It was midnight.

Thank you very much
for accessing
mesuichiba.com this evening.

You will doubtless find the product
you are searching for here at our site.

はい!

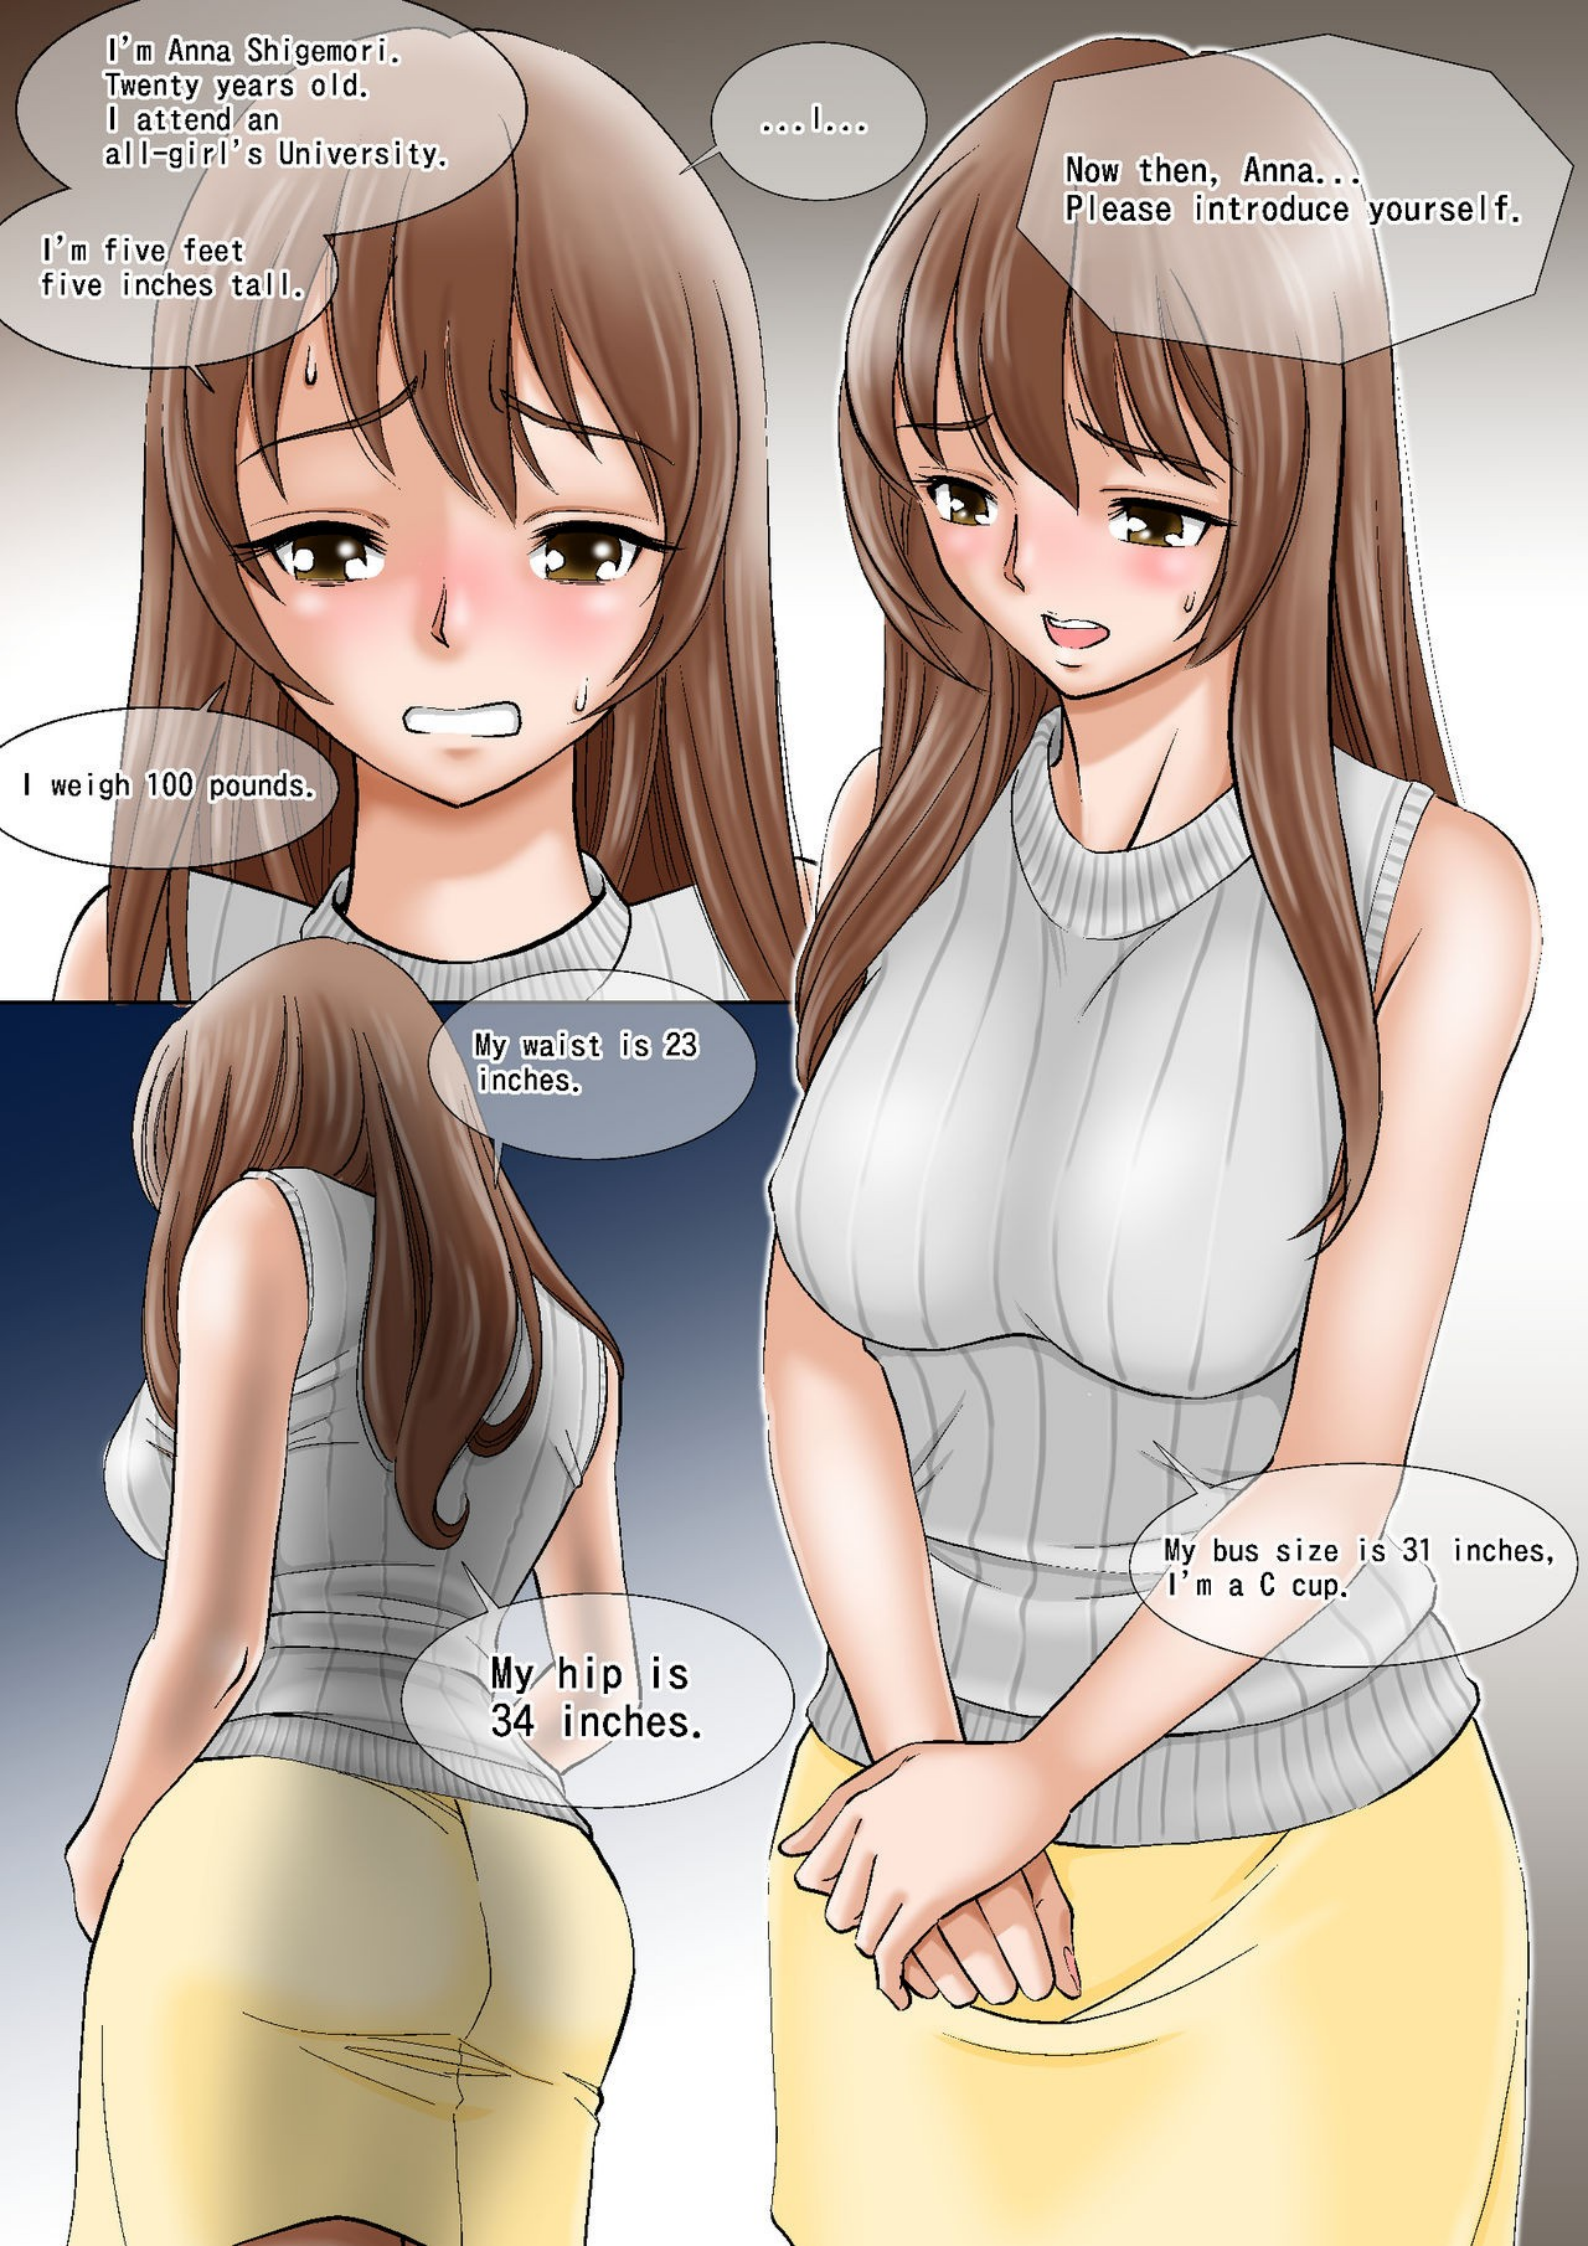

Now, let's start
from here this evening.

女性 Bazaar

Product number 1
Miss Anna Shigemori!

I'm Anna Shigemori.
Twenty years old.
I attend an
all-girl's University.

I'm five feet
five inches tall.

...I...

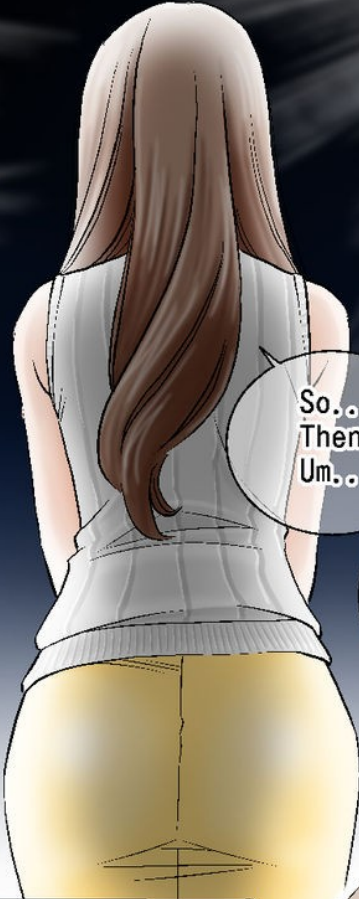

Now then, Anna...
Please introduce yourself.

I weigh 100 pounds.

My waist is 23
inches.

My hip is
34 inches.

My bust size is 31 inches,
I'm a C cup.

The reason I applied here?

All right!!
Thank you very much!

That's a very ordinary,
boring reason, hm?

So...
Then...
Um...

Oh... Um...
I used my credit card
a little too much...

By the time I realized,
it was going to be
really impossible
to pay back...

What's the matter,
Anna?

Please,
take your clothes off.

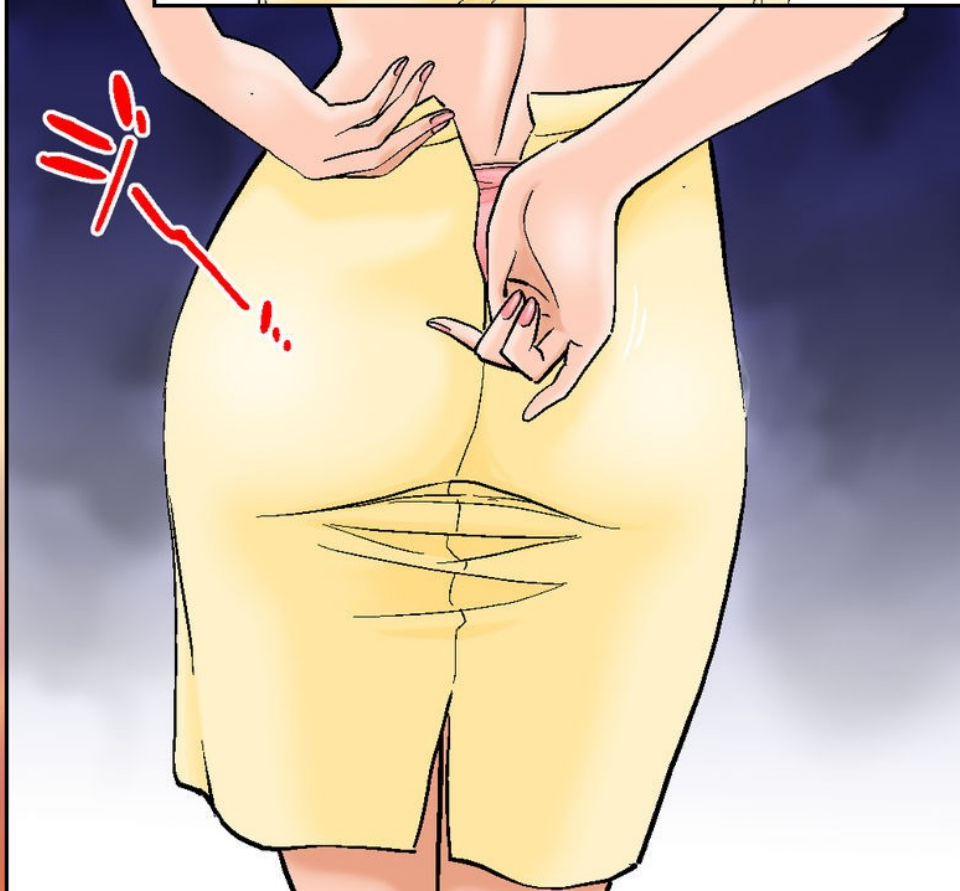

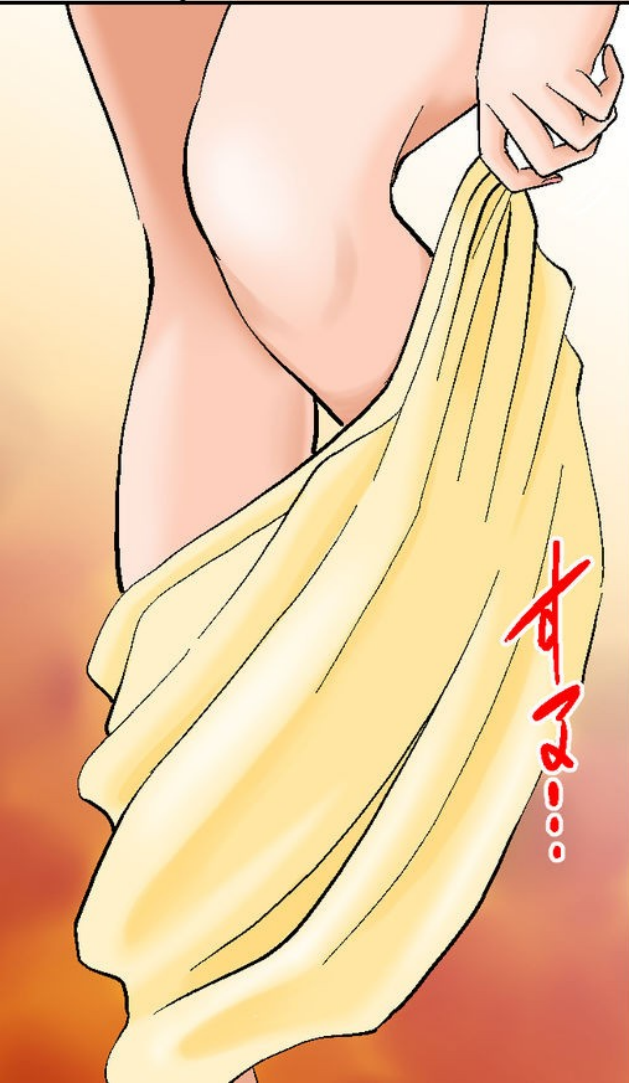

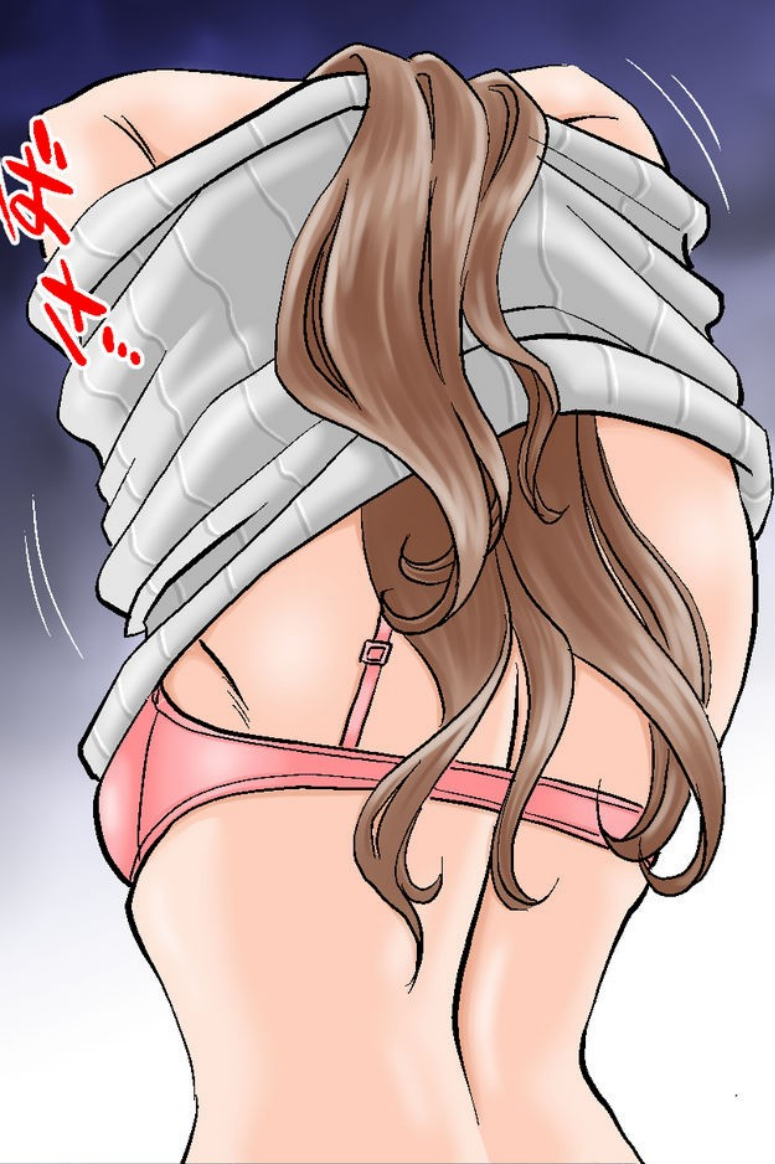

....Oh?

Well, then, it's about time
for you to start
taking off your clothes,
don't you think?

Now, now,
if you don't, how will
you pay back your credit card?

あ...?

あ...?

あ...?

Come on, Anna...
Move your hands.

You have to let our customer see,
right?

.....

あ...?

あ...?

あ...?

あ...?

Oh, there we go.
Now, those are some lovely breasts.

They're firm, they have a nice shape.
I can't say a bad thing about them!

Are you really sure your bust size is 31-inches?
Are you sure you're a C cup? Because it
looks like you're a little bigger than that.

I feel like your butt's a bit bigger than you said it was, too.
I think we could say that
you've got just the right amount of jiggle.

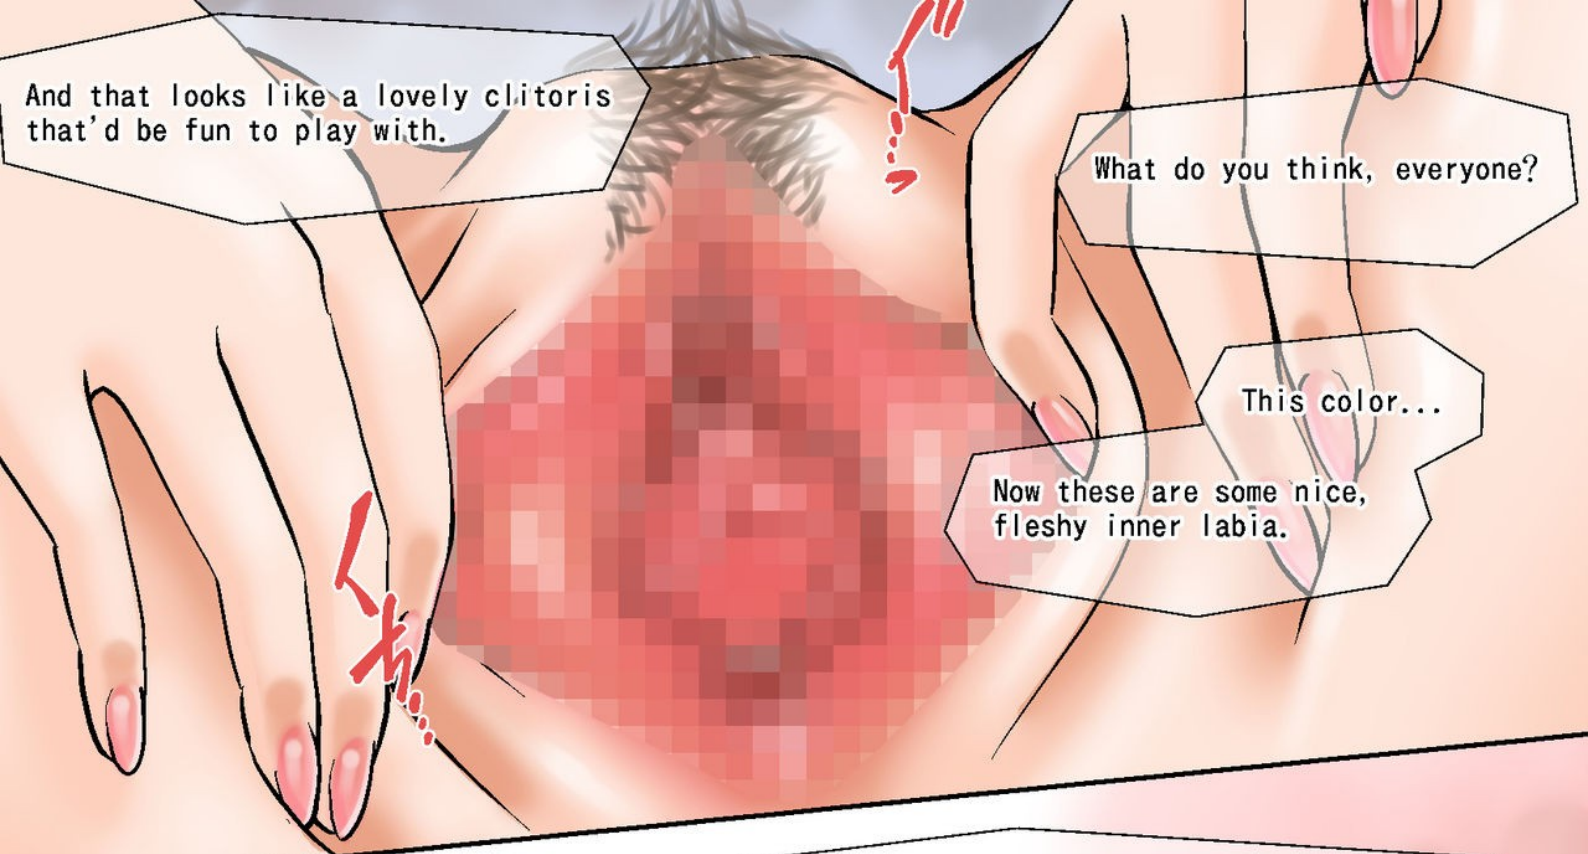

And your hair is completely natural,
but it's still a fairly light color.

Now let's go into the
smaller details.

All right, Anna.

If you please.

And that looks like a lovely clitoris that'd be fun to play with.

What do you think, everyone?

This color...

Now these are some nice, fleshy inner labia.

The smell is pleasant and not strong at all. You must live a healthy, worry-free life.

And that puffy little anus sure is cute!

These are just so soft,
it's like they'll stick right to you.
They're like a little baby's cheeks.

Looks like that clitoris has some real blood flow.
I bet it's real sensitive, even though it's so small.

Ah...

Well, now,
how about we see how it tastes?

Oh? What's the matter, Anna?

Looks like you're a little slippery down there.

Ah... N...

You can't... not there...

Hm...

Now this is a incredibly mellow flavor.

And yet, it's not too strong.

The aftertaste is very fresh.

Don't tell me you're going to come!

I...

I can't...

Is that all right?

You're going to come with all of the customers watching you?

I think this really has shown the customers
just how sensitive you are.

Oh my goodness!
How shameless!

Anna, did you really come?

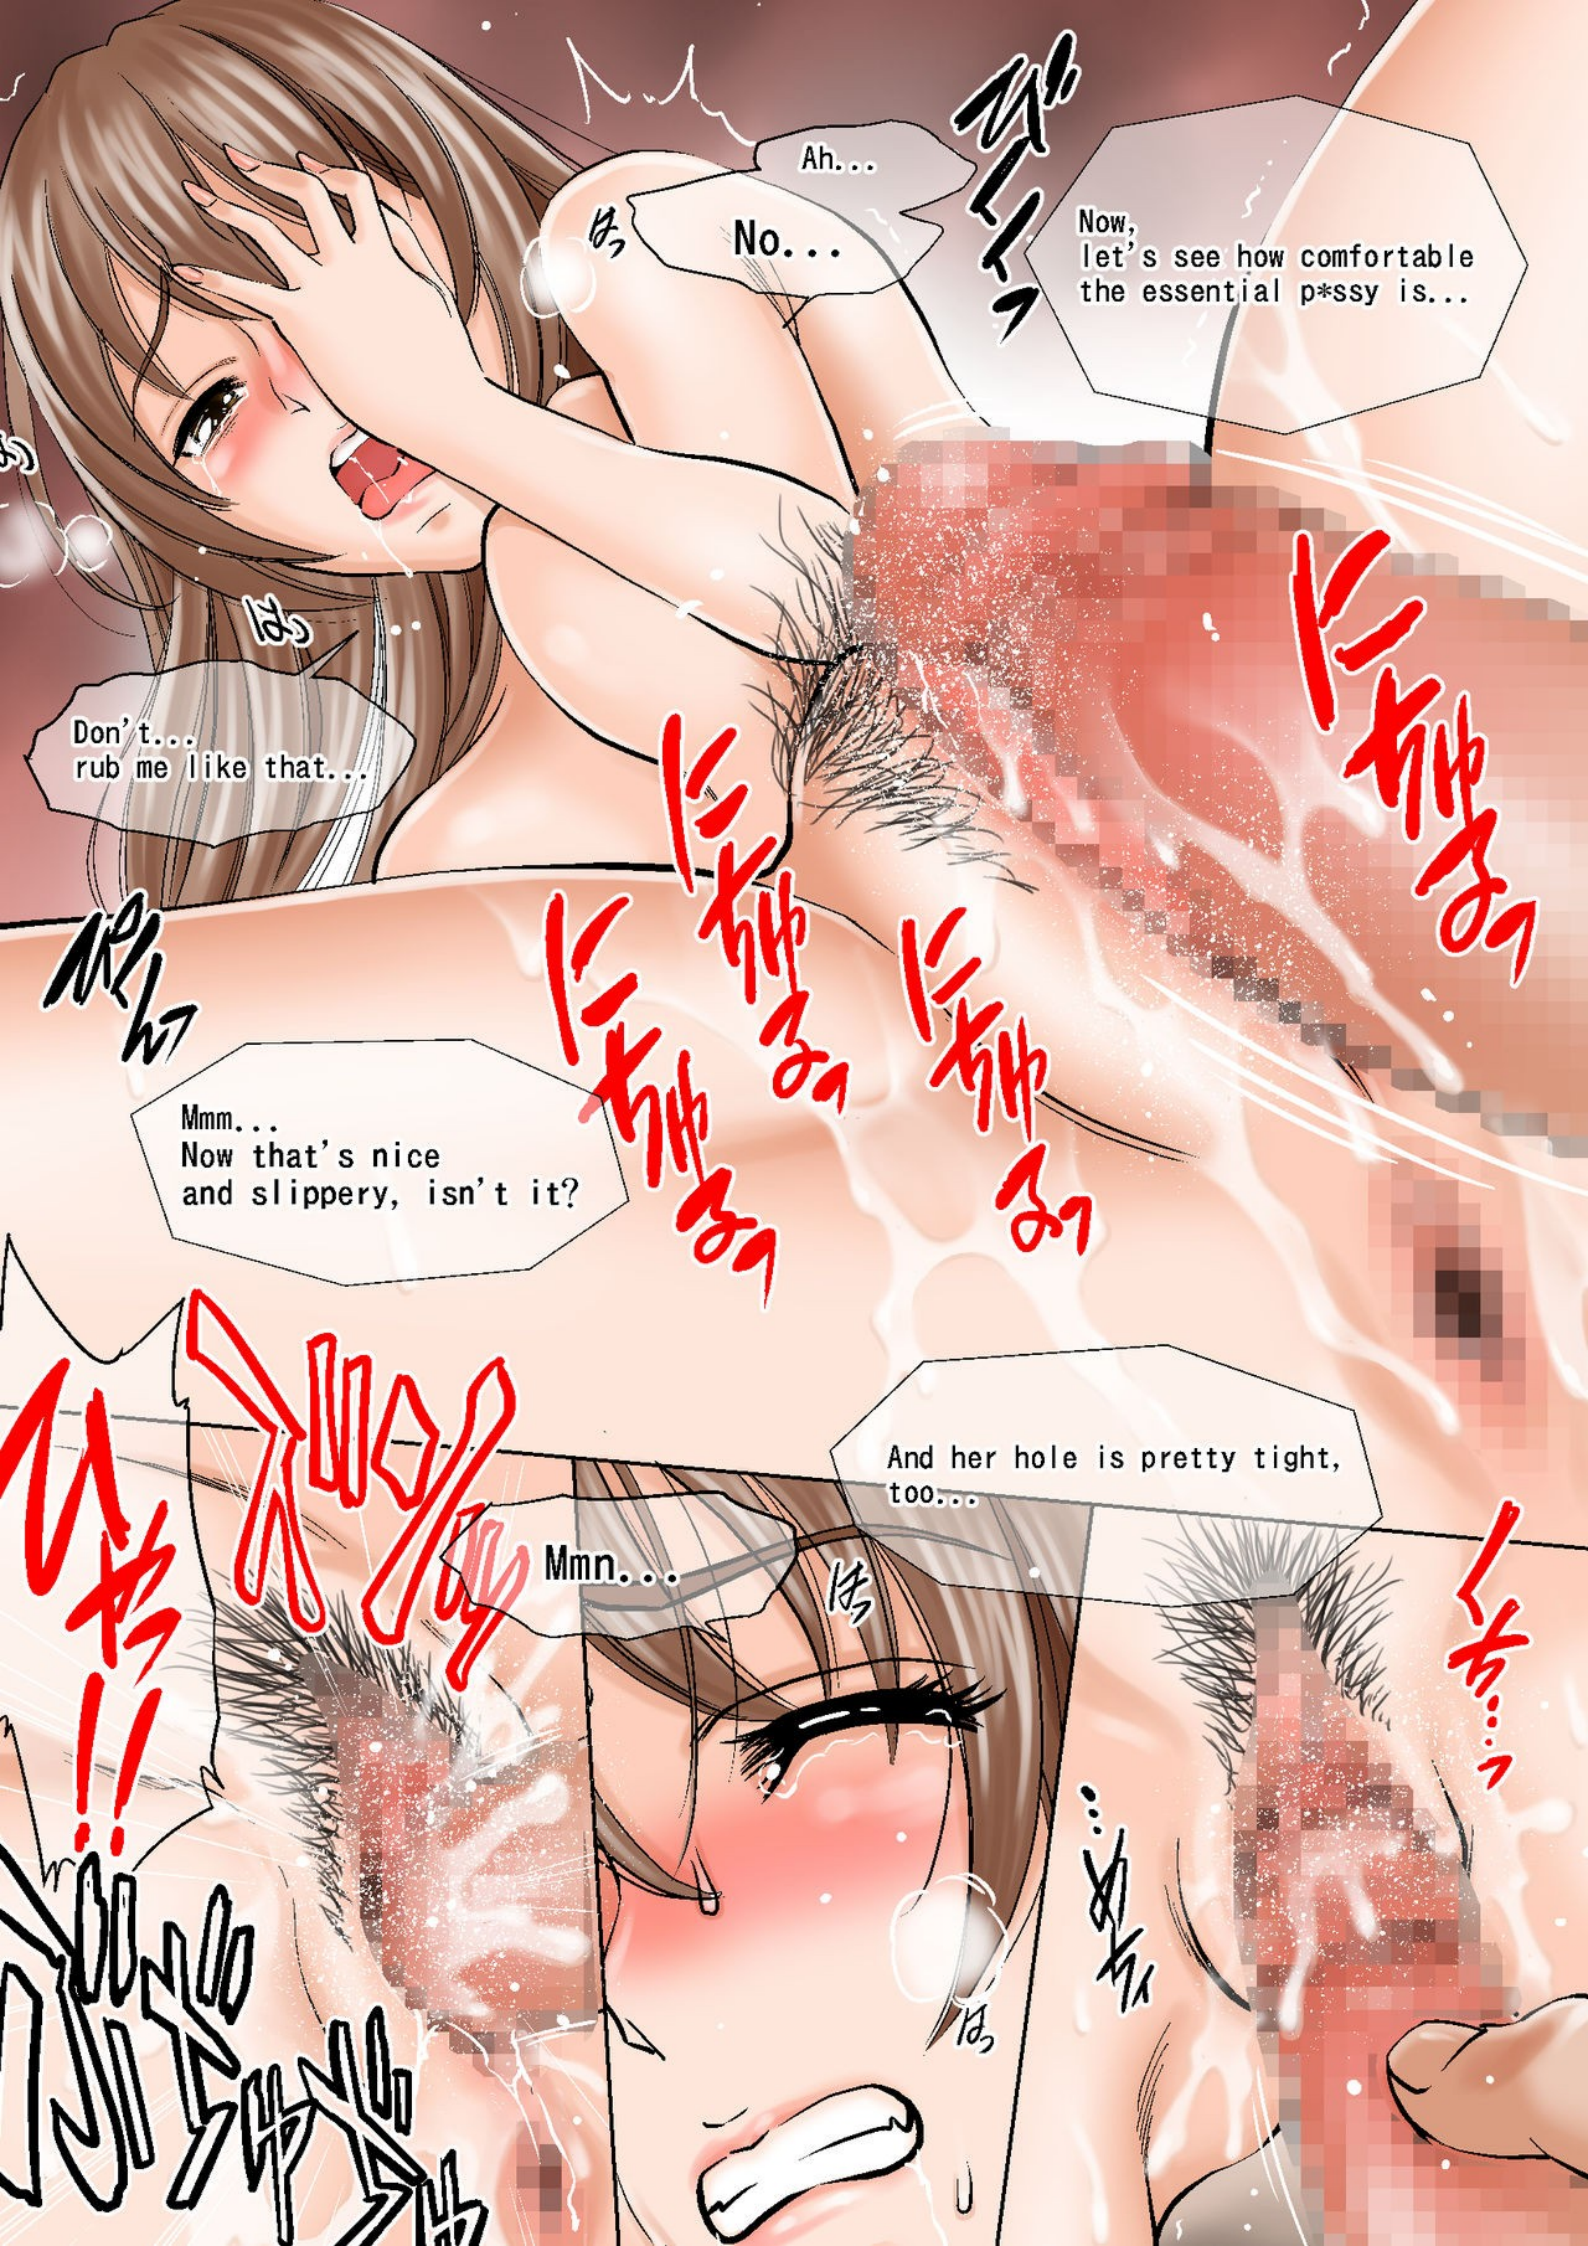

But now I think we should show the customers
how the product is to be used in real life.

Oh... Now this...

This is some real nice
tongue action.

It feels like you've
learned it from someone!

Ah...

No...

Now,
let's see how comfortable
the essential p*ssy is...

Don't...
rub me like that...

Mmm...
Now that's nice
and slippery, isn't it?

And her hole is pretty tight,
too...

Mmn...

No, not—!

Ahh...

Oh... Yes,
now this really is nice in here.

The interior feels
like a gentle embrace around me.

It feels like
it's just getting tighter and tighter.

This is just a
great sensation.

And here we have the highest quality product,
the inner labia!
They stick to your penis and just won't let go!

Ah...

...No.

Look at this.

Are you seeing this
on your screen?

They're seeing
it going in...

And if we turn her around,
we can somehow...

...feel
the kiss of her cervix on
the tip of my dick.

Oh no...

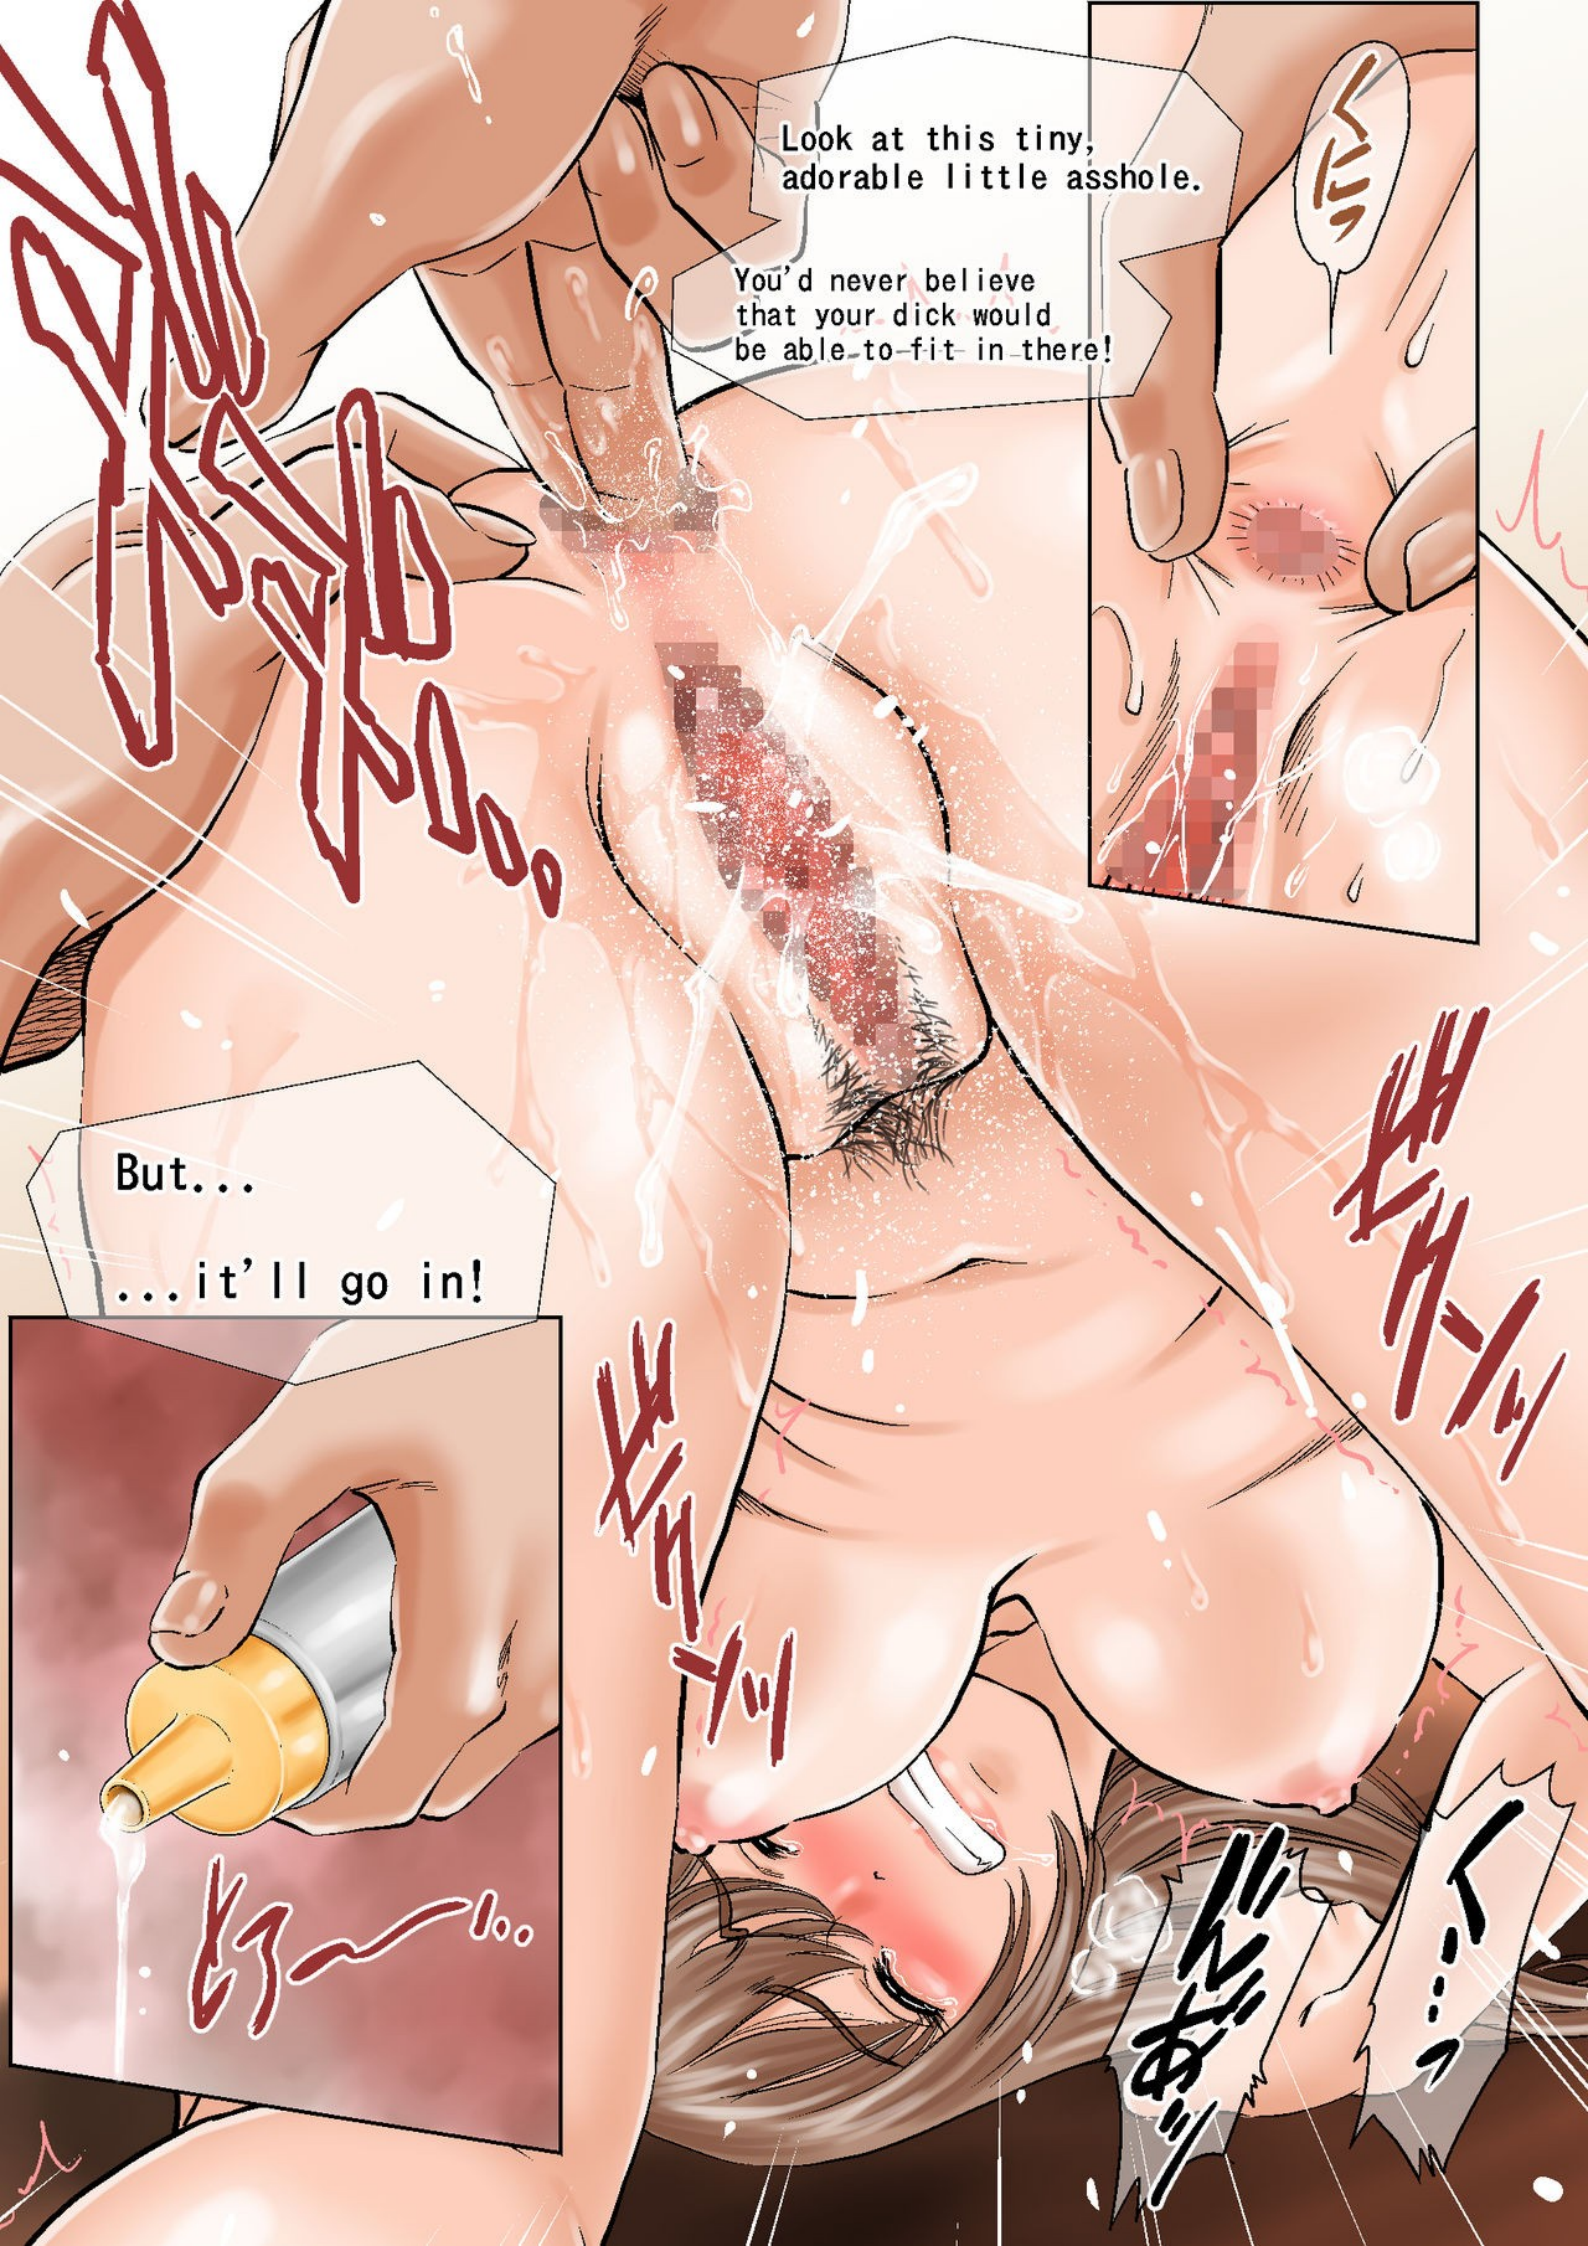

If I keep this up,
I'm going to be the one coming!

Now, everyone, don't be too surprised...

...though our Anna looks very quiet...

...her ass is also available for use!

Look at this tiny,
adorable little asshole.

You'd never believe
that your dick would
be able to fit in there!

But...

...it'll go in!

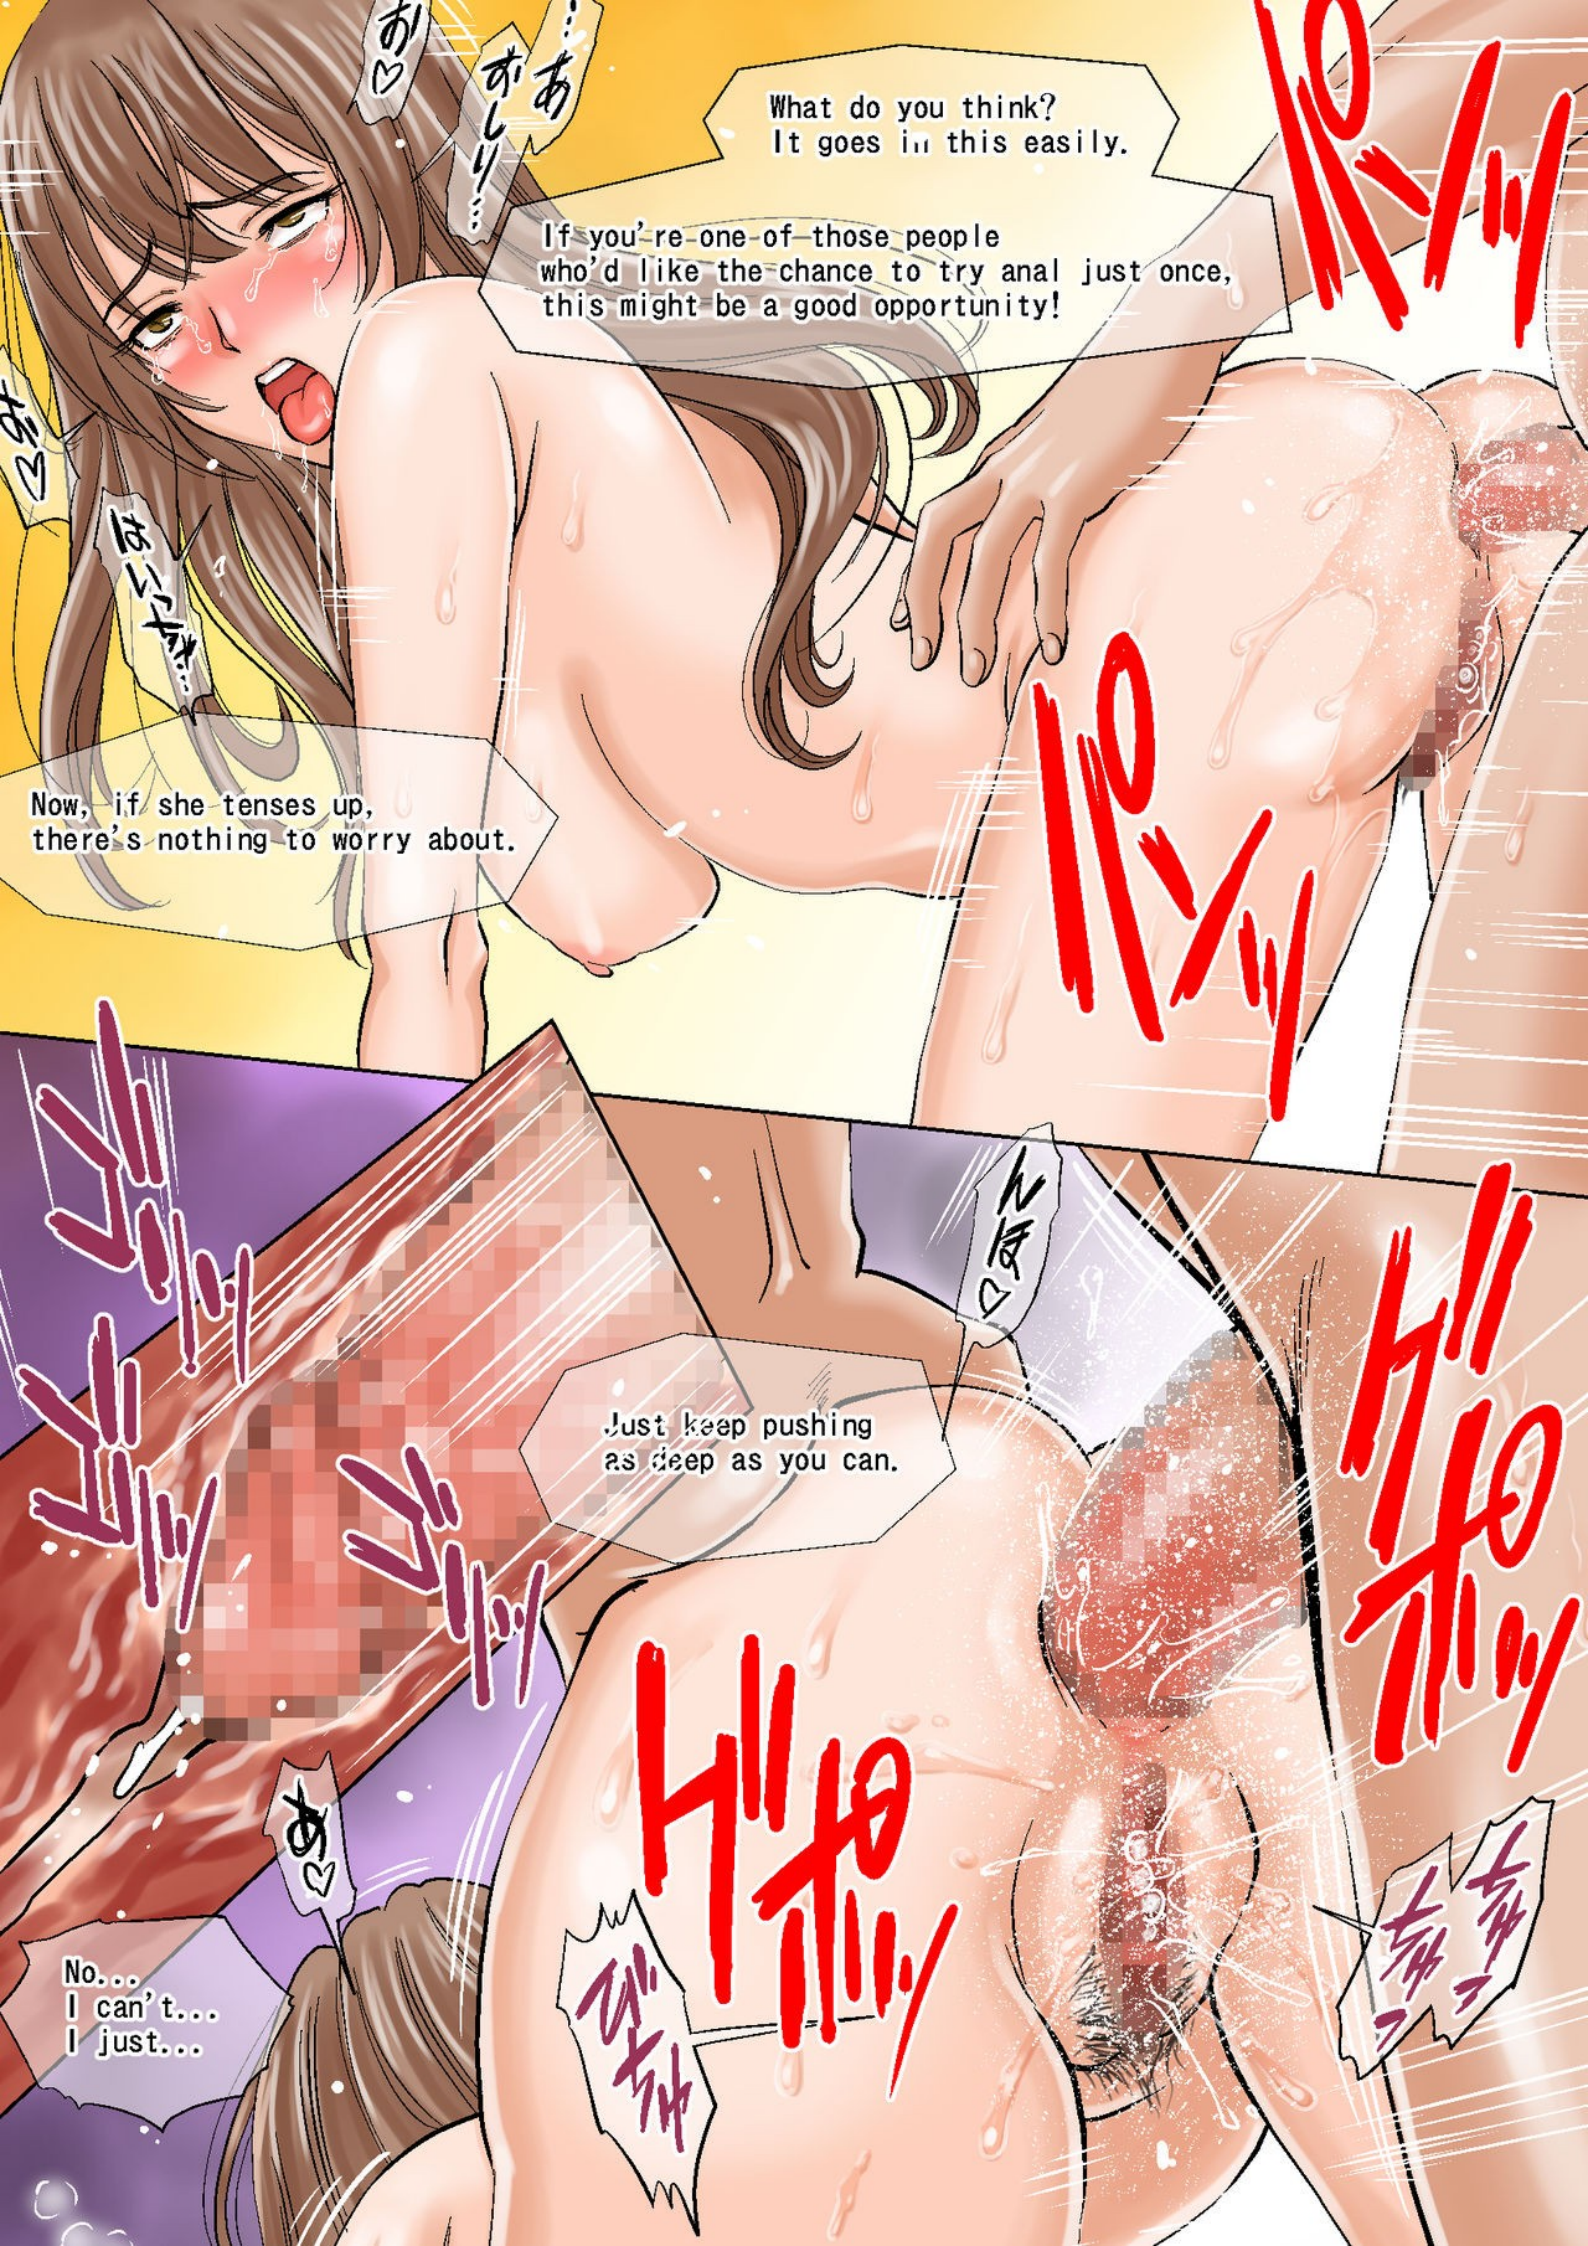

Now, if you use your finger to really rub and stretch her out...

...you can start to use your dick.

Let's just shove it in, all in one go!!

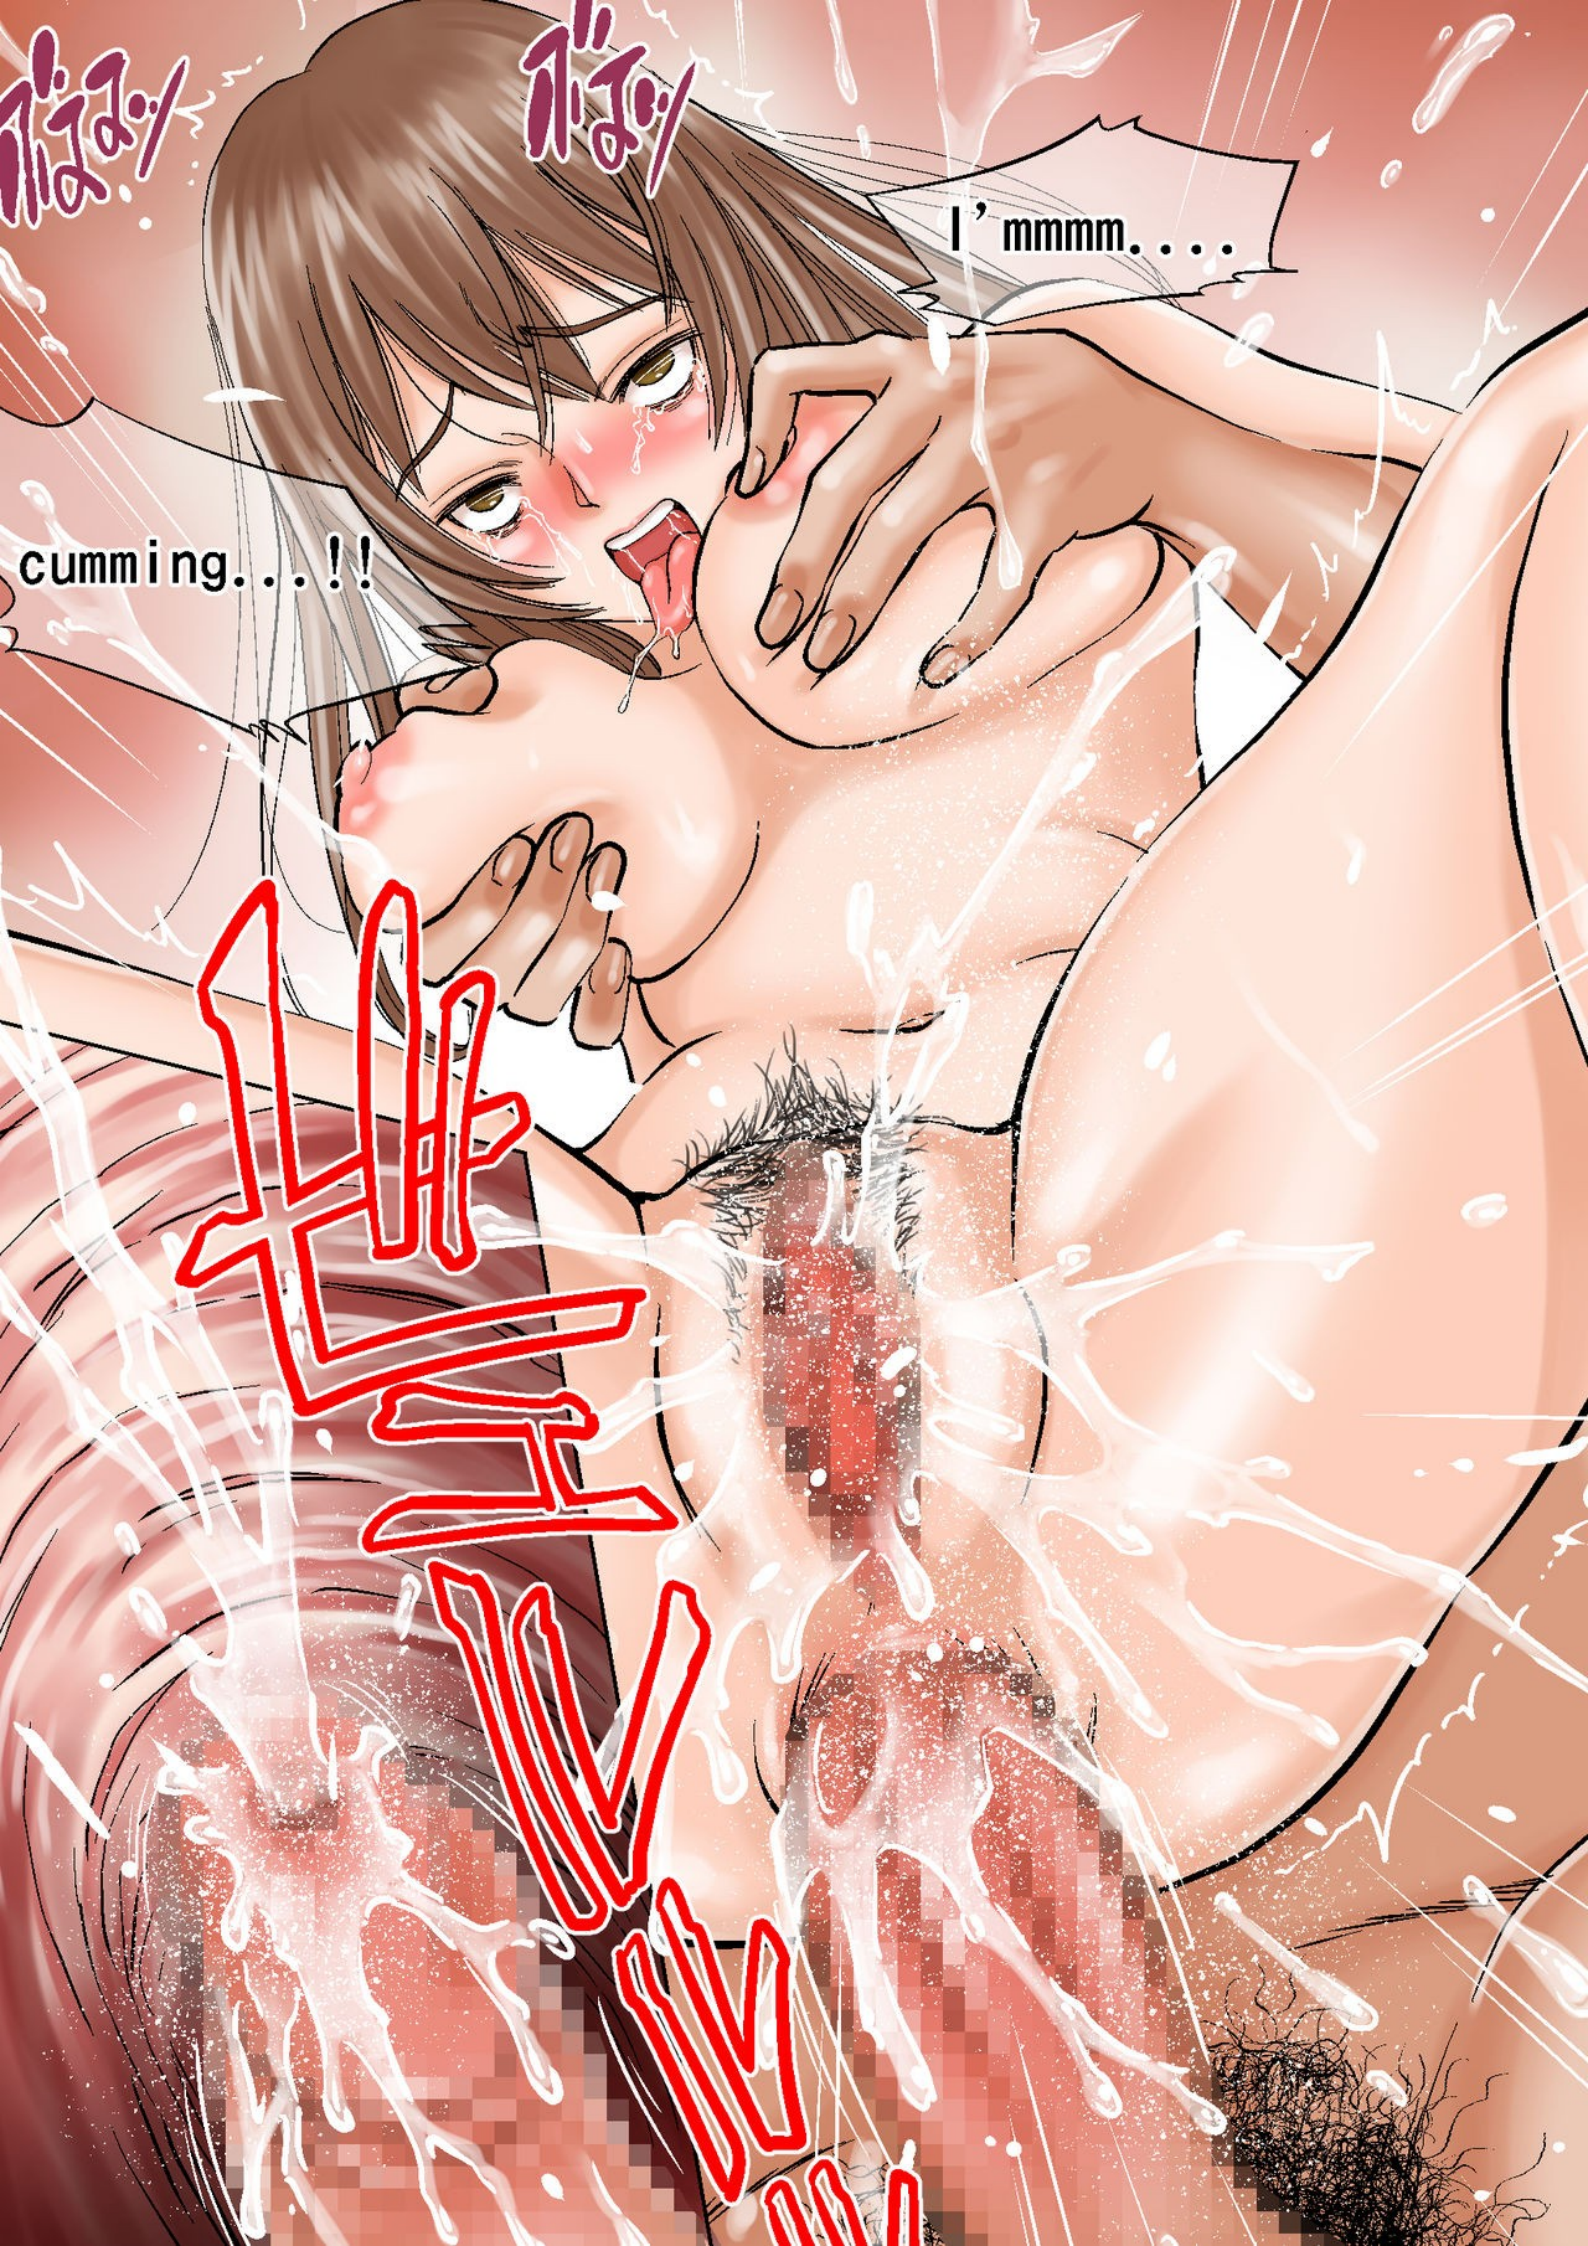

What do you think?
It goes in this easily.

If you're one of those people
who'd like the chance to try anal just once,
this might be a good opportunity!

Now, if she tenses up,
there's nothing to worry about.

Just keep pushing
as deep as you can.

No...
I can't...
I just...

世に

I' mmmm....

cumming...!!

And now let's have a few words from Anna herself.
