No idea, maaan

Bro, you know what kind of guy am I!?

Hey! That's enough already!

What's of any good of such a baaad gal like you?

Get your paws off me!

Fuck!

I'm the kind of guy who became a cop so that I could mess with bad girls like these under the protection of the law, ya know~?

Guess with an attitude like that, you pass the test~

Oh yeah~ What a great time to be alive~

!?

Why don't you try to please me using your schoolgirl whoring methods~?

\*Squeeze\*

A crime, you say?

Hey, isn't what you guys doing a crime!

Stop fucking around!!

I'm not a prostitute or something!

We're already got ourselves covered from all directions, you know!

ch~

We get our badges out, and we could get in anywhere we wanted

We let loose the siren, the traffic disperses

Get this straight, girl. Cops like us, we're protected by the state

What's more, didn't you see how those passerbys reacted to that entire situation?

Nah, not gonna feel sorry for you, not even a speck of pity I'm giving to you

Uugh...

And what we have here, an ingrate turned out to be a delinquent

even though you're blessed to be raised up in such a good family

There we go, the symbol of a delinquent girl - tongue piercings! How cute~♥

That hurts you know?

Mgh...

How did your momma raise you to turn up to be a rotten kid like this?

Hmm, well...

Mh

Boy, I wonder why do bad kids these days love having those kind of piercings?

They think self-harm is cool, perhaps?

As a test of guts or

Mghh

Mh-gaah

Aah

What I'm sure is... that they're trying to cover some kinda hole in their hearts with pierces like these!  
And, whoops, tore a hole in your heart ♥

For the sake of the children in the streets, shall we test these out a little?

Just make sure the window's open, kay~

Oh no, the Spice that Moemi brought...

Oh yeah, I'm actually puzzled about these Spices kinda stuff~

Do it or else off you go to the juvies for being charged with interfering duties of public servants and breaching of the Controlled Substances Act, capiche?

These fucking shitty cops...

...

Here, suck it up well~

I really gonna fucking murder them after this...!!!

I guess it'll be fine if I just suck it without inhaling it into my lungs

There we go

Yeah, suck it real good~

How're you feelin? Guess it worked?

touch

Wha...?

What's happening to me...?

Thouch meh

But for the sake of establishing a more concrete case of how it could endanger the children in the streets, can we do it one more time?

These illegal Spices are truly terrifying. It can even change a person to that extent...

...

Nah, I'm good

Oh yeah, bro, you wanna have a go too?
