

**A MYSTERIOUS VIRUS TURNED ALL WOMEN
IN THE WORLD INTO BITCHES WITH ZERO IQ**

...see these two? I'm their owner.

Click! Click!

Ukyaaaam!

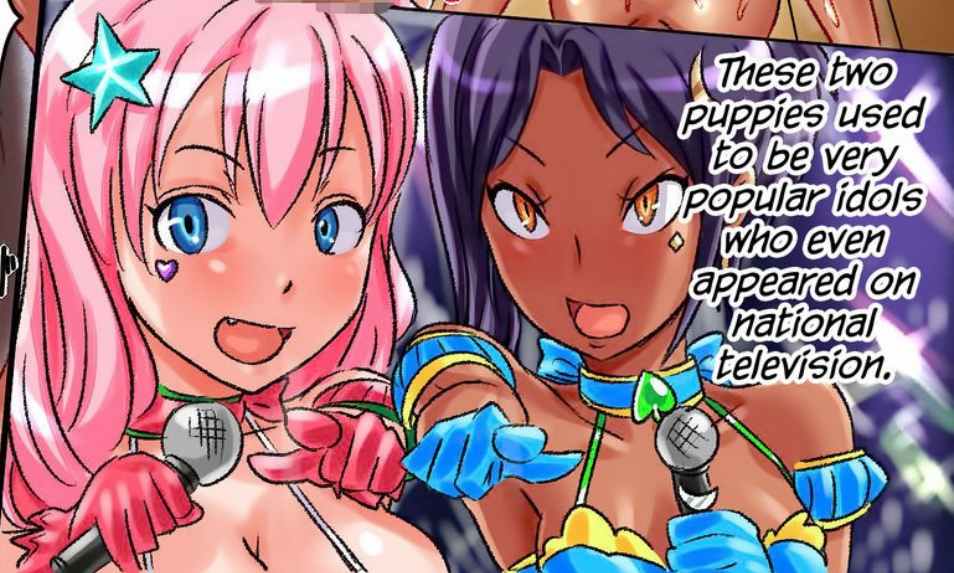

No one knows how or why yet, but one day a mysterious virus turned women around the world into dogs.

Aaah!!

Ukyaaaam!

These two puppies used to be very popular idols who even appeared on national television.

Women made up half the human population, right? That half became dogs overnight. The men had to live up to the task of teaching all those bitches how to behave in our society.

Hm mgh...

Hw ooo ff! ♡

So I'm basically training these ones. They call us breeders.

Kyakuun!

This one used to be a childhood friend of mine. She came to pick me up for school pretty often when she was still human.

Did you run away again?

You be good girls while I'm away, ok?

It's not what you think... Your house is on the way!

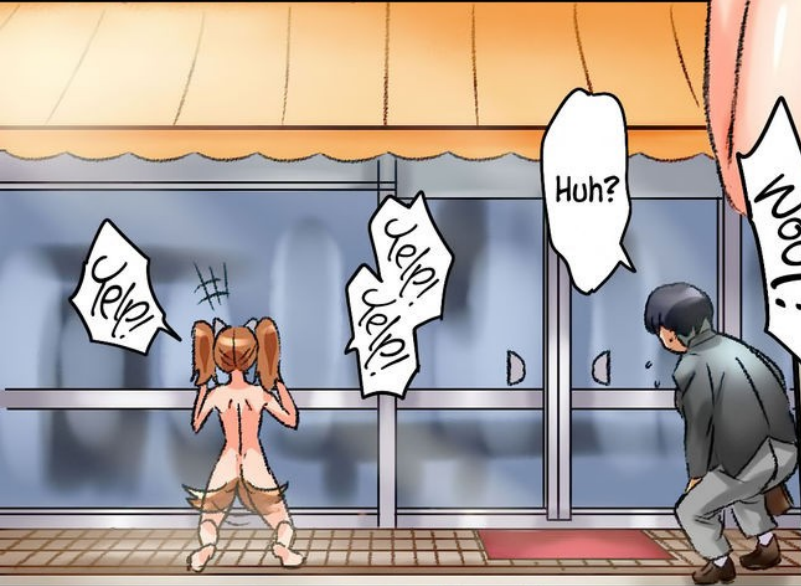

Alright, alright. You can have what's left.
