3 ANGELS SHORT

Full Blossom#02

あつしよにほのる？

Kaede

She is a former Operational Agency angel. She is experienced and has a great variety of angelic powers. She used to be an instructor for angels who descended to Earth, but after she met Ikeyama Takami, all her angelic powers were stolen by Casablanca, an angel who came from the future. After that, Ikeyama became the only person she could think about.

Her angelic koujutsu has recovered a little bit, letting her restore the membrane inside her body.

She's a masochist who likes bad guys.

Even though locals are helping to deal with the snow, the roads are still slippery, so please be careful.

Coming up next, Ishiyama-san with the weather report.

Hello!
We just reported that part of the Shiroya district is covered with "unmelting snow" and it's been snowing for 2 days.

Up next, weather around the world.

What do I do ...?

If it's broken ...

What the hell...? That gate is a door connecting two worlds ...

I want to fuck someone right now!

Fuck it! I'm so mad!

I need to kill that brat fast.

And I can't use koujutsu to find her because of the snow ...

I was finally going to return to my usual anal rape life!!

What am I supposed to do !?

Why would you take it away !?

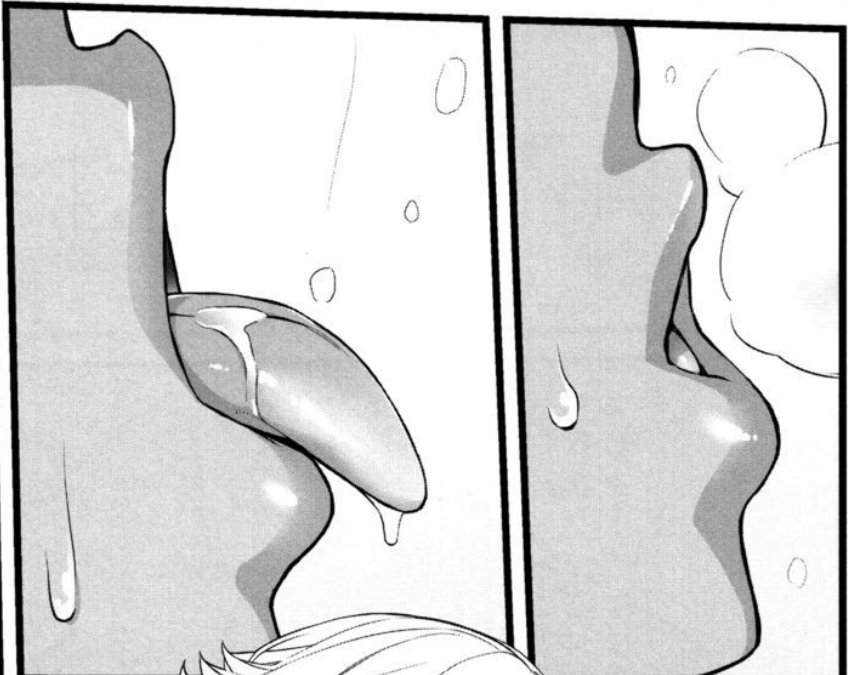

Uuh...
This is

And the smell of that other milk inside you too ♪

Yes ♡ But are you going to cum again ?

Of course ... You're a lewd girl ♡

Instead of melting Takami's clone, I let it fuck me now and then.

Oh... Are you talking about that broken thing ?

...A fragment of the gate.

So, what was that ?

I think that they took the shape I wanted to see ...

Fragments in the snow have reacted to my powers.

But that's just a theory.

I heard that the gate is a living being created using advanced koujutsu.

I... I wouldn't do it with someone else!

So that's why we had a threesome ...

Shut up!

Jeez... You are really in love with my cock ♡

Isn't it obvious ?

I know ! That's why that guy looked like me.

I want to check my theory and I need lots of samples ...

I don't know ...

So... How many are you planning to make ...?

I wish Snowbow was here... We would have a huge orgy!

Hello, this is fat guy Yokoshima.

It's been three years since Full Blossom #01b. I'm so sorry. Please forgive me, Casapii.

Sex in the open air bath is probably really cold... And it's hard to move too...
But I still want to try it at least once...

That's what I thought when I drew this book. Even shallow places should have some hot springs.
Forgive me if I made them look better than they actually are.

I borrowed the idea to make another guy drink Kaede-san's milk from circle Tentai--Kansoku's book
"Chaotic Gourmet Stew" because I really liked it! Pick it up if you're interested.

I want to thank Aji-san for helping me. I am truly grateful.

And I want to thank you for your patience and for buying this book. You picked it up, even though
it's not well known.

Both my tankoubons are on sale via Kindle and DMM! You might even get a half-off discount on
DMM and Kindle Unlimited members can read them for free, so go ahead and enjoy!

I'll try to continue the story next time. I wonder how many years it's going to take...

Don't give up your cocks!
