More
power...

I need
...

New armor again!?

Huh!?

Doesn't sound like a bad deal, wouldn't ya say?

But maybe if you trade in what you're wearing, right here, right now, I'll call it even.

It's not easy to craft, you know. I'll be in trouble if I have to throw it away.

As a merchant, I can't just give it away if you've got nothing to trade.

So you can cut the Plattery.

Thanks, but not interested.

Plus, since you're pretty cute, it's a bonus for me.

Sounds a little too good to be true...

I swear...!

If I do change...

You'll really give me the armor?

Just by changing clothes, I can...

For such power... A little shame is...

But I know... That kind of armor ...

I can't afford it with what I make...

That's quite
the body
you've got,
young lady...

Hehe...

Me?

You're the
perverted one
here.
Who's stripping
for their armor,
again?

This
pervert...

Damn
it...

He's just
saying
whatever
he wants...

In order to
become stronger...

I have to
endure it...!

You're getting
excited just from
being seen,
aren't you?

This is enough, right?

I'm all changed...

What?
It got hard.

Or are you gonna service it too?

Y-You...!
What are you doing!?

I already changed so I'm going!!

No way!!

Maybe not now, but you will be soon...

Heh...

I'm not like that!!

Still, this armor is pretty nice.

軽い血なまってるし...

It's so light I wouldn't even notice wearing it in a fight.

That damn merchant, though...

"I will be, soon..."
As if!

This is where those monsters should be, right?

Mm...

I'll just defeat the demons for the quest, And return to town to rest.

I felt strange for a second there...

Maybe just the new equipment?

What...?

Hey!

Thirst...

Thirst...

What
the-!?

What...!?

What was
that voice?

THIRST!!

What the hell's with this!?

I can't move...

What...
The armor...!

You're wearing me...
I am your armor.

A voice...
in my head!?

What are you!?

A woman?

Listen to me!

Aah...!
♥

Ah...
my nipple...
No... ♥

Hey,
stop!
Let go
of me!!

Just woke up...
No demons
around, I
guess now
is a good
time.
I'm feeling
thirsty...

Wh... No!
I pee
from
there!!

Not my vagina too...!

It's... It's
too much!

Ahn...!
S-Stop
squirming
inside!
Pull them
out-!!

Huh
...?

You...
pro-
tected
me...?

Rather, I
am armor
made to
eat
demons.

...No.

So you're
not a
demon-
capturing
tentacle
armor?

Of course...
Armor is
made to
protect
it's
wearer.

Eh...?

By
wearing
me, I
already
know what
it is.

And,
I am
armor
that can
make your
dream
come
true...

You desire
strength...
Enough
strength
to never
lose to
anybody...

pour this
demon's
vitality
straight
into you.

Then,
I will...

I do...
I want
enough
strength to
survive...

Wait-!
Don't you
dare put
it in!!

Eh!?
What are
you
gonna
do...!?

Just...
enjoy
yourself.

Now that
I've fused
with it,
I'll eat it
when it's
done.

This... this
demon's
thing is
inside me...

You...
you're
kidding
me...

Don't worry...
that's only
it's
reproductive
instinct...

That's not
what I'm
worried
about---

Ahnh!
♥

Even
though
you're
supposed
to be a
soldier?

Oh...
you're
getting
tighter.

You like
getting
fucked
by a
demon?

No...!
That's...
Ahh~!
♥

I know... I'm connected to you. You don't have to hide it... Just let yourself drown in it...

Oh-- Ohh--! ♥

Ah, this... ♥ It feels so good! ♥

Kh...! ♥ This demon's thing is... ♥

Its cock is screwing so deep into my uterus!

I-- I'm coming! ♥

I'll pour its semen directly into your womb!

I didn't need to keep it alive... so I ate it.

How are you doing?

What happened to the demon?

You're awake...

Ah... Ahh... I'm back to normal...

...A dream?

Nope, I guess not...

うんうん

To become stronger...?

Power...?

What... What did you do to me?

What the...?

I feel a power inside me...

As its sperm is absorbed into your body, it becomes power...

It's what I do.

I convert a demon's vitality into semen and give it to you...

Yes... That's what you wanted, correct?

Yes...
that's
right.

Food...?

Look...
Our food
is coming
right to
us...

I know
what my
answer is...

The more
demons we
defeat, the
stronger
we'll become...

But what
do you
want...?

I'll eat the
demons and
you'll eat
the sperm.

I want...
strength...

I want...
semen...

That...
isn't it
obvious?

Give it
to me...

All their
semen...
I want it
all... ♡

Let me
eat it all...
Demon
cock ♡

There's
still so
many
demons
left...

Fuah
...?

Hurry
up...
♡
Put it
inside me...
♡

Oh, fuck me...!
Fuck me
with that
demon cock!!
♡

It's coming!
♡
A--Aaah~!
♡

Oou...
♡

Ah...
So many
cocks!
♥

Come on...
♥
Give me
some
more...!
♥

Hey.
♥

Don't forget
about this
hole.
♥

You've
got more
stamina
than I
expected...

Tsch...

Ahh...!
I'm gonna
come!!
♥

Ahhh~!
I--It's
coming
inside me
again...
♥

I get more
sperm for
you to eat,

so that
you can
get even
stronger

Shut
up!

...You're
being
annoying.

I eat the
demons you
kill, while
you absorb
their power.
I think it's
a pretty
good deal.

It's
dangerous!
Get out
of here!

Ah...!
That silver
hair... black
armor...

Okay...!
Thank you
so much!

But they
don't know
what you
did...

Seems like
you're a
celebrity
now...

Time for
another
meal...

I wonder
what this
kind will
taste like?
♥
