■ Afterword

Hello and nice to meet you for new people,
and for returning readers, thank you as always.
Tsuttsu here.

I have finally finished my 8th original BOOK!
(Since the one I released at Shimmusu! was so short,
I consider it a 7.5...)

Unlike usual, I didn't go with "uniform" + "peeing" this time,
but rather with "little sister" + "short pants" + "peeing".
Did you still like it?

A little sister who dresses loosely while she's at home...
That's pretty good, huh?

I think those moments where your legs GO NUMB
just as you have to go to the bathroom are
relatively common. Has something like that
ever happened to you?

It actually happened to me once while I was drawing.
It's no laughing matter (laughs).

Now then, the next event, let's see..
I passed to winter comiket with no problems!
Perhaps the two characters introduced here
will play a role in the next one as well, who knows.
Please look forward to it!

I have been given another chance to draw manga
for Comic Koh. I'll let you know on my BLOG and such
when I have more information, so please check those out.

Well then, let us meet in the next one!

-Tsuttsu

■ Tsuda Kanna-chan
A bitchy little sister.
Her grades don't
seem to be that
good, but is that
really the only reason
she asked her brother
to teach her...?
