floor 2.

This is the
demi-human
medical
center's...

Please
take care
of me!

Yes
Ma'am!

Fujimoto
Takuya!
Step
forward!

Allright,
let's start
our medical
intern test.

Okay
...

Today I
have to
make the
instructor
cum!!

...are
trained
by our
demi-
human oni
instructor.

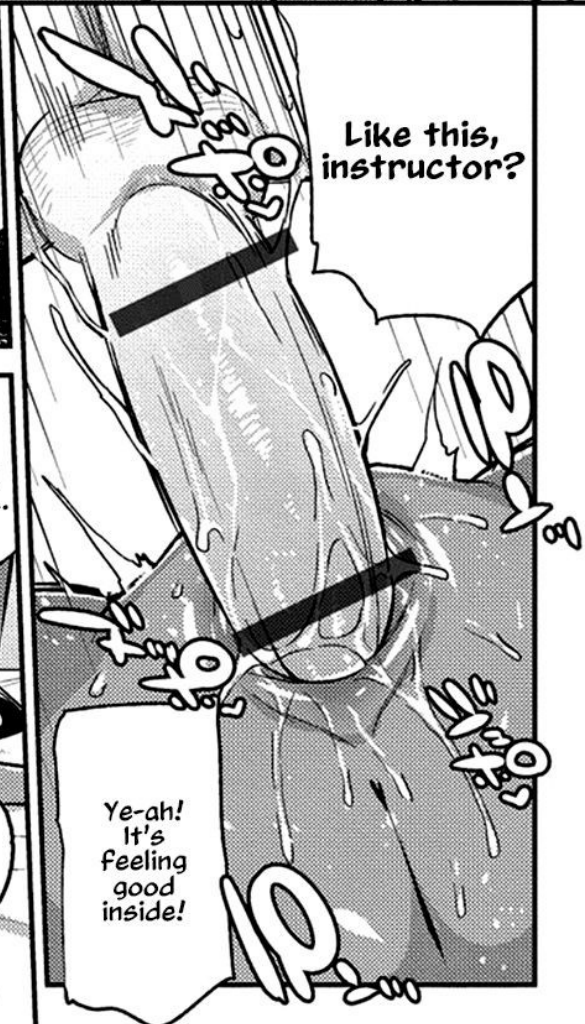

Mhm.

If I
may...

Here is
where
the sex-
specialist
interns...

WELCOME 2 TO THE DEMI- HUMAN MEDICAL CENTER!

Weren't you going to make me... cum?

UGH!

Your penis is pulsing so hard...

Hey...!

What happened?

Ugh!

Ugh!

Looks like you're about to ejaculate.

I'm... cumming!

As a special reward,

you can cum inside me.

Y... yes!

No way... I'm at... my limit!!

Well, you tried hard.

This is too much responsibility, instructor!!!

Please appoint her to another doctor...

You're my only option here, the rest are all busy.

No way !!

A student of a private school for nobility?

Saionji Lisa, daughter of a famous politician.

!?

This morning her mating season kicked in, so she was suddenly brought to this hospital.

She's a demon!

do your best!

Well, your first job might also end up being your last, so...

Instructor...

I'm telling you this from how you performed on your test.

A patient is just a patient. Do as you always do, and you won't have a problem.

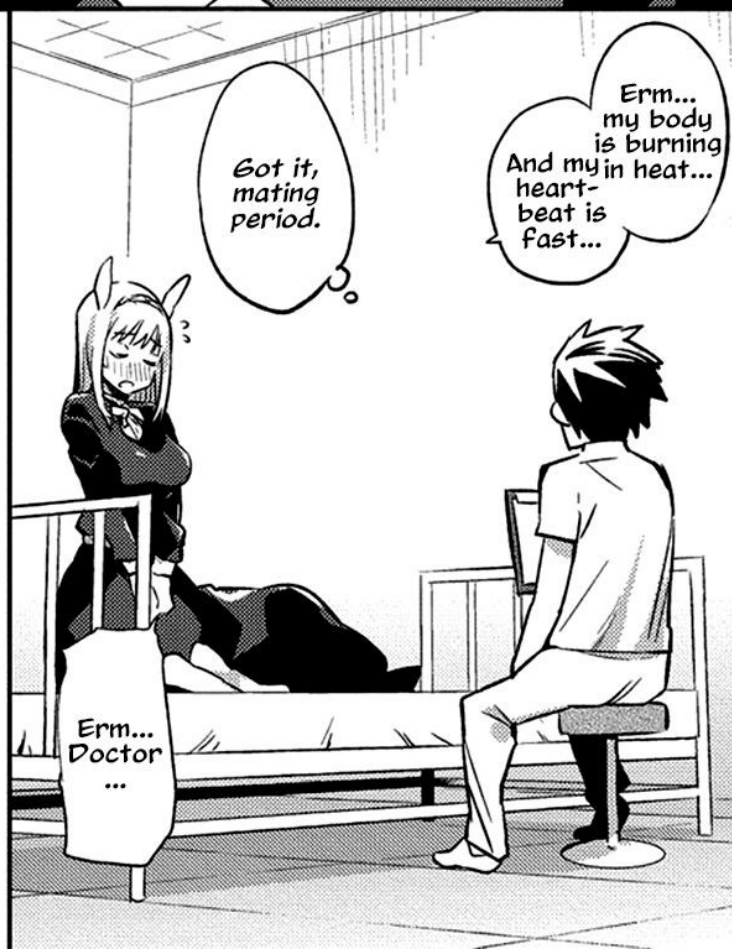

I'm coming in...!

So... this room?

I must be confident! My mark of maturity!

Man, this is a burden... No...

All my clothes?

Eh...

No...
No way
...

Really?!

You'll be fine.
Just a short
treatment
and you'll be
going home
before the
day is
over.

Yup.

Now...
please take
all of your
clothes.

Yes!

Is that why
no one told me
about it and
brought me
into this
cellar...!?

Am I...
going to
die?!

She doesn't
know about
mating
periods,
the hell is
she even
learning
at school?

HA
?!

Yes, as I
thought.

Eh...

Eh?

Hyaa
aa?!

Let's take
a look.

Treating
this im-
mediately
would be
best.

Your
genitals are
secreting
lots of fluid.

No way...
I... I under-
stand...

Wha-
wha-
what
are you
doing?!

Ah... why,
my heart
is even
more...
♥

My father
forbid
me from
showing
anyone
my body...

But if
it's for
medical
reasons,
I guess it
can't be
helped...

How could
that happen
if she has
periods!?

And
has this
poor girl
never
fallen in
love as
well...?

I'm
gonna
touch
you
now
...

I should start
the procedure
slowly and
gently...

But
wow, her
chest
is really
...

Eh...
umm...
ok...

This pink color is gorgeous!

So shameful...

Uhhh...

は
は
は

This pose?

I can't really reach to care for those places...

I'll loosen her up a little more...

Ah

She can't masturbate because of that, either...

Ah

It's okay!

It's... dirty...

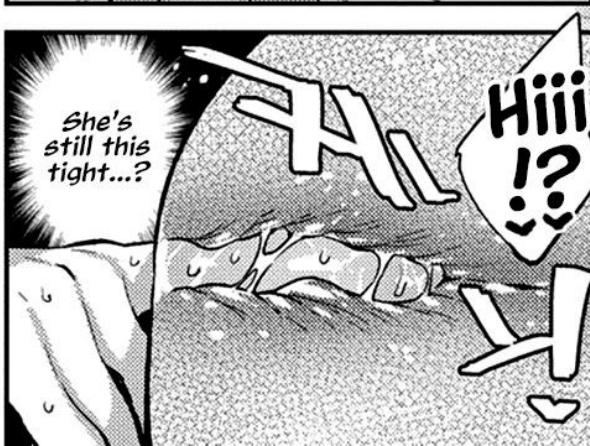

My lower half's all tingly...
This is the first time I...

But you like it, right?

Yes!

Please tell me if it hurts.

Yes!

She's still this tight...?

Hiii!?

Ngh

So now...
Let's start
the proce-
dure!

At the
same time...

Instruc-
tor Oni-
shima!

Well, now
you're all
warmed
up!

Yeah...
it was...
great...
♥

You
came a lot,
feel better
now?

[illegible]

As I thought, since it's your first time it probably hurt...

Hmm...?

Ah Ah

Way too good... ♡

Did she just cum?

That was... ♡

Yep! I want some more! ♡

I want you... to pound me harder! ♡

But you're still not satisfied, are you?

Alright! I'll go at it harder now!

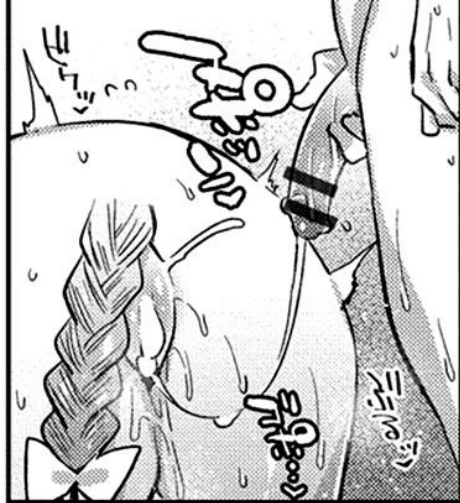

C
LIM
MING

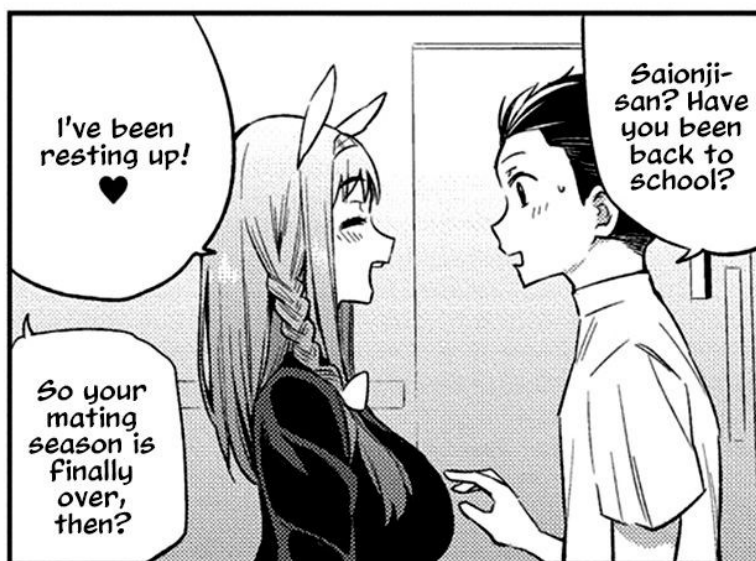

Ah ♡
It's
leaking
deep
inside
me...!

It's
melting
my
belly
...!

One
week
later

Doc-
tor!
♡

Inst-
ructor,
she is...

Let
me call
another
doctor
for you...

Sorry, I've
scheduled a
special training
with him.

Hm?

You'll
need some
threesome
experience,
anyway.

Is it
really
OK,
inst-
ruc-
tor?

May I?
Of
course!
♥

Milady, would
you like to take
part in our
training
session?

This is the
demi-human
medical
center...

O, man...
this job
isn't
always
easy!

Make the world a better place by having sex with monster girls!

(Contact us at *****)

Raise your spirits!

...where new sex-interns are always in need!

Doctor, if you would!

Hurry, hurry!

New-bie!

グイッ

It's just because of my job!

Wha-Of course not!

Are you going out with someone?

Sis, your skin's become so nice recently...
