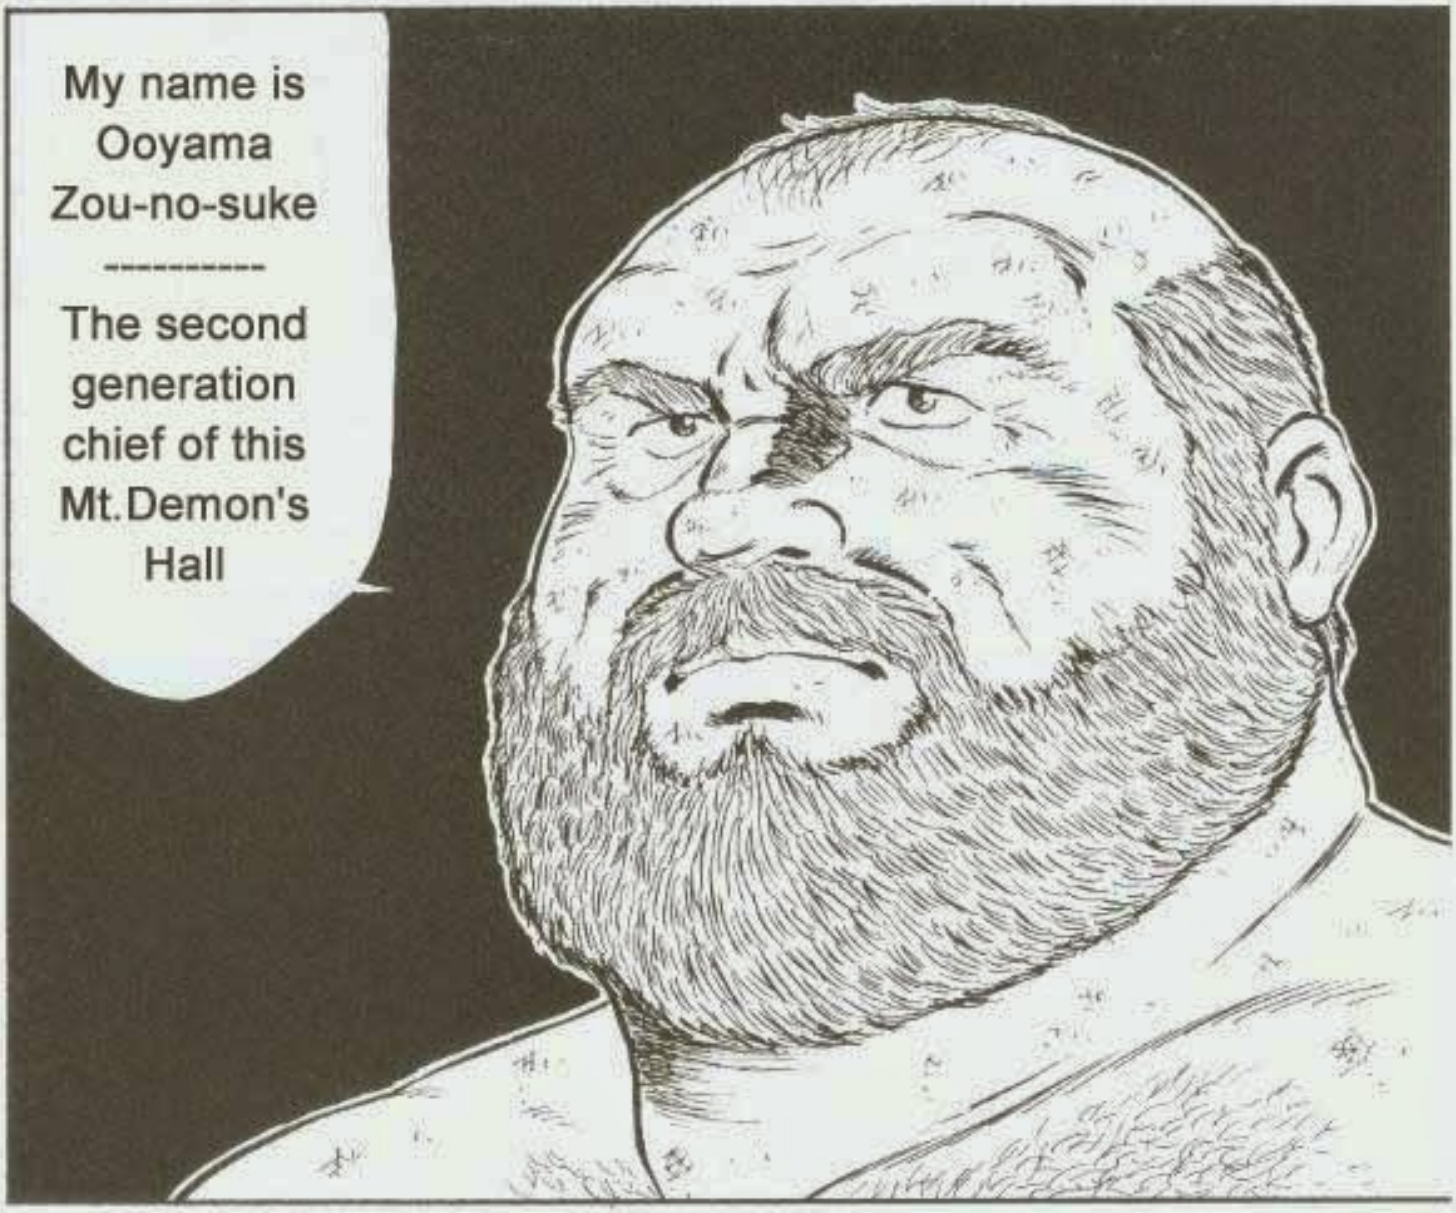
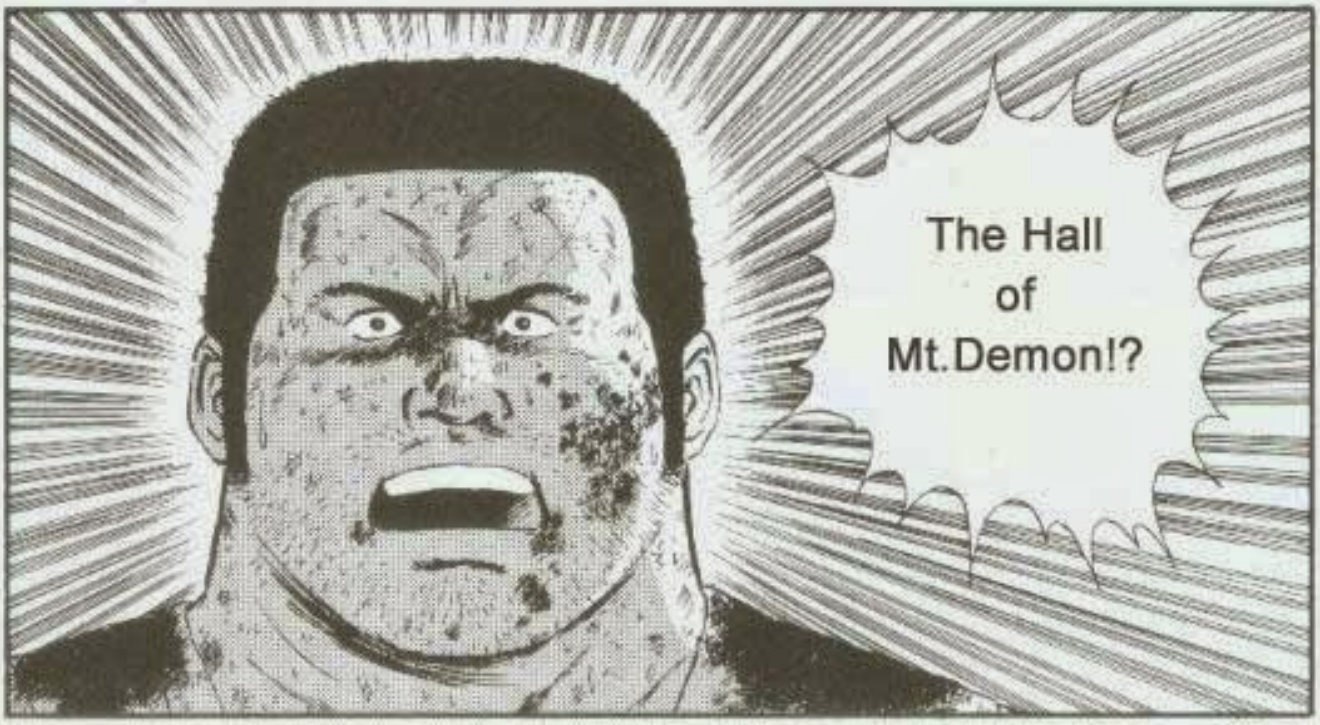
Our general .....
How do you feel?
Who...
Who is it...



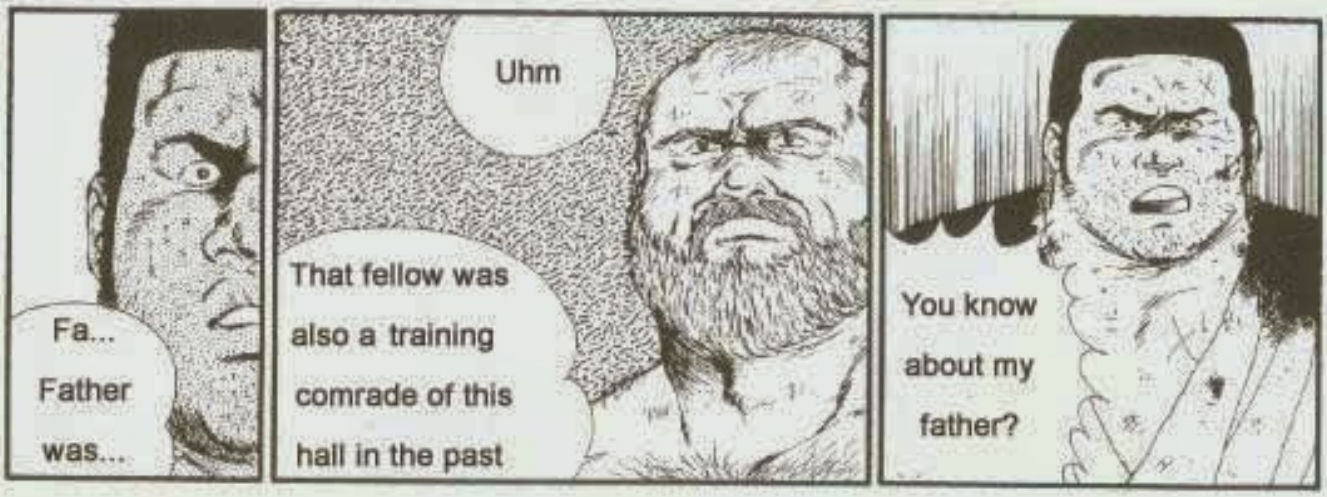
My name is Ooyama Zou-no-suke

The second generation chief of this Mt.Demon's Hall

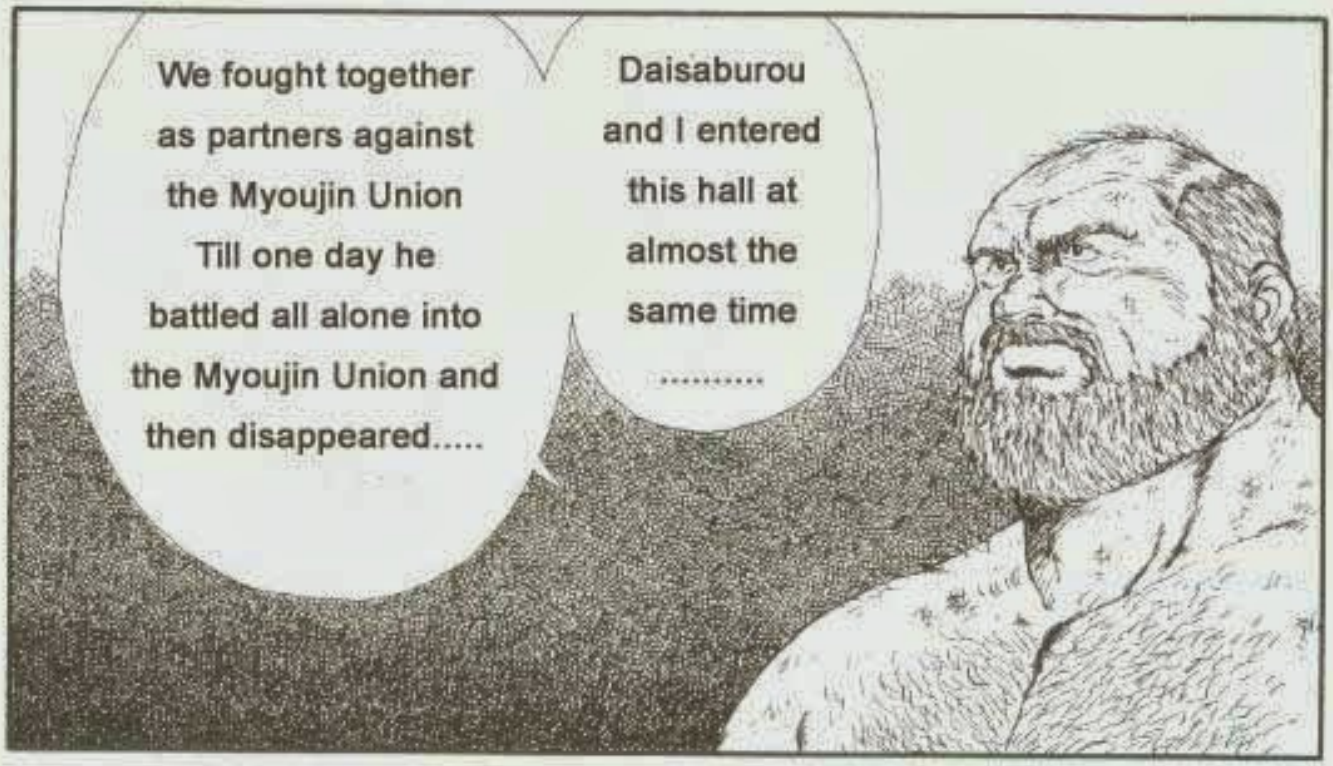


The Hall of Mt.Demon!?

Here is the Hall of Mt.Demon .....
Something happened to him when he visited the Hall of Mt.Demon...
Well My father
about us
So you know
Ni... Nishikawa Daisaburou
Your father's name is?
Then your father
So you are that fellow's son?
Ni... Nishikawa ...!?



Fa... Father was...
Uhm
That fellow was also a training comrade of this hall in the past
You know about my father?



We fought together as partners against the Myoujin Union Till one day he battled all alone into the Myoujin Union and then disappeared.....
Daisaburou and I entered this hall at almost the same time .....

Killed by Myoujin Union
Father... has died...
So his son exists
As I had expected .....
So
Then is Daisaburou still alive?

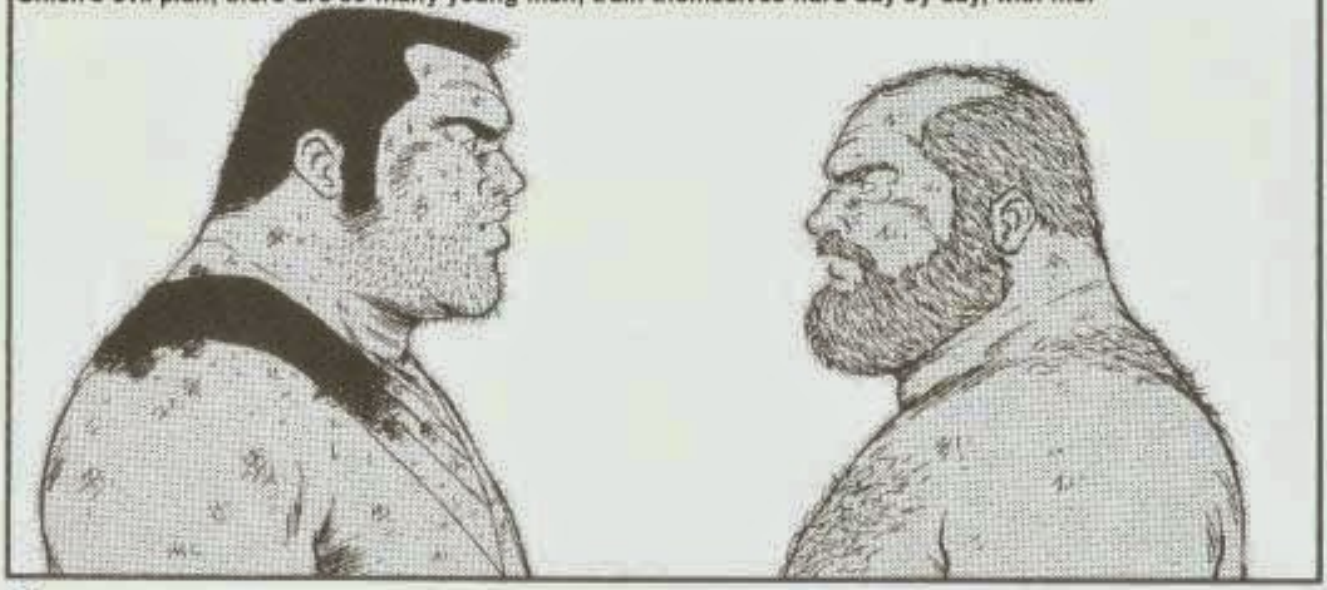
This Hall of Mt.Demon, was the Sumo Dojo created by our first generation chief, aimed to provide tough warriors with strong body and mind, to the world.

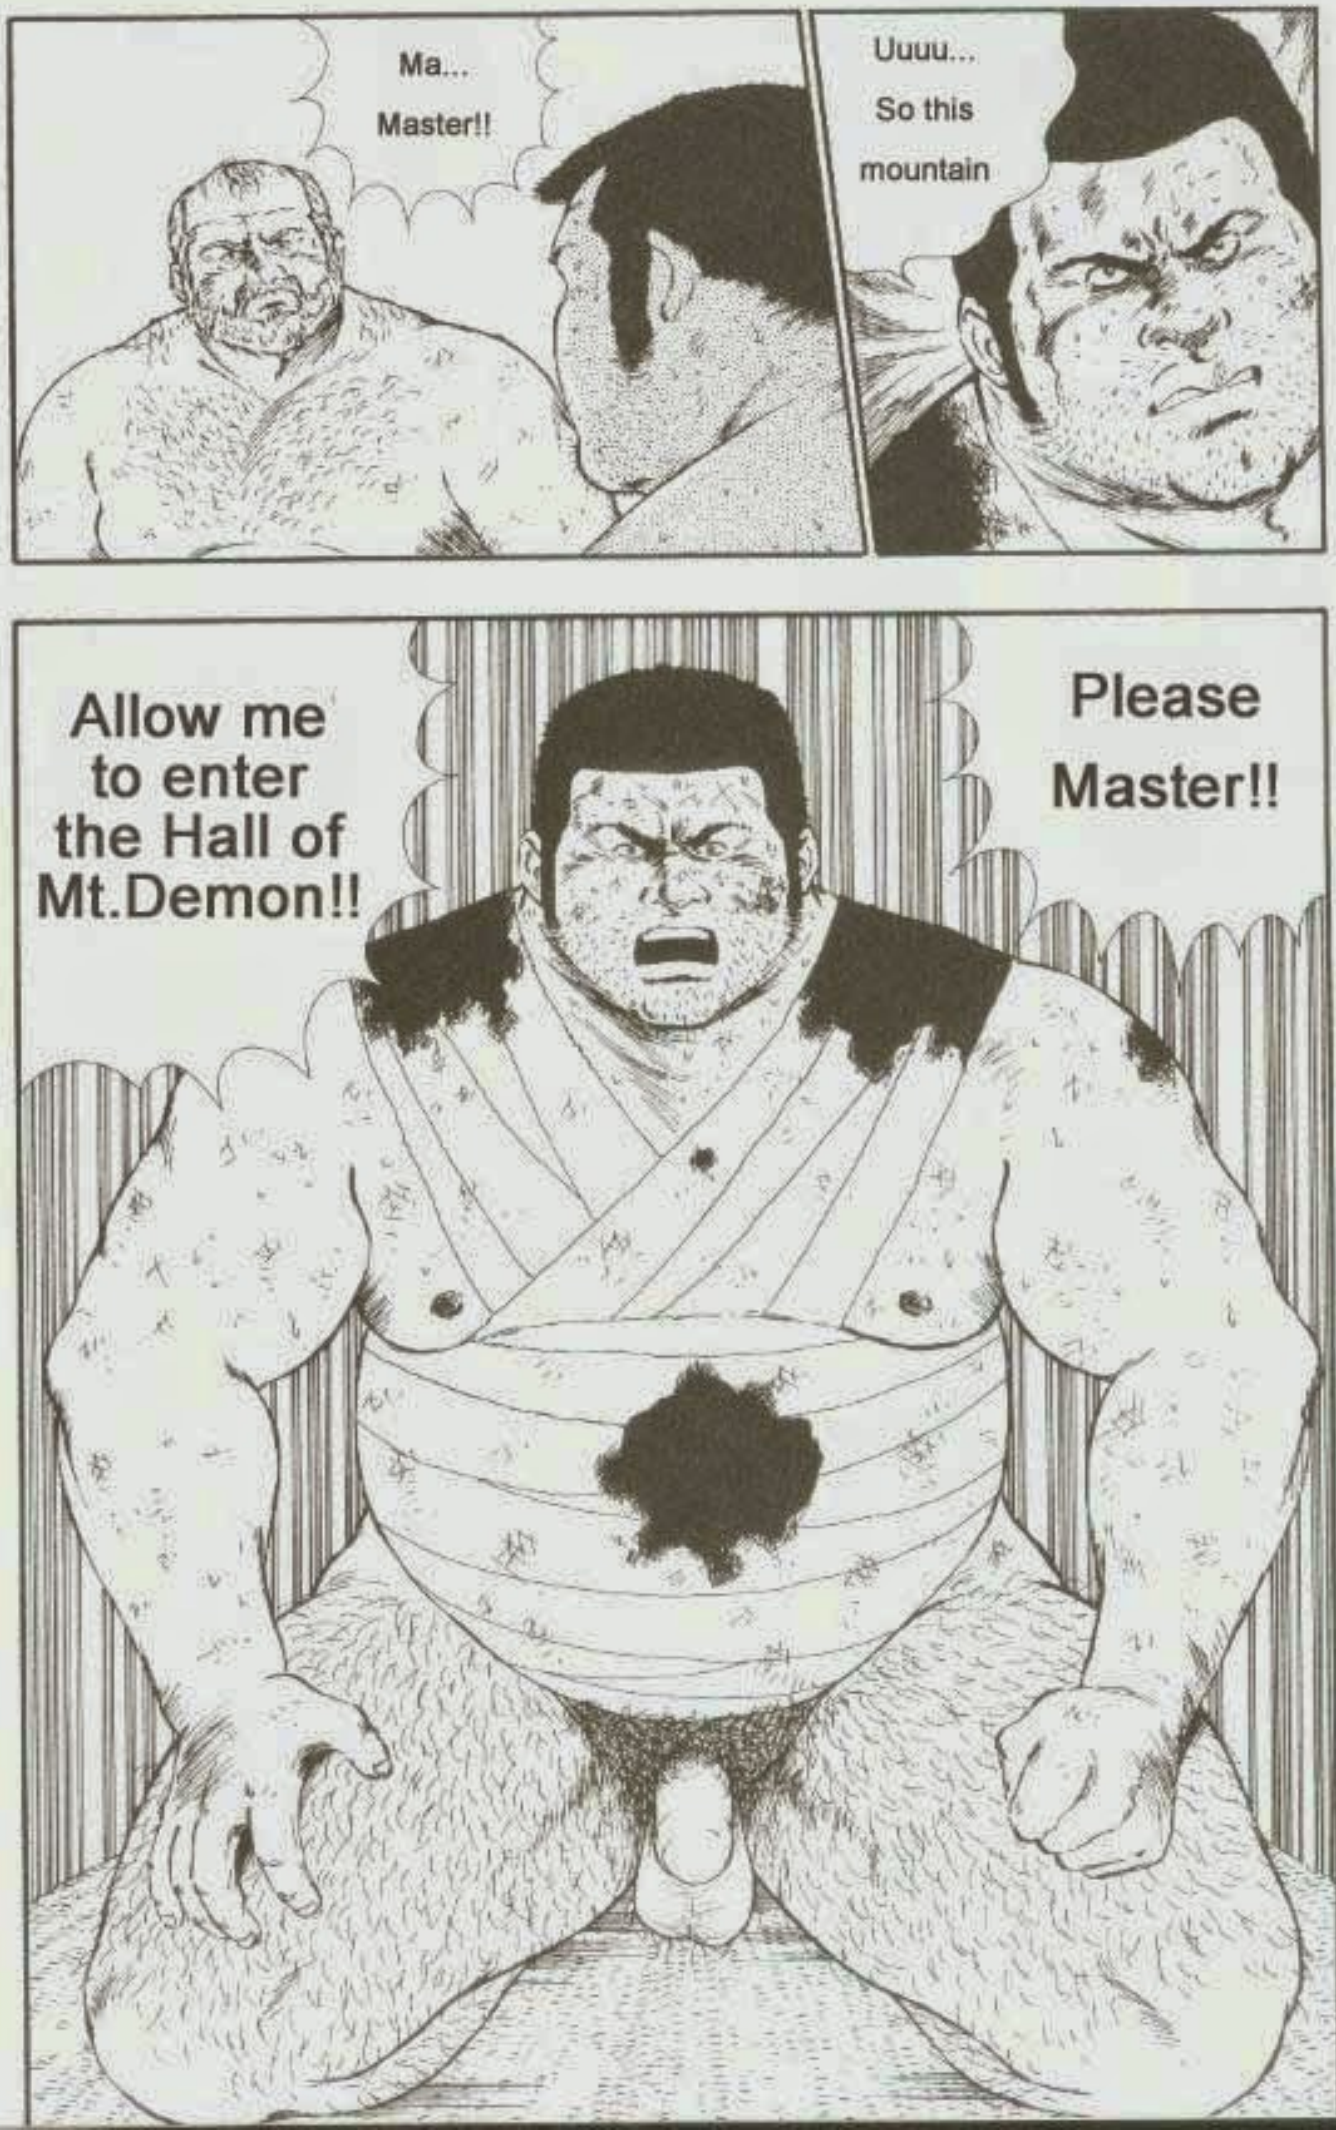
Existence of this training project was quickly spread and known. Brave men all over Japan wanted to participate in it, so they could become powerful. Of course, your father was an extraordinary one of them.

One day, there came people who challenged the Hall of Mt.Demon. They are Myoujin Union! Whose purpose was the gold mine buried deep inside this Mt.Demon.

Our members were massacred by Myoujin Union, and the Hall gradually collasped. We all bet our lives to protect this sanctuary of us. Those scums who killed our people just for the sake of their desire for rich, are definitely unforgivable!

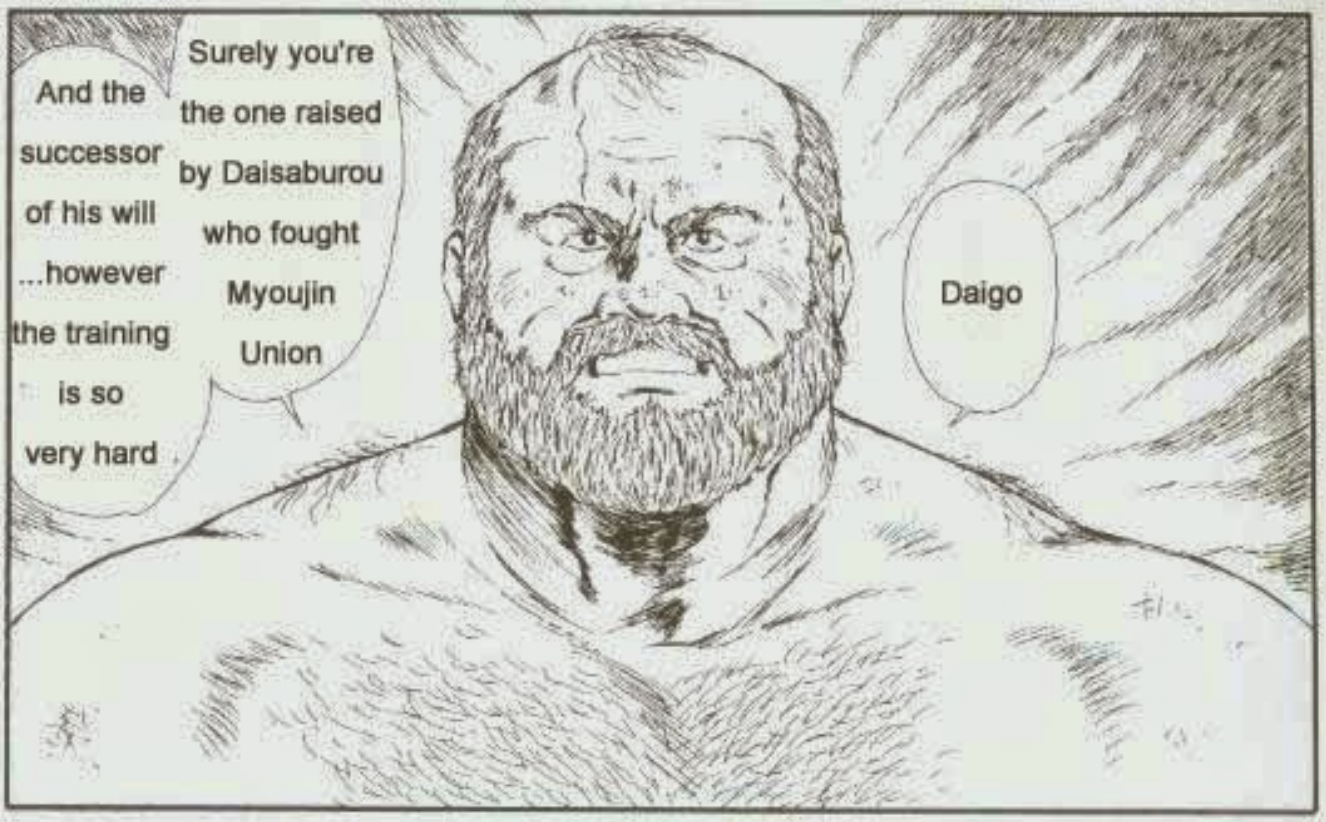
The battle against Myoujin Union had lasted for over 20 years, and is still going on. In order to destroy Myoujin Union's evil plan, there are so many young men, train themselves hard day by day, with me.





Ma...
Master!!
Uuuu...
So this
mountain
Allow me
to enter
the Hall of
Mt.Demon!!
Please
Master!!

Please, master! Let me enter the battle against those scums of Myoujin Union with you!!
Now I realized why I received those hell like training up till now



And the successor of his will ...however the training is so very hard
Surely you're the one raised by Daisaburou who fought Myoujin Union
Daigo

Our training starts here

Won't care even if it costs life!
So let's start the training immediately!

Your will is even stronger than your father's
Just have to defeat those scums as soon as possible

Nishikawa Daigo
I am the son of Nishikawa Daisaburou
レわ!!

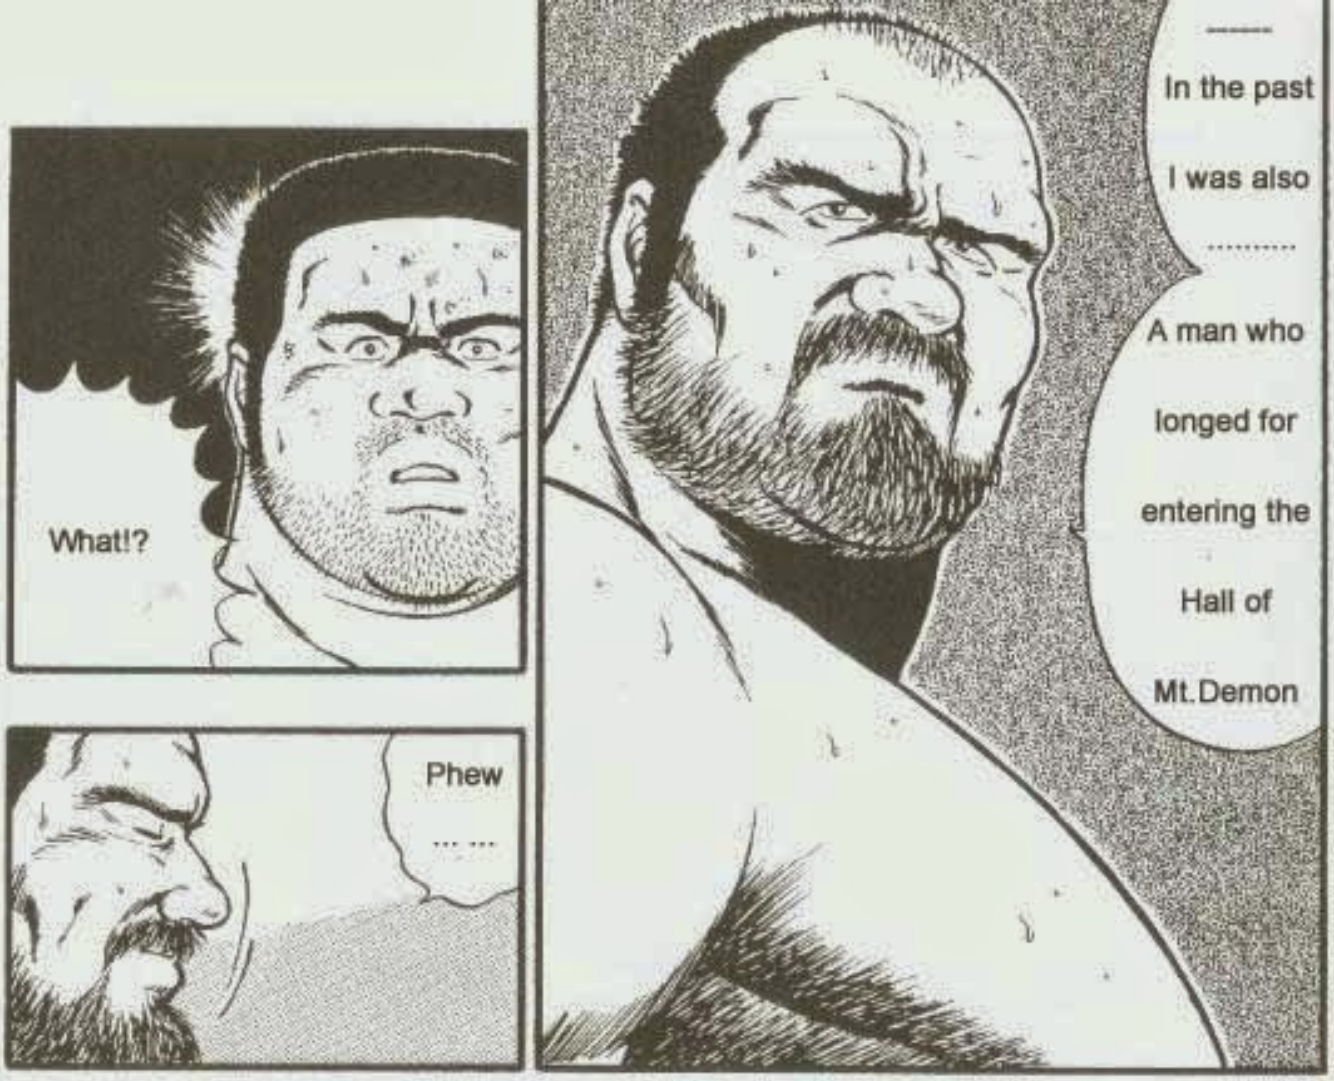
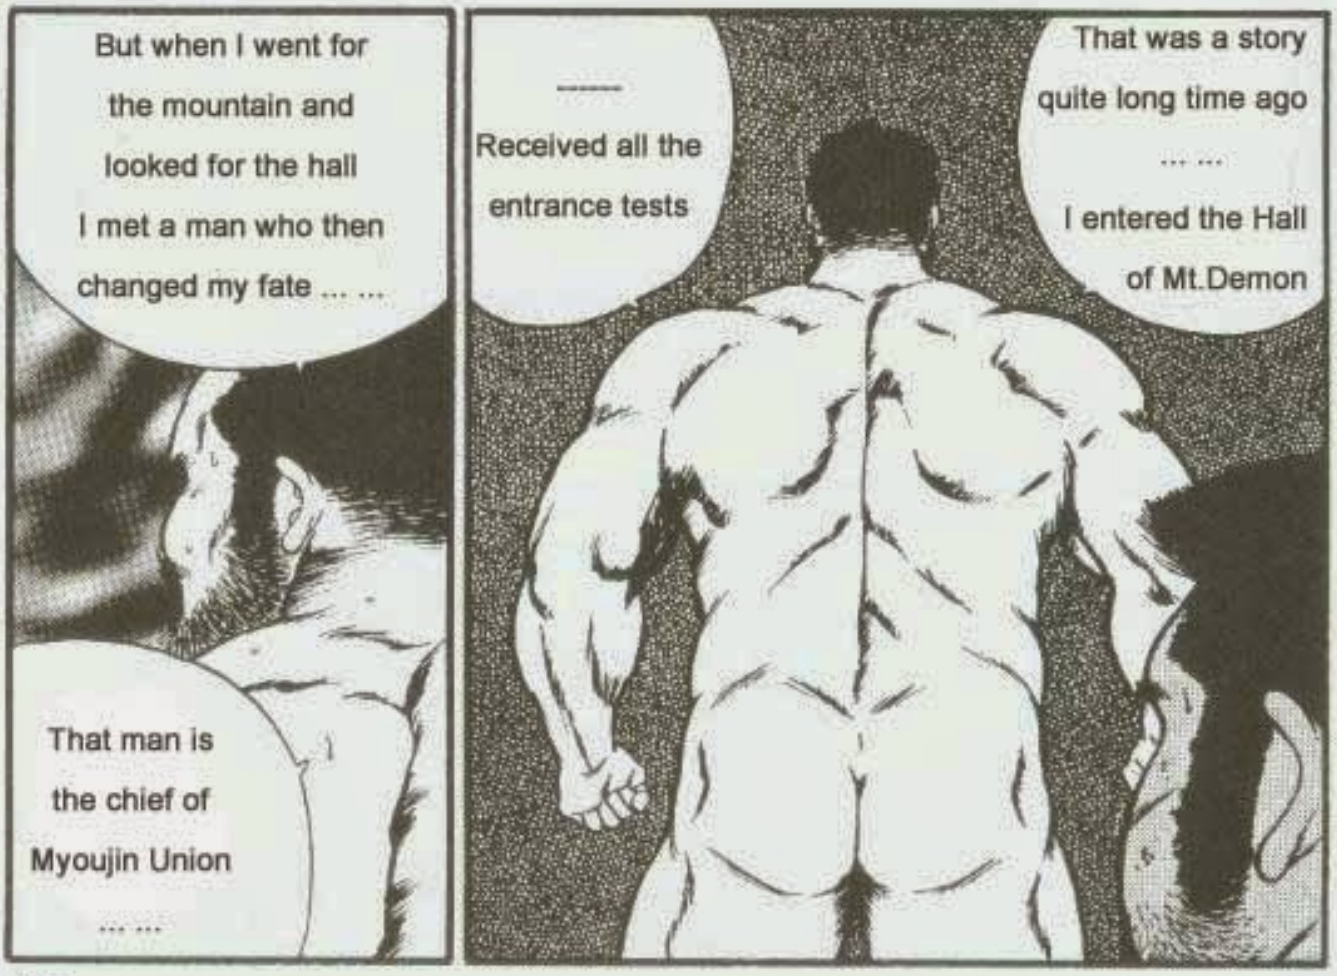
Escape!

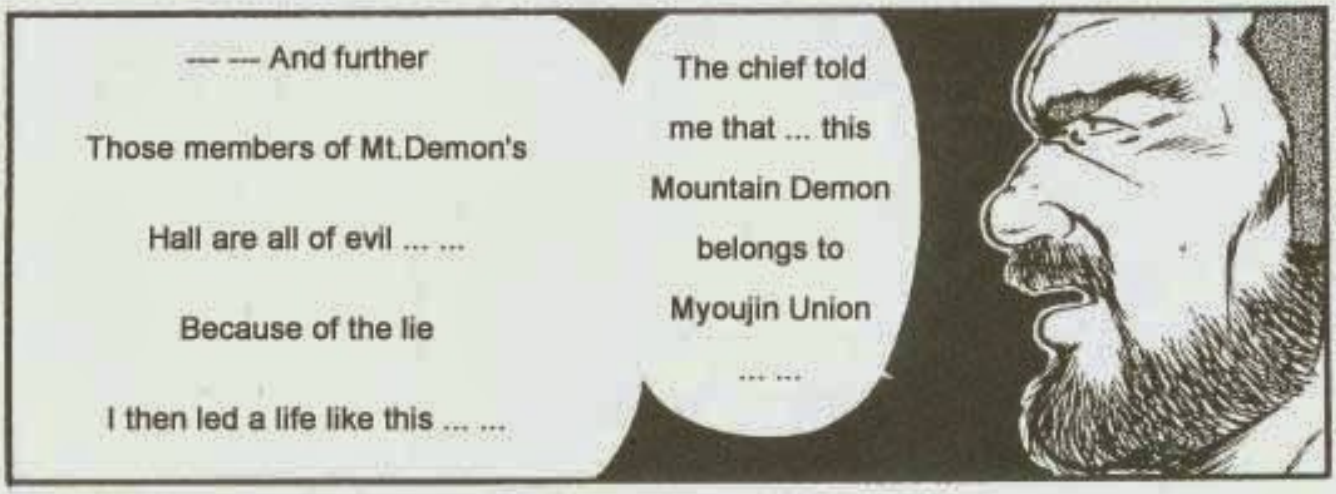
you
...
Why
.....
... ...
I was
also
.....



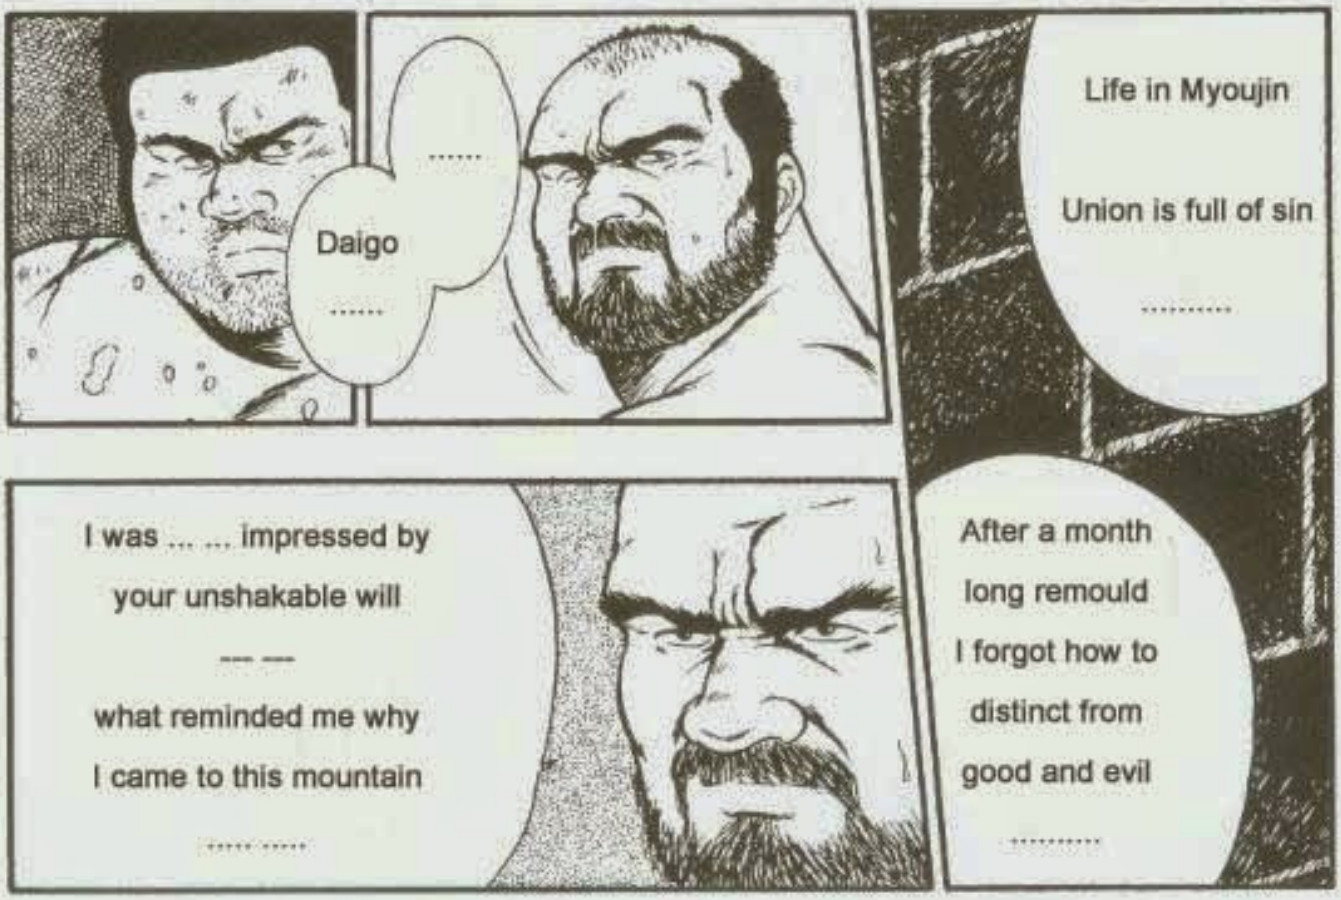
What!?
Phew
... ...
——
In the past
I was also
.....
A man who
longed for
entering the
Hall of
Mt.Demon



But when I went for
the mountain and
looked for the hall
I met a man who then
changed my fate ... ...
That man is
the chief of
Myoujin Union
... ...
——
Received all the
entrance tests
That was a story
quite long time ago
... ...
I entered the Hall
of Mt.Demon



--- --- And further
Those members of Mt.Demon's
Hall are all of evil ... ...
Because of the lie
I then led a life like this ... ...
The chief told
me that ... this
Mountain Demon
belongs to
Myoujin Union
... ...



Daigo
.....
.....
Life in Myoujin
Union is full of sin
.....
I was ... ... impressed by
your unshakable will
--- ---
what reminded me why
I came to this mountain
....
After a month
long remould
I forgot how to
distinct from
good and evil
.....

You ought not to lose
your life in this place
... ...
----- -----
to help you escape
is my responsibility
... or rather my fate ...
Daigo...
you are the man
born to defeat
Myoujin Union
... ...

I was attracted
by you ... ...
Daigo
....
Then
...
But
now
... ...
I do
love
you
...
....
Being the self
who I am now
I can no longer love
anyone anymore
.... however ....

They would kill you if I escaped
With pleasure Don't have to worry about me ... ...
I'll be alright ... ...
Then you
Let's go back to the Hall of Mt.Demon together ... ...

Are you serious...
Let's fight against the Myoujin Union together!
Eh ...
Uhm...
Wearing Hundoshi in cold winter Cannot take baths however much sweat run down ..... Can you stand all these? ... ...
No doubt you have to suffer hell like training everyday
If you want to enter this Hall then get ready ... ...

Phew ...
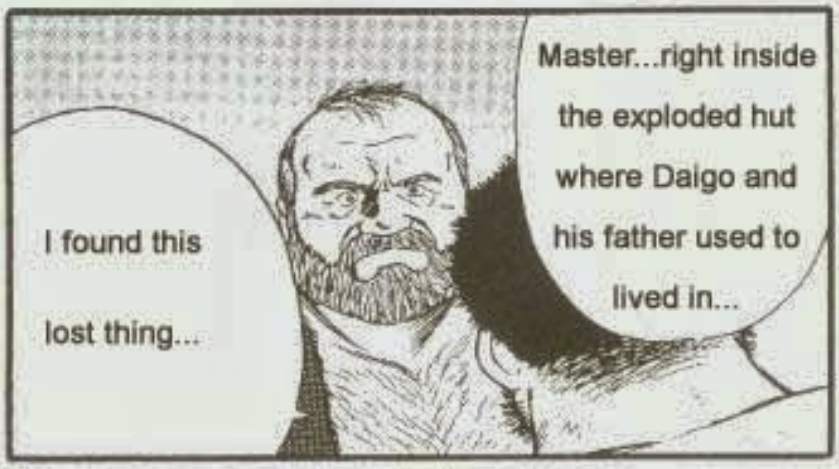
Ohh Thanks
Medicine is done
Master
But a little bit late his viscers are to blow out
That stud hasn't died even after splitted the belly

Thanks lord that we can relieve...
Phew ...



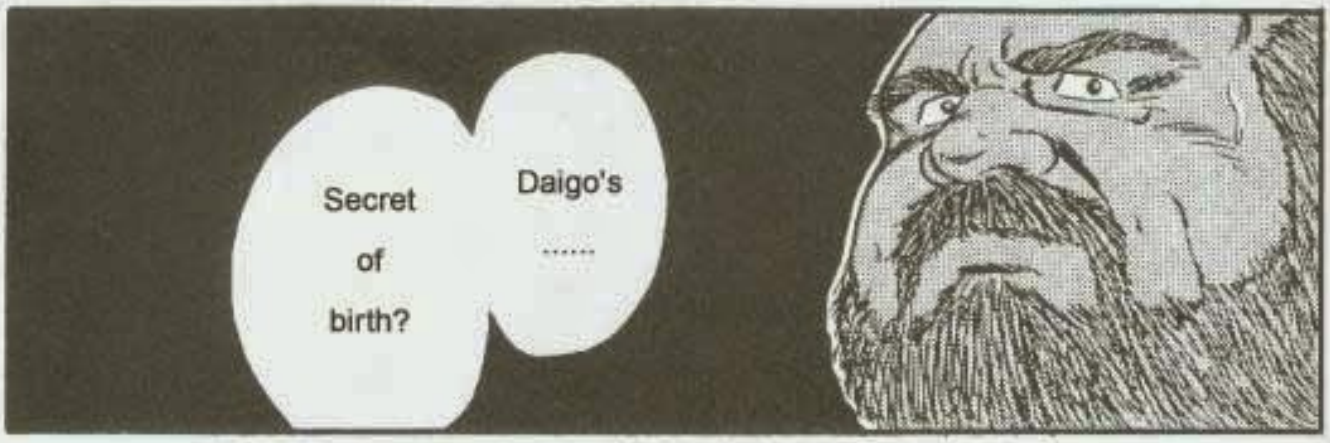
I found this lost thing...
Master...right inside the exploded hut where Daigo and his father used to lived in...

So
So that

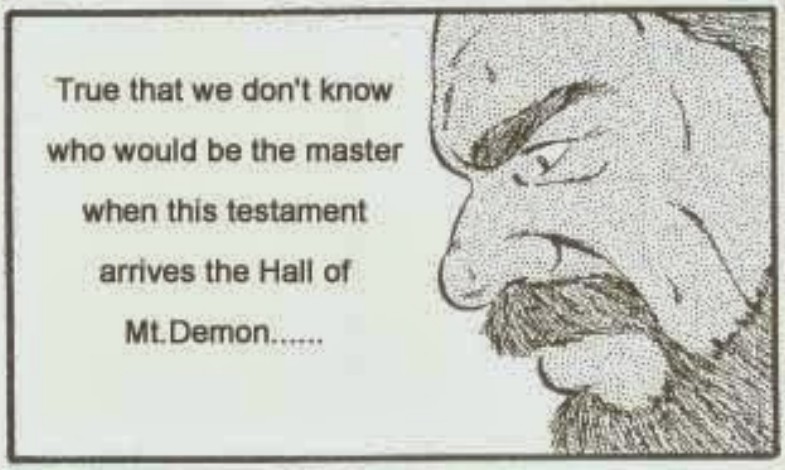
Please read it... It was written by Daigo's father

Which recorded the secret of daigo's birth

This
This is !?



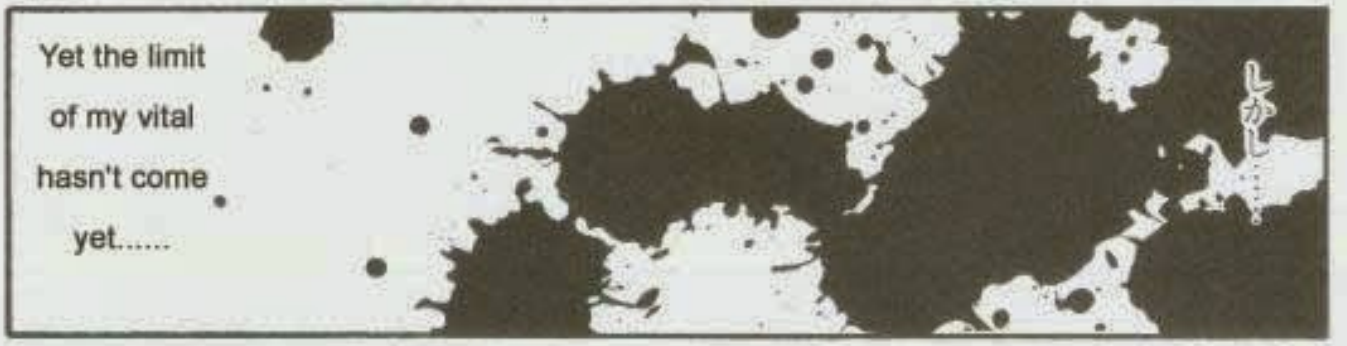
Secret
of
birth?
Daigo's
.....



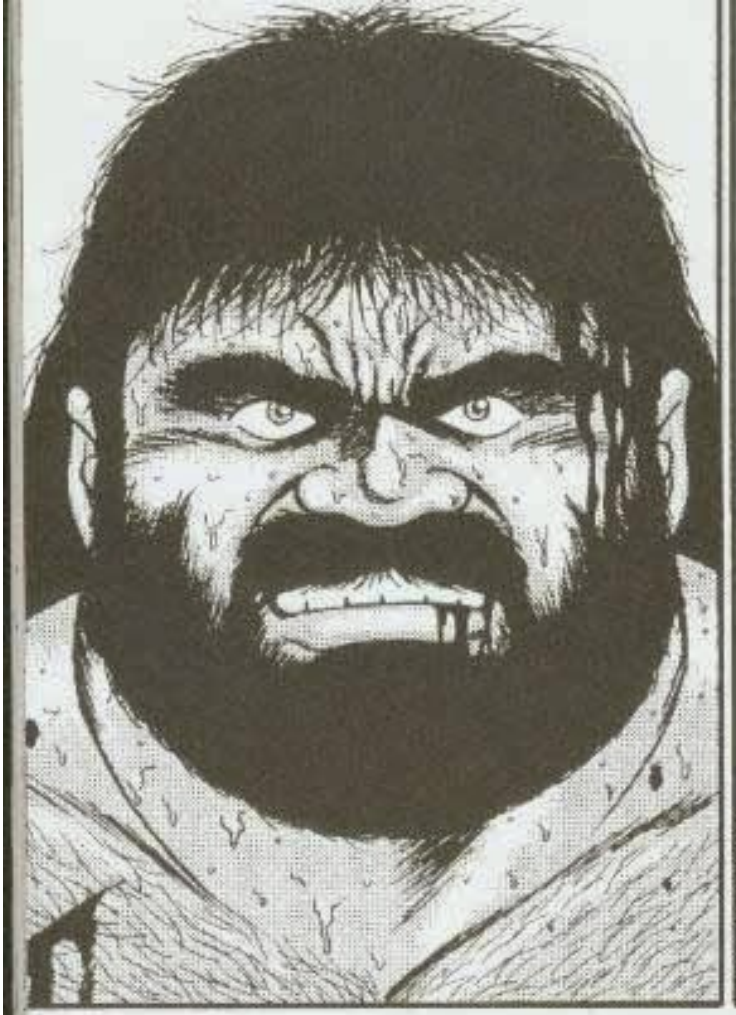
It could be kinda crazy leaving the hall and hide from the world
But what I write here, are some untold truths
Which involves the real identity of
Nishikawa Daigo
Please keep it always a secret.....

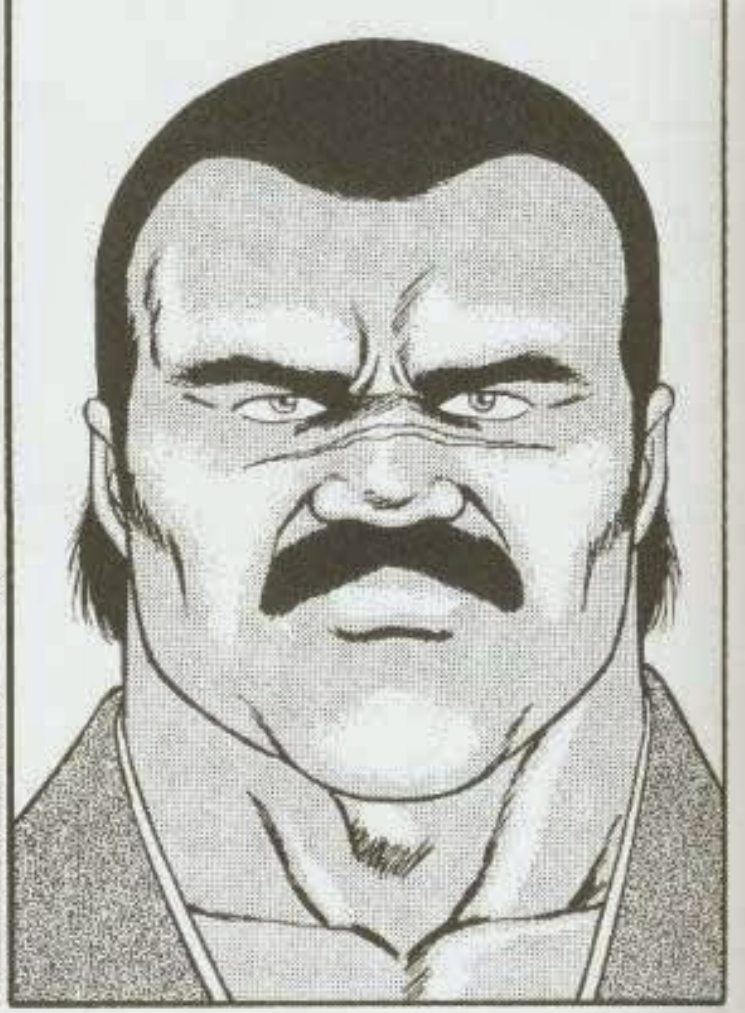
Rather ------
Took it as a
test of my strength
.....
Being young and
fearless I just
rushed all around
mindlessly.....
There was no
obstacle in
fromt of eyes
ガッ
ダダッ

Nearly half of the opponents were knocked down
My energy burnt out that



Yet the limit of my vital hasn't come yet.....



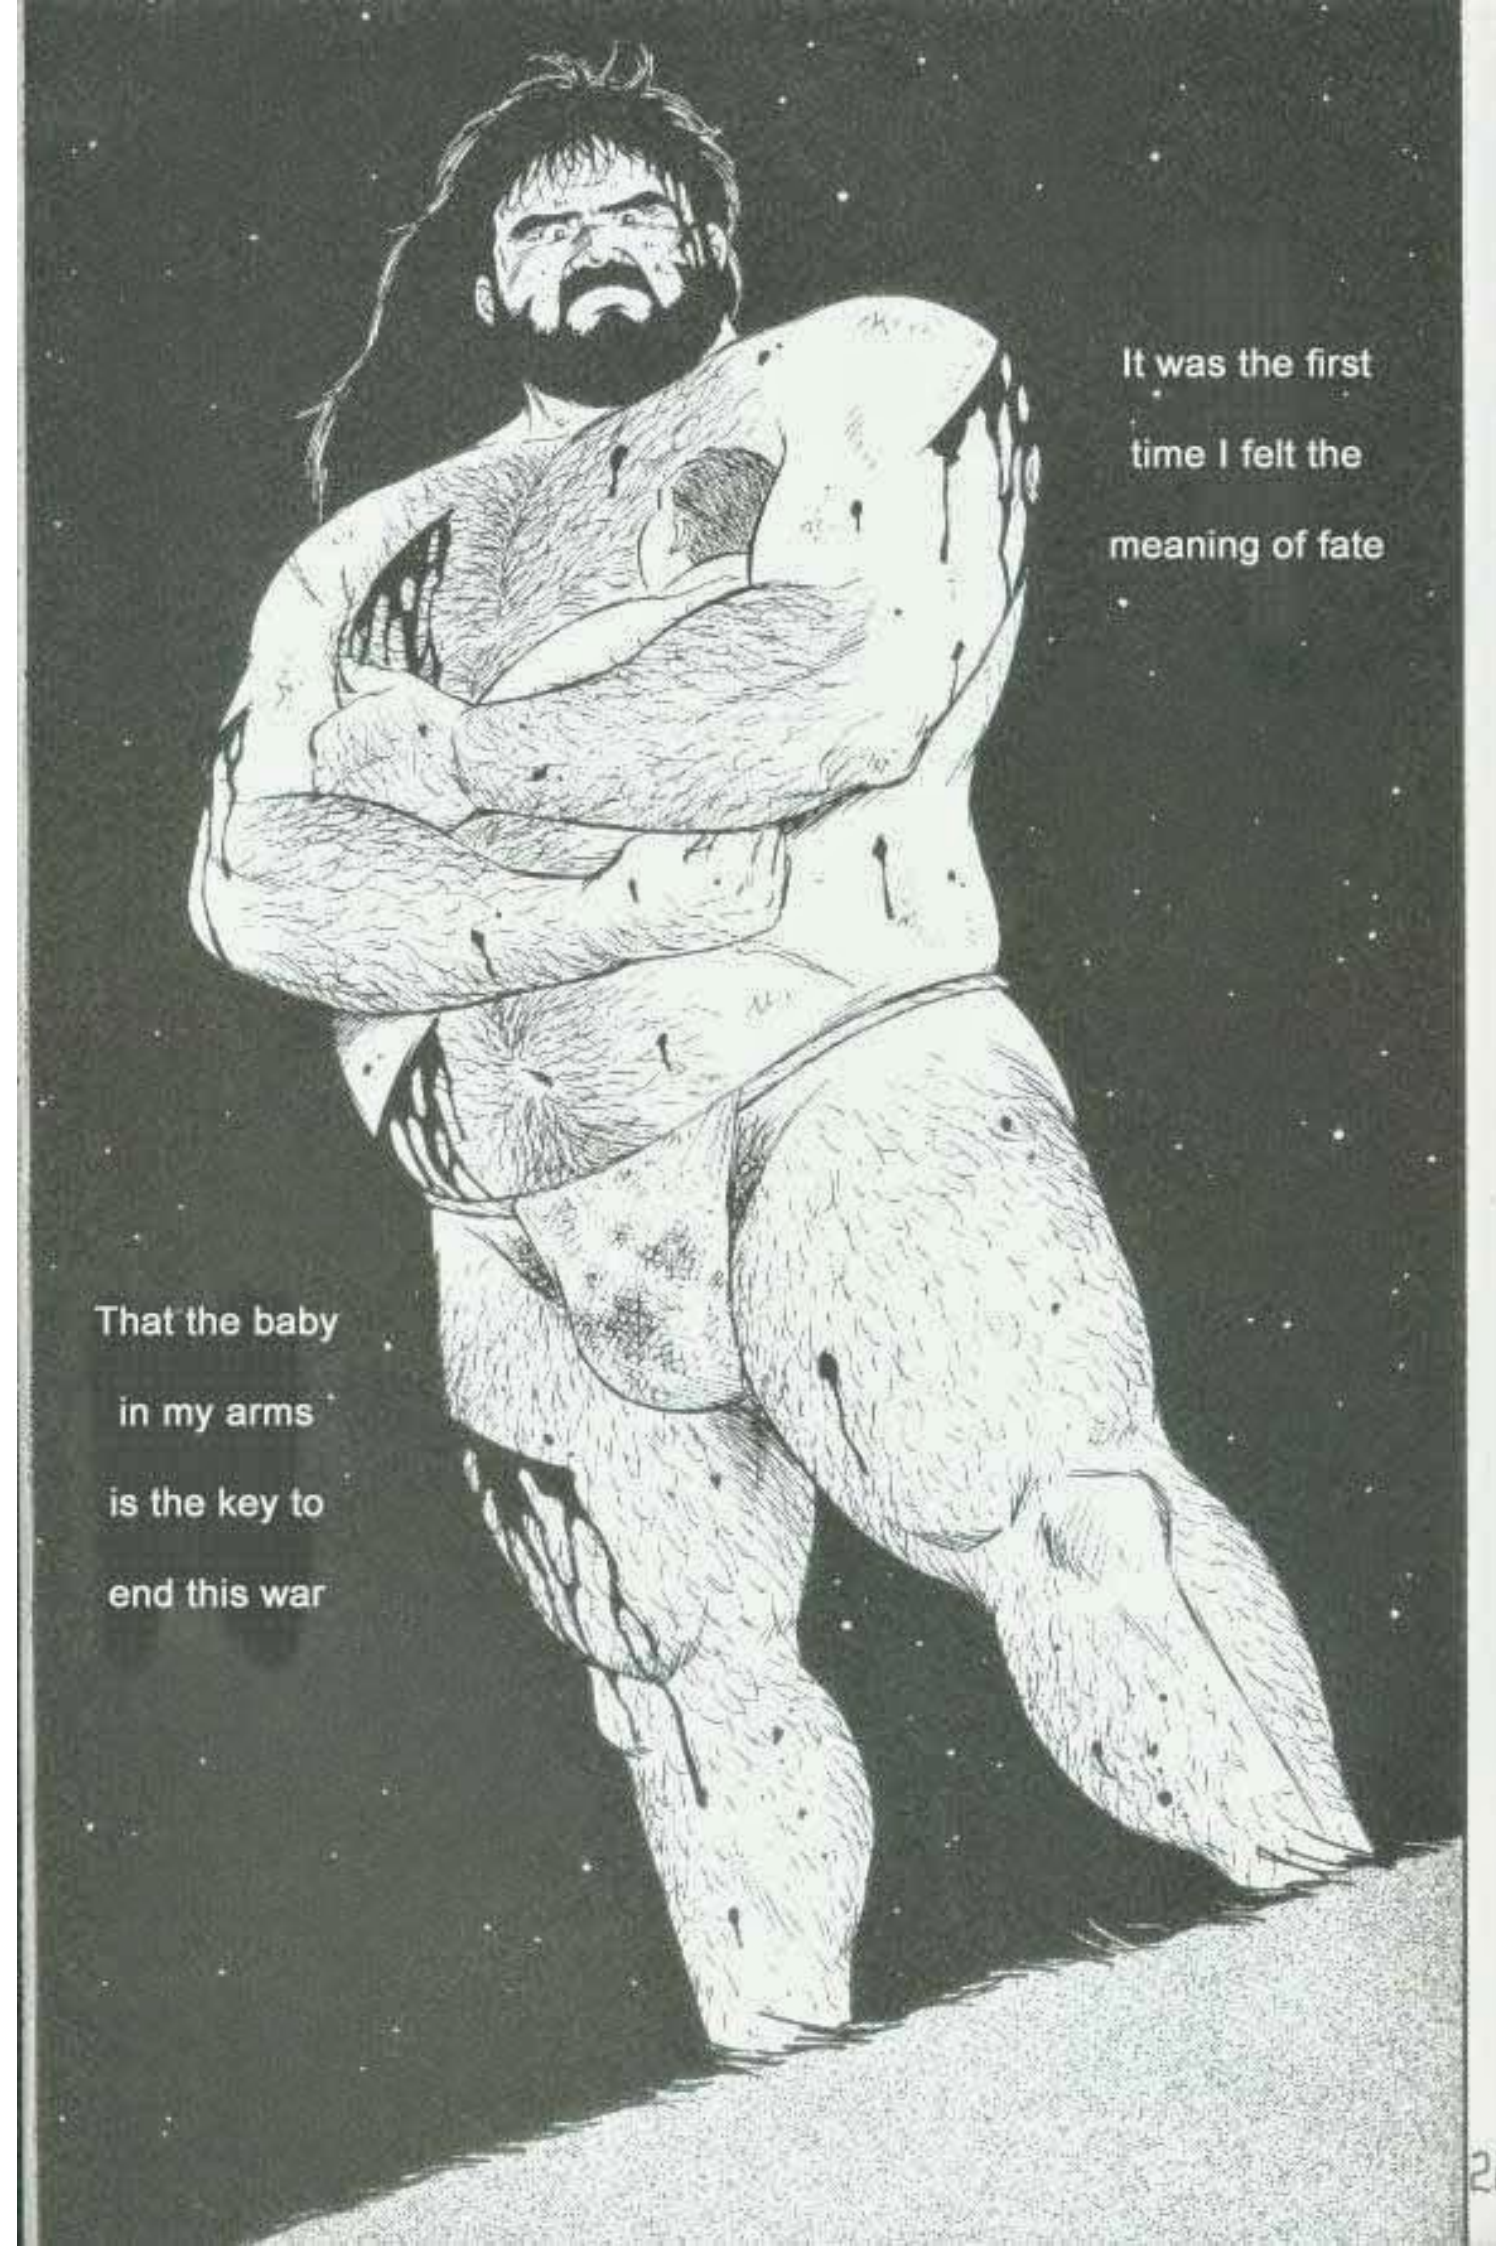


This battle is actually an action of kill or killed

The word "Death" suddenly emerged in my mind

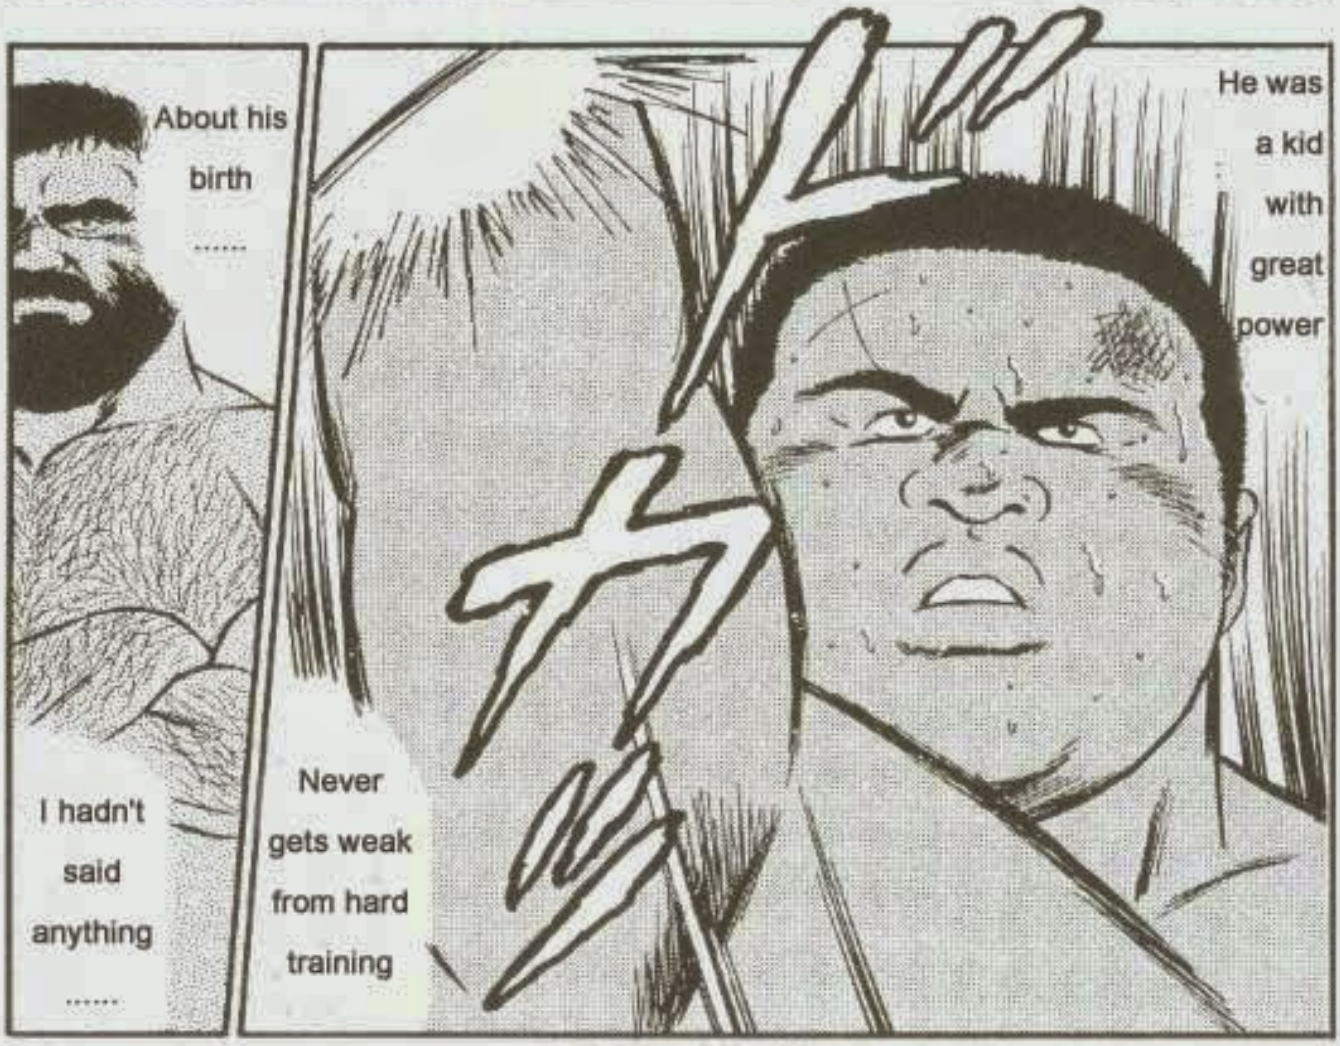
When I met the chief of Myoujin Union I felt the fear

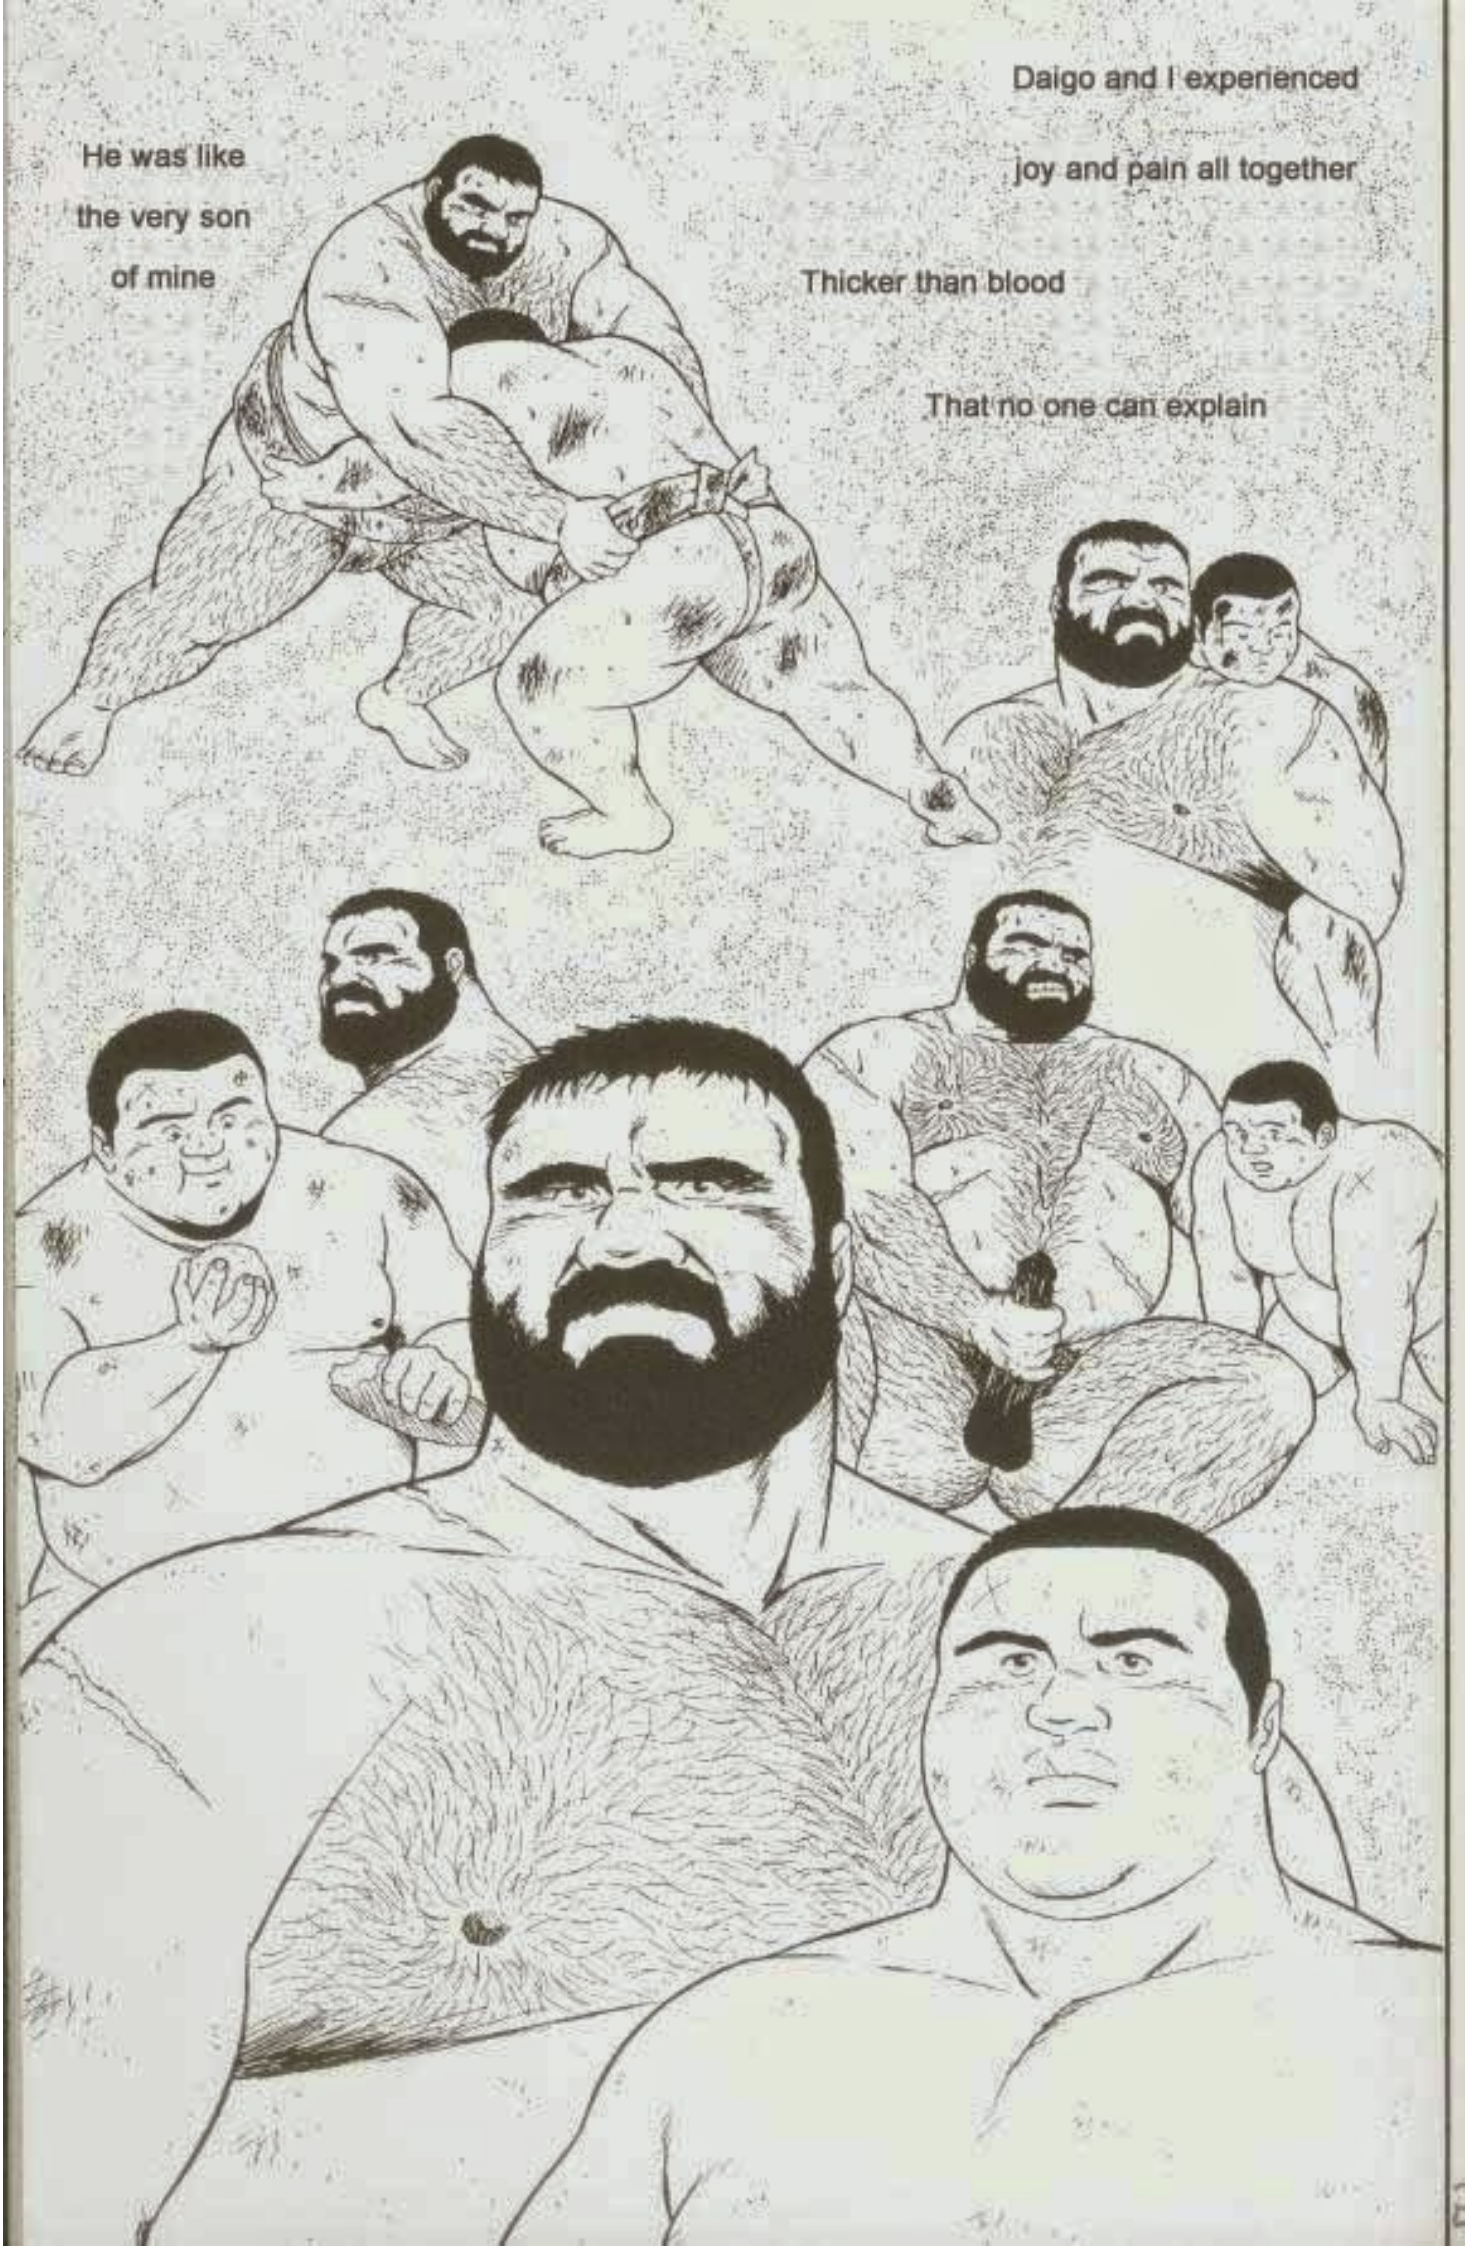
Right after our conversation I learnt that she was once carried away from the root of the mountain by myoujin Union and was used to give birth to a successor of the organization
Right at the moment we battled she ran away with the baby from the Union for not to let the baby be led into evil way.....



It was the first
time I felt the
meaning of fate
That the baby
in my arms
is the key to
end this war

I gave him the name Daigo
After he grew older I started to give him inferno training
So that he could become strong enough to
defeat the Myoujin Union one day





He was like
the very son
of mine
Daigo and I experienced
joy and pain all together
Thicker than blood
That no one can explain

Born for fighting
The little baby
Was educated as a great man..
And then 20 years ago I started to
raise Daigo...
Daigo grew as a warrior robustly

The task for raising Daigo as a great warrior

was over...

But there is still one thing left for me to accomplish

That is ------

To fight once again

against the chief

of Meijin Union....

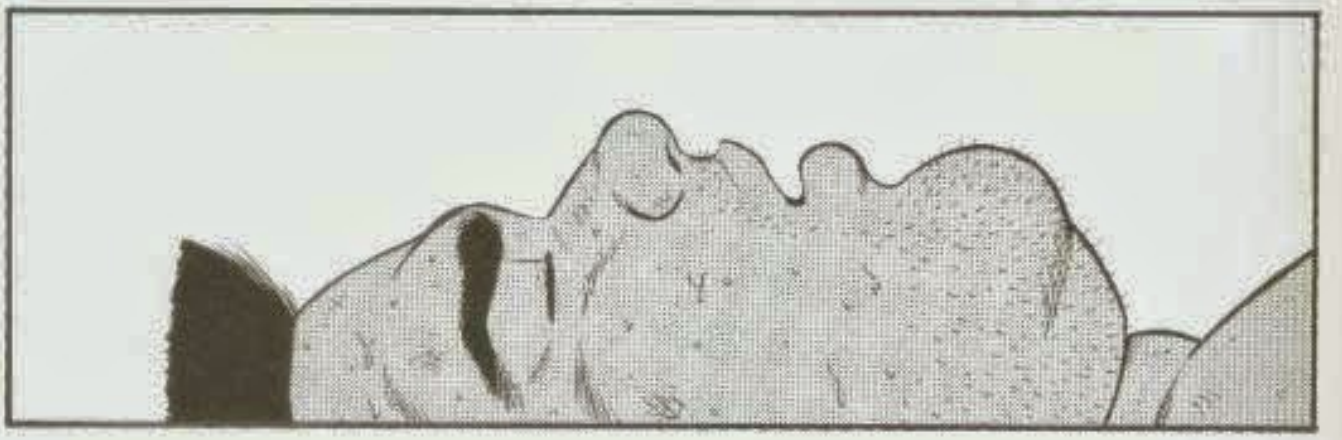
Muroto

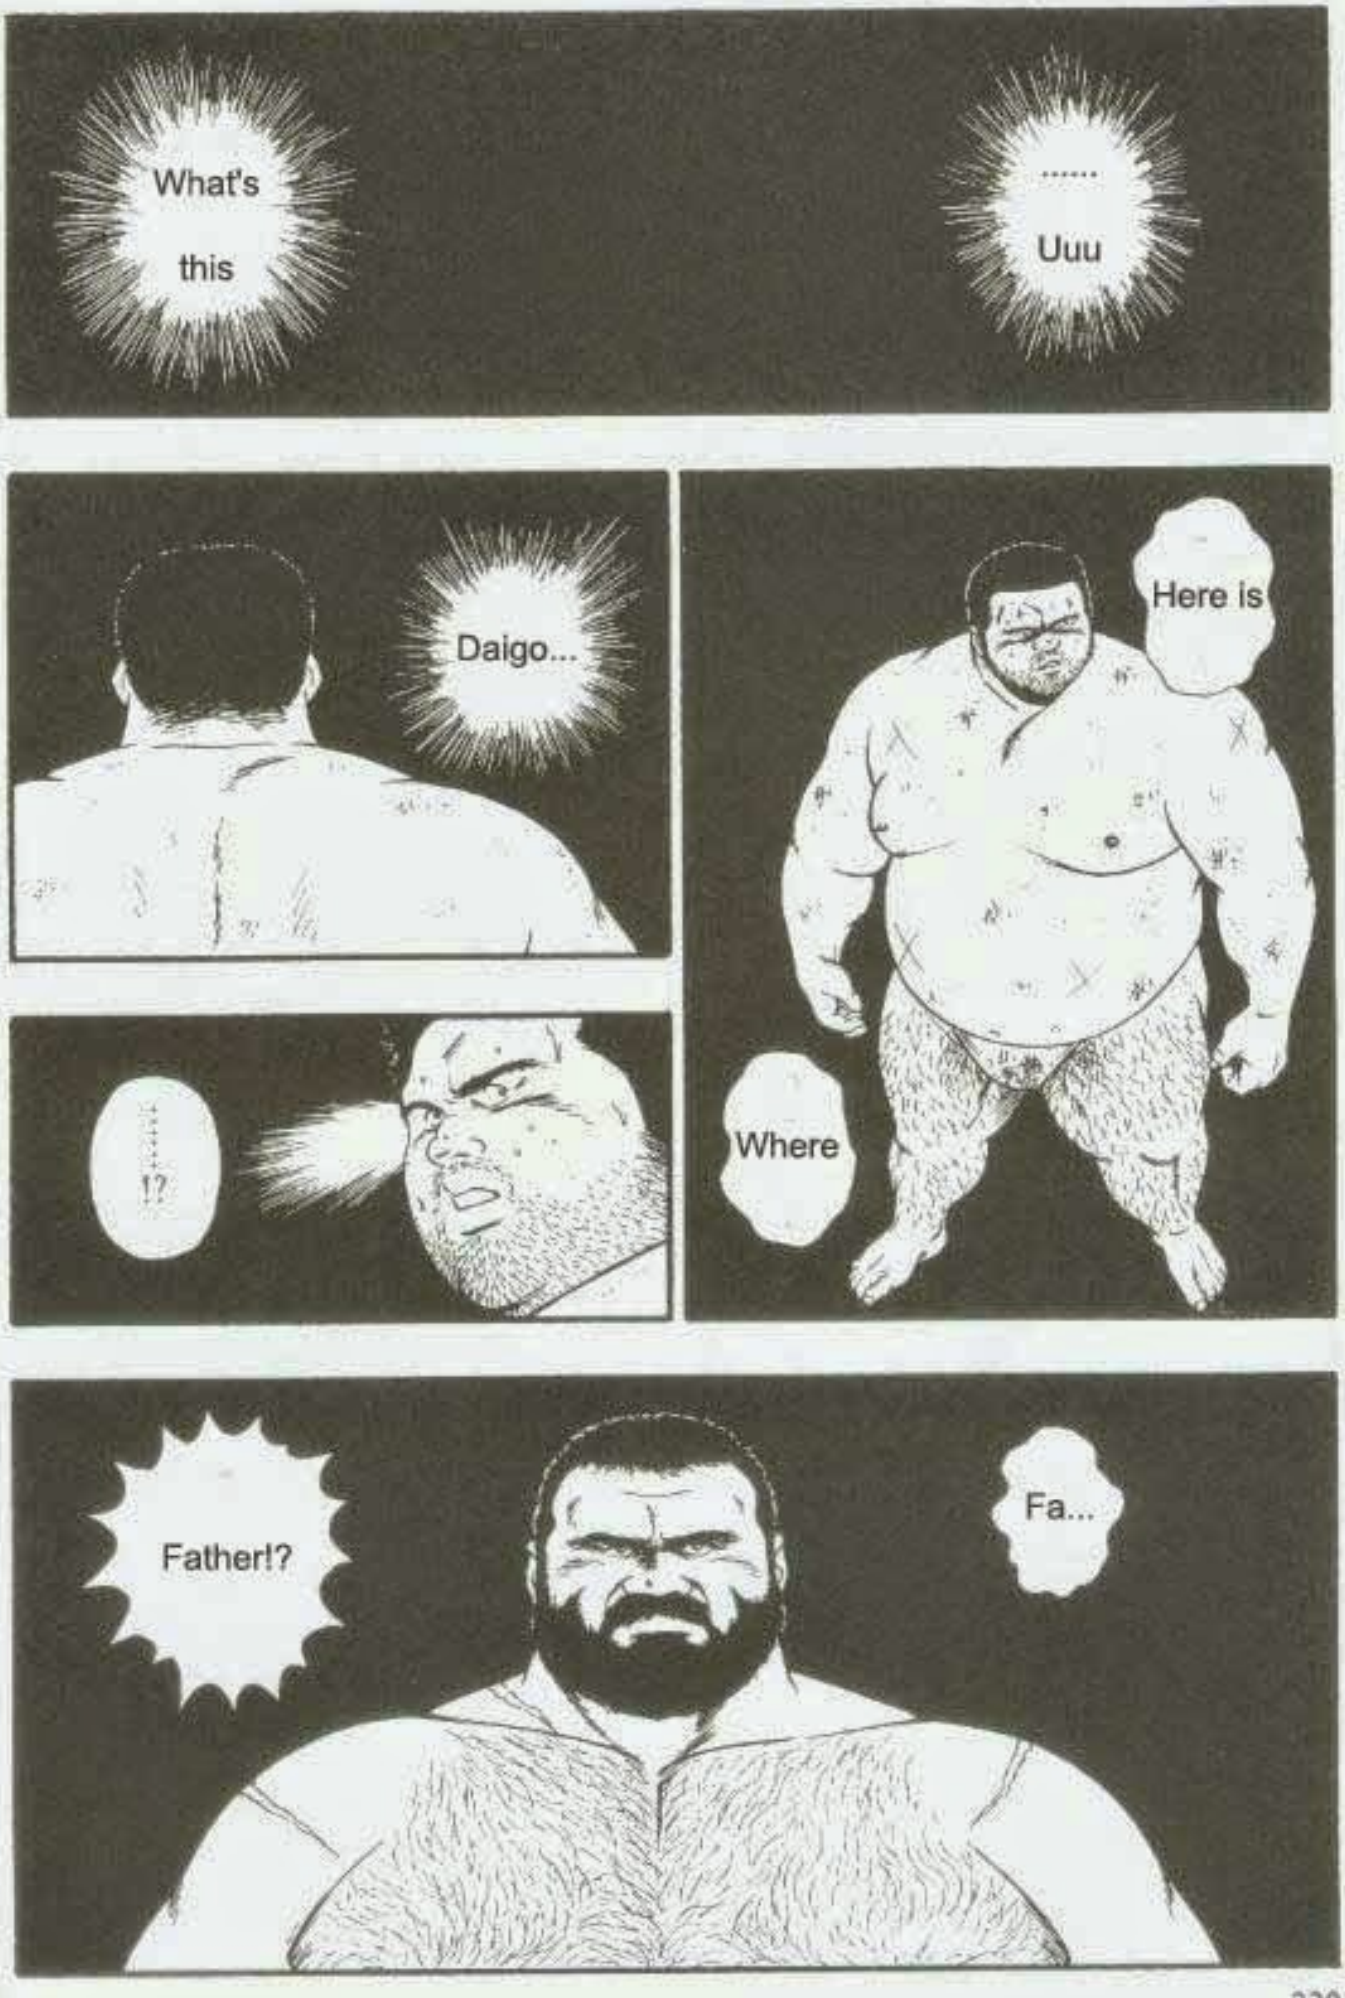
Toujirou...!!

The moment I wrote this testament Daigo was in dream
I might not be able to survive since then but anyway I have to go
For the sake of being a man

I have no doubt about the Hall of Mt. Demon
But...
What worries me much is my son Daigo...

Please take care of him...

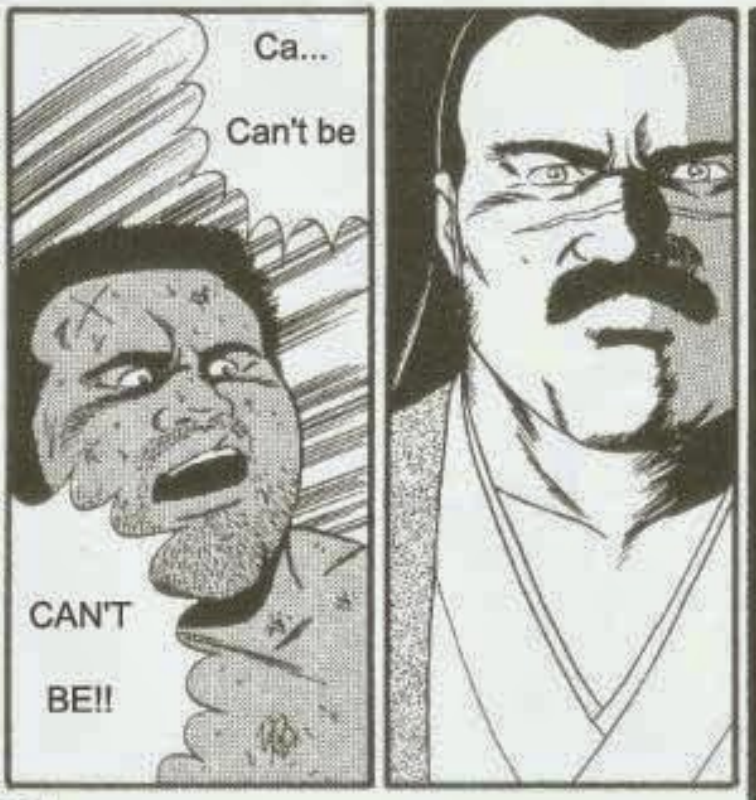




What's this
.....
Uuu
Daigo...
Here is
Where
!?
Father!?
Fa...

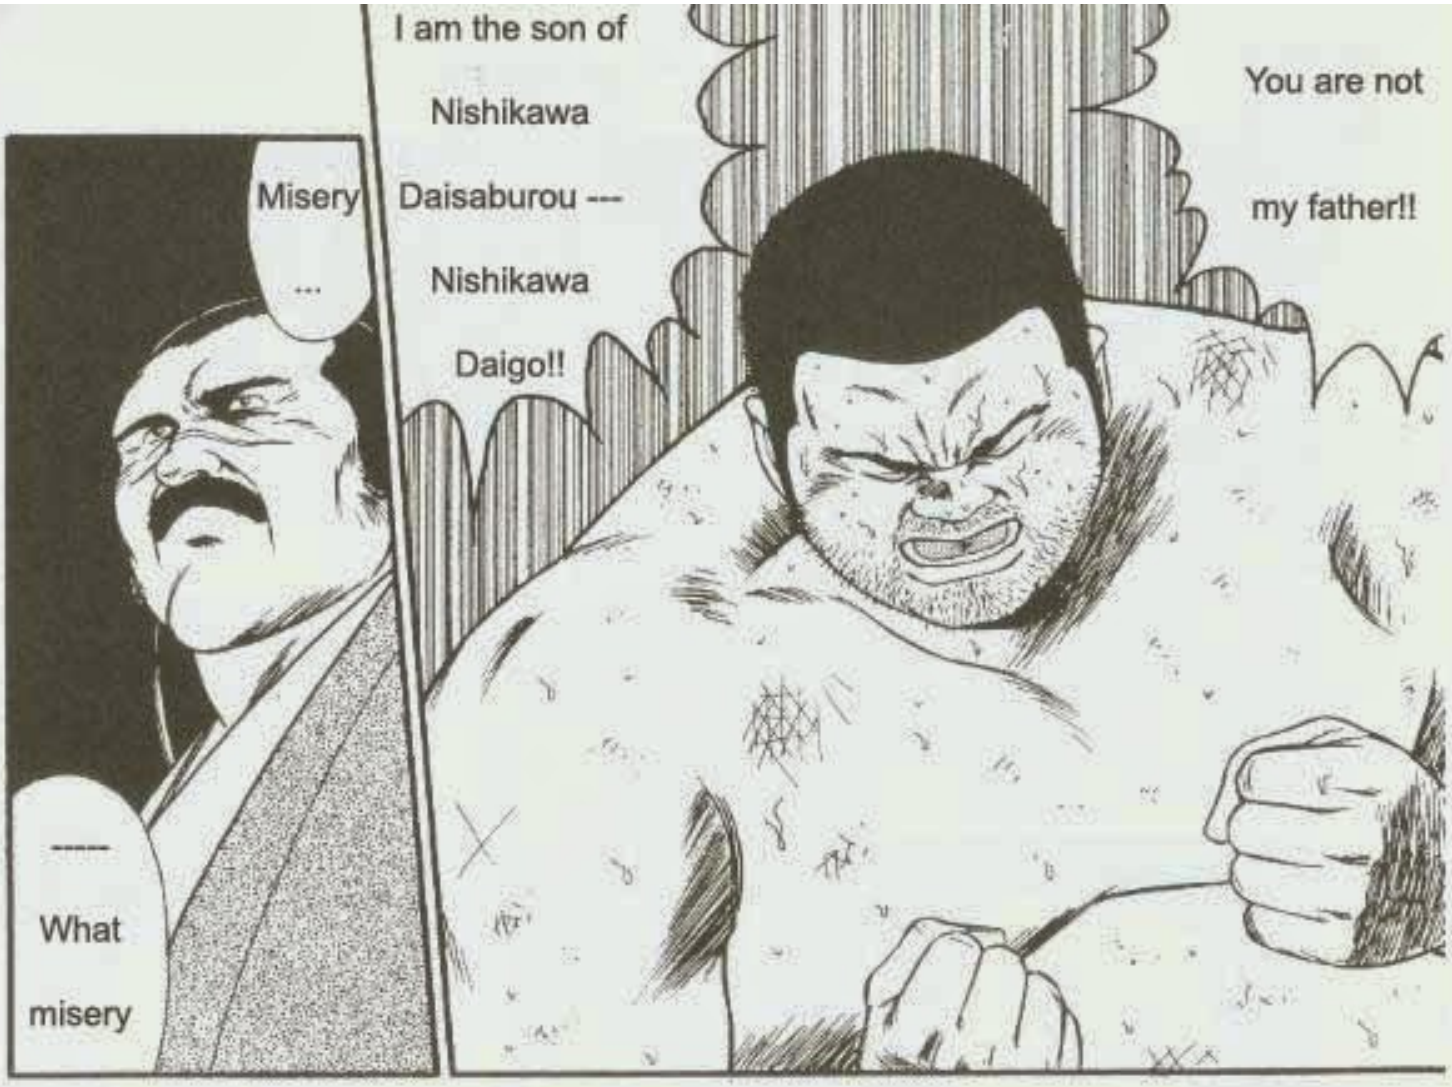
But father you were dead...
Why...

That man is not your father
Daigo...



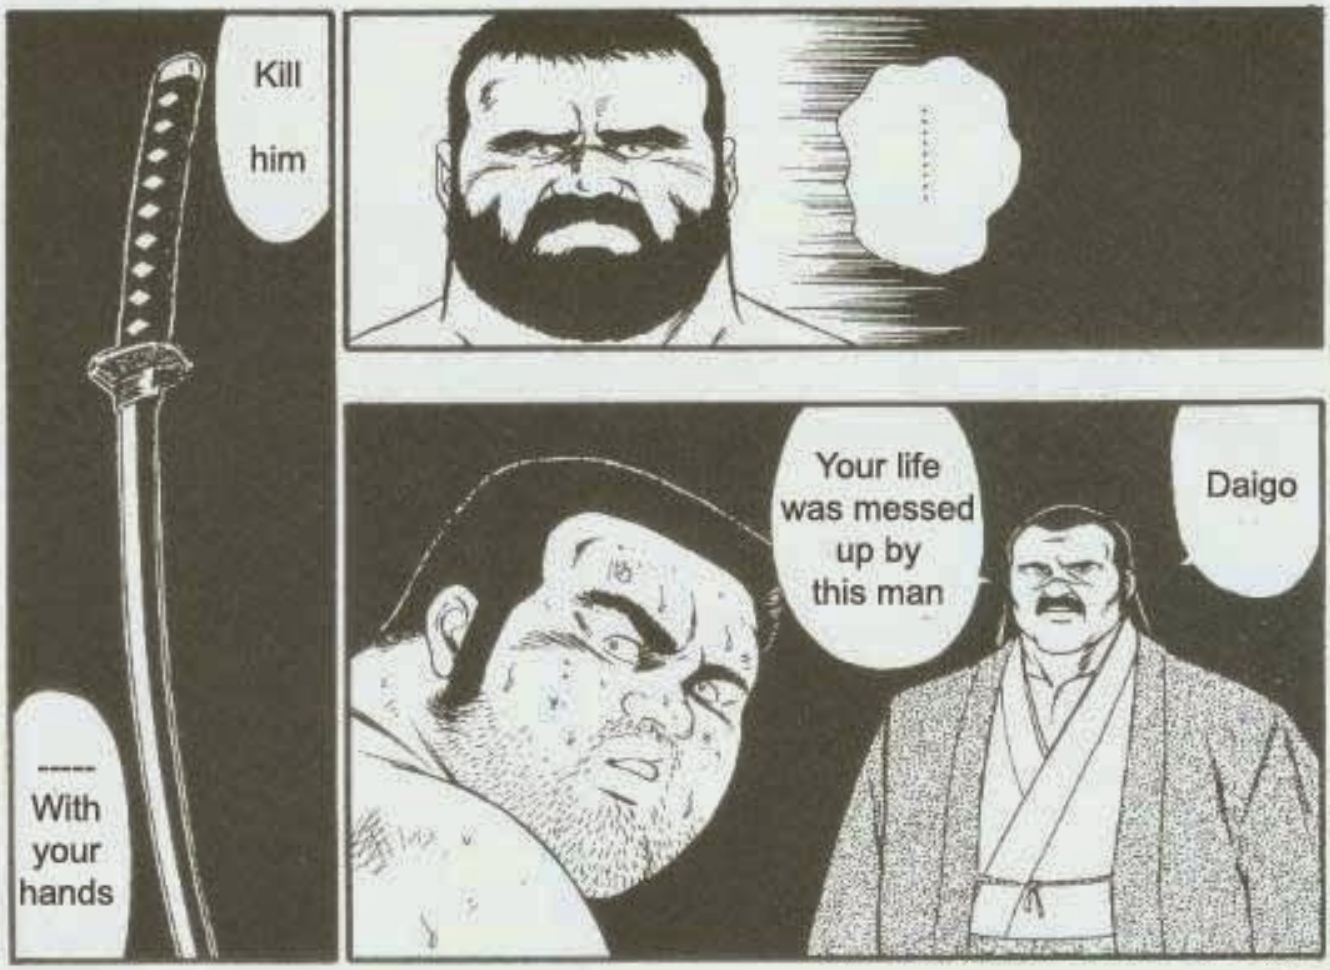
Ca... Can't be
CAN'T BE!!

Your father ... ...
Is who I am...



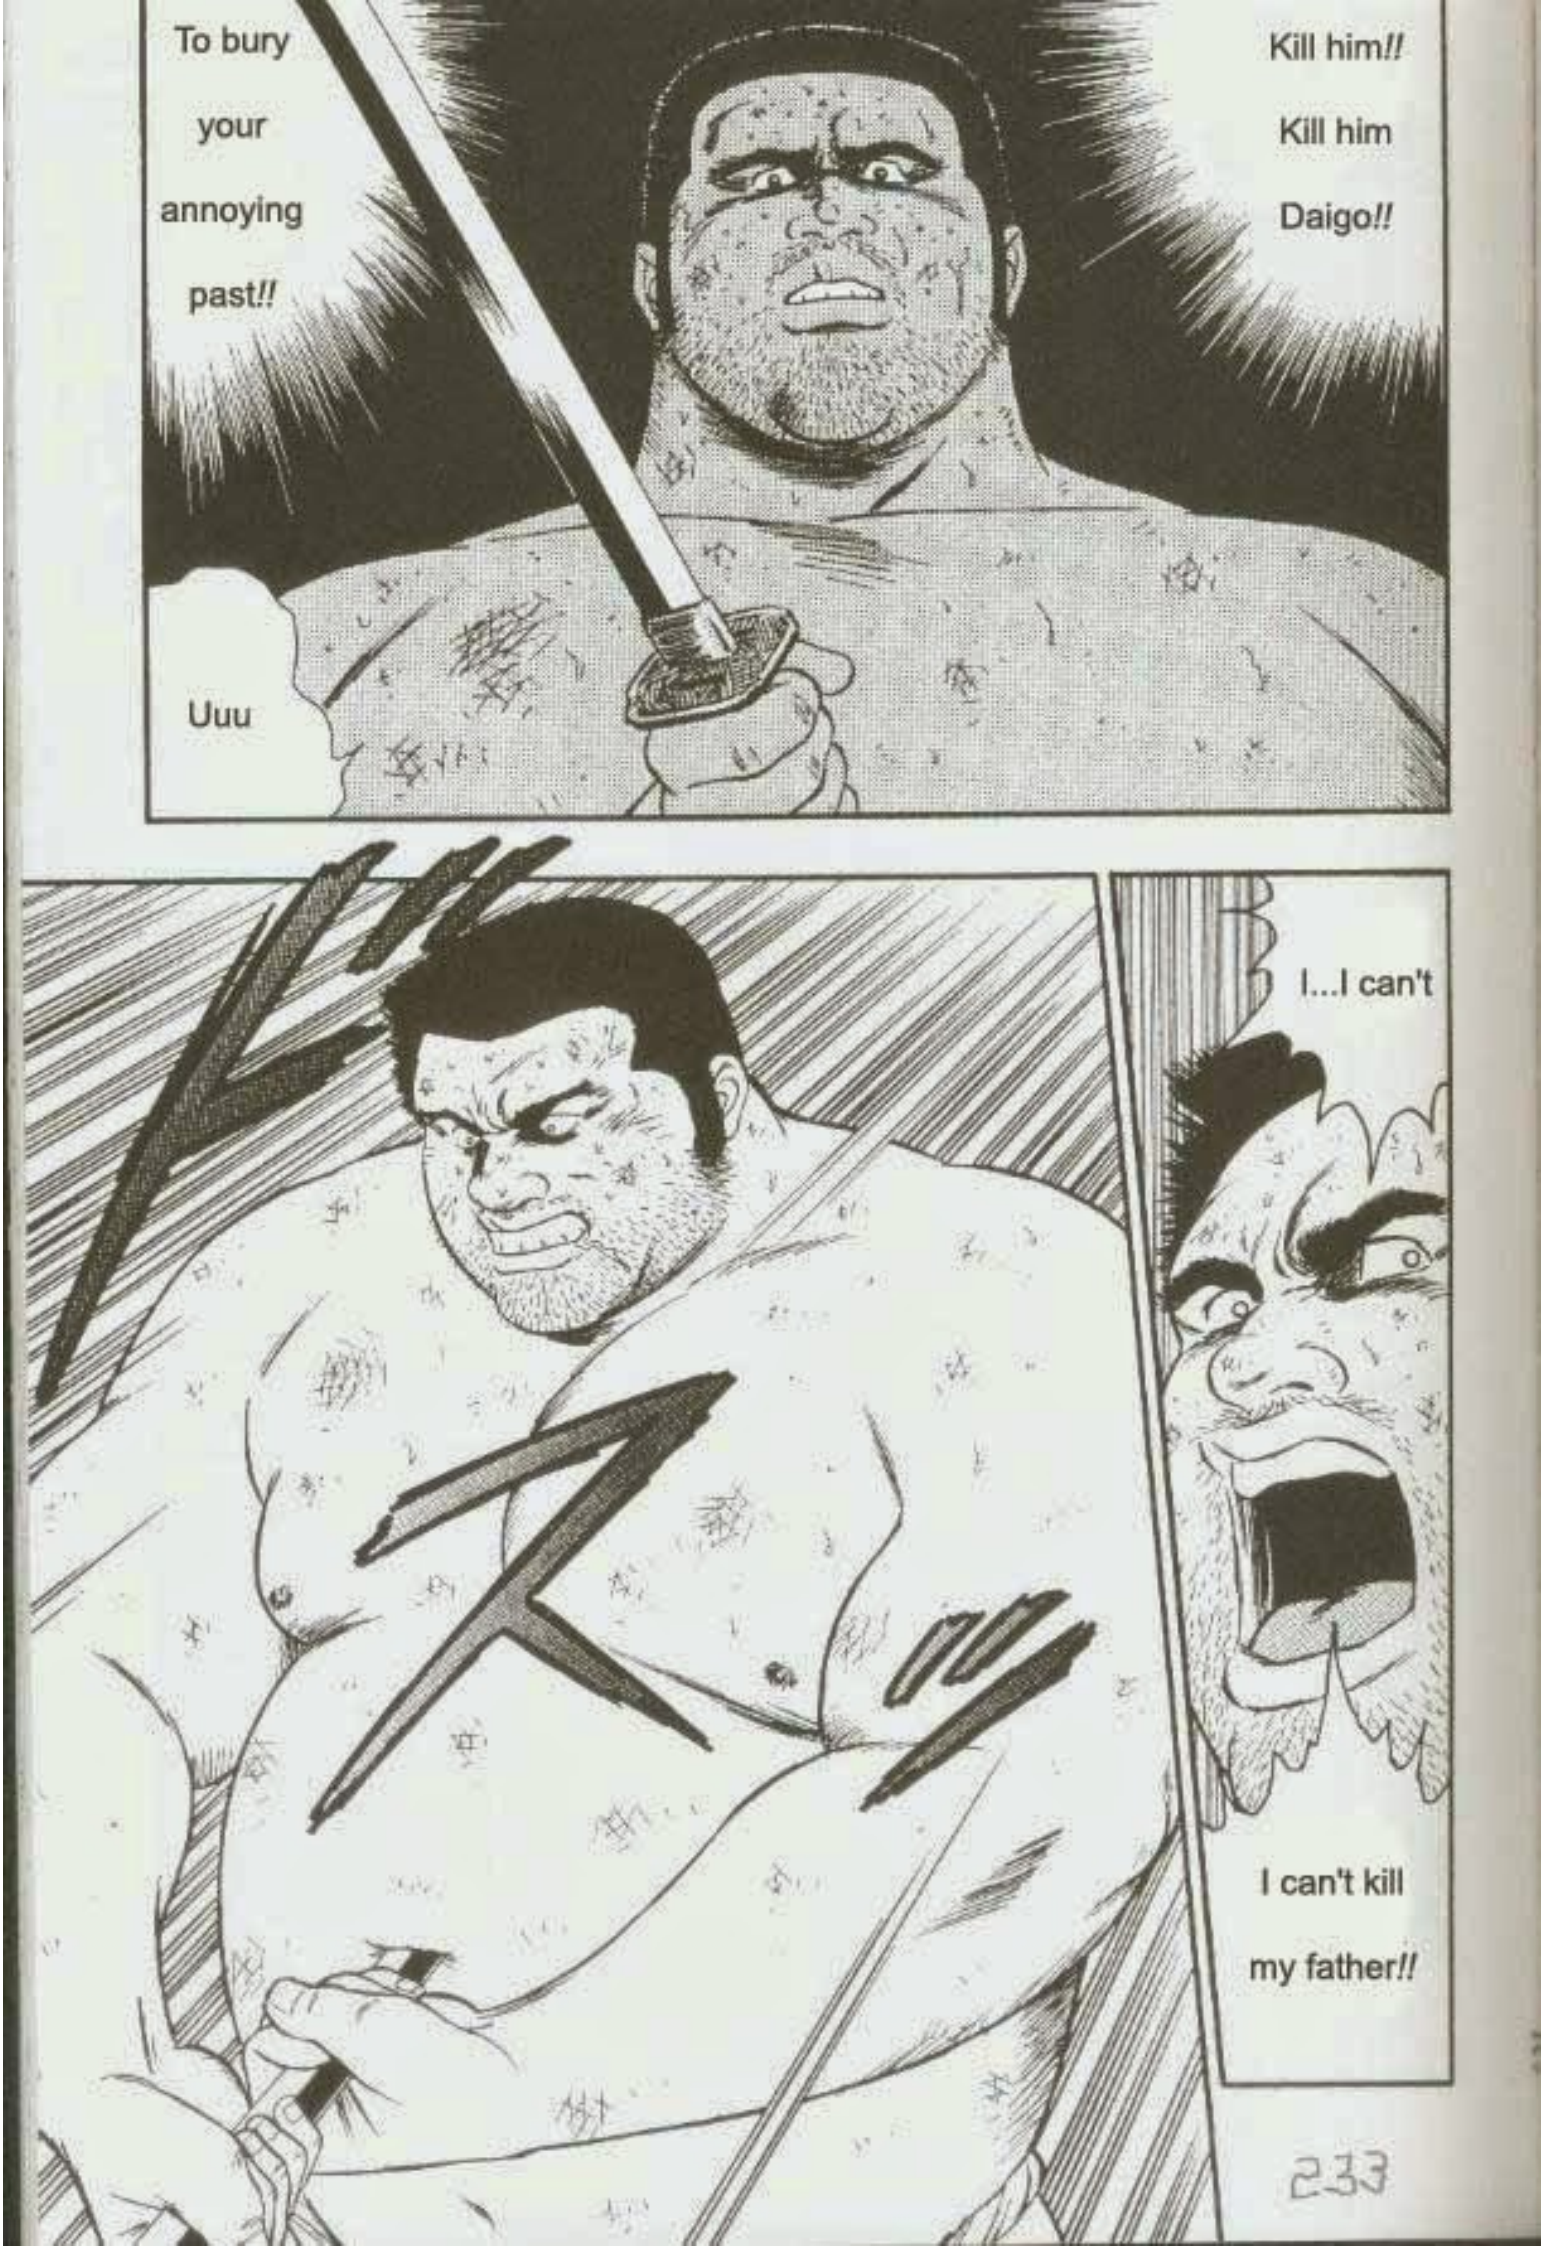
Misery
...

What
misery
I am the son of
Nishikawa
Daisaburou ---
Nishikawa
Daigo!!
You are not
my father!!

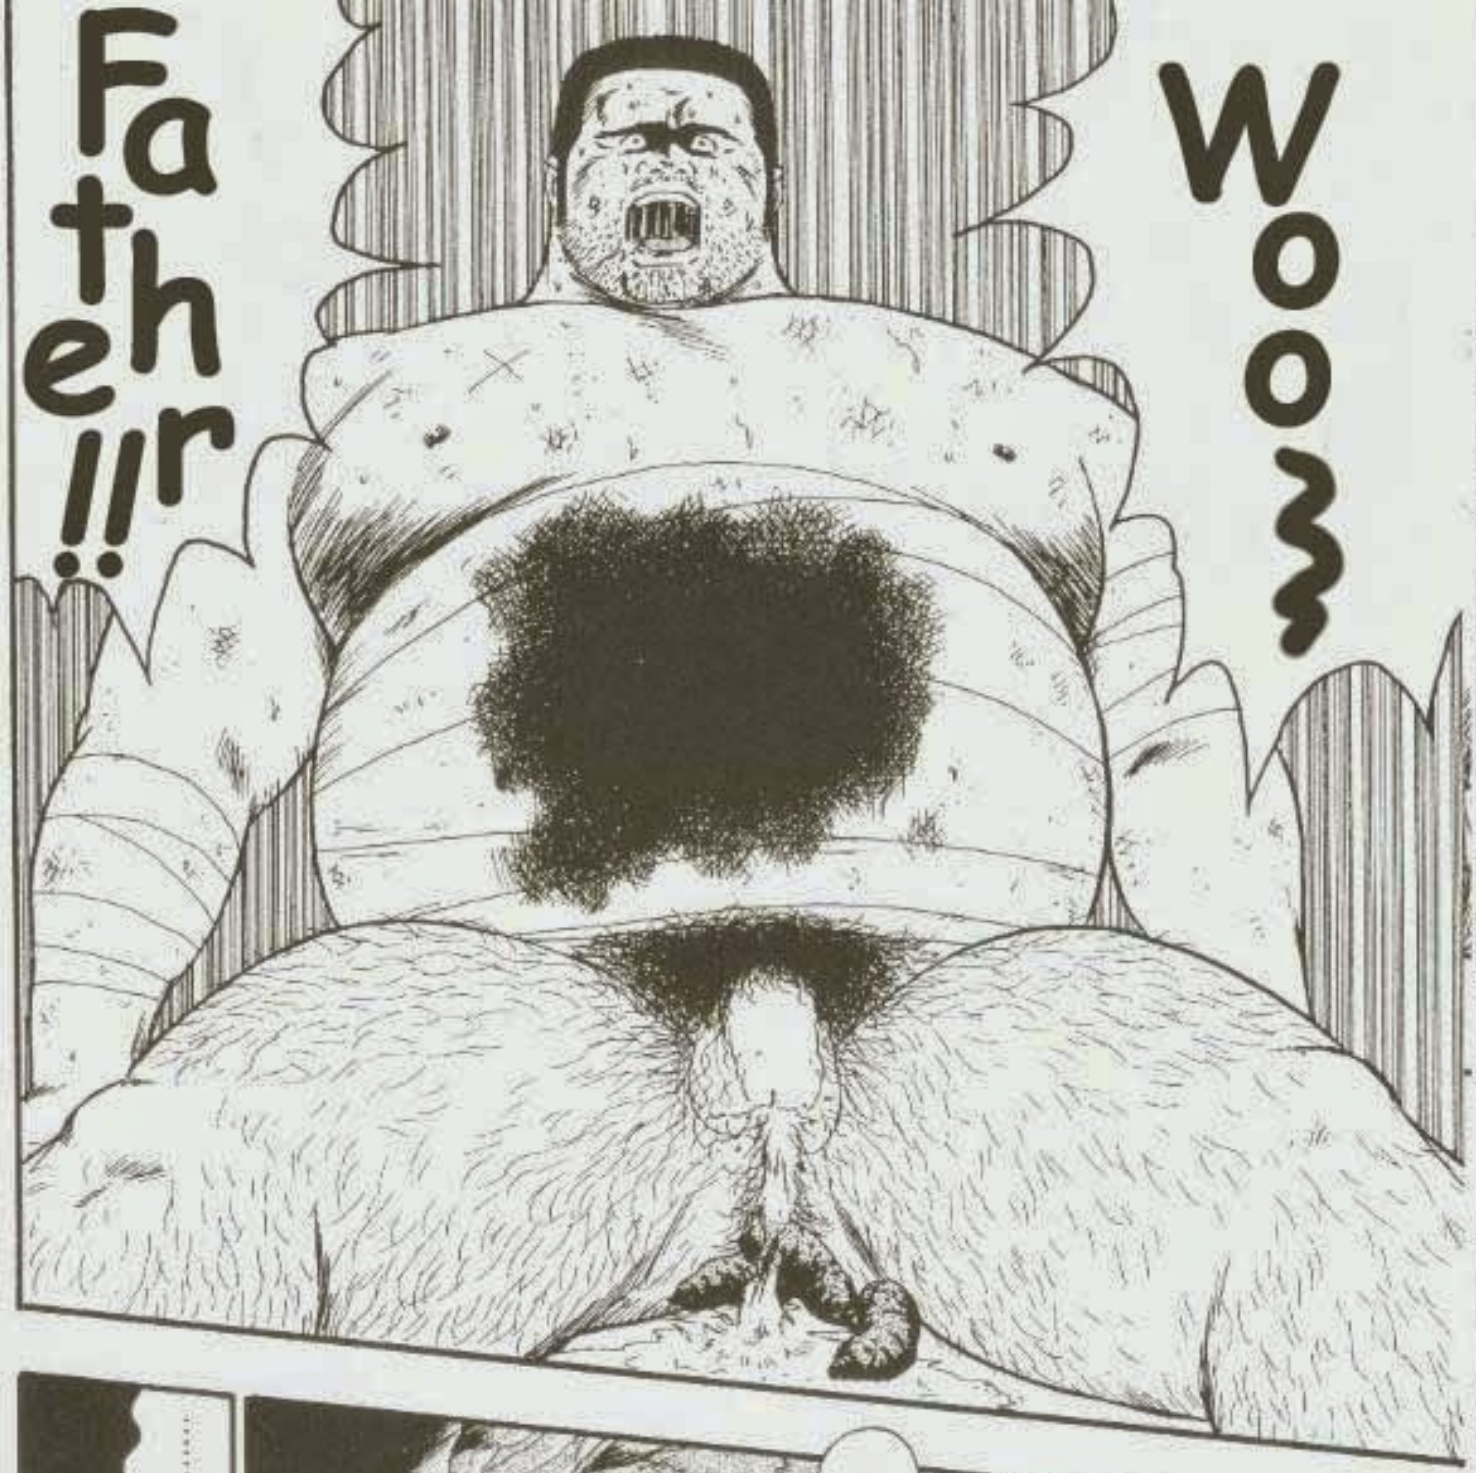


Kill
him
.....
Your life
was messed
up by
this man
Daigo

With
your
hands



To bury your annoying past!!
Kill him!! Kill him Daigo!!
Uuu
I...I can't
I can't kill my father!!



Father!!

Haa
Haa

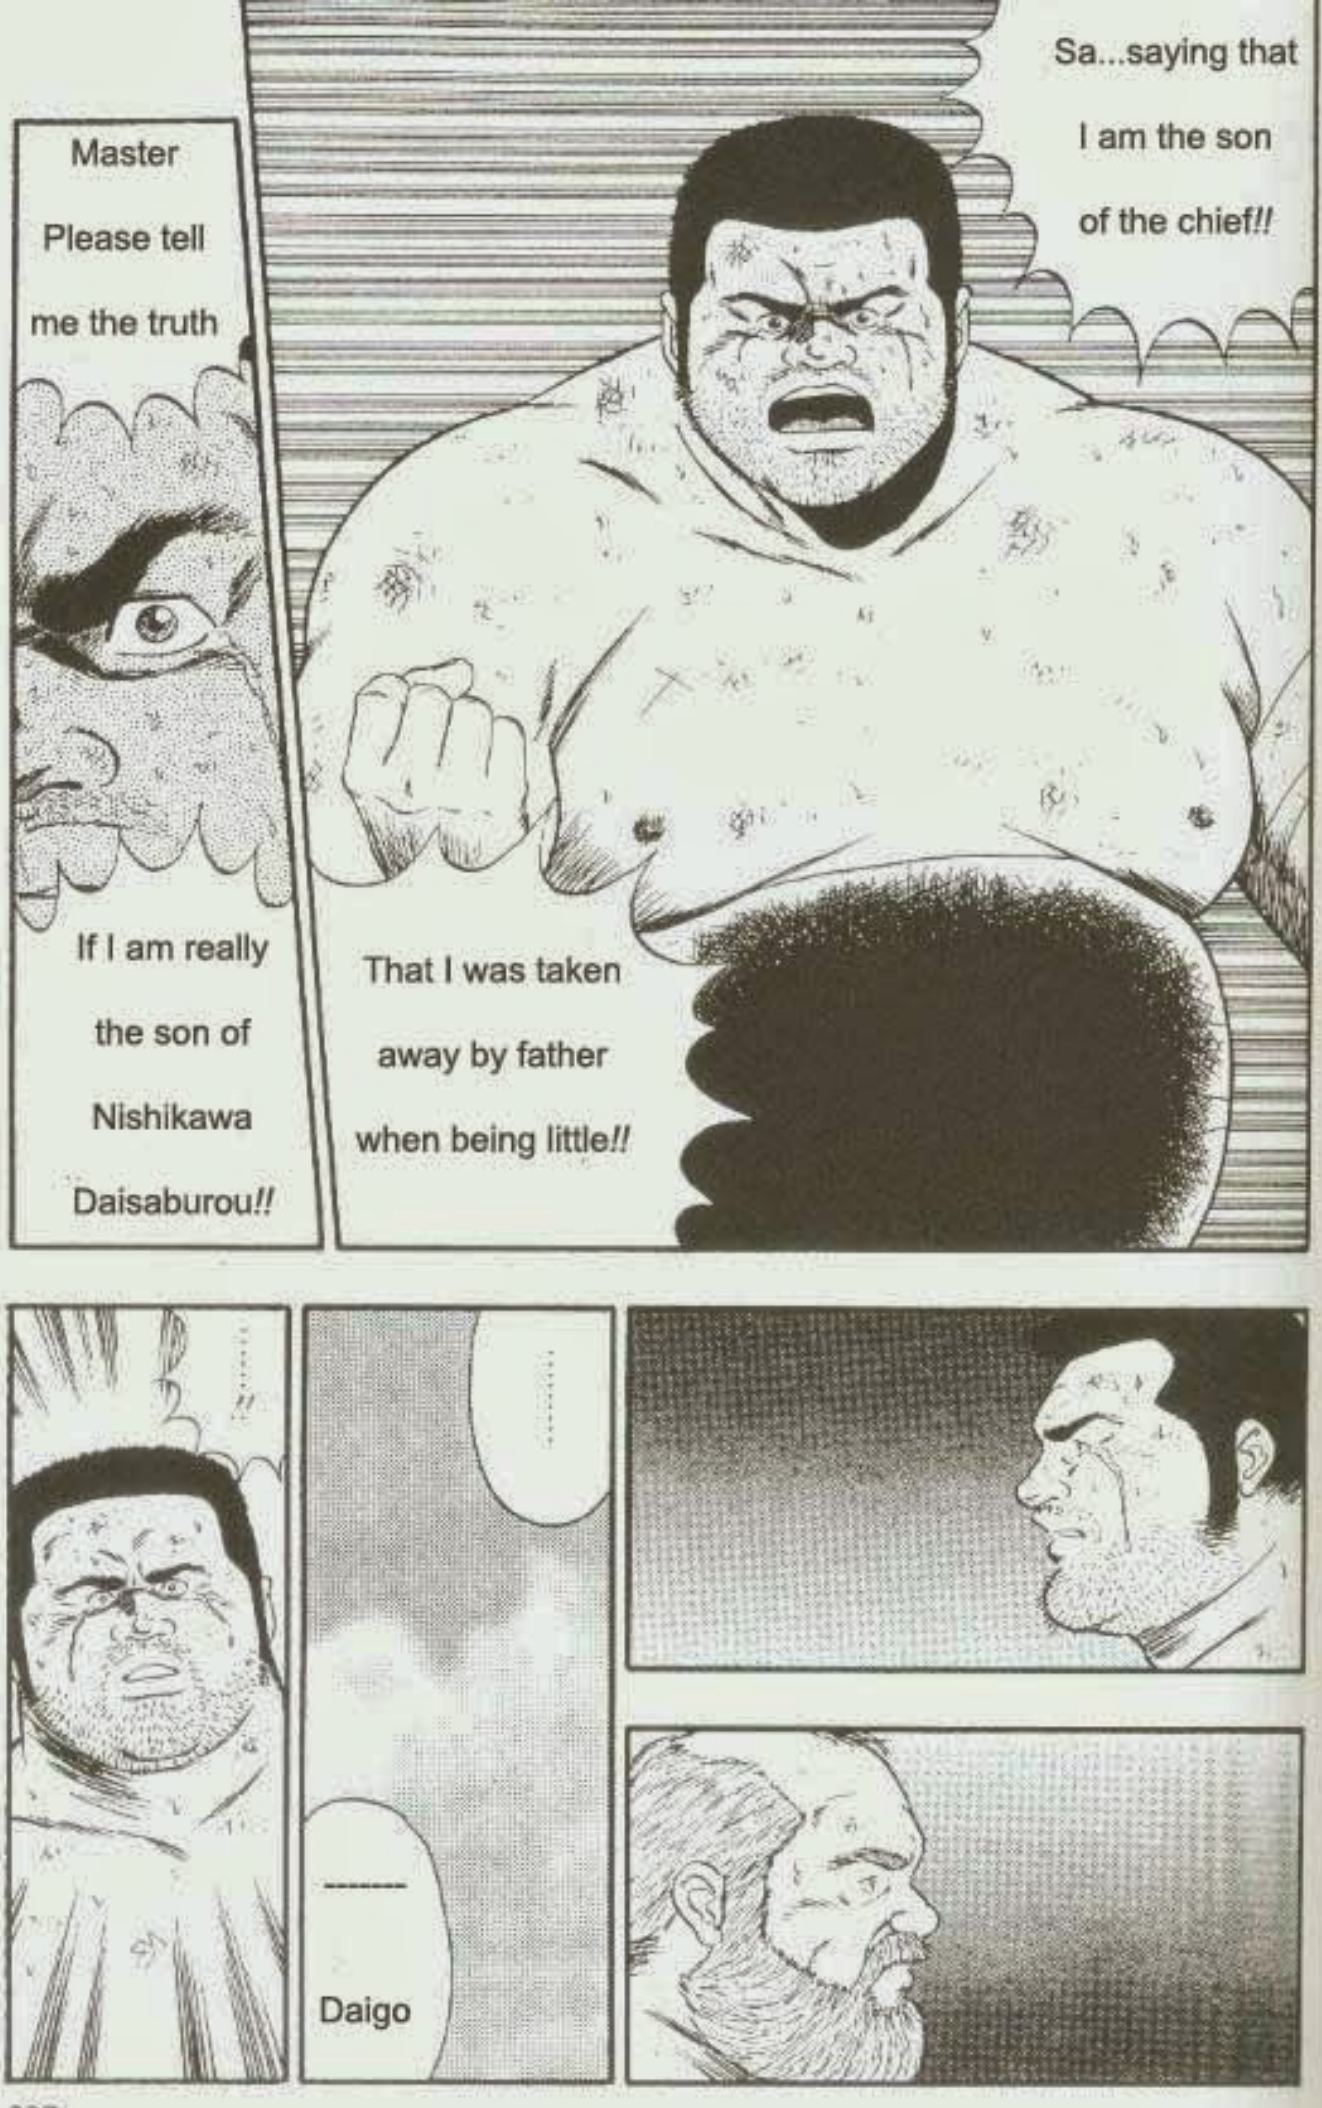
------- to the Hall
of Mt. Demon.....
So I've.....
.....returned

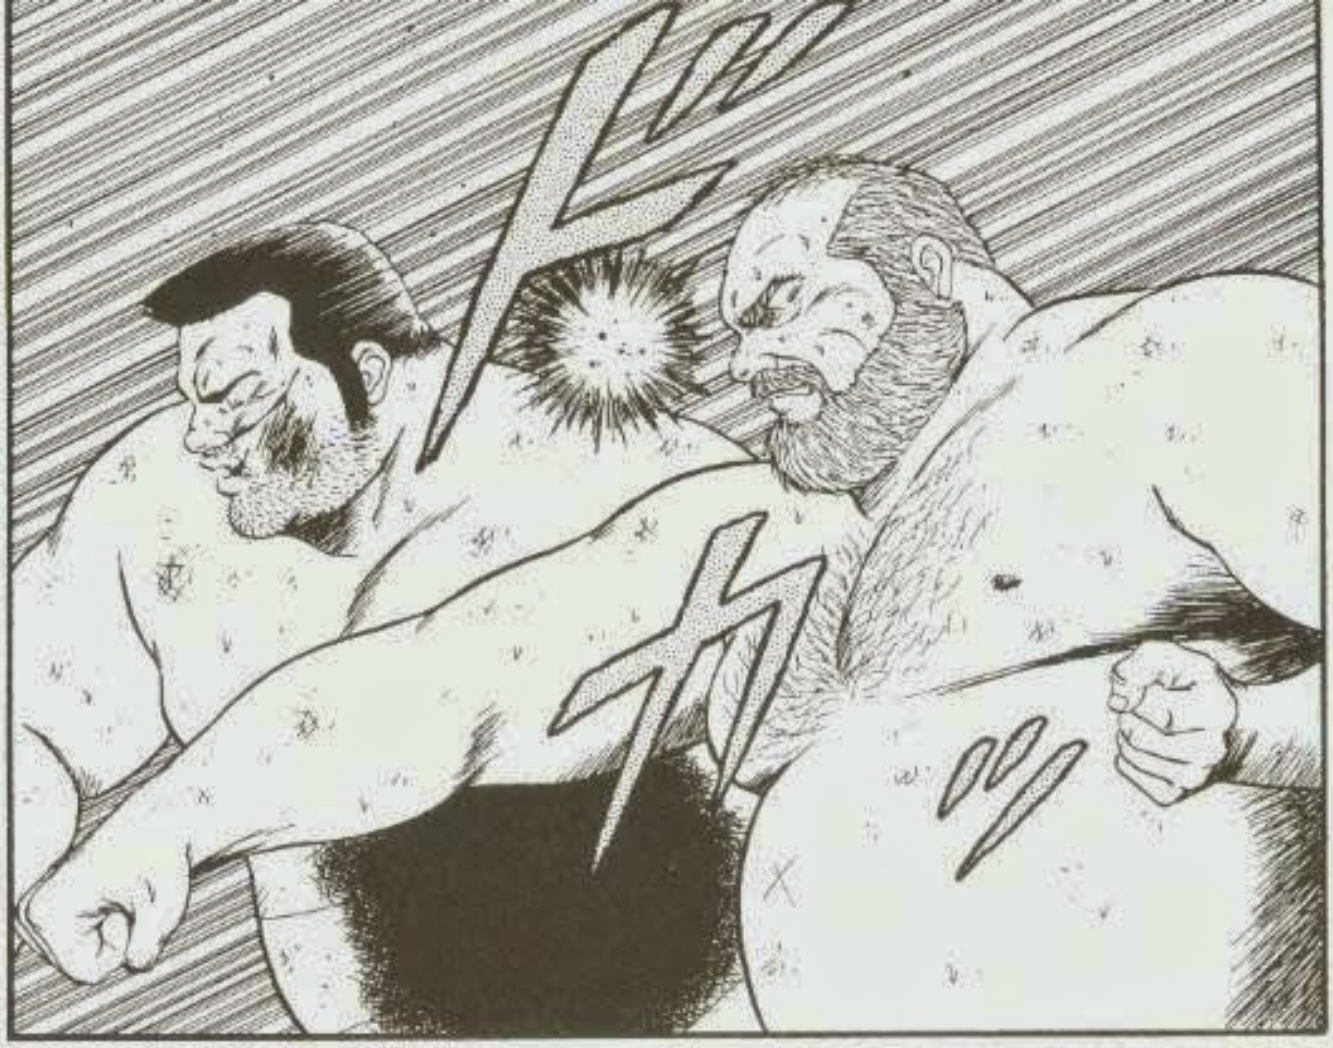
So
The wound on your belly is alright
Master
Daigo

.....
Thus
Just as the man who survivded Daisaburou's demon training.....
Heh heh...
Of course I am not a weakling after all
one more inch in belly and you were finished
Master...
The chief of the Union Meijin told me that.....
!
I AM...
THAT I AM
.....
NOT THE SON OF NISHIKAWA DAISABUROU...!



Master
Please tell
me the truth
If I am really
the son of
Nishikawa
Daisaburou!!
That I was taken
away by father
when being little!!
Sa...saying that
I am the son
of the chief!!
!!
.....

Daigo



Calm
Down
!!

Read from the testament you've found in the hut you lived before... true that you carries the blood of Meijin Union...and is not the son of Daisaburou
Master .....
Of course you were not just taken away by force!
But ...
So it is true ...
Uuu
My... ----- life ...
It was to get you out of the evil way ..... and in the name of justice
To protect your life and.....
lead you ahead!

But that is not just the bond between a father and a son

There existes a deeper link bringing you and Daisaburou together as partners...

.....

Definitely inside your body runs the same blood as the chief of Meijin Union.....

No matter what others might say...

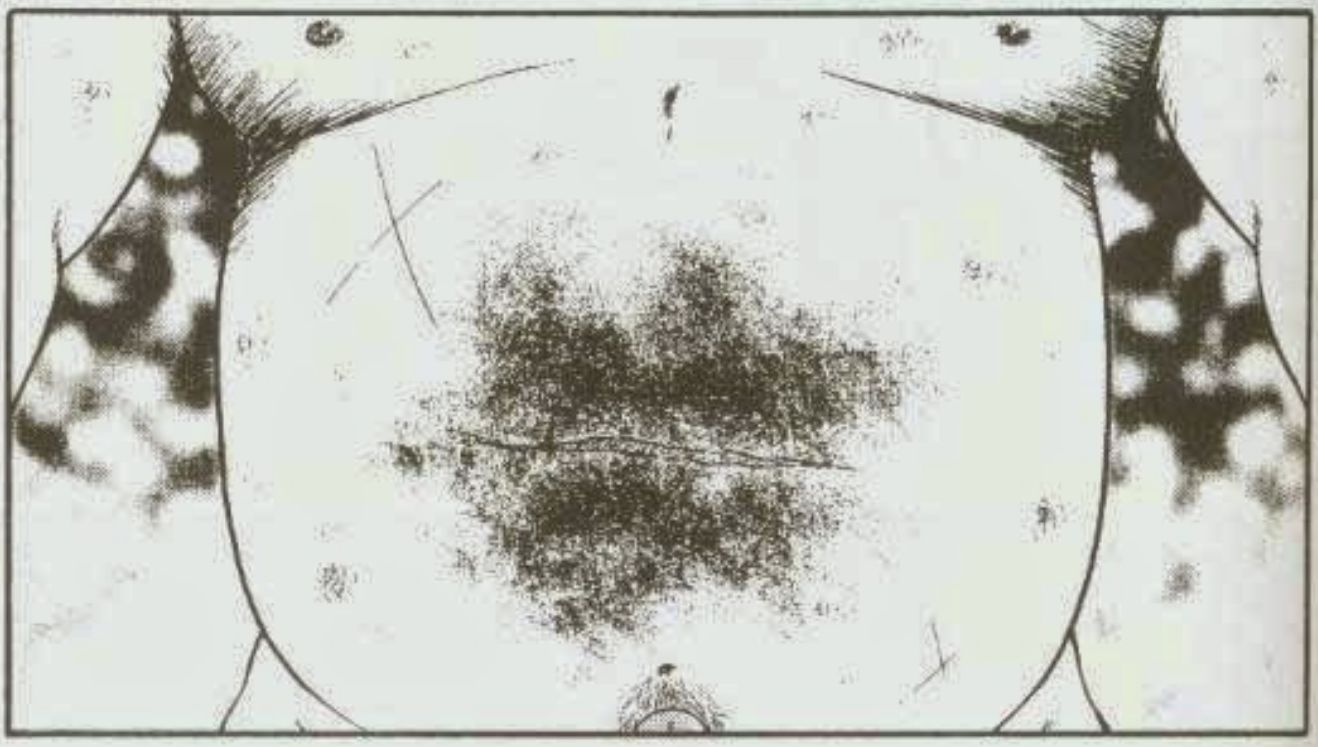
You are the only son of Nishikawa Daisaburou...

.....

Ma...

Master!!

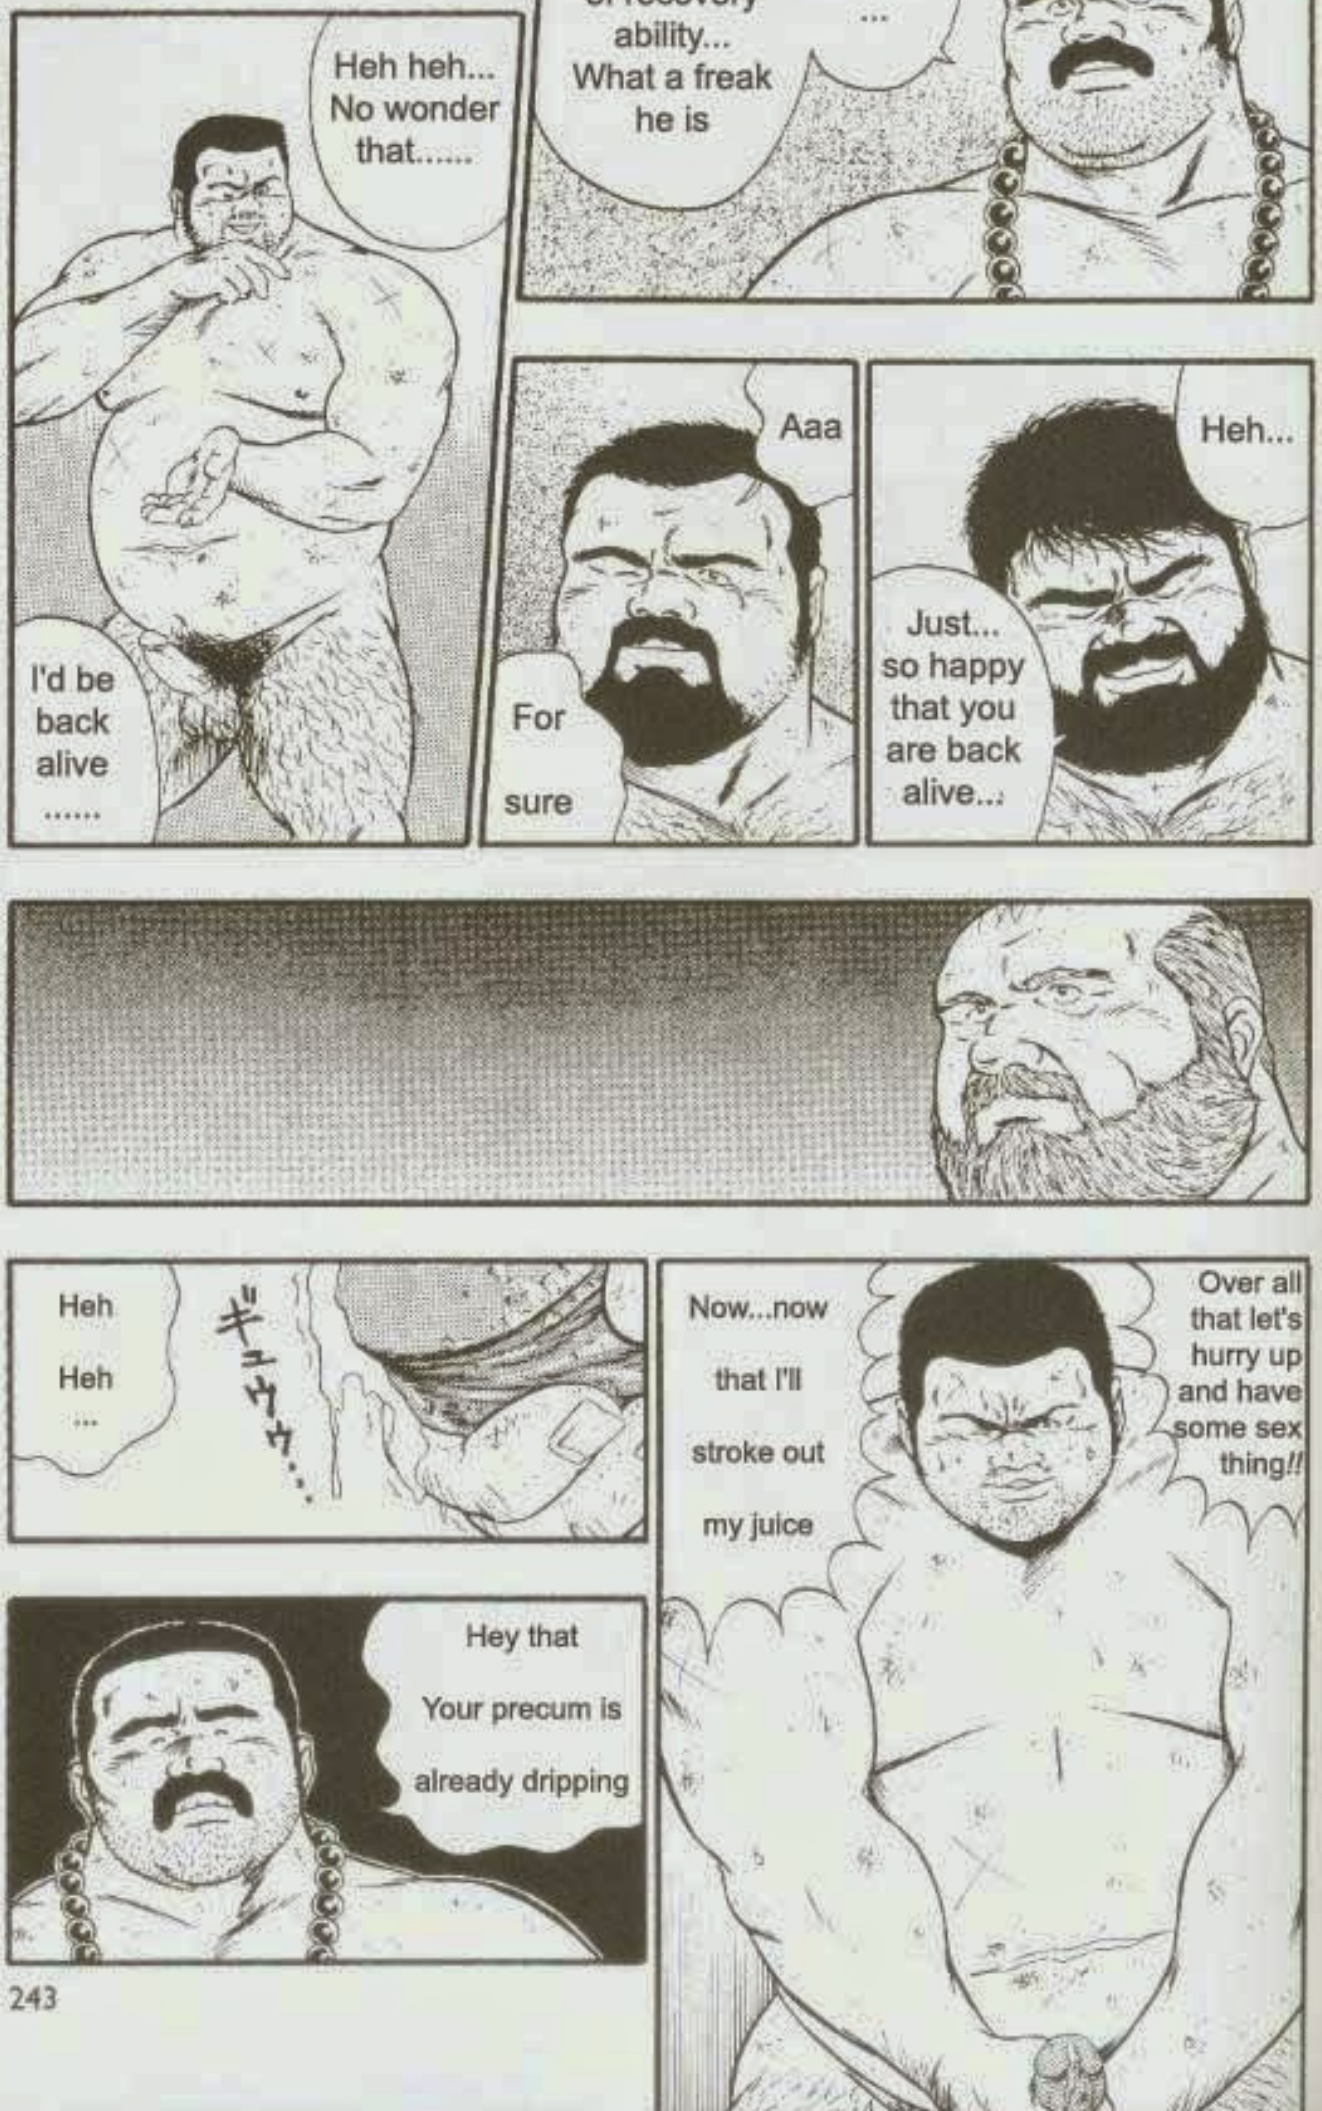
Ooooo



Heh
Heh
.....

C'mon and let's have some fun!!

It's alright now!!



With such kind of recovery ability... What a freak he is
...
No doubt
...
Heh heh... No wonder that.....
I'd be back alive .....
Aaa
For sure
Heh...
Just... so happy that you are back alive...
