**LILIM'S**

Sweetheart,  
don't give  
another reason  
that's bringing misery.

Fufu, that's great ...

According to Black Cat's report, everything is going well.

So..? What about my daughter and my son-in-law?

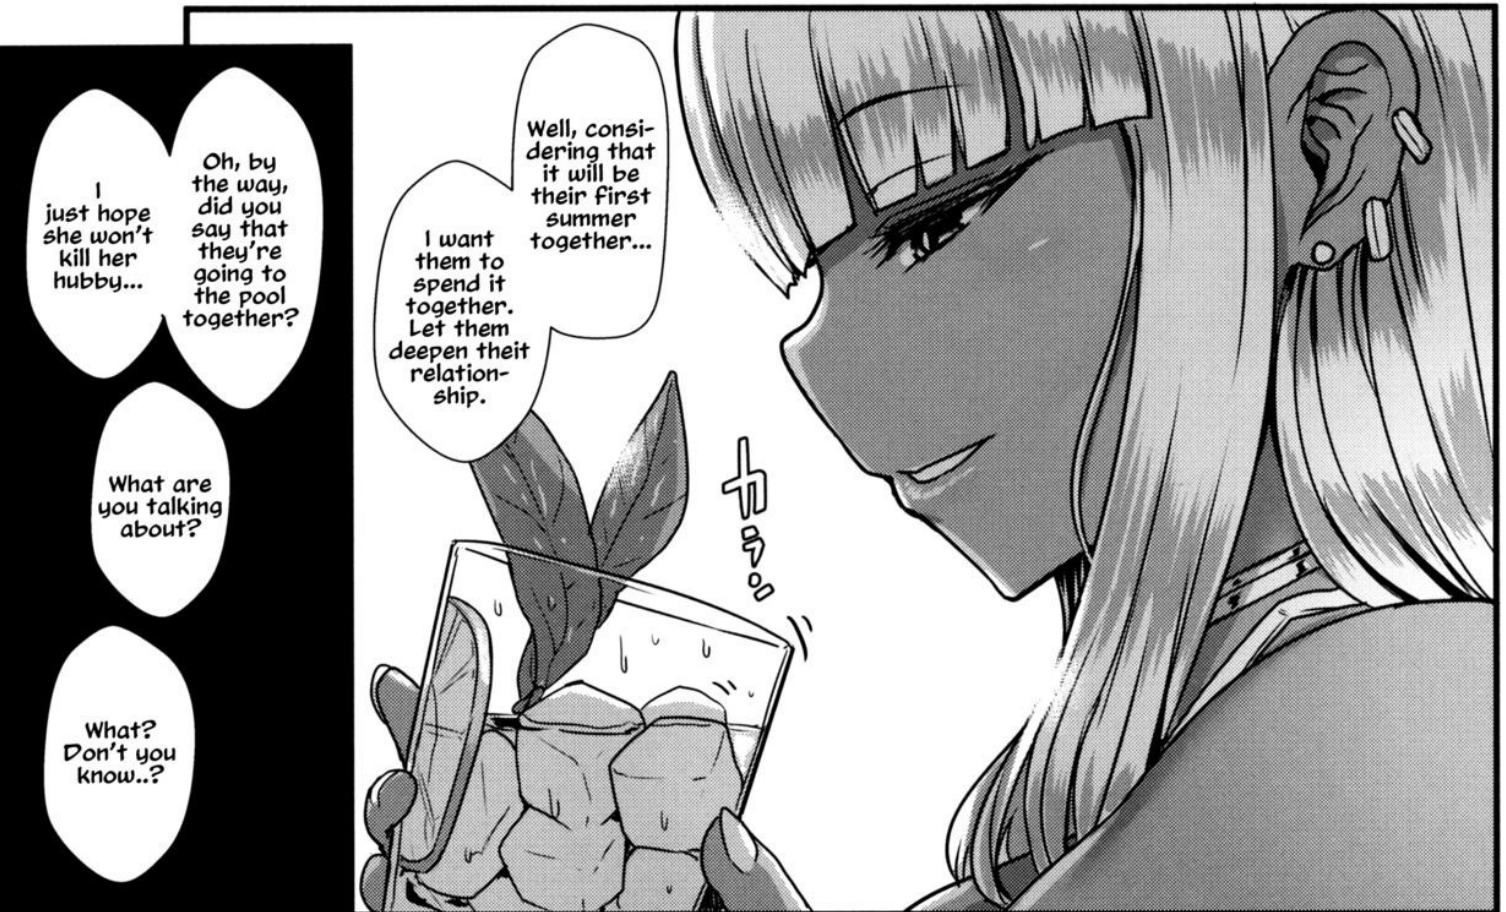

But why won't you do it yourself? It's a good chance to visit her.

Of course, in order to suppress her instincts, I shall send her some mythrill accessories...

It was fine when she didn't have a boyfriend... But this year everything will be different.

The fact is, it's like being in heat for us.

Although, the day of the summer half-moon is already close. I'm really worried about him.

I just hope she won't kill her hubby...

Oh, by the way, did you say that they're going to the pool together?

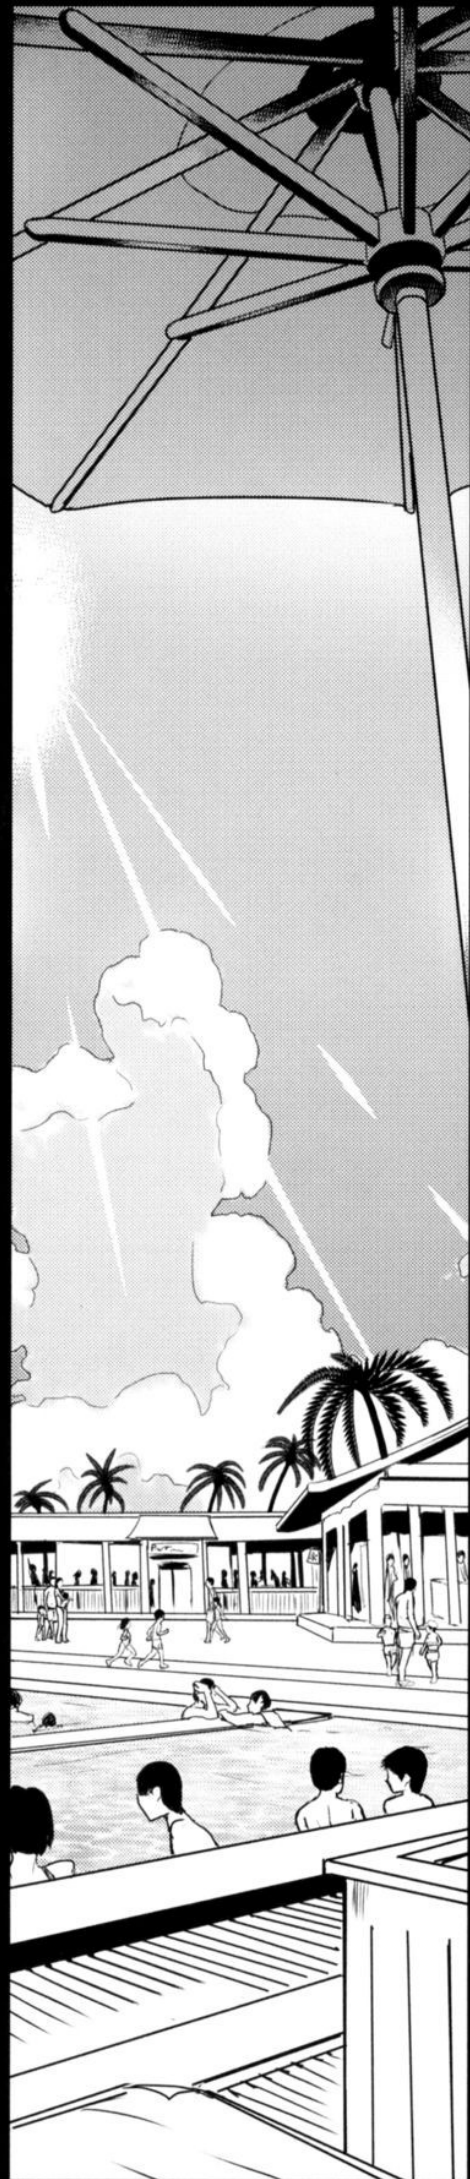

What are you talking about?

What? Don't you know..?

I want them to spend it together. Let them deepen their relationship.

Well, considering that it will be their first summer together...

Sweetheart,  
men give,  
women receive  
That's biological destiny.

Ehm...

For some reason she's acting sad...

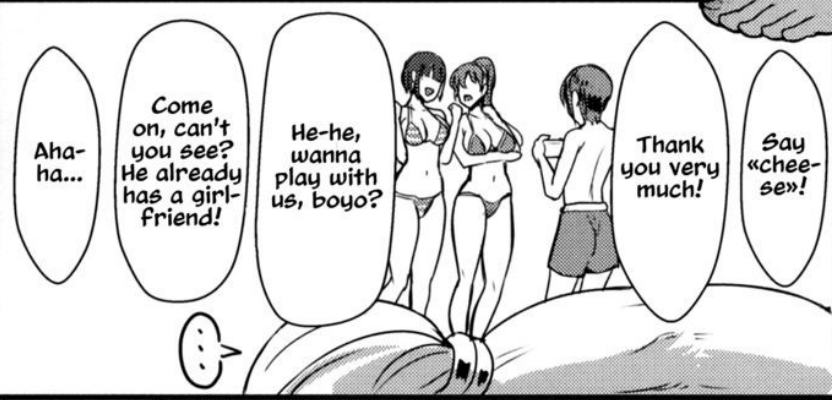

Now that it's summer vacation, I took Ririko to the swimming pool, but...

Ririko, since we're finally here, why don't we swim a little bit?

You know, Natsuki, actually I...

Sorry!

Aha-ha...

Come on, can't you see? He already has a girlfriend!

He-he, wanna play with us, boyo?

Thank you very much!

Say «cheese»!

Oh, sure!

Could you, please, take a picture of us?

What is it?

Ehm...

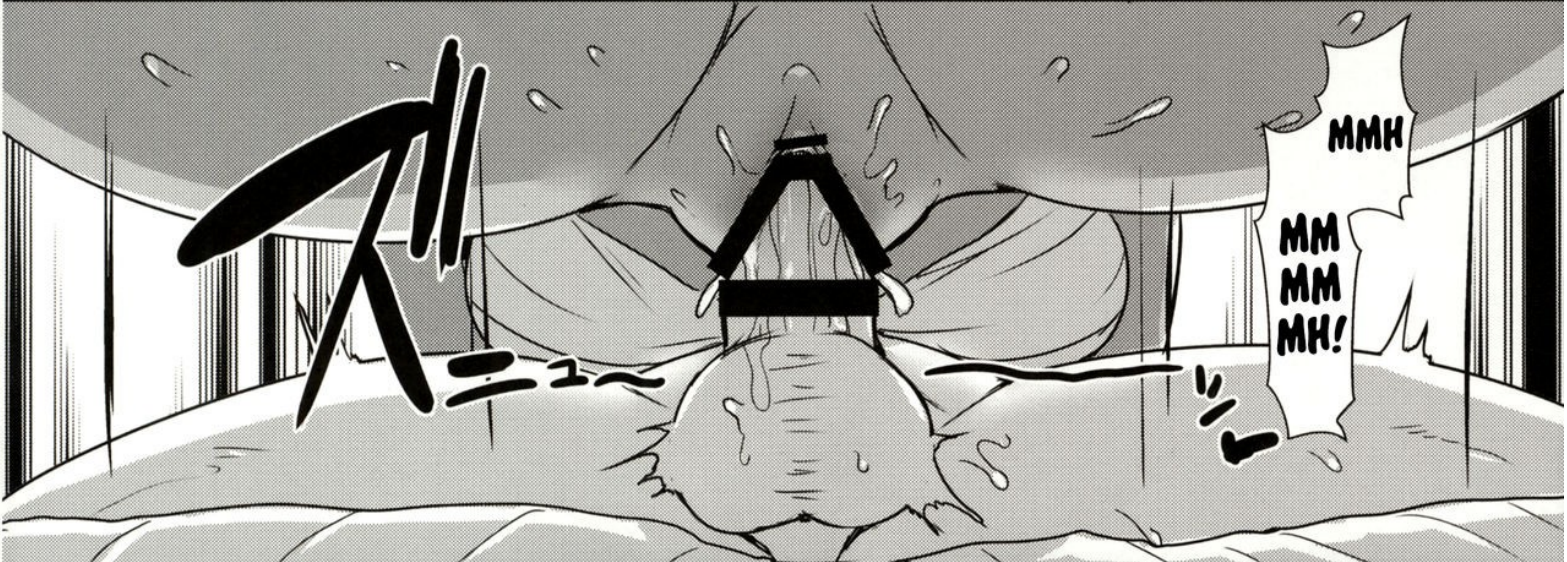

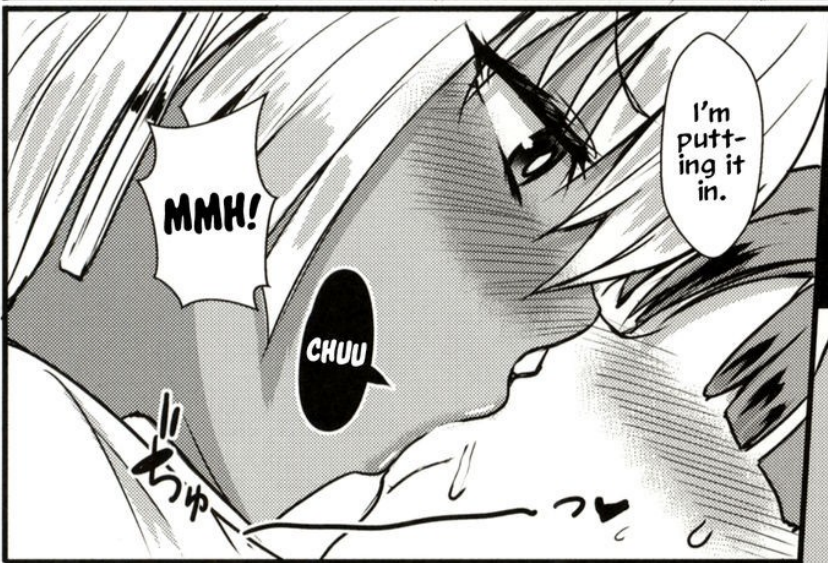

Eh...

Ah, right! Let's have some drinks, okay?

I'm sorry, Ririko, they just needed me for a bit.

But I'm glad. I found out about another side of her...

But now she's... squeezing too much... I can't...

ちゅー!!

ちゅー!!

HAA...

AAH...

I'm... passing out...

She's tightening up relentlessly...

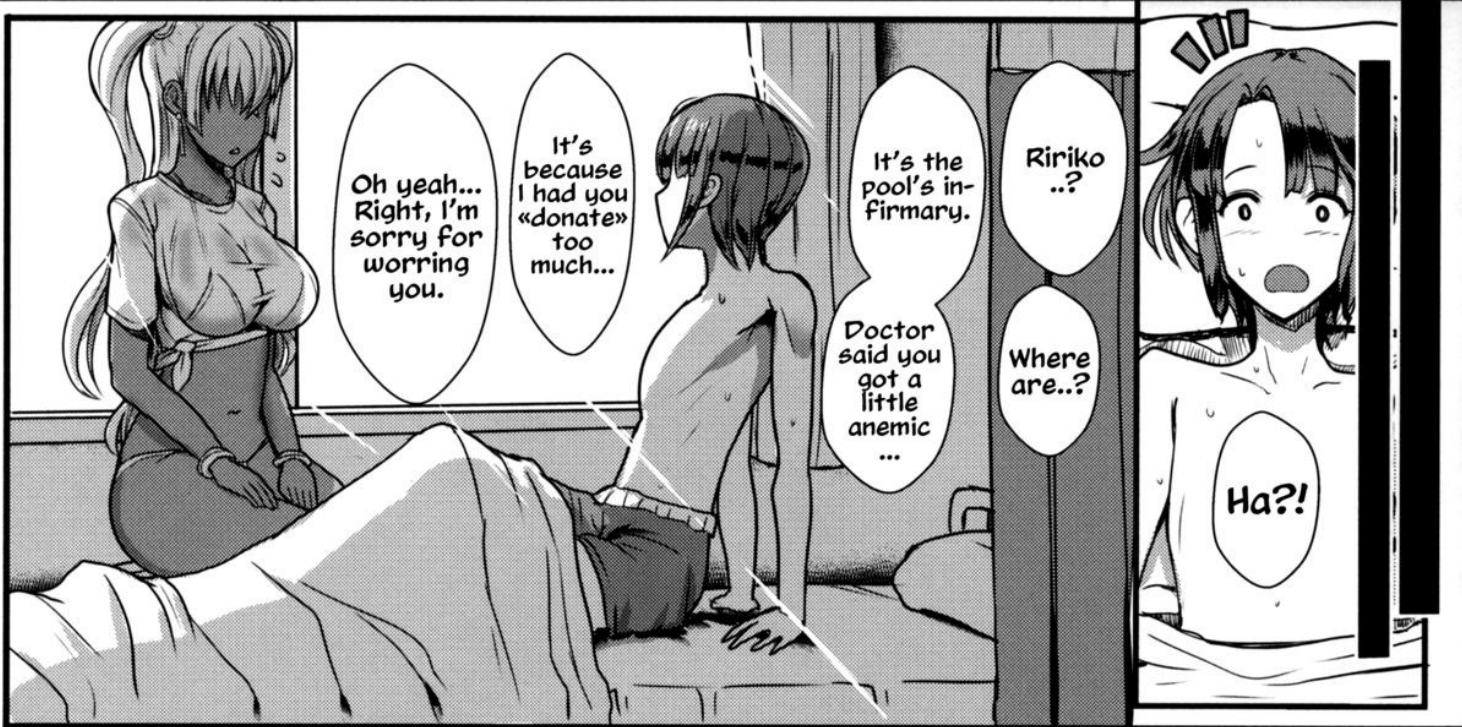

MMH

NNH

I had no idea that Ririko was so jealous ...

Nat-suki?!

Nat-suki..?!

Oh yeah... Right, I'm sorry for worrying you.

It's because I had you «donate» too much...

It's the pool's infirmary.

Ririko...?

Doctor said you got a little anemic ...

Where are..?!

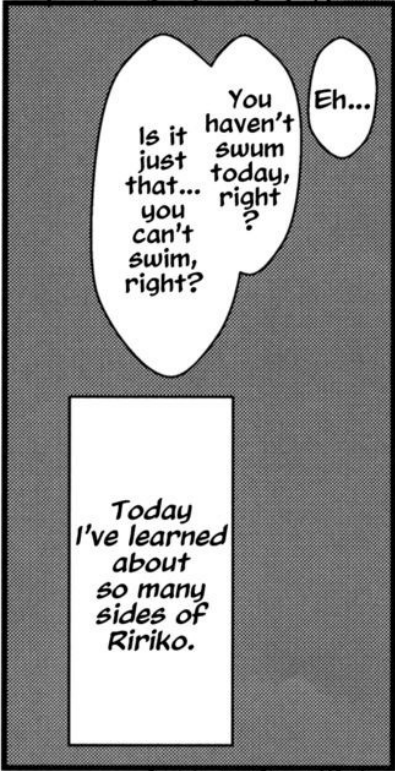

Ha?!

I'm so sorry, Natsuki...

Ehm... Ririko?!

No, it's my...

Eh...  
You haven't swum today, right?  
Is it just that... you can't swim, right?

Today I've learned about so many sides of Ririko.

By the way, sometimes Ririko is such a crybaby.

After that we made up.

ザンザンザン

It's a special service.

And today we had a lot of fun in the pool.

ザンザンザン

So we both decided we should not live together.

We're still in school, after all.

Nat-suki...

This is proposal ...

For three, no, even two days...  
Let's live together.

Can we? Please ...

I could not say «no» to ...

Alright, Ririko, see you tomorrow.

Um...

Today was really fun, but we still have to do our homework.

Um...

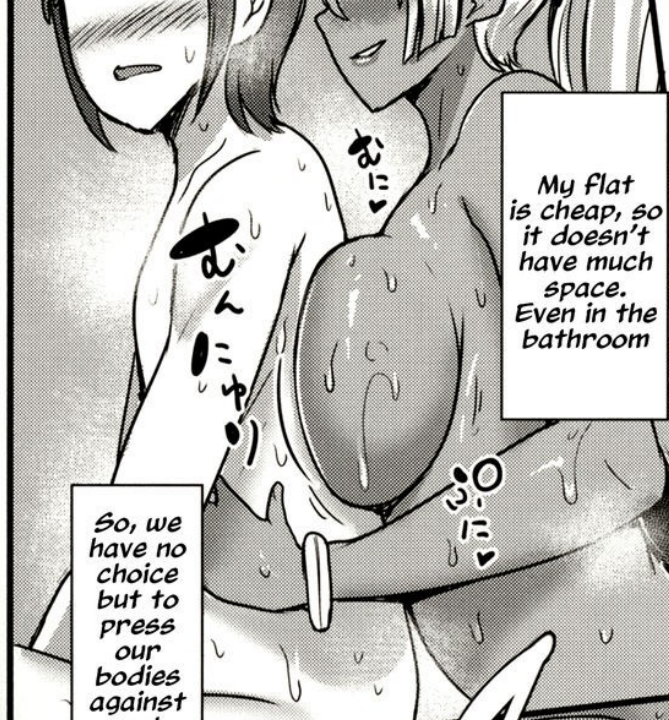

Even though we're next door neighbors, we still live separately.

No, it's fine.

Is the water too hot?

My flat is cheap, so it doesn't have much space. Even in the bathroom

So, we have no choice but to press our bodies against each other.

Ririko and I are taking a bath together. Of course, it's only a bath...

Much bolder than usual ...

Nat-suki

Today Ririko is kinda ...

I want you to wash me too. ♡

SHLICK ♡

ふにゅんっ

So good ...  
It's coming out!

AAH...

But even so, we were in heat.

Since it's summer outside, I tried to make the water colder.

We're in a narrow bath.

There's no boundaries between us.

Don't pull out!

It's so big and soft.

You like my butt, Natsuki?

I couldn't control myself.

Ririko is so seductive...

Yeah...

Like a nice pillow.

W... Well!

Do you... wanna try..?

Listen, Natsuki...

A good way to take «donations»...

That it's also...

Ehm... Well... I... My mom told me...

GRAB

MMH...

Don't stare at me like that.

Perhaps it's because of Ririko's unique body, but her anus was already slippery, even though we hadn't used any lotion.

AAH... UAAH...

It's so tight...

Just... don't rush, please...

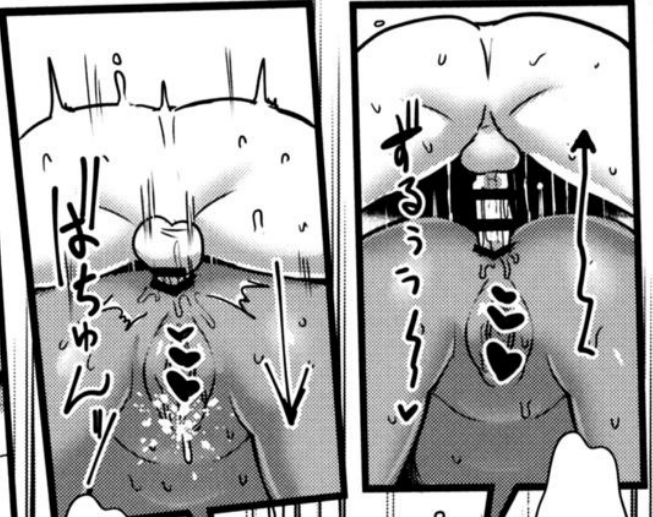

I'm... putting it in.

I just barely put it in... It's already so hot. I feel like she's sucking me in.

Aah!  
I'm cum-  
ming!

I came  
too fast  
from how  
tight she  
was.

It's like  
Ririko's  
body is  
enjoying  
every  
drop  
of my  
sperm.

Her  
sucking  
somehow  
feels dif-  
ferent...

Cum  
in my  
butt...!

It's  
okay  
...

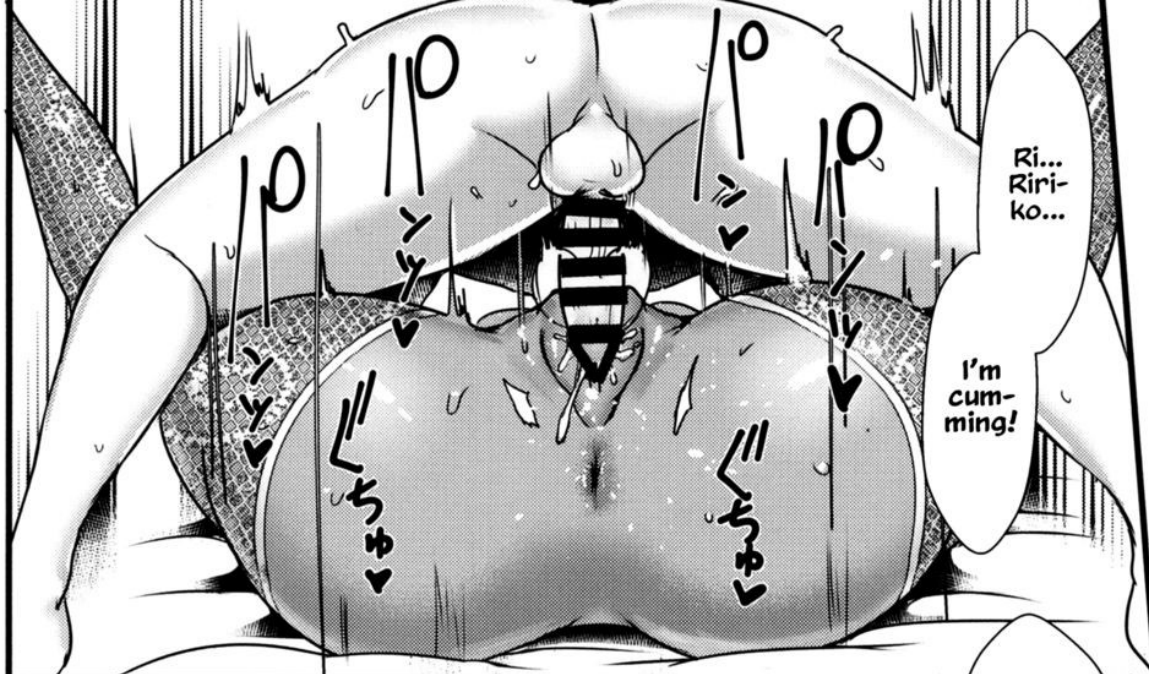

This time,  
let's do it  
here...

Did you  
like it...?  
Because  
I did...

After  
some  
time, I  
com-  
pletely  
realized,  
the stran-  
geness  
of situa-  
tion...

...Ririko  
has been  
embracing  
me for  
entire  
days...

And now,  
it may  
be too  
late.

Aah!  
Cum  
inside  
me!

AAH

AAH

AAH

It feels like a French kiss.

It feels like her womb is sucking my tip...

And even though I was constantly cumming inside her...

Ririko's womb was always ready for a new «donation».

Ririko once told me about it...

Sometimes lilims can suck their partner to death.

Oh, they just fell asleep in each other's arms.

Well, it's okay since my son-in-law is fine.

He's a got a hard recovery ahead of him, though.

After Ririko returned to normal, she begged Natsuki for forgiveness while restoring his strength with her cooking.

Well, here I am.

Is How did he even alive?

... I'm going in.

Ah...

Let's see how bad it is...
