

This tea is really delicious, you should try some.

Eeh? I wonder why...

The taste's somewhat peculiar.

もぐ...

坊ちゃまの相棒メイド おめちゃん

What are you doing, Roland!?

Yum.

It seems you're in dire need of strict guidance.

To top it all off, you even stole food at your beloved mother's tea party!

You're neglecting your studies and as if that wasn't enough, you even harassed your last tutor.

I'll be in your care from now on.

I'm pleased to meet you, Young Master Roland, my name's Tanya.

The newly appointed tutor maid I hired, Tanya-kun, will teach you thoroughly.

I'll get her fired in no time as always.

Hum.

Can't you even solve such an easy problem?

You're so smart, Tanya, amazing.

Just thinking about what's to come is giving me a headache.

And here I was thinking all your nutrition went right into these.

Eh?

The maid she replaced quit her job on her own over this, so stupid.

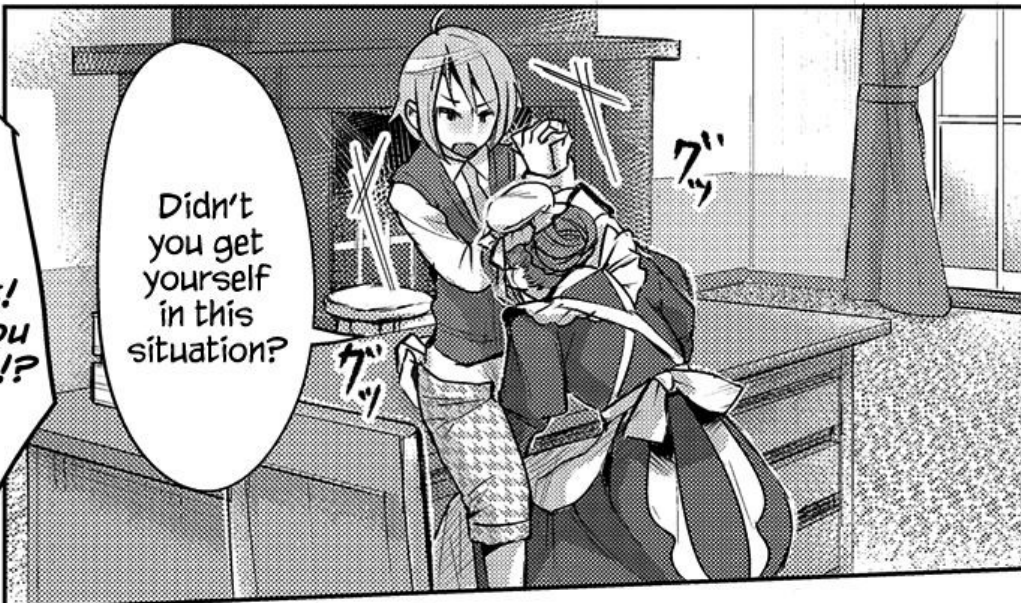

Wha...!
What
do you
think
you're
doing
...!?

This
bitch's
crazy
strong!

I
see.

I-I
didn't!
Are you
stupid!?

Didn't
you get
yourself
in this
situation?

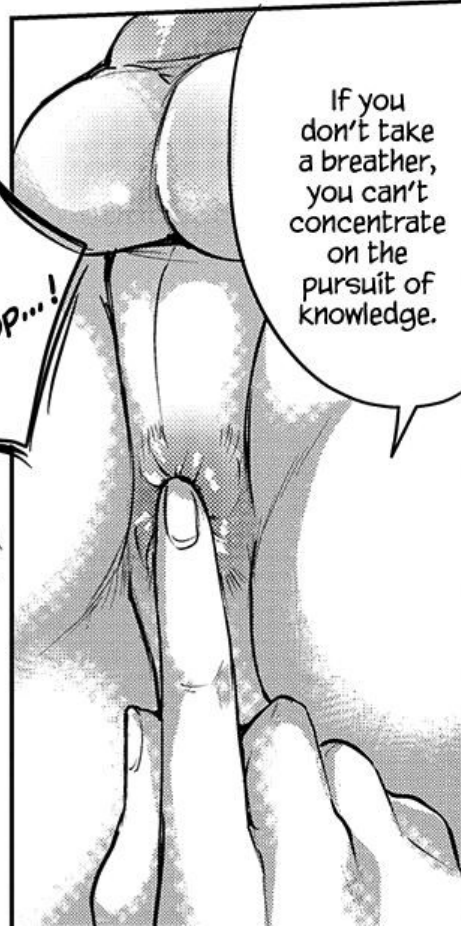

It's your
anus,
are you not
acquainted
with it?

That's
now
what I
meant!

What
do you
think
you're
touching?

If you
don't take
a breather,
you can't
concentrate
on the
pursuit of
knowledge.

This... what is this...?

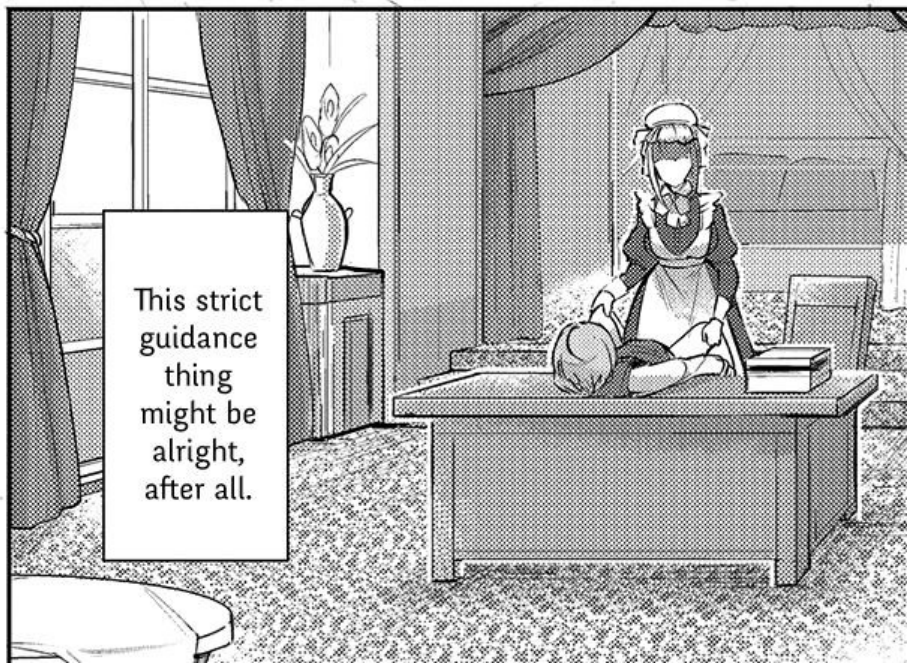

Uwah

It feels kinda good...

Alright, now it's time to administer your punishment.

This strict guidance thing might be alright, after all.

Huh?

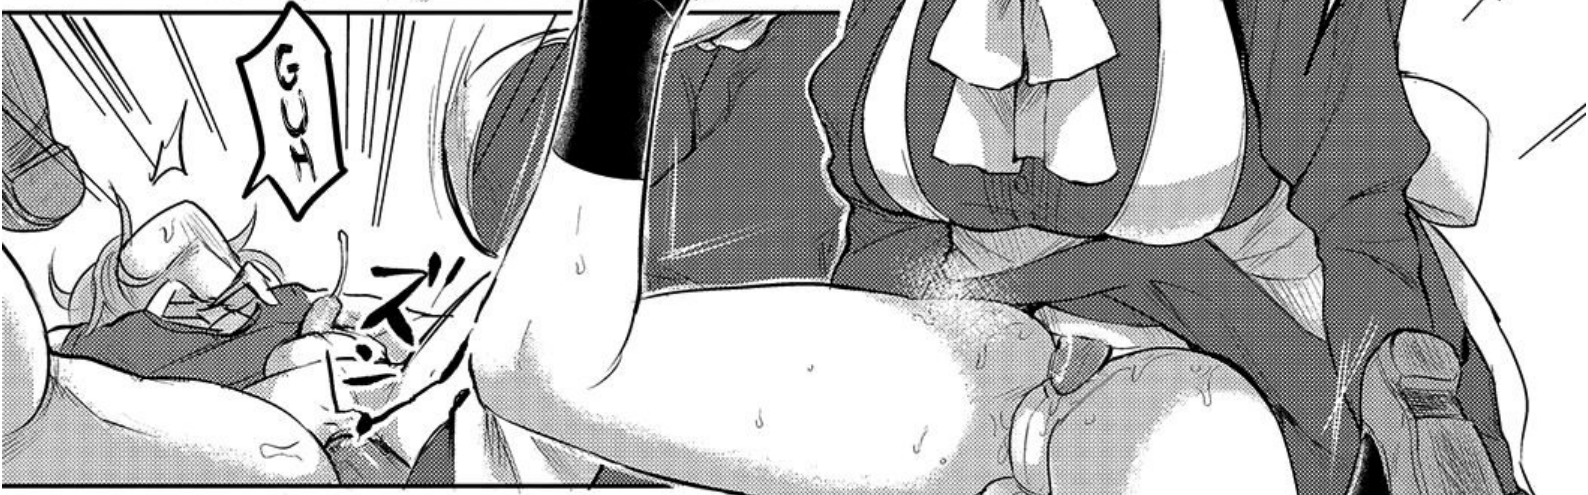

*W-why
do you
have
a dick?*

W-wait...

I will
not be
answering
any
questions.

It is
now time
for your
guidance.

I'll definitely have him fired...

グズ...

Do you understand?

I... Tanya lied about her identity! He's a man!

My, what's with all the ruckus?

Stop spewing absurd accusations and get the most out of her tutoring.

And she's quite the excellent maid.

What are you saying, she has such an ample bosom, doesn't she? Even I'm envious of her.

Father! Mother!

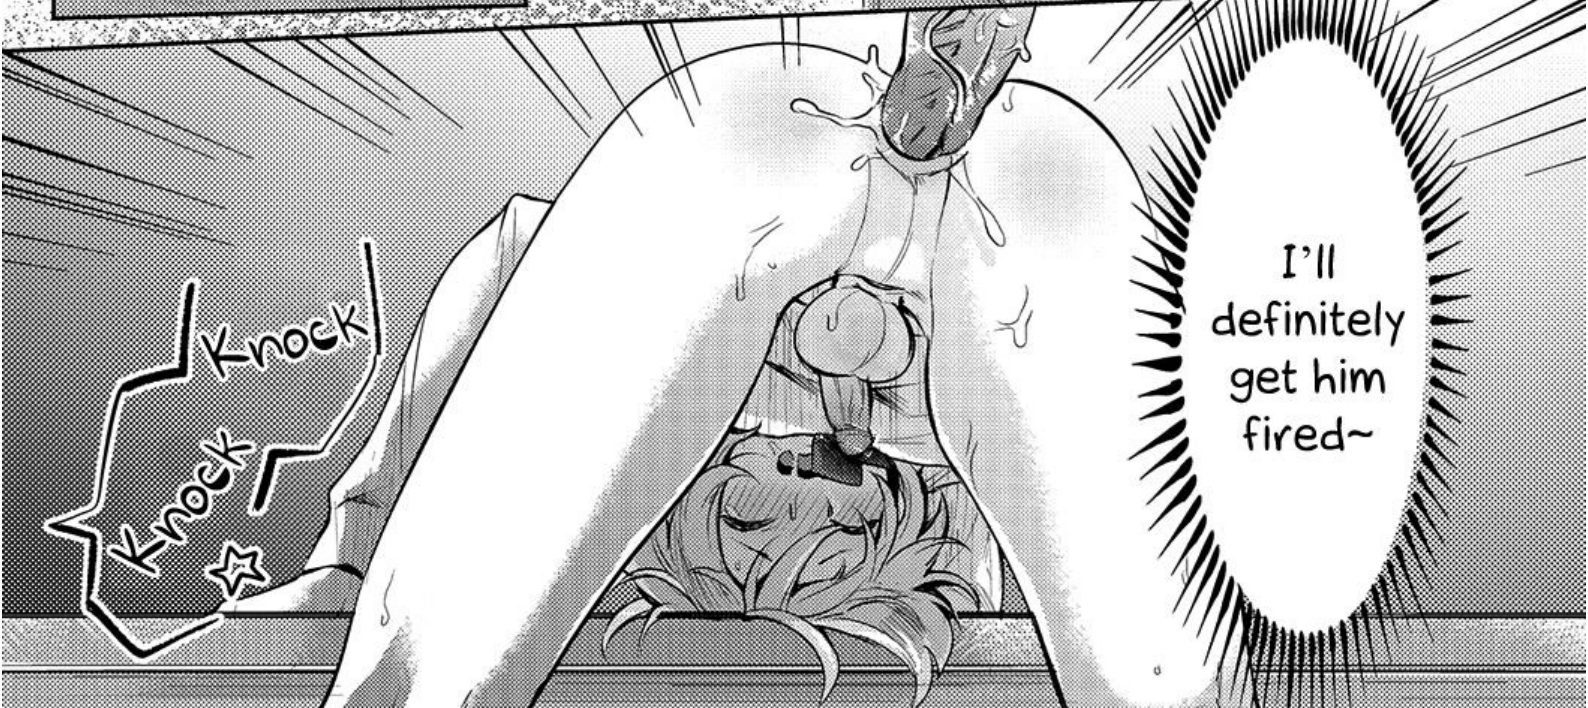

Even though you know what punishment awaits; I can't believe you...

I see you neglected your homework once again.

Damn it, this is bullshit...

I think a dog might really be smarter than you.

I'll definitely get him fired~

Oh my, sitting on her lap? You're getting rather spoiled, huh?

ズ...

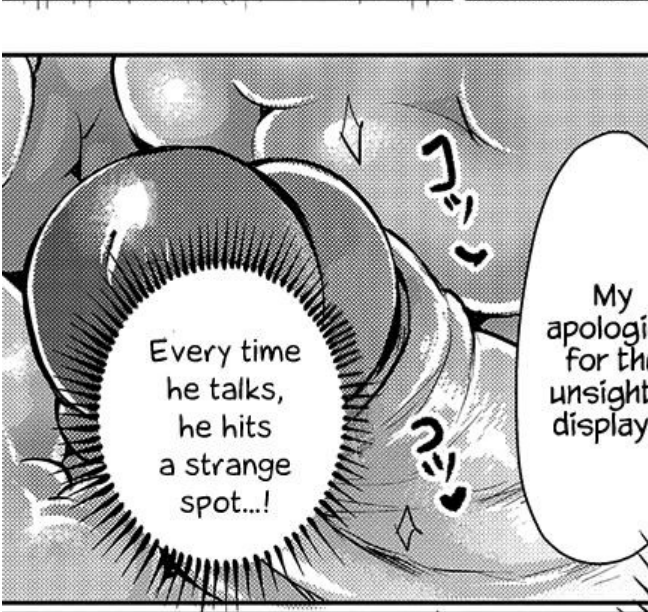

you could have asked me.

I brought you some tea.

It's alright~ I like doing it, after all.

Madam,

Every time he talks, he hits a strange spot...!

フ...

?

My apologies for the unsightly display...

The Young Master seems to concentrate better like this.

How can I concentrate better? You bastard~

Yes, I'll guide him the best I can.

You may do as you see fit. I'll entrust him to you, Tanya-san.

Your hole down there seems to want it very badly.

Hush-hush

Hush-hush

Having the Madam look made you excited?

It didn't!

Alright... I'm going to move now.

I'll have to think of other methods.

It seems this will no longer work as punishment...

W-wait!

You're sticking to me as if saying "Don't get out of me~", you know?

W-wait...

Rrrrr

I won't reward you for that kind of attitude.

Don't pull out and finish what you started!

I'll...

I...

No way...

I'll be good, so please, don't stop.

I'll study properly...
And I promise to stop the pranks...

Since you promised to study of your own accord...

this will be the first time I reward you.

Really, your begging is the only remarkable thing about you.

But...

AAAH!

Yes.

Does it feel good?

Tanya's dick... is hitting against me so much...

Let's study proper speech, how good does it feel?

It feels so good it makes my head... go numb.

Well said.
