No, that's not it.

Is it because ...
I put on fake
eyelashes and
color contacts
as a girl?

Your 'love'
for me,
I mean.

Now I'm
blowing you
off again-

I'm glad.

It feels
different.

I kept
worrying
about it.

Maybe
we're just
really good
friends?

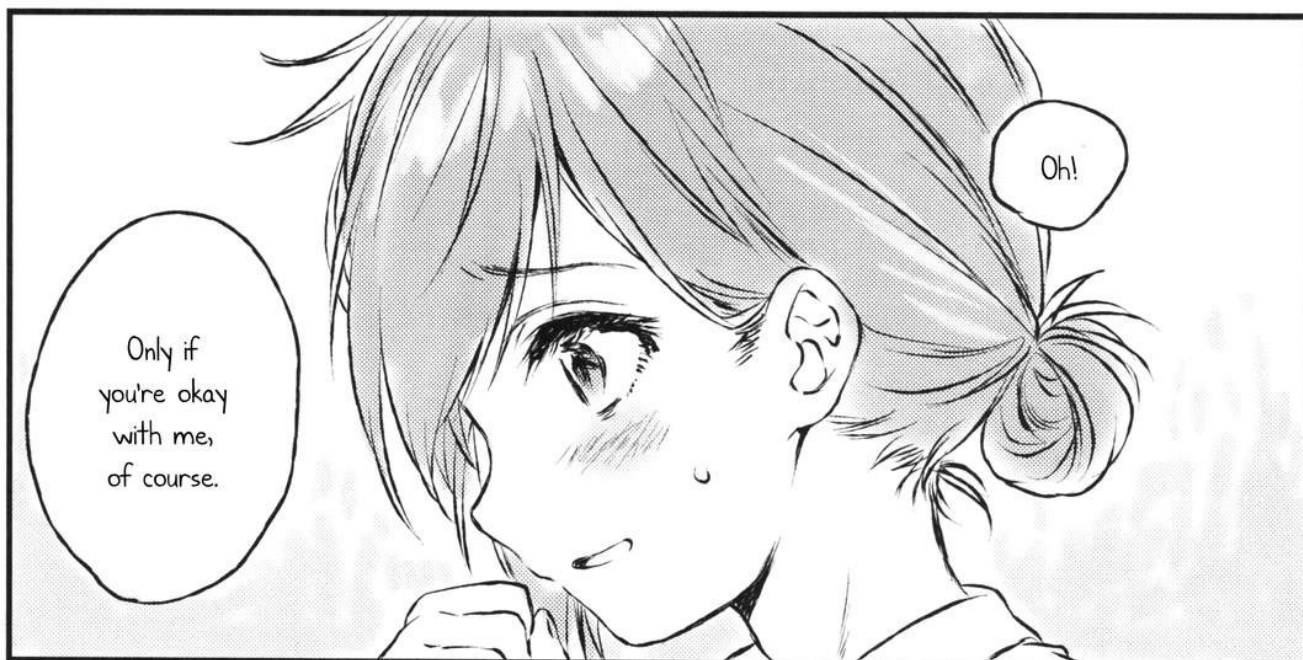

I thought it
might've been
a mistake,
too.

Don't worry
about telling
me. I totally
understand.

is hard,
isn't it?

Distinguishing
what is or
isn't love,

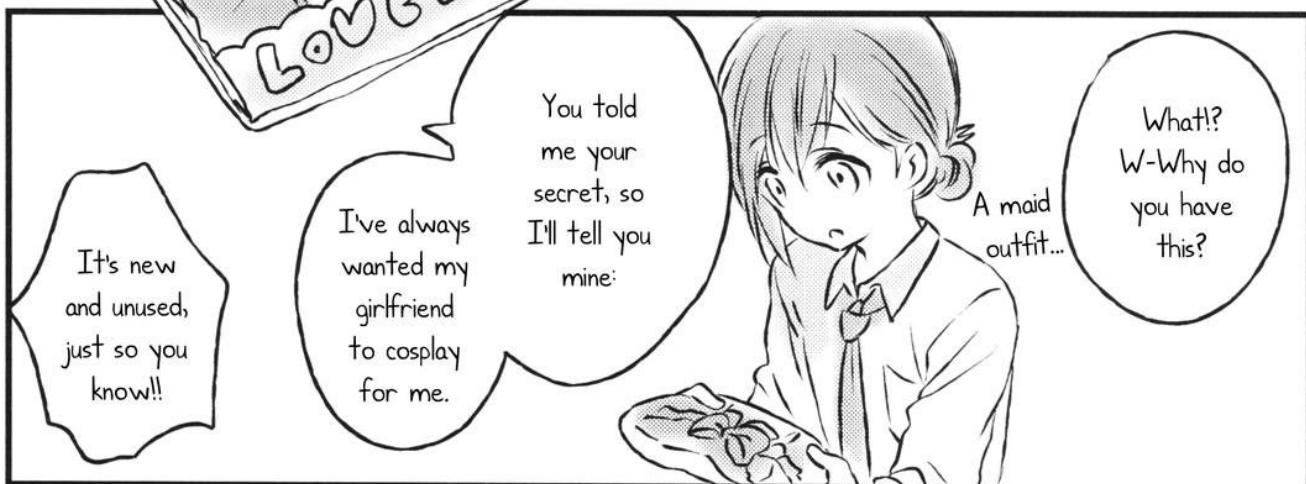

then it would confirm my feelings, wouldn't it?

If I can have sex with Suzu as a boy,

か

ugh...

This
would

scare
away any
girl, you
know?

They'd
definitely
break up
with you
over this...

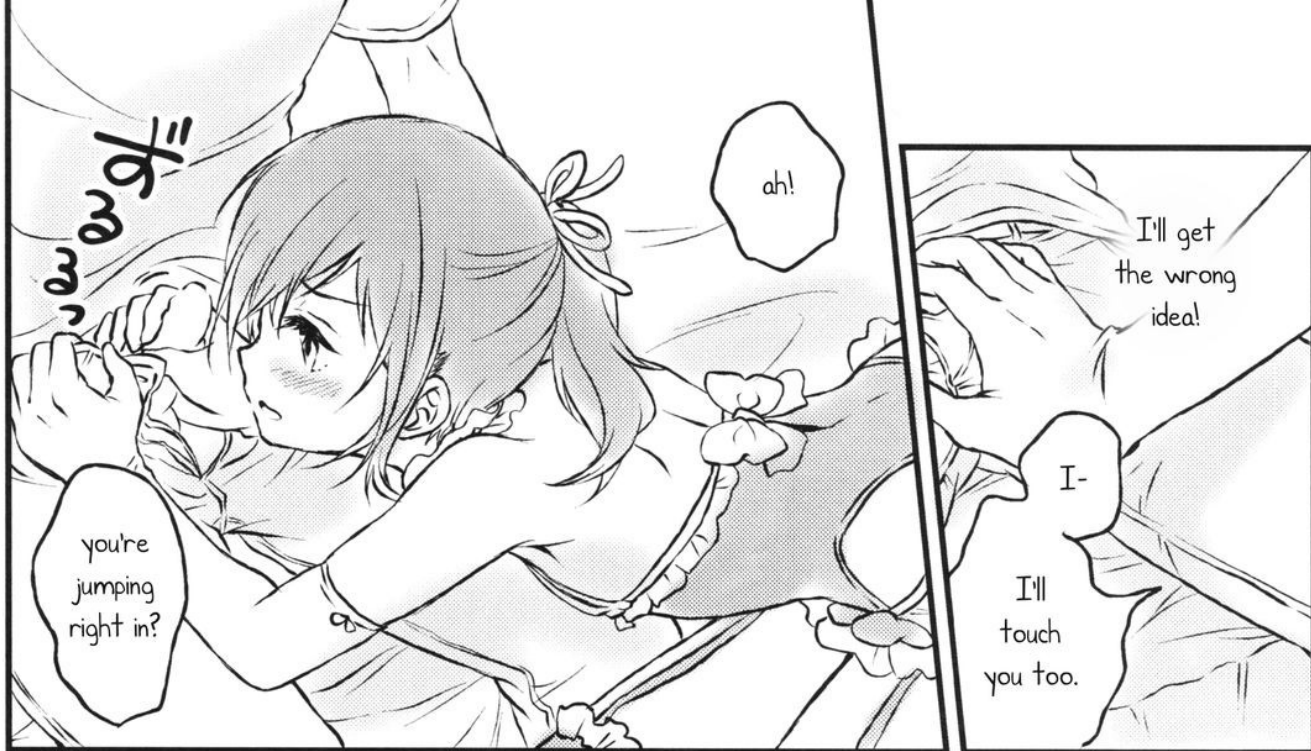

pervverted...

Yeah,
I guess.

But...

Kya!

You want it
here, right?
You sexy
crossdressing
maid!

Let me
see your
clothes.

How
does it
look?

mn!

Yes!

♡♡
うん

ブルブル!

You even
put on the
garterbelt,
I see.

If I
yank
here-

stop!
It's
rubbing
me! ♡

ahh ♡

ビクッ
ブルブル

I
love you,
Suzu.

I think

I want
to go out
with you.

You're just caught up in the moment right now!

Don't be so hasty!

D-

Wha-ah-

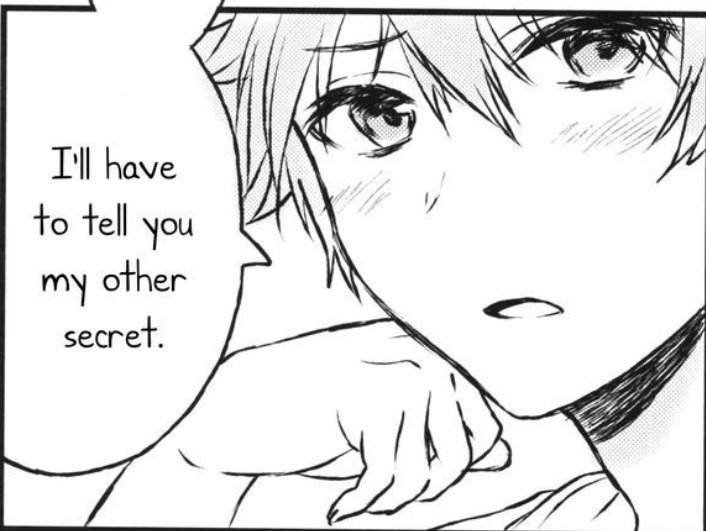

that's-

I'm pretty sure of my answer just now.

No,

To prove it,

I'll have to tell you my other secret.

What Master! would you like me to do next?

C- C'mon!

Shall I lick your penis?

you've
always
been on
my mind.

After what
happened,

This is
pretty
bad...

Y-Yeah...

these
clothes...

Don't think
I can get any
lower than
this.

ト
オ
ウ

I'm just
horrible,
right?

how this
outfit got
here.

And
that's

to wear
something
like this,

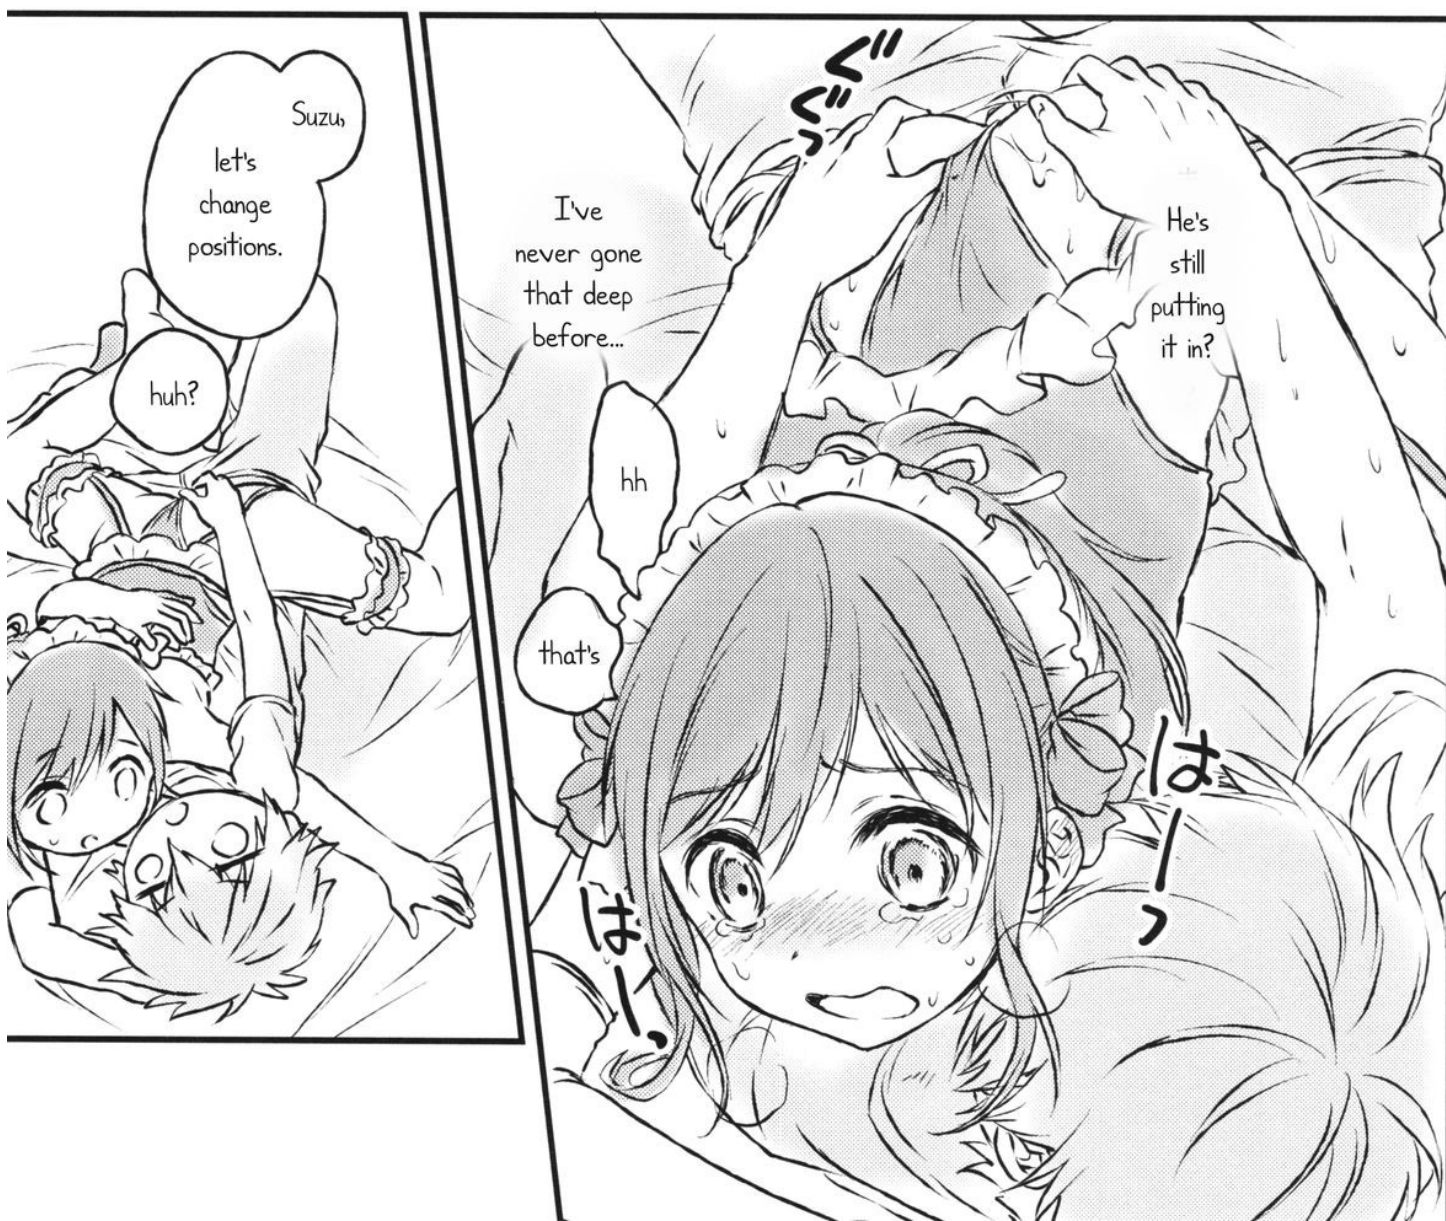

...When
someone
wants you

But it seems
like you're pretty
into it.

ahh

ah

ah

ah

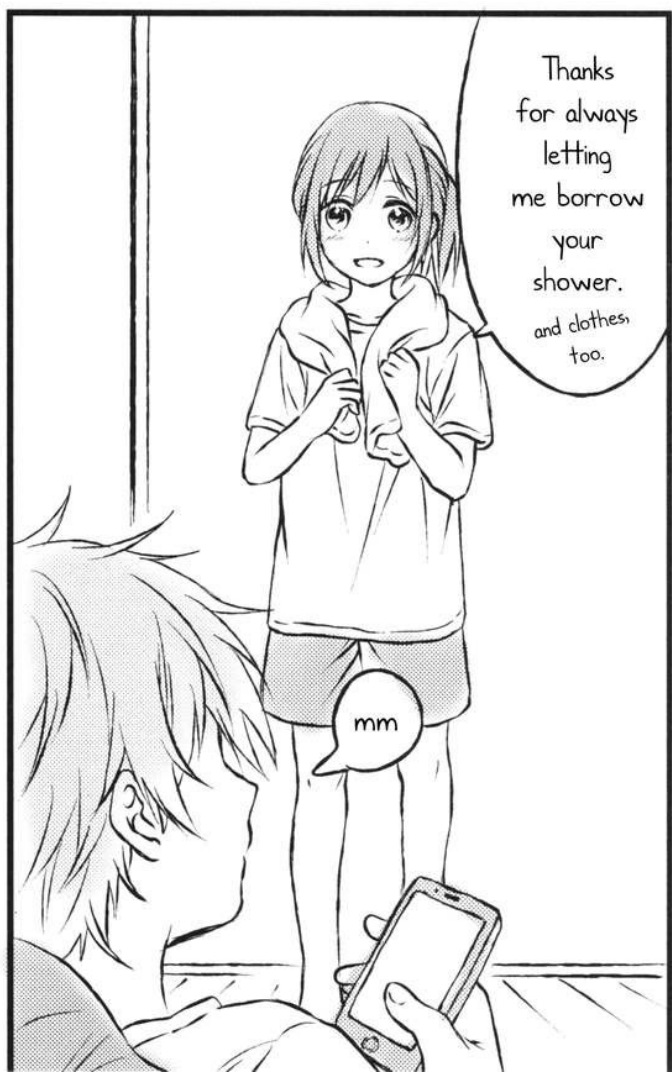

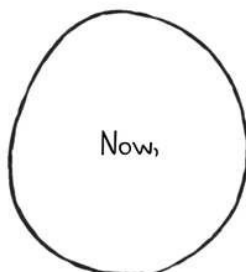

ah

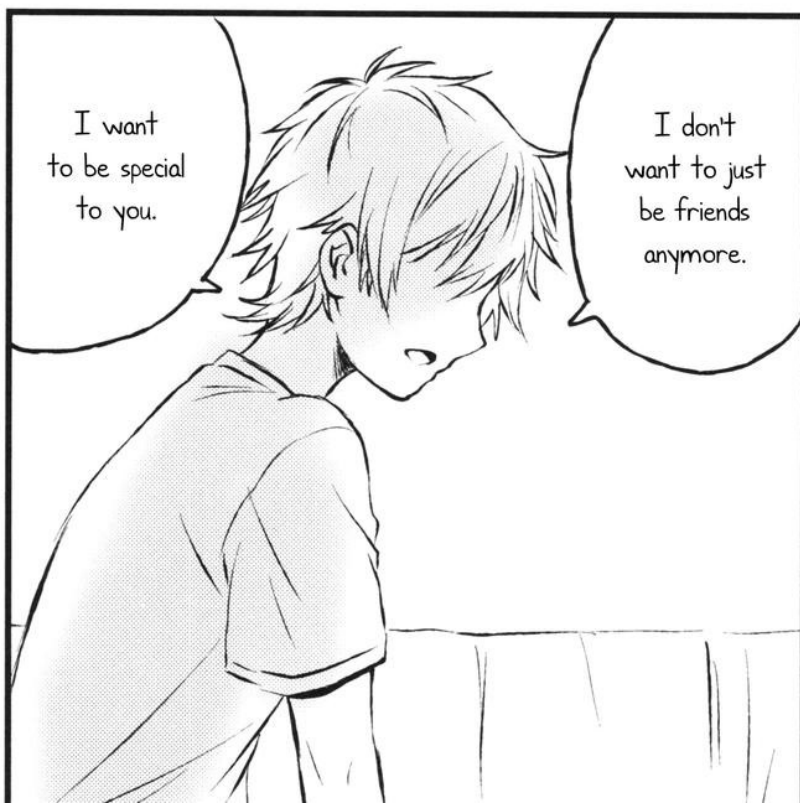

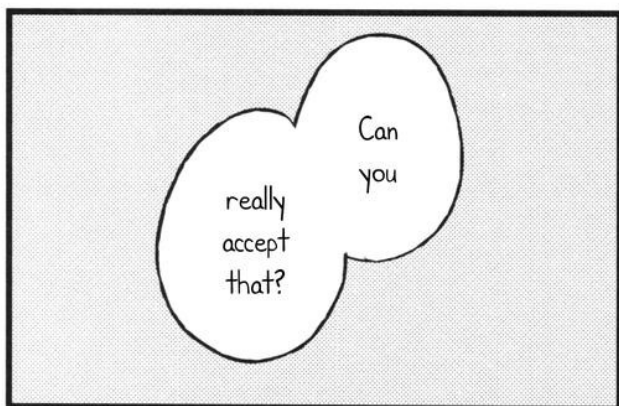

cumming

I couldn't stop...

from my butt

again...

will you Then,
kiss me one
more time?

to show
that I'm
yours.

So
you're
all mine
now?

Yep!

Thank you for reading it all, from start to finish!
This is Konayama Kata.

I was short on time for this book, so it's not as finished as the last one,
so I must apologize.
There's a half-baked feeling to it, but I'm glad I was able to release it.

The Ponytail Series will end here for now,
but I still have material left, so it might turn up in another form someday.
Hopefully I can draw it as manga.

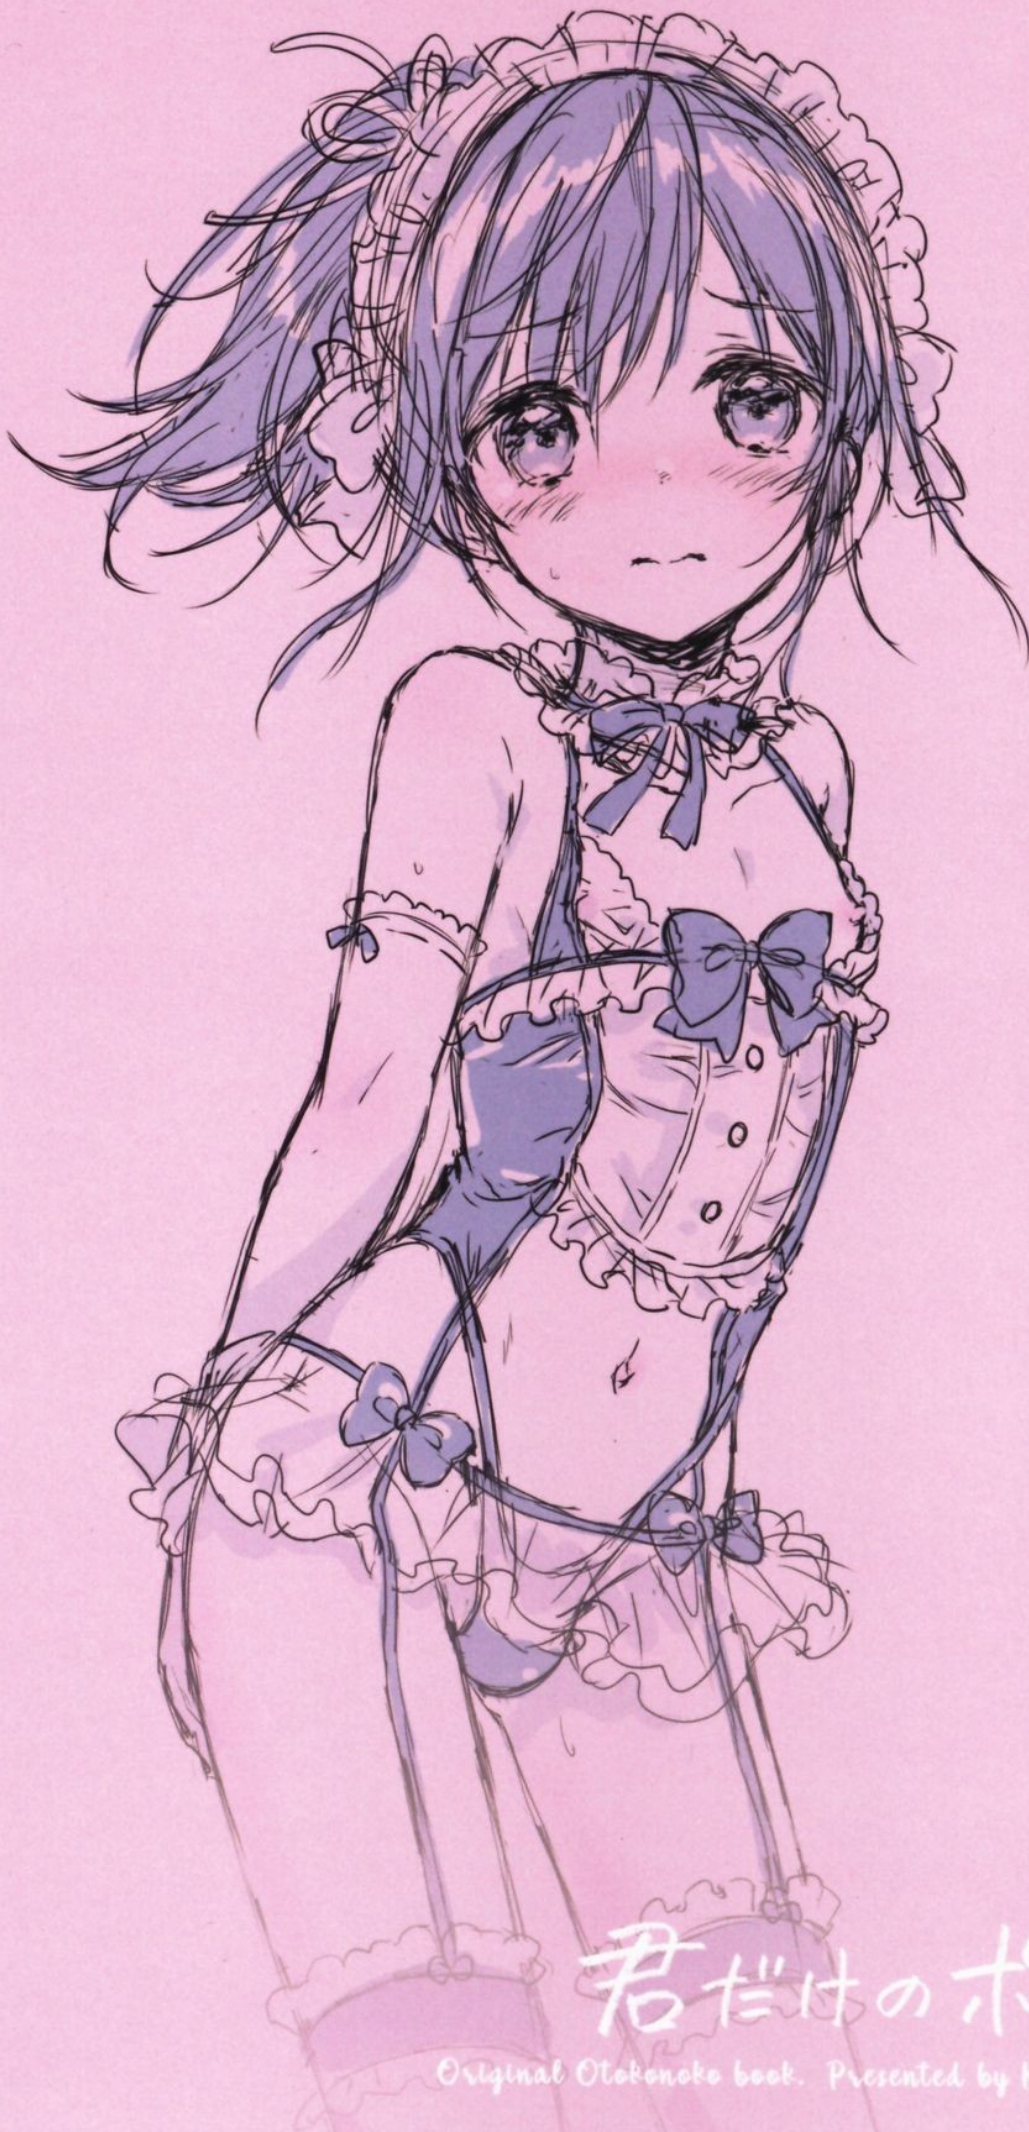

See you again!
