

I was definitely going to make it home to Seshi ...

1918  
"The War's End"

That's what would drive me to live through that hellish battlefield.

A fierce war of attrition had broken out ...

1  
month  
later  
...

... She's not well.

What about Seshi ...?

Yeah, I just got back.

... Yeah, I'm home. ...I missed you ...!

Me too... I've wanted to see you for so long, Will ...

...! Will! Thank god ...

... Seshi ?

Hmm? What is it?

Hey ...

Do you have any... anesthesia ?

What ...?

After you had gone off to battle, I figured I should help out too.

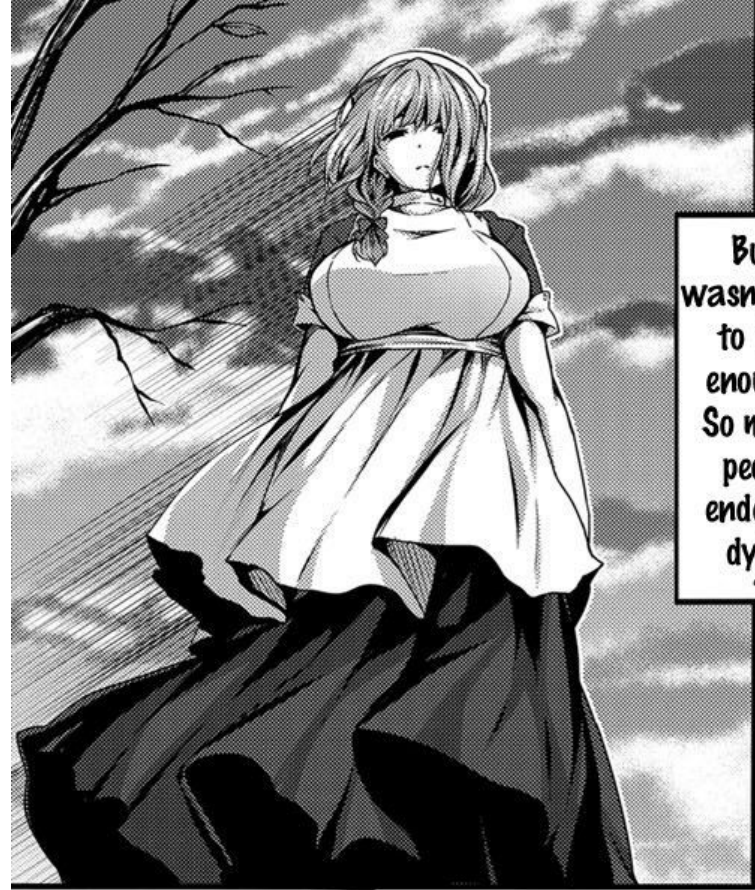

DAMMIT!!

ahh

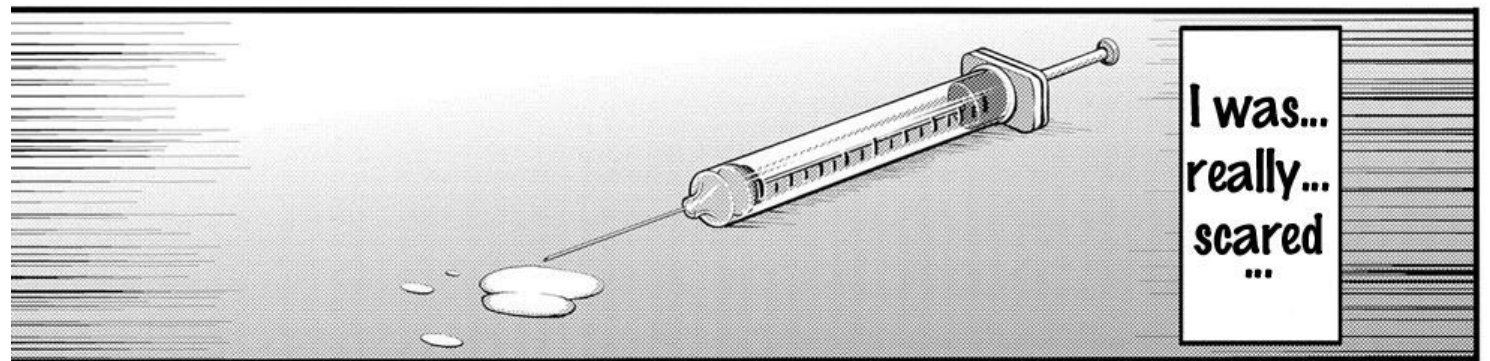

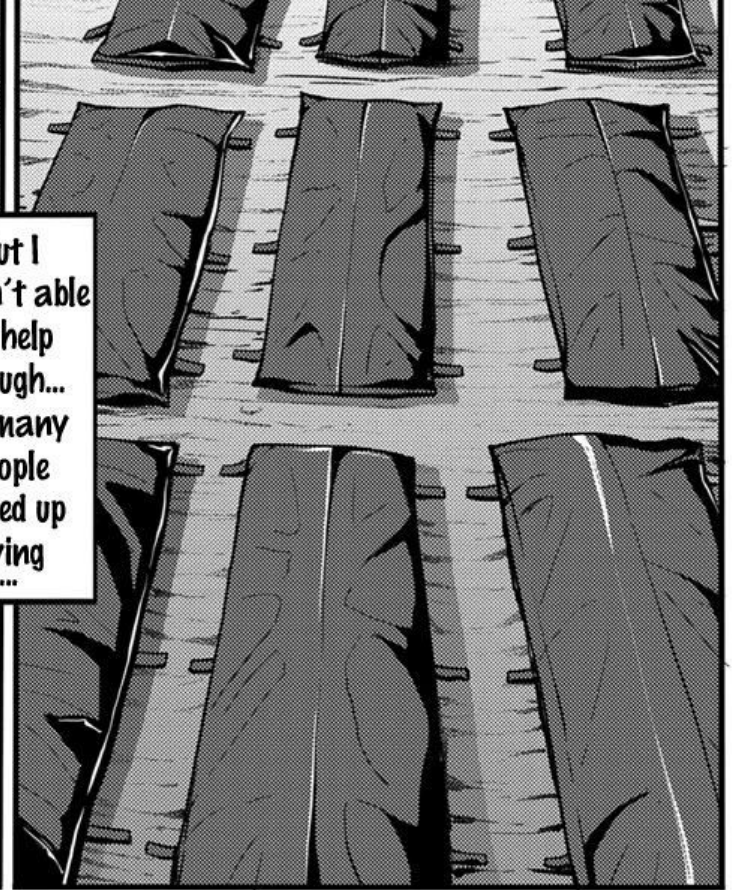

guh

I went as a volunteer, but... It was still so horrible ...

Still, I tried my best to save as many people as I could ...

But I  
wasn't able  
to help  
enough...  
So many  
people  
ended up  
dying  
...

I was...  
really...  
scared  
...

I tried as  
best as I  
could during  
the battles but...  
without that  
I wouldn't  
have been  
able to make  
it  
...

It's okay...  
It'll be okay...  
I'll do whatever  
I can  
...!

I was so scared...  
Will...  
I felt like  
I was turning  
into  
someone  
else  
...

I'll do it on  
my own then...  
I need to calm  
down a bit...  
Although I  
would prefer  
to do it with  
you, Will  
...

???

.....

Seshi  
...  
Right  
now I  
...

After  
hugging you  
like this  
Will, I can't  
calm down...  
hey... can  
we do it  
?

1000

Hiiiii

Hii

No!

No!

Haa  
♡

Haa  
♡  
Uu  
...  
Will  
...

Are  
you  
okay  
?

UwAi!

Haa...  
haa...  
It felt  
really  
good...  
just  
going in  
...

Kuu...  
You're  
squeezing  
down...  
So tightly  
inside  
...!

Ahh...!  
nn!  
Uuu  
♡

More  
...  
I need  
more!

Uwaa!  
Seshi!

AHH!!  
HAAAAA~♡

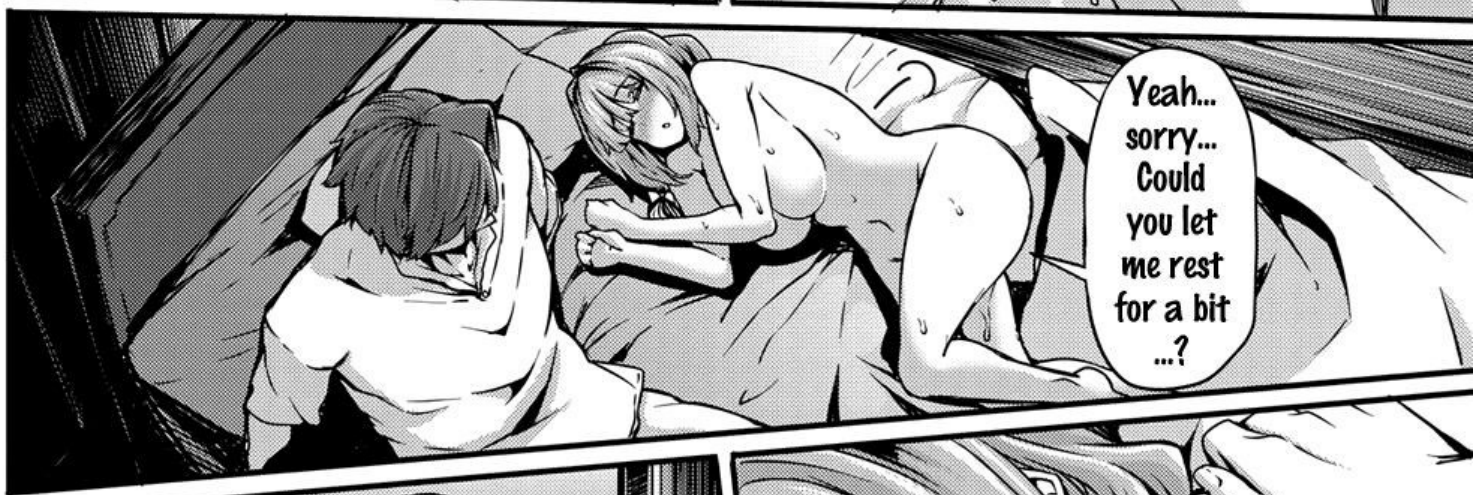

...  
Sure.  
Have you  
calmed  
down a  
bit now  
?

Haa...  
haa...  
Will...  
Thank you  
...

Yeah...  
sorry...  
Could  
you let  
me rest  
for a bit  
...?

Sure,  
you  
rest  
up.

As the months went by, Seshi's sickness only continued.

No matter how much anesthetic she took, how long is this going to continue ...?

Ojii-san ...?  
Yeah... I came to see Seshi. She's sleeping now though.

...!  
**Will**  
...  
So you came, huh?

I'll stop by again tomorrow.

Yeah, good-night.

Nnn ...  
**Will**  
...

No  
it's  
...

I-I see  
...  
Sorry  
for all  
the  
trouble.

Hmm  
...?

Th-  
That girl  
...  
She used  
to spend  
all night  
moaning  
in pain  
...!

Ojii-san  
...  
Have you  
been  
giving  
this to  
Seshi  
?

Wha-!  
Th-  
This is  
...

Huh  
!?

But if you keep giving her the drug that's the source of the problem, this will never end, right!?

Uu ...

She seemed to be in so much pain ... I couldn't stand listening to her ...

I already ... know that ... but ...

B-But ...! That girl is ...!

Please... I want you to let me marry Seshi.

What ?

Could you just leave Seshi to me ?

...

...I-Is that so...?

...So I'd... like to be able to take the place of that drug for her.

Seshi's illness... Whenever she's with me she seems to be able to calm down ...

Ojii-san... Then you mean ...!

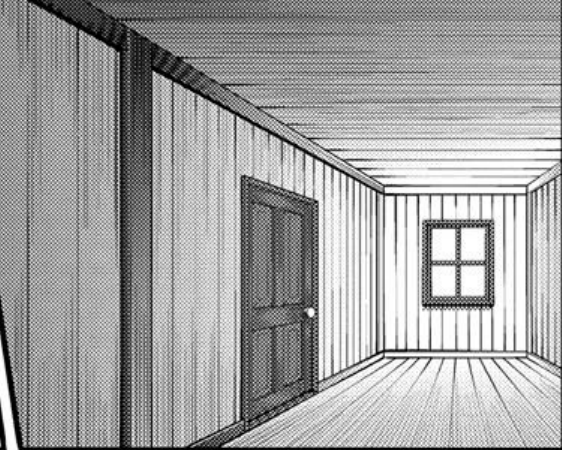

... Will, never forsake her, alright ?

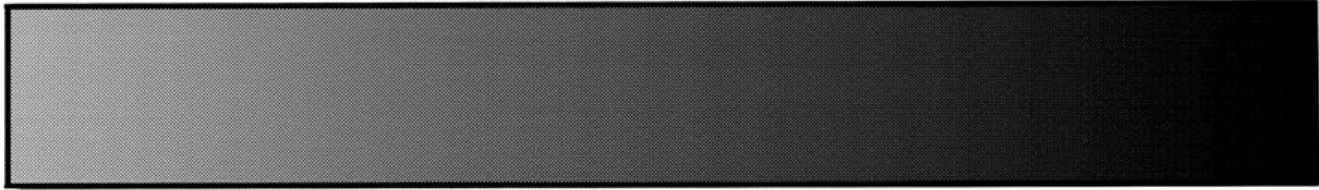

Please take care of my Seshi for me ...

If it's you, I think it'll be okay to entrust her to you, Will ...

...I...  
might not  
be able to  
hold back  
as much as  
you think, will.  
I mean...  
even now,  
I want to  
have more  
sex...

Uu... I  
haven't  
been able  
to take a  
shower since  
yesterday  
so we don't  
have to do  
this if you  
don't want  
to.

Nn

You were out quite a while for your walk ...

Huh!? It's already this late !?

It was starting to get dark so we came to get you.

Mama!

Heh ...

Geez... It's still summer. I'll be fine. Besides... I have you to warm me up, Will.

Don't get your body too cold now.

... Man, you're such a lewd mom, huh ?

So... Could we ... Do it again tonight ...? ♥♥
