

I'm Fuuna Takahashi. Today I came to the house of Onii-chan that's my relative living next door because my mom asked me to run an errand for her.

By the way, did you celebrate any event?

Oh~ It's red rice. Looks delicious. You always help me.

I want
a baby
from
you,
Onii-
chan!

Onii-
chan
...

Let's
make
a baby
together
!!

You said it
in the past,
didn't you,
Onii-chan?

E h h !?

She's
not
wearing
panties
!?

Stop
treating
me like
a child!
I already
had my
period,
so I'm
a grown-
up!

UMM...
You're
still
a child,
Fuuna-
chan...

Hey, you
promised
me,
right!?

Ah...!
I see.

Yuuna
wants
to be
Onii-
chan's
bride!

Hahaha.
Later, when
Fuuna-chan's
a grown-up.

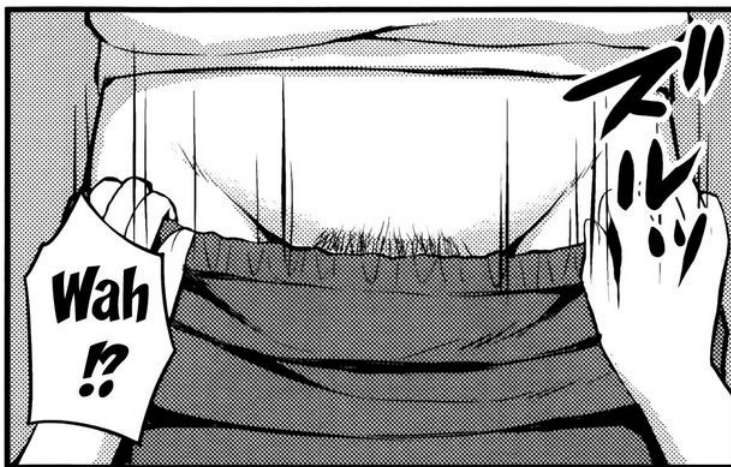

Wait
...
Fuuna-
chan!?

Huh?
It hasn't
gotten
big yet.

I knew!

In the
first
place,
did you
know
how to
make
a baby,
Fuuna-
chan?

Wah
!?

Holy
crap
...
It
Feels
so
good
...

But, I knew
that it'd
get big if
I caressed
it like this.

Uh...!
How did
you know
about
that...?

Kuh...!
I thought
Fuuna-chan
was still a
child, and yet
she's too
erotic...!

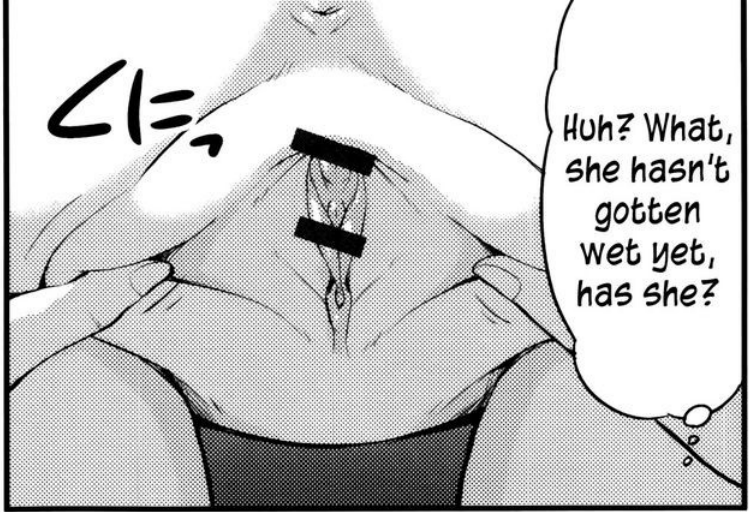

I've stud-
ied it from
your per-
verted
manga,
Onii-chan.

Since
when
!?

Hey, Onii-
chan~
Let's hurry
up, and
have sex,
okay? ♥

Wah! ♥
It's
gotten
so big
♥

D-Do not lick my pussy! It's filthy!

But, it feels good, doesn't it?

Hya hn!

Also, it'll feel so good for you if I lick your pussy like this, y'know?

Onii-chan... That... Feels so good... Lick my pussy more...

That's why it's okay for you to make yourself feel good, too, you know?

Sex isn't only about making a baby, but also about making yourself feel good.

No....! Something's gonna come out!

Ahh!!

Ah!
