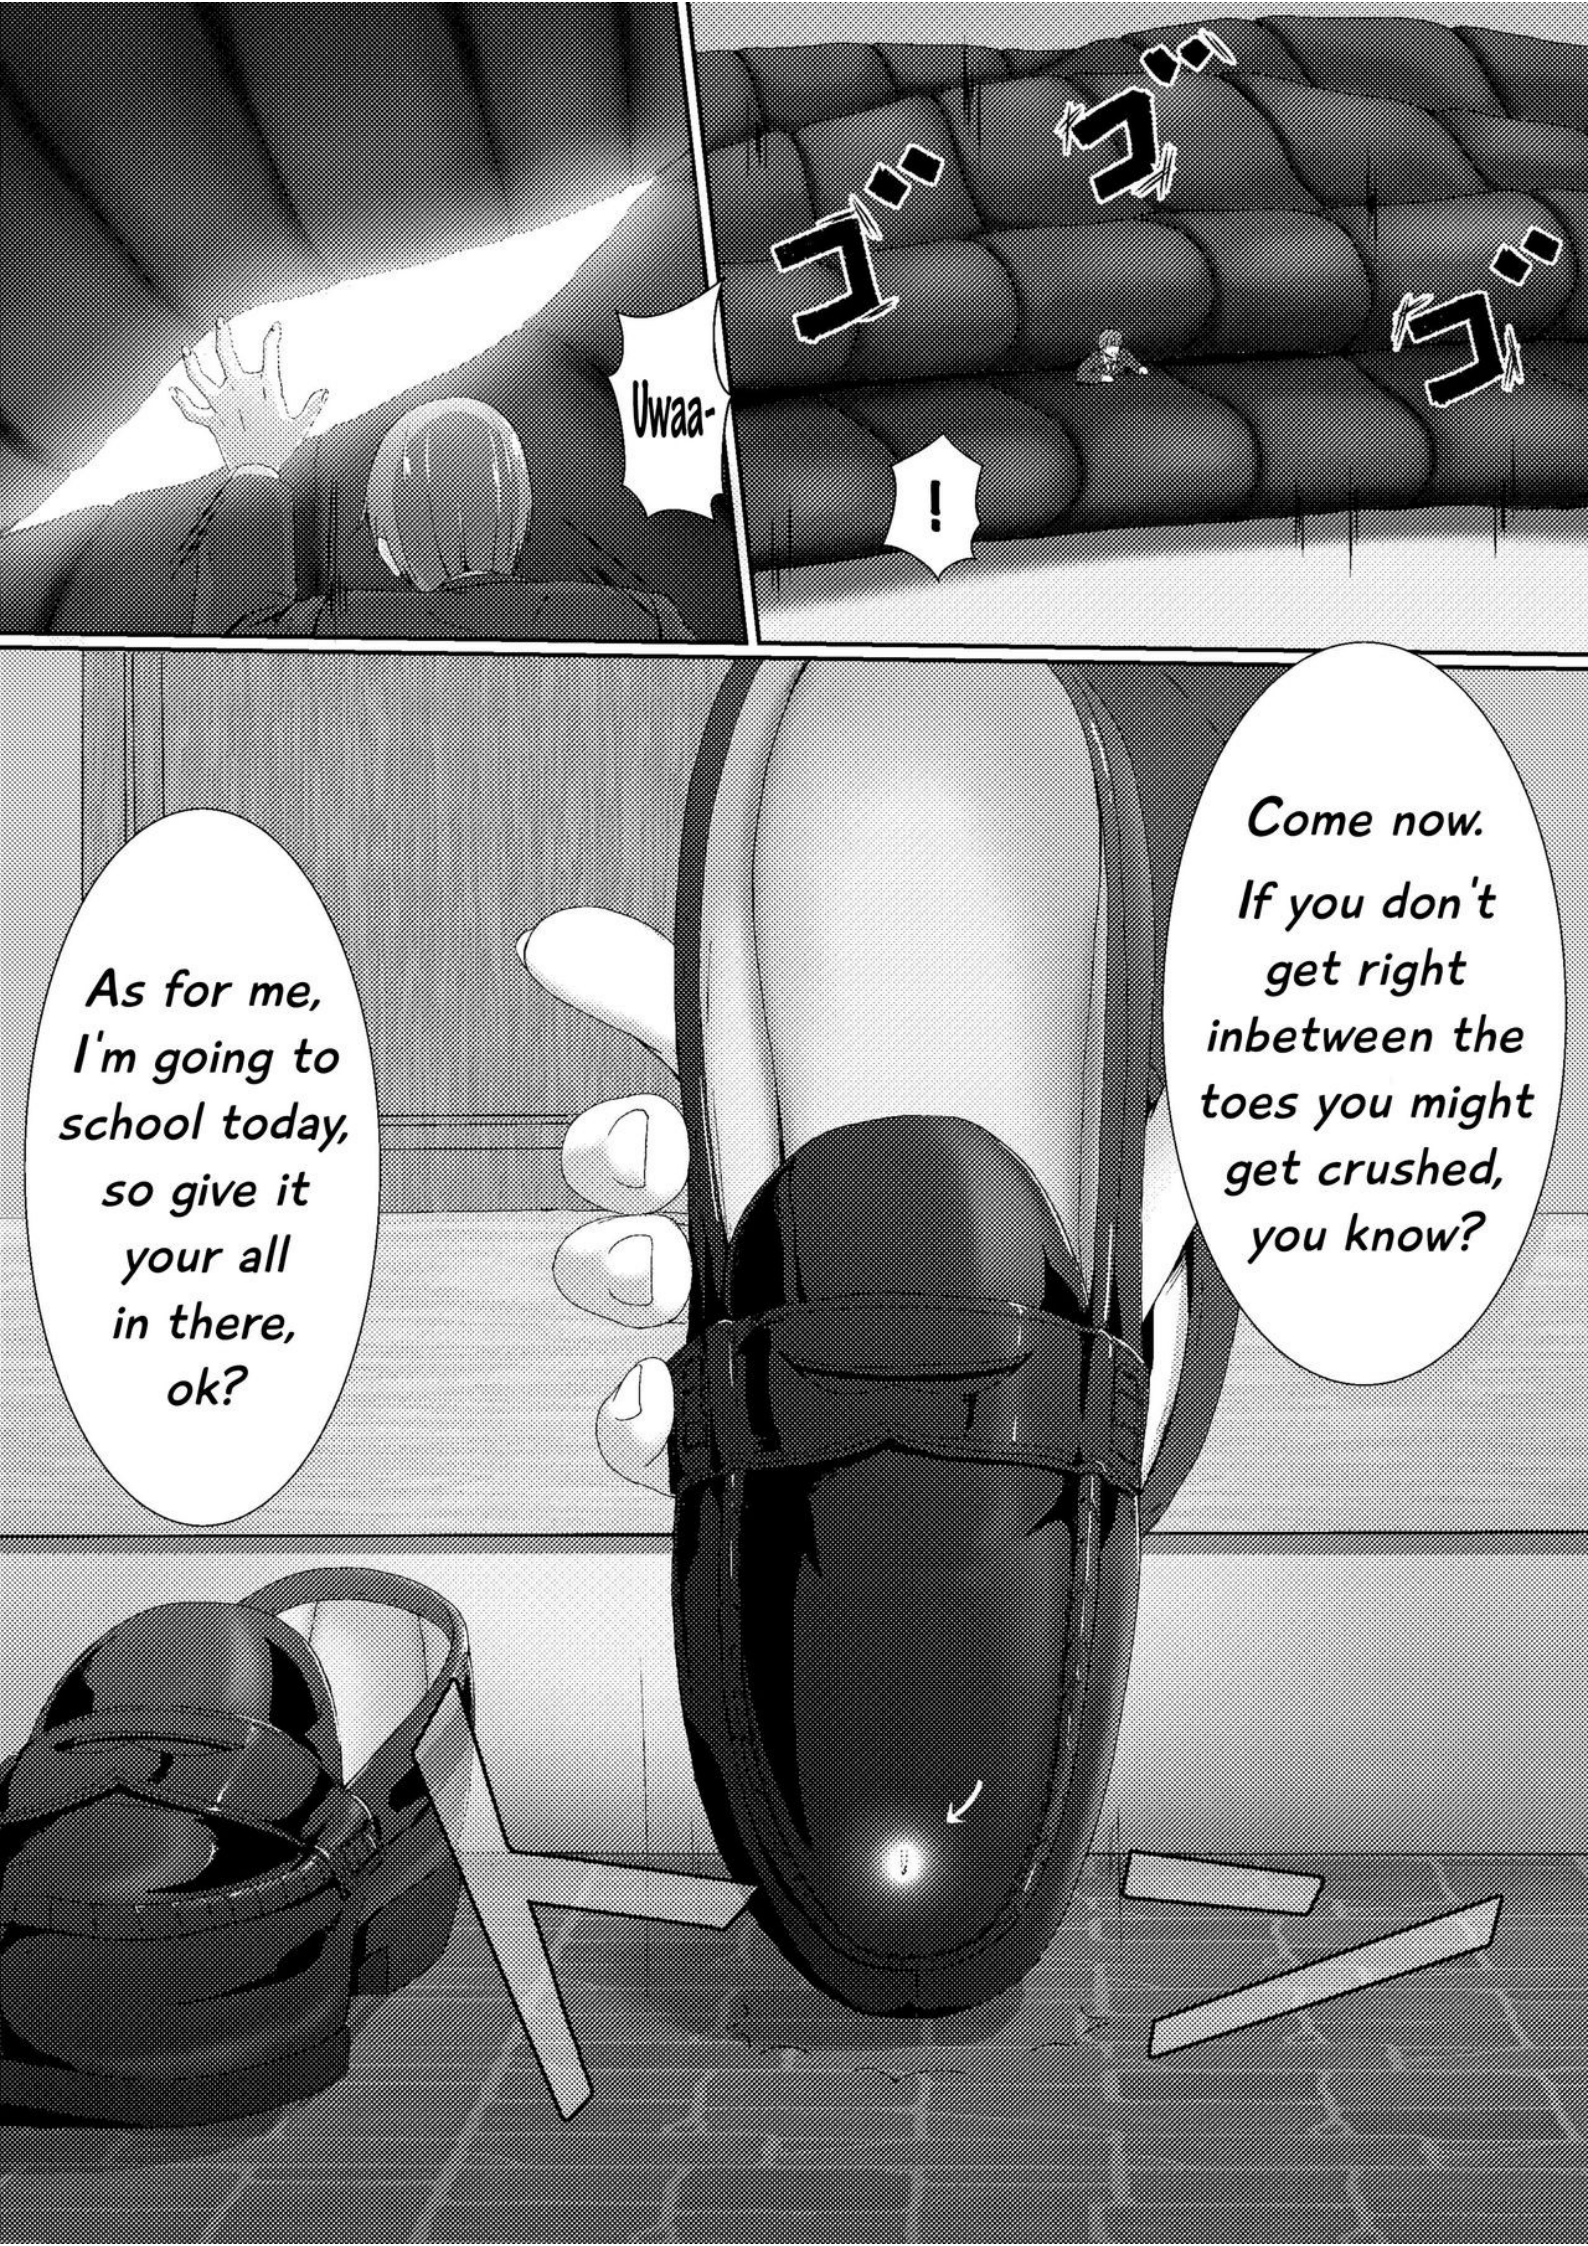

It's like I'm stepping on an ant!
I'd better be careful not to accidentally crush you...
Plea-...
You're already not even able to properly communicate with me.
I'm... gonna faint...
Well, as much as I'd love to continue punishing you, I'm actually quite tired so...
.....?

I think I'll leave you in my sock for the night!
It's probably going to be pretty awful... Well, take care now!
ARRRGGGHHH
I wonder if you'll be able to escape by tomorrow morning...?
Fu fu

I guess there's only one way out from here...
So, she thinks I wont be able to escape, huh. Let's see...
Is this... the sole of her sock?
You may feel a slight trembling sensation along the way.
I imagine it smells pretty bad too...
EH?
I-I'm shrinking again...!
This can't be... Somebody, help me...
That should do nicely.
Me

Good night... Hamamura-kun.

Good morning, my 17 micrometer Hamamu-ra-kun.

I-I've escaped...

My phone... When did she get my number...?
I've sent a picture to your phone.
Perhaps you should take a look at it?
Micrometers... What's she talking about?
RIGHT THERE
I took a picture of you in this shoe... Can you see the little speck?
W-what are you saying?
This is where you've been all along.

That's right... last night, we were both simply in my loafer!
This is... the inside of her shoe..!?
Here we are...
But now, I want you to have a real taste of hopelessness.
Being in my own shoe... That's definitely a strange feeling.
へへ...

Come now.
If you don't get right inbetween the toes you might get crushed, you know?
As for me, I'm going to school today, so give it your all in there, ok?

I wonder if you'll be able to make it all the way to school? I mean, you're already as small as a microbe... Are you even still alive now?
Time to go!
Do try your best in there, my microscopic Hamamura-kun...
Fufu...
