Ah,
Onii-
chan.

Miyuki is a girl who lived next door to me, and has no blood relation to me.

"Onii-chan" is just the nickname she gave me.

Yeah~

Did you get taller?

You came home~

Has it been half a year?

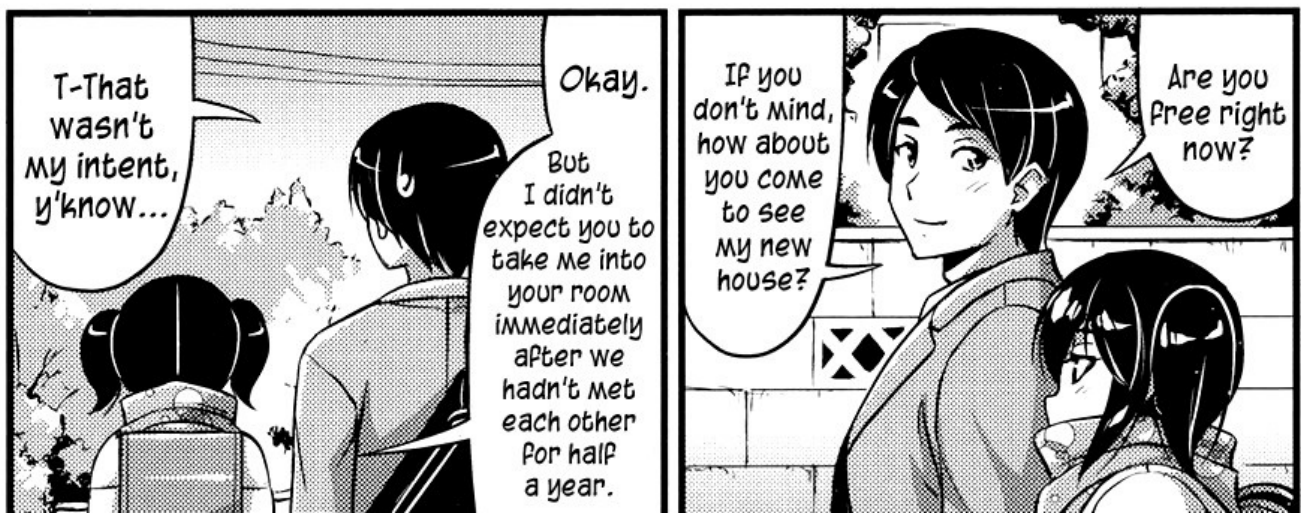

The public'll treat me like a perverted lolicon if I have that kind of relationship with a six grader,

so getting called "Onii-chan" as camouflage is convenient for me, too.

Miyuki, and I have been going out since approximately last year.

To put it bluntly, we also had sex several times.

T-That wasn't my intent, y'know...

Okay.

But I didn't expect you to take me into your room immediately after we hadn't met each other for half a year.

If you don't mind, how about you come to see my new house?

Are you free right now?

It's cold~

Even though she looks PUPPY because she's wearing thick clothes for the top, I didn't expect she'd try her best to wear short pants and knee-high socks for the bottom...

Uh~ So cold, it's so cold~

Seriously, girls spare no effort to dress so sexy... I'm grateful...

キレキレ

Uwoh! You surprised me...

I'm now turning on the heater.

Pi

FUFUFU... You've noticed, haven't you?

Hey, Miyuki... You...

W-What's this sensation...? Don't tell me... her boobs? !!

...Ng!?

キレキレ

But, I had no idea the first thing you'd do after we hadn't met each other for half a year is start groping my boobs.

You're really hopeless, Onii-chan.

Holy cow... Her boobs don't fit in my hands...

あははは

...Eh? You're still a sixth grader, aren't you?

Yes, I am. Don't get confused seeing my boobs, Onii-chan.

...You hate it?

I'm glad to hear that.

...Well, it's not like I hate it, though.

...Ng.

For now, I'm glad that I could safely meet up with Miyuki again, y'know.

あはは

あはは

Somehow you're being bold, Onii-chan.

ふん

Because it's been half a year since I did it.

ふん

Her lips are as small, and cute as they were half a year ago.

Her boobs are the only ones which have grown up abnormally...

ふん

When we started going out, her boobs were still underdeveloped.

Girls' bodies are mysterious.

Ng...
♡

...You look like a kid.

NG...!

ふん

ふん

Ng kh!
♡

She's completely getting turned on by her nipple.

ズン
ズン

Stop... playing with my nipple only...!
♡

ズン
ズン

Her nipple is also getting hard as I'm rolling it lightly.

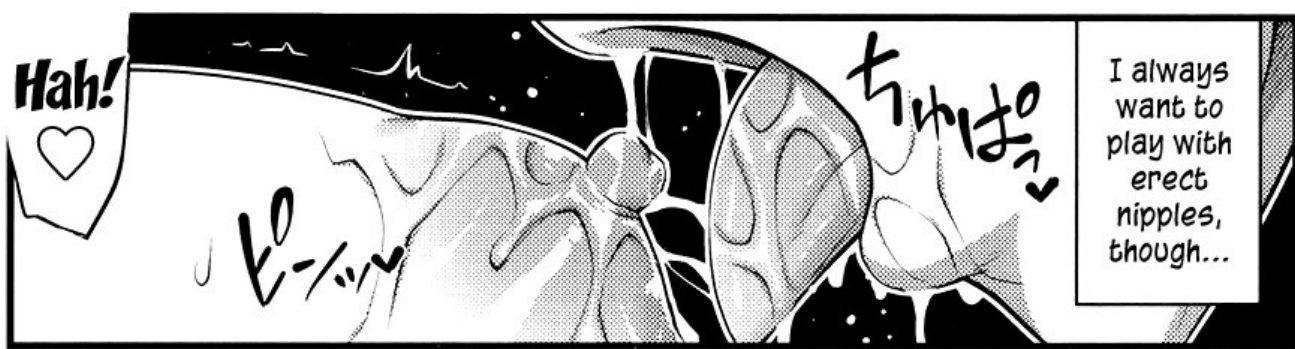

Even though her boobs are soft, they're quite supple like kids' boobs.

my nipple will be feeling funny....!

No!♥If you're playing with my nipple only so much like that,

Even though she's still a sixth grader, her boobs have really grown up well.

Hah!♥

I always want to play with erect nipples, though...

Ng ahn!♥

But, let me play with your nipples a bit longer.

For crying out loud ... You Pool!♥

You're right. Since your boobs've grown up,

I've got to play with your boobs more thoroughly.

Then, do you want to do anything else, Miyuki?

Eh...?

Ah, sorry. I'm sorry.

H A H

.....

I'm so happy that Miyuki's boobs have grown up well like this.

...You perverted.

and have sex with you..., Onii-chan.

...I want to put your d*ck inside me...,

かあ
あゝ

G-Geez ...!

You're playing with my boobs only, Onii-chan!

H A H

I-It's because Onii-chan wanted to have sex anyway, right?

Even before I moved house, you'd often come on to me, and begged me to have sex.

Hahaha. After all, Miyuki is as lewd as ever, isn't she?

Well, that's right, though. Haha.

Mhm ...!

All right. It's wet enough already.

Your p*ssy has still been cute since I last saw it.

Then, I'm sorry for making you wait, too.

I see. It's been a while.

Be-Because it's been a while since we last had sex..., you know.

Your p*ssy looks like a child's p*ssy on the surface, but didn't it get wet quite easily?

It's squeezing my d*ck so tightly.

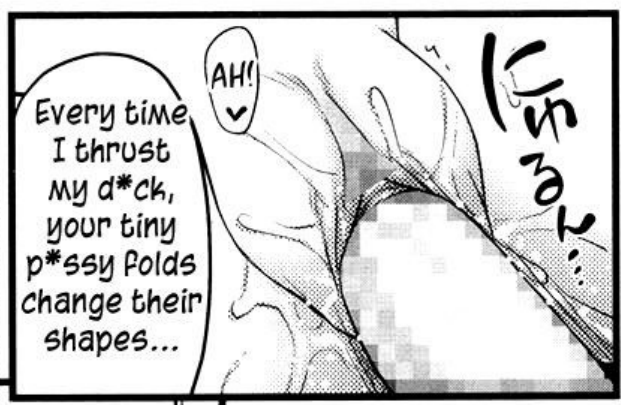

Its tightness hasn't changed yet, too.

Every time I thrust my d*ck, your tiny p*ssy folds change their shapes...

AH!

Miyuki is really cute.

This feeling... is good, after all.

I feel like... he's somehow being rougher than before... ♡
