

PEST

EXTER-
MINATION

I'll have to go and deal with this myself ...

For this many of them to have suddenly appeared, I suppose they must have a hive nearby.

Pests much like yourselves.

Waaaah!

To think this would be enough to kill the demon king, you must surely have no brains.

Half of you are dead from just one step?

すほっ

Someone reply! This is Yuusha's team, something terrible has happened at the demon king's castle! It's... impossibly huge...!

W-we've lost Yuusha! Quickly, send a message to the royal castle!

Let's go after them!
We might be able to get a cut of the loot!

You reckon they've loads of treasure?

Have you heard?
They say Yuusha's team managed to enter the castle.

AT A CITY OF TERADA, DOZENS OF KILOMETRES AWAY FROM THE CASTLE OF THE DEMON KING.

These bugs Ara, reek of the nest greed, was so blinding close. them...

There's so many, I'm going to have to do a thorough job with this nest.

So you're going to make a game of this?
I suppose I'll have to oblige...

A-a giant maid?!

Yeah!

Tch!
She's only one person!
Everyone, attack!

An earthquake?

It's killing me!

もわあ...

Ugh... this smell...

Damn, that hurts... Just where am I?

Impossible... Then this is...!

Now then, shall I exterminate you?

N-Noood!

It's hopeless, run for it!

Running is pointless. Do you really think you can escape?

ゴゴゴ

It's blocking out the sky!!

W-what is that?!

If you want to visit the demon king's castle so much, I'll be so kind as to take you there myself.

クダクダ

You know

T-the city!

ゴキウ

Can't... breathe...

I suppose I'll give the entire continent a spring cleaning this once. But before that...

ガラガラガラ
"RATTLE RATTLE"

Ara? Are you all dead? You can't even bear the smell of my pantyhose, yet you challenge the demon king? Well, you are mere bugs after all.

ワッ

I have to make sure this nest will never return to such a size.

Hmm, there were so many of those bugs here... Well, where there's one nest, there's bound to be more nearby...

Everything is so tiny, eradicating the nest completely is really tiring work.

Just a light step has turned your city to nothing...

Shit...! Where the hell are the dragon guard?!

That's too much trouble, we're going straight through!

Sir!
There appears to be a mountain range ahead!
Should we go around?

Stay at full speed everyone!
Our mission is to rescue Yuusha!

But, where did it come from?

The bugs are all swarming in there...
To think they're able to fly so high...

Fufufu....
You know, it's hardest to see what's right in front of you...*

For that, I'm going to give you all a reward.

Argh -

カキカキ

する...

*TLN: ACTUALLY A MOON PROVERB:
"WHEN YOU STAND IN FRONT OF THE LIGHTHOUSE YOU OFTEN MISS THE LIGHT"

W-what's going on!?

To follow up on Yuusha's plan, we're going to attack the demon king's armies right away.

What happened in the emergency meeting?

わざわ...

There's so many more living here, too...

Allow me to give you a better view...

ゴオオオオ

It's massive!

Hnn... You bugs are so depraved, attacking a woman's sensitive areas...

A-Attack!

Haa... this tickling feels good...!

クククク!!

ククク...

I thought exterminating you would be such a nuisance, but you tiny perverts are really turning me on!

And I suppose you're going to make my job harder, are you?

Backup, we need backup!

Now you're going to have to take responsibility for your actions.

Fu~ This really helps beat the stress of the job...

ズツツツツツ

What's this? You seem to be having a lot of fun. Have you been bored of me all this time?

M-Maou-sama!?

So you've finally come, demon king! I am Yuusha, representative of this continent!

Collect our little hero, then we have no more need of this continent.

M-Maou-sama! I'm so sorry!

Thank goodness you're still alive, Yuusha. If our precious new plaything had died, I wouldn't have known what to do.

Listen to me!

ぐわっ

Time to dispose of this.

I can't recall...

Say, how many of these toys did we find here?

W-where am I now!?

Mmm... not bad...

HI EVERYONE, KAZAN NO YOU HERE.
THANK YOU VERY MUCH FOR ALL YOUR SUPPORT UP UNTIL NOW.

WE WOULD LIKE TO THANK TERADA OCHIKO-SENSEI THIS TIME,
WITHOUT WHOM WE WOULD NOT HAVE NOT BEEN ABLE TO DO SUCH
A PROJECT.
WHEN WE FIRST SAW THEIR DESIGN FOR THE GIANT DEMON MAID,
WE IMMEDIATELY LOVED IT. FOR COMING UP WITH THIS CHARACTER,
ALLOWING US TO PUBLISH SUCH A WORK, WE ARE TRULY GRATEFUL.

THE STORY ITSELF WAS OUR ORIGINAL IDEA:
WITH THE URGENT CALL FOR HEROES, THE PEOPLE OF THE CONTINENT
UNITE. LEAD BY YUUSHA, THEY SLOWLY OVERCOME THE OBSTACLES
BEFORE THEM, ADVANCING ON THE CASTLE OF THE DEMON KING.

THEY ARE THEN ALL CRUSHED BY THE HEAD CLEANING MAID.
IF THIS SORT OF THING HAPPENED IN AN ACTUAL GAME,
PEOPLE WOULD PROBABLY CALL IT A PRETTY SHIT GAME.

THE CHARACTER OF MAOU-SAN, WHO APPEARED AT THE END,
WAS ALSO DECIDED UPON BY EVERYONE AT KAZAN NO YOU.
PERHAPS ONE DAY SHE WILL EVEN BE A MAIN CHARACTER! (LOL)

IN CLOSING, ALL OF US AT KAZAN NO YOU WILL CONTINUE TO WORK
OUR HARDEST IN 2017.

THANK YOU VERY MUCH FOR READING THIS, AND SPECIAL THANKS TO
MELONBOOKS.COM ALSO.

AND WITH THAT, GOODBYE FOR NOW!
