The truth is, I was pretty surprised when he told me he was actually a developer of the game itself.

Shyuji-san here is a guy who was always really nice to me on an online game I liked to play.

In my heart, Shyuji-san has become someone very important.

Even in private, the two of us have gotten so close that we can speak about anything.

In no time at all, the two of us ended up in this kind of a relationship.

When he first said he wanted to meet up I was a bit worried but

Up until now, I've only seen you in your school uniforms are really cute. I've always thought school uniforms are really cute. school uniform but ...

Ehehe I'm glad.

You're already getting wet, aren't you?

This... Isn't sweat is it?

If that's what makes him happy then I'll be glad to wear one.

Just as I thought, school uniforms really do suit you!

Shyuji ... san?

Himawari-chan, I've been a bad adult ...

But even still, I...

At this point, I wouldn't be surprised if I ended up getting sued for this ...

When I first met you and we ended up having sex ...

You see, I've been a bad girl myself.

Huh ...?

SPLURT

I'd found myself a really nice cock ♡

I thought to myself that this time ...
