May I take your order?

One order of... one order of...

!

Sir, is there a problem?

Ah?

S-Sir, please stop! This sort of behavior will bother the other customers ...

Mmm, oh come on!

Hey, you're cute, aren't you?

Can I get your naughty juice too?

I'm taking number two (short break)!

Okay!

.....

Yes, sir. It'll be here shortly.

... Tsk!

I'm done with my order, so hurry up and bring it to me.

If it's something we can't solve,

I'll be happy to call the manager?

That was unfortunate, wasn't it?

You saved me.

\*sigh\* Thanks for helping me back then.

Is this sort of thing common?

Yes.

Oh, are you having a break too, Nomoda-kun?

Oh, are you studying?

I'm single, so that's not a problem ...

Ah ... haha ...

Well, I could take orders for people like them ...

Doesn't your boyfriend tell you to stop working in customer service?

I often get stubbornly asked "what school do you go to?" ... and given pieces of paper with contact details on it ...

What a pain!

Hey Nomoda-kun, what are you going to spend your pay on?

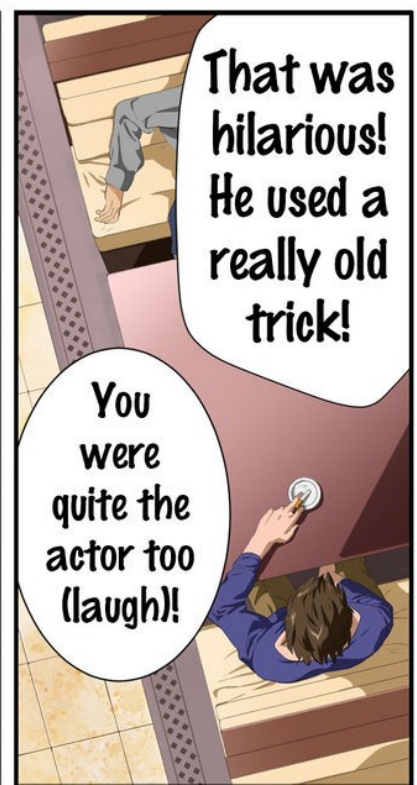

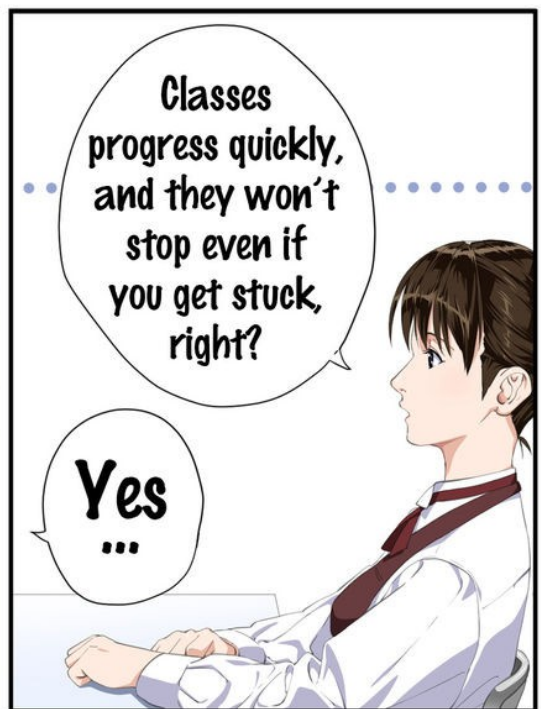

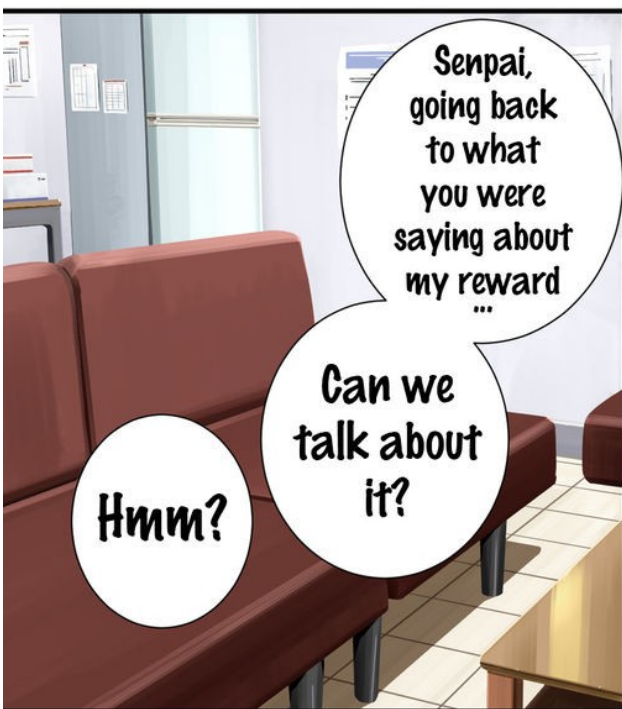

Haha, you're exaggerating things ... But I might think of something.

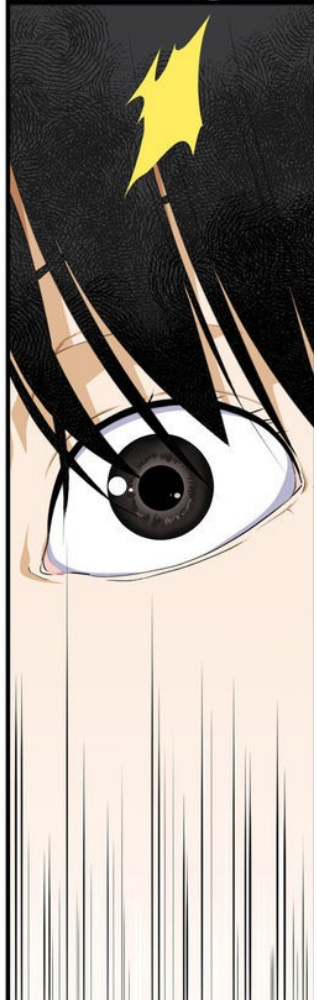

But really, thanks Nomoda-kun.

In return, if there's anything you need, just ask. I'll try to my best to help!

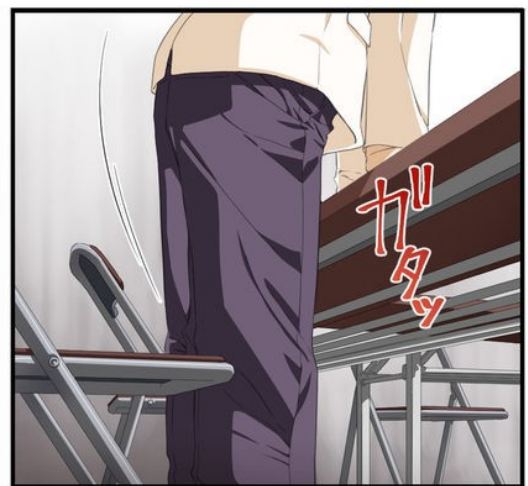

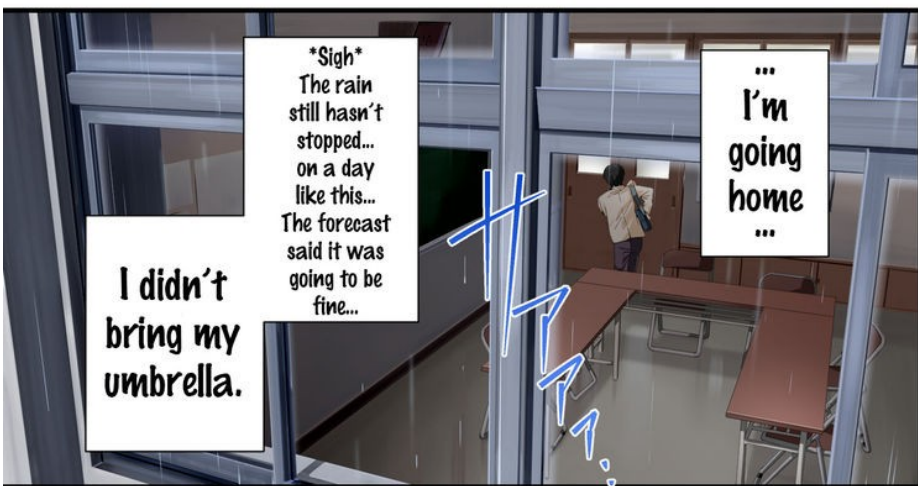

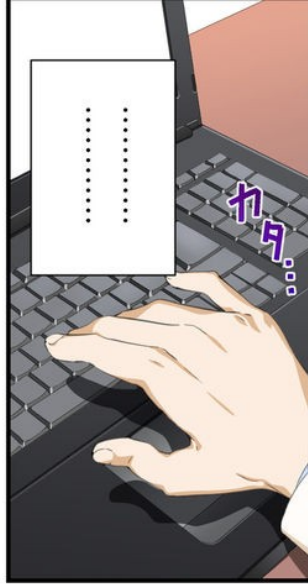

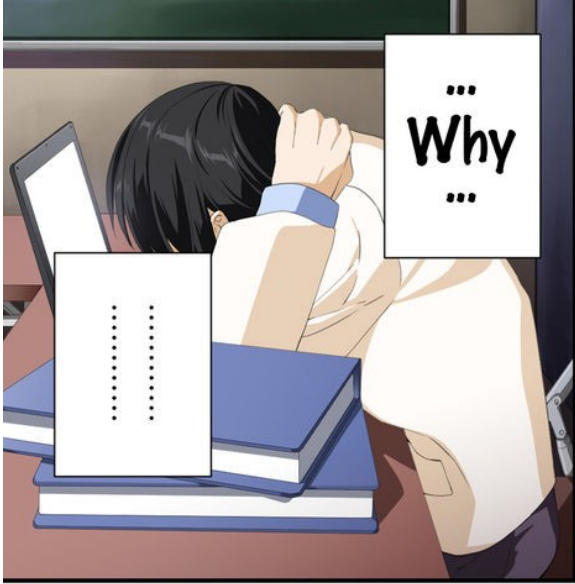

Hmm ... Is that so?

It's cold!  
Huh? Is it raining?

Don't worry,  
he won't notice.

Kino-shita-kun!

I've brought something for you, would you like a drink?

Yes, I would! Thank you!

Good work, Seto-san.

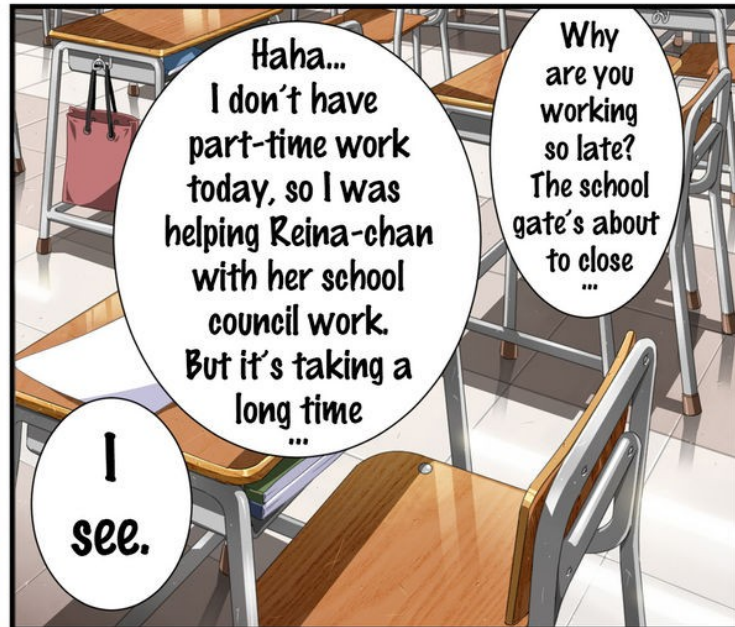

Mmmm ...

It looked like she had something important to get to, so I got her to leave and took over the rest of the work.

Hey, where's Miyauchi-san?

What? So you're handling all that paperwork by yourself!?

Haha... I don't have part-time work today, so I was helping Reina-chan with her school council work. But it's taking a long time ...

Why are you working so late? The school gate's about to close ...

I see.

You're almost done, right? Then let's just finish it together.

Mm, are you sure?

Of course, it's fine.

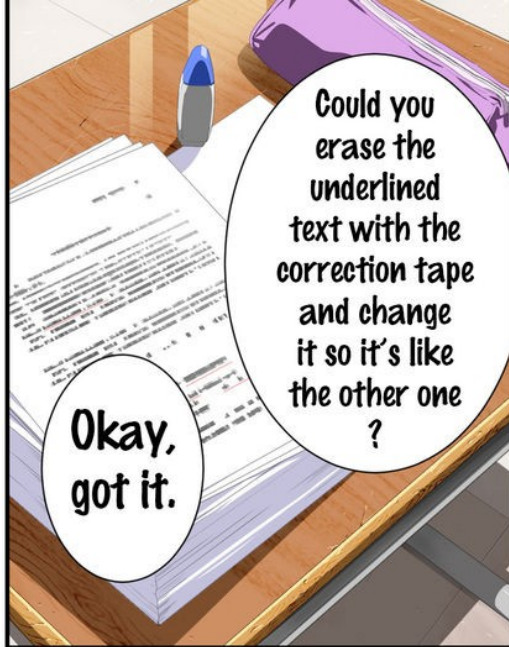

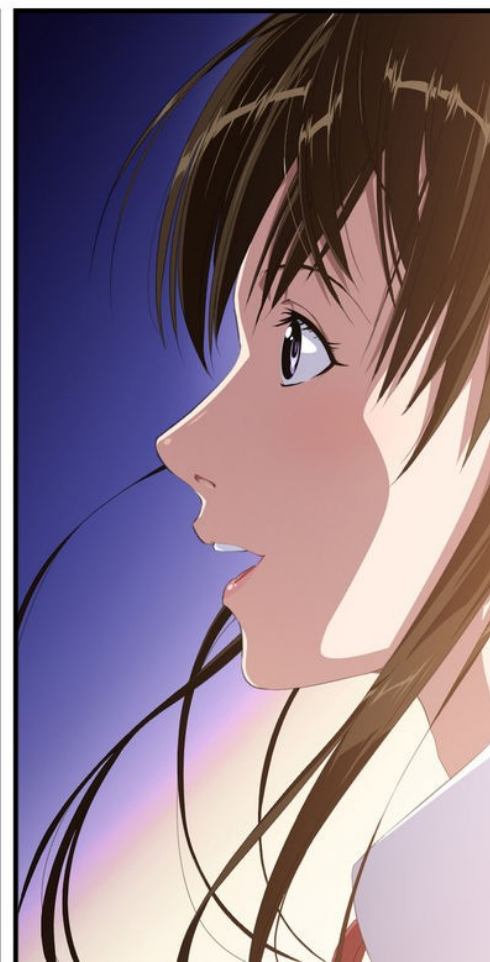

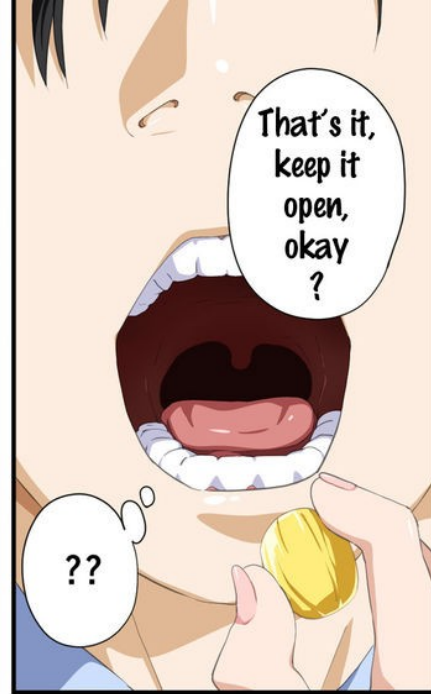

No, I'll help you.

Yeah, but I'm almost done ...

If I can't get it finished, I could do the rest at home ...

Hm ...

Oh, I was sorting documents for the council as well ...

So why were you staying at school so late like me, Kinoshita-kun?

It stopped raining before we realized.

Yeah, you looked really pale, so I was worried ...

I-I looked sick ...?

You weren't looking well since lunchbreak ...

But you seem fine now.

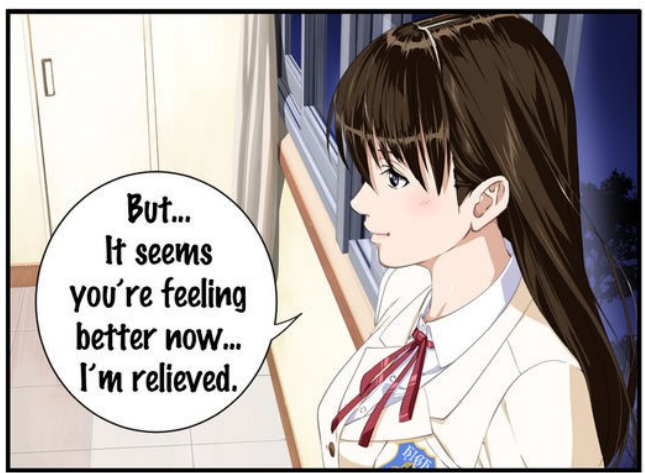

Huh?

Haha ... It's because I spent time with you, Seto-san.

"Seems you're feeling better now," huh? Haha... It's because I spent time with you, Seto-san.

Was she looking at me...? That's embarrassing ...

But... It seems you're feeling better now... I'm relieved.

Ugh !!

D- Damn it!! I said my thoughts out loud...!

Oh

Huh?

So you  
still love  
me?

Hey...  
Kinoshita-  
kun.

Ugh,  
that's so  
uncool

I feel  
pathetic  
for still  
having  
feelings  
for her  
...

Huh

Listen,

What  
did she  
just say  
...?

...  
Seto-  
san  
...

What  
did you  
just  
...

It's Mom.

She's telling me to come home soon.

Okay, it's getting late, so let's leave.

...  
Pheew.

It's my mobile ...

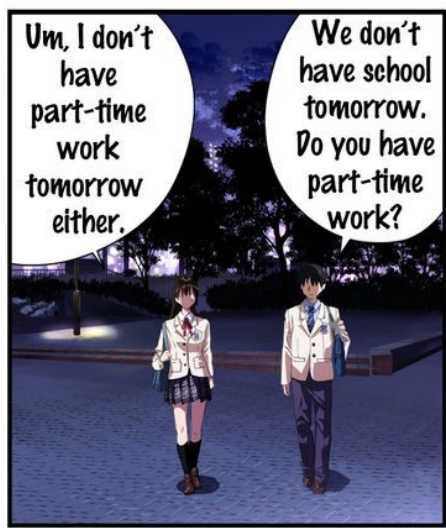

S-Sorry!

Oh, sorry. I'm busy tomorrow.

If it's okay with you ...

I'm going to buy some equipment for the school council ...

Um, I don't have part-time work tomorrow either.

We don't have school tomorrow. Do you have part-time work?

You think so?  
This is normal ...

You're so caring, aren't you?

...  
Then I guess I can't do anything about it ...

...

I promised to help my kouhai with his schoolwork ...

Ding-dong

Hello ?

So ...  
Who's this kouhai ...?

Apparently Mom's coming to take me home tonight, so I'll see you later, Kinoshita-kun.

Okay, see you next week.

Hello, senpai!

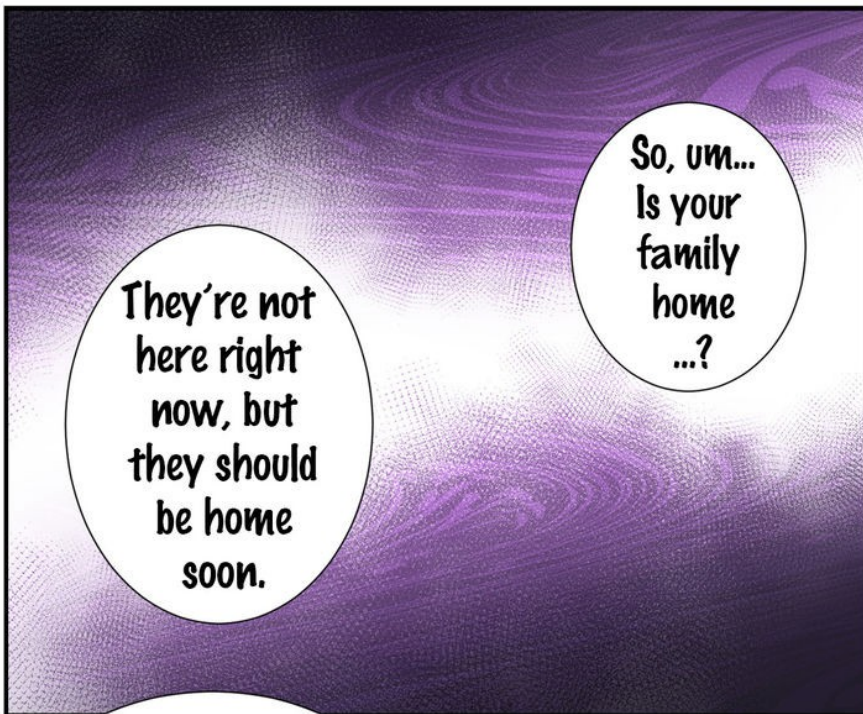

Oh, hi Nomoda-kun.

What a big and beautiful house ...  
Is he well-bred?  
Are his parents serious about studying ...?

Hmm ...  
This should be the place ...

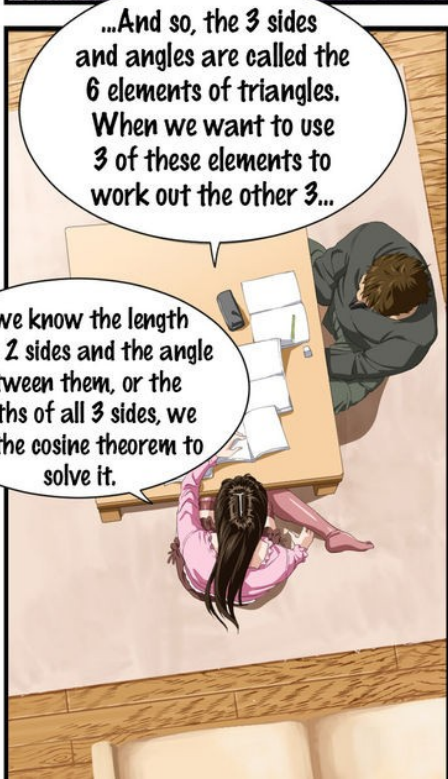

They're not here right now, but they should be home soon.

So, um...  
Is your family home ...?

Thanks for letting me in.

Please come in.

...And so, the 3 sides and angles are called the 6 elements of triangles. When we want to use 3 of these elements to work out the other 3...

If we know the length of its 2 sides and the angle between them, or the lengths of all 3 sides, we use the cosine theorem to solve it.

Please sit on that sofa.

Okay.

Phew ...  
He's younger than me.

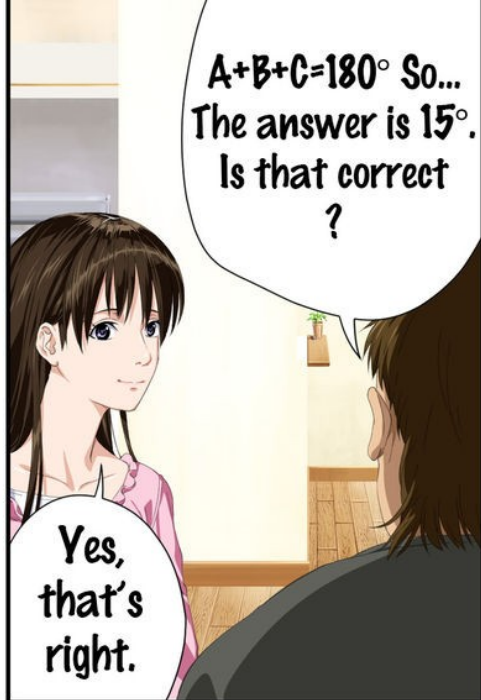

But it's a little uncomfortable to be alone together ...

I think the sine and cosine theorems will be in the test, but you should be fine as long as you know the formulas.

Now, let's move onto chemistry.

Okay.

From the part about ionic bonds.

$A+B+C=180^\circ$  So...  
The answer is  $15^\circ$ .  
Is that correct?

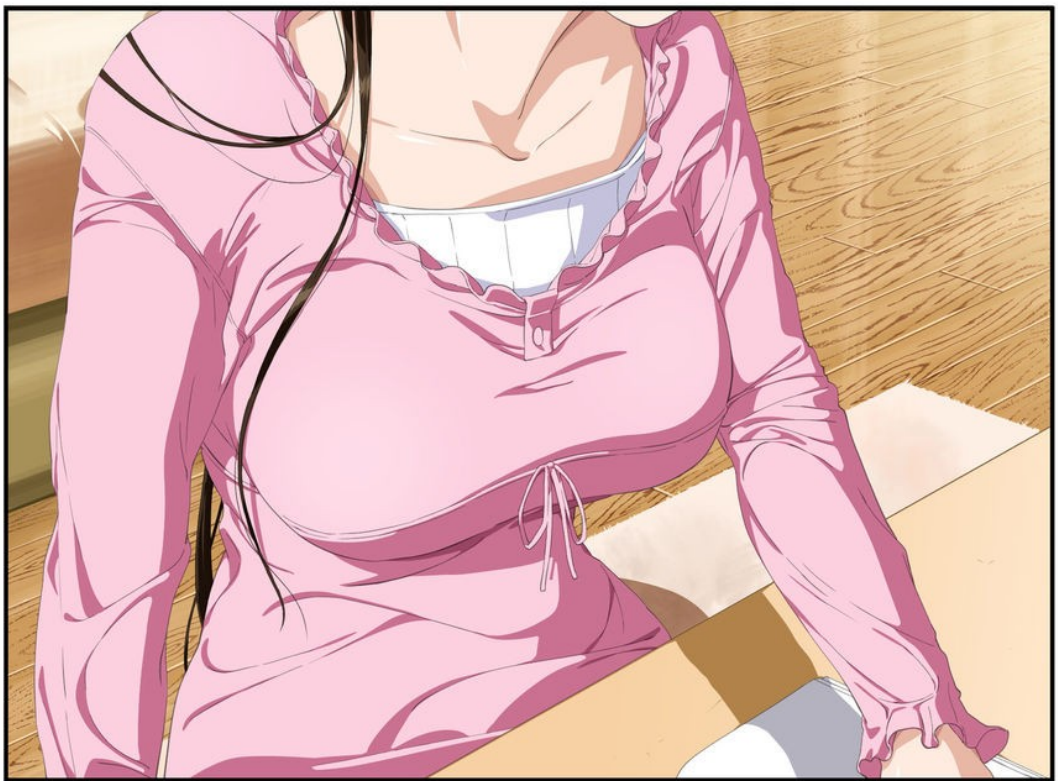

Yes, that's right.

Okay, let's try solving example problem 155 on page 82. We're given the lengths of sides B and C as well as A, the angle between them...

Um, so I substitute it into the cosine formula... and first find A...

That's it. And then you use the A you found to find B. Are you okay with all this? Once we know B then you can find the remaining C.

Okay.

Was it that funny?

フゥ  
フゥ

Y-Yeah, it was fantastic... Could you do it again?

Huh?

Haha

I make my forehead wrinkle up, and then ...

Oh no!! That makes me look like a middle-aged woman!! Nomoda-kun, I need you to get back at him by becoming a comedian and getting a hit using that gag!!

That's crazy talk!

A middle-age gag ...?

Like a party stunt ...?

I haven't performed it in front of anyone ever since ... I never thought you'd like it so much...

When I showed it to someone in my class, he said "that's a middle-age gag..." and turned him off.

Crap... You're the only person who's ever laughed at that gag ...

Oh really!? Everyone laughed, didn't they!? It's really funny!!

Yeah.

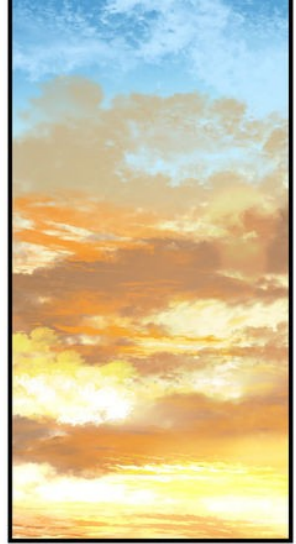

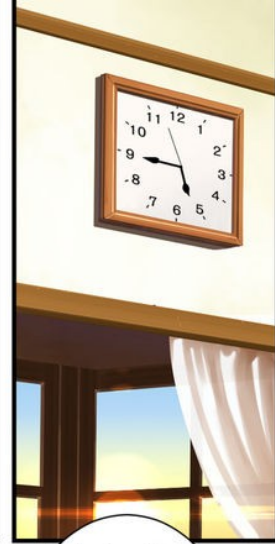

Should we take a break now?

It's this late already...

Phew ...

!!  
!!  
!!

...

Oh, let me help you.

A little...  
Because I do it regularly.

Actually, how about dinner?  
I'll cook something.

Huh?  
You can cook?

What would you like to drink?

Oh, I'm fine thanks.

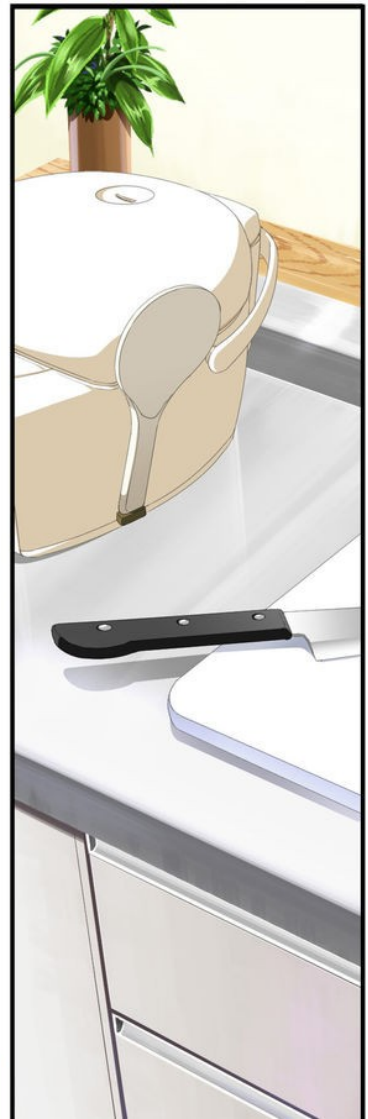

It's because I'm always by myself... both when I'm cooking and eating.

The tips of green asparagus are tender, so cut it about a third from the tips ...

Y-You're really skilled at this, aren't you?

After that, can you cut those in half and boil them with salt?

...

Oh senpai, can you pass me the skewers from that shelf?

Itada-kimasu.

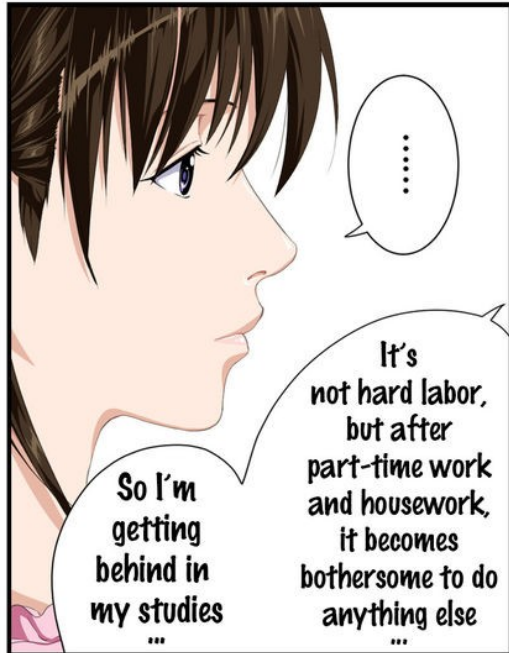

Please go ahead!

Done! Now dig in!

It's good ...!

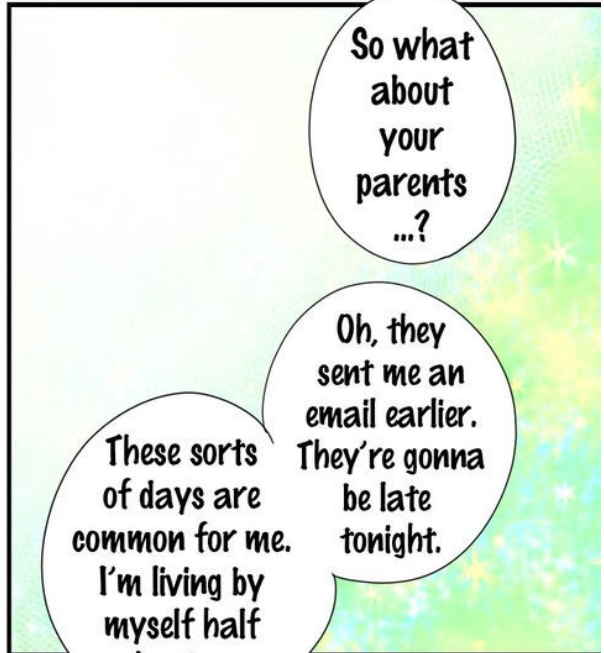

...

So I'm getting behind in my studies ...

It's not hard labor, but after part-time work and housework, it becomes bothersome to do anything else ...

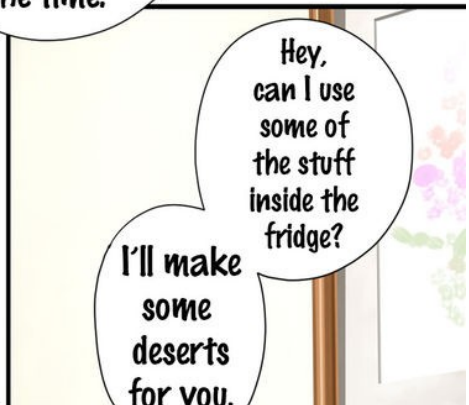

So I'm a pretty good housewife (laugh)!

So what about your parents ...?

Oh, they sent me an email earlier. They're gonna be late tonight.

These sorts of days are common for me. I'm living by myself half the time.

Hey, can I use some of the stuff inside the fridge?

I'll make some deserts for you.

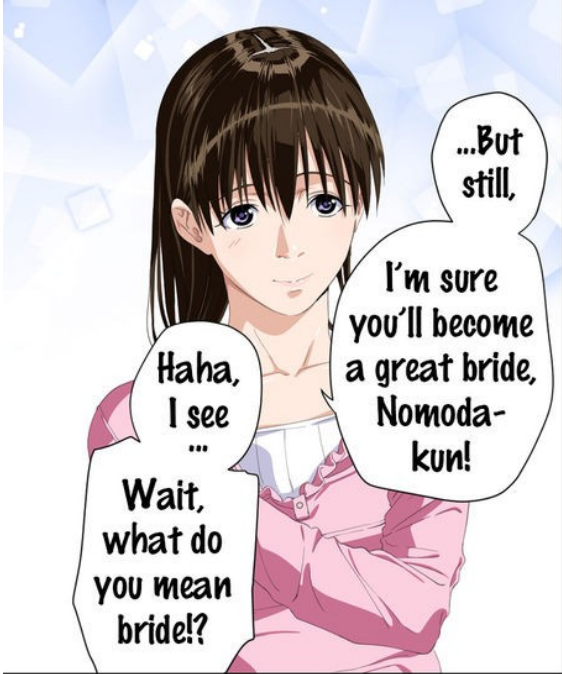

No, it's okay. Let me do it.

Sorry to make you tidy up.

Hmm, let's see what you've got ...

Really? Great!

Haha, I see ...

Wait, what do you mean bride!?

...But still,

I'm sure you'll become a great bride, Nomoda-kun!

It's like we're newlyweds!

Pfft

Don't say that! It's embarrassing!

It's nice, isn't it ?

Hmm ?

To sit at a dinner table together and relax like this ...

There are many sides to people, huh ...?

At first I thought you had a nasty look in your eyes and seemed like someone who's hard to approach ...

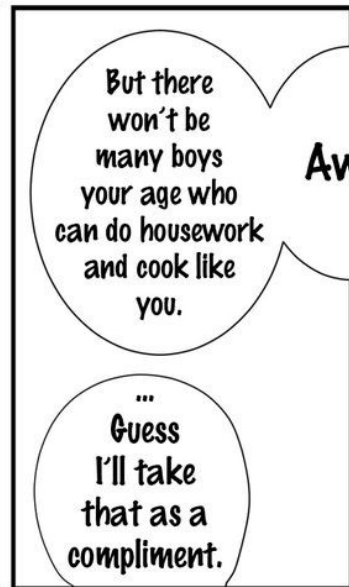

Sorry, don't get angry, okay?

Oh, I get that a lot.

Heh, I keep getting surprised when I talk with you, Nomoda-kun.

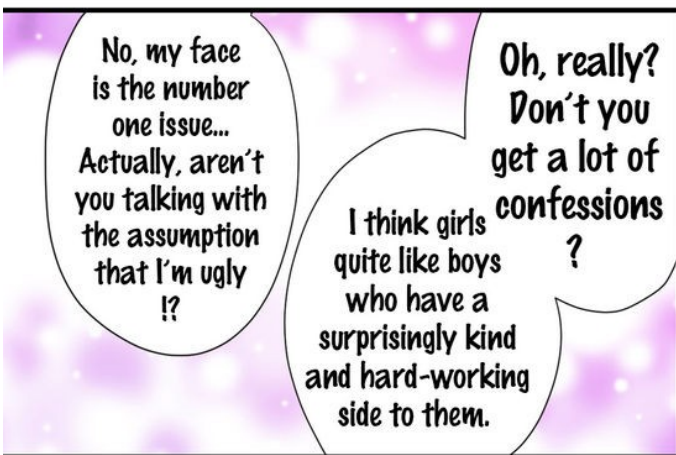

Why ?

But there won't be many boys your age who can do housework and cook like you.

Aww,

... Guess I'll take that as a compliment.

No, my face is the number one issue... Actually, aren't you talking with the assumption that I'm ugly !?

I think girls quite like boys who have a surprisingly kind and hard-working side to them.

Oh, really? Don't you get a lot of confessions ?

.....

I'm just saying that a lot of girls haven't noticed your qualities ...!

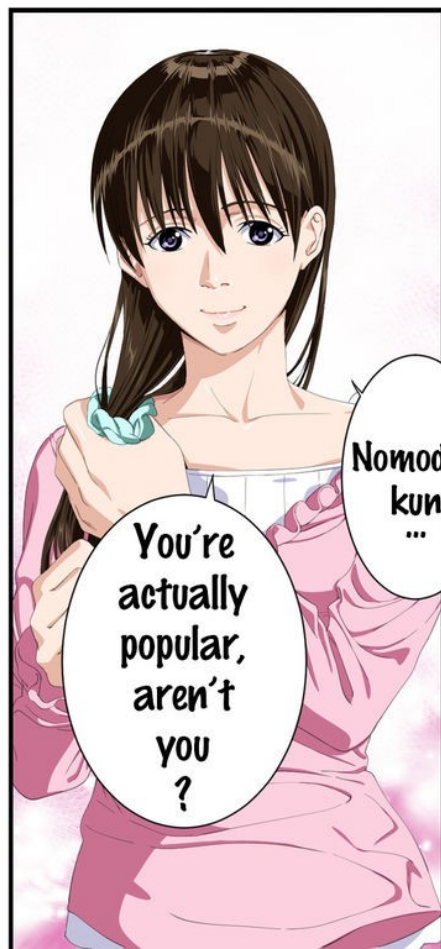

I-That's not what I meant!

...

I'm not used to having a girl at my house so I'm feeling nervous.

... Don't think so.

Nomoda-kun ...

You're actually popular, aren't you ?

If you're that pretty, you must be really popular.

No way ...

Me?

Never mind me, what about you?

But having a beautiful girl like you tell me that gives me confidence.

I... don't dislike you ... I guess!

Then what do you think of me?

Hey, it's unfair to answer like that !!

What kind of guys do you like?

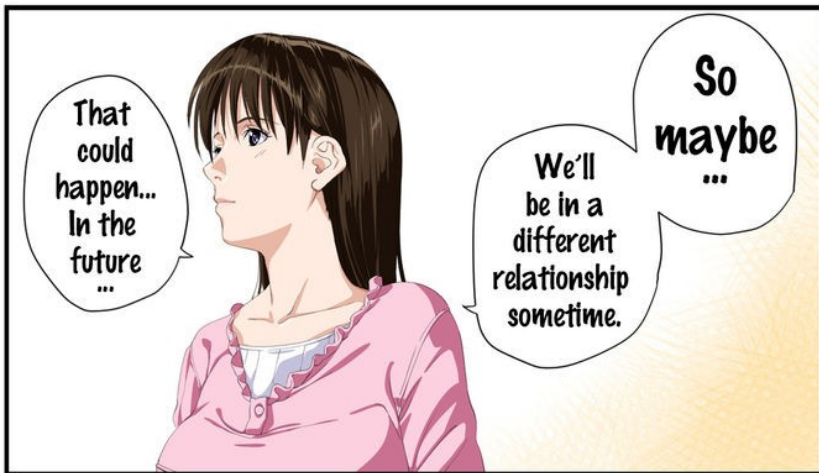

Hmm... as long as he's not too weird ...

Umm ... I'm pretty dull, so ...

You've got the pick of the litter, right?

That could happen... In the future ...

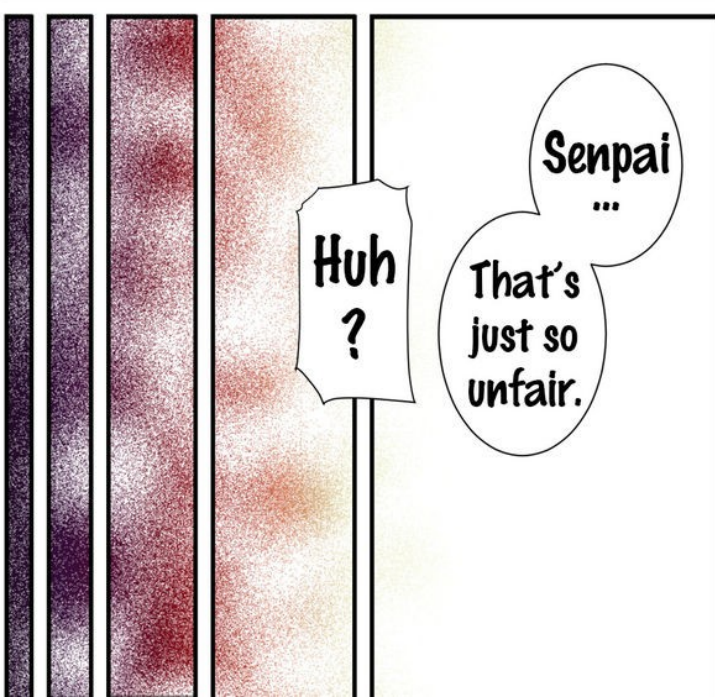

We'll be in a different relationship sometime.

So maybe ...

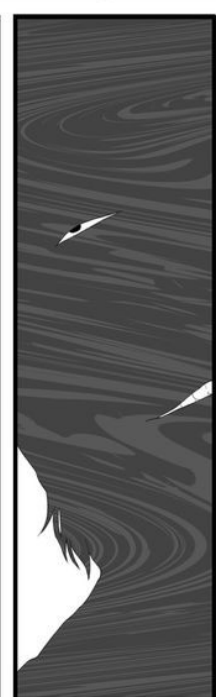

I'm really surprised. You really can't judge a book by its cover. People have many sides to them ...

But Nomoda-kun, I never thought I'd talk and spend time with you like this ...

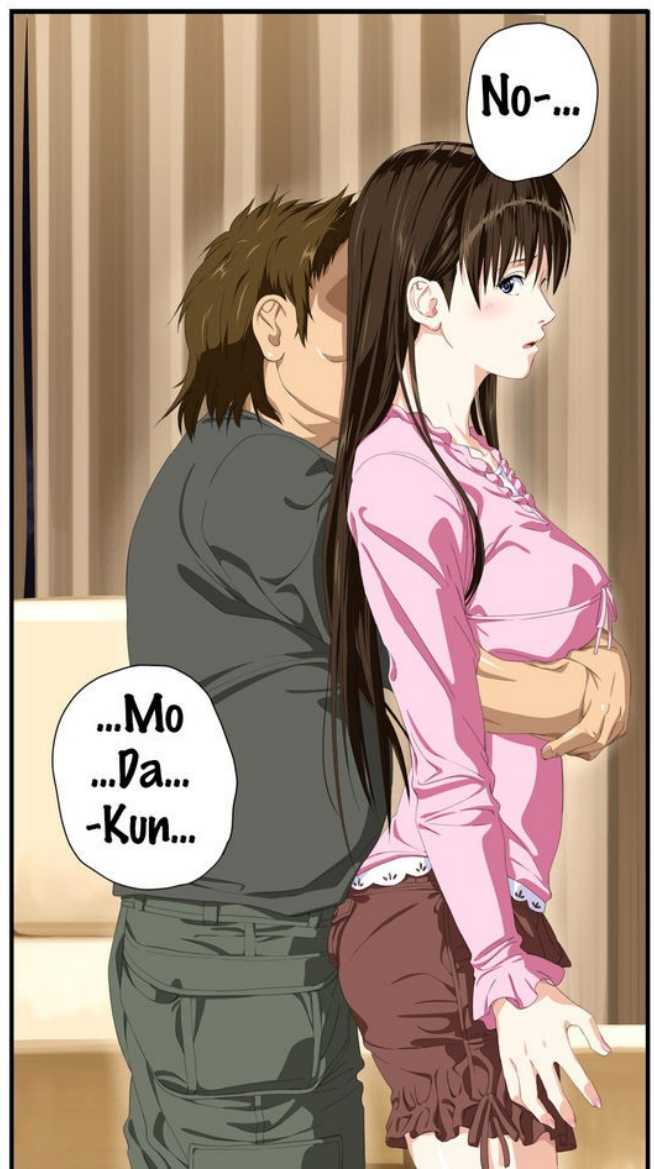

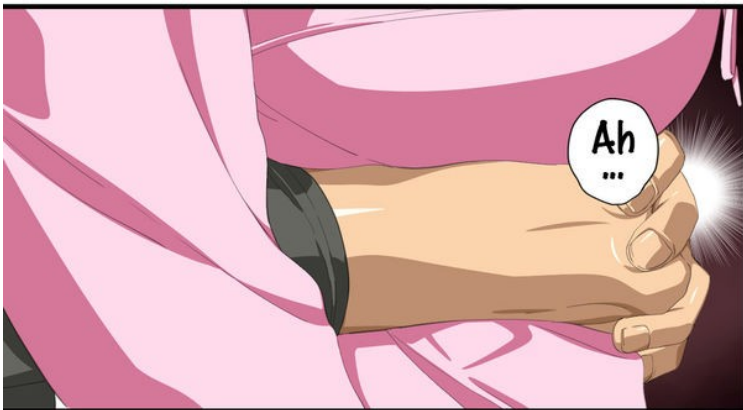

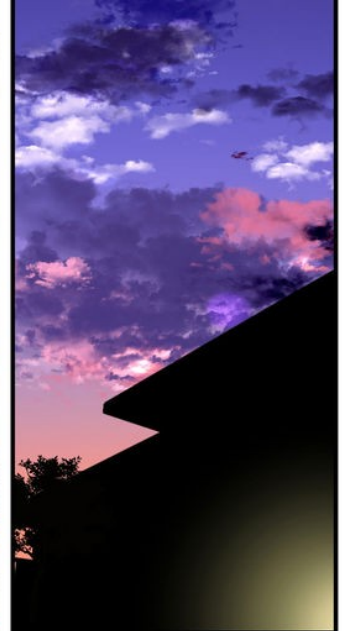

Huh ?

Senpai ... That's just so unfair.

Oh, sorry about that.

Ugh... haa... ah...

My cum and your pussy juice are mixing together and going all mushy and inside your pussy!

There, How's that ?

Ah!

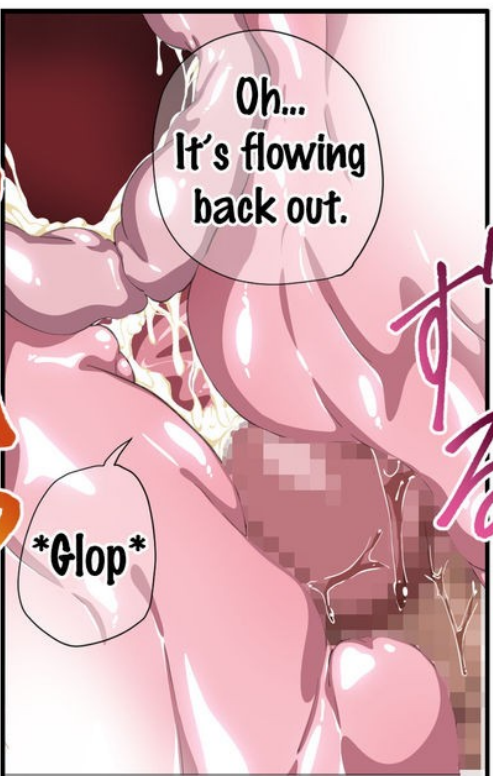

Ahh!

AHHH!!

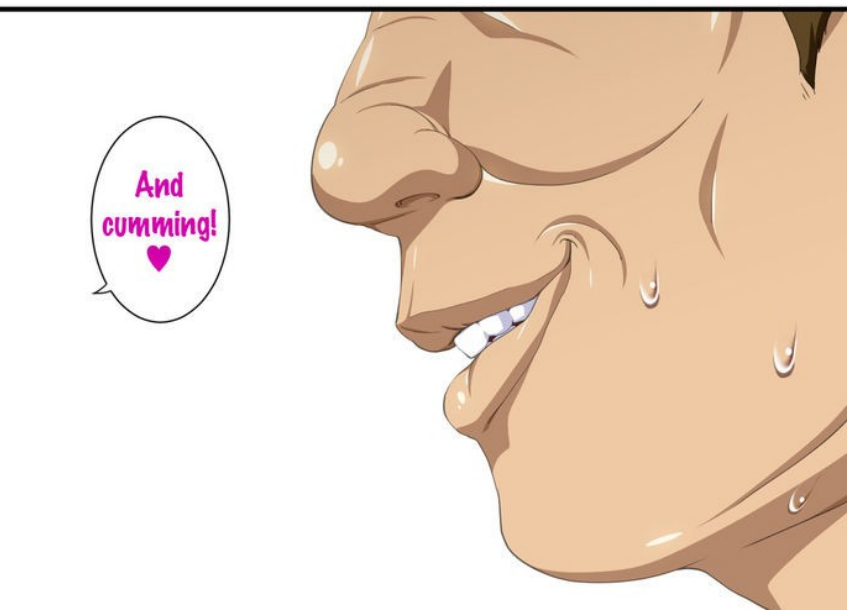

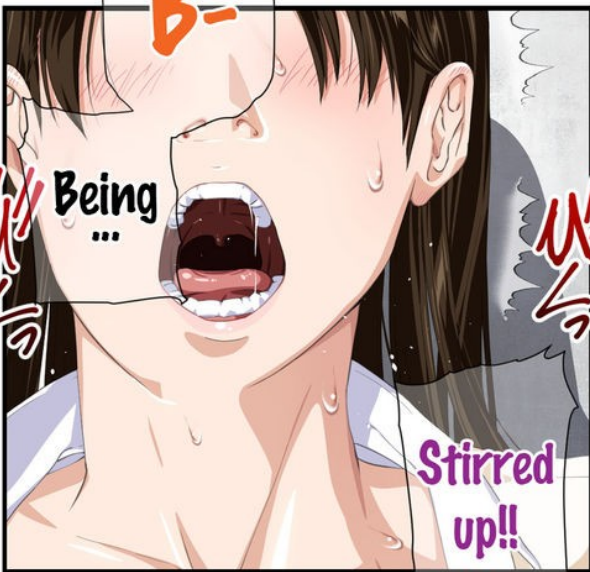

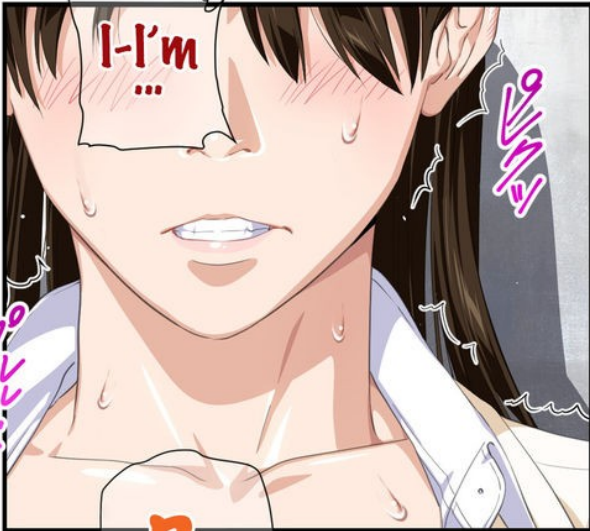

C'mon, swallow it all with your womb!

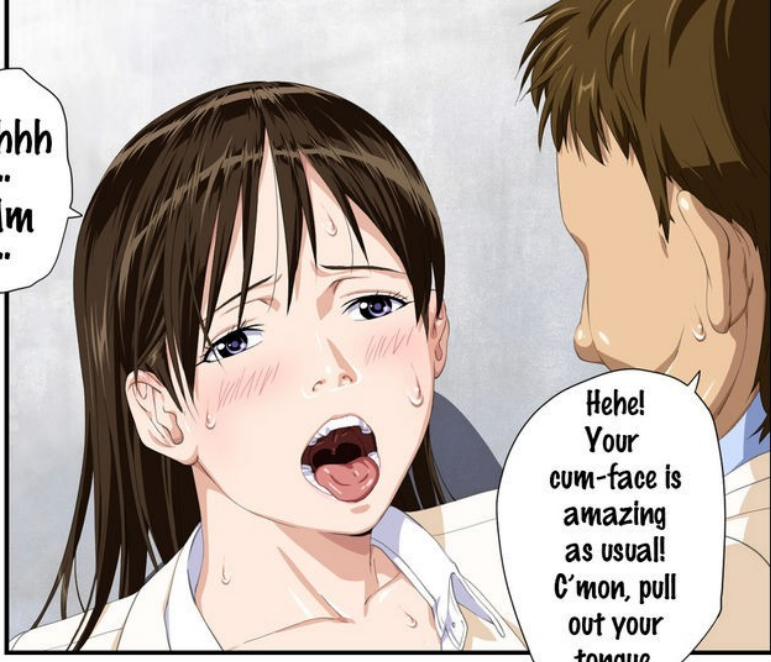

Oh... It's flowing back out.

\*Glop\*

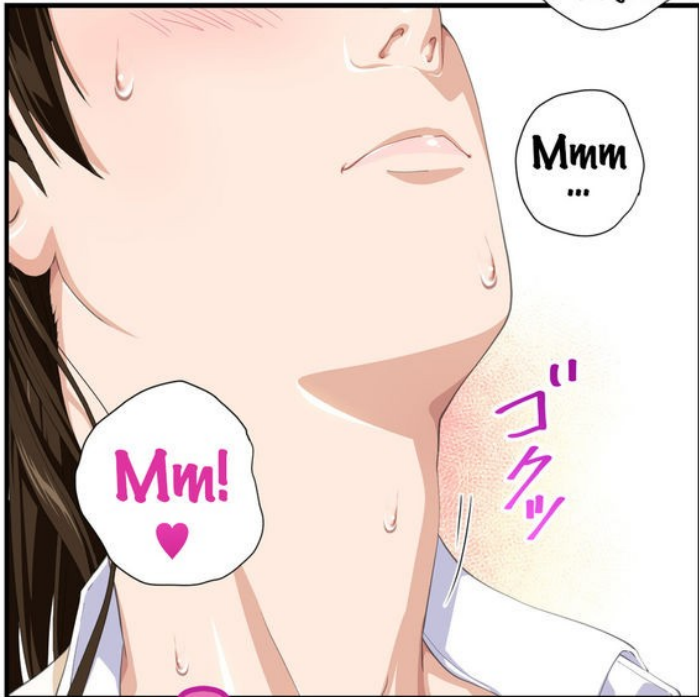

Yahhh

Hehe!  
Your  
cum-face is  
amazing  
as usual!  
C'mon, pull  
out your  
tongue.

Ugh!  
...  
Ah

...

Mmm

Mm!  
♥

ゴクツ

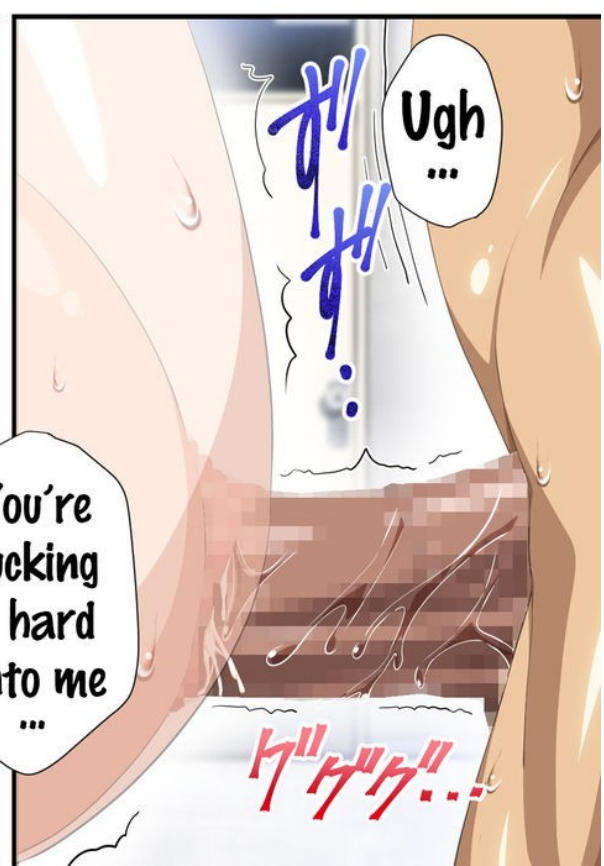

Thoroughly  
taste it  
before  
swallowing,  
alright  
...?

うお...  
...

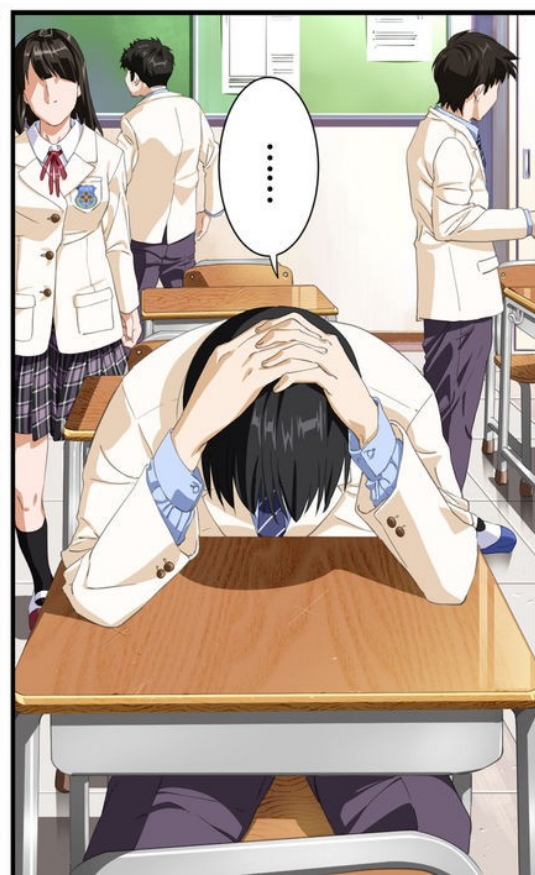

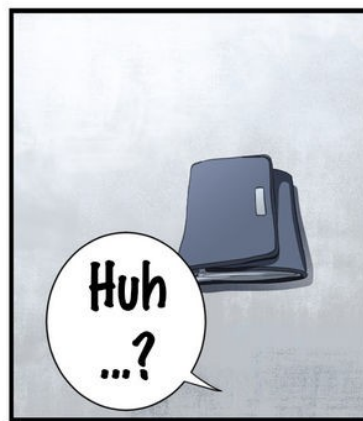

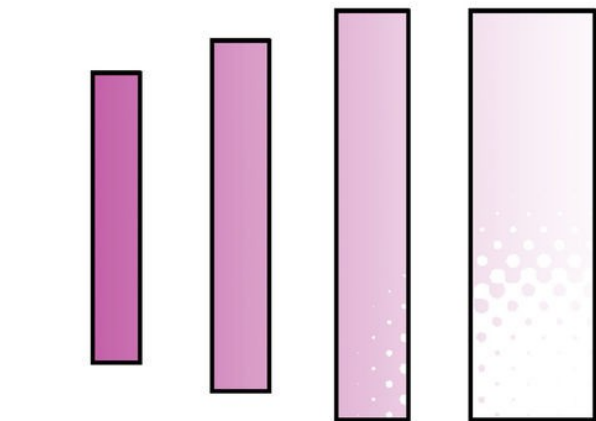

...

Ugh  
...

You're  
sucking  
so hard  
onto me  
...

Let  
that be a  
misunder-  
standing  
...!!

Ah  
...  
No

It's  
...  
Just  
...  
Please  
...

W-  
What  
happened  
!?  
...  
Ah.  
You  
look so  
pale  
!!

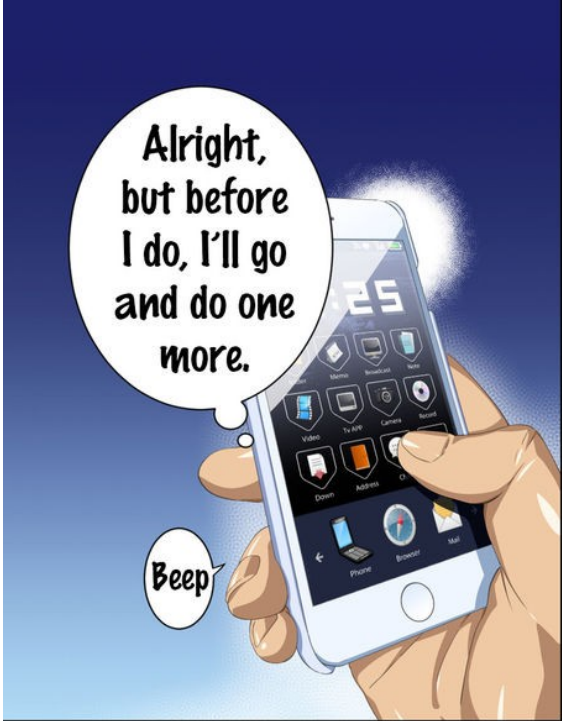

It was  
on the  
ground  
near the  
back of  
the school  
building.

Right?  
This is  
the reason  
why you're  
looking  
like that.  
Ah  
...!  
Thank  
you

Here.

T-T-  
Thanks  
...  
...

My  
...  
Wallet  
...  
So...  
The person...  
Who I saw  
there...  
was...

Alright, but before I do, I'll go and do one more.

Beep

I know that a lot of upper-class girls are fine ...

I'm gonna fuck real hard after part-time work too.

Secretly cumming inside a hot senpai ...

Ah... Miyauchi-san,

What's up...?

You're walking unsteadily.

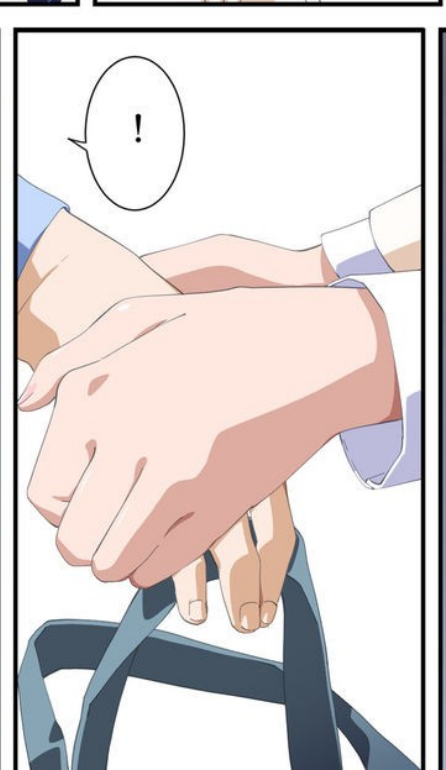

Kinoshita ...

Hey ...

Miyauchi-san...?

ト # ヽ

!

No, nothing ...

Nothing happened ...

... Did something happen ?

Miyauchi-san...

....

I've been watching you all this time... so I know.

That can't be true ...

Yeah.

... You sure ?

I'm fine now, I really am.

....

... Thank you.

Sur-...

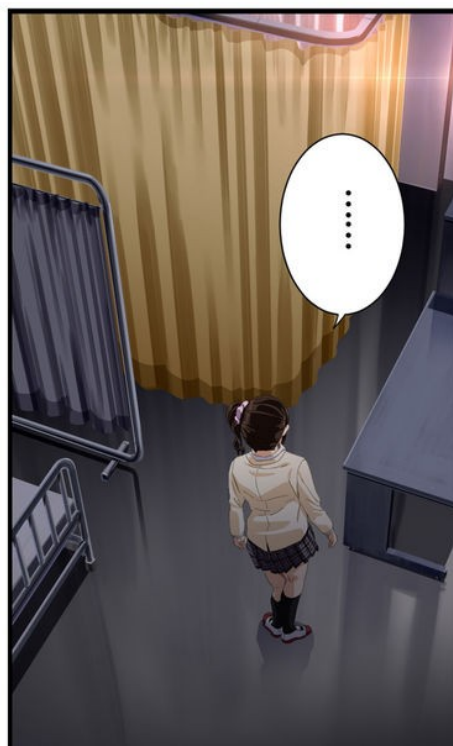

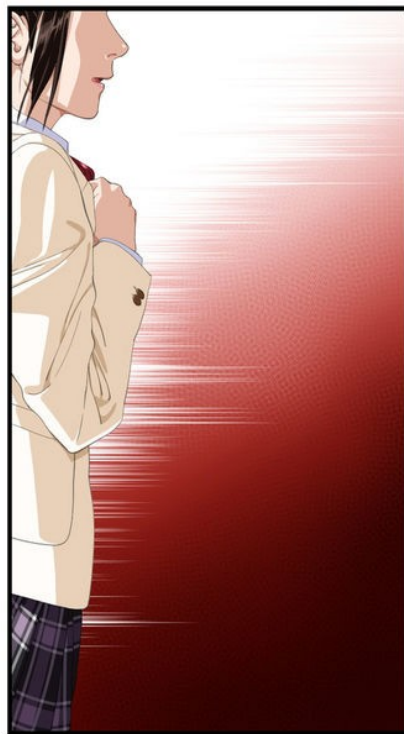

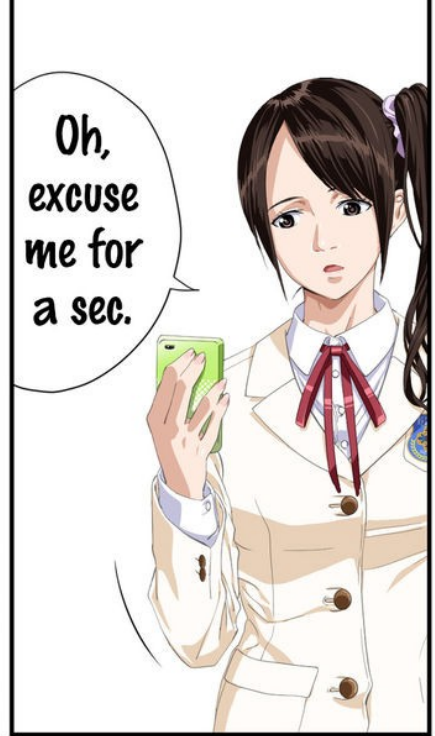

....

Do you want to go home with me for a change ?

Are you going home now, Kinoshita ?

Yeah, I should be able to make the train that leaves at 20-to.

Kyah!

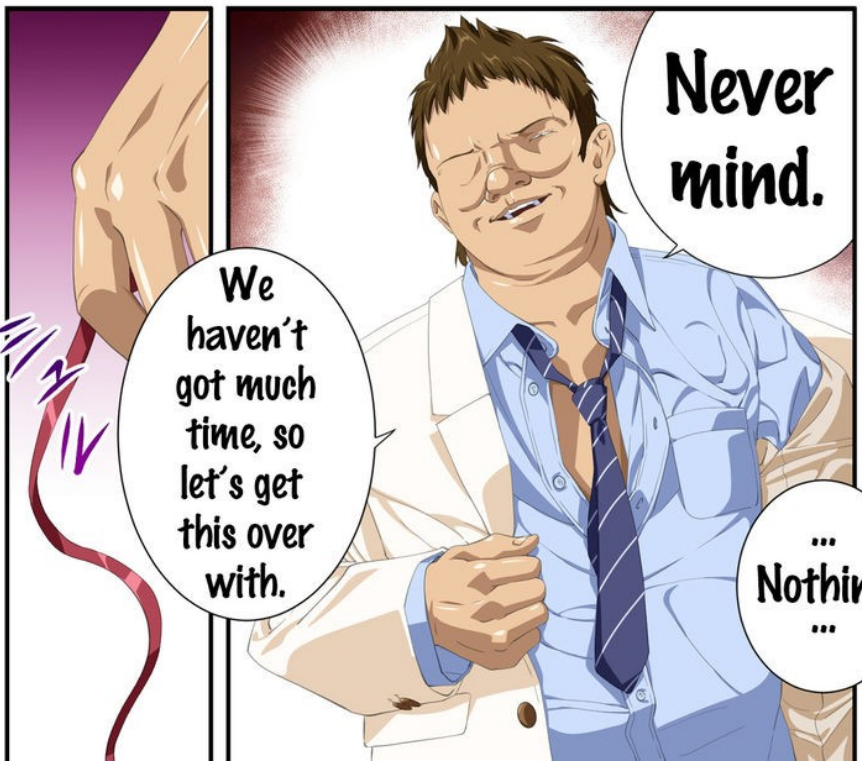

Are you here ...?

Hey, don't scare me like that!

Heh, You took a while.

We haven't got much time, so let's get this over with.

Never mind.

... Nothing ...

What were you doing?

Why were you late ?

I'm going to forget about the past and turn over a new leaf. I'll find... another love.

a love that's supposed to have ended.

This is my fault for not being able to forget about

If that's true,

Then maybe I was hurting people a lot without realizing it ...

I never noticed ...

My mind was full with thoughts about Seto-san and nothing else ...

Did Miyauchi-san ...

Have feelings for me all this time ...?

AHHH!!!

Alright.

There's this... guy I like ...

Hey... mm! can we... end this... soon...?

Weren't you the one who came to me saying you were sad because your one-sided love wouldn't bear fruit?

Also ...

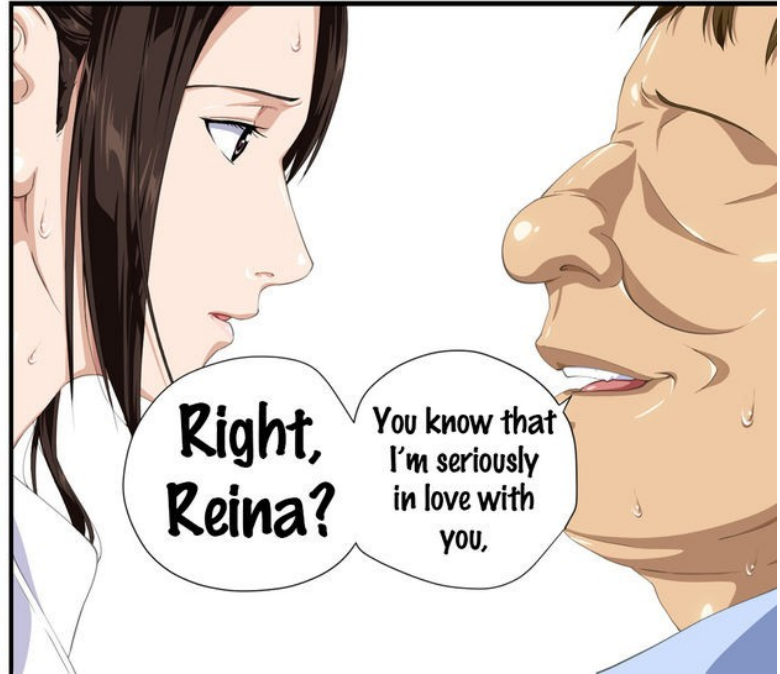

Mm!

Hehe, it's too late to be saying that!

You're special to me.

...

Right, Reina?

You know that I'm seriously in love with you,

Heh,  
it's not  
convincing  
at all  
...

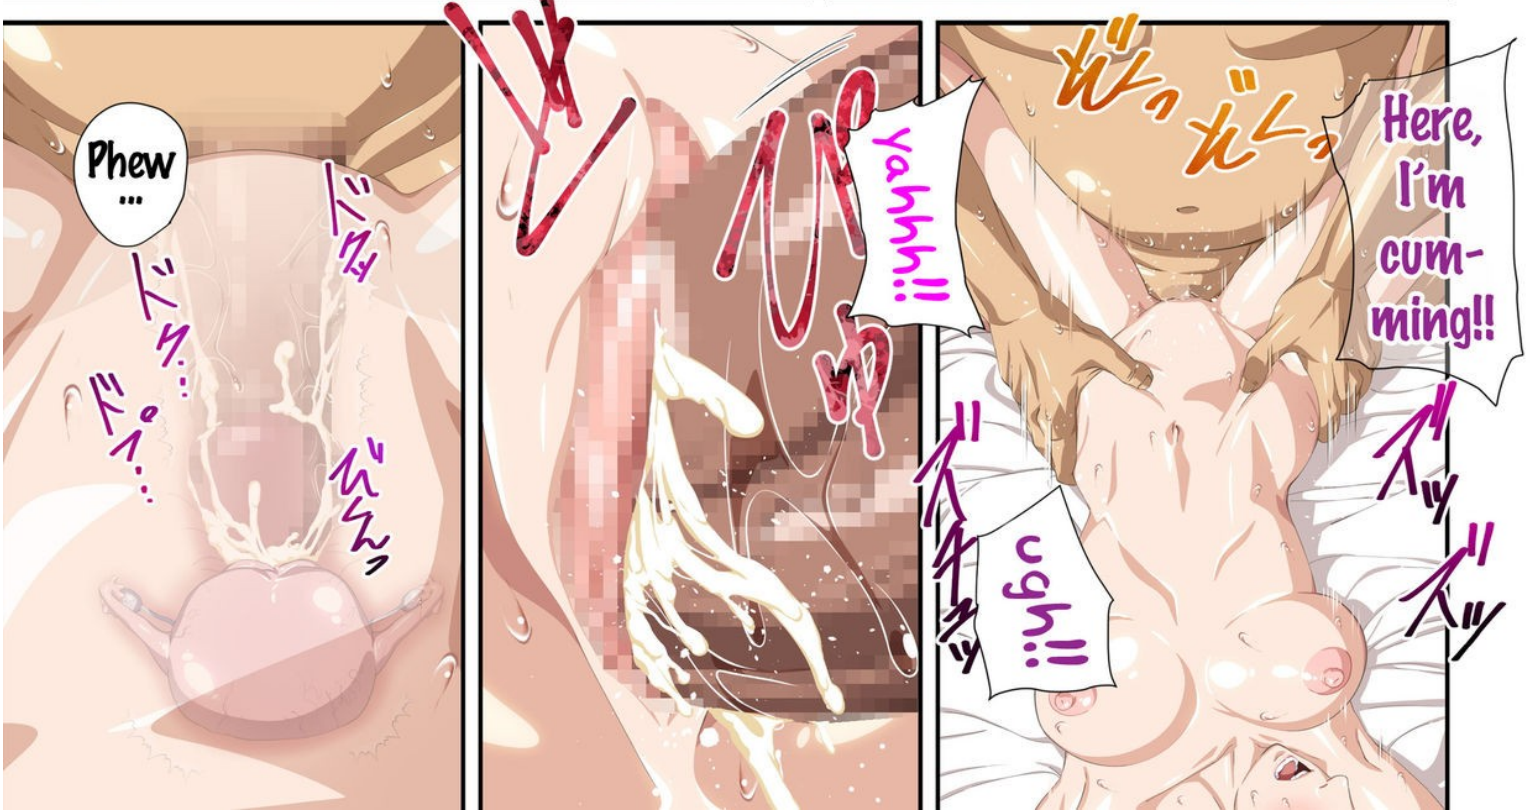

But  
...  
But  
...!!

Is having  
sex with  
me and  
nothing  
else, right  
!?

If you tell  
me things  
while shaking  
that ass and  
moaning!

What  
you  
"love"  
...

Phew  
...

yahhh!!

Here,  
I'm  
cum-  
ming!!

ugh!!
