

Atsushi-kun.

Mhm.

I told my parents I'd be staying at a friend's house tonight.

Ehehe...

Mm... Kyushu, I think..?

So where are they gonna go?

You said your parents are going on a trip...

Anyway, you sure everything's okay on your end, Muuko?

Come

Excuse
me...

...Muuko?

You're not thinking about something weird, are you?

But-

I mean-

I can't help it...

Stare...

So ever since you told me I could come over today, I've...

But we've never really had the chance to do it...

It's been three months since we started going out, you know...

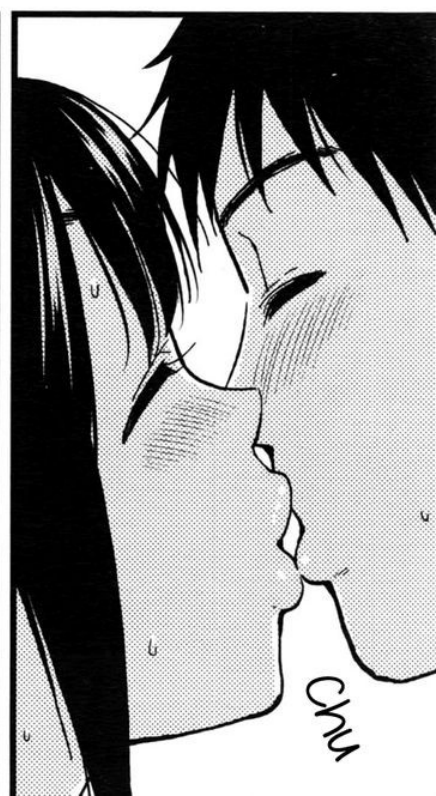

We... haven't even eaten yet, but...

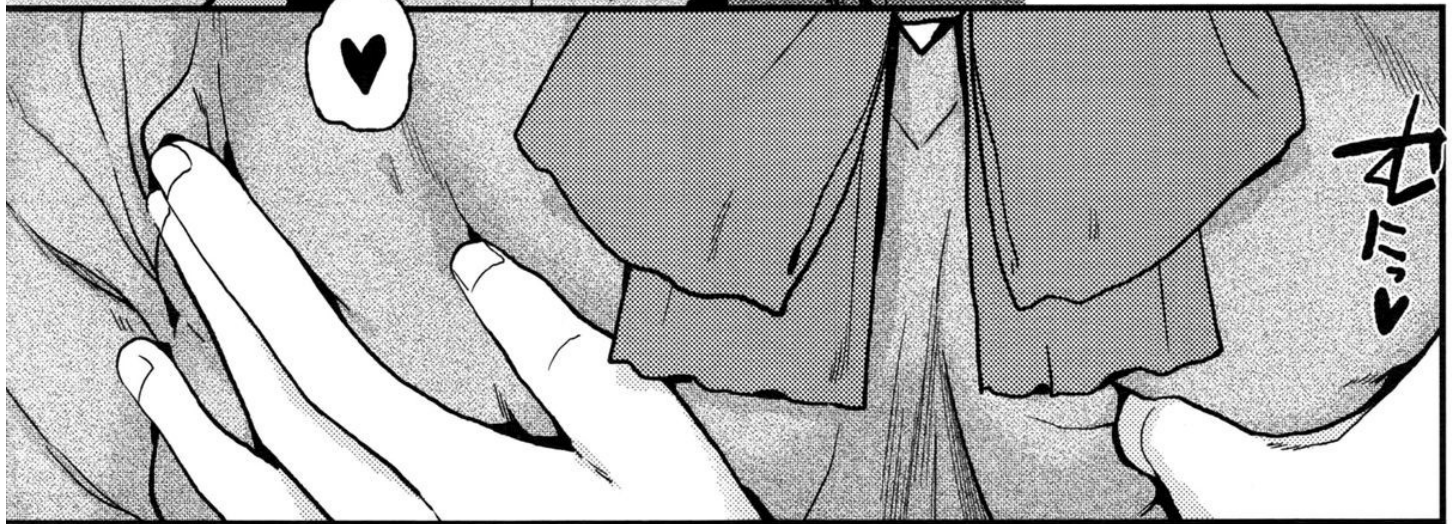

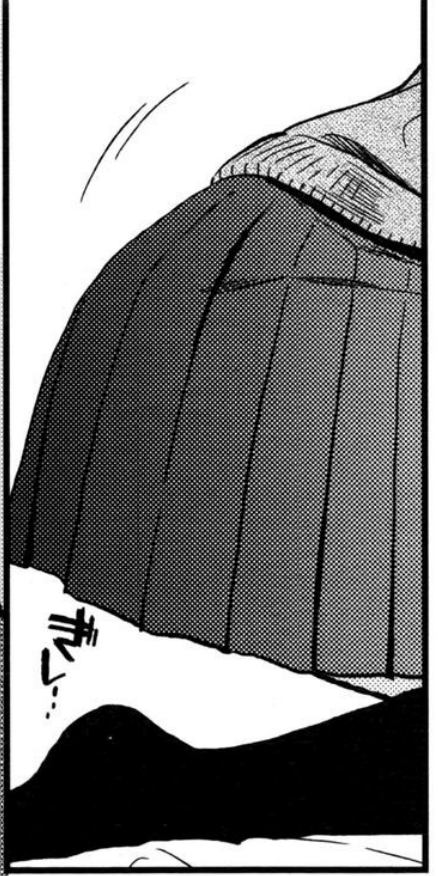

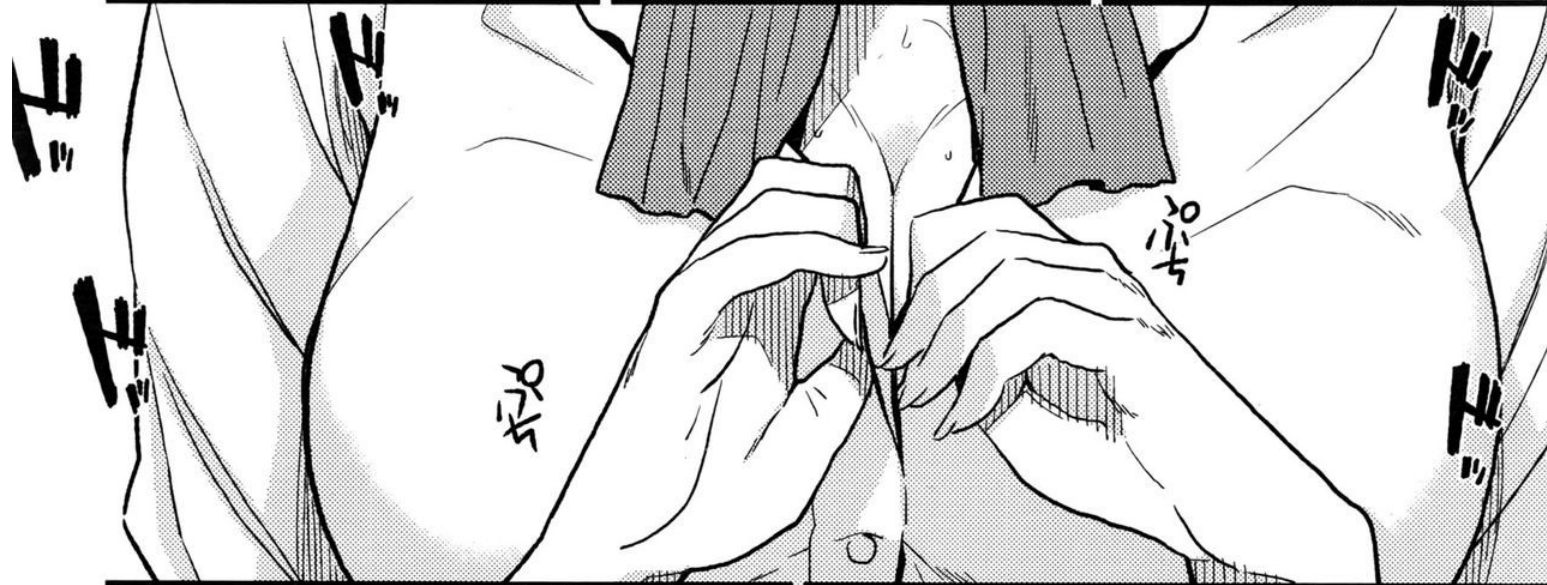

Muuko...

Yeah.

Go ahead. ♡
