

You scums!

Don't you
dare come
near me!

Give it up,
ma'am...

No need to act
tough anymore

You're obvi-
ously terri-
fied now

Just let it
happen!

Don't fight
it...

And leave all
of it to us!

Hey!!

You can't do
this to me!

Why not?

What are you trying to do?

Didn't I tell you, I'm gonna strip you naked and rape you...

I'm being serious here!

After that I'm gonna kill and chop you up to pieces for real!

!!?

Eeh?

SPET!

YER BEAUTIFUL, MA'AM
DON'T BE SCARED...

YEAH GURL, JUST RELAX!

WHAT'RE YER
SIZES, MA'AM?

REMAS!

Aah!?

Surrender your
body, woman!
