I wonder...

A black and white manga-style illustration of a woman with long dark hair in pigtails, wearing glasses and a school uniform. She has a shocked expression with wide eyes and an open mouth. She is holding a large, striped, cylindrical object that resembles a giant condom. The image is filled with sound effects and text: 'CUMMIN' with heart symbols at the top left, 'HAH' in several small speech bubbles, and 'FII' in large stylized letters near the object. There are also some '7' symbols and other sound effects like 'FII' and '77' at the bottom right.
