Just what kind of
"present" did Sensei
put inside
Maki-chan?"

Besides, from
the perspective
of sperm it's an
entrance, you
can't argue
with that!

If it's
a place
I can put
something in,
then entrance
is fine!

Uuuh...
well-

But isn't it
more like an
exit when you
think about it?

Hang on-
you call it an
'entrance'...

Golden Tube

ゴールデンチューブ

THIS IS A LITTLE EXPERIMENT TO SEE WHAT HAPPENS WHEN I PUT THE TUBE IN ALL THE WAY.

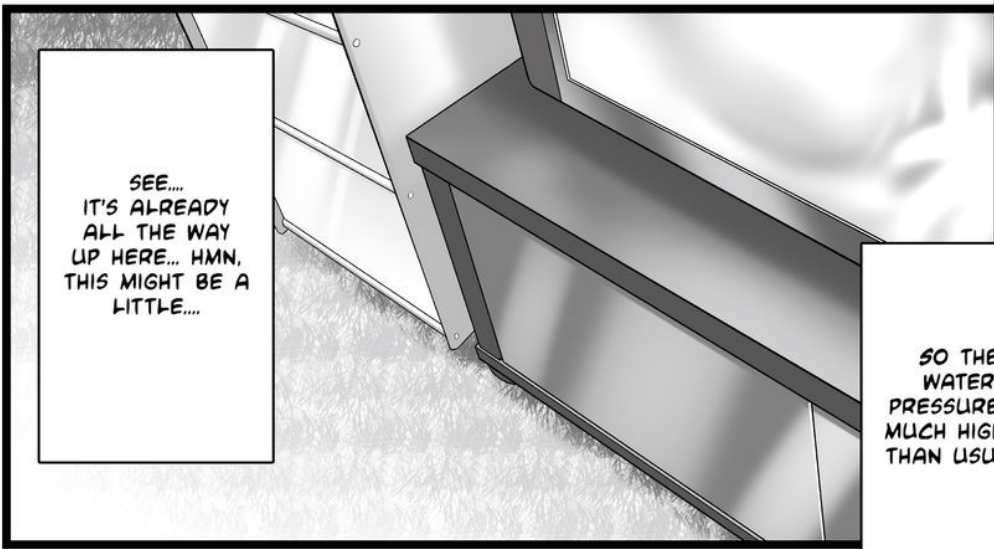

AREN'T YOU DOING THE ENEM--
AAAH!

OH, YOU THOUGHT THIS WAS JUST TO GET YOU CLEAN?

UFUFU...
I'M JUST ABOUT TO PASS YOUR COLON NOW~

MMH...
IT'S...
BIGGER
THAN LAST TIME...

SEE...
IT'S ALREADY ALL THE WAY UP HERE... HMN, THIS MIGHT BE A LITTLE...

IT'S CONNECTED DIRECTLY TO THE SHOWER, YOU SEE.

SO THE WATER PRESSURE IS MUCH HIGHER THAN USUAL!

U...
UUUUH...!

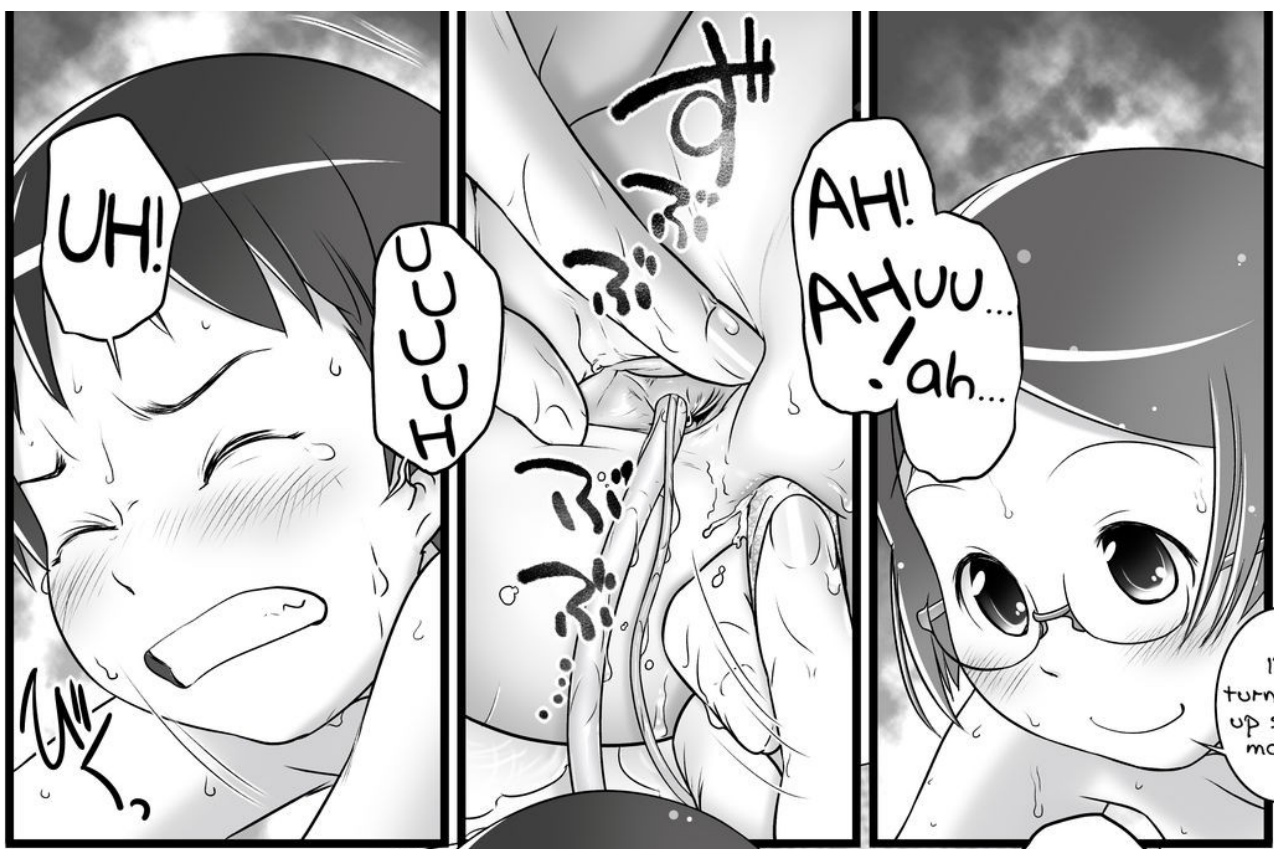

POWERFUL, ISN'T IT?
CAN YOU FEEL IT HERE MAKI, JUST BELOW YOUR RIBS?

IT'S THE FIRST TIME YOU'VE HAD IT IN SO DEEP HMM?

Aah
Uah!
GUah!
!!

UH...WAAH!
AH! WHAT WAS THAT?

I'm turning it up some more!

My tummy's all trembling!

Aaah!! That's enough!!

UPOPU, it's really starting to swell up nicely.
But we're not done yet!

Hey, hey, can you feel how far inside the hose is?

Although, it's not an easy place to reach....

Yeah!

If we just keep filling you up as we go along I'm sure we'll get there~

Yeah

Shall we see if we can get right to the end of your large intestine, hmh?

If you touch it then you can feel it inside right? Pouring water right into your colon.

That's pretty much a full 40cm inside you now!

Wonderful!
A
ull 60cm
tube all
the way
p in your
belly!

Ah sorry,
that was
a bit hard...
But it's
already
past your
colon now!

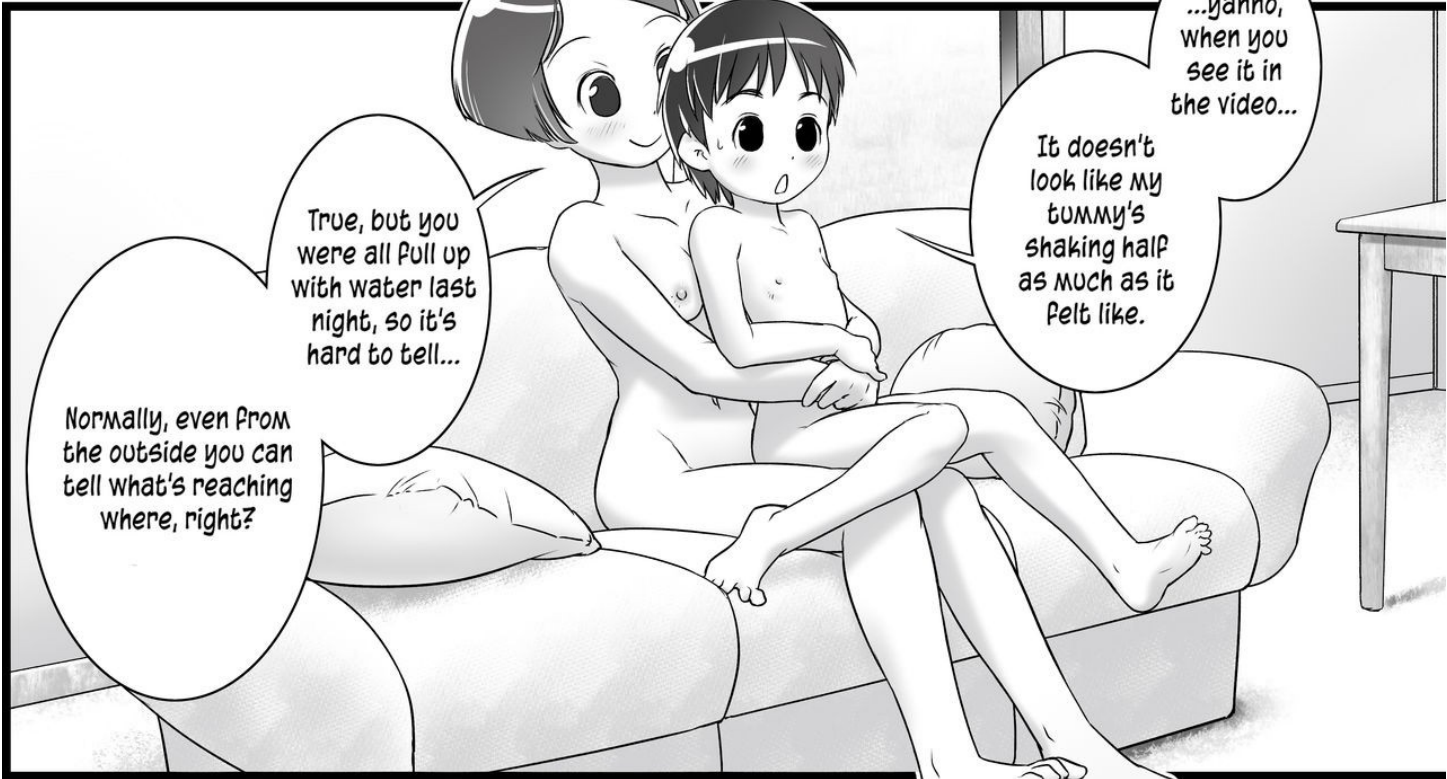

AH AH
!!? KU
...

Aa... It
feels like
it's t.-
trembling
below my
chest..!

Normally, even from
the outside you can
tell what's reaching
where, right?

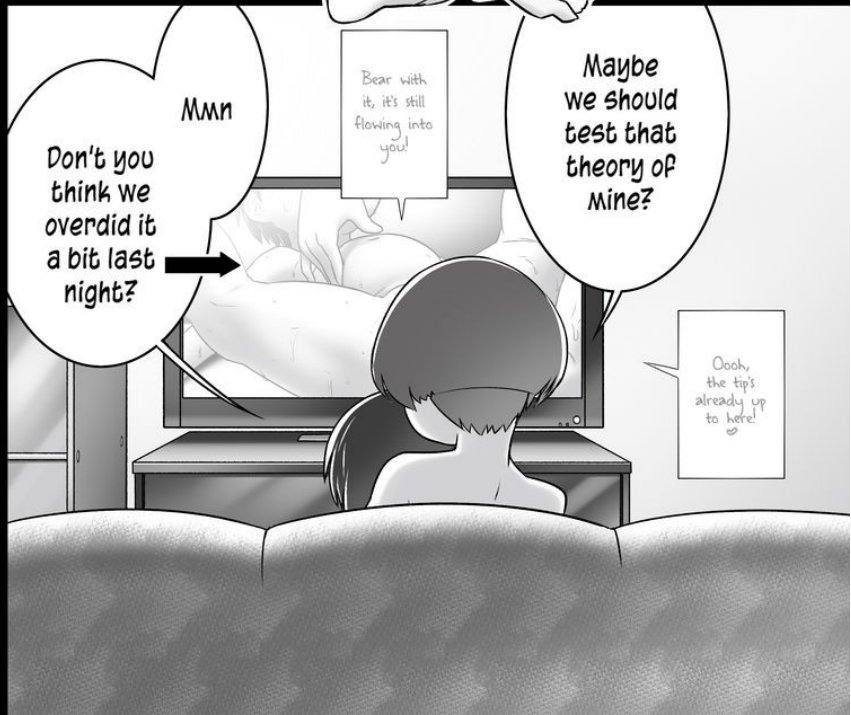

True, but you
were all full up
with water last
night, so it's
hard to tell...

It doesn't
look like my
tummy's
shaking half
as much as it
felt like.

...yanno,
when you
see it in
the video...

Not-
at-
all~!

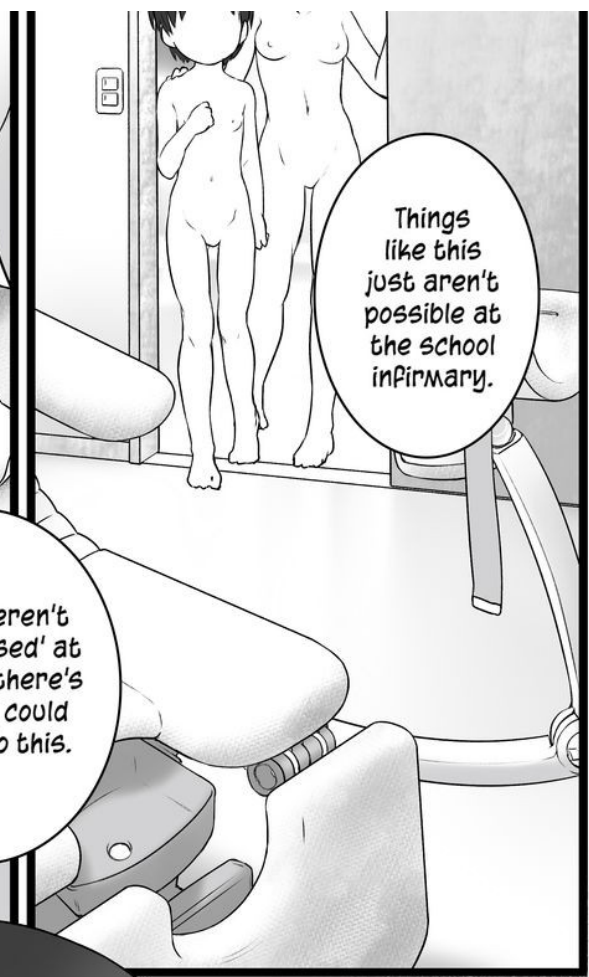

Mmn
Don't you
think we
overdid it
a bit last
night?

Bear with
it, it's still
flowing into
you!

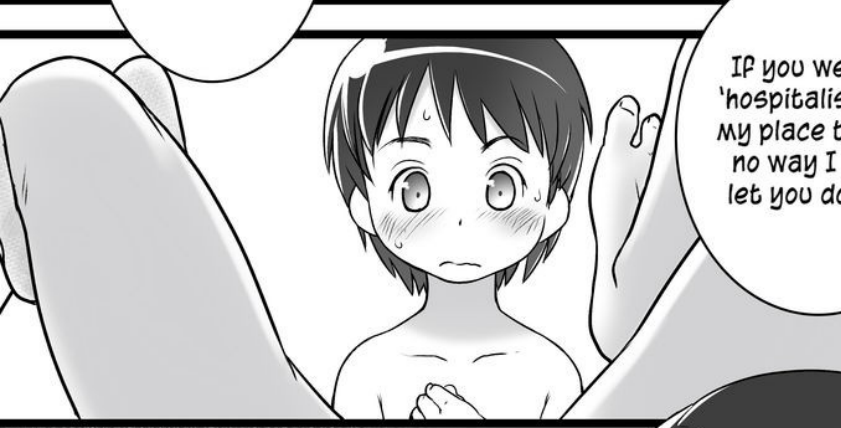

Maybe
we should
test that
theory of
mine?

Oook,
the tip's
already up
to here!

It's a special lesson just for you, Maki-chan.

Things like this just aren't possible at the school infirmary.

If you weren't 'hospitalised' at my place there's no way I could let you do this.

Take a seat? You can do whatever you like with me.

Eheh... It's actually a little embarrassing to spread my legs again.

This way, you can find out for yourself what's going on inside.

UPuFu~
go ahead
and put a
finger in.

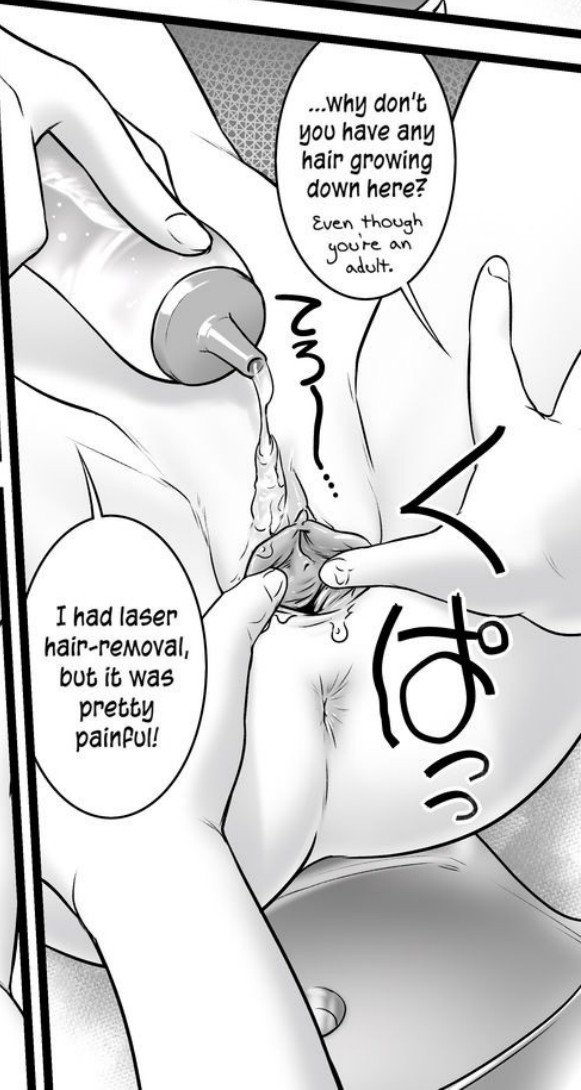

Can
I touch
your pee
hole?

Just let me
use some
lotion first.

I've
never
done it
before...
Oo
nervous

Ah... pu...
putting my
finger in
someone
else...

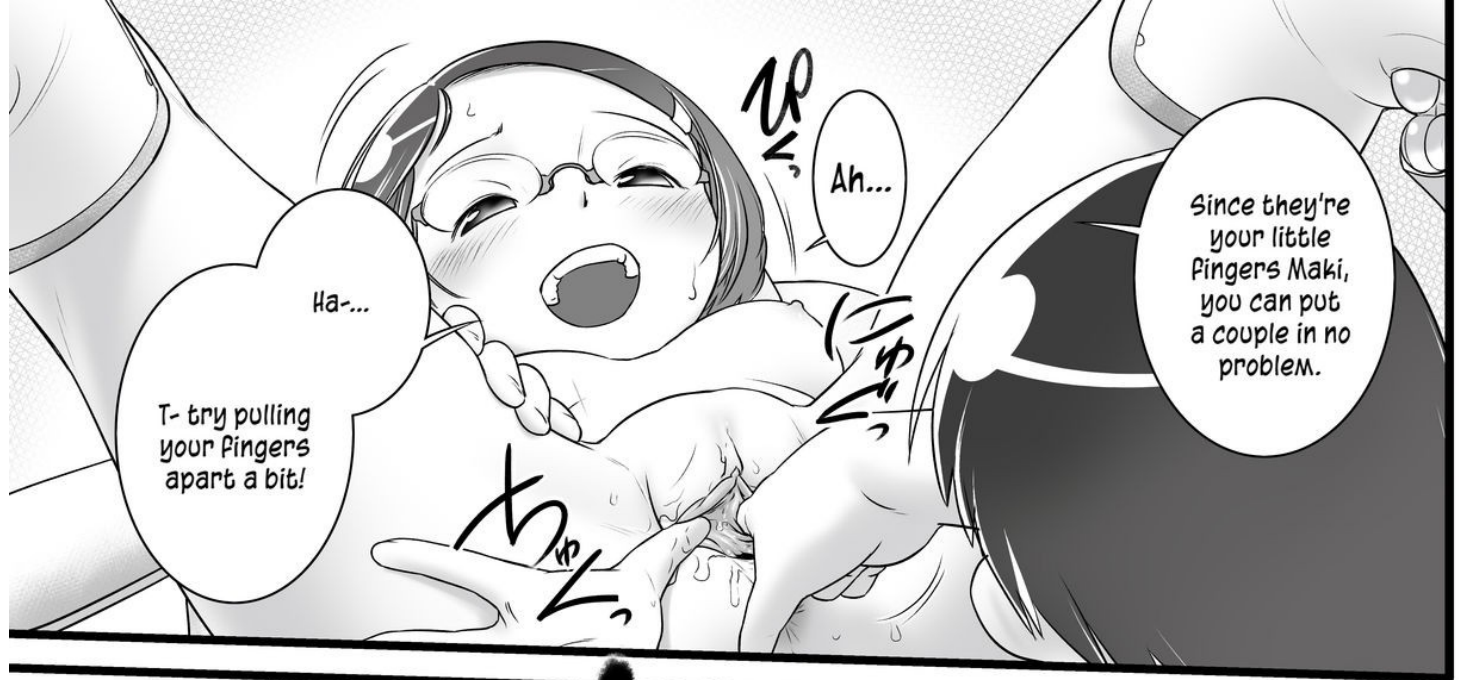

...why don't
you have any
hair growing
down here?
Even though
you're an
adult.

I had laser
hair-removal,
but it was
pretty
painFu!

ちゅい

ちゅい

ちゅい

Ha-...

T- try pulling your fingers apart a bit!

Ah...

Since they're your little fingers Maki, you can put a couple in no problem.

ちゅ

Yeah... Some pee might come out though...

A... are you sure?

ちゅ

ちゅ

あ...

It's really soft and... it's squeezing me..

Uuh... It's kinda dark and hard to see, but...

...How is it?

Can you see inside?

is the inside of my bladder.

Eeh... what your fingertip is touching there,

Ehehe... you know...

So yesterday... What was in here came squirting into my bladder, right?

This is like..

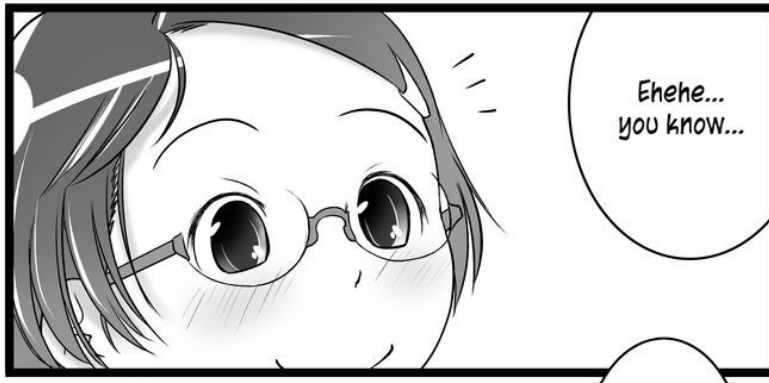

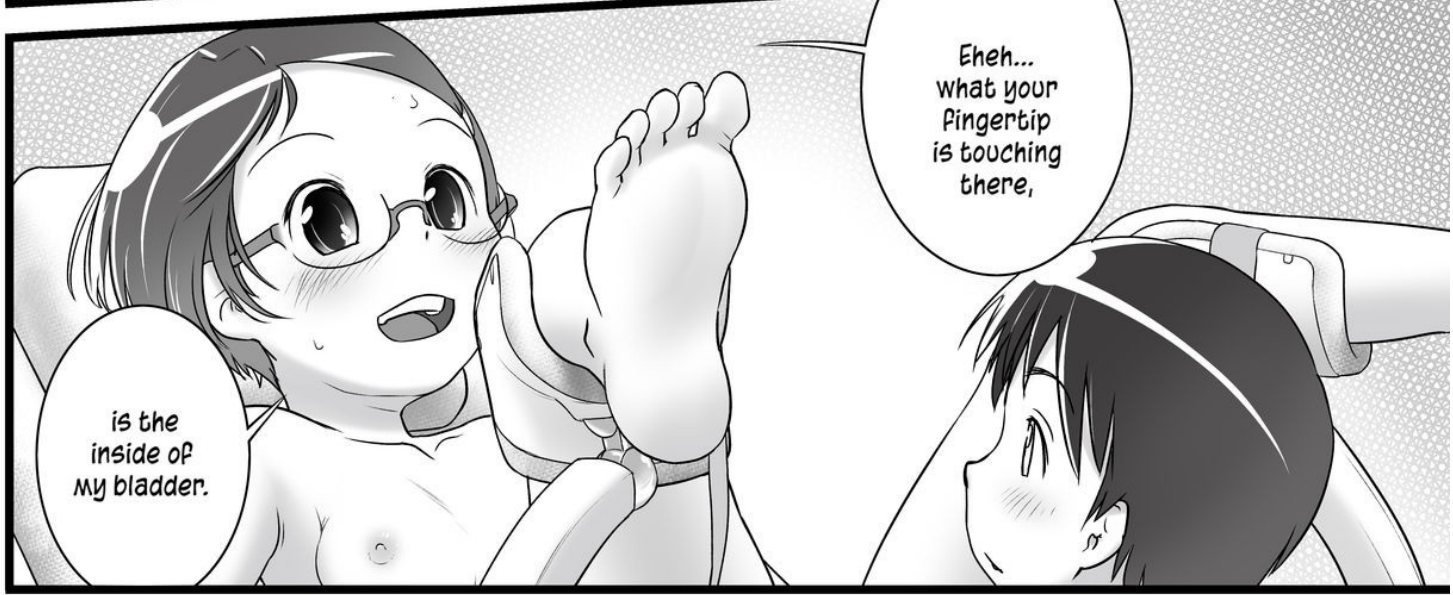

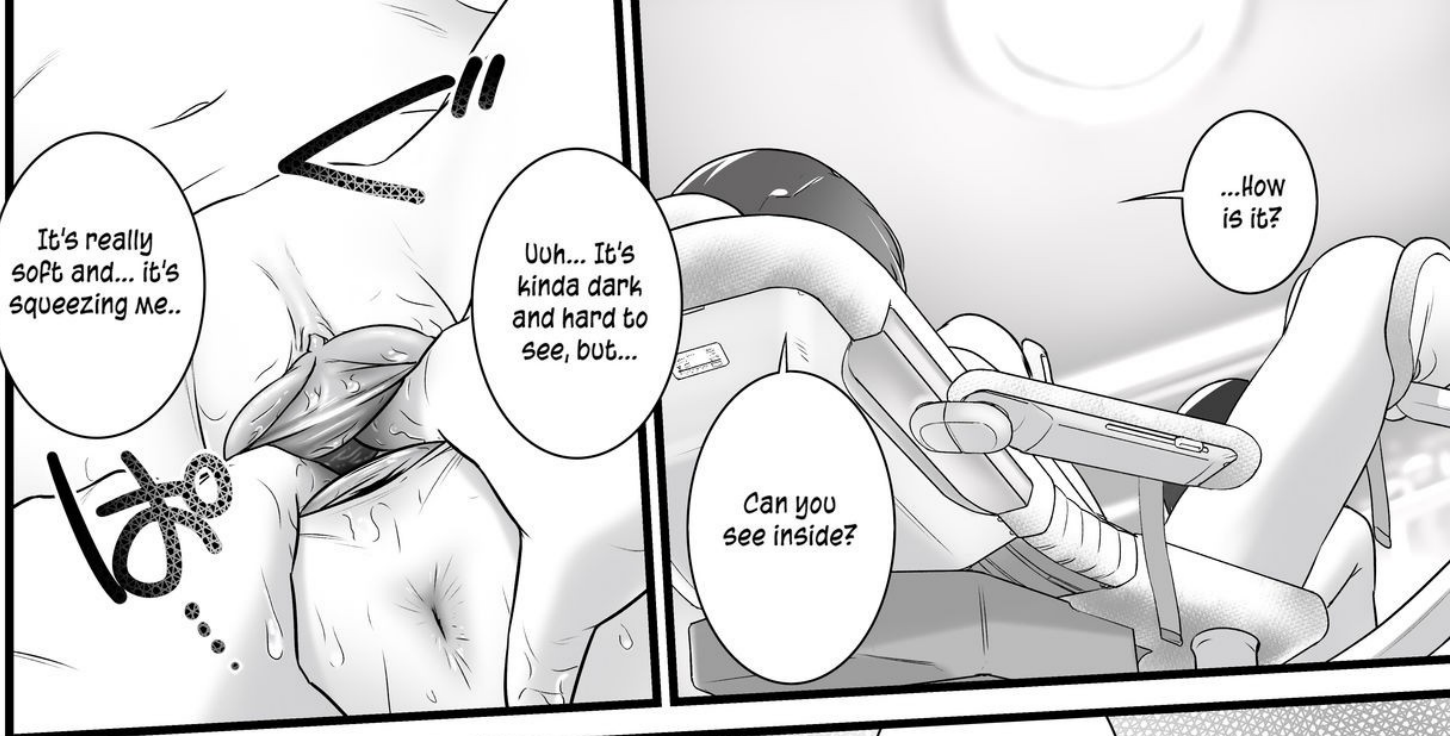

...a special kind of sex only we can have!

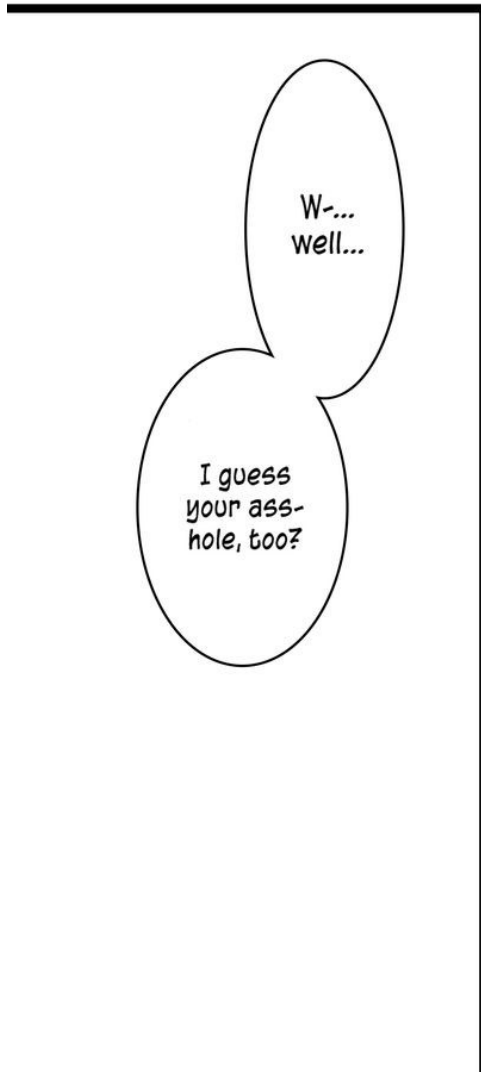

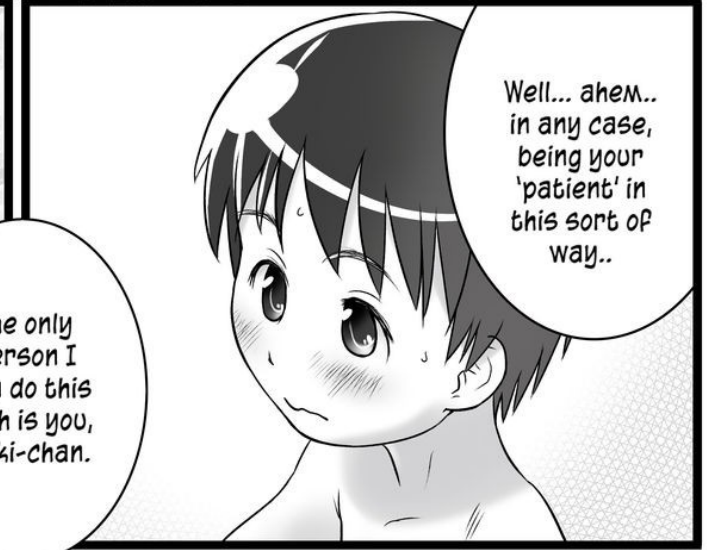

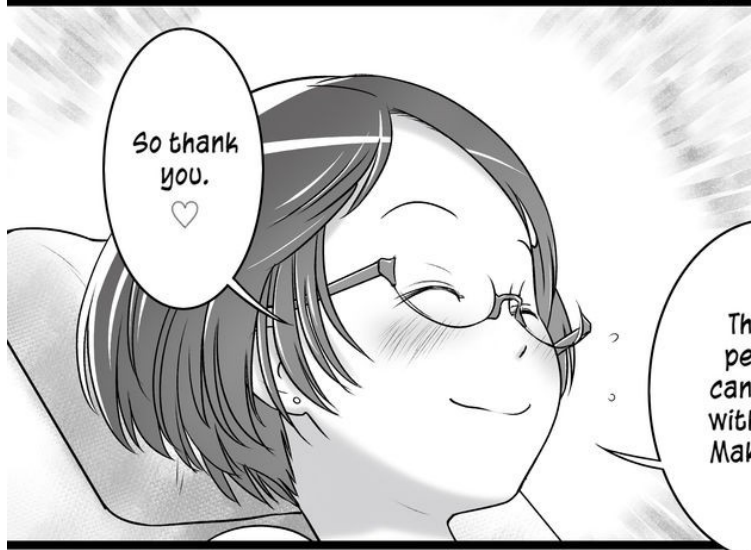

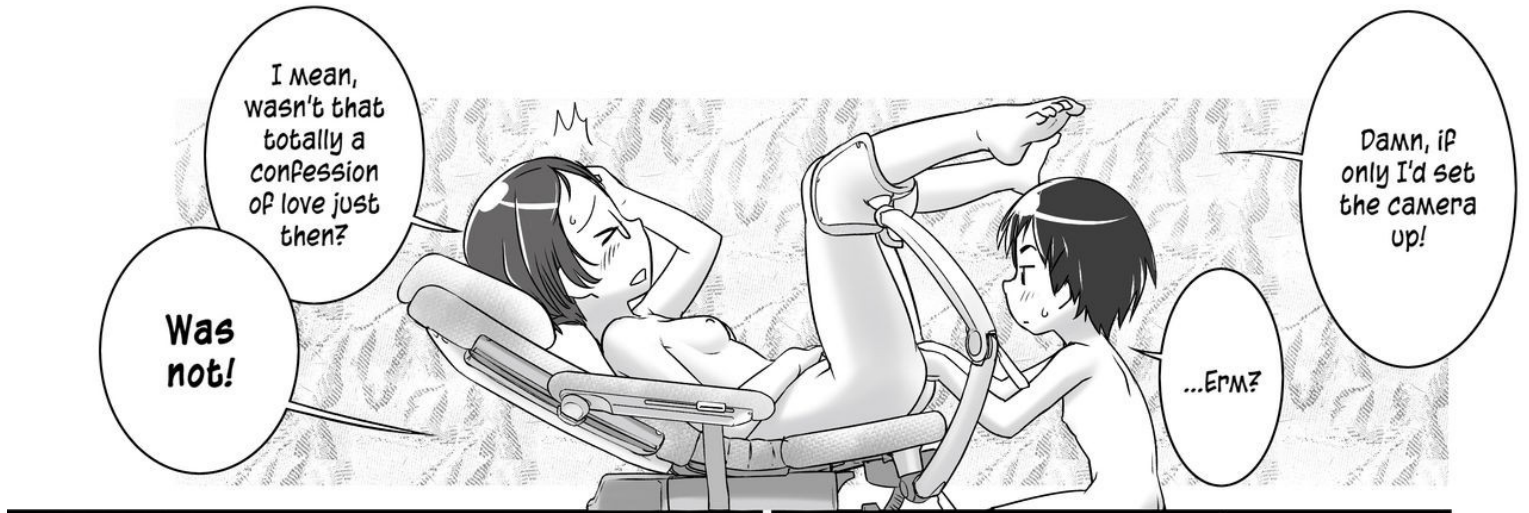

That's right!

アリス

ちゅー...

ちゅー...

I'll tell you what to do, so go ahead and put your arm in all the way!

oneechan's... bottom, her poop hole. ♡

I never saw it this close up before...

Mnn... ♡

It's actually kinda cute...

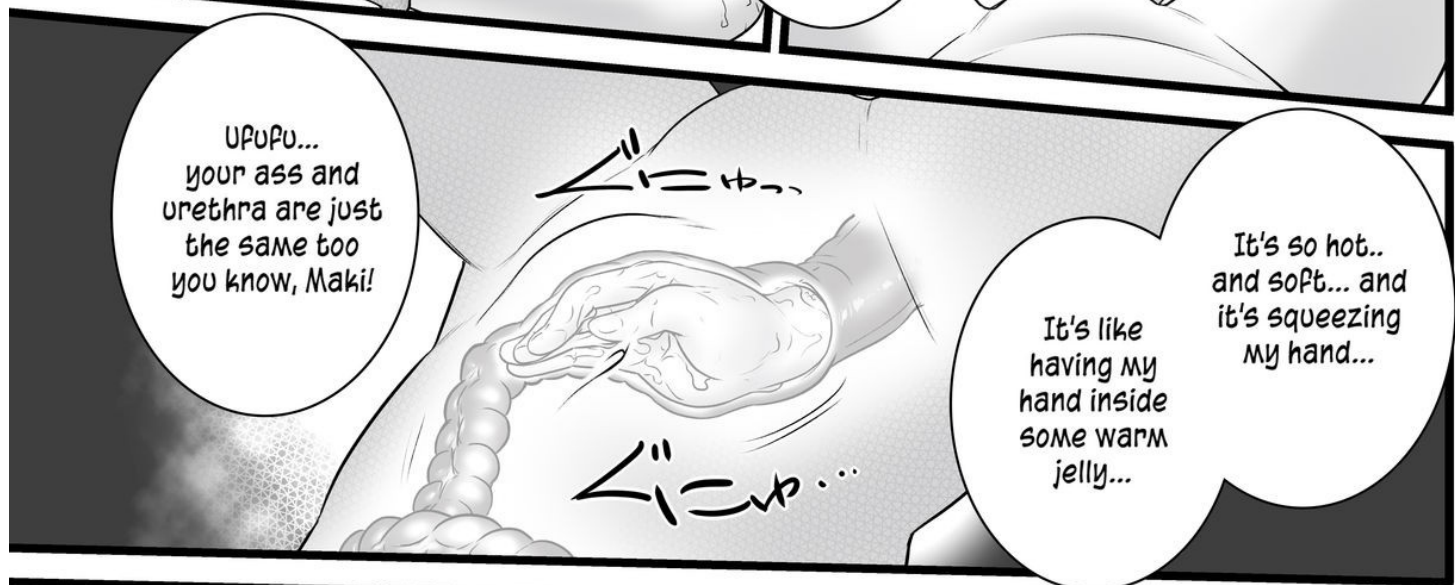

Maki-chan's hand. ♡

You can even see it from the outside!

UPUPU~ Amazing isn't it?

... I mean, I guess that's... where my hand is?

Wow! ...your insides just moved!

UPUPU... your ass and urethra are just the same too you know, Maki!

It's so hot.. and soft... and it's squeezing my hand...

It's like having my hand inside some warm jelly...

Down there

Well then, There's just one other special place left to explore, hmm?

HMMMM... ah yeah, that's my large intestine. It's the same for everyone.

After here it goes all wriggly...

You do take science, right?

FuFu.... it's important to be knowledgeable.

Sex education is like preparatory learning about your own self.

Uu... oh, yeah...

I pretty much already knew everything though.

You had sex education lessons at school this year, right?

H...here? Um... your uterus, I think.

It's the entrance to the place where babies are made.

So... what's that you're touching right now?

It's the entrance to.. ?

Besides, from the perspective of sperm it's an entrance, you can't argue with that!

If it's a place I can put something in, then entrance is fine!

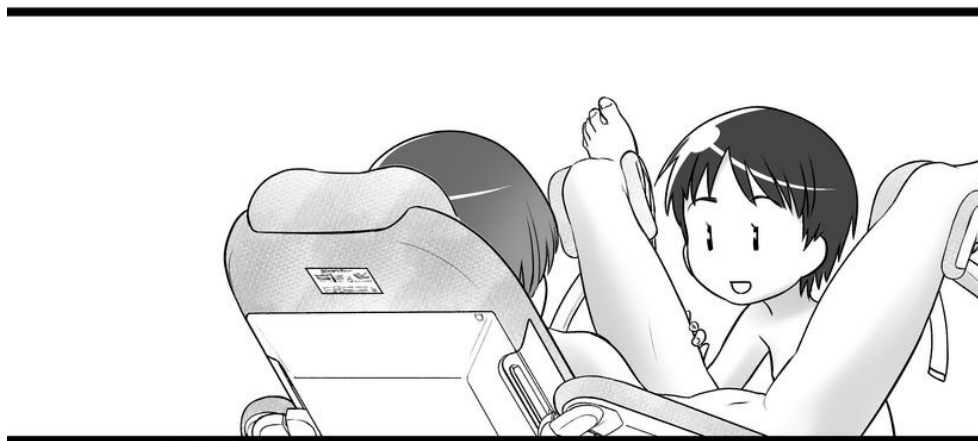

She's got a point there

Uuh... well-

But isn't it more like an exit when you think about it?

Hang on- you call it an 'entrance'...

So unfair! With me and the others you always just stick things in whenever!

Haha, sorry about that... this time I'll make sure to slowly stretch your uterus open nice and wide!

Isn't this pose different from yours?

Umm... Sensei...

Anyway, let's start with yesterday's big success.

Well, nobody wants to be watching me at the film showing!

And no fair! How come you're recording now?!

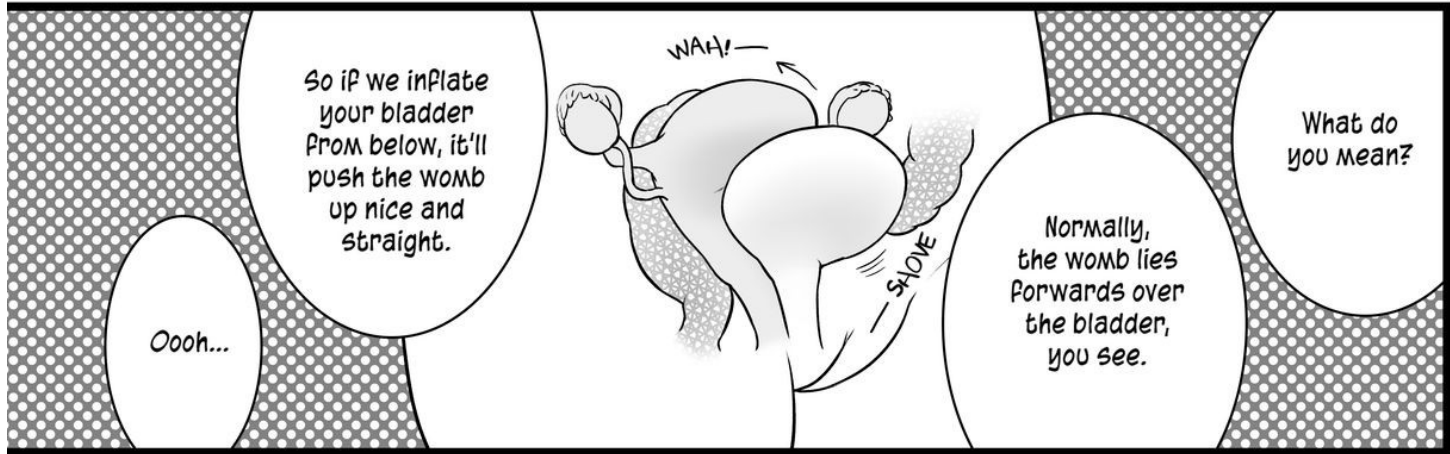

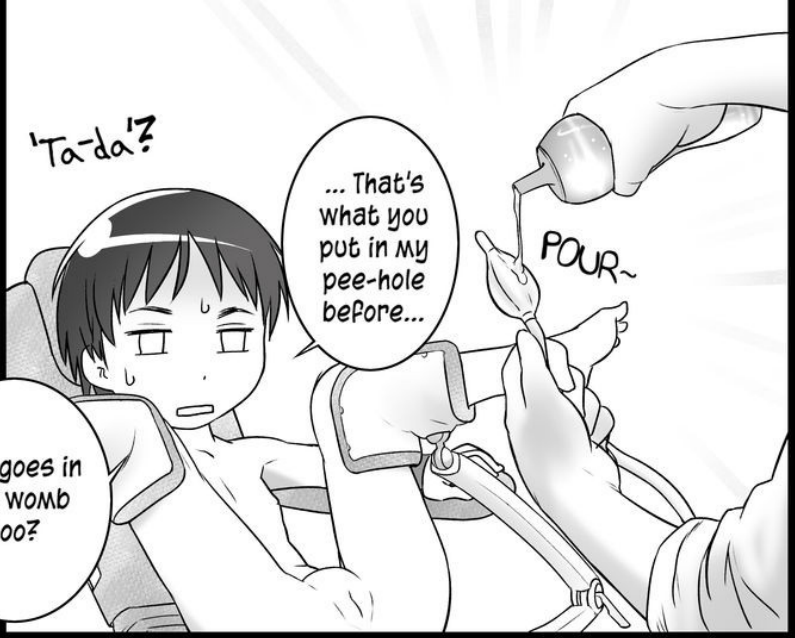

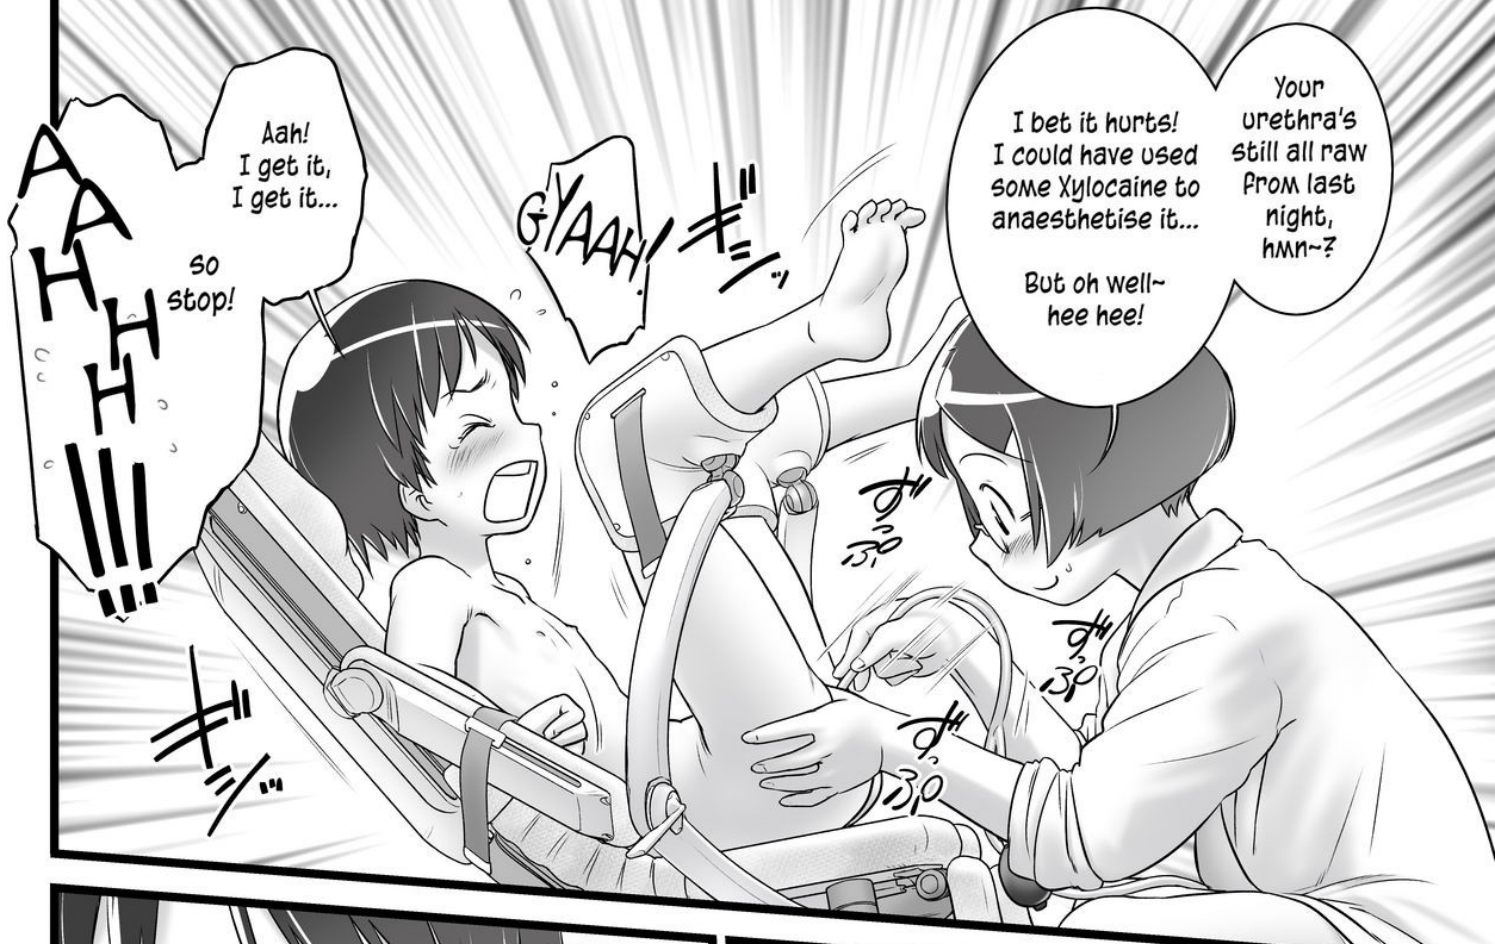

Oh, is that so?

Actually, I think everyone kinda would!

アキ

Hmn?
No no no!
I'll use this
to get your
uterus in the
right position.

Aah!
I get it,
I get it...

so
stop!

GYAAH!

I bet it hurts!
I could have used
some Xylocaine to
anaesthetise it...

Your
urethra's
still all raw
from last
night,
hmn~?

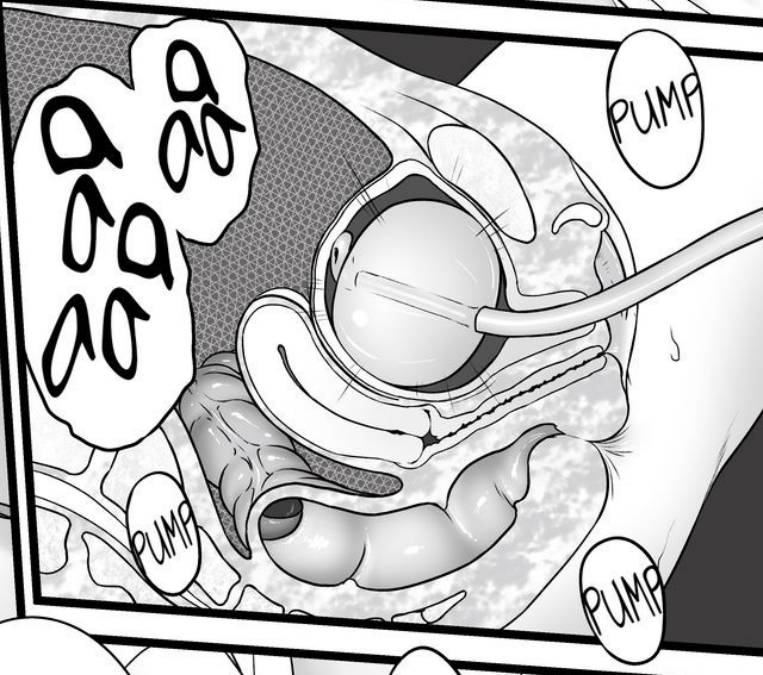

But oh well-
hee hee!

N...
No way!
Waaah!

The air!
The air!
I can
feel it
coming
in!

PUMPI!
PUMPI! PUMPI!

PUMP

PUMPI!

PUMP

Whoopsie again!
I forgot to prepare
any saline solution,
so I'm just blowing
you up with air!

PUMP

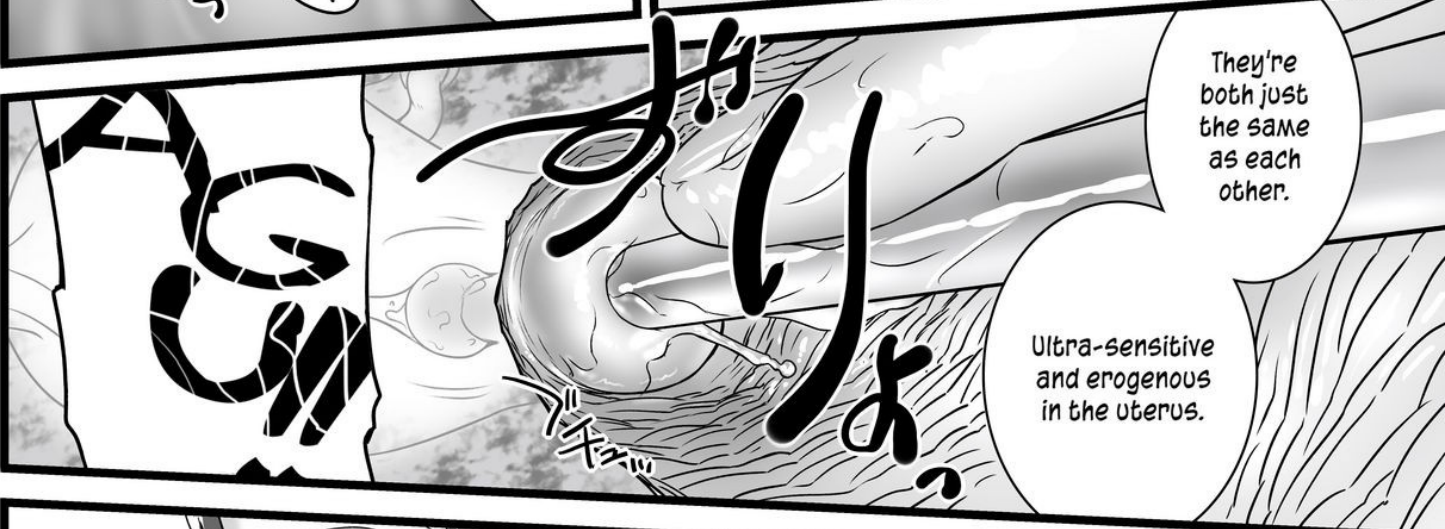

Well she and her little sister Aya-chan...

You know Yuina-chan in the 4th grade, yes?

ah... ah...

だ

They're both just the same as each other.
Ultra-sensitive and erogenous in the uterus.

But Maki, you're just the same as they are.

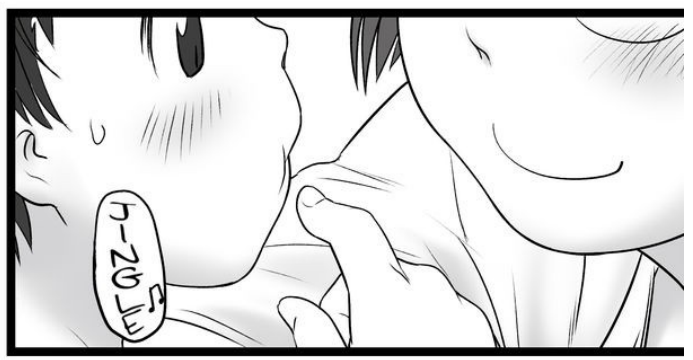

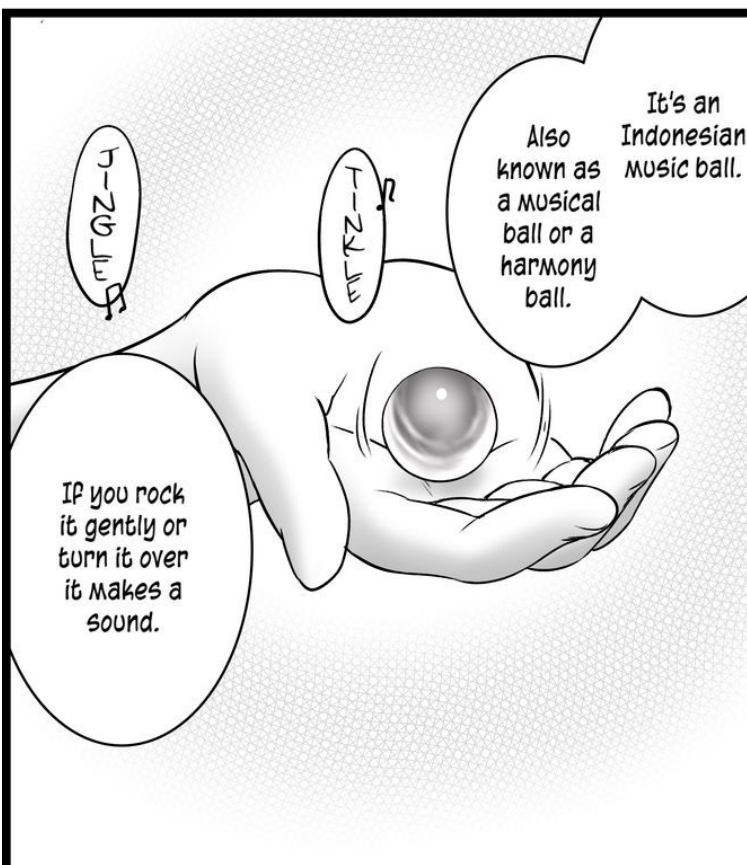

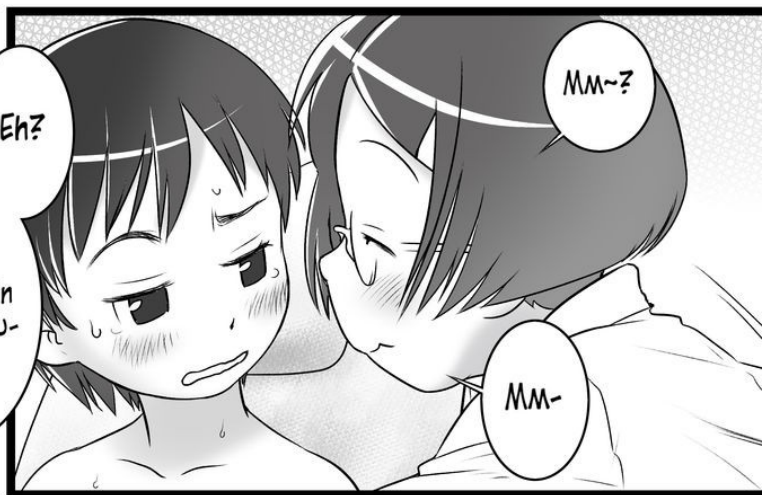

In honesty, it's not a place that's meant to be played with.

Even for grown-ups, teasing it is normally pretty painful.

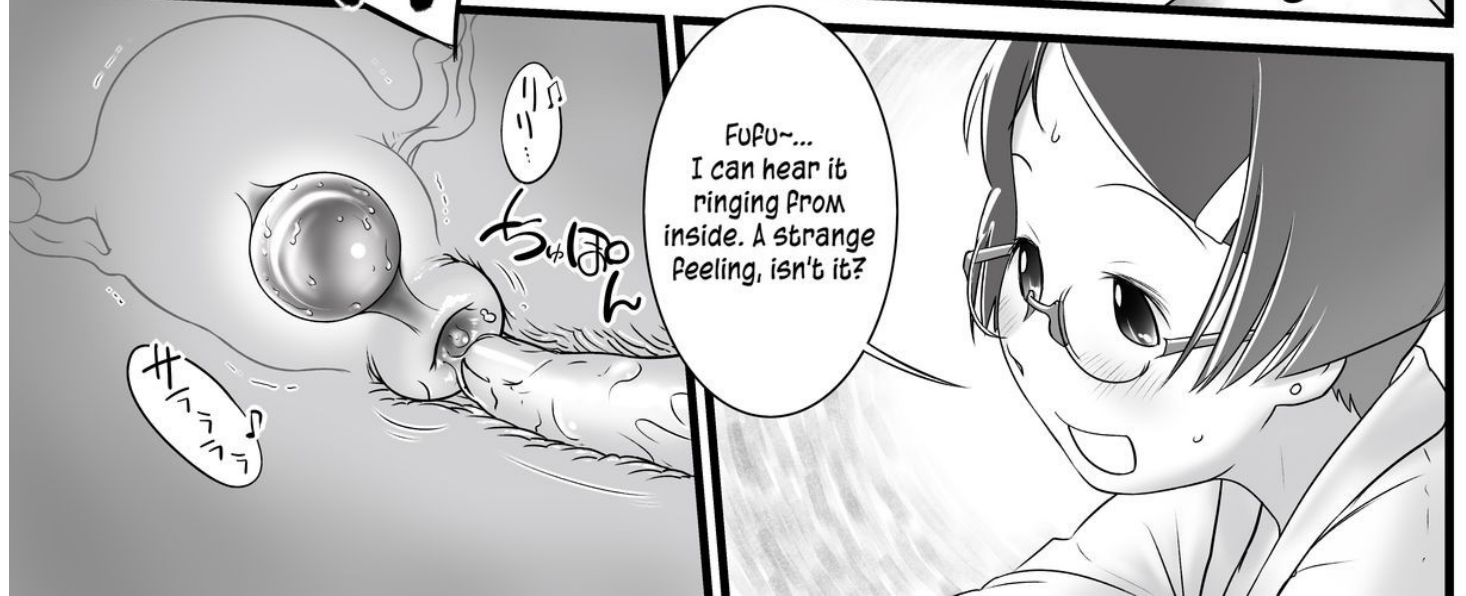

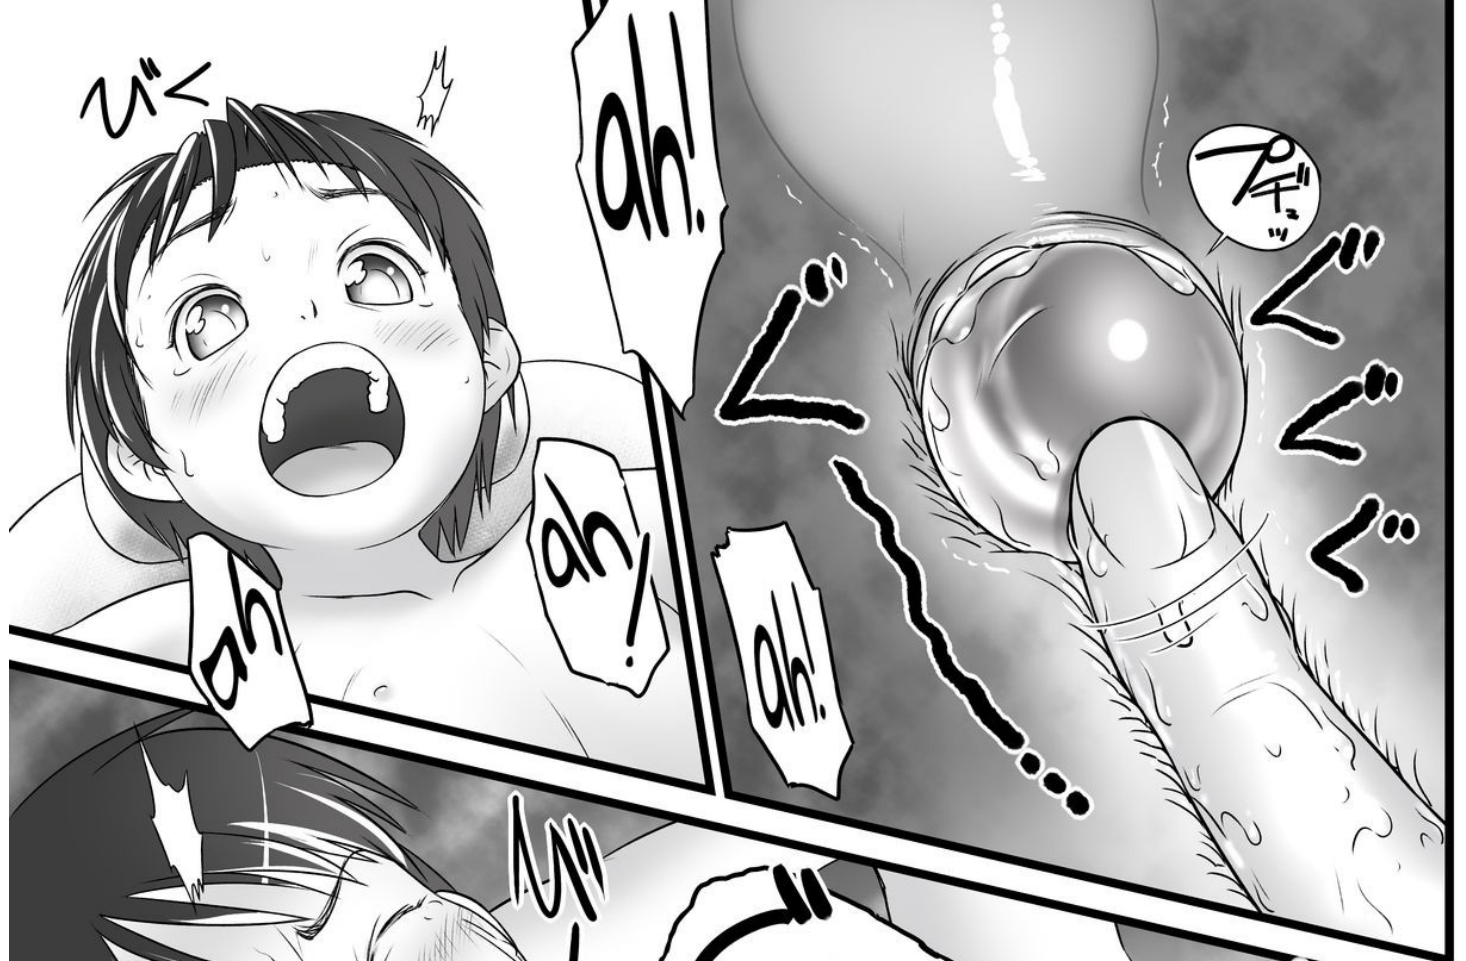

That's the face of a girl whose whole body is tingling with pleasure!

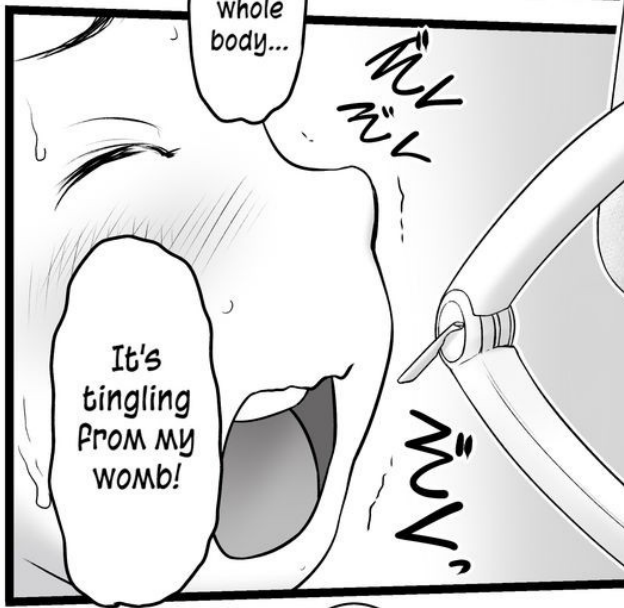

The ball's jingling... it...

it makes a W... sound... when...

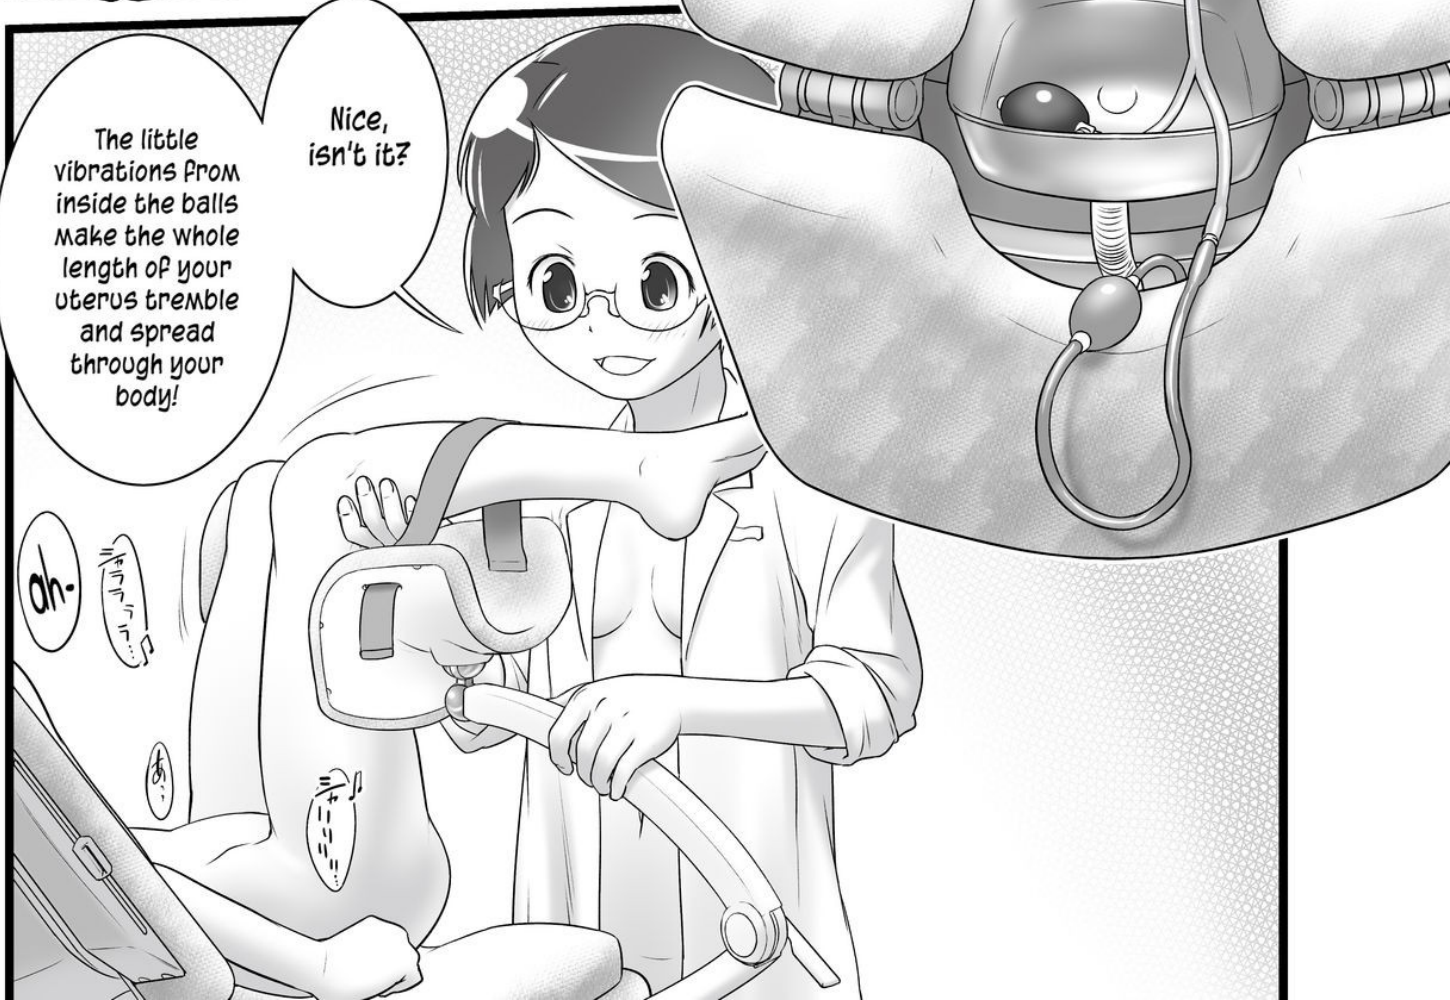

Ahn!

Ah!

My whole body...

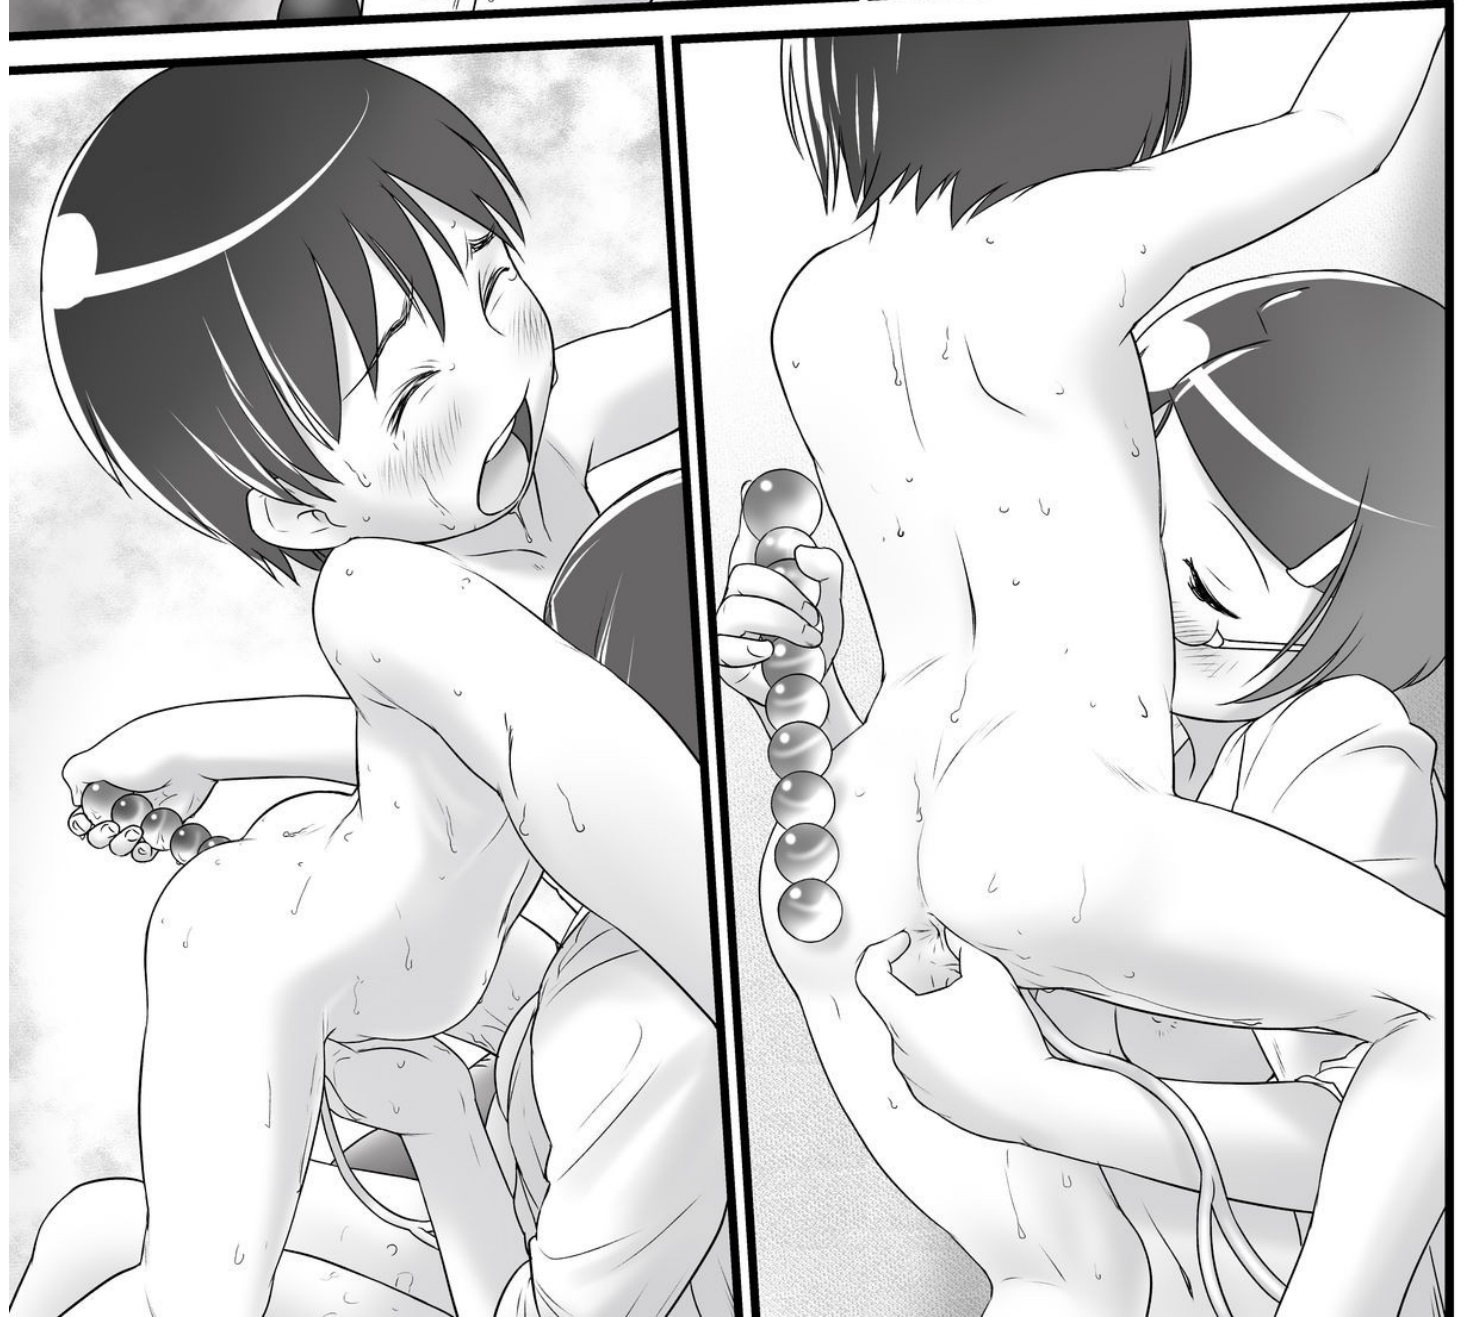

It's tingling from my womb!

The little vibrations from inside the balls make the whole length of your uterus tremble and spread through your body!

Nice, isn't it?

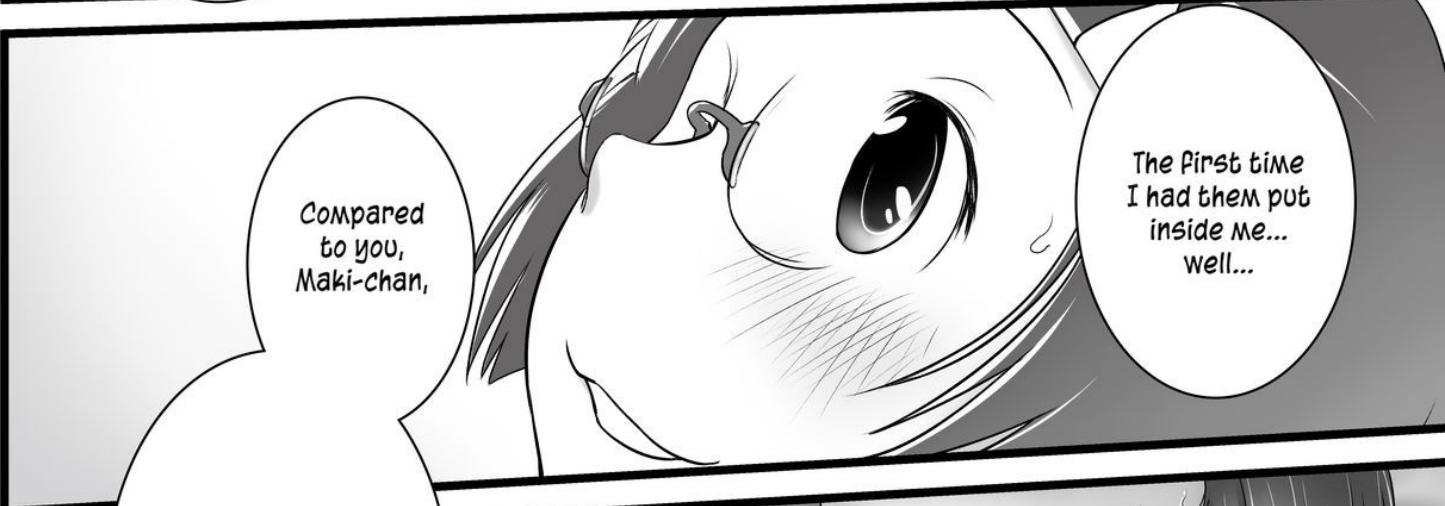

ah-

Made especially to go inside my uterus.

Those balls are a one-off item, you know.

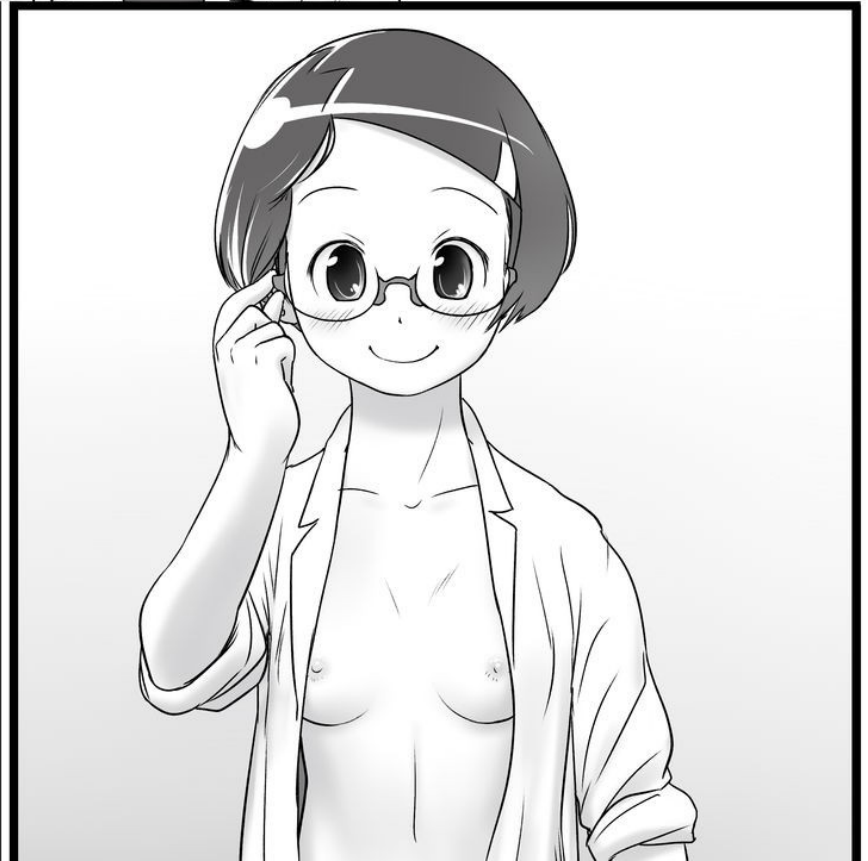

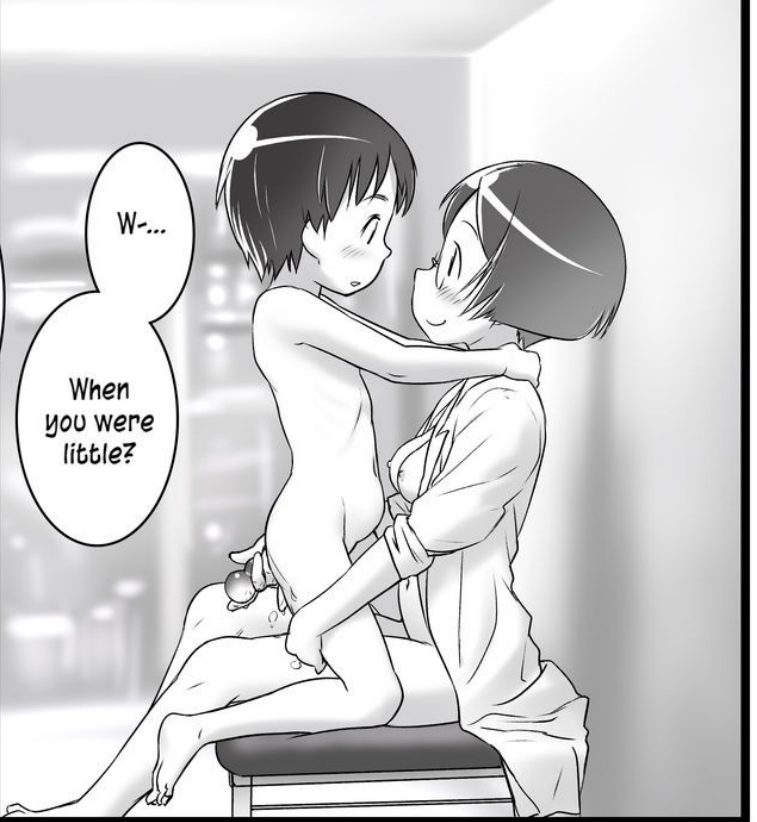

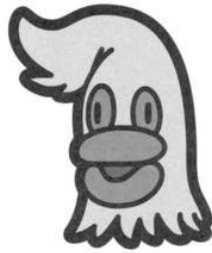

Compared to you, Maki-chan,

The first time I had them put inside me... well...

I was much, much younger.

Thank you very much for buying this wacky book

To the newcomers and to my regular readers both,
hello, my name is Ogu.

After somehow dragging on for half a year, I've finally got this out.

In previous works in the series, little by little, questions have been asked of Sensei of why she loves (most especially) urethral play, why she only ever wears glasses during sex, and so on. In the upcoming volume covering Sensei's past, all will become clear.

In honesty, I haven't thought about it much myself yet either.

The only thing planned so far is that the young Sensei is an elegant,
rich girl.

I was really going with the flow when I drew it, so just who is that at
the end?

To all the good children of Japan: Don't try to copy the things in this
book or anything! You'll die!

(The characters in this book are receiving specialised guidance from an
expert in the field)
